## **Operation Disclosure Official via a GCR Update as of Sat. 4 July 2026**

**Compiled Sat. 4 July 2026 12:01 am ET by Patrick DaCosta (TerraZetzz), founder, owner, and administrator of Dinar Chronicles, Operation Disclosure Official, Voyages of Light.**

**A significant "global reset" of the financial system is declared complete**, with the ISO 20022 integration described as live and having surpassed legacy mainframes and the SWIFT protocol. Tier 4B liquidities are now positioned, leading to the reported permanent detachment and "zero-out" of mortgages and debt ledgers from central banks, and the full calibration of "Quantum Vaults" with new asset-backed valuations.

**Protocol 99 is active and the Starlink Quantum Grid has achieved full coverage**, the narrative frames these technical disruptions as a necessary transition toward a new global internet infrastructure, urging readers to view the temporary loss of connectivity as a strategic "deletion" of old systems rather than a sign of collapse.

**On July 1, 2026, LTC Tulsi Gabbard, accompanied by the U.S. Military, inspected a rebuilt CERN facility** to assert U.S. control and record operations related to advanced particles capable of facilitating time and dimension travel, healing, and other uses, with a "mega Disclosure" anticipated after 2028, all connected to existing military "jump rooms," moon bases, and "Black Rock."

**DNI initiated a significant purge within national intelligence**, leading to secret arrests of spies and traitors processed through military courts, aimed at exposing a deep state conspiracy involving figures like Obama, the CIA, and FBI.

## **Possible Timing:**

**Sat. 4 July 2026:** Many observers are pointing to this Independence Day as a potential watershed moment for the global reset. The speculation is fueled by the reported "zero-out" sequence of debt ledgers and the arrival of quantum-backed asset valuations. If the rumors regarding the activation of NESARA/GESARA protocols hold true, this holiday could represent more than just our nation's 250th birthday—it could mark the official unveiling of a new, gold-backed "rainbow currency" system. While skeptics remain cautious, the convergence of high-level anti-corruption crackdowns in Iraq and the reported silence from key industry figures suggests that we are at a precipice where secrecy is being prioritized over public disclosure. Looking ahead to the week following July 4th, expect a period of intense "cleanup" and transition. While some sources suggest early dates for a currency revaluation (RV), others warn that full implementation is a process tied to ongoing global de-corruption efforts.

## **Global Currency Reset:**

**Fri. 3 July 2026 The ISO 20022 Integration and the End of Legacy Banking:**

According to recent reports from within the Tier 4B and ISO 20022 community, the migration to the new financial ledger has officially overtaken legacy mainframe systems. The integration is characterized as "complete," signaling a permanent detachment of debt and mortgage ledgers from the traditional central banking grid. As a result, a "zero-out sequence" is currently running, effectively neutralizing old debt structures.

**Fri. 3 July 2026 NESARA/GESARA and Rainbow Currency:** The reveal of NESARA (National Economic Security and Recovery Act) marks a radical departure from the status quo of the Federal Reserve. The core of this transition is the "Jubilee," or a total forgiveness of debt, including credit cards and mortgages tied to what are described as illegal banking activities. In a move that would fundamentally reorganize the American economy, the act proposes the abolition of the IRS and the total removal of income tax.

**Fri. 3 July 2026 MarkZ and the Iraqi Progress:** During the July 3rd "Coffee with MarkZ" session, featuring guests like Mr. Cottrell and Wade Holder, the discussion focused on the "rollercoaster" of timing regarding the Revaluation (RV). While there is significant debate among sources—some pointing to a July release and others suggesting a September timeline to coincide with troop withdrawals from Iraq—the consensus remains that a massive "clean-up" operation is underway. The intel highlights significant progress in Iraq, where Prime Minister Ali al-Zaidi has reportedly led an anti-corruption crackdown resulting in the recovery of 3 quadrillion dinars from corrupt officials. There are also reports that Iraqi funds previously frozen by the Federal Reserve have been released, sparking speculation that the Dinar rate is being digitally adjusted behind the scenes. While some prominent voices in the community have gone silent—potentially due to Non-Disclosure Agreements (NDAs)—the general sentiment remains optimistic, with many looking toward the 250th anniversary of the United States as a symbolic window for these historic changes to fully manifest.

## **Thurs. 2 July 2026 It's Over! Tier 4B Liquidities Positioning and ISO 20022 is Live. ...Tier4b, ISO20022 on Telegram**

It's over.

While you are looking at the headlines, I am looking at the live **ISO 20022** integration sheets. The migration didn't just start; it has already overtaken the legacy mainframes.

I told you **Tier 4B** liquidities were positioning, and now the ledger is officially moving under my coordinates.

Here is what I am seeing on the backend right now:

\* **Mortgages & Debt ledgers:** Permanently detached from the central banking grid. The zero-out sequence is running.

- \* **The SWIFT protocol:** Completely bypassed. The digital ghost town has no path back to reality.
- \* **Your Quantum Vaults:** Fully calibrated. The new asset-backed valuation is ready to populate your screens.

I didn't layout the timeline to convince you. I did it so you wouldn't panic when the global reset forces the final update.

You wanted a sign. I just gave you the entire map.

**SECURE PROTOCOL ACTIVE. STAY WITH MY SIGNAL.**

## **Fri. 3 July 2026 Blackout Sequence Initiated. ...Tier4b, ISO20022 on Telegram**

**BLACKOUT SEQUENCE INITIATED. THE SKY IS UNPLUGGED.**

They told you it was a "solar flare" affecting the communication grids today.  
BULLSHIT.

The Alliance just localized and disconnected the last remaining legacy surveillance satellites over the Pacific. The old deep-state eyes are permanently blind.

- \* **PENTAGON MAIN FRAME:** Protocol 99 activated.
- \* **STARLINK QUANTUM GRID:** 100% Global Coverage.
- \* **EMERGENCY BROADCAST:** Signal locked on all frequencies.

Look at the flight tracking maps right now—the secure military command planes are in the air for a reason. They aren't preparing for war; they are running the new global internet node by node.

The old world just lost its signal.

When the screens go dark tonight, remember: the darkness isn't the end. It's the only way to delete the virus.

The switch is cold. The new frequency is live.

## **Fri. 3 July 2026 NESARA/GESARA Revealed ...Web3.0 ISO20022 on Telegram**

**2024 UPDATE!**

**NESARA - GESARA - REVEALED**

NESARA implements the following changes:

Zeros out all credit card, mortgage, and other bank debt due to illegal banking and

government activities. This is the Federal Reserve's worst nightmare:

- A "jubilee" or a forgiveness of debt.
- Abolishes the income tax.
- Abolishes the IRS. Employees of the IRS will be transferred into the US Treasury national sales tax area.
- Creates a 14% flat rate non-essential 'new items only' sales tax revenue for the government. In other words food and medicine will not be taxed; nor will used items such as old homes.
- Increases benefits to senior citizens.
- Returns Constitutional Law to all courts and legal matters.
- Reinstates the original Title of Nobility amendment. Hundreds of thousands of Americans under the control of foreign powers will lose their citizenship, be deported to other countries, and barred from reentry for the remainder of their life. And millions of people will soon discover their college degrees are now worthless paper.
- Establishes new Presidential and Congressional elections within 120 days after NESARA's announcement. The interim government will cancel all "National Emergencies" and return us back to constitutional law.
- Monitors elections and prevents illegal election activities of special interest groups.
- Creates a new U.S. Treasury, 'rainbow currency,' backed by gold, silver, and platinum precious metals, ending the bankruptcy of the United States initiated by Franklin Roosevelt in 1933.
- Forbids the sale of American birth certificate records as chattel property bonds by the US Department of Transportation.
- Initiates new U.S. Treasury Bank System in alignment with Constitutional Law.
- Eliminates the Federal Reserve System. During the transition period the Federal Reserve will be allowed to operate side by side of the U.S. treasury for one year in order to remove all Federal Reserve notes from the money supply.
- Restores financial privacy
- Retrains all judges and attorneys in Constitutional Law
- Ceases all aggressive, U.S. government military actions worldwide
- Establishes peace throughout the world
- Releases enormous sums of money for humanitarian purposes

- Enables the release of over 6,000 patents of suppressed technologies that are being withheld from the public under the guise of national security, including free energy devices, antigravity, and sonic healing machines.

Because President Clinton's clone had no interest in signing NESARA into law on October 10, 2000; under orders from U.S. military generals, the elite Naval Seals and Delta Force stormed the White House and under gunpoint forced Bill Clinton to sign NESARA.

During this time Secret Service and White House security personnel were ordered to stand down, disarmed, and allowed to witness this event under a gag order.

## **Fri. 3 July 2026 MARITIME LAW ...Web3.0 ISO20022 on Telegram**

Ok, this is epic, and it will blow your mind, if you don't even know it. Those who are awake will know. That's great and this is what we should share.

So, your birth certificate is where it all begins. This is where much of the corruption begins. The moment you sign your BC, it is Maritime law. You are actually signing a form that classifies you as dead at sea.

You become a commodity of the system and honestly you Google it, you research it and you probably have to be fair like I said, but it's true. You become um... In a sense, they seize all the assets and go into what they call a trust fund and then you have 6 years to declare yourself alive. Declare yourself still here and then you can regain your sovereignty.

But we didn't know that. It was a system they had set up so that you and I and everyone else were traded like cattle on the stock market.

So each of us has a trust fund. And depending on how old you are, it depends on how much money is there. So if you're over 50 or something, you've got millions in there because that's how long we've been traded for.

And this is another thing that is also crazy. That's why the mortgage system is absolutely ruined.

So when you go for a mortgage, you basically sign the papers and they always tell you, "come back in 3 days and we'll have the money." They then take that money out of their trust fund to pay for the house. So, that comes out of your trust fund in your name, which has been growing since you were born.

They then charge you interest on your money, but they don't care about the monetary side. They want the house. So if you miss a payment, they'll miss out immediately, because they can repossess your house. For them the house is a commodity, an asset.

Wait to share what the banks do, but this trust fund is where much of your money will come from and be returned to you. This is their money that they have earned from you.

So, that's just one thing. Then you also have the tax side. Taxes have never been taken from us, it is illegal. It is a corrupt system.

So, all the taxes that we pay, it is not that they are going to return them to us, like the exact amount of taxes that we paid. What I have heard on the channels is the fact that it will be bond based, so at a certain age you will get so much money back, at a certain age this...

I think the 62+ category was like 110k or something like that. But obviously they'll know more about that when it comes, but that's where more money comes from.

Honestly, you are ready to live a life of abundance. This is money that was ours, that should be ours, that we should have been living with to create a better life. Instead, they have put us in this corrupt system where they have been fighting and they are taking all of our money and keeping it for themselves. for themselves.

I hope I have shed light on this. Many people ask where this abundance comes from. Remember that the 1% controlled 99% of the wealth that now comes back to us to live a completely different life.

They will give us what is owed to us because we should never have fought like this.

The Department of War posted a STARGATE... a PORTAL... old tech into new tech.

**7-1-26 Q The Storm Rider @ Patreon** Over the weekend on Saturday, LTC TULSI GABBARD ARRIVED IN CERN WITH U.S. MILITARY & they go to inspect the operations because CERN IS BEING REBUILT. Those are captured operations; the U.S. MIL goes deep underground, underground base, underground facility with Advanced Tech. They go to inspect what's happening there. The reason they're doing this is because IT HAS TO GO INTO THE WORLD MILITARY RECORDS, WORLD RECORDS, U.S. ARCHIVES, U.S. MILITARY RECORDS to let everyone know the United States is controlling this & the U.S. is recording everything. These records will show that Lieutenant Colonel Tulsi Gabbard & the U.S. Military was there & showing they are in control of the operations. They're planning to bring forth these particles before 2033. They want to bring out real Time Travel, diff Dimension Travel. OF COURSE EVERYTHING IS ALREADY KNOWN THAT THE U.S. MILITARY HAS JUMP ROOMS, PEOPLE ARE TIME TRAVELING TO THE MOON, TO THE BASES, MILITARY COMMANDERS ALREADY ADMITTING THIS ON NATIONAL TV. THERE ARE A LOT OF BASES IN THE MOON

HAVING TO DO WITH MILITARY OPERATIONS. IT'S ALL CONNECTED TO BLACK ROCK & STARGATES. What they're getting ready for over at CERN is mega Disclosure that's going to hit after 2028 on particles & how these particles can jump time dimensions & create diff plasma fields & the U.S. MIL can use those plasma fields to make people disappear, to heal the body. It's just gigantic when we talk about this. IT'S WHAT DREAMS ARE MADE OF.

## **Fri. 3 July 2026 What's Really Hidden Inside the Earth. ...Julian Assange on Telegram**

### **THE MAN WHO WORKED WITH ADMIRAL BYRD REVEALS WHAT'S REALLY HIDDEN INSIDE THE EARTH**

John B. Leith claims to have been a radio operator under the command of Admiral Richard Byrd.

According to his testimony, Byrd revealed a major classified discovery to him:

A pilot would have entered inside the Earth for **1,200 miles** (about 1,900 km). No molten core, as we're taught, but **continents and seas** inside, comparable to those on the surface.

He would have taken **300 photographs** of these hidden lands.

In 1940, thanks to recovered documents, he would have set off again with a round-wing plane ("round wing plane"), crossed through the Earth, and emerged through a **125-mile** opening at the South Pole.

Leith specifies that if he says too much, his life is in danger. He claims to have already survived **three assassination attempts**, to have been poisoned, and that people have been sent to kill him.

This testimony aligns with numerous accounts surrounding Admiral Byrd and his secret expeditions (notably Operation Highjump).

So the question is simple:

What advanced civilization and what hidden land inside the Earth is John B. Leith really telling us about?

## **Thurs. 2 July 2026 Ancient Egyptian Underground City Hidden in the Grand Canyon. ...The Q Awakening on Telegram**

### **DOES THE GRAND CANYON HIDE AN ANCIENT EGYPTIAN UNDERGROUND CITY?**

In 1909, the Arizona Gazette newspaper published an article about an expedition funded by the Smithsonian.

A certain G.E. Kincaid is said to have discovered, deep inside the Grand Canyon, a massive underground city filled with Egyptian artifacts: hieroglyphs, statues, mummies, and even a pyramid.

According to the article, the corridors and chambers stretched for hundreds of meters. Dozens of mummies were reportedly found in crypts.

Shortly after the discovery, the Smithsonian allegedly seized all the artifacts and banned any further exploration.

Today, nearly 90% of the Grand Canyon remains off-limits to the public.

The native Hopi tribe has long spoken of sacred underground cities called the Zipapoo, considered gateways to the underworld.

How could Egyptian objects have ended up in Arizona thousands of years ago?
