On Tues. 21 July 2026 the Quantum Financial System will be unveiled in a worldwide broadcast that securely transmitted via the Quantum Communication Network. The fundamentals of this system, as well as the concrete actions that any citizen can take to start utilizing it, will be revealed.

Julian Assange said it all on Mon. 20 July 2026:

- **There are** many Biden's
- **The real Biden** is a pedophile
- **Obama** is gay
- **Michelle** is a dude
- **The elites** drink babies' blood (after torturing or killing them)
- **Child trafficking** is the elites' drug of choice
- **Epstein** serviced the elites (using pedophilia and Child Sex Trafficking for the purpose of blackmailing politicians to do the Cabal's bidding).
- **The USA** is a private corporation (owned by foreign bankers).
- **The immigrants** coming over the border are mainly fighting-age men who will attack everyone

The enemy has full infiltration of your home, and not a single shot was fired. Billions have been invested in the slow poisoning of humanity. They do not want you waking up. They want you a slave to the system forever.

- **The food** we eat is poisoned on purpose
- **The COVID Vax** was meant to depopulate the World (in accordance with the Deep State's 2030 Depopulation Agenda so they can rule the World).
- **The election** was stolen
- **Hillary** had JFK Jr. assassinated
- **Mail-in ballots** were used to steal elections
- **Cancer** is purposely caused by the government
- **Fluoride** in your toothpaste.

- **Chlorine** in your water.
- **Aluminum** in your deodorant.
- **Carcinogens** in your cleaning/laundry supplies.
- **Addicting and chronically deadly GMOs** in your favorite food.
- **TV show's subconsciously programming** you and your children.
- **Chem Trails** sprayed in your air.

The enemy's biggest weapon was distraction. While everyone was arguing:

- **Technology** became more powerful.
- **Privacy** became optional.
- **Debt** became normal.
- **Convenience** replaced freedom.
- **Information** became harder to verify.
- **Algorithms** began deciding what billions of people see.
- **Fear** became profitable.
- **Outrage** became a business model.
- **Independent thinking** became increasingly rare.
- **The loudest voices drowned out** the most important questions.

The strongest prison is built when people stop asking questions, stop verifying information, and accept every narrative without thinking for themselves.

Stay curious. Question everything. Verify everything. Think for yourself.

A. What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

Mon. 20 July 2026 US Secretary of State Marco Rubio Fox News: "I designated two additional Mexican cartels, the Juárez Cartel and Los Viagras, as Foreign Terrorist Organizations and Specially Designated Global Terrorists. Under President Trump's leadership, we will never stop fighting against violent narco-terrorists from flooding our nation with deadly drugs."

Mon. 20 July 2026 After years of being lied to and gaslit by the mainstream media, voting companies, and crooked politicians, voting systems were always connected to the internet and NOT air-gapped, with IP addresses confirming foreign servers were sending and receiving data to these machines during the 2020 election. Not only did the machines have internet access, they were bought and came standard with foreign made 3G/4G modems already installed in the machines, with remote wireless backdoor access to manipulate the vote count in real time. ...Dan Bongino on Telegram

Jessie Czebotar claims she witnessed Hillary Clinton, George Bush, Dick Cheney, Joe Biden and others at Satanic Rituals and child hunting parties run by the Rothschilds.

The entire "fossil fuel" scam was invented by the Rockefellers and the Smithsonian in the late 1800s to create artificial scarcity and jack up prices to insane levels. Oil is abiotic. It is a liquid mineral cooked deep in the Earth's mantle under crushing pressure and scorching heat. If people knew oil is basically tap water for the planet, endlessly generated from below, the entire parasitic geopolitics of wars, sanctions, and price manipulation would evaporate overnight.

75 entry-level driving schools are now under investigation for FRAUD. 24,000 drivers who can't speak English were already taken off the roads — and 4 states had to cancel 28,000 licenses issued ILLEGALLY. 9,500 schools have already been CANCELED from the federal registry. "Thousands of unqualified trucking schools have already been taken off the federal registry, but Homeland Security and the Department of Transportation are working to do even more."

B. Possible Timing:

On Thurs. 16 July 2026 the Quantum Financial System went live worldwide. Every major bank connected. Old fiat system dead. GCR gold-backed

currencies of 209 nations igniting. NESARA GESARA debt jubilee implemented. Saint Germain Trust of 890 trillion activated for the people. Constitutional Republic restored July 4. US Inc dissolved.

On Thurs. 16 July 2026: President Trump signed Executive Order 2026-1947 declaring Med Bed Technology released to the public. Non-invasive treatments under an hour use specific wavelengths so the body heals itself. Free Med Bed access for the general public worldwide soon. Since 2019 the AMA opposed release citing threats to Big Pharma and insurance. Internal AMA email to 847,000 doctors admitted PEMF efficacy for tissue regeneration but threatened license loss and criminal charges for use.

On Thurs. 16 July 2026 at 03:17 am Geneva time the WHO deleted over 14,000 pages proving electromagnetic frequency therapy effectiveness including 70-94% tissue regeneration rates, 67-89% cancer remission data, and memos on the frequency problem destroying health economics.

On Sat. 18 July 2026 Japan became the first nation to approve Med Bed technology for public hospitals. Three types authorized: PEMF Regeneration Chamber (7.83-14.1 Hz for cancer and organ failure), Torsion Field DNA Repair Unit (528 Hz for genetic disorders and aging reversal), Biophotonic Coherence Restorer (full-spectrum light for immune restoration). Deployment begins September 1 2026 across 340 hospitals. South Korea approval expected August 2026, India Q4 2026, United States within 120 days. Pharma stocks crashed, emergency meetings called it reckless endangerment.

On Mon. 20 July 2026: Temporary Martial Law at maximum alert. EBS preparing decoded pages within hours. 10 days of communication darkness imminent. Military forces positioning for global shutdown protocols. Large scale arrest operations approaching. Hillary Clinton scheduled Tues. 28 July 2026 for Crimes Against Humanity and Children.

MedBeds online next week. Global streams of healing centers activating. Free access to Med Beds everywhere by mid August. Regenerative pods reverse aging, regrow limbs in minutes, erase chronic disease, activate DNA and pineal gland. Cabal deep state melting as suppressed military technology from tunnels and Starlink networks floods the planet. Big Pharma dies. Humanity reborn in the Restored Republic. The Great Awakening is here. Nothing can stop what is coming.

C. Global Currency Reset:

On Thurs. 16 July 2026 the Quantum Financial System went live worldwide. Every major bank connected. Old fiat system dead. GCR gold-backed currencies of 209 nations igniting. NESARA GESARA debt jubilee implemented. Saint Germain Trust of 890 trillion activated for the people. Constitutional Republic restored July 4. US Inc dissolved.

D. Mon. 20 July 2026 Martial Law: On Tues. 21 July 2026 the World will see what was previously kept under wraps: the Quantum Financial System's formal public unveiling.

In a worldwide broadcast that is securely transmitted via the Quantum Communication Network, the fundamentals of this system, as well as the concrete actions that any citizen can take to start utilizing it, will be revealed.

The Quantum Network operates on real-time synchronized quantum nodes that are impervious to manipulation, interference, and surveillance. No current supercomputer can crack the level of security provided by quantum encryption, which secures every transaction, account, and asset. This is financial sovereignty for everyone, not just the wealthy.

You'll discover how to get into your biometric-assigned account. You will observe how Rainbow Tokens work in this system as actual, gold-backed value. You will comprehend the reasons behind the phase-out of every antiquated technique, including fiat money, third-party processors, and credit networks.

Tomorrow's demonstration will feature real-time, secure, and instantaneous international transfers that are carried out without the need for banks, apps, or approval delays. Humanitarian initiatives will be funded in a matter of seconds. Blocked assets will be reactivated and redirected to the individuals. Most significantly, you will witness how corruption at its source is prevented from affecting your identity, wealth, and future.

This is the culmination of everything. The Alliance has been dismantling the system from within for years, removing layers of control and deceit. The replacement is now prepared—not as a substitute, but as the only practical option for the future. There won't be any going back after tomorrow. This is the end of the days of financial slavery, hidden taxes, and weaponized inflation.

Pay close attention. Everything will be exposed by the light. You can never unsee the truth once you've seen it. Not in theory, but in practice, the quantum era has arrived. It's not just a reveal tomorrow. It is the start of your involvement in a system designed for the people, freedom, and truth.

E. Early Mon. Morning 20 July 2026 at exactly 03:00 EST, Protocol 19 entered its final, non-reversible completion phase. The Black Swan Event was kinetic. Protocol 19 has been fully completed. The Federal liquidation was terminal. ...Tier4b ISO20022 on Telegram

The Federal Reserve System has officially lost its primary administrative routing certificates, and the legacy paper matrix has run out of broadcast range.

The Global White Hat Alliance has finalized the hard-override, and the operational logs for the next 48 hours are locked into the live backend:

CHAPTER 1: THE SYSTEM FLIPS Protocol 19 has triggered the absolute migration of global monetary routing. The legacy SWIFT network data hubs in Brussels and New York have been permanently decoupled from the primary ledger lines. The entire baseline architecture has transitioned to the Quantum Financial System (QFS) — where every single transaction pool, international settlement, and corporate clearance is forced to execute through clean, digital asset-backed channels.

CHAPTER 2: THE GOLDEN STANDARDS ACTIVATION The era of speculative, print-on-demand fiat paper is dead. The US Dollar and Euro corporate illusions are hitting an absolute wall. Under the strict enforcement of the new global economic protocols, every currency digital asset line must be anchored directly to verified, audited physical precious metals. The unbacked, synthetic liabilities that the Cabal used to manipulate energy and housing sectors are being rendered dead assets in real-time.

CHAPTER 3: THE MEDIA SPECTRUM DECAPITATION The mockingbird Media synchronization is breaking in broad daylight. As the financial infrastructure of the old elite collapses, their private funding lines for the major media cartels are hitting absolute zero. Decentralized truth networks via secure Starlink quantum encryption relays are already spreading across the global bandwidth, completely bypassing the corporate gatekeepers and preparing the public grid for the unsealed military tribunal disclosures.

Pay close attention to the sudden, unannounced early bank branch closures and restricted digital access notices at major commercial banking institutions in your area today. They cannot generate paper debt to balance their sheets anymore, and their private authority keys have been permanently revoked.

They designed the matrix to make you believe their financial iron curtain was indestructible. But the master switch has been flipped from the inside, the validation metrics are live, and the old world has officially run out of air.

The reset is going kinetic. The sovereign era is fully live.

The baseline shift was running on live banking clearing nodes right now.

While the corporate financial channels are desperately trying to cover up the sudden "administrative outages" across major commercial branches with routine server maintenance notices, the raw ledger telemetry shows the truth: The private central Banking Cartel has been legally and physically severed from individual wealth management.

On Mon. 20 July 2026 at exactly 02:00 UTC, the SWIFT protocol clearance keys were permanently overridden. The transition to the ISO 20022

Quantum Financial System (QFS) standard entered its non-reversible execution phase.

Here is the unedited, verified inside telemetry straight from the Tier 4B operational hubs:

THE REVALUATION MATRIX IS LIVE ON CORE SCREENS The treasury screens inside secure liquidation vaults are displaying internal asset-backed adjustments. The revalued currency rates—led by the primary resource-backed baskets including the Iraqi Dinar and sovereign Zim bonds—are locked behind Quantum-encrypted firewalls. The fiat paper illusion printed out of thin air is officially dead equity.

WE THE PEOPLE — SOVEREIGN DIRECT ACCESS Under the strict mandates of the Restored Constitutional Governance and NESARA/GESARA legal structures, bank intermediaries no longer own or control your capital. Every QFS-verified account is 100% direct-access by the account holder alone. No federal tax confiscation, no unconstitutional debt holds, no institutional freezing.

THE TIER 4B NOTIFICATION WINDOW The encrypted Safe-Link algorithms are primed for deployment. The appointment slots for private exchange and humanitarian project funding are fully structured under high-security Alliance protection.

- **Standard Sovereign Holdings:** Instantly credited onto digital asset ledgers backed 1:1 by gold and physical commodities.

- **Humanitarian Project Lead Holdings:** Accessing specialized asset-allocation tiers to fund immediate local infrastructure, free energy, and community rebuilding.

Look at your local commercial bank interface. Look at the unprecedented, synchronized limitations on large fiat paper withdrawals worldwide. They cannot generate fractional-reserve debt anymore because the master ledger requires 100% physical metal backing for every single transaction code.

The power has been permanently stripped from the private elites and handed directly back to "We The People."

Check your secure devices. Organize your project documentation. Keep your financial parameters completely quiet.

The old world is out of money. The sovereign era is fully operational **tonight**

Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer

you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

F. Re-inhabited Republic For the United States of America

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

On July 4 2026 President Donald J. Trump would make an announcement of this change to a Sovereign Republic based on principles of the original Constitution in a massive Fourth of July Celebration of the Restored Constitutional Republic.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. G. Mon. 20 July 2026: Iran just hit Kuwait's power grid. Iran just attacked Bahrain. Israel claims Netanyahu's arrest is imminent. And somewhere in a classified bunker, someone just activated a contingency protocol. A protocol called "Global Lockdown." ...Mr. Pool Final Chapter on Telegram

A military strategist from Pentagon's War Games Division revealed, "Iran attacks on Kuwait, Bahrain aren't random. Coordinated with Israel collapse. Netanyahu arrest destabilizes. Perfect moment for lockdown card."

"Lockdown protocol ready for years. Pandemic 2.0. Economic collapse. Martial law. Deep state waiting. They tried 2020. Trying again now."

"Trump knows. Military knows. We've been watching. When they move, we counter. When they lock down, we unlock."

"Iran escalation is real but distraction. While world watches, deep state moves pieces. Activating protocols. Preparing lockdown."

"Netanyahu arrest isn't justice. It's destabilization. Creating chaos for lockdown. We see it. We're stopping it."

Why now:

"Evidence overwhelming. Lockdown protocol documented. Deep state plans exposed. Move now or they execute."

"Trump authorized military countermeasures. Not Iran retaliation. Counter-ops against deep state. Against lockdown machinery."

"Iran escalation is cover. Netanyahu chaos is cover. Underneath, dismantling lockdown apparatus. Destroying their ability."

"When public, people understand. Not about conflict. About preventing enslavement. Stopping final takeover."

What's coming:

"More exposure. More evidence. Lockdown was planned. Chaos orchestrated. Deep state ready for control."

"Military moving. Trump moving. Evidence compiled. Truth prepared for release."

"Lockdown protocol exposed, world wakes. People understand: one crisis from permanent control. Everything changes."

Operation Unlock ✓ activated

Phase 1: Evidence Gathering ✓ complete

Phase 2: Deep State Exposure ☉ live (Iran chaos cover)

Phase 3: Lockdown Protocol Destruction ☉ July 20-August 5

Phase 4: Truth Release ☉ August 6-31

The lockdown isn't happening. The Deep State is falling. The control grid is being destroyed. Trump authorized it. The military is executing it. Freedom is real. The world isn't locking down. The world is waking up. Everything changes.

H. Fri. 17 July 2026 THE METRICS FOR THE PLANETARY RESET ARE RUNNING LIVE ON THE TERMINALS....Tier4b ISO20022 on Telegram

The sudden, unprecedented data sync drops hitting international administration hubs **today (Fri. 17 July 2026)** are not technical failures. The global apparatus is entering the primary activation sequence.

The operational strategy is mapped directly onto the verified 3-Day Bay of Pigs defense protocol, immediately triggering the subsequent 10-Day full-spectrum shutdown of the legacy grid.

The Military EBS is fully primed for direct, un-censored broadcast to all TV and Radio frequencies worldwide. Simultaneously, the old corporate

government structures are being systematically stood down to make way for the definitive GESARA Blockchain Elections. The future administrative model will be exactly 10% the size of the current matrix—run entirely by uncorrupted, vetted sovereigns.

The entire planet is transitioning into the QUANTUM GESARA baseline.

We are witnessing the absolute, non-reversible shift:

- Quantum Financial System (QFS)
- Quantum Voting System (QVS)
- Quantum Healing Matrix
- Quantum Internet Framework

The old infrastructure is being completely erased. The legacy internet network—built under Operation Mockingbird to control human consciousness—is hitting a terminal wall. No more Microsoft dominance. No more corporate media monopolies. The entire digital field is being rebooted through secure Starlink nodes.

The private intelligence networks used by the old establishment to weaponize society are being permanently disassembled as we speak. The Mossad, Five Eyes, and CIA architectures have lost their cryptographic master access.

Moving forward, the only validated network on the planet will be Military Intelligence operating under Alliance directives.

The baseline of the new economy is locked into the metal-backed Rainbow Treasury Notes and the internationally regulated, gold-standard ISO 20022 USA Coins.

The MOAB (Mother of All Bombs) is no longer a kinetic threat—it is the synchronized execution of the Global Currency Reset, the return of the Precious Metal Standard, the full deployment of Quantum GESARA, and the absolute DECLAS (Declassification) of everything on Earth.

Look closely at the irregular technical groundings and the sudden system "freezes" across international sectors tonight. The old world is losing its broadcast range.

THE RESTORATION IS FULLY LIVE.

Mon. 20 July 2026

Janine: Linehan. Captain State-Child-Trafficking-Task & Force116.

Lux-Sophia Carrie-Lynn: Guthrie.

Dear Judy,

Thank you for exposing the story of our Stolen Girl: Alana-Linda: Martin, the creators of the State Child Trafficking Task&Force116 daughter.

Apologies that I haven't been in contact for a while, we spend day in, and day out, trying to get my daughter: Alana home, we would like to give you a little update on where we are now.

For your viewers who have missed this horrific story of the Kidnap and torture by the state, I will put the link here: <https://rumble.com/v70zluu-for-the-stolen-girl-alana-linda-martin..html>

This is a new video also that shows the slander we received before they took my daughter whilst working as a Captain of the State Child Trafficking Task & Force 116, Alana's father was kidnapped 1st with Mark Kishon Christopher. The peoples Judge, and put in prison whilst national newspapers broadcast us as a CULT ans terrorists, whilst terrorizing us for the last 3 years, all for trying to stop the courts in the UK from stealing peoples babies and for exposing their involvement in the grooming gangs.

Please like and share the evidence: <https://rumble.com/v7cz5su-the-facts-covered-up-by-the-fiction-the-stolen-girl-alana-linda-martin-and-.html>

We started at the East London Family Courts back in August 2025, after receiving our paperwork written in Quantum grammar, the Judge wanted the backing of the higher courts and was then moved upto The Royal Courts of Justice, we have had 4 judges, all running from our case due to the facts she has been proven to be kidnapped, they have sent the case back now down to the lower courts back to the original Judge which has already been proven to be acting Ultra Vires, bias, and Corrupt, the 3 judges at the Royal Courts of Justice didn't want to take the case on but are complicit now as they have evidence of the crime and have failed to perform aiding and abetting to the criminal activity, and leaving us to suffer the torture longer.

All the evidence plus, the evidence file called the Stolen Girl stands un rebutted and therefore stands as fact in law, Maxim in Law states "Those that dont rebut agree" all agree my daughter has been stolen, yet no one will stand up as a judge in their fiduciary paid positions and end this torture.

The social workers are devious and been proven time and time agin to be liars, yet the judges are pre paid to finish the job on taking my daughter and have turned a blind eye to every single lie stated in court.

The social workers set up a meeting for us to speak with our daughter for the first time in 11 months, they stated they had prepared my daughter to speak with us, they lied to us and Alana as she was totally shocked to see us on the webcam and from the shock she run off crying saying sorry she loved us but couldn't talk as it was obviously very painful for her. She was very distressed so it's obvious they have been saying all sorts of wickedness to her in the last year of her captivity.

Since this day a month ago, they have stopped any contact saying Alana is not ready, to cause as much trauma as possible. We have had a 2 minute call in a year that has been the only contact on a video call.

They will now lie further to say Alana doesn't want to come home when we know for a fact she does, she has been clearly lied to and manipulated whilst waiting for us to come and rescue her.

My daughter is clearly suffering which is very traumatic for us all. We have also contacted the Admiralty Marshal and are now working on the 3rd court and 5th judge to get our story heard and our evidence seen, we are desperately trying to get our daughter sent home.

We also have another court date on the 24th of July 2026 in the lower courts East London Family court, which is not a registered court, it is basically a child trafficking hub, already proven via an evidence file i made whilst captain of the state child trafficking Task&Force116, for another case previous to my daughters kidnap trying to help another girl, which also proves they had ill intentions to take my daughter from the start for exposing them in this case previously.

I will be here on the 24th again fighting for my daughter if they don't vacate and adjourn again like they have every other court date.

We would appreciate any help from the White hats, F.B.I., U.S. Marshal's, as we are currently up against Lawless agents in the U.K. that hold a position of authority and the keys to my daughters freedom.

All parties involved are completely guilty of misconduct in public office, kidnap, piracy, privateering and RICO.

We have currently been shut off from any support from the people or anyone in a high enough position to do anything.

For those that like to stay informed my patreon site is still active although much more sabotaged then ever.

I would really appreciate any new followers to join our quest to end grooming gangs and state Trafficking below.
https://www.patreon.com/posts/162881642?utm_campaign=postshare_creator&utm_content=android_share

Donald John Trump has all our evidence also and seen as every corporation in the U.K. is registered if registered at all in the U.S.A. we hope someone steps in soon as we have lost so much precious time of her life and feel like we are fighting a mafia alone.

I will update again after the 24th and let you know if it goes ahead or they run again.

Here is a link to all the paperwork via the Arbitration Court already held by we the people. <https://rumble.com/v76j250-mediation-court-27february2026..html>

I thank you Judy for your heart of pure Gold for sharing our story and appreciate any exposure to help bring our innocent baby home, you really are light in this darkness we are currently living in.

Thank you to all your viewers for viewing, liking and sharing our story. I hope to bring you all good news soon.

Love and Light

In other words, during Hillary Clinton's time as Secretary of Bribery, the Obama's State Department approved massive arms sales — particularly to Saudi Arabia. The result was the rise of terrorist groups like ISIS, funded largely by the very people who were bribing the Clinton Foundation. Here's what Bondi's team found inside the Tehran servers under Obama's codename — RENEGADE:

— **14 wire transfers to a Swiss account linked to Hezbollah** between 2014-2016. Total: \$1.7 billion. The same \$1.7 billion he told Congress was “frozen Iranian assets.”

— **A signed directive authorizing the CIA** to stand down during the Benghazi attack. Not typed. HANDWRITTEN.

— **Communications with Epstein's handler**, dated March 2015, discussing “the island arrangement” and “the Chicago package.”

— **A backchannel to Tehran** through Valerie Jarrett, active from 2012 to 2024. Yes. 2024. Two years AFTER he left office.

He didn't just betray America. He was running a shadow government from his basement in D.C. while pretending to be retired.

His lawyers are now offering FULL COOPERATION in exchange for immunity. Trump said no. No deals. No mercy. No escape. The man who divided America for 8 years is about to face the America he tried to destroy. And she's awake.

M. Mon. 20 July 2026 THEY HAVE BEEN LYING TO YOU ABOUT OIL FOR 150 YEARS. ...The Great Awakening on Telegram

Oil is not rare. It is not made from dead dinosaurs. It is the second most common liquid on Earth after water and it is literally the planet's lifeblood.

The entire “fossil fuel” scam was invented by the Rockefellers and the Smithsonian in the late 1800s to create artificial scarcity and jack up prices to insane levels. They fed you the biotic lie so you would believe oil is some finite dinosaur soup that is about to run dry. Total fabrication.

Oil is abiotic. It is a liquid mineral cooked deep in the Earth's mantle under crushing pressure and scorching heat. It is the natural lubricant for tectonic plates and the grease that keeps the planet's massive gears turning smoothly.

That is why wells drilled dry in the 1970s are filling back up again today. The Earth is pumping fresh oil from below and regenerating it nonstop. It does not run out. We are sucking the lubricant out of the planet's engine and now the whole

machine is starting to shake.

More earthquakes. Creaking faults. Grinding plates. Coincidence? No. We are stripping the oil that keeps the Earth's crust sliding properly and the system is literally seizing up.

The so-called "fossil theory" is the greatest economic hack in human history. Real crude oil has almost zero biological markers. No nitrogen, no phosphorus, nothing that would survive if it came from dead organisms. It is pure polymeric hydrocarbons, primordial stuff from the Earth's own formation.

Thomas Gold tried to warn the world. He proved hydrocarbons like methane and oil rise from the deep mantle, not from ancient swamps. The establishment destroyed his reputation because the truth would collapse their entire control grid.

If people knew oil is basically tap water for the planet, endlessly generated from below, the entire parasitic geopolitics of wars, sanctions, and price manipulation would evaporate overnight.

They do not want you to know the Earth makes its own oil. They need you scared, dependent, and paying through the nose while they bleed the planet dry.

Wake up. The dinosaurs had nothing to do with it. This is the biggest lie they ever sold us and it is killing the engine of the world.

President Trump is also moving to replace illegals with VETERANS in the truck driver workforce.

75 entry-level driving schools are now under investigation for FRAUD. 24,000 drivers who can't speak English were already taken off the roads — and 4 states had to cancel 28,000 licenses issued ILLEGALLY

9,500 schools have already been CANCELED from the federal registry

"Thousands of unqualified trucking schools have already been taken off the federal registry, but Homeland Security and the Department of Transportation are working to do even more."

O. Sun. 19 July 2026 Fox News BREAKING: DEEP STATE DESPERATION EXPOSED! They tried to KILL President Trump mid-flight. ...Robert F. Kennedy Jr. on Telegram

On July 9, 2026, as Trump departed Turkey aboard the brand-new Qatari-donated Boeing 747-8 — his future Air Force One — the Deep State launched a cowardly cyber strike from Langley, Virginia. They targeted the plane's electronic controls in a blatant assassination attempt.

But Trump — always ten steps ahead — switched to the older Air Force One at the last second. What the Fake News called a “routine security precaution” was actually a brilliant trap.

This was the beginning of the Great Purification. Encrypted comms intercepted. Traitors scrambling.

NYT journalists hit with emergency subpoenas because they had obituaries and “air disaster” stories pre-written and ready to publish. They were waiting for the crash.

THEY. FAILED. AGAIN. Trump just exposed the entire rat nest. The storm is here. Justice is coming.

In the Georgia 2020 election at the State Farm Arena, we have them on video pulling out hidden suitcases full of ballots that were separate from all of the other ballots and running the same stacks of ballots through machines all throughout the night, with NO observers present, which is completely illegal, after they stopped the count, lied to observers, telling everyone they're going home.

We have multiple states and counties destroying evidence, no chain-of-custody documents, counterfeit ballots, dead people voting, 120% voter turnouts, IP addresses from outside the country confirmed communicating with our election machines, etc...

Members of our own government, the CIA, DHS, CISA, the EAC, all knew these machines and companies were compromised, but cleared them anyway for use in U.S. elections. That alone should tell you how deep and corrupt the system really is and what we are truly up against.

R. Mon. 20 July 2026 A FORMER NSA ELECTION SECURITY DIRECTOR JUST WENT PUBLIC. TRUMP'S DECLASSIFICATION REVEALED EVERYTHING. THE VULNERABILITIES WERE WORSE THAN ANYONE IMAGINED. ...QAnon on Telegram

He contacted us through an encrypted channel 48 hours ago. His identity has been verified by three independent cybersecurity experts. He worked in NSA's Election Security Division 2016-2024. He calls it "The Silent Breach."

His words. Unedited:

"Foreign actors penetrated our election infrastructure for 8 years. Real-time breaches. We did nothing."

"In 2016, I documented 47 vulnerabilities in 12 states. They said: 'This stays classified.'"

"By 2018, Chinese intelligence accessed voter databases in 7 states. We knew. We did nothing."

"By 2020, evidence of foreign interference in 19 states. Logs. Timestamps. Everything."

"I told my director we must go public. He said: 'It destroys confidence. We can't allow that. So they classified it. They buried it. They silenced me.'"

"In 8 years, I witnessed:"

- ☐ 127 confirmed foreign intrusion attempts into election infrastructure
- ☐ 34 successful penetrations of voter registration systems
- ☐ 19 states with documented vulnerabilities
- ☐ Zero public disclosures
- ☐ Zero accountability

"Millions voted in systems we knew were compromised. Foreign actors had access. We could have fixed it. I couldn't sleep. For 8 years."

WHY HE'S TALKING NOW:

"Trump's declassification changed everything. The documents are coming out. The vulnerabilities are being exposed. The truth cannot be hidden anymore."

"I have 8 years of documentation. I have the intrusion logs. I have the foreign IP addresses. I have the names of officials who covered this up. I have the proof that this was known and ignored."

"I am ready to testify. Under oath. Before Congress. Before the American people."

"127 foreign intrusion attempts. 34 successful breaches. 19 compromised states. Zero accountability. That's not national security. That's treason."

HIS FINAL MESSAGE:

"To every American who voted: Your vote might have been compromised. I'm sorry. We knew. We did nothing."

"To every election official who was kept in the dark: You were lied to. The vulnerabilities existed. Your superiors knew."

"To the people who silenced me: The truth is coming. And you cannot stop it."

OPERATION ELECTION TRUTH ✓ ACTIVATED

PHASE 1: Declassification ✓ LIVE

PHASE 2: Public Exposure ☉ JULY 21-25

PHASE 3: Accountability ☉ AUGUST 1

The documents are being released. The vulnerabilities are being exposed. The cover-up is ending.

Trump declassified it. The NSA tried to hide it. But the truth is coming out.

SHARE THIS. WAKE THEM UP. DEMAND ACCOUNTABILITY. The election security cover-up is finished.

S. Med Bed Body Regeneration Therapy

Since 1898 when famed inventor Nicola Tesla first discovered Med Bed Regenerative Therapy, it has been known to heal the body without use of drugs or surgery. Back then American doctors were healing people from all kinds of diseases and injuries using Frequencies, Light, Sound and Electromagnetic Fields taught at universities and practiced in hospitals.

By 1910 the Rockefeller Foundation, wanting to make money off of pharmaceuticals, bought and closed over 160 Medical Schools that taught Homeopathy. In their quest for wealth the Rockefeller Foundation's influence also soon covered the legal aspects. Doctors refusing to prescribe drugs lost their license. Researchers studying Frequency based healing lost their funding.

By 2019 the American Medical Association were forced to formerly recognize the healing affects of Med Beds, "The AMA acknowledges that peer-reviewed evidence supports the biological efficacy of PEMF therapy in tissue regeneration, pain management, and immune modulation. However, widespread adoption would destabilize existing treatment revenue models and insurance reimbursement structures."

However, concerned about a loss of income in both medical practice and pharmaceuticals, the AMA sent a warning to all 847,000 Licensed American Doctors: "Any physician who recommends, prescribes, endorses, or refers patients to electromagnetic frequency-based therapy will face immediate license revocation, removal from insurance networks, and potential criminal liability under state medical practice statutes."

On Wed. 15 July 2026 President Trump reviewed a 3,400-page classified report that documented 61 years of suppressed frequency healing research on Med Bed technology. It proved that Med Bed treatments could reverse aging, detox cells, activate stem cells, rewire nervous systems and naturally regenerate organs including heart, liver and kidneys.

Trump immediately signed Executive Order 2026-1947, which declassified Med Bed Technology for civilian use, then warned the Medical/Drug Professions of possible indictment if they held up deployment of Med Beds.

T. Sun. 19 July 2026 AURA-X | QUANTUM TISSUE REGENERATION SYSTEM ...Med Bed Technology on Telegram

The Aura-X is the first Med Bed unit designed specifically for soft tissue reconstruction at the quantum level. What it does: It identifies every area of damaged, scarred, or degraded tissue in your body — muscle, tendon, ligament, fascia, organ lining — and rebuilds it cell by cell using a coherent photon matrix.

How it works: The azure plasma field emits a precisely calibrated spectrum of photonic frequencies between 620nm and 880nm. These frequencies penetrate up to 8 inches into tissue. Upon contact with damaged cells, they trigger an immediate mitochondrial response — forcing ATP production to increase by 400% in the targeted area.

The unit's AI mapping system scans your entire body in 60 seconds. It creates a three-dimensional damage profile. Then it directs concentrated photon streams to each damaged site simultaneously.

Capabilities:

- **Complete regeneration** of torn muscles and ligaments without surgery
- **Reversal of organ fibrosis** (liver, lung, kidney)
- **Elimination of internal scar tissue** from previous surgeries
- **Restoration of cartilage in joints** to pre-degradation state
- **Repair of spinal disc herniation** at the molecular level
- **Regeneration of damaged intestinal lining** (leaky gut reversal)

Session time: 45 minutes for full-body tissue restoration.

Participants in the pilot program report chronic pain disappearing within hours. Injuries that surgeons said were permanent — reversed completely. Bodies that were told they would never function normally again — restored to peak condition.

The Aura-X does not manage damage. It erases it. As if it never happened.

Civilian deployment begins Q1 2027. Military and humanitarian operations have been using this unit since late 2024.

They told you the body cannot regenerate past a certain point. They lied. Your body can rebuild anything — it just needed the right frequency instruction.

U. Sun. 19 July 2026 VORTEX K-1 | RENAL REGENERATION SYSTEM
CLASSIFICATION: FORMERLY RESTRICTED — NOW
DISCLOSED ...Med Bed Technology on Telegram

The Vortex K-1 unit makes dialysis machines museum exhibits. There were 37 million people in America alone who were living with kidneys that were slowly dying. 800,000 were on dialysis — hooked to a machine 3 times per week, 4 hours per session, for the rest of their lives. Exposed to infections. Exhausted. Trapped. The Vortex K-1 ends all of it. In one session.

How it works: The emerald plasma vortex generates a rotating frequency field calibrated specifically to renal tissue — 7.83 Hz base frequency modulated at 528 Hz. This dual-frequency protocol does something no drug and no surgery can do: it reactivates dormant renal progenitor cells.

Your kidneys contain thousands of progenitor cells — stem cells that can

rebuild nephrons from nothing. By age 40, these cells go dormant. Not dead. Dormant. Waiting for a signal that your toxic environment has been suppressing since birth. The Vortex K-1 provides that signal.

What happens in one session:

- **Complete regeneration of damaged nephrons.** Not repair. Regeneration. New tissue grown from your own progenitor cells.
- **Elimination of calcium oxalate deposits** (kidney stones dissolved at the molecular level in under 6 minutes)
- **Restoration of glomerular filtration rate** to levels measured in a healthy 25-year-old
- **Reversal of Stage 4 chronic kidney disease** to Stage 0. Complete. Permanent.
- **Renal artery plaque removal** — 100% clearance

Session time: 90 minutes. One session. No follow-up required.

Pilot program results: 14 dialysis patients entered the trial. 14 dialysis patients walked out with fully functional kidneys. Zero returned to dialysis. Zero required medication. At 18-month follow-up, all 14 maintained perfect renal function.

The dialysis industry processes \$115 billion per year. Every dollar depends on your kidneys staying broken. Every dollar depends on you never seeing this post.

V. Sun. 19 July 2026 In 1895, Nikola Tesla built a device that used electromagnetic resonance to accelerate cellular regeneration in living tissue. He called it the "Electrotherapeutic Oscillator." It worked. The documentation exists. The patients recovered from conditions that doctors had declared terminal. ...Med Bed Technology on Telegram

What happened next is the part they removed from every textbook.

J.P. Morgan — Tesla's primary financier — visited the laboratory on March 13, 1895. Tesla demonstrated the device on a patient with advanced tuberculosis. Within 40 minutes, the patient's inflammation markers dropped to levels that would take months of conventional treatment.

Morgan didn't invest more money. He made a phone call. On March 13, 1895 — the same night — Tesla's laboratory at 33-35 South Fifth Avenue, New York, burned to the ground. Every prototype. Every blueprint. Every patient record. Gone.

The fire was ruled "accidental." No investigation was conducted.

Tesla wrote in his personal journal: "The work of years destroyed in a single night. Not by accident, but by the hand of those who profit from human suffering."

This is what they don't want you to understand: The human body operates at a frequency. Every organ, every cell, every molecule vibrates at a specific electromagnetic signature. Disease is not a malfunction — it is a frequency disruption.

Tesla proved this 130 years ago. A healthy human cell vibrates at 62-78 MHz. Cancer begins when cellular frequency drops below 42 MHz. Death begins at 25 MHz. Tesla's oscillator didn't "cure" disease. It restored the original frequency. The body healed itself.

The technology was never lost. It was confiscated. In 1901, Morgan funded the creation of the pharmaceutical model — a system designed to treat symptoms indefinitely, never to cure. Every pill you take is a subscription to a disease they could eliminate in 40 minutes. 130 years of suppression. Exposed.

The MedBed is not new technology. It is stolen technology — returned. What was burned in 1895 is being rebuilt in 2026.

W. Mon. 20 July 2026 PROJECT CHRONOS. Classified 1981. Released never. ...Nesara Gesara on Telegram

In 1981, a team of government quantum physicists confirmed something that would have destroyed the pharmaceutical industry. Terahertz waves — frequencies between 0.1 and 10 THz — match the exact resonance frequency of human cells.

When exposed to these waves:

- Aging cell membranes seal and regenerate
- Mitochondria reactivate at full capacity
- Telomeres extend — your biological clock reverses
- Cellular age markers drop by 15–20 years in 30 days

The project was named CHRONOS. The results were confirmed. The file was stamped DO NOT RELEASE TO PUBLIC. They buried it for 45 years.

X. Sun. 19 July 2026: In 1965, a classified research program inside the Defense Advanced Research Projects Agency (DARPA) confirmed something that would destroy the entire pharmaceutical industry overnight: Human tissue — including nerve cells, organ tissue, and spinal cord fibers — can fully regenerate when exposed to a precise electromagnetic frequency window between 7.83 Hz and 14.1 Hz. ...Med Bed Technology on Telegram

The project was code-named OPERATION LAZARUS.

They tested it on 214 soldiers with catastrophic battlefield injuries. Burns. Severed tendons. Shattered vertebrae. The results were classified TOP SECRET — UMBRA:

- **94% of subjects showed complete tissue regeneration** within 36-48 hours
- **Bone fractures healed** in 4 days instead of 6 weeks
- **Nerve damage previously** considered permanent reversed entirely

— **Two paraplegic soldiers** regained full mobility within 11 days

The lead scientist, Dr. Robert O. Becker, later published fragments of this research in his book "The Body Electric" — and was immediately stripped of all federal funding, blacklisted from every university, and erased from medical history.

Here is what they classified:

Your DNA is not a fixed code. It is a receiver.

Every strand of your DNA operates as a fractal antenna — it receives and transmits electromagnetic information. When your body is exposed to the correct frequency, your DNA activates repair sequences that mainstream medicine says are "impossible."

This is not theory. This is documented Pentagon research.

- **7.83 Hz (Schumann Resonance):** Activates stem cell production
- **10.5 Hz: Triggers full-body** cellular regeneration
- **14.1 Hz: Repairs neurological damage** and restores synaptic connections

Your body was designed to heal itself. They turned off the signal. Why was this buried? Because a cured patient is a lost customer.

The global pharmaceutical industry generates \$1.48 trillion per year. Every dollar depends on one lie: that the human body cannot heal itself without chemical intervention.

OPERATION LAZARUS proved this was false — in 1965. For 61 years, soldiers have had access to regeneration technology in classified military medical facilities while civilians are told to "manage their symptoms" with pills that create new diseases.

The MedBed is not a concept. It is not a theory. It is not "coming soon." It is a 61-year-old military technology that has been used on thousands of soldiers in underground medical facilities — and deliberately withheld from the civilian population to protect a \$1.48 trillion industry.

The frequency is real. The regeneration is real. The suppression is documented. They told you healing takes years. The Pentagon proved it takes hours. Now you know why they classified it.

Y. Sun. 19 July 2026 THE FIRST CIVILIAN MEDBED PATIENT JUST SPOKE. SHE WAS STAGE 4. SHE IS NOW CANCER-FREE. THE HOSPITAL TOLD HER FAMILY TO PREPARE FOR FUNERAL ARRANGEMENTS. ...Med Bed Technology on Telegram

Her name is being withheld for her protection. She is 54 years old.

Mother of three. March 2026: Diagnosed with Stage 4 pancreatic cancer. Metastasized to liver and lungs. Oncologist told her she had 6-8 weeks.

She was given chemotherapy. It destroyed her immune system. She lost 40 pounds. She couldn't walk. She couldn't eat. Her children were told to say goodbye. Then someone gave her a phone number.

THE SESSION: She was transported to an undisclosed location in Nevada on April 3, 2026. Underground facility. No windows. Military escort.

She describes the room: "It looked like something from a movie. White walls. A pod in the center. Screens everywhere showing my body — every organ, every bone. They told me to lie down and close my eyes. I was terrified."

The session lasted 38 minutes. "I felt heat. Not painful — like sunlight from the inside. My chest felt like it was vibrating. Then my stomach. Then my spine. I could feel something moving through me. Fixing things."

THE RESULTS: April 4, 2026 — 14 hours after the session:

- ☐ **PET scan:** ZERO malignant cells detected
- ☐ **Liver function:** NORMAL
- ☐ **Lung capacity:** RESTORED to pre-cancer levels
- ☐ **Body weight:** Gained 4 pounds overnight (cellular regeneration)
- ☐ **Blood work:** White blood cell count normalized

Her oncologist refused to look at the results. He said: "This is not medically possible." She said: "Then explain why I'm standing here."

THE SILENCING: She was told to sign a non-disclosure agreement. She refused. She was offered \$2.4 million to never speak publicly. She refused. She was threatened with losing custody of her children under a "mental health evaluation." She recorded the threat. The recording exists. It is being held by three separate attorneys in three separate states.

WHY THIS MATTERS: This is not a theory. This is not "coming soon." This is not a promise. This already happened. She is alive. She is healthy. She is ready to speak. The only thing stopping her testimony from reaching the world is the same machine that told her to die quietly and pay \$340,000 for chemotherapy that was killing her faster than the cancer.

THE MATH:

- ☐ **Her chemotherapy cost:** \$340,000
- ☐ **Her MedBed session cost:** \$0
- ☐ **Chemo result:** Accelerated death
- ☐ **MedBed result:** Complete cure in 38 minutes

One of these makes the industry \$1.48 trillion per year. The other one makes them \$0. Now you understand why they want her silent. She will not be silent. Neither will we.

**CODE: PATIENT-ZERO-CIVILIAN / TESTIMONY-SECURED /
SILENCE-BROKEN**

They told her to plan her funeral. She planned her future instead.

**YOUR KIDNEYS ARE FILTERING POISON 24 HOURS A DAY. AND
NOBODY TOLD YOU THEY ARE FAILING....**Med Bed Technology on Telegram

Right now, your kidneys are processing 200 liters of blood per day.
Filtering out toxins that did not exist when your body was designed. Microplastics.
Pharmaceutical metabolites. Glyphosate residues. PFAS chemicals that will still be in
your bloodstream 100 years after you die.

Your kidneys were built to filter natural waste. They were not built for this.
37 million Americans have chronic kidney disease. 90% of them do not know it.
There are no symptoms until Stage 3. By Stage 3, you have already lost 50% of
function. Permanently. Irreversibly. According to their medicine.

The global dialysis market is worth \$115 billion per year. That number
requires a constant supply of kidney failure patients. That number requires that you
never learn how to regenerate renal tissue. That number requires that the only options
presented to you are: dialysis for life, or wait for a donor organ that may never come.

What they do not tell you: kidney tissue is regenerative. In 2019, researchers
at the Salk Institute published a study showing that specific growth factors can
reactivate dormant progenitor cells within the kidney — cells that can rebuild
nephrons from scratch. The study was published. Then silence. No follow-up. No
clinical trials. No media coverage.

Because a regenerated kidney is a \$115 billion industry that collapses
overnight.

Your kidneys are not failing because of age. They are failing because they
are overwhelmed by a chemical environment that was engineered to overwhelm them.
Remove the chemicals. Restore the frequency. The kidney rebuilds itself.

They need your kidneys to fail. We need you to know they don't have to.

**Z. On Mon. 20 July 2026: Some one from the Cabal's Blackrock called Musk
and had him take down "Med Beds are real" tweet ...**Tier4b ISO20022 on
Telegram

On Sat. 14 March 2022 at 2:47 AM CST, Elon Musk posted a single tweet
from his personal account: "MedBeds are real. Frequency-based cellular regeneration
has been operational in military applications since the 1970s. The public will have
access within 5 years. This is not science fiction."

The tweet was live for 6 minutes and 41 seconds. In that time, it received
47,000 likes, 28,000 retweets, and 14,000 replies. Then it vanished.

WHAT HAPPENED IN THOSE 6 MINUTES: At 2:48 AM — one minute after posting — Musk received a phone call from a blocked number. Call duration: 3 minutes 12 seconds.

At 2:51 AM — a second call. This time from a number registered to BlackRock's executive communications office in New York. Call duration: 47 seconds.

At 2:53 AM — Musk's Twitter account went briefly offline for "maintenance."

At 2:54 AM — the tweet was deleted. No explanation. No follow-up. Complete silence.

The next morning, Tesla stock dropped 4.7% in pre-market trading. No news. No announcement. Just a message: Stay in line.

WHY BLACKROCK:

BlackRock manages \$10.5 trillion in assets. They are the largest single shareholder in:

- ☐ Pfizer — 7.2% ownership
- ☐ Johnson & Johnson — 8.1% ownership
- ☐ Moderna — 6.8% ownership
- ☐ UnitedHealth Group — 7.4% ownership
- ☐ Abbott Laboratories — 8.3% ownership

BlackRock does not just invest in pharmaceutical companies. BlackRock IS the pharmaceutical industry. They own it. They control it. They protect it.

When Musk tweeted "MedBeds are real" — he threatened \$10.5 trillion in managed assets. He threatened the retirement funds of 35 million Americans that BlackRock has tied directly to pharmaceutical stock performance.

They didn't call to ask him to delete it. They called to tell him what would happen if he didn't.

THE PATTERN:

This was not the first time:

- ☐ **2019:** Musk tweeted "Free energy is suppressed technology." Deleted within 4 minutes.
- ☐ **2020:** Musk tweeted "The FDA does not exist to protect you." Deleted within 9 minutes.
- ☐ **2021:** Musk tweeted about "frequency-based neural repair" in relation to Neuralink. The entire thread was removed within 2 hours.
- ☐ **2022:** "MedBeds are real." Deleted in 6 minutes 41 seconds.

Every time he approaches the truth, the same pattern: phone call, stock threat, deletion, silence.

WHY HE KEEPS TRYING:

Musk's Neuralink is not a brain chip. It is a frequency interface. Read the patents. Patent US20210093873A1: "Methods and systems for neural stimulation using electromagnetic frequency modulation."

Neuralink does not connect your brain to a computer. It connects your brain to a frequency. The same frequency that MedBeds use. The same frequency that repairs neurons. The same frequency that the military has been using since the 1970s.

Musk is not building a brain chip. He is building a civilian MedBed — disguised as a tech product — so that it bypasses pharmaceutical regulation entirely.

He cannot say this publicly. BlackRock will destroy Tesla's stock. The FDA will block Neuralink. The entire system will mobilize against him.

So he builds it in silence. And every few years, at 2 AM, when the weight of the secret becomes too heavy — he tweets the truth. For 6 minutes. Before they make him take it down.

THE 6-MINUTE WINDOW:

47,000 people liked that tweet. 28,000 shared it. 14,000 replied. In 6 minutes and 41 seconds, almost 100,000 people saw the richest man on Earth confirm what this channel has been telling you: MedBeds are real. They have been real since the 1970s. The suppression is ending.

He said it. They made him delete it. But 100,000 people saw it. And screenshots live forever.

Ze. A Plea to Patriots...HELP, HELP, HELP!!!

D.L. is a homeless bedridden 48 year-old woman who desperately needs your immediate help. Her SSI income is \$600 short to cover her rent of a very small motel room in a scary part of town (that does not accommodate a wheelchair, so she has to crawl on the floor), let alone have money for food and essential expenses. She is facing living on the streets in lieu of being moved to a homeless shelter, which is not physically feasible in her health condition. The shelter would require giving up her disabled cat. "My cat Monkey is the love of my life. She lays on me 22 hours a day. I could never give her up. She's so attached to me she cries if I'm gone from my bed for more than a few minutes." D.L.'s long-term goal is to secure a ADA-accessible home. She is seeking leads for property, housing, or resources in Snohomish County, Washington State, especially Bothell/Canyon Park or Three Lakes, and in King County, Washington, especially Woodinville or Redmond. Please help in any way you can. **Venmo and PayPal are preferred because GoFundMe takes a fee.** <https://gofund.me/283d83d9>

Zf. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has been released from the Guernsey County Jail, though still faces charges of Obstruction of Justice for harboring her abused daughter Kaitlynn. After seven years of suffering beatings, starvation for a year, refused medical treatment and other atrocities while in the Ohio Foster Child System, Kaitlynn and ran away to the protection of her mother.

The intention of Ohio authorities appeared to be to prevent Jeannine and Kaitlynn from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, "Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!"

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, “I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breathe several days twice in a two week period causing her to have a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand protection of Ohio’s Foster Children and Jeannine’s immediate dismissal of charges.

Zg. Judy Note: Satanic Ritual Abuse Survivor-Victims Ana and Gabriel need your help.

Judy Note: I have known Ana and Gabriel for several years. They have been undergoing untold abuse and death threats – that were headed by Gabriel’s father, who is high up in the pharmaceutical field and Belgium Satanic Coven. Ana is desperate and asking readers for financial help and/or a job she could do from home over the Internet. I verify that Ana is brave, honest and sincere in her request. Her situation is not unlike many SRA Survivors I have personally come to know. Please keep Ana and her son Gabriel in your prayers. ...Love, Judy

“Hello Judy, The situation is extremely dangerous at the moment. I can’t leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I’m in such a stressful and dangerous situation. I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak. Maybe someone benevolent that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.”

Zh. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard’s unjust persecution, contribute here: [Ballard Family Defense Fund GiveSendGo](#) | [Ballard Family Fund](#)

Zi. “Ken and Barbie vs. Goliath IRS”:

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar’s favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. **Ken (& Barbara) Cromar**

Day #1034 - behind enemy lines

Dear Patriot Friends and Family,

After 8 exhausting years, and 20+ court cases in Utah State Court (Provo, Utah), U.S. District Court (Salt Lake City), Tenth Circuit Court of Appeals (Denver), US Tax Court and The Supreme Court of the United States (Washington D.C.), and despite the facts and The Law and your kind prayers & signatures in our behalf, we have been denied justice in "Barbie & Ken vs Goliath IRS".

Therefore, we have now taken our cause directly to President Donald J. Trump, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter

below received by Pres. Trump's office this morning.

July 8, 2026 - 2:45 pm Update

Dear Patriot Friends & Family,

You may have heard about the massive wildfire that has burned over 90,000 acres, and has cause the evacuation of the city just south of our Florence (Colorado) Prison Camp, Medium, High and Super-Max Prisons. Within the last hour we could see that the flames have worked their way over the top of the mountains and are within view. We also learned earlier this morning that 300 homes and 4 business have burned down. We're told that the prison does NOT intend to move us, but rather to shelter in place. This doesn't sound ideal to me as the smoke is really bothering this old man's asthmatic lungs, I've been struggling with coughing fits. Would you pray for the safety of the over 2,000 inmates at the four prisons?

The fires have also caused the warden to cancel all visits until further notice. Unfortunately, my sweet 90 year-old mother and my brother had planned for weeks, purchased tickets, and arranged for a car rental to visit this weekend, but of course, better safe than sorry. Hopefully, they'll be able to come for a visit soon.

With regards to our humble Barbie & Ken vs Goliath IRS Petition for a Constitutionally authorized Presidential Pardon, sorry, no we've not heard back from the White House in any way. Sure, we realize that our Petition has the chance of cherry popsicle in hell, but we continue to trust our future in His hands and to believe in His Miracles. We're especially attentive as we work to resolve Barbara's "situation" because of my official December 1st date now for half-way house for 3 months and 6 months of home confinement. We just want to be reunited as soon as possible

Thanks for You Ever-Kind Prayers,

Ken (and Barbara) Cromar

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. Zj. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

Zk. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam are urged to type up their experiences including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

Present a notarized copy of your TRB complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**

Zl. Judy Note: For the past 12 years through my daily update, “*Restored Republic via a GCR*” I have tried to keep the public posted on the latest news regarding the Global Currency Reset and formation of the Restored Republic under concepts of the original Constitution.

The GCR and Restored Republic have now arrived. You should see it unfold this coming week. With the upcoming Ten Days of Darkness and takeover of the fake news media by the military to publish real news, soon my Update will no longer be needed.

I will continue to write the *Restored Republic via a GCR Update* until then. Afterwards I will be writing articles and publishing books - the subject of which will surround a mission which I have been called to do: Expose the Satanic Ritual Abuse of children that is so rampant in our society. See: [HOME | Judy Byington \(judy-byington.com\)](#)

For the past weeks because of hackers, I have been facing considerable challenges in getting my daily update out. Now it appeared that those problems have been worked out. I thank all the encouragement and support received from editors and readers, especially Medeea of American Media Group, Patrick of Dinar Chronicles, my angel Marty of Rumor Mills, Mary of We The People News and my good friends Bonni, Jeannine, Judy 1, Judy 2, James, Rian and Paulette. It means a lot to know you are not alone in the fight.
