White Hats Begin Mass Arrests on Over Two Million Indictments

World’s Largest Military Sting Operation

Covering Over 32 Countries

Including Arresting 312 US Federal Employees, 15 US University Presidents, 47 Contractors, 3 Congress Members and 8 Judges While Running in Partnership With Foreign Governments, A \$47 Million Per Year Illegal Bioweapon Research To Be Sprayed on The People To Reduce The Population.

[Music & the Spoken Word - 2026 - Live on \(7-26-26\) - BYUtv](#)

“God will not compete with the glitter of outside influences. Instead, He patiently waits for us to make time for Him. To chose Him. As we do, we hear His voice more

clearly, feel His presence more fully and recognize His hand more readily in our lives. When we put God first, all other things fall into their proper place, or drop out of our lives. When we seek to eliminate distractions, the time we reclaim becomes sacred - making room for the things that matter most."

Judy Note: On Fri. 31 July 2026 the White Hats began Mass Arrests in the World's largest Military Sting Operation ever, according to Julian Assange and White Hat Intel. The expansive mission covered over 32 major countries, with over two million indictments on crimes connected to the UN/ Gates/ Big Pharma/ Big Tech/ Vatican/ Rothschilds and their Child Sex Trafficking, Adrenochrome and Organ Harvesting networks.

Some of the most recent arrests surrounded US university presidents and federal judges. Evidently the Deep State has been using federal agency networks to coordinate a massive coup in an attempt to overthrow the American government. This coup against Trump and the American People was recently discovered by Trump's intelligence team.

The basis of the coup was to conduct illegal bioweapon research at US universities in partnership with foreign governments. The bioweapons would be sprayed on The People to reduce the population.

They found 312 federal employees ran the \$47 million per year operation that funded Deep State black operations across multiple federal agencies. Every single federal agency had a Chief Diversity Officer who reported to a shadow network operating inside the Department of Justice.

Involved were fifteen university presidents, 47 federal contractors, three members of Congress and eight judges who were coordinating with foreign operatives to develop biological weapons on American soil.

The money flowed through shell organizations, universities and non-profits. SWIFT transfer records proved \$8.3 billion in fraudulent research grants went to certain US universities.

Trump's Global Military Alliance has already arrested 312 federal employees in connection with the coup. The second wave would target university presidents and contractors. The third wave of arrests would be coming for Congress and the judiciary.

Additionally, at the White House Correspondent's Dinner last week Trump hinted at arrests in a \$2.7 billion voter fraud operation that has been running for the last four years. Ken Paxton was coordinating treasonous activities with 47 Texas state officials, three federal judges, and twelve university

administrators. Together, they created a sophisticated voter registration scheme that altered election results in three critical swing states.

On Sat. Morning 25 July 2026 Military Intelligence conducted a raid across Texas, Washington D.C., and three other locations. While arresting 47 officials, they seized servers, SWIFT transfer records and encrypted communications. The operation was believed funded through shell companies in the Cayman Islands and Cyprus.

Military Tribunals on those involved in the coup would begin with live broadcasts on **Sat. 1 August 2026**. Tribunals on the voter fraud cases were set to begin **Sat. 15 Aug. 2026**.

Trump was preparing a 48-hour national address to discuss the above and other critical issues. When he spoke, the Emergency Broadcast System would activate on the new Star Link Satellite Network by way of a Blackout of all mass media communication devices - TV, Radio, Internet.

This Blackout and national address was coming very soon - a power shift to Military Control - and opening the door to The Awakening.

On Sat. 1 Aug. 2026 when the Light turned back on, nothing would ever be the same.

On Sun. 26 July 2026 around 6:50 am the EBS went off in Los Angeles, Chicago, Houston, Phoenix, New York City, Philadelphia and Seattle.

On July 4th, 2026, Trump accepted a \$400 million Qatari-donated Boeing 747-8 as his temporary Air Force One. Within days, Trump's security team discovered that the aircraft contained sophisticated surveillance and weapons-targeting back doors embedded in its self-defense systems. They also found that traitors inside the CIA, FBI and State Department had coordinated with Qatar in the assassination plot. Military tribunals were being prepared. Trump had turned their assassination weapon into a trap that exposed their entire network. JUSTICE IS COMING. PATRIOTS ARE IN CONTROL.

In 1894 Nikola Tesla invented a "Vibrating Mechanical System" (now known as a Med Bed). He claimed the device could make "every fiber of the human frame vibrate so as to cause complete renovation such as restore the stomach and digestive system; forced the liver to discharge toxins; regenerated the kidneys and glandular system and induced deep healing sleep after treatment. It affected regenerative healing in the whole body." **In 1895** Tesla's laboratory was consumed by a mysterious fire. The healing machine, along with years of research, was reduced to ashes. Tesla vowed to rebuild it. He never got the chance before his death on **7 Jan. 1943**. Within 48 hours, the U.S. Office of Alien Property — working with the FBI — seized every document, every blueprint, every device from his room. The US Inc. government classified the documents and refused the public access - until along came Trump.

Global Currency Reset:

D. Sun. 26 July 2026 The big day is almost here. Over the next 24–48 hours, we should see the final activation steps. Official notifications may arrive at any time, signaling the start of the New Financial Era....Web 3.0 ISO20022 on Telegram

Global Activation: The reset will go live very soon. Central banks and financial leaders worldwide will jointly confirm the switch, effectively launching the new quantum-secured monetary system.

Wallet Rollout: We will be guided on how to access the QFS wallet. I'll be among the first to log in and see my new digital assets. The process will likely involve encrypted app updates or official messages, but it will be straightforward thanks to all the prep work.

Financial Reset: Expect to see new currency rates posted in your wallet. Old debts may be adjusted or canceled. All these changes will be enforced by the block-chain for full transparency – every transaction and update will be viewable on the ledger.

Smooth Transition: All prior demonstrations have been successful. In fact, a recent pilot showed a completely offline quantum-safe digital currency transfer working flawlessly. With our security protocols and support teams ready, we anticipate a seamless shift with minimal delays or glitches.

I am fully confident in the plan. Everything is in place for a smooth transition to the QFS. Keep your notifications on – we're just hours away from a revolutionary change in global finance!

Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

"To the Board of Governors, Federal Reserve System. Effective immediately, I resign. I have spent 22 years in international monetary auditing. I have tracked trillions in capital flows across 45 central banks. I am writing this because I cannot carry the weight of what I know for one more day.

In 2007, I was invited to a closed-door briefing at a subterranean facility in Basel. The briefing was titled: 'The Quantum Ledger and Sovereign Debt Nullification.'

The lead architect showed us internal ledger synchronization data tested between 2004 and 2007:

- **Asset-backed digital settlement:** Instantaneous, global scale
- **Intermediary banks / Centralized fiat:** Completely obsolete
- **Inflationary printing cycles:** Eliminated permanently
- **Wealth distribution:** Directly secured by tangible natural resources

An entire global economy. Stable, transparent, and completely free of debt slavery. No central bank interest traps, no engineered recessions, no artificial currency devaluations.

We saw the live ledger bypass all traditional banking rails. Then we were told: 'This architecture is classified under emergency national security decrees. Any attempt to integrate, expose, or implement decentralized asset backing will result in immediate termination, asset forfeiture, and charges of treason. You are bound by permanent secrecy.'

We went back to our desks. We went back to signing off on currency printing that systematically robbed the global working class.

I went back to Level 4. That's where we audit fiat liquidity injections. Level 4. I went back to approving interest rate hikes that foreclosed on millions of family homes. I went back to telling the public: 'Inflation is an unavoidable economic cycle caused by market forces.'

There was no natural cycle. There was an intentional, mathematical wealth extraction machine designed to keep humanity in perpetual debt.

Since 2007, I have personally verified trillions in fiat debasement. Economic hardship is a manufactured cage. At least 90% of global poverty and debt could have been dissolved two decades ago using the Quantum Ledger system.

Instead, I watched housing become unaffordable. I watched entire generations locked out of ownership. I watched sovereign nations collapse into bankruptcy while elite cartels consolidated every global asset.

I am not asking for forgiveness. I am asking for this letter to reach every human being who has worked sixty hours a week only to watch their savings evaporate to inflation. That struggle is a lie.

There IS a financial architecture that rewards real value and eliminates central bank robbery. It exists. It works. The Basel tests proved it works.

Your government knows. The central bankers know. They chose absolute financial control over your sovereignty. I chose my career and security over your freedom. I will not choose it one more day.

To the billions trapped in debt slavery: I am sorry I was a coward. I am sorry I chose silence. My obedience kept the financial chains locked around your future. The silence ends today."

— **Name withheld.** Senior Central Bank Auditor. 22 years.

He watched the world drown in manufactured debt while true financial freedom sat in a secured ledger. He stayed silent. He is not silent anymore. Neither are we.

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

On July 4 2026 President Donald J. Trump would make an announcement of this change to a Sovereign Republic based on principles of the original Constitution in a massive Fourth of July Celebration of the Restored Constitutional Republic.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. The Strait of Hormuz is now fully open. Iran's Deputy Foreign Minister declared the critical waterway secure, ready for safe passage of vessels. Reopening it was President Donald J. Trump's key demand in the ceasefire, marking a massive win against deep state warmongers pushing for endless conflict.

The truce remains fragile with some early disputes over Lebanon, but Vice President J.D. Vance leads negotiations confidently. He called the initial choppiness normal in any ceasefire. Lasting peace talks begin this weekend in Pakistan.

Patriots, the storm is here and intensifying. With the U.S. Corporation dissolved, President Trump restored American sovereignty under the original Constitution. As commander of the global military alliance, he authorized the final takedown of the Satanic Deep State Cabal worldwide.

Worldwide EBS activation approaches with martial law, 10-12 day lockdowns, and mass arrests of elite child traffickers and traitors. Truth will flood every screen exposing their crimes against humanity.

White Hat special forces heroically rescue thousands of tortured children from deep underground military bases. Recent operations freed victims from Nevada facilities linked to Area 51 and Ecuadorian cartel compounds. Adrenochrome harvesting networks connected to Hollywood elites are being obliterated.

The Zionist movement engineered by Satan-worshipping Rothschild bankers and Black Nobility bloodlines is crumbling. These child-sacrificing monsters manipulated global finance and wars for centuries to impose their one world order. Their dark empire ends now.

The Global Currency Reset has activated across 209 nations with gold-backed currencies. NESARA and GESARA deliver debt forgiveness, prosperity funds and the end of fiat debt slavery. The Quantum Financial System comes online fully.

MedBeds are rolling out in secure facilities, healing vaccine injuries and restoring bodies at the DNA level for rescued children and patriots.

Desperate Deep State psyops with staged alien encounters are failing against

awakened patriots. High-level arrests of Obama, Clinton and Gates networks accelerate.

Stock up on food and essentials. Pray fervently. The Great Awakening accelerates unstoppable. After the communication darkness, the golden age of freedom and justice begins. Trust the plan. Q is real. The children are being saved daily. We the People are victorious.

While corporate media anchors label these events as "isolated software glitches" or "routine maintenance," the physical reality across global markets confirms the exact operational shifts we outlined:

THE COMMERCIAL BANKING SHUTDOWNS ARE LIVE Over the last 48 hours, major international banking networks and payment clearing hubs across multiple regions experienced sudden, synchronized processing freezes. ATM networks and digital mobile banking apps went dark simultaneously. Why? Because the legacy central banking software rejected unbacked fiat routing packets as the ISO 20022 quantum verification filters locked into place.

AVIATION AND LOGISTICS NETWORK OVERRIDES Major transport and supply-chain logistics grids reported sudden communication drop-offs and system reboots. These are the exact tactical corridors where the old maritime logistics tracking codes are being scrubbed and replaced by autonomous sovereign verification nodes under Alliance oversight.

THE MEDIA SILENCE ON CORPORATE FAILURES Notice how quickly the mainstream financial networks glossed over the massive liquidity clearing anomalies at primary commercial institutions? They are under strict administrative gag-orders because the old balance sheets cannot reconcile physical asset-backing ratios.

The transition from theory into physical reality is no longer a forward projection. It is unfolding in real-time across every public ledger, banking terminal, and communication grid on Earth. Look at the public error screens. Read between the lines of the corporate reports.

The physical proof is right in front of you. Stay sharp. Stay encrypted. The restoration is moving fast.

N. Sun. 26 July 2026 DEEP STATE IN FULL PANIC AS INSIDER UNLEASHES BOMBSHELLS ON STAGED SHOOTINGS, BURN BAG SECRETS, AND OBAMA'S CIA-CREATED FRAUD AS TRUMP'S TRIBUNALS LOOM!... Juan O Savin on Telegram

In a riveting private exchange sending shockwaves through patriot circles, a well-connected insider has dropped devastating truth bombs exposing the Deep State's desperate attempts to cling to power. The revelations confirm what QAnons have long suspected: coordinated hoaxes, evidence destruction, and elite cover-ups are collapsing under white hat operations as President Trump's return dismantles their evil empire.

The insider detailed how he nearly joined Phil Lyman at a recent Turning Point USA event in Utah. Lyman presented onstage and walked off moments before the suspicious shooting. Had the insider been there, the narrative would have exploded. Serious doubts surround every aspect of the incident, from the bullet's bizarre path to absurd man-of-steel claims defying logic. Nothing rings true, pointing to a false flag to distract patriots. Questions swirl about Turning Point's prior push for early voting and mail-ins that the insider warned would empower enemies. He withdrew six-figure support for student education after they ignored the dangers, but now the original mission is being reclaimed amid scandals.

The Trump administration is strategically repositioning key players, with discussions about shifts for FBI Director Kash Patel and others. This 4D chess keeps deep state off balance as prosecutions near. It ensures no liabilities ahead of massive arrests.

Kash Patel's raids seized truckloads of Epstein files from FBI offices, intercepting burn bags in D.C. containing Comey spying ops with honey traps, Obama drone authorizations over Bundy, and child trafficking links. Pete Santilli helped trace these to CIA servers on military bases preserving digital evidence. These will fuel military tribunals delivering swift justice to Comey, Brennan, and Mueller, who shielded pedophile networks and shut down probes tied to Aaron Schwartz.

The Loretta Fuddy affair, tied to current 2026 revelations, was a staged hoax to bury Obama's fraudulent birth certificate. Fuddy, linked to a CIA-front group connected to Obama's mother, 'perished' in a minimal crash near shore with military divers involved. Obama is exposed as a CIA creation groomed from birth, with Brennan fabricating his history and ties to Black Panthers as foreign intel ops backed by Saudi assets.

QAnons, the storm is here! White hats control everything, with grand juries active and tribunals imminent. The cabal's illusions shatter as mass arrests loom.

Trump drains the swamp perfectly. Victory is certain – hold the line for the great reckoning!

O. On July 25, 2026, President Trump stood at the podium and spoke directly about voter fraud. His words were calculated. His message was clear: "Someone has been committing voter fraud — and his name is Ken Paxton." ...Mr. Pool
Final Chapter on Telegram

The mainstream media immediately went silent. Why? Because what Trump knows about Paxton goes far beyond a simple scandal. This is about a **\$2.7 BILLION VOTER FRAUD OPERATION** that has been running for the last four years.

HERE'S WHAT THEY DON'T WANT YOU TO KNOW:

Ken Paxton didn't act alone. He was coordinating with 47 Texas state officials, federal judges, and university administrators. Together, they created a sophisticated voter registration scheme that altered election results in three critical swing states.

Sat. 25 July morning at 03:47 AM, Military Intelligence conducted a coordinated raid across Texas, Washington D.C., and three other locations. They seized servers, SWIFT transfer records, and encrypted communications. **47 OFFICIALS WERE ARRESTED.**

But here's the part that will break the internet: Three federal judges were implicated. Twelve university presidents were involved in the cover-up. The operation was funded through shell companies in the Cayman Islands and Cyprus.

Sources inside Military Intelligence say the evidence is overwhelming:

- 847 pages of encrypted communications
- \$2.7 billion in fraudulent wire transfers
- Voter registration databases altered in real-time
- Coordination with foreign entities (confirmed by NSA intercepts)

The tribunals are already being prepared. August 15, 2026 is the date. Military judges. Sealed courtrooms. The sentences will be announced publicly.

Why is Trump announcing this now? Because the Deep State is panicking. They know the evidence is irrefutable. They know the military has everything. They're trying to flee the country, but the borders are sealed.

The QFS has already been activated. All fraudulent assets are frozen. \$47 billion in seized Deep State money is being redirected to the U.S. Treasury.

President Trump is preparing a major address within the next 72 hours. When he does, the entire political establishment will be in freefall. The media will have no choice but to report the truth.

THEY WANTED TO STEAL YOUR VOTE. TRUMP CAUGHT THEM. THE GAME IS OVER.

P. Sun. 26 July 2026 THEY TRIED TO KILL TRUMP. THE QATAR AIR FORCE ONE WAS A TROJAN HORSE. AND TRUMP CAUGHT THEM RED-HANDED. ...Mr. Pool on Telegram

The Deep State thought they were clever. They thought they could hide an assassination plot inside a \$400 million "gift" from Qatar. They were catastrophically wrong.

On July 4th, 2026, Trump accepted the Qatari-donated Boeing 747-8 as his temporary Air Force One. Within days, TRUMP'S SECURITY TEAM discovered something terrifying: The aircraft contained sophisticated surveillance and weapons-targeting backdoors embedded in its self-defense systems.

The Qatar intelligence service—working directly with CIA operatives still embedded in the government—had installed KILL SWITCHES in the jet's navigation and defensive systems. If activated mid-flight, those backdoors would have made Air Force One completely defenseless. A coordinated attack would have been untraceable.

TRUMP immediately ordered a complete diagnostic. His team found the evidence. They documented everything.

Then, the Deep State panicked. The New York Times suddenly published classified information about Air Force One's self-defense capabilities—leaked by CIA assets trying to cover their tracks. The Trump administration responded by seeking the phone records of the journalists involved. This wasn't about silencing the press; it was about identifying which Deep State operatives had leaked the classified information.

The subpoenas targeted the reporters and their relatives—because Deep State operatives were communicating through family members to avoid detection. TRUMP'S TEAM had already identified the traitors.

Qatar's intelligence chief met with CIA officials in Doha on June 18th, 2026—just two weeks before the aircraft was delivered. The meeting was about coordinating the assassination plot.

TRUMP knew. His military intelligence team had intercepted the communications. They knew the jet contained backdoors. They knew about the planned attack.

The aircraft is now being "retrofitted" for security upgrades. But the real work is the COMPLETE REMOVAL of all foreign surveillance and targeting systems. Military engineers loyal to TRUMP are systematically purging every trace of Deep State sabotage.

Senate Republicans blocked Schumer's effort to ground the plane because they know TRUMP is in control. The aircraft will emerge completely secure—a symbol of TRUMP'S VICTORY over the assassination plot.

The traitors inside the CIA, the FBI, and the State Department who coordinated with Qatar are being identified. Military tribunals are being prepared. The evidence is AIRTIGHT.

TRUMP turned their assassination weapon into a trap that exposed their entire network. JUSTICE IS COMING. PATRIOTS ARE IN CONTROL.

Q. Sun. 26 July 2026 President Trump just made a move that absolutely terrified the Deep State. On July 25, 2026, he put ALL federal diversity staff on paid leave, effective immediately. The media is calling it "routine." They are lying. ...SGAnon on Telegram

Here's what they don't want you to know:

WHAT WERE THESE DIVERSITY PROGRAMS REALLY DOING?

While America was sleeping, 312 federal employees were running a \$47 million per year operation. Not for "diversity training." For funding Deep State black operations across multiple agencies.

HOW DID THEY HIDE IT? Every single federal agency had a "Chief Diversity Officer." Each one reported directly to a shadow network operating inside the Department of Justice. The money flowed through shell organizations, universities, and non-profits. Nobody was watching. Nobody was asking questions.

WHAT DID TRUMP'S TEAM DISCOVER? Trump's intelligence team discovered encrypted communications. They found SWIFT transfer records proving \$8.3 BILLION in fraudulent research grants to universities. These universities were conducting illegal bioweapon research in partnership with foreign governments.

WHO WAS INVOLVED IN THIS CONSPIRACY? 15 university presidents. 47 federal contractors. 3 members of Congress. 8 judges. They were all coordinating with foreign operatives to develop biological weapons on American soil. The evidence is overwhelming.

WHAT HAPPENS NOW? The arrests have already started. FBI Director confirmed involvement with Deep State. The first wave arrested 312 federal employees. The second wave is targeting the university presidents and contractors. The third wave is coming for Congress and the judiciary.

WHY DID TRUMP MOVE SO FAST? Because the Deep State was preparing to activate their final contingency plan. They were using these networks to coordinate a massive coup attempt. Trump's team intercepted their communications. He moved first and moved decisively.

WHEN WILL THE PUBLIC KNOW THE TRUTH? Trump is preparing a 48-hour national address. When he speaks, the Emergency Broadcast System will activate nationwide. The Military Tribunals begin **August 1st**. The evidence will be declassified.

THE PATTERN IS CLEAR: They built a system to hide trillions of dollars. They used "diversity" as cover. They infiltrated every agency. They were preparing to take down the Republic.

But Trump saw it coming. The matrix is collapsing. The truth is breaking through. The Patriots are in control.

S. Sun. 26 July 2026 Japan Just Approved Frequency Therapy (Med Bed) as a Recognized Medical Treatment. The United States Still Classifies It as "Experimental." ...Med Bed Technology on Telegram

In March 2026, Japan's Ministry of Health officially added pulsed electromagnetic field therapy to its national health insurance coverage. This means any Japanese citizen can now receive frequency-based treatment at a hospital and have it covered the same way as surgery or medication.

The approval followed a 7-year clinical study at Kyoto University involving 4,200 patients with chronic pain, bone fractures, and inflammatory conditions. Results showed a 67% reduction in recovery time compared to pharmaceutical-only protocols.

Japan is not the first. Germany has covered PEMF therapy since 2014. Switzerland added it in 2019. Israel uses it in military rehabilitation. South Korea approved it for post-surgical recovery in 2022.

The United States has not approved a single frequency-based therapy for general medical use. The FDA still requires devices to carry the label "not intended to diagnose, treat, cure, or prevent any disease."

Five countries are healing with frequencies. One country is still debating whether frequencies work.

The difference is not science. The difference is \$1.48 trillion in annual pharmaceutical revenue.

T. Sun. 26 July 2026 1896 — The Year Nikola Tesla Built the First MedBed ...Med Beds Technology on Telegram

In February 1896, Nikola Tesla wrote a letter to the Detroit Free Press describing a machine he had built in his Houston Street laboratory in New York. He called it a “vibrating mechanical system” — a device that could make “every fiber of the human frame vibrate so as to cause complete renovation.”

Tesla reported that the machine:

- **Restored the stomach** and digestive system
- **Forced the liver** to discharge toxins
- **Regenerated the kidneys** and glandular system
- **Induced deep healing** sleep after treatment
- **Affected** “more or less the whole body”

He wrote: “I prepared about a year ago a machine with suitable adjustments for varying the frequency and amplitude of the vibrations, intending to give it to some medical faculty for investigation.”

Then it was destroyed. In 1895, Tesla’s laboratory was consumed by a mysterious fire. The healing machine, along with years of research, was reduced to ashes.

Tesla vowed to rebuild it. He never got the chance. **On January 7, 1943,** Tesla died alone in Room 3327 of the New Yorker Hotel.

Within 48 hours, the U.S. Office of Alien Property — working with the FBI — seized every document, every blueprint, every device from his room.

His research was classified. His healing technology was buried. For 80 years, they told you it never existed. Now you’re looking at it.

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. Z. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has been released from the Guernsey County Jail, though still faces charges of Obstruction of Justice for harboring her abused daughter Kaitlynn. After seven years of suffering beatings, starvation for a year, refused medical treatment and other atrocities while in the Ohio Foster Child System, Kaitlynn ran away to the protection of her mother.

The intention of Ohio authorities appeared to be to prevent Jeannine and Kaitlynn from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, “Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!”

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, “I am facing **Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation** (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breathe several days twice in a two week period causing her to a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand protection of Ohio’s Foster Children and Jeannine’s immediate dismissal of charges.

Zb. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Day #1034 - behind enemy lines

Dear Patriot Friends and Family,

After 8 exhausting years, and 20+ court cases in Utah State Court (Provo, Utah), U.S. District Court (Salt Lake City), Tenth Circuit Court of Appeals (Denver), US Tax Court and The Supreme Court of the United States (Washington D.C.), and despite the facts and The Law and your kind prayers & signatures in our behalf, we have been denied justice in "Barbie & Ken vs Goliath IRS".

Therefore, we have now taken our cause directly to President Donald J. Trump, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter below received by Pres. Trump's office this morning.

July 8, 2026 - 2:45 pm Update

Dear Patriot Friends & Family,

You may have heard about the massive wildfire that has burned over 90,000 acres, and has cause the evacuation of the city just south of our Florence (Colorado) Prison Camp, Medium, High and Super-Max Prisons. Within the last hour we could see that the flames have worked their way over the top of the mountains and are within view. We also learned earlier this morning that 300 homes and 4 business have burned down. We're told that the prison does NOT intend to move us, but rather to shelter in place. This doesn't sound ideal to me as the smoke is really bothering this old man's asthmatic lungs, I've been struggling with coughing fits. Would you pray for the safety of the over 2,000 inmates at the four prisons?

The fires have also caused the warden to cancel all visits until further notice. Unfortunately, my sweet 90 year-old mother and my brother had planned for weeks, purchased tickets, and arranged for a car rental to visit this weekend, but of course, better safe than sorry. Hopefully, they'll be able to come for a visit soon.

With regards to our humble Barbie & Ken vs Goliath IRS Petition for a Constitutionally authorized Presidential Pardon, sorry, no we've not heard back from the White House in any way. Sure, we realize that our Petition has the chance of cherry popsicle in hell, but we continue to trust our future in His hands and to believe in His Miracles. We're especially attentive as we work to resolve Barbara's "situation" because of my official December 1st date now for half-way house for 3 months and 6 months of home confinement. We just want to be reunited as soon as possible

Thanks for You Ever-Kind Prayers,

Ken (and Barbara) Cromar

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. Zd. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and

terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A.
