**Judy Note: Our Worldwide society was about to witness President Trump’s Global Military Alliance cleansing of the Satan worshipping Deep State Cabal** - a very complicated project many years in the making - and one badly needed in order for Freedom to survive across the World.

**What has yet to be fully addressed were workings of local Satanic Covens.** Their leaders: the Illuminati, Vatican, Deep State Elites, European Royalty and dictator/ communist countries of the World were about to be abolished, but we had yet to touch the millions who still chose to worship the Dark Side in exchange for power, riches and glory.

**Although because of the Global Currency Reset,** these Elite no longer had the backing of the Global Financial System. They who used pedophilia and the torture and murder of children, were highly organized and located across the World, from farm lands to the great cities.

**Using a sophisticated mind control system** perfected in Nazi Germany, they performed their vile deeds of pedophilia, tortuous mind control and child sacrifice in secret, working their way up into powerful positions in society, politics, law enforcement, church, state, education, the judicial system - everywhere across the Globe. There they used their high positions of authority to protect themselves and fellow Satan Worshipping colleagues.

**Below was one of the best explanations that I have ever known** of Satanic mind control embedded in our society. The interview is of two very intelligent Satanic Ritual Abuse survivors - husband and wife - who happen to have lived their Satanic Ritual Abuse (SRA) childhood here in Utah (where according to the Utah AG Office Satanic Ritual Abuse Investigators housed eight major Satanic Covens who ruled over hundreds of followers).

**But just because this truth was being unveiled in Utah,** don’t be nieve enough to think Satanic covens weren’t active near you. That was how they got away with their evil practices - and have since the beginning of time in what some believed were the dark traditions of descendants of Adam and Eve’s first born son, Cain.

**Wed. 1 July 2026 Satanic Ritual Abuse in Utah, We Are The People:**  
[Music Was the Mother Program: Amy Choate’s Heber Valley Ritual Abuse Nightmare](#)

**Like in Choate's experiences, highly orgaized Satan worshippers** who ran an international Child Sex Trafficking ring out of the Vatican were everywhere, and very sufficiently funded.

**Like in the 24 June 2026 Venzeuela Earthquakes. Word out of Venzeuela** was that pedophiles and mafias were very busy kidnapping children who had lost their parents in the disasters.

**Julian Assange reported that a brave man claimed that elites** have already started trafficking children from Venezuela after the massive earthquakes. He said, "The situation is worse than it looks. Family members have been denied access by the military and police in their attempts to find their children. Save the Children NGO is already operating in Venezuela and they are taking traumatized and orphaned children for child trafficking. They're not even human - these people are pure evil."

**The epicenters of both Venezuela earthquakes** were in Veroes, a municipality of Yaracuy. Strangely, two large beams were photographed coming out of the sky just prior to the quakes.

**Deep State Cabal Corporate giants like Blackrock and Vanguard** were suspected to be behind such disasters believed caused by Direct Energy Weapon Attacks (DEWs). Such set fires in Maui, California, Wyoming and Texas and a biochemical lab explosion in Georgia. This Deep State Cabal HAARP weather manipulation has been known to cause formation of hurricanes and tornadoes that devastated the back countries of North Carolina, South Carolina, plus attacked Georgia, Tennessee and Florida.

**And, all disasters were followed by the very organized kidnapping of children sprees** by pedophiles and members of the mafia. One of the worst examples happened in Hawaii where over 2,000 Hawaiian Native children went missing since what were believed to be Direct Energy Weapon (DEW) Attack fires that decimated Liahana Maui on **8 Aug. 2023**.

**The DEW attacks left over 5,000 homeless**, almost half of whom were still living on the beaches almost three years later - with little or no help from the government - until along came Trump.

**Now, close to three years later the fate** of those children was still unknown to the public. Although, a source indicated they were safe after the White Hats stepped in.

**It's a good thing because the disasters opened the door for banker owned US Inc. land grabs** and worse, kidnapping for the Deep State's lucrative Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring run by the Satan worshipping Vatican.

**Years ago the White Hat Military Alliance** was activated across all 50 states and struck at the very heart of FEMA's corrupt operations - the government agency that not only prevented help from getting into Maui, but was believed to have caused the disaster. The White Hats mobilized 5,000 troops in a strategic, coordinated strike aimed at dismantling the elites' decades-long domination of humanity.

**Governors across the country have been warned**—those who align with the Cabal are going to be removed. Every corrupt official, every Deep State puppet, every bureaucrat involved, every FEMA agent involved, every official who helped cover it up, every Deep State operative who facilitated the child abductions were about to face a reckoning, and it won't be in a courtroom controlled by crooked judges and rigged legal systems. They're all going to face military tribunals.

**Thurs. 10 Oct. 2024:** [US Inc. FEMA Creating Hurricanes, Fires, Floods For Kidnapping & Land Grabs? | Crime All-Stars | Before It's News](#)

**The following was an article I wrote three years ago** - the facts of which have yet to hit the mainstream media: **Wed. 30 Aug. 2023:** [Where Were Maui's Over 2,000 Missing Children? | Crime All-Stars | Before It's News](#)

**Over 2,000 Hawaiian children** have remained missing in the past 22 days since what were believed to be Direct Energy Weapon (DEW) Attack fires that decimated Liahana Maui on **8 Aug. 2023**. Only a handful of children's bones have been discovered in the charred remains of Liahana. Over 2,000 little ones just disappeared.

**School had been called off for the day** and students were loaded on buses to take them home. On Social Media there was speculation amongst the community wondering not only what happened to the students, but what happened to the school buses that picked them up. None of the buses were found – not even in the trail of burnt vehicles found on the highway and on Front St.

**Hawaii's Democrat governor Josh Green**, Maui Mayor Richard Bissen and Liahana Police Chief John Pelletier (who strangely was Liahana's coroner and also at the Las Vegas shootings) have repeatedly refused to even talk about the missing children who were reportedly home alone when the fires began.

**All three Hawaiian authorities** were thought loyal to the Deep State in a well planned attempted takeover of valuable Native Hawaiian land for their model "Smart City" – which was designed to gain complete control over the population.

**As the massive fire raged so hot it melted tires**, Maui Police were ordered to help FEMA employees block escape routes from Liahana, the historical capital of the Kingdom of Hawaii.

**Those who escaped the blockades** reported that FEMA authorities had issued an order to set up those blockades two days before the so-called “Wild Fires” even began. The resultant road jam imprisoned hundreds of native Hawaiians who died in their cars as the fires raged around them.

**On Sun. 6 Aug**, two days before the DEW Attacks, 2,500 FEMA personnel began arriving in Honolulu. Two days before the fires began? You would think they knew a disaster was about to happen.

**All then flew to Maui** and booked themselves into \$1,000+a-night luxury hotels. Two days later as Lahaina burned, most all were 100 miles away, back in Honolulu, suggesting that the diabolical agency knew that parts of Maui would be set ablaze.

**In that same two days prior to the fires**, Herman Andaya, Maui’s top emergency management official and Eric Lecky, FEMA Mission Support Associate Administrator, met in Lahaina, according to videos in possession of the White Hat Military Alliance which sent in US Marines to get control of the situation. The footage also showed Andaya giving Lecky a tour of Lahaina and advising him where to set up barricades to keep citizens trapped in what would become a disaster zone.

**On Wed. 16 August, a week or so after the Maui disaster**, US Marines were in Lahaina. Word had come that Maui police and a National Guard infested with CIA agents, were supporting FEMA workers blockages, both by land and by sea, of food, water and needed supplies from reaching Lahaina; refusing to hand out food and water to desperate survivors; had closed down a desperately needed food station and two days before the fires began had secured a Media Blackout within a 12 mile range surrounding Lahaina that had no cell phone, or Internet coverage.

**The Marines found on Front Street in Lahaina**, a uniformed police officer shooting a pedestrian in the back for unknown reasons. The cop then spotted a bystander filming the incident on a cell phone, and shot him, too. He was the fifth cop whom Marines killed since arriving in Maui late Wednesday afternoon.

**The Marines also found bloated, bullet-riddled bodies** that floated face down in the ocean and Hawaii National Guardsmen rummaging through pockets of dead islanders and tourists. FEMA and the Red Cross were not only refusing to give out food and needed essentials, but were forbidding citizens access to nearby food, water and shelter.

**Now over three weeks later the Liahana School District** has reported that 2,040 children were still unaccounted for. No news of the over 2,000 missing children has snuck past the Communication Blackout area where “Special Police” in foreign vehicles stopped people from entering the Killing Field.

**Governor Green**, Maui Mayor Bissen and Police Chief Pelletier have refused to address the missing children issue. Nor have they successfully addressed why no alarm sounded for the fire, water was turned off and emergency personnel including the fire department were a hundred miles away in Honolulu when the fire suddenly broke out.

**Of course, the Soros-owned Deep State Mainstream Media** has repeatedly downgraded or even refused to cover the story.

**The one Liahana morgue** at the hospital and a second at the police station reported only 118 dead, most of them adults.

**So where were the over 2,000 missing children?** One answer might be found in a massive human/child trafficking line that ran through Lahaina. Hawaii was the base between Australia, Taiwan, China and California for Oprah, Epstein, Zuckerberg, CIA, UN Elites and their international Child Sex Trafficking, Adrenochrome and Organ Harvesting network.

**The land of Lahaina** was considered the second most expensive real estate in the world and for years those Elites had been buying it up. Most natives refused to sell this land of their heritage, but the Elites were persistent. It was where they planned on building a Smart City where they could control the population.

**The DEW Attacks** were believed developed by these in the Deep State government:

- (1) **To kill several witnesses** who were set to expose an International Child Sex Trafficking, Adrenochrome and Organ Harvesting ring centered in Lahaina.
- (2) **To destroy evidence of Child Trafficking** Tunnels beneath properties owned by Oprah Winfrey, Bill Gates, Mark Zuckerberg and CIA Operation Headquarters.
- (3) **To test DEW weapons** on humans in preparation for DEW Attacks on other areas where they planned to build Smart Cities.
- (4) **To test Smart Car** explosions on a mass scale.
- (5) **To destroy Lahaina** in an ethnic cleansing in order to acquire the native Hawaiian's very valuable land via a carefully calculated land grab.
- (6) **To free Lahaina land** so it could be developed into a Smart City where residents could be trapped and wear implants that would track them and thus the Deep State could have complete control over their lives.
- (7) **The Deep State** was trying to find a place to hide and had sunk a lot of money into buying land in Maui – where natives now refused to sell.

(8) **Back in 1959** Hawaii independence had been removed by pineapple companies wanting them to be a US Inc. State as a tax source. US Inc. was now officially bankrupt and wanted Hawaii to remain a state and thus hold onto whatever monies the independent corporation could extract.

- ZIM & OTHER CURRENCIES: FINAL ADJUSTMENTS IN PROCESS!

**Judy Note:** No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

## **H. Guru Information and Intel:**

**Wed. 1 July 2026**

**Judy:**

**I sent a Criminal Referral** to President and Commander in Chief Donald J. Trump today regarding a "Claimed" Frivolous Tax Return for the year ending December 31, 2022.

**This undoubtedly opened a door the IRS** would rather have kept shut. As part of the criminal referral, I have included evidence to show:

- In 1895 the income tax was ruled to be unconstitutional by the Supreme Court
- The ruling held for 18 years until the 16th Amendment was ratified
- In 1909 there was political pressure to reinstall the income tax
- Congress drafted the 16th Amendment, which was ratified in February 1913
- There was a problem with the ratification process

- In 1984, William Benson spent two years traveling to the archives of every State
- He came back with the Original Documents
- The ratification process was riddled with errors, alterations, and fraud
- States passed different versions, which were counted as being ratified
- Kentucky ratified it after Congress had certified it as law
- Minnesota never transmitted its ratification to the Secretary of State
- Benson published his findings in a two-volume work titled, "The Law That Never Was"
- The Government's response was quick, total and instructive
- They did not refute his findings
- They did not open the archives and show America where Benson was wrong
- They prosecuted him for fraud
- And made it a Federal Crime to send his research through the mail

**The Government simply covered up the fraud** against this nation and American Citizens.

**Research clearly shows that others discovered the evidence** and also ruled that income tax is, and was, unconstitutional even to this very day.

**But now, as of this morning**, this information is part of a criminal referral sent to the President and Commander in Chief, Donald J. Trump and US Attorney General Todd Blanche.

**Thurs. 2 July 2026 MILITARY INTEL REPORT:** Operation “THRONE DOWN” is described as an alleged multinational mission targeting a supposed secret weather-control network. The report claims QFS Maritime Tracking located a ghost vessel in the Pacific, leading to the seizure of 22 alleged atmospheric warfare stations linked to the so-called “THRONE CLIMATE” system. It further alleges investigators traced the vessel through a Cayman shell company to a trust connected to the Rothschild family. Supporters claim the recovered equipment supports long-standing HAARP-related theories and allege the network influenced major disasters, agriculture, financial markets, migration, and geopolitics since 1979, generating trillions in damages. The report concludes that the final weather-modification facility was seized, all frequency infrastructure shut down, and the alleged network permanently dismantled, describing it as the end of decades of claimed atmospheric manipulation.

**K. Thurs. 2 July 2026: Health and Human Services Secretary Robert F. Kennedy Jr. has officially terminated all HHS contracts with companies owned by Bill Gates, slashing hundreds of millions in federal funding. The move is part of Kennedy's broader effort to end government reliance on the Microsoft founder's business ventures in the health sector. ...Julian Assange on Telegram**

"We won't be giving him another nickel to develop more jabs," Kennedy stated during a recent Senate Finance Committee hearing. The decision is just the latest in a series of actions targeting mRNA vaccine development, with HHS previously canceling 22 projects worth nearly \$500 million nationwide.

Gates reportedly received an estimated \$408 million annually from federal contracts at one point, a figure that has now dropped to less than \$10 million. Kennedy framed the cuts as a necessary step to redirect taxpayer money away from what he views as ineffective vaccine platforms and toward "safer, broader vaccine strategies" like whole-virus platforms.

**Critics argue the decision undermines pandemic preparedness** and scientific progress, with experts warning it could leave the U.S. vulnerable to future outbreaks. But Kennedy and his supporters see it as a long-overdue reckoning with the influence of private billionaires over public health policy. "There aren't many places left for him to scrounge off the taxpayer," Kennedy added.

## **Q. Update Kaitlynn Hunter, Jeannine Larrick**

**Jeannine Larrick has been released from the** Guernsey County Jail, but did not accept a plea bargain that required her to admit to the false charges for which she was arrested. The intention of Ohio authorities appeared to be to prevent Jeannine from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

**Journey Home NYAP Foster Care and the Ohio government** syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

**Juan O Savin said a while back**, “Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!”

**It was believed Ohio authorities** intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

**Jeannine and her daughter Kaitlynn Hunter** are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

**Just before she was arrested Jeannine said**, “I am facing **Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation** (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

**“Currently Judge Williams has stricken** all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. ## **S. Tim Ballard: A hero rescuing children from Child Trafficking Rings**

**Tim Ballard has worked undercover in the US** and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Day #1034 - behind enemy lines

**Dear Patriot Friends and Family,**

**After 8 exhausting years, and 20+ court cases** in Utah State Court (Provo, Utah), U.S. District Court (Salt Lake City), Tenth Circuit Court of Appeals (Denver), US Tax Court and The Supreme Court of the United States (Washington D.C.), and despite the facts and The Law and your kind prayers & signatures in our behalf, we have been denied justice in "Barbie & Ken vs Goliath IRS".

**Therefore, we have now taken our cause directly to President Donald J. Trump**, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter below received by Pres. Trump's office this morning.

**Believe in Miracles!**

**Washington, D.C. 20500**

Sen. John Curtis

Rep. Mike Kennedy

Jon McNaughton - (your portrait painter)

**Dear President Trump,**

**We don't understand how you do it.** To all those of us who stand in the battle of good vs. evil, you, sir, stand the tallest. Evil came close to completely destroying the greatest and longest lasting country in the history of the world, until you got in the way.

**Like you sir, my wife Barbara and I too have stood up.** Our patriot friends and supporters know us as "Barbie & Ken vs Goliath IRS". We admire your determination to crush and dismantle the IRS. But our stand against them has cost us dearly.

**Our home was seized by an Obama judge without even a hearing.** (case 2:17-cv-01223-RJS) The IRS auctioned off cheaply "Barbie's Dreamhouse" of 28 years. All our earthly possessions were thrown into 7 large dumpsters and buried in some unknown landfill. We were made homeless. Our great reputations were ruined. Our relationships with family (7 kids and 13 grandkids) and friends were compromised. And most importantly our freedom was taken from us. And if stealing everything wasn't enough, they stole our future claiming that we still owe them a fabricated \$753,028.65 in "restitution". Why? Because we had the courage to expose small town corruption and stood up against the the same heartless, tyrannical, and un-Constitutionally functioning infernal IRS, -- which thankfully you desire to permanently extinguish.

**I write this letter to you from the Florence Federal Prison Camp where I've served 1,029 days on a 72-month sentence for laws I did not break and impossible IRS fines & penalties we'll likely never find a way to payoff.** We believe that our Cedar Hills political enemies (where I served as an elected City councilman) had friends in the IRS. And like you Mr. President, just as we were on the verge bringing down their house of cards, they had the DOJ weaponized against us with their "lawfare".

**You may be surprised to learn that coincidentally you and I were both in court fighting for our lives against the DOJ's effort to imprison us,** during the exact same days in May of 2024 -- you in New York, and me in Salt Lake City. We couldn't afford to even consider hiring an attorney to defend us through 20-plus cases over 7 years. We don't know if we were inspired or crazy to attempt the impossible, but believing in the God of Miracles, we mounted the best defense we could. For example:

1. **You sir, successfully sued the IRS** and settled we understand for \$10 billion. Imagine me, in 2021, a non-attorney, suing the Commissioner of the IRS Charles Rettig in US Tax Court (case #15701-21), who I subpoenaed via his attorney requiring him to prove his claim against me. And although he was paid his two-days witness fees, Mr. Rettig did not show up nor return my money. I was successful enough to make IRS counsel admit they could produce no records to prove their claim. No surprise, they sealed the records, but only after I obtained court certified copies of my success.

2. **Visualize me** (at only 5' 5" like your friend Peter Navarro), sitting all alone during 8-days of trial as a non-attorney and humble film producer/director/writer (see attached Brief Bio) defending myself against a big high-powered prosecution team of four seasoned IRS/DOJ veterans in a climatic federal trial (case 2:23-cr-00159-HCN). A true David vs Goliath story.

3. **Image me subpoenaing the lead IRS investigator Mr. Walker, but the magistrate and judge would not allowing me to call him to the witness stand** to testify to the jury that the D.C. DOJ admitted that the statute of limitations had expired and that they couldn't prosecute me under Title 26, but did so anyway. The court denied my Sixth Amendment right to "compel" testimony "in criminal prosecutions" in my favor, despite the fact Walker was sitting at the prosecution table the entire 8-days of the trial.

4. **Visualize that during a climatic trial moment the prosecution brought in two IRS expert witnesses** -- 22 and 38 year IRS veteran agents to vilify me in front of the jury. When it was my turn, I cross-examined them with one simple question: **"Can you point to the law that requires me to file federal income tax?" Both agents confessed, "No sir, I cannot."** To which I replied, "No further questions." SCOTUS's 2024 decision that repudiated the "Chevron doctrine", does not allow the IRS to hide behind CFR 1.1-1 as law because Congress didn't write it, the IRS fabricated it. As you know sir, The IRS and The Fed are two of the most dangerous & destructive hoaxes in all of American history -- matching the old British tyrants from which our Founders declared independence.

**Remarkably, after a grueling 8-day trial, my apparently sympathetic jury deliberated for 3 days.** Surprise! The jury must have been fighting for me because they acquitted me on one count with "not guilty". But, because the jury was sworn-in to follow the judge's instructions that were factually incorrect, they had no choice but to find me "guilty" on the other two counts. Miraculously, on June 20, 2024, just sixteen days after the verdict, the Supreme Court came down with an epic decision in Moore et Ux v. US (602 US 572 (2024)) which explained what Constitutional federal income tax is, and what it is not -- which proved my defense was right. However, no surprise, the judge ignored that news and sentenced me anyway. You too Mr. President, know all too well what it means to be a victim of malicious DOJ prosecution.

**Jon McNaughton, your political portraits painter friend, is our friend too (we've been to each others' homes and shared meals together).** Jon kindly supported me by being at my devastating pre-Christmas sentencing on December 23, 2024. They sentence me and put me in prison, but it came so close to being you too, sir.

**Attached you'll find a Petition to you, signed by 382 patriot friends** and supporters seeking your Presidential Pardon. Even though we could've submitted it to you last year, we waited until after we got to the Supreme Court, even though it meant my staying in prison. We hoped to help bring down the IRS. Unfortunately, SCOTUS ultimately denied us Writ of Certiorari appeal a few days ago on June 1, 2026 [case 25-6931]. It appears that not enough Justices have the courage yet to face the certain Deep State firestorm that would result if they stood by their own findings in Moore and brought

down the IRS. Remarkably, SCOTUS unanimously found that we haven't had a Constitutionally authorized federal income tax "since the Civil War"!

**Barbara & I have now exhausted all our legal appeals** in our 7-year pursuit of justice. We now come to you Mr. President seeking your help under the Constitution's Article II, Section 2 Clause 1, which gives you power to "grant Reprieves and Pardons for Offenses against the United States", for the reasons described above and the clear denial of a number of our Constitutionally protected, God-given rights. Will you please consider granting your lawful Presidential Pardon for "Barbie & Ken" -- Paul Kenneth & Barbara Ann Cromar?

**Mr. President**, on this July 4th, may we suggest that in your 250th Anniversary of the Declaration of Independence speech you could renew the Declaration against the modern day "red coats" IRS, the Fed, and all other traitors, both "foreign and domestic". Imagine the large signature of American citizen Donald J. Trump at the top of "The Declaration of Independence v2.0", inviting all Americans to join you in signing. This could be just the spark needed to ignite the fire of courage Americans need to wake-up, fight for their own liberty and take our country back. Mr. President, will you please consider standing as a modern-day American Moses, and light the fire of freedom by declaring, "Thus saith the Lord God, ...let my People go, that they may worship me" (Exodus 10:3) as opposed to worshipping Washington, D.C.?

**David took "five smooth stones"** and a sling with him into battle, but needed only one stone to take down Goliath. Barbara & I have used-up four of our smooth stones without success. Mr. President, will you please consider being our final fifth smooth stone and helping "Barbie & Ken", prevail over "Goliath IRS"? We look forward to being freed to rejoin you and other American patriots pursuing the divine "250th Anniversary Declaration of Independence 2.0" goal to "heal the land" (2 Chronicles 7:14) and Make America Great Again.

**May God Continue to Bless You, Us & the USA,**

**Barbie & Ken Cromar**

**as well as everyone else currently incarcerated**

**for IRS Tax Evasion**

**We request President Trump PARDON Paul Kenneth Cromar**

**of Cedar Hills, Utah,**

**as well as everyone else who is currently incarcerated for IRS tax evasion.**

---

**We the undersigned, do respectfully request that President Donald J. Trump** end the incarceration of everyone currently accused of IRS tax evasion as well as end the Cromars' courageous 7-year battle through 18 court cases to defend their Life, Liberty and Property from the tyrannical Internal Revenue Service (IRS) who fabricated a false claim that they owed \$1,053,028.68 to kick them out of their home and auction it off. Not unlike president Trump, the Cromars have suffered from the DOJ's prosecutorial misconduct. The DOJ/ IRS falsely promoted that the Cromars were "lying tax cheats".

**However, NO one has ever been able to point to the federal income tax law they claim the Cromars broke; not even Utah State federal judges, prosecutors, IRS agents, but they convicted**

**them of laws they did not break in their courts anyway.** In the miscarriage of justice, Ken has been thrown in federal prison for the next 6 years.

**It's clear these are false convictions because coincidentally the Supreme Court of the United States' newest tax ruling in Moore et Ux v. US (602 US 572 (2024)),** which came out just days after Ken's conviction, now proves that it is the IRS' position that the 16th Amendment allows for "direct non-apportioned income tax" is FALSE, "frivolous" and un-Constitutional, and that Ken Cromar's position was RIGHT all along. (see attached Press Release )

**We respectfully request that President Trump investigate** and provide his immediate Presidential PARDON to Paul Kenneth Cromar as well as everyone else who is currently being incarcerated for IRS tax evasion, so they can be exonerated, vindicated and returned to their homes.

**Signed, (384 Patriot signatures)**

**U. Judy Note HIGH ALERT: The below is a request from the mother** of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

**Hi Judy,** A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction.
