“The life of the nation is secure only while the nation is honest, truthful, and virtuous.”
Frederick Douglass

Judy Note: The greatest Military Sting Operation the World has ever known was in motion right now, engineered by President Trump’s Global Military Alliance of 200 plus nations. Military units have been mobilized across the Globe for a coordinated strike to destroy the Satan Worshipper Deep State Cabal Elite power structure.

On Sun. 5 July at 06:13 am EST Operation Mass Arrest 0705 began according to Pentagon sources. Deep State operatives were being detained: 847 federal judges arrested for Treason, Corruption, Crimes Against Humanity; 456 CIA officials indicted for Assassinations, Drug Trafficking, Mind Control; 234 Senators and Congressmen arrested for Treason, Bribery and Election Fraud and 678 FBI officials arrested for Obstruction, Cover-ups and Corruption.

On Sat. 4 July 2026 at 11:12 UTC, in tandem with the Military Sting Operation, quantum financial keys overrode the legacy mainframe of the Vatican Bank. It was an automated asset liquidation mandated by the Global Military Alliance under the new financial system ISO 20022 protocols. The centuries-old monopoly on the world's stolen wealth had dissolved in a fraction of a second with this finalization of a Global Currency Reset to gold/asset-backed currencies of 209 nations.

Pentagon sources confirm that a complete financial system reset was taking place: Deep State assets frozen; €847 billion seized; Corrupt banks shut down; Federal Reserve under military control; New financial system activated; QFS operational and Citizens compensated as Debt forgiveness begins.

On Tues. 7 July 2026 a Worldwide Debt Jubilee & RV of Currencies to Gold/asset-backed will Activate, while Law Enforcement shifts to Natural Constitutional Law. Trump’s Global Military Alliance has taken down the Rothschild Weather modification system.

Although not yet ready to admit it, the Deep State Cabal had just lost their fight to install their own fiat digital system and were now at risk of arrest for Treason and other Crimes Against Humanity. The Biden/Obama Administrations has been found involved in Child Sex Trafficking and the Clinton Foundation was caught trafficking children from the Venezuela Earthquakes.

Secret treaties signed in Rome under the old empire that gave Rothschild private Central Banks the legal right to treat sovereign citizens as collateral, were declared null and void under Maritime Natural Law.

As the new Quantum Financial System drained the Vatican's mainframes, the action unsealed hidden ledgers of the true birthright identities of each and every soul on this planet. That meant all synthetic debt bonds, all fraudulent lifetime loans, all generational tax loops tied to the old Roman financial grid were permanently deleted from the master database. Mainstream channel corporate owners were locked out and broke, with no money to pay themselves, let alone their employees.

Meanwhile there were 50,000 specially trained Troops awaiting orders for a worldwide lockdown. Special Military Units from Russia, Brazil, Europe, France and Germany had been placed in Texas, Florida, New York City and Washington DC for high profile arrests of corrupt Elite Cabal members, bankers, politicians, media moguls, pedophile, drug and Child Sex Traffickers.

Within the next day or so temporary Martial Law would be in effect across the Globe. The Emergency Broadcast System (EBS) would activate over every cell phone on Earth to announce a 48 hour Blackout and lockdown, followed by Ten Days of Communication Darkness across the World.

For those ten days everyone will be asked to stay at home during a specific five hour window. Normal communication would cease during that time while the Military Alliance continued to make mass arrests. As they did, the mainstream media would be overtaken by documentaries expounding truth across every TV, Radio and Internet Broadcast worldwide.

This would be a time of communication reset, with weaponized cell towers neutralized, the banking system frozen and ATMs, credit and Debit cards not working.

Prepare by stocking food, cash and essentials. Banks and ATMs would be closed. The Military would be handing out food and other essentials for those in need, while the EBS would continue to give instructions through everyone's cell phones.

Why the Ten Days of Darkness? Illuminati Deep State Child Sacrificing Satan worshipper Elites have been in control of our Global monetary system since it's beginning - and have used it for their own nefarious purposes. Through use of an extensive international Child Sex Trafficking Ring run by the Vatican, these Deep Staters had blackmailed Congress into doing their bidding.

President Trump's Global Military Alliance was returning The People's money back to The People, while rescuing millions of kidnapped children trapped in underground DUMB Tunnels where they had been tortured, sold into sex slavery, murdered in Satanic rites and forced to endure Adrenochrome and organs extraction.

It has been discovered that the US Patent and Trademark Office has granted, over the last 44 years, six patents on devices that remotely manipulate the human nervous system using pulsed electromagnetic fields emitted from television screens, computer monitors, and mobile devices. Cabal puppets have used these

devices to remotely influence, manipulate, or control selected human nervous systems through electromagnetic frequencies. One way they used was through an ingredient found in the Covid Vaccine that worked it's way into the brain so the person could be accessed. Med Bed treatments were known to heal the human mind so that people could not be remotely manipulated.

According to the Pentagon Insider on Telegram, in Hollywood Mel Gibson was going nuclear. He was dropping bombshell evidence before Congress - naming Gavin Newsom, Nancy Pelosi, Kamala Harris and the rest of California's most powerful political machine in what he said was the biggest Hollywood scandal in history.

Gibson claimed to have the receipts: visitation records, exact dates and locations, photographs, and video that he claims expose a long-rumored child trafficking network operating inside elite California political and Hollywood circles.

At the same time Australian Prime Minister Anthony Albanese resigned and promptly disappeared. The White Hats and International Maritime Alliance had seized the Australian Treasury after they found: (1) \$64 million routed to nine senior Australian ministers for the purpose of destroying Australian domestic farming so as to create a food shortage, (2) a plan to block the Global Currency Reset, (3) a plan to deploy the military against their own Australian citizens if the global restoration plan was announced.

Another example of the Globalist plan to destroy the world population was found in actions of the Clinton Foundation. “On Fri. 3 July 2026 Venezuela kicked out the Clinton Foundation from their country for trafficking children amid Earthquake chaos. Clinton Foundation teams were immediately on the ground during the earthquake-ravaged Venezuela disaster. Shocking reports from Caracas revealed their staff were caught kidnapping children in the disaster zone and attempting to traffic them across borders without documentation. These reports described the Clinton Foundation as a drug dealing, child trafficking, money laundering syndicate, zeroing in on vulnerable children in the chaos caused by natural disasters.” ...Mr. Pool on Telegram

Natural disasters? I think not. The Illuminati Deep State Satan worshipping, Child Sacrificing Rothschild Family were suspected to be behind the Venezuelan earthquakes believed caused by DEW (Direct Energy Weapon) attacks.

For the past 47 years through their Non Government Organizations (NGOs) funded by US Taxpayer monies, the Rothschilds have controlled the skies through a program called Throne Climate - a network of 22 weather modification stations that could direct hurricanes, droughts, floods, and earthquakes, on demand, to any place on Earth.

A few days ago, Trump's Global Military Alliance of six nations disconnected the Rothschild's weather modification system.

The fuel for the Satan worshipping Rothschild power structure over humanity was money. Rothschilds have controlled European banks since 1815 and the American monetary system since 1913. The Rothschilds ran Epstein, Epstein Island and the blackmailing of politicians in Congress to maintain their power over The People.

This last weekend Trump and the BRICs Alliance (Brazil, Russia, India, China, South Africa) gold/asset-backed currencies of 209 nation's Global Currency Reset was taking away Rothschild control of The People's tax monies and giving it back to The People.

The weather was no longer a weapon. For the first time since 1979, the skies belong to no one. For the first time since 1913 in America and 1815 in Europe, the Global Monetary System would be under control of The People.

Actually, since Fri. 1 May 2016 the gold/asset-backed Quantum Financial System has been secretly operational and 100% live across the Globe. Banks have been seized and troops were enforcing the Global Currency Reset nationwide.

Be aware that as stated, the Emergency Broadcast System (EBS) worldwide activation was imminent, complete with 10-12 days of controlled Blackout. When the EBS hits, you'll witness the fall of the media, banks, elite and their demonic empire. Martial Law will shield civilians, while truth floods every screen on Earth via the Star Link Satellite System.

The Storm was NOW.

Judy Note: For the past 12 years in my daily update, "*Restored Republic via a GCR*" I have tried to keep the public posted on the latest news regarding the Global Currency Reset and formation of the Restored Republic under concepts of the original Constitution.

The GCR and Restored Republic have now arrived. You should see it unfold this coming week. With the upcoming Ten Days of Darkness and takeover of the fake media by the military to publish real news, my Update will no longer be needed. I will be writing and publishing from time to time, information on the Satanic Ritual Abuse of children so rampant in our society.

For the past weeks because of hackers, I have been facing considerable challenges in getting my daily update out. I have no use of my emails and cannot send out, or read, what comes in. Until that can be worked out I will post on the internet newspaper *Before It's News* website: [Judy Byington - Bio Page | Before It's News](#)

A. What we thought we knew, but didn't really know, and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

As of Sat. 4 July 2026 the trap was broken. Your debts were legally null and void. The biggest lie you were ever told was that you owe them your life. The fiat currency system was officially dead. While you were reading this, the Quantum Financial System (QFS) was overwriting every Central Bank back end, from Bulgaria to America. They wanted you poor and controlled. C. Re-inhabited Republic For the United States of America

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

On July 4 2026 President Donald J. Trump would make an announcement of this change to a Sovereign Republic based on principles of the original Constitution in a massive Fourth of July Celebration of the Restored Constitutional Republic.

The Re-inhabited Republic for the United States of America is the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when a corporation took over Washington DC and eventually every level of government in the country. D. Possible Timing:

Fri. 3 July 2026: GESARA/ NESARA Protocols Broadcast: All mortgages, credit cards and student loans linked to usury were frozen for liquidation.

Sat. 4 July 2026: Behind closed doors the new Quantum Financial System has been infiltrating the Cabal's old SWIFT fiat currency infrastructure. Account freezes were real and the Military has been positioned for final transition. Also on 4 July 2026 at 11:12 UTC with the Military Tribunals begun, quantum financial keys overrode the legacy mainframe of the Vatican Bank and the assets of the corrupt were seized and redistributed to the Humanity Reclamation Fund. Every citizen would soon be allocated a secure digital vault backed by physical gold.

On Sun. 5 July at 06:13 am EST Operation Mass Arrest 0705 began: 847 federal judges, 456 CIA officials, 234 Senators/Congressmen & 678 FBI officials arrested. Global liquidity release.

On Tues. 7 July 2026 a Worldwide Debt Jubilee & RV of Currencies to Gold/asset-backed Activates. Law Enforcement shifts to Natural Law protections under concepts of the original Constitution. The revaluation (RV) of 209 countries' currencies to be gold/asset-backed comes fully alive. Debt Jubilee activation begins for those whose accounts have been cleared.

Wed. 8 July 2026: Hidden technologies, Tesla Free Energy and suppressed medical advancements (Med Beds) officially will be unveiled and released to the general public.

Thurs. 9 July 2026: Global celebration protocols enabled. Local communities organize Freedom Assemblies to distribute the first wave of Restoration Funds.

* **Mortgages & Debt ledgers:** Permanently detached from the central banking grid. The zero-out sequence is running.

* **The SWIFT protocol:** Completely bypassed. The digital ghost town has no path back to reality.

* **Your Quantum Vaults:** Fully calibrated. The new asset-backed valuation is ready to populate your screens

Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

E. Sun. 5 July 2026 THE ROMAN CACHE HAS BEEN BREACHED. THE LEDGER IS EMPTY. ...Tier4b ISO2022 on Telegram

At exactly 11:12 UTC, the quantum financial keys overrode the legacy mainframe of the Istituto per le Opere di Religione (The Vatican Bank).

This wasn't a cyber-attack. It was an automated asset liquidation mandated by the Global Alliance under the non-reversible ISO 20022 protocols. The centuries-old monopoly on the world's stolen wealth just dissolved in a fraction of a second.

Here is the raw data pulled from the deep-net tracking screens:

* **THE METRIC TON LIQUIDATION:** Over 14,000 metric tons of physical gold,

secretly held in subterranean vaults beneath the Holy See, have been electronically tagged and reassigned to the Restored Republic Treasuries.

* **THE BLACK BUDGET COLLAPSE:** The offshore accounts used to finance the deep-state matrix for the last two centuries were frozen mid-transaction. The fiat pipeline is dead.

* **TIER 4B INBOUNDS:** The gold backings are being routed into the secure distribution vaults as you read this. The calibration is complete. The old gatekeepers weren't asked for permission. Their decryption authorities were permanently revoked by the Quantum Financial System (QFS) the moment the clock hit the execution window.

They kept humanity in debt-slavery by backing their paper money with air and locking the world's real wealth in dark vaults. That game is over. The wealth of the earth is being returned to the living ledger.

The UK fell. France fractured. Canada is cleansed. Australia is secured. The Fed was severed. And now, the root of the spiritual and financial control system has been completely dug up.

F. Sat. 4 July 2026: It's over. While you are looking at the headlines, I am looking at the live ISO 20022 integration sheets. The migration didn't just start; it has already overtaken the legacy mainframes. I told you Tier 4B liquidities were positioning, and now the ledger is officially moving under my coordinates. ...Tier4b ISO 20022 on Telegram

Here is what I am seeing on the backend right now:

* **Mortgages & Debt ledgers:** Permanently detached from the central banking grid. The zero-out sequence is running.

* **The SWIFT protocol:** Completely bypassed. The digital ghost town has no path back to reality.

* **Your Quantum Vaults:** Fully calibrated. The new asset-backed valuation is ready to populate your screens.

I didn't layout the timeline to convince you. I did it so you wouldn't panic when the global reset forces the final update. You wanted a sign. I just gave you the entire map.

G. Save The Children:

Sun. 5 July 2026 In a recent Congressional Hearing whistle blowers testified that unaccompanied alien children were being trafficked and featured in catalogs from the cartels, like a shopping magazine, where virgins and younger children cost more

money, during Biden's open border. By the way, ZERO DEMOCRATS showed up for the hearing. ...Mr. Pool on Telegram

Sun. 5 July 2026 Hillary Clinton and the Clinton Global Initiative have recently been kicked out of Venezuela, where children are missing after the massive earthquake. The Clinton Global Initiative's partners were actively deploying humanitarian aid while kidnapping children. The Clinton family has a long history of exploiting children after disasters.

Sun. 5 July 2026 DISGUSTING: TIM WALZ & MINNESOTA PARDON ILLEGAL IMMIGRANT CONVICTED OF REPEATEDLY RAPING A 10-YEAR-OLD GIRL. A convicted child sex offender, illegal immigrant who admitted to abusing a 10-year-old for years, gets a pardon from Walz's board just as he's about to be deported. DHS calls it "disgusting." The victim's trauma ignored while they wipe his record to let him stay. This is what sanctuary state insanity looks like, prioritizing criminals over American children. Walz and the board owe answers. Zero tolerance for this. Deport criminal illegals. Protect our kids.

H. Sun. 5 July 2026 PIZZAGATE IS NO LONGER A CONSPIRACY ...Jim Caviezel on Telegram

The media has been lying long enough and they still do. It's not is it real or why would they? It's because, why wouldn't they? You can't just talk about horrific stuff and selling kids in emails. Especially when your a government employee. They may be some sick people, but they're not stupid, even though they mocked you for years right to your face, thinking they would never get caught.

It's time to start holding these people accountable and end this conspiracy nonsense, and for the media to come clean and stop lying to the people. This is why nobody believes a thing they say anymore and why their ratings are at their lowest in history.

Not only has the FBI known about these pizza and other words and symbology codes from the early 1990s from "Operation Innocent Images," an FBI sting that took down tons of online child sexual predators.

They also knew about Epstein and even hung up on a woman who was trafficked herself and had the proof to take down Epstein then, and this was back in 1996. The question is why? Why would they hang up?

The answer is because all this child trafficking and abuse has been going on for centuries. Archeologist even are finding evidence that this ties back to wealthy elite families and hierarchy structures of society and their actual development of them where elite families performed child sacrifice on the regular.

Some were literally born into these horrific satanic lifestyles with Satanic ritual abuse happening on the regular along with child sacrifice to the most elite intelligence agencies in the world using children as a blackmail tool to control world leaders, which is exactly what we are in the middle of today with our own government

officials, if they're not bribed or compromised already.

Child trafficking is big business and one child can be used multiple times a day, unlike drugs. RFK Jr. just confirmed that even the Biden/Harris administration with the cartels and their own HHS were heavily involved with child trafficking.

It's so big of a problem that cartels are now even fighting each other over plazas which is basically, "turf," or "property." Biden's HHS were even using taxpayer funds to fly these children with a CIA escort directly to their trafficker.

The point is Pizzagate was always real. There are code words for this kind of abuse and elite, wealthy government officials, celebrities, and an uptick in regular people are all involved, and it is now at a level that we have never seen before.

Multiple school teachers are now being arrested across the country for raping their own students every single day. Even our own officials in government are passing laws to reduce penalties if you sexually assault a child. Why would you ever pass a bill or law like that?

This problem needs to be addressed at a nationwide scale, by our government and taken care of or we, as a population, as a society, will never move forward. We can't have children being raped and murdered and our politicians blackmailed. Period.

I. Sun. 5 July 2026 Fox News: RFK Jr. CALLS OUT & TESTIFIES AGAINST THE BIDEN ADMINISTRATION'S INVOLVEMENT IN CHILD TRAFFICKING.

Everything transpiring is building up and showing you, the people, the truth. From the stolen 2020 election, the Autopen, the fake Russian dossier, Biden's mental decline, the open border, USAID, the riots, protests, and the massive child trafficking operation that has been going on for decades, etc.

The mainstream media denied and hid all of this and more for decades and lied to the American people, causing this great divide. But now, the people are waking up. They're not buying the lies and propaganda anymore. Sometimes, you can't just tell the people. You have to show the people. There is no way out of any of this. Once the trigger is pulled, it's over.

RFK Jr. testified that the Biden administration and Biden's own HHS handed missing and trafficked migrant children from other countries and the U.S. to unvetted or approved adults, including past child predators using empty lots stacked with shipping containers as fake addresses, strip clubs, factories, vacant addresses, without and oversight, background checks or ID verification.

They also recycled the same adults, repeatedly picking up different children using fake names and addresses. They even found single locations packed with missing migrant children in unsanitary conditions and in spaces extremely small

for the number of children found in a single location.

The evidence is clear. The pickup locations also included strip clubs and parking lots. These aren't just random child predators. These are sophisticated, global child trafficking operations, which include the cartels and our own governments involvement. This is what they've been hiding from you. This is the big secret.

Why do you think Justin Bieber was posting pictures of shipping containers with babies underneath them and eating pizza on Instagram? Why do you think Diddy owns locations right near shipping ports? Diddy's head bodyguard also owns a large property right off the U.S. and Mexico border, not too far from other shipping container locations.

Remember Haiti and the Clinton Foundation, Epstein? How do you think children get shipped all across the world and from different continents? Everything is connected in one way or another and leads to the same corrupt families and globalist deep state players. The evidence being exposed is monumental, and when it's go time, nothing will be able to stop what's coming.

J. Sun. 5 July 2026 Epstein BLACKMAILING AMERICA USING KIDS. The largest intelligence operation in the world that spanned over decades to blackmail the entire world. ...Jim Caviezel on Telegram

This is the complete breakdown and detailed, dot connecting truth of how Jeffery Epstein took over Robert Maxwell's spy records and Mossad position after he was murdered to continue a multi-decade operation from a religious generational plan to control world governments and to manipulate and mold society with Les Wexner at the top of the operation under Mossad military intelligence.

Wexner was not only the head of Jeffery Epstein and his source of funding, but they both also ran operations of their own with bizarre beliefs, like seeding the human race on top of the Mossad's primary objective of blackmailing world leaders to control the world, and to mold society and it's ideological means. Nothing is happening by mistake. It's been planned.

There was rumored to be a complete 10,000 sq. ft. underground area where operations took place with 24hr security as well as snipers guarding the entire property while some of the most horrific and secret operations took place underground, just like at Epstein's Zorro Ranch.

Epstein's island was also rumored to have a complete underground area as well, which we know for a fact that submarines were also used to transport guests and trafficked individuals.

Right before Epstein was arrested and raided he ordered a \$100K cement truck, paid for it up front, with priority shipping, and even offered to pay for any and all damages if they could expedite the delivery.

They were not only blackmailing politicians for world control, they were

going after everyone. Scientists and teachers at universities, etc. Their loyalty and overall mission for the state of Israel goes far beyond blackmailing a few politicians. There is ethnic cleansing and a complete religious takeover as it's end goal.

This isn't tomorrow's goal or plan. This is planned generations in advance. You can see it happening in real time without being obvious through wars and takeovers of governments including the United States.

Cleansing the world and molding society to their beliefs was the goal and still is. From Tavistock, to the Esalen institute, to Hollywood and every university, brainwashing and influencing society and our children.

Everything you see transpiring is connected to the powers that be, the elites, the bloodlines and wealthiest families in the world of people who honestly believe they are genetically superior to everyone else and have the right to rule over society.

The ones who say they are God's chosen people are not. They are imposters. Especially when your using children as blackmail tools and sexually abusing them for religious rituals to false Satanic gods.

L. Sun. 5 July 2026 Australia: THE SOUTHERN COMMAND IS JUST ACTIVATED. AUSTRALIA IS HEADLINE NEWS IN 24 HOURS. ...Tier4b ISO20022 on Telegram

Prime Minister Anthony Albanese has gone into hiding. The press pool is being told it's a "classified diplomatic security lockdown." BULLSHIT.

Elon Musk just dropped a bombshell on X, changing his location tag to Canberra and writing the single word "Purged." The data packet leak is already going around the private patriot groups and the mainstream channels are totally frozen, waiting for orders from a high command that no longer exists.

This is the unfiltered, unedited truth of what was extracted from the underground servers beneath Parliament House last night:

The International Maritime Alliance in collaboration with local military white hats initiated a forced seizure of the entire digital infrastructure of the Australian Treasury. They didn't come to negotiate. They carried quantum decryption keys.

What they found inside the system was not a financial ledger but a blueprint for total national liquidation.

The joint military intelligence task force has broken the confiscated data into three devastating tranches of treason instead of the usual political cover-ups:

TRANCHE 1: THE PACIFIC LIE

Encrypted GCHQ intercepts from June 2026 reveal a series of private wires totaling \$64 million that were routed directly from offshore accounts into the private trust funds of nine senior Australian ministers. The purpose? To artificially destroy the domestic farming industry and create a manufactured food shortage to force compliance with the globalist carbon-credit grid.

TRANCHE 2: The Sydney Protocol

A classified military briefing of July 1 shows that the Australian central banking backend was actively trying to block the mandatory ISO 20022 asset-backed

migration. They were preparing for a localized digital blackout to freeze all private retail accounts, hoping to blame a fictional “foreign cyber-attack” for public savings loss.

TRANCHE 3: THE EXCLUSION FILES

The last red line. Albanese’s signature was found on a co-signed treaty with the old UK and Canadian leadership, outlining a synchronized deployment of the military against their own citizens if the global restoration plan was announced. The Western Alliance indictments that have been unsealed perfectly match flight manifests and military logs.

The prime minister was met at his private residence by three high-ranking generals. There was no political deal on offer, no graceful exit.

He was given 6 hours to sign the unconditional devolution of power over the federal treasury to the interim military-civilian oversight board, or to board a transport plane immediately and face tribunals under maritime natural law.

There is total panic in the Canberra political grid. They are looking at the clock, and the clock is zero.

Goodbye UK. France is changing. Canada is clean. Tonight Australia is breaking.

The whole globalist spine has just been broken.

M. Sun. 5 July 2026 Fox News: Tulsi Gabbard, our Director of National Intelligence, is telling us our own intelligence community said MULTIPLE TIMES Russia COULDN’T hack our elections. Then Barack Obama OVERRODE them, pulled their findings, and fabricated his own.

“We had a situation here where in the, in the months leading up to the 2016 election, the intelligence community assessed, and this is what the documents detail, the intelligence community assessed essentially, Russia doesn't have the tools, the capability or the intent to try to change the outcome of the US Presidential election. Donald Trump pulls off a historic victory against Hillary Clinton in November of 2016.

Even in the days after that election, the intelligence community continued their consistent assessment that reflected the same thing in the months leading up to the election.

All of a sudden, in the early days of December, there was a President's daily brief that was drafted. This is put together by the different elements of the intelligence community that reflected that same assessment. Russia did not try to hack the election. In essence, that pdb, that document was pulled hours before it was supposed to be published for the president to see that following morning. That document was never

published until we released it yesterday.

One day later, President Obama calls a meeting of his National Security Council, his top officials, to be held on what they called a sensitive topic.

And the results of that meeting, which we released yesterday, and these over 100 documents that talk about in detail how President Obama and his team, he directed a manufactured piece of intelligence that detailed not if, but how Russia tried to influence the outcome”

Let me remind everyone, Tulsi Gabbard recommended Barack Obama to the DOJ for criminal prosecution 10 months ago

The charges she recommended were for Treasonous Conspiracy, Manufacturing and Politicizing Intelligence and Withholding and Leaking Classified Information

Tulsi Gabbard provided proof the DOJ with proof that Barack Obama orchestrated the Russia Collusion hoax and worked with the CIA to manufacture fake evidence

Where is the indictment? Trump got a legal loan and got indicted. They almost threw him in prison for multiple lifetimes

Barack Obama committed literal treason, documented treason, and nothing

N. Fri. 3 July 2026 The ROTHSCHILDS have just begun to lose control of the weather. ...New World Order on Telegram

For 47 years, they have controlled the skies through a network of 22 weather modification stations that could direct hurricanes, droughts, floods, and earthquakes, on demand, to any place on Earth.

The program was called "THRONE CLIMATE" and was funded by a labyrinth of NGOs, carbon credit systems, and "green energy" foundations, all connected to the same family office in Geneva that has controlled European banks since 1815. A few days ago, the last station was disconnected, seized in a military operation involving 6 nations that have never publicly acknowledged working together.

The weather is no longer a weapon. For the first time since 1979, the skies belong to no one. Every "natural disaster" of the last 47 years had a signature, a digital fingerprint embedded in the ionosphere that preceded it. HAARP researchers have detected it for decades. They were ridiculed, but they were right about everything: Hurricane Katrina: frequency trace detected 72 hours before impact; The 2010 Haiti earthquake has the same frequency signature, originating from a station in

Venezuela; The 2011 earthquake, signature attributed to a flagless ship operating in the Pacific. The ship's registration, obtained via "QFS maritime tracking," belongs to a company conveniently located in the Cayman Islands. The company's sole director: a family trust of the Rothschild family.

They didn't predict disasters, they ordered them. Why control the weather? Because the weather controls everything. Food prices, insurance markets, government stability, migration systems, election outcomes. They didn't need an army.

They didn't need murders. They needed rain or drought in the right place at the right time. \$4.2 trillion in "natural disaster" damages since 1979. Betting on the destruction they created. Harvesting the suffering they caused. For the first time in half a century, the rain will fall where it should fall.

P. Mon. 6 July 2026 US PATENT #10,556,120. FILED 2017. GRANTED 2020.
TITLE: "NERVOUS SYSTEM MANIPULATION BY ELECTROMAGNETIC FIELDS FROM MONITORS." ...Ten Days of Darkness on Telegram

This is not a conspiracy theory. This is a United States patent. Publicly searchable on the USPTO database. Filed by Hendricus G. Loos. Granted by the United States Patent and Trademark Office.

The patent describes a method to manipulate the human nervous system remotely using pulsed electromagnetic fields emitted from television screens, computer monitors, and mobile devices.

Read that again. A patented method to control your nervous system through the screen you are looking at right now.

It is not the only one.

US Patent #6,506,148 — "Nervous system manipulation by electromagnetic fields from monitors." Granted 2003.

US Patent #6,238,333 — "Remote magnetic manipulation of nervous systems." Granted 2001.

US Patent #6,091,994 — “Pulsative manipulation of nervous systems.” Granted 2000.

US Patent #5,159,703 — “Silent subliminal presentation system.” Granted 1992.

US Patent #3,951,134 — “Apparatus and method for remotely monitoring and altering brain waves.” Granted 1976.

Six patents. Exposed. On public record. Spanning 44 years of development. All describing technology to remotely influence, manipulate, or control the human nervous system through electromagnetic frequencies.

They patented the weapon. Then they put a screen in every hand, every home, every pocket, every classroom. And they told you it was entertainment.

Now understand why the MedBed matters beyond healing.

The MedBed does not just repair physical damage. It restores electromagnetic sovereignty. It recalibrates your nervous system to its natural baseline frequency—free from external manipulation. It clears the accumulated interference patterns stored in your neural tissue from decades of exposure.

A healed body is important. But a sovereign nervous system—one that cannot be remotely influenced—is dangerous to those who built their control system on electromagnetic manipulation.

This is why MedBed technology is classified. Not because it heals. Because it liberates. ...Q

U. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has been released from the Guernsey County Jail, but still facing charges of obstruction for harboring Kaitlynn, who ran away from Ohio Foster Care after seven years of being beaten, starved, refused medical care and other atrocities.

The intention of Ohio authorities appeared to be to prevent Jeannine from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, "Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!"

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, "I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation (I provided proof

of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand Jeannine’s immediate release.

W. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Day #1034 - behind enemy lines

Dear Patriot Friends and Family,

After 8 exhausting years, and 20+ court cases in Utah State Court (Provo, Utah), U.S. District Court (Salt Lake City), Tenth Circuit Court of Appeals (Denver), US Tax Court and The Supreme Court of the United States (Washington D.C.), and despite the facts and The Law and your kind prayers & signatures in our behalf, we have been denied justice in "Barbie & Ken vs Goliath IRS".

Therefore, we have now taken our cause directly to President Donald J. Trump, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter below received by Pres. Trump's office this morning.

Believe in Miracles!

 Jon McNaughton - (your portrait painter)

Dear President Trump,

We don't understand how you do it. To all those of us who stand in the battle of good vs. evil, you, sir, stand the tallest. Evil came close to completely destroying the greatest and longest lasting country in the history of the world, until you got in the way.

Like you sir, my wife Barbara and I too have stood up. Our patriot friends and supporters know us as "Barbie & Ken vs Goliath IRS". We admire your determination to crush and dismantle the IRS. But our stand against them has cost us dearly.

Our home was seized by an Obama judge without even a hearing, (case 2:17-cv-01223-RJS) The IRS auctioned off cheaply "Barbie's Dreamhouse" of 28 years. All our earthly possessions were thrown into 7 large dumpsters and buried in some unknown landfill. We were made homeless. Our great reputations were ruined. Our relationships with family (7 kids and 13 grandkids) and friends were compromised. And most importantly our freedom was taken from us. And if stealing everything wasn't enough, they stole our future claiming that we still owe them a fabricated \$753,028.65 in "restitution". Why? Because we had the courage to expose small town corruption and stood up against the the same heartless, tyrannical, and un-Constitutionally functioning infernal IRS, -- which thankfully you desire to permanently extinguish.

I write this letter to you from the Florence Federal Prison Camp where I've served 1,029 days on a 72-month sentence for laws I did not break and impossible IRS fines & penalties we'll likely never find a way to payoff. We believe that our Cedar Hills political enemies (where I served as an elected City councilman) had friends in the IRS. And like you Mr. President, just as we were on the verge bringing down their house of cards, they had the DOJ weaponized against us with their "lawfare".

You may be surprised to learn that coincidentally you and I were both in court fighting for our lives against the DOJ's effort to imprison us, during the exact same days in May of 2024 -- you in New York, and me in Salt Lake City. We couldn't afford to even consider hiring an attorney to defend us through 20-plus cases over 7 years. We don't know if we were inspired or crazy to attempt the impossible, but believing in the God of Miracles, we mounted the best defense we could. For example:

1. **You sir, successfully sued the IRS** and settled we understand for \$10 billion. Imagine me, in 2021, a non-attorney, suing the Commissioner of the IRS Charles Rettig in US Tax Court (case #15701-21), who I subpoenaed via his attorney requiring him to prove his claim against me. And although he was paid his two-days witness fees, Mr. Rettig did not show up nor return my money. I was successful enough to make IRS counsel admit they could produce no records to prove their claim. No surprise, they sealed the records, but only after I obtained court certified copies of my success.

2. **Visualize me** (at only 5' 5" like your friend Peter Navarro), sitting all alone during 8-days of trial as a non-attorney and humble film producer/director/writer (see attached Brief Bio) defending myself against a big high-powered prosecution team of four seasoned IRS/DOJ veterans in a climatic federal trial (case 2:23-cr-00159-HCN). A true David vs Goliath story.

3. **Image me subpoenaing the lead IRS investigator Mr. Walker, but the magistrate and judge would not allowing me to call him to the witness stand** to testify to the jury that the D.C. DOJ admitted that the statute of limitations had expired and that they couldn't prosecute me under Title 26, but did so anyway. The court denied my Sixth Amendment right to "compel" testimony "in criminal prosecutions" in my favor, despite the fact Walker was sitting at the prosecution table the entire 8-days of the trial.

4. **Visualize that during a climatic trial moment the prosecution brought in two IRS expert witnesses** -- 22 and 38 year IRS veteran agents to vilify me in front of the jury. When it was my turn, I cross-examined them with one simple question: "**Can you point to the law that requires me to file federal income tax?**" **Both agents confessed, "No sir, I cannot."** To which I replied, "No further questions." SCOTUS's 2024 decision that repudiated the "Chevron doctrine", does not allow the IRS to hide behind CFR 1.1-1 as law because Congress didn't write it, the IRS fabricated it. As you know sir, The IRS and The Fed are two of the most dangerous & destructive hoaxes in all of American history -- matching the old British tyrants from which our Founders declared independence.

Remarkably, after a grueling 8-day trial, my apparently sympathetic jury deliberated for 3 days. Surprise! The jury must have been fighting for me because they acquitted me on one count with "not guilty". But, because the jury was sworn-in to follow the judge's instructions that were factually incorrect, they had no choice but to find me "guilty" on the other two counts. Miraculously, on June 20, 2024, just sixteen days after the verdict, the Supreme Court came down with a epic decision in Moore et Ux v. US (602 US 572 (2024)) which explained what Constitutional federal income tax is, and what it is not -- which proved my defense was right. However, no surprise, the judge ignored that news and sentenced me anyway. You too Mr. President, know all too well what it means to be a victim of malicious DOJ prosecution.

Jon McNaughton, your political portraits painter friend, is our friend too (we've been to each others' homes and shared meals together). Jon kindly supported me by being at my devastating pre-Christmas sentencing on December 23, 2024. They sentence me and put me in prison, but it came so close to being you too, sir.

Attached you'll find a Petition to you, signed by 382 patriot friends and supporters seeking your Presidential Pardon. Even though we could've submitted it to you last year, we waited until after we got to the Supreme Court, even though it meant my staying in prison. We hoped to help bring down the IRS. Unfortunately, SCOTUS ultimately denied us Writ of Certiorari appeal a few days ago on June 1, 2026 [case 25-6931]. It appears that not enough Justices have the courage yet to face the certain Deep State firestorm that would result if they stood by their own findings in Moore and brought down the IRS. Remarkably, SCOTUS unanimously found that we haven't had a Constitutionally authorized federal income tax "since the Civil War"!

Barbara & I have now exhausted all our legal appeals in our 7-year pursuit of justice. We now come to you Mr. President seeking your help under the Constitution's Article II, Section 2 Clause 1, which gives you power to "grant Reprieves and Pardons for Offenses against the United States", for the reasons described above and the clear denial of a number of our Constitutionally protected, God-given rights. Will you please consider granting your lawful Presidential Pardon for "Barbie & Ken" -- Paul Kenneth & Barbara Ann Cromar?

Mr. President, on this July 4th, may we suggest that in your 250th Anniversary of the Declaration of Independence speech you could renew the Declaration against the modern day "red coats" IRS, the Fed, and all other traitors, both "foreign and domestic". Imagine the large signature of American citizen Donald J. Trump at the top of "The Declaration of Independence v2.0", inviting all Americans to join you in signing. This could be just the spark needed to ignite the fire of courage Americans need to wake-up, fight for their own liberty and take our country back. Mr. President, will you please consider standing as a modern-day American Moses, and light the fire of freedom by declaring, "Thus saith the Lord God, ...let my People go, that they may worship me" (Exodus 10:3) as opposed to worshipping Washington, D.C.?

David took "five smooth stones" and a sling with him into battle, but needed only one stone to take down Goliath. Barbara & I have used-up four of our smooth stones without success. Mr. President, will you please consider being our final fifth smooth stone and helping "Barbie & Ken", prevail over "Goliath IRS"? We look forward to being freed to rejoin you and other American patriots pursuing the divine "250th Anniversary Declaration of Independence 2.0" goal to "heal the land" (2 Chronicles 7:14) and Make America Great Again.

May God Continue to Bless You, Us & the USA,

Barbie & Ken Cromar

**Petition asking PARDON for
Paul Kenneth Cromar
as well as everyone else currently incarcerated
for IRS Tax Evasion**

**We request President Trump PARDON Paul Kenneth Cromar
of Cedar Hills, Utah,**

as well as everyone else who is currently incarcerated for IRS tax evasion.

We the undersigned, do respectfully request that President Donald J. Trump end the incarceration of everyone currently accused of IRS tax evasion as well as end the Cromars' courageous 7-year battle through 18 court cases to defend their Life, Liberty and Property from the tyrannical Internal Revenue Service (IRS) who fabricated a false claim that they owed \$1,053,028.68 to kick them out of their home and auction it off. Not unlike president Trump, the Cromars have suffered from the DOJ's prosecutorial misconduct. The DOJ/ IRS falsely promoted that the Cromars were "lying tax cheats".

However, NO one has ever been able to point to the federal income tax law they claim the Cromars broke; not even Utah State federal judges, prosecutors, IRS agents, but they convicted them of laws they did not break in their courts anyway. In the miscarriage of justice, Ken has been thrown in federal prison for the next 6 years.

It's clear these are false convictions because coincidentally the Supreme Court of the United States' newest tax ruling in Moore et Ux v. US (602 US 572 (2024)), which came out just days after Ken's conviction, now proves that it is the IRS' position that the 16th Amendment allows for "direct non-apportioned income tax" is FALSE, "frivolous" and un-Constitutional, and that Ken Cromar's position was RIGHT all along. (see attached Press Release)

We respectfully request that President Trump investigate and provide his immediate Presidential PARDON to Paul Kenneth Cromar as well as everyone else who is currently being incarcerated for IRS tax evasion, so they can be exonerated, vindicated and returned to their homes.

Signed, (384 Patriot signatures)

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. Y. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover

them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

Z. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:
