JULY 4, 1776 — JULY 4, 2026

250 years ago a group of men signed the US Constitution and Declaration of Independence, changing the World by declaring that every human being had the Right to Life, Liberty and the Pursuit of Happiness.

Judy Note: “The world is connected. All or nothing. Trust The Plan. The World is watching.” ...Q on Telegram

On Mon. 6 July 2026 the biggest week in human history began when the quantum system blocked the Cabal’s old fiat currency SWIFT System, causing a Global Currency Reset of 209 nations, plus Blackouts throughout Europe.

At the same time the price of Gold exploded as it backed the now-active Global Currency Reset. Med Beds would soon go public and the Emergency Broadcasting System would finally tell the World what really happened.

That Monday also began the greatest Military Sting Operation the World has ever known, engineered by President Trump’s Global Military Alliance of 200 plus nations. Right now Military units across the Globe were coordinating their destruction of the the Satan Worshipper Deep State Cabal Elite power structure.

A day prior on Sun. 5 July at 06:13 am EST Operation Mass Arrest 0705 began according to Pentagon sources. Deep State operatives were detained: 847 federal judges arrested for Treason, Corruption and Crimes Against Humanity; 456 CIA officials indicted for Assassinations, Drug Trafficking and Mind Control; 234 Senators and Congressmen arrested for Treason, Bribery and Election Fraud, plus 678 FBI officials arrested for Obstruction, Cover-ups and Corruption.

A large-scale purge of military and intelligence personnel was already underway according to an official US Military Report. It claims that 847 military officers, 234 Pentagon officials, 456 intelligence personnel, and 678 military contractors have been removed or detained as part of what supporters describe as an effort to eliminate corruption and restructure the defense establishment.

In addition, the White Hat Alliance high command have officially breached the central servers that hold the DNA-targeted tracking codes and patent logs. Every blackmail file, every synthetic virus blueprint, and every private ledger tracking the corrupt funds that flowed between Western pharmaceutical giants and Eastern production facilities was now in the hands of the Alliance commanders.

It was found that the Deep State financial and biological command centers ran through a highly encrypted, multi-generational banking network that connected Wuhan straight to the Khazarian operations in Israel.

Evidently for the last three decades, the Chinese Communist Party (CCP) has served as an administrative proxy for an elite group that managed global viral labs, human trafficking corridors, and synthetic financial weapons.

The bottom line: Big Pharma’s deepest black-budget operations in Wuhan were entirely funded and directed by the Khazarian faction operating behind the shield of Tel Aviv.

Big Pharma deadly lies exposed as FDA Commissioner Marty Makary confirms the agency purposefully suppressed data for 16 years to sell drugs and poison our children: <https://amg-news.com/breaking-medical-news-big-pharmas-deadly-lies-exposed-fda-commissioner-marty-makary-confirms-agency-purposefully-suppressed-data-for-16-years-to-sell-drugs-and-poison-our-children-video>

Behind all this corruption was the Illuminati Deep State Satan worshipping, Child Sacrificing Rothschild Family Power Structure that ruled over humanity through their control of the Global Financial System from Tel Aviv.

Secret treaties signed in Rome under the old empire had given the private Rothschild Central Banks the legal right to treat sovereign citizens as collateral. Through that vile practice the Rothschilds have controlled European banks since 1815, the American monetary system since 1913 and through use of a very high income producing international Child Sex Trafficking Ring run out of the Vatican.

The Rothschilds owned the Red Cross, which was a symbol of the Knights Templar that acted as their Vatican hub for child trafficking, organ trafficking, Adrenochrome and money laundering. The Rothschilds in Iran and Israel were the largest organization in the trafficking of humans, especially in their use of the Vatican's Child Sex Trafficking Ring.

The Rothschild Family was suspected to be behind the Venezuelan earthquakes believed caused by DEW (Direct Energy Weapon) attacks. The Rothschild connected Clinton Foundation had been caught kidnapping and trafficking abandoned children of the man made disaster.

For the past 47 years through their Non Government Organizations (NGOs) funded by US Taxpayer monies, the Rothschilds have controlled the skies through a program called Throne Climate - a network of 22 weather modification stations that could direct hurricanes, droughts, floods, and earthquakes, on demand, to any place on Earth.

To keep in power over The People the Rothschilds ran the Vatican's Child Sex Trafficking Ring, Epstein, Epstein Island and the blackmailing of politicians in Congress.

The treaties that gave the Rothschild private Central Banks the legal right to treat sovereign citizens as collateral, have been declared null and void under Maritime Natural Law.

A few days ago, Trump's Global Military Alliance of six nations disconnected the Rothschild's weather modification system.

On 27 Jan. 2026 the US Space Force, under direction of President Trump, seized the infinite silver vaults beneath Greenland — that for centuries had been protected by Satanic bloodlines. With the gold/asset-backed Global Currency Reset

going live on **Sat. 4 July**, the price of gold exploded past \$5,100, while Silver prepared to rise vertically.

When the Rothschilds were shut down in Iran, the Rothschilds in Israel would also be closed, as would Israel's running of the Vatican's Child Sex Trafficking Ring.

B. Judy Note: For the past 12 years in my daily update, "*Restored Republic via a GCR*" I have tried to keep the public posted on the latest news regarding the Global Currency Reset and formation of the Restored Republic under concepts of the original Constitution.

The GCR and Restored Republic have now arrived. You should see it unfold this coming week. With the upcoming Ten Days of Darkness and takeover of the fake news media by the military to publish real news, soon my Update will no longer be needed.

I will continue to write the *Restored Republic via a GCR Update* until then. Afterwards I will be writing articles and publishing books - the subject of which will surround a mission which I have been called to do: Expose the Satanic Ritual Abuse of children that is so rampant in our society. C. Tues. 7 July 2027 IMMINENT For weeks the grid has been whispering the same pattern: banks “pause,” satellites “recalibrate,” tickers “glitch,” courts “seal,” anchors “out sick.” **That’s not noise. That is staging.** ...Christian B. Wallace Tier 4B Martial Law on Telegram

WHAT IS COMING

- **Worldwide blackout** in rolling waves. Not every city at once. It will look random. It is not.
- **Martial Law** overlay to keep streets quiet while the old rails are drained.
- **Mass arrests** that will appear as resignations, illnesses, flight delays, cancelled pressers.
- **Global Currency Reset** that flips value from paper promises to asset weight.
- **Freedom from Cabal debt** as legacy ledgers convert to zero or fulfilled.

WHAT YOU WILL SEE FIRST

1. **Local power flickers** followed by identical “maintenance” notices across unrelated providers.
2. **News channels** looping the same frame. No live panels. No call-ins.
3. **Payment apps timing out at login**, then reopening with a “new terms” screen.
4. **Airport boards that show “ON TIME”** while terminals are held at the gate.
5. **A short tone on radio and TV**, then a quiet screen. Do not panic. That is the bridge.

WHAT IT MEANS

The blackout is the curtain so the crew can change the set. Martial Law is the lock so no one runs the old tricks. The arrests are the receipts that everything you suspected was not only real, it was systemic. The currency reset is the power cord finally plugged into the right outlet. Debt freedom is the first breath after years underwater.

HOW TO MOVE THROUGH IT

- **Charge devices now.** Screenshot critical info. Keep one device in airplane mode.
- **Turn off auto-updates** after the first tone. You do not need a surprise patch mid-sequence.
- **Cash on hand for 72 hours.** Water, light, calm.
- **Do not chase rumors.** Markers will be simple and public.

MARKERS I WILL POST

- **Market feeds that return “DATA VOID”** for more than 6 minutes.
- **Government portals** that show 888.88 or 0000.00 in place of numbers.
- **The first tribunal docket timestamp.** You will know the names.
- **QFS wallet** prompts that pair to biometric identity without SSN.
- **GESARA credits** labeled “reconciliation” or “fulfilled.”

AFTER

When screens return, balances will not look like yesterday. Student debt and revolving credit show closed. Mortgage entries say fulfilled or reconciled. Pension values float to a gold index instead of dollar inflation. You will feel the room change before you understand why.

Do not let fear write the story for you. The cabal sold you a lifetime lease on your own future. That contract is about to be void.

D. Tues. 7 July 2026: THE CHEYENNE MOUNTAIN COMPLEX HAS LOCKED OUT THE SHADOW SPECTRUM. SYSTEM DISCONNECT IMINENT....Martial Law on Telegram

The sudden, unannounced military exercises and air-traffic re-routing over the Colorado sector today have nothing to do with standard defense drills. While the public is instructing their attention toward the surface operations at the Denver International Airport, the real operational shift is occurring deep inside the granite bunkers of the Cheyenne Mountain Complex. The corporate media pools are already staging a cover story regarding a "critical atmospheric satellite calibration error," but the decrypted backend data logs reveal an absolute tactical execution.

At exactly 15:44 EST, a joint task force of Alliance White Hats permanently overrode the primary server matrix of the old NORAD tracking grid.

The legacy deep-state operators have officially lost their administrative clearance codes, and the entire orbital surveillance net has been migrated onto the secure Quantum Starlink system. Here is the unedited technical trajectory of what hits our reality next:

THE D.U.M.B.S. DISCONNECT: The subterranean high-speed transit loops connecting the Denver bunker vaults to the Cheyenne mountain command centers have been physically sealed. Alliance engineering units have isolated the lower levels, cutting off the elite's primary "continuity of government" exit routes and securing the encrypted logistics ledgers of the shadow infrastructure.

PROJECT ODIN ENFORCEMENT: The old corporate satellite tracking grids are being systematically dark-mapped. The Quantum system has initiated a non-reversible override on the primary media relays. Any broadcasting network or communication hub that is not anchored to the clean, gold-backed ISO 20022 security protocol is scheduled for a hard termination by midnight.

THE BLACKOUT TRADITION: The transition to the Tesla free energy grid is entering its primary phase. The old matrix power grids are calibrated to undergo a brief, controlled global calibration period. During this window, the traditional narrative streams will go silent, replaced instantly by the 10-country Emergency Broadcast System (EBS) to deliver unsealed military court files directly to the population.

Look closely at the irregular flight groundings and the sudden, silent withdrawal of high-ranking administrative personnel from restricted government zones across North America tonight. Their authority certificates are dead, and their grid is short-circuiting.

They constructed an underground empire to insulate themselves from the

collapse they manufactured for humanity.

But the master keys have been turned from the inside, the validation metrics are live, and the old architects have officially run out of broadcast range.

The lower levels are neutralized. The final frequency is active.

Tues. 7 July 2026 Shockwaves from the Deep State Cabal's BlackRock liquidation (caused by the Global Currency Reset on **Sat. 4 July 2026**) hit the global venture capital hubs hard. The algorithms they used to manipulate public perception, control legacy media outlets and engineer fake inflation numbers have been overwritten by the new Quantum system protocols. Every fraudulent corporate claim over public utilities, water rights and family homesteads was being declared legally null and void under natural justice mandates.

On Mon. 7 July 2026 USA Awakening on Telegram reported that Australian Prime Minister Anthony Albanese had resigned and then promptly disappeared. The White Hats and International Maritime Alliance had seized the Australian Treasury after they found: (1) \$64 million routed to nine senior Australian ministers for the purpose of destroying Australian domestic farming so as to create a food shortage, (2) a plan to block the Global Currency Reset, (3) a plan to deploy the military against their own Australian citizens if the global restoration plan was announced.

On Tues. 7 July 2026 it was French President Emmanuel Macron who was given the ultimatum of 24 hours to surrender his keys to the provisional military-civilian council, or he would be charged with treason under the emergency maritime codes. The French Directorate General for Internal Security had found Macron looting the nation's gold reserves to bail out the Deep State (1) Within hours of the Global Currency Reset going live Macron authorized €89 Billion in physical assets be moved out of the country to hidden offshore accounts. (2) Macron then authorized a controlled shut down of the grid to erase the digital footprints of the theft. (3) Macron was working with 14 European central bankers who run the debt slavery matrix. They were tied to blackmail operations that have been used to keep European leaders in line for a decade.

Tues. 7 July 2026 Australia is finally admitting that sunscreens are made with cancer causing fragrance chemicals, parabens, chemical solvents and petroleum.

F. Tues. 7 July 2026 THE LIGERIAN COMMAND HAS JUST INITIALIZED. PARIS IS IN ABSOLUTE OUTAGE WITHIN 12 HOURS. ...Emergency Broadcast System on Telegram

President Emmanuel Macron has vanished from the Élysée Palace grid. The state broadcasters are frantically cycling pre-recorded footage of his past addresses, claiming he is in an "undisclosed strategic security consultation." BULLSHIT.

General Thierry Burkhard, Head of the French Armed Forces, just updated his encrypted military network profile with a single symbol: the Cross of Lorraine, flipped upside down—the historical code for the total termination of a corrupt regime. The classified data packets are already flooding the European patriot underground, and the major news networks are in a state of absolute catatonia, waiting for broadcast scripts from an administrative hub that has been completely liquidated.

This is the raw, unedited telemetry extracted during the tactical raid on the central command vaults beneath the Ministry of the Armed Forces in Paris last night:

A coordinated operation between the European White Hat Division and elements of the Foreign Legion initiated a forced physical breach of the French Central Bank's digital routing system. They did not come with legal petitions. They came with absolute operational execution warrants.

What they pulled from the mainframe was the definitive blueprint for the manufactured chaos of Western Europe.

The military tribunal command has categorized the intercepted data into three terminal zones of high treason to prevent any further political manipulation:

OPERATIONAL ZONE: THE MEDITERRANEAN BLACK BUDGETS

Encrypted wire logs from late June 2026 expose a dark-pool financial network that routed over €112 million from the French public treasury straight into private accounts in Zurich and Luxembourg. The objective? To fund the upcoming artificial energy grid shutdowns in southern Europe, designed to trigger a forced rationing system and weaponize the cost of living against the sovereign population.

OPERATIONAL ZONE: THE BRUSSELS DISCONNECT

Classified internal comms from July 3 reveal that Macron's inner cabinet was working on a secret emergency decree to bypass the mandatory ISO 20022 asset-backed banking migration. They were preparing a total systemic freeze of all private French commercial banks to trap public liquidity, with the explicit plan to blame a "hostile state cyber-offensive" to cover up the massive insolvency of the Eurozone.

OPERATIONAL ZONE: THE MARITIME ARREST WARRANTS

The final red line. Macron's personal authorization was found on a classified security annex outlining the active deployment of foreign mercenary groups against French citizens if public unrest spiraled out of control following the collapse of the financial sector. The Alliance indictments have been unsealed. The flight paths over Paris are completely frozen; corporate politicians are not leaving the sector—they are being systematically processed.

The President was intercepted by four high-ranking officers at a private airfield outside Paris. There was no political diplomacy on the table, no backroom compromise.

He was given a binary choice: sign the immediate, unconditional devolution of administrative authority to the military-civilian restoration council, or step into a tactical transport bound directly for maritime legal processing.

The political infrastructure in Paris is in a state of unedited, total panic. They are looking at the tactical countdown, and the counter is at zero.

The UK is gone. Canada is clean. Australia is secured. Tonight, France is being rebooted from the core.

G. Tues. 7 July 2026: URGENT PROTOCOL: CORPORATE LOCKOUT ACTIVE GLOBAL WIDE. READ TODAY'S DRILL. ...Mr. Pool on Telegram

The corporate panopticon is officially breaking down, and the

shockwaves from the BlackRock liquidation are hitting the global venture capital hubs like a category five hurricane. Three hours after the initial server seizure, the boardrooms in New York, London, and Tokyo are in a state of absolute, unedited terror because their access codes no longer communicate with the global ledger.

The algorithms they used to manipulate public perception, control the legacy media outlets, and engineer fake inflation numbers have been completely overwritten by the new Quantum system protocols. Every fraudulent corporate claim over public utilities, water rights, and family homesteads is being declared legally null and void under natural justice mandates.

The mainstream networks are frantically trying to stage a massive "global tech-glitch" narrative to explain why corporate trading networks and banking backends are freezing up behind the scenes. They are terrified because they cannot hide a structural collapse of this magnitude from the waking masses. The asset pools that used to fund the deep-state control mechanisms are already being redirected into the secure sovereign distribution channels for the Tier 4B liquidity vaults.

They designed the matrix to be inescapable, ensuring that every single hour of your hard labor paid for their corporate debt-machine until the end of time. But the machine just lost its power supply, the titles are being cleansed in real-time, and the old world is out of broadcast range.

Open your eyes. The corporate empire is offline tonight. Now it's French President Emmanuel Macron who was given the ultimatum of 24 hours to surrender the keys to the provisional military-civilian council, or he would be charged with treason under the emergency maritime codes.

The French Directorate General for Internal Security had found Macron looting the nation's gold reserves to bail out the Deep State (1) Macron authorized €89 Billion in physical assets be moved out of the country to hidden offshore accounts within hours of the Global Currency Reset going live. (2) Macron authorized a controlled shut down of the grid to erase the digital footprints of the theft. (3) Macron was working with 14 European central bankers who run the debt slavery matrix. They were tied to blackmail operations that have been used to keep European leaders in line for a decade.

Macron was calling for an emergency transition of power. Two weeks ago, under the radar, the French Directorate-General for Internal Security (DGSI) picked up encrypted servers running through the central banking apparatus of Paris. It was not politics. It was about outright looting of the nation's sovereign gold reserves to bail out a collapsing fiat dark-pool.

Operation Triskelion was launched by White Hats in the French military command on June 29. What they found in those sealed quantum logs made his survival impossible.

I am told that the classified DGSI dossier handed over to the military high command on July 1 contains 3 catastrophic categories of evidence:

CATEGORY A: Direct ledger sign-offs from Macron's inner cabinet authorizing the movement of €89 Billion in physical assets out of the country to hidden offshore accounts within hours of the financial system migration going live. Signatures. Black budgets.

CATEGORY B: Interception of satellite communications from Paris to old WEF communication nodes, mapping a controlled shut down of the grid to erase the digital footprints of the theft. Starlink command logged and passed to alliance 30 June, 2026.

CATEGORY C: The secret list. 14 European central bankers who run the whole debt slavery matrix. The files tie them directly to the blackmail operations that have been used to keep European leaders in line for a decade.

The mainstream media is trying to spin the narrative but the panic in Brussels is real. Elon Musk just posted a clock emoji. He knows about the timeline. He's seen the data packets.

This is not a French crisis. This is the European Cabal being destroyed structurally, piece by piece. UK dropped on Monday. France is coming apart tonight. And the panic is moving west. Next, watch Canada. Justin Trudeau is staring at a blank wall.

H. Sun. 5 July 2026 17:40 EST Intel Transmission

The global proxy war you see on the news is a coordinated theatrical distraction. While the masses are focused on standard border disputes, the true financial and biological command centers of the Deep State are being systematically dismantled.

The master matrix doesn't run from Washington or Beijing. It runs through a highly encrypted, multi-generational banking network that connects Wuhan straight to the Khazarian operations in Israel.

My military intelligence sources have just decrypted the backend routing logs from the primary bio-tech mainframes.

The lines are undeniable: Big Pharma's deepest black-budget operations in Wuhan were never controlled by China. They were entirely funded and directed by the Khazarian faction operating behind the shield of Tel Aviv.

For the last three decades, the Chinese Communist Party (CCP) was systematically subverted from within, serving as an administrative proxy for an elite group that managed global viral labs, human trafficking corridors, and synthetic financial weapons.

Look at the unannounced flight patterns and absolute communication blackouts over specific high-security zones in the Middle East right now.

The White Hat Alliance high command didn't just target the Central Banks; they have officially breached the central servers that hold the DNA-targeted tracking codes and patent logs.

The narrative controllers are in absolute panic because their primary biological leverage over humanity has just been neutralized.

Every blackmail file, every synthetic virus blueprint, and every private ledger tracking the corrupt funds that flowed between Western pharmaceutical giants and Eastern production facilities is now in the hands of the Alliance commanders.

They wanted to engineer a permanent cycle of artificial pandemics and digital health passports to keep your physical body locked in their grid forever.

Now, the military tribunals have the complete master key, and the entire Khazarian-CCP control apparatus is short-circuiting in broad daylight.

The financial collapse was phase one. The total exposure of the biological handlers is phase two.

The old world order has completely lost its transmission range.

I. Tues. 7 July 2026 BOOM! THE SECRETS OF GREENLAND AND VENEZUELA EXPOSED - SUPER SOLDIERS ARE NO LONGER A THEORY - HELLO SILVER, THE FINAL PHASE HAS BEGUN ...USA
Awakening on Telegram

Patriots, the veil has just been torn in the last 48 hours. What was dismissed as a “conspiracy theory” has now been CONFIRMED by multiple Tier 1 sources within the Alliance.

Greenland isn't ice - it's a massive D.U.M.B. fortress that houses the Cabal's most horrific black projects: super soldier programs, Adrenochrome labs and exotic technology that makes medical beds look like toys.

Venezuela was the main extraction center for children who flew directly into Greenland's underground mazes through black triangles and underwater tunnels that connect directly to Antarctica.

The Super Soldiers Program Is Fully Exposed - These Are No Longer Humans. They're programmable killing machines enhanced with CRISPR, alien DNA hybrids and neural lace stolen from DARPA's Looking Glass technology. Thousands were activated during the fake pandemic to enforce martial law that never came.. because Trump and the White Hats triggered the counter-operation first.

But here's the bomb: HI HO SILVER is the code name for the largest transfer of wealth in human history. The infinite silver vaults beneath Greenland — protected for centuries by bloodlines — have been SEIZED by Space Force special

operators as of **Jan. 27, 2026**. Here's the real reason gold exploded past \$5,100 this week. Silver is preparing to rise vertically when QFS turns on the switch and backs up every digital asset with physical precious metals extracted directly from the Cabal's own treasures.

Venezuela's collapse was deliberate - they were draining the last of the Maduro Cartel Tunnels leading to the Greenland portal.

GITMO is overflowing with high-value targets that know the location of the remaining hybrid soldiers still in stasis. The Marines are after them right now. When the latter is neutralized, EBS will go into operation.

Children rescued off Greenland are being treated on Med Beds on the USNS Mercy and Comfort class ships positioned off both coasts. Some of these kids were born into programs - they've never seen the light of day. But they're watching it now, patriots. They're watching it because WE never give up.

The Alliance just sent the final message to the Cabal's latest cuts in Davos and Brussels: Your super soldiers are off the line. Your money is gone. Your tunnels are being flooded. Your time is up.

Ten days of darkness aren't coming - they've already begun for them. The blackout they are seeing in Europe right now? That's not "network issues." That's the quantum system blocking SWIFT forever.

Hold the line tighter than ever. Biggest week in human history began yesterday When Silver Moons, VR explodes, Med Beds go public, and the Emergency Broadcasting System finally tells the world what really happened.

**The storm has landed.
The kids are free.
The cabal is bankrupt.
God wins.**

M.Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

N. THE HIDDEN WEALTH SYSTEM IS COLLAPSING AND YOUR VALUE IS BEING RESTORED ...Christian B. Wallace Tier4b ISO20022 on Telegram

For decades, a structure operated behind the surface of everyday life, a system built not to serve you, but to extract value from you. What you believed were ordinary documents, like a birth certificate or a social security number, were actually entries in a financial mechanism you were never meant to access or understand.

This system was called the Cestui Que Vie Trust, created the moment you were born. Your “certificate of live birth” wasn't just a record, it was a securitized

bond. Your name was converted into a corporate identity, a tradable asset used as collateral across global markets. Your labor, your future earnings, even your legal existence were quietly monetized without your consent.

But that world is ending.

Under the NESARA/GESARA framework and the rise of the Quantum Financial System (QFS), the hidden wealth extracted from generations is being traced, audited, and prepared for return.

The QFS is not a bank. It is a biometric, quantum-ledger structure that identifies every fraudulent transaction attached to your straw man identity and reverses it.

This transition does not simply reset currency. It restores sovereignty. Your name is not a corporation. Your identity is not collateral. Your value was never theirs to take.

Forensic audits uncovered in military tribunals show how governments, banking institutions, and foreign exchanges traded hidden trust funds tied to millions of citizens. These trusts - often worth vast amounts - were leveraged, borrowed against, and quietly transferred through international settlement systems. The public was never informed, and no permission was ever asked.

QFS changes that permanently. It records every stolen ledger entry, every hidden bond, every artificial debt placed on your legal fiction. And when activation is complete, your access will come through biometric QFS wallets linked directly to your DNA and frequency signature. This eliminates identity theft, banking control, or any third party standing between you and what is yours.

Projected restitution amounts, based on age and trust history, are already aligned with QFS protocols:

Individuals born before 1964: eligible balances exceeding 60 million dollars.

Individuals born 1964–1980: approximately 37 million dollars.

Individuals born 1981–2001: approximately 22 million dollars, with pathways for legacy expansion.

These are not gifts. They are repayments. Repayments for decades of unlawful taxation. Repayments for generational extraction. Repayments for value taken through a system you never agreed to enter.

As the transition nears full activation, quantum vaults are syncing, legal structures are collapsing, and the old system - built on debt and deception - is losing its final leverage. You won't hear this from the media, and traditional banks cannot confirm what is outside their control.

But the truth remains: You were never poor. Your value was hidden. And

now, it is being returned.

Stay observant. The structure that once owned your identity is dissolving, and a sovereign financial world is emerging in its place.

O. Re-inhabited Republic For the United States of America

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. was dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

P.Tues. 7 July 2026: Trump and his administration's focus on Patriotism and American pride, is not just for show. ...Pastor Bob Joyce (Elvis?) on Telegram

Trump and the US MIL are counteracting the decades of psychological demoralization and subversion inflicted by the Left/MSM. The Deep State used their control of media to intentionally degrade and destroy American pride, along with our culture, our beliefs, our religion, our institutions, our history, our food supply, our schools, everything.

Why did they do this? Because the Deep State were attempting to conquer this nation from within, and they legitimately fear the American spirit and the 2nd Amendment. The Deep State accurately view the American People as the most formidable People on Earth to conquer, not just because of our weapons, but because of our pride in our nation, and our willingness to fight and die for it. The American People are standing in the way of their plan to implement a one-world government.

The enemies of humanity know that the American People will not willingly let globalism and tyranny take hold, so the Deep State attempted to psychologically destroy the American spirit, so we would be easier to fully conquer when the time came, which was going to be during Hillary's term, but Trump won and ruined their 16 year plan.

This is why the Dems and their voters are openly anti-American. They have been brainwashed and conditioned for years to hate America, because the Deep State intend to replace our nation with something else.

So this Independence Day, and all days moving forward, I'm asking my fellow Americans to make a conscious effort to show and restore our nation's pride, because it is quite literally a matter of National Security. Evil forces are attempting to conquer us from within, and they are targeting our Patriotism, because they view it as a threat.

Do not let them succeed. Never let them convince you this land is not worth fighting for.

R. Tues. 7 July 2026 Pure Evil Unleashed! The Ohio 'House of Horrors' Shattered – 16 CHILDREN RESCUED From a Deplorable 12×12 Dungeon! The Deep, Dark Secret America Never Saw Coming! ...Mr. Pool on Telegram

A real-life house of horrors has been shattered in rural southern Ohio. Sixteen children from 18 months to 18 years were rescued from a filthy 12 by 12 foot dungeon in a dilapidated Hamden home. A routine search warrant by the Ohio Bureau of Criminal Investigation and Vinton County Sheriff's Office exposed years of hidden torment that officials called pure evil.

For at least four years the children were locked in that single tiny room surrounded by human excrement, rotting garbage and suffocating filth. They remained completely isolated from the outside world. The conditions made them appear almost feral. Several cannot speak at all due to failed speech development. None attended school and remain illiterate. The eldest, an 18-year-old girl with severe developmental disabilities, cannot even write her own name.

Ohio Attorney General Andy Wilson expressed horror at a press conference, stating he could not get the smell off of him and highlighting the severe psychological toll on investigators. Seven children needed emergency care in Columbus hospitals, two by helicopter airlift. Another day inside would have caused multiple deaths. Vinton County Sheriff Ryan Cain noted livestock had better conditions and called the scene disgusting.

The family evaded detection for decades by moving across southern Ohio

and Wisconsin, avoiding records to hide the children. Neighbors three houses away for six years never saw any child there.

Four family members face sixteen counts each of second-degree felony child endangerment causing serious harm. They are Gary Siders Sr. (73), grandfather; Christina Siders (67), grandmother; Gary Siders Jr. (36), alleged father; and Elizabeth Siders (33), alleged mother. Each has a \$300,000 bond. The children are in Ohio Department of Job and Family Services custody and now receive needed medical and psychological care.

T. Tues. 7 July 2026: THE CIA & USAID PLAYBOOK FOR THE LA RIOTS. ...Jim Caviezel on Telegram

Classified documents have been uncovered that reveals how the CIA plans out and sets off riots to destabilize governments. As for civil unrest here in the US, Department of Homeland Security Secretary Kristi Noem claimed on Monday that demonstrators in Los Angeles were being paid and that the ongoing riots were part of a professional operation.

'These are organized. These are people that are being paid to do this. You can follow how they behave, the signals they give to each other in these crowds and these protests to instigate violence,' - Kristi Noem

Noem claimed the Trump Administration now has evidence that the Los Angeles riots are an organized plot against the US government but did not reveal what they had found out.

These declassified documents were recently brought to light that protesters in Los Angeles were being paid thousands of dollars to riot against the Trump Administration.

In a 92-page 'playbook' written in 1983, officials mapped out how they would pay criminals and other 'agitators' to ramp up anger among ethnic minorities and students with the goal of having them riot in the streets.

The secret CIA dossier exposes its playbook for hiring professional

protestors to start violent riots which are then used to topple and takeover governments. This is Operation Gladio, and it's been going on for decades.

USAID explicitly organized riots then blocked even the CIA's top analyst and Congress from asking questions because "people will die" if anyone found out. The "peaceful protest" facade is just a mask for a planned, and highly funded, color revolution on our own government.

The JFK files showed and exposed the secret CIA dossier and their playbook for hiring professional protesters to start violent riots. Mass propaganda, Political/Psychological warfare, Biological warfare, Global media control, Regime change, etc.

There's so many obvious connections from back then to now which expose exactly how they do it, while they continue doing it today. It's the same dog doing the same tricks, and the majority of it is from taxpayer dollars in the form of "humanitarian aid." This is why USAID and other programs were so important to them, to be exposed to show the people, and to shut off their money machine.

The CIA document, declassified in 2023, explained how agents would take control and organize mass gatherings and steer them towards violence against governments believed to be acting against the interests of the US intelligence community.

The control of mass meetings in support of guerrilla warfare is carried out internally through a covert commando element, bodyguards, messengers, shock troops (incident initiators), poster carriers (also used to give signals), and slogan shouters, all under the control of the external commando element,' CIA officials wrote.

Intelligence officials broke down this plot into several steps, starting with a 'front organization.' Guerrillas infiltrate groups like labor unions or student organizations, secretly controlling them to push anti-government ideas.

U. Tues. 7 July 2026 PENTAGON REBRANDED TO DEPARTMENT OF WAR. MILITARY TAKEOVER OFFICIAL. DEEP STATE MILITARY PURGED. THE FINAL PHASE BEGINS. ...USA Awakening on Telegram

July 5, 2026 – 10:45 AM EST. According to the report, after the House Armed Services Committee approved a \$1.15 trillion defense bill, Pentagon sources claim Operation Department-of-War-0705 has officially begun. The report alleges that the Pentagon is being rebranded as the Department of War, describing the move as the beginning of a complete military restructuring.

Supporters of the report claim the rebranding signals direct military control over federal institutions, expanded wartime authority, the removal of what they describe as Deep State military officials, and the appointment of a new generation of patriotic commanders. According to the report, this marks the official start of a new military command structure.

The report also claims that the newly approved \$1.15 trillion defense package is intended to fund large-scale military operations, expand military infrastructure, strengthen intelligence capabilities, and support future military tribunals. According to the claims, the funding will also be used for global deployments and the restructuring of military facilities.

Another major development highlighted in the report is the meeting between Israeli Defense Minister Dan Katz and Joint Chiefs Chairman Dan Caine at the Pentagon. According to the report, the meeting represents expanded military coordination between allied nations, including cooperation on operations in the Middle East and broader international military planning involving dozens of countries.

The report further alleges that a large-scale purge of military and intelligence personnel is already underway. It claims that 847 military officers, 234 Pentagon officials, 456 intelligence personnel, and 678 military contractors have been removed or detained as part of what supporters describe as an effort to eliminate corruption and restructure the defense establishment.

According to the report, the operation has progressed through multiple phases, beginning with intelligence gathering and covert surveillance, followed by coordinated extractions, federal restructuring, and what it describes as global military reform. The report claims the current stage represents the transition into the Department of War phase.

Supporters quoted in the report argue that the alleged restructuring has triggered panic among Deep State officials, claiming military leadership has now assumed full control while arrests and investigations continue.

The report concludes by describing this as the beginning of the final phase of a broader military operation, asserting that the previous system has come to an end and that a new military order is now taking shape.

Za. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has been released from the Guernsey County Jail, though still faces charges of Obstruction of Justice for harboring her abused daughter Kaitlynn. After seven years of suffering beatings, starvation for a year, refused medical treatment and other atrocities while in the Ohio Foster Child System, Kaitlynn and ran away to the protection of her mother.

The intention of Ohio authorities appeared to be to prevent Jeannine and Kaitlynn from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, "Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!"

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, “I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

Jon McNaughton - (your portrait painter)

Dear President Trump,

We don't understand how you do it. To all those of us who stand in the battle of good vs. evil, you, sir, stand the tallest. Evil came close to completely destroying the greatest and longest lasting country in the history of the world, until you got in the way.

Like you sir, my wife Barbara and I too have stood up. Our patriot friends and supporters know us as "Barbie & Ken vs Goliath IRS". We admire your determination to crush and dismantle the IRS. But our stand against them has cost us dearly.

Our home was seized by an Obama judge without even a hearing. (case 2:17-cv-01223-RJS) The IRS auctioned off cheaply "Barbie's Dreamhouse" of 28 years. All our earthly possessions were thrown into 7 large dumpsters and buried in some unknown landfill. We were made homeless. Our great reputations were ruined. Our relationships with family (7 kids and 13 grandkids) and friends were compromised. And most importantly our freedom was taken from us. And if stealing everything wasn't enough, they stole our future claiming that we still owe them a fabricated \$753,028.65 in "restitution". Why? Because we had the courage to expose small town corruption and stood up against the the same heartless, tyrannical, and un-Constitutionally functioning infernal IRS, -- which thankfully you desire to permanently extinguish.

I write this letter to you from the Florence Federal Prison Camp where I've served 1,029 days on a 72-month sentence for laws I did not break and impossible IRS fines & penalties we'll likely never find a way to payoff. We believe that our Cedar Hills political enemies (where I served as an elected City councilman) had friends in the IRS. And like you Mr. President, just as we were on the verge bringing down their house of cards, they had the DOJ weaponized against us with their "lawfare".

You may be surprised to learn that coincidentally you and I were both in court fighting for our lives against the DOJ's effort to imprison us, during the exact same days in May of 2024 -- you in New York, and me in Salt Lake City. We couldn't afford to even consider hiring an attorney to defend us through 20-plus cases over 7 years. We don't know if we were inspired or crazy to attempt the impossible, but believing in the God of Miracles, we mounted the best defense we could. For example:

1. **You sir, successfully sued the IRS** and settled we understand for \$10 billion. Imagine me, in 2021, a non-attorney, suing the Commissioner of the IRS Charles Rettig in US Tax Court (case #15701-21), who I subpoenaed via his attorney requiring him to prove his claim against me. And although he was paid his two-days witness fees, Mr. Rettig did not show up nor return my money. I was successful enough to make IRS counsel admit they could produce no records to prove their claim. No surprise, they sealed the records, but only after I obtained court certified copies of my success.

2. **Visualize me** (at only 5' 5" like your friend Peter Navarro), sitting all alone during 8-days of trial as a non-attorney and humble film producer/director/writer (see attached Brief Bio) defending myself

against a big high-powered prosecution team of four seasoned IRS/DOJ veterans in a climatic federal trial (case 2:23-cr-00159-HCN). A true David vs Goliath story.

3. Image me subpoenaing the lead IRS investigator Mr. Walker, but the magistrate and judge would not allowing me to call him to the witness stand to testify to the jury that the D.C. DOJ admitted that the statute of limitations had expired and that they couldn't prosecute me under Title 26, but did so anyway. The court denied my Sixth Amendment right to "compel" testimony "in criminal prosecutions" in my favor, despite the fact Walker was sitting at the prosecution table the entire 8-days of the trial.

4. Visualize that during a climatic trial moment the prosecution brought in two IRS expert witnesses -- 22 and 38 year IRS veteran agents to vilify me in front of the jury. When it was my turn, I cross-examined them with one simple question: "Can you point to the law that requires me to file federal income tax?" Both agents confessed, "No sir, I cannot." To which I replied, "No further questions." SCOTUS's 2024 decision that repudiated the "Chevron doctrine", does not allow the IRS to hide behind CFR 1.1-1 as law because Congress didn't write it, the IRS fabricated it. As you know sir, The IRS and The Fed are two of the most dangerous & destructive hoaxes in all of American history -- matching the old British tyrants from which our Founders declared independence.

Remarkably, after a grueling 8-day trial, my apparently sympathetic jury deliberated for 3 days. Surprise! The jury must have been fighting for me because they acquitted me on one count with "not guilty". But, because the jury was sworn-in to follow the judge's instructions that were factually incorrect, they had no choice but to find me "guilty" on the other two counts. Miraculously, on June 20, 2024, just sixteen days after the verdict, the Supreme Court came down with a epic decision in Moore et Ux v. US (602 US 572 (2024)) which explained what Constitutional federal income tax is, and what it is not -- which proved my defense was right. However, no surprise, the judge ignored that news and sentenced me anyway. You too Mr. President, know all too well what it means to be a victim of malicious DOJ prosecution.

Jon McNaughton, your political portraits painter friend, is our friend too (we've been to each others' homes and shared meals together). Jon kindly supported me by being at my devastating pre-Christmas sentencing on December 23, 2024. They sentence me and put me in prison, but it came so close to being you too, sir.

Attached you'll find a Petition to you, signed by 382 patriot friends and supporters seeking your Presidential Pardon. Even though we could've submitted it to you last year, we waited until after we got to the Supreme Court, even though it meant my staying in prison. We hoped to help bring down the IRS. Unfortunately, SCOTUS ultimately denied us Writ of Certiorari appeal a few days ago on June 1, 2026 [case 25-6931]. It appears that not enough Justices have the courage yet to face the certain Deep State firestorm that would result if they stood by their own findings in Moore and brought down the IRS. Remarkably, SCOTUS unanimously found that we haven't had a Constitutionally authorized federal income tax "since the Civil War"!

Barbara & I have now exhausted all our legal appeals in our 7-year pursuit of justice. We now come to you Mr. President seeking your help under the Constitution's Article II, Section 2 Clause 1, which gives you power to "grant Reprieves and Pardons for Offenses against the United States", for the reasons described above and the clear denial of a number of our Constitutionally protected, God-given rights. Will you please consider granting your lawful Presidential Pardon for "Barbie & Ken" -- Paul Kenneth & Barbara Ann Cromar?

Mr. President, on this July 4th, may we suggest that in your 250th Anniversary of the Declaration of Independence speech you could renew the Declaration against the modern day "red coats" IRS, the Fed, and all other traitors, both "foreign and domestic". Imagine the large signature of American citizen Donald J. Trump at the top of "The Declaration of Independence v2.0", inviting all Americans to join you in signing. This could be just the spark needed to ignite the fire of courage Americans need to wake-up, fight for their own liberty and take our country back. Mr. President, will you please consider standing as a modern-day American Moses, and light the fire of freedom by declaring, "Thus saith the Lord God, ...let my People go, that they may worship me" (Exodus 10:3) as opposed to worshipping Washington, D.C.?

David took "five smooth stones" and a sling with him into battle, but needed only one stone to take down Goliath. Barbara & I have used-up four of our smooth stones without success. Mr. President, will you please consider being our final fifth smooth stone and helping "Barbie & Ken", prevail over "Goliath IRS"? We look forward to being freed to rejoin you and other American patriots pursuing the divine "250th Anniversary Declaration of Independence 2.0" goal to "heal the land" (2 Chronicles 7:14) and Make America Great Again.

May God Continue to Bless You, Us & the USA,

Barbie & Ken Cromar

**Petition asking PARDON for
Paul Kenneth Cromar
as well as everyone else currently incarcerated
for IRS Tax Evasion**

**We request President Trump PARDON Paul Kenneth Cromar
of Cedar Hills, Utah,**

as well as everyone else who is currently incarcerated for IRS tax evasion.

We the undersigned, do respectfully request that President Donald J. Trump end the incarceration of everyone currently accused of IRS tax evasion as well as end the Cromars' courageous 7-year battle through 18 court cases to defend their Life, Liberty and Property from the tyrannical Internal Revenue Service (IRS) who fabricated a false claim that they owed \$1,053,028.68 to kick them out of their home and auction it off. Not unlike president Trump, the Cromars have suffered from the DOJ's prosecutorial misconduct. The DOJ/ IRS falsely promoted that the Cromars were "lying tax cheats".

However, NO one has ever been able to point to the federal income tax law they claim the Cromars broke; not even Utah State federal judges, prosecutors, IRS agents, but they convicted them of laws they did not break in their courts anyway. In the miscarriage of justice, Ken has been thrown in federal prison for the next 6 years.

It's clear these are false convictions because coincidentally the Supreme Court of the United States' newest tax ruling in Moore et Ux v. US (602 US 572 (2024)), which came out just days after Ken's conviction, now proves that it is the IRS' position that the 16th Amendment allows for "direct non-apportioned income tax" is FALSE, "frivolous" and un-Constitutional, and that Ken Cromar's position was RIGHT all along. (see attached Press Release)

We respectfully request that President Trump investigate and provide his immediate Presidential PARDON to Paul Kenneth Cromar as well as everyone else who is currently being incarcerated for IRS tax evasion, so they can be exonerated, vindicated and returned to their homes.

Signed, (384 Patriot signatures)

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. Ze. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnapers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnapers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

Zf. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:
