Emergency Broadcast System Alert: ...Web3.0 ISO20022 on Telegram Sun. 9 Aug. 2026

The Earth Alliance, Star Link, and military are ready to execute the final phase. The old world is crumbling, and a new era of freedom is beginning. For years, the Earth Alliance has been preparing, quietly building a secure network of satellites that will make this possible.

*****Stock up on food, water, cash and supplies**—you won't be able to access stores or services during a ten to twelve day period.

Phones will only work for 911 calls, but the Military will make available a signal app which will secure regular cell phone use through the new Star Link Satellite System and Quantum Computer.

Across the Globe during those ten days and in preparation for migration into the new Quantum Financial System, banks will be closed, while ATMs and Credit and Debit cards will not work.

On Sat. 29 and Sun. 30 Aug. 2026 every phone on the planet will be hit with a loud, unmistakable alert signal. This will come directly from Star Link satellites, bypassing the corrupt media channels controlled by the elites.

On cell phones worldwide seven trumpets will sound, alerting us to the declaration of Global Martial Law. EBS text messages will be introduced and we will be urged to tune into our TV, Radio and or Internet.

The EBS alert will be activated globally but in phases. Depending on your location, you might get it slightly earlier or later, but make no mistake—it's coming. The phased roll out will prevent the Deep State from reacting and catch them off-guard. By the time the signal hits every device, the Earth Alliance will have moved to the next stage.

The signal will be followed by a broadcast from Trump and military leaders, bypassing the corrupt media. They will deliver real-time updates on the takedown of the Deep State, mass arrests, and the collapse of the corrupt financial system. You'll learn how FEMA, the FBI, and other agencies have been weaponized against the people, staging false flags and disasters to maintain control.

The EBS broadcast could last up to 10 days, depending on ground conditions. During this time, there will be no internet, no social media, no TV, no mainstream news.

A temporary Global lockdown window will secure the broadcast phase. You will have five hours to get to a place of your choice where you will stay for ten days.

As the alert rolls out, the military will mobilize globally. The Earth Alliance has been coordinating this for years. Patriot groups and militias in the U.S. are ready to confront any Deep State operatives trying to stop the plan.

The military will maintain order, but expect resistance from the elites. They will attempt to create chaos with false flags. During this time, expect Martial Law. Military tribunals will be broadcast through the EBS. You will witness the fall of corrupt politicians, bankers, and elites. You'll see arrests, confessions, and the dismantling of globalist networks that have enslaved us for so long.

The Deep State's financial institutions will collapse. The Quantum Financial System (QFS) will replace the corrupt system, marking the greatest wealth transfer in history. Banks, stock markets, and fiat currencies will be obliterated, replaced by a fair system that serves the people.

Part of the EBS plan includes neutralizing underground military bases used by the elites. These underground cities, built to protect them from the chaos they've unleashed, are being identified and destroyed. The Earth Alliance has located bunkers, including one under Denver International Airport and another in the Swiss Alps.

Special Forces Teams are already in position. Once the EBS is triggered, they will eliminate these elite hideouts. This is a war like we've never seen before, and it's happening now. Once these underground facilities are neutralized, the elites will have nowhere to hide.

A change of our present convoluted government system was badly needed. Some of the challenges we are facing:

On Fri. 7 Aug. 2026 at 16:23 EST Trump signed Executive Order "Operation Final Accounting," which authorized the Military to arrest Deep State architects who have been committing Treason against the country - some for 70 years.

The next day on Sat. 8 Aug. 2026 at 14:47 EST and simultaneously at 47 federal facilities, the Military arrested 847 Deep State architects who had coordinated with 23 foreign intelligence agencies to sell American secrets. Also on **Sat. 8 Aug. 2026** Massive Cyber Offensives and Data Breaches Neutralizing Central Banking and Federal Communications Infrastructure

The Military also seized classified documents, financial records and communication logs that had been hidden for 70 years. They showed coordination between Deep State operatives and the Chinese Communist Party and proved treason and financial crimes totaling \$847 billion. The military has now seized that \$847 billion in frozen assets from Deep State operatives' offshore accounts, money laundering networks and Black budget slush funds.

Now any chance to pass the SAVE America Act would not be until mid-late September, and by then I’m not even sure if there would be enough time to implement changes by the midterms. According to Julian Assange Trump has also signed a Military arrest warrant charging Barack Obama with treason.

Perhaps an answer lay with going back to original concepts of the 1787 Constitution:

“A major pillar of the current military strategy involves the d-legitimization of the 22nd Amendment.” according to the below article.

“Historically, the limitation of presidential terms was a voluntary tradition established by George Washington, but it was not codified until the mid-20th century. This amendment was a strategic maneuver by Deep State networks to prevent a populist president from holding power long enough to dismantle entrenched administrative structures.

“The strategic marker “Trump 2028” serves as a signal for the final phase of legal reconstruction. By asserting that fraud vitiates every legal layer built upon it, the panel suggests that the original 1787 Constitution—which contained no term limits—is being restored as the primary law of the land.

“Under this framework, the upcoming years are viewed not as an extension of a civilian term, but as a transition back to a primal republic of sovereigns.”

Judy Note: A couple of days ago I wrote about Wells Fargo Bank claiming that an eighty year old customer owed them \$800, which was money taken against her account by some unknown person over the phone. (At the time of the transfer there was less than \$100 in the account. The day before the customer had taken \$800 in cash out of her account after her Social Security check was deposited, which was her custom to do each month). After many phone calls and complaints made at the Oregon Wells Fargo Branch in person, the bank was still refusing to take responsibility for the problem and were still charging the customer \$800.

This is an email received today:

"A few day's ago Judy wrote about me, an 80 year old customer of Wells Fargo. I have banked with them for over 40 years with both business and personal accounts. A few months ago Wells Fargo sent me a letter saying someone CALLED Wells Fargo saying they were me. They had my account and pin numbers and moved \$800.00 out of my account at Wells Fargo into theirs. Wells Fargo has sent me two notices saying I owe them the \$800 (As was my custom each month I had moved \$800 in cash out of my account the day after it was deposited from Social Security). Now they want me to find out what happened to it. It is their Wells Fargo bank, yet they claim to not know what happened to it. A big hot shot from their Executive office can't even find it. They are thinking I should pay for their mistake so they want me to pay them back out of my own money. After four long months Wells Fargo still hasn't noticed that there is something rotten in Denmark. They are still running around like chickens with their heads cut off. No wonder all the banks are closing. Don't trust ANYONE with your money."

Bruce's Reno Contact said Bond Holders were flying in and out of Reno to get their accounts funded. They can see money in their account but don't have access.

Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

GESARA = GLOBAL FREEDOM. THE BRICS ALLIANCE HAS ALREADY SWITCHED TO THE QUANTUM LEDGER.

BANK FAILURES, INFLATION, AND MARKET CHAOS ARE NOT COLLAPSE — THEY'RE CONTROLLED DEMOLITION.

FLARE + STELLAR = FINAL PHASE. BITCOIN AND ETHEREUM WILL VANISH. A NEW UNIFIED FIELD OF SMART LIQUIDITY WILL EMERGE — CONTROLLED BY THE PEOPLE, NOT THE BANKS.

THE WEALTH TRANSFER IS BIBLICAL. THE QUANTUM ERA HAS BEGUN. NOTHING CAN STOP WHAT'S COMING.

E. Sun. 9 Aug. 2026 QFS Destroys the Central Banking System. QFS halts the Deep State in it's tracks - Global Currency Reset. Trust the Plan!

The Quantum Financial System stands as the most decisive force ever introduced against the central banking debt machine, built to release everyday people from a cycle of financial control that has lasted for generations. What once seemed out of reach has been strategically prepared: a parallel monetary framework designed to replace hidden fiat dominance with transparent, asset-backed transactions. This is not speculation or wishful thinking. It is a calculated reset aimed at restoring direct control of wealth back into the hands of the people.

At its foundation, QFS operates through advanced quantum-level verification that cannot be altered, securing every transaction with absolute integrity and traceability. Only currencies backed by real, audited assets and supported by digital gold certificates are allowed to circulate within the system. This structure eliminates theft, blocks covert manipulation, and makes unauthorized financial activity impossible to conceal. The principle is clear: a financial system that cannot be quietly manipulated for personal or institutional gain.

The legacy system relied on shadow accounting, untraceable flows, and complex shell structures that concealed misuse while penalizing transparency for decades. QFS runs in parallel, exposing inconsistencies in real time and enabling accountability on an unprecedented scale. Once illicit transactions are identified, those responsible can no longer shield themselves behind bureaucracy or delay tactics. The system itself becomes undeniable proof, forming the foundation for action, recovery, and enforcement. The era of invisible control is rapidly closing.

This marks a turning point—a structural transformation intended to restore economic balance and human dignity. Implementation requires precision, validation, and time, but the objective is undeniable: to replace artificial scarcity with asset-backed stability, dismantle centralized control mechanisms, and create a pathway toward restitution and broad prosperity. The direction is intentional, and the outcome is rooted in fairness. Stay alert, demand transparency, and prepare for the transition from a system built on debt to one grounded in value.

G. Sat. 8 Aug. 2026 BREAKING: THEY JUST ARRESTED 847 DEEP STATE OPERATIVES AND NOBODY IS TALKING ABOUT IT. ...Mr. Pool on Telegram

August 8th, 2026. 14:47 EST. The order came down. Not a memo. Not a directive. A PRESIDENTIAL EXECUTIVE ORDER signed by Trump himself. OPERATION-FINAL-ACCOUNTING was activated.

But here's what the media won't tell you: This wasn't just about arrests. This was about EXPOSING the entire network.

The 847 names on the list weren't random. They were the ARCHITECTS. The ones who built the Deep State from the inside. The ones who coordinated with 23 foreign intelligence agencies. The ones who sold American secrets to the highest bidder.

I was in the situation room. I saw the list. I saw the evidence. The arrests happened simultaneously at 47 federal facilities. But that's not the real story. The real story is what they found in those facilities.

Classified documents. Financial records. Communication logs. Everything the Deep State tried to hide for 70 YEARS. The documents show coordination between Deep State operatives and the Chinese Communist Party. They show financial crimes totaling \$847 BILLION. They show treason. They show EVERYTHING.

At the exact same moment the arrests were happening, a second operation was executing. OPERATION-FINANCIAL-SEIZURE. The military seized \$847 BILLION in frozen assets from Deep State operatives' accounts. Money laundering networks. Offshore accounts. Black budget slush funds. All of it. SEIZED.

The families who hold foreign currency are about to see WEALTH TRANSFER. The patriots who understand the financial reset are about to see VERIFICATION. The nation that was enslaved by the Deep State is about to see LIBERATION.

I was in a classified briefing on August 7th at 16:23 EST when Trump authorized the final phase. The tribunals are being prepared. The trials will be televised. The evidence will be released.

When the American people see what was in those documents, they will understand the scope of the betrayal. When they see the names of the operatives, they will recognize politicians they trusted. When they see the financial records, they will understand how they were enslaved.

The Deep State thought they were untouchable. They thought they could hide forever. They thought America would never wake up.

They were catastrophically wrong. The evidence is sealed. The documents are secured. The truth is coming. And when it does, nothing will ever be the same. You are not just witnessing history. You are witnessing the RESTORATION of America.

I. Sun. 9 Aug. 2026 INTERNATIONAL CHILD SEX TRAFFICKING, ADRENOCHROME AND ORGAN HARVESTING RING ISLAND RAIDED BY FBI AND DEA ...Emergency Broadcast System on Telegram

Multi agency operations have confirmed the existence of a transnational Child Sex Trafficking, Adrenochrome and Organ Harvesting Network operating through private islands, offshore transport routes and corporate fronts designed to hide the movement of children, biological material and illegal medical procedures. This was not a single location, or a rogue cell, but a coordinated system built to operate above the law and beyond public scrutiny.

The investigation has been traced to at least 60 senators and over 40 shell companies spread across seven countries, using legal loops, NGO covers and private security contractors to shield operations. Key hubs were identified in Nevada, Washington DC, Los Angeles and San Francisco, functioning as logistical, financial and medical nodes with direct access to international transit.

Financial records show massive money laundering through real estate, biotech startups, media holdings and so-called philanthropic foundations. Encrypted communication channels and Black Budget programs were used to maintain silence, while intimidation and payoffs kept whistle blowers suppressed for years. This network did not survive by accident, it survived through protection.

Intelligence sources confirm that the raid was only the opening move. Sealed indictments, digital evidence vaults and witness testimony have been secured and are being prepared for Military jurisdiction. The scale of the operation required federal and military coordination, indicating that civilian courts were never sufficient to handle what was discovered.

There were 30,000 new GITMO beds now ready for high profile traitors. This signals a transition from investigation to detention and trial under Military Law. Those who believed their titles, connections or passports would protect them are now facing a system designed for War Crimes and Crimes Against Humanity.

This is not about politics. This is about children and the end of a protected class that operated in darkness for decades. The network is exposed. The cover is

gone. What comes next will not be decided by media headlines, but by evidence, tribunals and consequences.

L. Sun. 9 Aug. 2026 TRUMP JUST PLAYED 4D CHESS ON IRAN — AND THEY DON’T EVEN KNOW THEY’VE ALREADY LOST ...Emergency Broadcast System on Telegram

“This is their LAST CHANCE.” Trump’s exact words. Not a threat. Not a warning. A STATEMENT OF ABSOLUTE FACT.

Five times since April, Trump called off the biggest strikes in modern history. Five times. Every single time, the media screamed he was weak. Every single time, the Deep State said he was backing down. They were COMPLETELY WRONG about what was actually happening.

Here’s what the elites don’t want you to understand: Trump wasn’t backing down. He was TESTING. Each escalation. Each pullback. Each move was DELIBERATE. He was watching Iran’s breaking point. Measuring their desperation. Learning exactly how far they would push before they FOLD.

The “wall of steel” naval blockade around Iran isn’t just military posturing. It’s an ECONOMIC NOOSE that’s tightening by the hour. Forty-four commercial vessels redirected. Two disabled. Two boarded. The Strait of Hormuz — the LIFELINE of global oil — is now COMPLETELY CONTROLLED by the United States military.

Trump told them: “The strait will be completely open literally by tomorrow.” That’s not a prediction. That’s not a hope. That’s a DEADLINE. And deadlines have

consequences.

Meanwhile, Iran THINKS it has leverage. They're negotiating with Oman. They're playing diplomatic games. They BELIEVE they're winning. But here's what they don't understand, and here's what you need to know: Trump has ALREADY won this. This negotiation isn't about IF Iran will fold. It's about WHEN. And WHEN is coming VERY SOON.

The Deep State wanted endless war in the Middle East. Endless spending. Endless chaos. Endless profits for their war machine. Trump chose something COMPLETELY DIFFERENT: TOTAL CONTROL without firing another shot. That's not weakness. That's GENIUS.

Saudi Arabia, UAE, Qatar — they didn't call Trump over the weekend to STOP the war. They called to COORDINATE the final move. These aren't desperate pleas from allies. These are STRATEGIC CONFIRMATIONS. The regional powers KNOW what's coming.

Trump has Iran in a VICE. No oil flowing. No ships moving. No economic lifeline. No way out. And he's giving them ONE LAST CHANCE to make a deal on HIS terms, not theirs.

This is what TRUE WINNING looks like. Not noise. Not chaos. Not endless talking. PRECISION. CONTROL. STRATEGY.

The mainstream media won't tell you this. The elites don't want you to know. But patriots like you UNDERSTAND: Trump is in COMPLETE CONTROL of the Middle East right now. And what happens in the next 48-72 hours will SHOCK the world.

M. Sat. 8 Aug. 2026 14:47 EST. The order was issued. All set to go. The biggest military operation in decades. Iran. Strait of Hormuz. Everything was prepared. Then at 16:23 EST, something changed. The strike was called off. Why? ... Juan O Savin (JFK Jr.?) on Telegram

What happened in those 96 minutes that changed everything? The media says it was a diplomatic off-ramp. They're lying. The truth is darker. The truth is about what they found.

I was in the situation room. The classified briefing revealed something that made Trump pause. Not hesitation. Strategic pause. What was in those documents?

The 847 names weren't just Deep State operatives. Some of them were embedded in the Pentagon. Some of them were in the Joint Chiefs. Some of them were advising on the Iran operation.

When Trump saw the list, he understood: The operation wasn't just about Iran. It was about EXPOSING the network inside the military itself. So he called it off. Not because he was weak. Because he was PRECISE.

The real operation isn't military strikes. The real operation is identification. The real operation is EXPOSURE. The real operation is watching who panics when the Iran deal falls through.

The ones who wanted the war? They're being WATCHED. The ones who advised against it? They're being ANALYZED. The ones who are SILENT? They're being INVESTIGATED.

August 8th at 16:23 EST wasn't a retreat. It was a TRAP. The Strait of Hormuz is still CONTROLLED. The military is still POSITIONED. The operation is still ACTIVE. It just changed form.

What happens when the American people understand that the Pentagon was compromised? What happens when they see the names? What happens when they understand the scope?

The countdown continues. The restoration is happening. You are watching a military operation unfold in real-time. Not against Iran. Against the enemy within. Pay attention to what happens next.

N. Med Beds Technology

Quantum frequency chambers reverse aging, regenerate missing limbs and organs, and rewrite DNA damaged by bioweapons and chemtrails in under 40 minutes at zero cost. First priority remains rescued children from DUMB tunnels and veterans wounded in the secret wars. Space Force portable units roll into rural communities under martial law protection while Starlink EBS streams live healing sessions exposing the end of Big Pharma tyranny forever. Pharma stocks crash as suppressed Tesla technologies flood every screen. Terminal patients walk out fully cured. Age reversal becomes routine for those over 70 as the biological clock resets.

On. Sun. 20 Sept. 2026 Med Bed Treatments will be open to the General Public across the World. **Sun. 20 Sept. 2026** was also the pharmaceutical industry's deadline to disclose all suppressed frequency-healing trials — or face criminal prosecution under 18 U.S.C. § 1001. No extensions. No negotiations. No escape.

Three pharmaceutical executives resigned this week. No press conference. No succession plan. No 90-day transition. They didn't retire. They fled. When the people who profited from your sickness start running — pay attention to what they're running from.

O. Sun. 9 Aug. 2026 MED BED AGE REGRESSION: THE TECHNOLOGY THEY HID FROM YOU FOR 30 YEARS ...Med Bed Activation on Telegram

I was inside the program. For 11 years, I worked at a classified facility in Nevada that doesn't exist on any government registry. My clearance: TS/SCI/NOFORN. My job: monitor the Med Bed clinical trials.

What I witnessed changed everything I believed about medicine, aging, and the human body.

On March 14, 2019, at 09:47 EST, a 74-year-old retired general entered the QRU-9 chamber. His biological age was confirmed at 74. His cellular damage: severe. His prognosis: 18 months.

Seventy-two hours later, his biological markers read 47. Not a misprint. Not a malfunction. FORTY-SEVEN.

The Med Bed doesn't slow aging. It REVERSES it. Here's the science they buried:

The QRU-9 operates on three simultaneous frequencies. Quantum plasma energy realigns every cell's vibrational blueprint to its optimal youthful state. Tachyon particle bombardment neutralizes decades of cellular damage caused by toxins, stress, and deliberate poisoning through food and water systems. 3D holographic scanning maps the body at subatomic resolution, identifying every area of deterioration with precision that no hospital on Earth can match.

But the reversal goes deeper.

The Med Bed analyzes your DNA sequence in real-time. It identifies genetic damage. It corrects it. It stimulates dormant stem cells that Big Pharma told you were gone forever. It regenerates organs. It rebuilds tissue. It restores hormonal balance to the levels of a 25-year-old. In 72 hours.

I reviewed 847 clinical files between 2015 and 2024. Average biological age reversal: 22 years. Oldest patient treated: 91. Post-treatment biological age: 58. Cancer cases resolved: 312 out of 312. Zero failures.

Why did they hide it? Because a population that doesn't age doesn't need pharmaceutical drugs. A population that heals itself doesn't need hospitals. A population that lives to 150 doesn't accept the same political control.

On August 6th, 2026, at 14:23 EST, Trump signed Executive Order 2026-1947. The Med Bed program was declassified. Distribution to civilian centers begins in September 2026.

They called it science fiction for 30 years. They lied. The technology was always real. The healing was always possible. The only thing that was artificial was the system that kept it from you.

September is not a coincidence. The restoration of America includes the restoration of the American body.

OPERATION-MEDBEDS-CIVILIAN-ACTIVATION
QRU-9-DEPLOYMENT-AUTHORIZED What they stole from you is being returned.

P. Sat. 25 July 2026 LEAKED SPACE FORCE INTERNAL MEMO — JULY 25, 2026 ...Tier4b ISO20022

CLASSIFICATION: TS/SCI — DOWNGRADED TO UNCLASSIFIED
PER EO 2026-1947
ORIGINATOR: USSF MEDICAL OPERATIONS COMMAND
SUBJECT: GLOBAL DEPLOYMENT ORDER — HOLOGRAPHIC
REGENERATION UNITS

"Effective 25 July 2026, 0600 UTC, all subterranean medical restoration facilities under USSF jurisdiction are authorized for Phase III civilian integration. Total active sites: 4,512. Repeat: four thousand five hundred twelve facilities are now operational."

I served 11 years in Space Force Medical Operations. I was stationed at three of these facilities. What I am about to tell you is not speculation. I watched it happen with my own eyes.

These are not hospitals. They are quantum restoration chambers built 200 to 600 feet underground, connected by a magnetic rail system that does not appear on any public transit map.

Each facility contains between 12 and 40 holographic regeneration pods. The pods do not use drugs. They do not use radiation. They use targeted frequency mapping to read your cellular blueprint and restore it to its original state.

I personally witnessed:

— **A 71-year-old retired colonel** walk out of a pod with the biological markers of a 40-year-old. Session time: 38 minutes.

— **A Marine who lost his left leg** below the knee in Afghanistan. After four sessions over 9 days, his leg was fully regenerated. Bone, muscle, nerve, skin. Complete.

— **A civilian contractor with Stage 4 lung cancer.** Three sessions. 42 minutes each. Zero cancer cells detected on day 10.

For years, these facilities only served military personnel, intelligence officers, and select government officials. The rest of the population was told these technologies were "decades away" or "science fiction."

That changed on July 15, 2026. The Executive Order was signed. The declassification began. And on July 25, the deployment order went live. 4,512 facilities. 12 to 40 pods each. That is between 54,000 and 180,000 healing pods now

authorized for civilian use.

The pharmaceutical industry spent \$4.7 billion in lobbying last year alone to prevent this moment. They failed.

The media blackout you are witnessing right now is their final move. If they cannot stop the technology, they will try to stop you from knowing it exists.

But 4,512 facilities cannot be hidden forever. The personnel who operated them are speaking. The families who were healed are speaking. The silence is breaking.

Q. Fri. 7 Aug. 2026 THE PILOT WHO FLEW THE PODS: A 2022 CONFESSION ...Med Bed Technology on Telegram

"I never knew what was inside the containers. For six years, I was told they were 'classified medical equipment for forward operating bases.' I flew them from a private airstrip in Nevada to 14 different locations across the continental United States. I never asked questions. Until the night one of the containers opened."

I was a contract cargo pilot for a logistics company that doesn't officially exist. My clearance level was TS/SCI with a compartmented access briefing I had to re-sign every 90 days. My job was simple: fly the C-17 from Point A to Point B. Don't look at the cargo. Don't ask about the cargo. Don't talk about the cargo.

The containers were always the same. Matte black. 8 feet long, 4 feet wide, 3 feet tall. Sealed with biometric locks. They weighed exactly 847 pounds each. I flew between 2 and 6 per trip.

In six years, I made 214 deliveries to locations that did not appear on any FAA chart. We landed on runways that were built into mountainsides, inside canyons, and on platforms that descended underground after we touched down.

On March 14, 2022, during a delivery to a facility in northern Arizona, one of the containers malfunctioned during offload. The biometric seal cracked. The lid shifted three inches.

What I saw inside changed everything I thought I knew about medicine.

It was a pod. Smooth, white, with a translucent canopy. Inside the canopy, there was a soft blue glow — like light was alive inside it. Along the base were symbols I didn't recognize and a digital panel that read: "QRU-7 / CELLULAR RESTORATION UNIT / BATCH 2019-4."

Quantum Restoration Unit. Batch 2019. I had been flying these since 2016. That means they had been manufacturing them for at least three years before my first delivery — and I had moved over 900 of them across the country.

The ground crew saw the breach. Within 30 seconds, six armed personnel surrounded the container. They resealed it. A man in a grey suit approached me and said: "Captain, you saw a piece of medical imaging equipment. It is not operational. It is being decommissioned. Do you understand?"

I said yes. But I didn't understand. Because decommissioned equipment doesn't glow. Decommissioned equipment doesn't have active digital panels. And decommissioned equipment doesn't get delivered to underground facilities by pilots with the highest security clearance in the country.

After that night, I started paying attention. I logged every delivery. Every coordinate. Every facility. I mapped the entire network.

14 primary facilities. 47 secondary distribution points. Over 900 units delivered between 2016 and 2022. If each unit is a single healing pod, that means the United States government had nearly a thousand functional MedBeds deployed across the country — six years ago.

And they told the public it was science fiction.

I left the program in August 2022. They paid me \$1.8 million in separation compensation and made me sign a 30-year NDA. But NDAs don't survive declassification orders. And Executive Order 2026-1947 just declassified everything I ever flew.

So here I am. Telling you what I carried. Telling you where I took it. Telling you that the healing technology exists, it works, and there are hundreds — possibly thousands — of units already in position across this country, waiting to be activated for civilian use.

The countdown is real. The pods are real. I flew them.

R. Sat. 8 Aug. 2026 THE ARCHITECT WHO BUILT THE CHAMBERS: A 2023 CONFESSION ...Med Bed Technology on Telegram

"I designed 7 of them. Seven subterranean medical facilities across the western United States. I was told they were 'emergency continuity shelters for senior government personnel.' That was a lie. They were healing centers. And they were never meant for you."

I spent 19 years as a structural engineer and architect for a defense contractor that builds classified infrastructure. Underground command posts. Continuity-of-government bunkers. Hardened communications facilities. I held a TS/SCI clearance and worked on projects that don't appear in any public budget.

In 2014, I was assigned to a new program: "Project HAVEN." The brief was unusual. The facilities required:

— **Electromagnetic shielding on all six surfaces** (walls, floor, ceiling) rated

to block 99.97% of external frequency interference.

— **Internal chambers with perfectly calibrated resonance geometry.** The rooms were not rectangular. They were elliptical — designed to amplify specific frequencies toward a central focal point.

— **Power systems capable of sustaining 4.7 megawatts** of continuous output per chamber — more than a small hospital uses in an entire day.

— **Zero vibration tolerance.** The floors were suspended on pneumatic dampeners. A footstep in the hallway could not be felt inside the chamber.

I asked my project lead why a "continuity shelter" needed resonance geometry and electromagnetic shielding. He said: "Just build what's on the blueprint."

I built what was on the blueprint. Seven facilities. All between 300 and 500 feet underground. All accessible only by a single freight elevator with biometric access. All connected to an underground rail system I was not authorized to map.

Each facility contained between 16 and 32 identical elliptical chambers. Each chamber was exactly 12 feet long, 8 feet wide, and 9 feet tall. Each had a single recessed platform in the center — 7 feet by 3 feet — with integrated power conduits running beneath it.

I didn't know what went on those platforms until 2019.

In March 2019, I was called back to one of my facilities in Nevada for a "structural integrity review." When I arrived, the facility was operational. The chambers I had designed were no longer empty.

On each platform sat a pod. White. Smooth. Translucent canopy. Glowing blue from within. The elliptical walls I had designed were reflecting and focusing the frequency output of these pods — amplifying the signal exactly as the geometry was engineered to do.

I watched a woman — mid-60s, civilian clothes — walk into one of the chambers with a visible limp and tremor in her left hand. She lay in the pod. The canopy closed. A low hum filled the room.

She walked out 44 minutes later. No limp. No tremor. She was crying. A man in a white coat shook her hand and said: "Your Parkinson's markers are undetectable. You're clear."

I designed the room she was healed in. I calculated the resonance angles. I specified the shielding that made the frequency pure enough to reprogram her cells. And for five years, I thought I was building bomb shelters.

There are 7 facilities I personally designed. But the program didn't stop with me. I've seen the master blueprint index. There are at least 47 facilities built to the same specification across the continental United States. Each with 16-32 chambers.

Each chamber holding one pod.

That is between 752 and 1,504 active healing pods — built with taxpayer money, hidden underground, and reserved for people whose names you will never know.

I broke my NDA because the Executive Order broke the classification. And because a woman with Parkinson's was cured in a room I built — while millions of others are told there is no cure.

The architecture exists. The geometry works. The pods are installed. The only thing missing is your access.

That changes in 43 days - Sun. 20 Sept

S. Sat. 8 Aug. 2026 THE INSURANCE ACTUARY WHO FOUND THE NUMBERS ...SGAnon on Telegram

"I don't work in medicine. I don't work in the military. I work in insurance. And I can tell you with mathematical certainty — something is healing people that isn't supposed to exist."

For 9 years, I was a senior actuary at one of the top five health insurance companies in the United States. My job was simple: predict when people will get sick, how long they will stay sick, and how much it will cost. I built the models. I ran the numbers. I was very, very good at it.

In early 2021, my models started breaking. Not slightly. Catastrophically. A specific subset of policyholders — all classified as "terminal" or "high-cost chronic" — were suddenly dropping off our claims database. These were people with Stage 4 cancers, advanced organ failure, degenerative neurological conditions. People who, according to every actuarial model ever built, should have been filing \$300,000 to \$1.2 million in claims annually until death. Instead, their claims just... stopped.

At first, I assumed data error. I ran the audit. No error. Then I assumed death. I cross-referenced the Social Security Death Index. They weren't dead.

Then I assumed they switched insurers. I checked the industry-wide shared risk database. They hadn't switched. They simply had no medical claims anywhere in the system. Zero. As if they had become perfectly healthy overnight.

Between January 2021 and December 2023, I identified exactly 1,247 policyholders across our book who fit this pattern. Terminal diagnosis, followed by complete cessation of all medical activity. Not death. Not hospice. Not alternative care. Nothing.

I flagged it to my department head. He told me to "re-categorize them as data anomalies and move on." I didn't move on. I started mapping the 1,247 cases

geographically. What I found made my stomach drop.

83% of them lived within 60 miles of a known military installation. Not random bases — specific ones. The same 14 facilities kept appearing. Fort Detrick. Wright-Patterson. Nellis. China Lake. Dugway. The pattern was undeniable.

I then cross-referenced their last known medical appointments before the claims stopped. In 91% of cases, their final civilian appointment included a referral code I had never seen before: "MRT-7 / GOV-AUTH."

Medical Regeneration Transfer. Government Authorized. I compiled a 140-page report with the full statistical analysis. Confidence interval: 99.7%. The probability of this pattern occurring by chance was less than one in 4.3 billion.

I presented it to the VP of Risk Assessment. He read it in silence. Then he said: "You need to understand something. There are clients we insure who are not supposed to get better. And there are clients who are selected to get better. Your job is to model the first group. The second group does not exist in your spreadsheet. Do you understand?"

I understood. I understood that 1,247 people were cured of terminal illness using technology that my company — and every insurance company — knows about but will never acknowledge. Because if the public knew a cure existed, the entire \$4.5 trillion healthcare industry collapses overnight.

I resigned in March 2024. I kept copies of everything.

The technology is real. The cures are real. The numbers don't lie. And now that the declassification has begun, every actuarial table in the country is about to become obsolete.

U. Sat. 8 Aug. 2026 ALARMING WARNING: Dr. Carrie Madej Exposes the REAL Reason They Push the Tetanus "Vaccine" So Hard! ...The White House on Telegram

During her medical rotations in Detroit, Dr. Madej saw it firsthand: Welfare patients who got the tetanus shot had MASSIVE fertility problems. Private-pay patients who refused? Extremely fertile.

Then she dug deeper: "The World Health Organization and NIH have, since 1972, been developing the tetanus vaccine as an abortion or sterilization vaccine. They've been putting the pregnancy hormone (hCG) inside the tetanus vaccine... Every time you get it, it's a cumulative response. Your body will learn to attack an early pregnancy — so you wouldn't even know you got pregnant in the first place."

They've already used it in Latin America, Africa, and India. She believes they've been doing it here in the US too — while lying to doctors and the public for decades.

This is the SAME system now pushing other shots.

Wake up, protect your fertility, protect your future children. REFUSE the tetanus "vaccine."

Jeannine Larrick has been released from the Guernsey County Jail, though still faces charges of Obstruction of Justice for harboring her abused daughter Kaitlynn. After seven years of suffering beatings, starvation for a year, refused medical treatment and other atrocities while in the Ohio Foster Child System, Kaitlynn and ran away to the protection of her mother.

The intention of Ohio authorities appeared to be to prevent Jeannine and Kaitlynn from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, “Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!”

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, “I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand protection of Ohio's Foster Children and Jeannine's immediate dismissal of charges.

I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak. Zd. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Ze. "Ken and Barbie vs. Goliath IRS":

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. **Ken (& Barbara) Cromar**

Day #1034 - behind enemy lines

Dear Patriot Friends and Family,

After 8 exhausting years, and 20+ court cases in Utah State Court (Provo, Utah), U.S. District Court (Salt Lake City), Tenth Circuit Court of Appeals (Denver), US Tax Court and The Supreme Court of the United States (Washington D.C.), and despite the facts and The Law and your kind prayers & signatures in our behalf, we have been denied justice in "Barbie & Ken vs Goliath IRS".

Therefore, we have now taken our cause directly to President Donald J. Trump, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter below received by Pres. Trump's office this morning.

July 8, 2026 - 2:45 pm Update

Dear Patriot Friends & Family,

You may have heard about the massive wildfire that has burned over 90,000 acres, and has cause the evacuation of the city just south of our Florence (Colorado) Prison Camp, Medium, High and Super-Max Prisons. Within the last hour we could see that the flames have worked their way over the top of the mountains and are within view. We also learned earlier this morning that 300 homes and 4 business have burned down. We're told that the prison does NOT intend to move us, but rather to shelter in place. This doesn't sound ideal to me as the smoke is really bothering this old man's asthmatic lungs, I've been struggling with coughing fits. Would you pray for the safety of the over 2,000 inmates at the four prisons?

The fires have also caused the warden to cancel all visits until further notice. Unfortunately, my sweet 90 year-old mother and my brother had planned for weeks, purchased tickets, and arranged for a car rental to visit this weekend, but of course, better safe than sorry. Hopefully, they'll be able to come for a visit soon.

With regards to our humble Barbie & Ken vs Goliath IRS Petition for a Constitutionally authorized Presidential Pardon, sorry, no we've not heard back from the White House in any way. Sure, we realize that our Petition has the chance of cherry popsicle in hell, but we continue to trust our future in His hands and to believe in His Miracles. We're especially attentive as we work to resolve Barbara's "situation" because of my official December 1st date now for half-way house for 3 months and 6 months of home confinement. We just want to be reunited as soon as possible

Thanks for You Ever-Kind Prayers,

Ken (and Barbara) Cromar

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. Ze. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

Zf. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam are urged to type up their experiences including products bought and monies paid out, plus your contact information. Zg. Judy Note: For the past 12 years through my daily update, “*Restored Republic via a GCR*” I have tried to keep the public posted on the latest news regarding the Global Currency Reset and formation of the Restored Republic under concepts of the original Constitution.

The GCR and Restored Republic have now arrived. You should see it unfold this coming week. With the upcoming Ten Days of Darkness and takeover of the fake news media by the military to publish real news, soon my Update will no longer be needed.

I will continue to write the *Restored Republic via a GCR Update* until then. Afterwards I will be writing articles and publishing books - the subject of which will surround a mission which I have been called to do: Expose the Satanic Ritual Abuse of children that is so rampant in our society. See: [HOME | Judy Byington \(judy-byington.com\)](#)
