"When you have confidence, you can have a lot of fun. And when you have fun, you can do amazing things."

...Joe Namath

Judy Note: Word from valid Military sources was that on Mon. 10 Aug. 2026 the Global Military Alliance initiated full seizure of the Mainstream Media Broadcasting Networks and Corporate News Headquarters.

"The transition to Worldwide Martial Law was now 100% complete. The Military had complete oversight of critical infrastructure and the old Cabal power structure was unable to recover or communicate.

"Now all secure broadcast channels were on standby for the imminent broadcast of documentary archives and prosecution logs across all intercepted networks. There was a full deactivation of Global Satellite Communication backbones used by the corporate media and Deep-State Command Cells. All was in preparation for implementation of the Emergency Broadcast System (EBS)

"Interpol and the Global Military Command have executed simultaneous raids on Central Intelligence Black-Site Archives, recovering decades of hidden financial records, blackmail vaults and direct-order logs. In the process the Global Military Alliance exposed direct funding trails to the Cabal's Global financial manipulation campaigns. The Emergency Special Operations Teams confiscated multi-billion dollar offshore gold reserves and digital asset vaults tied to compromised sovereign wealth funds.

"Space-Force Defense Units have neutralized foreign satellite infrastructure used by elite Cabal networks for encrypted command and control operations.

"A massive Military sweep across elite private islands and subterranean facility networks has confirmed a complete neutralization of rogue operations and underground human logistics nodes.

"International shipping hubs and Port Authorities have been placed under strict Military quarantine in order to prevent high-profile elites from escaping via private maritime fleets and diplomatic aircraft.

"Over 80,000 Military Police and Special Operations Units have been deployed across major financial and political capitals in order to secure critical infrastructure during the ongoing Global transition.

"Allied Command structures have confirmed that the asset recovery and trials infrastructure was operating at full capacity.

“There have been mass detentions of senior international corporate directors and Financial Technocrats who were implicated in designing Global supply chain bottlenecks and artificial scarcity networks. Compromised executive boards and corrupt political figures were being transferred directly to secure facilities.

“Over 100,000 Military Tribunal prosecutors and investigators have been deployed across secured jurisdictions to process millions of pages of recovered digital evidence and witness depositions. Evidence has been obtained in many ways.

“Deep within subterranean command nodes, military intelligence teams have successfully extracted the master crypto-graphic keys to global surveillance networks, permanently severing the communication lines of shadow directorates.

“Simultaneous tactical incursions target deep-underwater fiber-optic repeaters and orbital relay stations, cutting off the clandestine data loops utilized by international syndicates for market manipulation and coordinate sharing.

“Forensic accounting units secure multi-trillion-dollar corporate ledgers hidden inside sovereign tax havens, mapping out the exact capital flows that funded decades of covert geopolitical engineering.

“Autonomous defense grids have activated across major continental sectors to enforce absolute airspace sovereignty, grounding all unregistered corporate aircraft and intercepting maritime vessels attempting unauthorized transit.

“The transition to distributed local governance and hard asset monetary settlement was now enforced by joint task forces that have replaced centralized compliance monopolies.

“Evidence vaults containing classified medical patents, suppressed energy designs and advanced propulsion schematics are preparing for public release via decentralized quantum nodes.

“The architecture of control has been permanently dismantled. The final phases of the systemic restructuring were unfolding. The old paradigm was gone. Emergency Quantum Broadcast networks were prepared to stream unedited evidence logs and witness testimonies across all intercepted channels worldwide.

“It was recommended that you maintain secure communications and monitor verified channels for live updates.” ...Tier4b ISO20022 on Telegram

No projects = \$15 million regardless of holdings

With projects = First two Zim Notes pays at a 1:1, then up to \$25 million per 100 Trillion Zim notes after that for up to 30 100 Trillion Zim notes.

Any more payout after that requires a return visit for further negotiation

Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

E. Tues. 11 Aug. 2026 QFS GOES LIVE SOON. THE FIAT SYSTEM'S FINAL DAYS HAVE BEGUN. REDEMPTION CENTERS TO ACTIVATE ON September 1, 2026

The countdown has started. The fiat system is crumbling no matter how much they lie. Starting September 1, 2026, Redemption Centers will go fully live under military protection and begin processing gold-backed transactions through the Quantum Financial System. This won't be theory. It will be reality. The old financial system will collapse before the eyes of the world and the Cabal won't be able to stop it.

Global military units led by Trump's Alliance will soon begin massive raids targeting elite-controlled vaults. Stolen gold. Off-ledger assets. Ritual finance archives. All of it will be seized and redirected into the QFS using advanced Light Intelligence Tech. These hidden reserves are not inside banks. They lie beneath

mountains, Vatican catacombs, and abandoned NATO bases. The illusion of elite financial control is about to be destroyed.

If you still have funds in traditional banks, prepare. Over 12,000 branches are expected to shut down in the weeks ahead. Not “restructured.” Not “downsized.” Fully disconnected from the QFS grid. The dollar you know will soon be worthless. Your only access to sovereign wealth will be through Redemption Centers where you must be verified, scanned, and approved to receive gold-backed USTNs.

The Cabal, sensing the end, is expected to launch final attacks: EMPs, bio-weapons, digital sabotage. A classified plan known as **LAST BREATH** is already circulating including media blackouts, false flags, and infrastructure disruption. But they will fail. **Space Force is on standby to intercept EMP threats**, with cyber divisions monitoring for viral deployment and digital infiltration. Every weapon they have will be neutralized.

Justice is coming. Social Security systems are being rebuilt, decoupled from surveillance networks and restructured for sovereign use. You will no longer be treated as a product. **Your biometric data will be protected. Behavioral monetization will be banned.**

Under Trump’s Patriot Wealth Directive, Restitution & Reparation (R&R) payouts will begin mid-February — direct gold-backed compensation for IRS fraud, vaccine injury, banking theft, and more.

The planned control grid? It won’t happen. CBDCs will collapse. SWIFT will be replaced. The only approved digital assets under QFS will be **RLUSD** and **XRP**, both engineered for sovereign, secure exchange. RLUSD will be backed by gold recovered from NATO vaults. XRP will serve as the bridge to eliminate fiat entirely. Every transaction will be tracked, encrypted, and protected by military-grade quantum tech.

This is not speculation. This is what’s coming. Their world ends. Ours begins **September 1, 2026.**

F. On Tues. 1 Sept. 2026, THE TRANSITION BEGINS. ...Tier4b Nesara Gesara on Telegram

On Tues. 1 Sept. 2026 the Quantum Financial System officially moves from testing to live global sync. Major banking grids will begin quiet shutdown procedures as transactions reroute through the QFS network. The Federal Reserve, IMF, and SWIFT systems will freeze cross-border operations while asset-backed settlements activate in real time.

Governments will start re-calibrating national ledgers to gold-based reserves. Key nations - the U.S., Netherlands, India, Brazil, and Japan - are confirmed for first-wave integration. Encrypted broadcasts will announce the new digital-to-

physical conversion standard.

Expect market volatility, temporary outages, and data synchronization delays, this is the crossover point.

G. Tues. 11 Aug. 2026 NATIONAL EMERGENCY! TRUMP IGNITES NESARA PAYOUTS — \$3.5 TRILLION IN SEIZED ELITE FUNDS SURGING TO VERIFIED PATRIOTS AS GLOBALISTS LAUNCH DESPERATE SABOTAGE TO STOP THE RESET! ...Tier4b Nesara Gesara on Telegram

On Sun. 9 Aug. 2026 the NESARA storm broke wide open. The old fiat slave system began collapsing in real time as Trump unleashed the greatest wealth transfer in history.

Trillions clawed from the deep state's black vaults were flooding into the Quantum Financial System (QFS), rerouting straight to awakened Americans. The cabal is panicking, hammering servers, jamming routes, and screaming through their fake news puppets—but they can't stop what's already in motion.

Trump flipped the switch on NESARA Tier 1 in late December 2025, activating it silently over the holidays while the world slept. No parades, no pressers—just cold, hard execution. The QFS is live, identities syncing, funds moving through military-secured channels.

Over \$3.5 trillion in stolen elite wealth is being redistributed: CIA off-ledger slush funds, human trafficking empires hidden in NGO shells, rigged election interference cash from 2020 and 2022, Big Pharma extortion billions, endless war profiteering loot—all seized and reassigned. These assets blast through 14 fortified nodes across U.S. and European military bases—encrypted, decentralized, untouchable by the Fed, IMF, or any banker vampire.

Redemption is rolling in stealth waves. Early verified accounts are lighting up in pre-release mode. But the globalists are fighting dirty: server attacks, routing blocks, disinformation floods to breed doubt and delay. Timelines stretched—expect major triggers firing early to mid-September 2026, with final Tier 1 waves pushing into March if the resistance drags on. The next 30–40 days are do-or-die; once Tier 1 seals, the door slams shut forever.

Elites are bleeding out: \$380 billion already vaporized from offshore hideouts, BlackRock and Vanguard empires gutted over crooked contracts, European pension funds hemorrhaging, luxury properties dumped in panic sales. They're cornered, furious, lashing out because their entire parasitic empire is crumbling. But the QFS holds strong—military-grade armor, automated, unstoppable. Payouts push forward for the verified patriots first in line.

This is the hammer drop Trump promised. No more debt slavery, no more cabal control. White Hats dominate the battlefield, arrests are imminent, the republic

risers from the ashes. The great awakening isn't coming—it's here, redistributing the spoils of war back to We the People. Bank glitches will spike in February as the old matrix fractures. Stay vigilant, stay offline where it counts, watch the signs—the storm peaks now.

The Deep State knows it's over. Their missile blackmail, their rigged elections, their endless grift—all ending under Trump's iron will. We're taking it all back, crushing the New World Order, firing up the golden age. Trust the plan. The wealth is flowing, the reset is real, victory is locked in. WWG1WGA! The cabal trembles—the patriots rise!

The transition to a Quantum Financial System is accelerating, backed by asset-backed currencies deigned to eliminate debt-based manipulation, old banking rails are being decommissioned to prevent capital flight by those named in the sealed indictments.

Public disclosure broadcasts are scheduled to begin across major Emergency Alert System overrides. Documentary evidence, transaction ledgers and digital forensics will be released simultaneously globally to ensure full transparency.

I. Tues. 11 Aug. 2026 THE TREASURY OFFICIAL WHO WATCHED THE OLD SYSTEM DIE: WHAT HAPPENED ON AUGUST 10TH ...WEB 3.0
ISO20022 on Telegram

I spent 19 years inside the U.S. Treasury Department. I watched the Federal Reserve operate. I watched the SWIFT system process trillions. I watched the

fiat currency machine run the world.

On August 10th, 2026, at 06:47 EST, I watched it begin to collapse. Not a crash. Not a panic. A controlled demolition. Planned. Authorized. Executed.

The Global Currency Reset is not coming. It is happening. Right now. Today. Here is what the mainstream financial media will never tell you:

The Quantum Financial System went live on Fri. 7 Aug. 2026, at 03:17 GMT. The network glitches that hit three continents simultaneously that morning were not technical failures. They were the old SWIFT nodes being disconnected one by one. The banks blamed “scheduled maintenance.” They were lying.

I reviewed the internal Treasury briefing from August 9th. The document is marked TS/SCI. It describes the transition in clinical language. But what it means is this: 209 nations have agreed to the new system. 51 currencies are being revalued. The debt-based fiat architecture that enslaved humanity for 110 years is being dismantled.

The Clarity Act hearing on August 10th at 10 AM EST was not about cryptocurrency regulation. It was the public face of a private transition that has already happened.

Why now? Because the arrests changed everything. When OPERATION-FINAL-ACCOUNTING removed 847 operatives from the financial system’s command structure, the Deep State lost the ability to block the transition.

The families who hold foreign currency are not waiting for a future event. The event is now. Tier 4B is not a theory. It is a process. And that process began this week.

I was in the building when the old system started dying. I watched 110 years of financial control begin to unravel in a single morning.

September is when the public finds out. The restoration was always the plan.

Breaking the Chains of Financial Control: XRP, NESARA-GESARA, QFS 3.0, and the National Quantum Initiative Act

For centuries, governments and financial elites have used money as a means of control, perpetuating cycles of debt and economic instability. The very monetary systems we've depended on have acted as tools of manipulation, limiting freedom and opportunity for individuals worldwide. But imagine a paradigm shift—a revolutionary financial framework capable of dismantling these chains and fostering global prosperity.

Enter the Quantum Financial System (QFS), an AI-driven, asset-backed financial model that seeks to transform the global economy. Unlike the current fiat-based system, susceptible to manipulation by central banks and governments, the QFS is grounded in tangible assets like Gold, Platinum, and Silver. It offers a secure, transparent, and incorruptible alternative, aimed at eradicating the vulnerabilities of the paper-based monetary system.

The QFS operates in alignment with the National Quantum Initiative Act, a legislative push to advance quantum technologies critical for powering this groundbreaking financial infrastructure. In tandem with this initiative, concepts like NESARA-GESARA and digital currencies such as Ripple's XRP are poised to usher in an era of unprecedented financial freedom and fairness.

The Quantum Financial System (QFS) The QFS marks a monumental departure from traditional banking and fiat currencies, which derive their value solely from government declarations. Under the current system, inflation, debt, and economic crises are rampant, affecting individuals and entire nations. The QFS proposes a solution, anchoring the monetary system to real, tangible assets.

By backing the system with Gold, Platinum, and Silver, the QFS ensures stability and prevents governments from inflating currency by printing money arbitrarily. This asset-backed approach protects individuals and businesses from the devastating consequences of financial mismanagement.

Additionally, the QFS integrates Artificial Intelligence (AI) to guarantee transparency, accountability, and incorruptibility. Transactions are verified in real-time, enabling secure and instantaneous cross-border payments while eliminating human errors and opportunities for corruption. This AI-powered transparency represents a true revolution in the global financial landscape.

XRP: The Bridge Currency of the QFS Central to the QFS's functionality is Ripple's XRP, a digital asset designed to revolutionize international payments. Ripple has been a pioneer in the cryptocurrency sector, focusing on reducing costs and delays associated with cross-border money transfers. XRP's scalability, speed, and security make it an ideal fit for the demands of the QFS, which will operate globally and continuously.

Ripple's XRP Ledger can process vast volumes of transactions almost instantaneously, ensuring the QFS remains efficient and effective. As the world transitions away from fiat currencies, XRP is well-suited to act as a bridge currency, facilitating seamless exchanges between different asset-backed currencies within the QFS ecosystem.

Moreover, Ripple's compliance with ISO 20022, the international standard for financial messaging, positions XRP as a key player in the QFS. This alignment ensures smooth integration into the evolving global financial infrastructure, where standardization and interoperability are becoming increasingly critical.

P. Tues. 11 Aug. 2026 FDA Approves First mRNA Flu Vaccine For Older Adults. Standard flu shot: Useless and Dangerous. New mRNA flu shot: Useless and Dangerous. This applies to EVERY age group from birth to senior adult. ...EBS
Activated on Telegram

Moderna's new mRNA Influenza Vaccine has a 75.3% rate of adverse

reactions. According to the FDA briefing document, severe systemic reactions were 4X MORE COMMON than with the traditional flu shot.

Traditional flu shots are no better or safer... here are the details: The flu shot primes you for flu, 36% pathogenic priming for COVID & increases non-flu infections like pneumonia 440%.

Toxic Ingredients in Flu Shots:

- **Formaldehyde** – known carcinogen
- **Fall Armyworm Ovary** - growth medium
- **Polysorbate 80** – crosses blood-brain barrier, linked to infertility.
- **Neomycin** – antibiotic that triggers severe allergies
- **Egg proteins & dog kidney cells** – allergens + foreign DNA fragments
- **Squalene MF59** – tied to Gulf War Syndrome autoimmune reactions

Key Studies Exposing the Harms:

- **Cochrane Review & Cowling et al. (2012):** Flu shot increased non-flu respiratory infections 4.4X of COVID & pneumonia, that's a 440% increase!
- **Pentagon Study (2017–2018):** Flu-vaccinated troops had 36% higher odds of coronavirus.
- **Skowronski et al. (2009):** Confirmed vaccine enhanced disease.
- **Multiple meta-analyses (2022):** Show interference & heightened risk for certain strains.

Shocking Statistics:

- **VAERS (as of 2025):** 235,818 adverse events, 1,024 hospitalizations, massive underreporting.
- **Guillain-Barré Syndrome:** 1 in 1 million doses (WHO)
- **Vaccinated kids:** 4.4X more likely to catch other respiratory viruses.
- **Military personnel:** 36% increased coronavirus risk after flu shot.

Your immune system is smarter than Big Pharma's guesses. Build it with nutrition, not needles.

Q. Tues. 11 Aug. 2026 Veterinarian Dr. John Robb: "OUR PETS ARE DYING... THOUSANDS of pets are dying every day from vaccines they don't need." ...Tier4b ISO20022 on Telegram

"The LAW is forcing people to kill their pets, but I WON'T do it." Vaccines cause a drastic rise in chronic diseases: diabetes, cancer & heart failure. Our family pets are being poisoned for profit:

- **No Limits on Over-Vaccination:** There are ZERO rules capping how many times pets can be jabbed for the same disease, leading to deadly overdosing.

- **Size Doesn't Matter—But It Should:** Vaccines aren't adjusted for body weight; a tiny 5lb cat gets the SAME dose as a 100lb dog, risking lethal reactions.

- **Rising Chronic Illnesses:** Over-vaccinating & over-medicating is skyrocketing pet diseases like diabetes, cancer, kidney failure & heart issues.

- **Toxic Pet Food Alert:** Grain-based dry foods loaded with byproducts, seed oils & chemicals are wrecking dogs' & cats' health.

- **Titer Tests Ignored:** If pets show positive antibodies via titers (just like humans), they shouldn't need more shots—but vets push them anyway.

- **Big Food's Grip:** Mars Candy owns 3,000+ vet clinics & 50+ pet food brands, prioritizing profits over pet lives with unnecessary meds, tests & services.

- **Whistleblowers Silenced:** Dr. Robb faced backlash from Mars for refusing to follow harmful vaccination policies—research shows full doses are "dangerous" & "potentially lethal."

- **Vet Suicide Crisis:** Veterinarians pushing for change are ignored, taunted & laughed at in hearings, contributing to a suicide rate 4X higher than the general population.

Stop the madness! Protect your pets — & say NO to unnecessary vaccines.

R. Tues. 11 Aug. 2026: The fever suppression Scam: Why modern medicine tells you to “lower the heat” while your body is performing a biological reset....Med Beds Technology on Telegram

A fever is not the disease, it is the cure. By using synthetic fever reducers, you are literally turning off your immune system's primary weapon and turning an acute cleanup into a chronic illness.

For thousands of years, the greatest physicians knew the truth. Hippocrates, the father of medicine, famously said: *"Give me a fever and I can cure any disease."* He understood that heat is the body's most powerful regenerative force. Today, the moment a child's temperature hits 100°F, parents are told to reach for Tylenol or Ibuprofen. This is a catastrophic error in biological understanding.

The "Suppressed" Biological Reality: A fever is a highly coordinated, energy-intensive process initiated by the **Hypothalamus**. It is not a "malfunction."

The Pathogen Kill-Zone: Most pathogenic bacteria and viruses have a very narrow temperature range in which they can replicate. By raising the body temperature to 102°F or 103°F, your body creates a "fire" that literally melts the protective coatings of viruses and stops bacterial reproduction in its tracks.

Interferon Activation: Fever triggers the massive release of **Interferons**—natural anti-viral proteins that "interfere" with the ability of a virus to hijack your cells.

Heat Shock Proteins: The heat causes your cells to produce "Heat Shock Proteins," which act as molecular chaperones, repairing damaged proteins and cleaning up cellular debris.

Enzymatic Speed: Your metabolic rate increases by 7% for every degree of temperature rise. This means your white blood cells move faster, your lymph drains quicker, and your liver detoxifies at an accelerated pace.

The "Suppression" Trap: When you take a fever-reducer (like Paracetamol or Aspirin), you are "unplugging" the fire alarm while the fire is still burning. You feel "better" because the symptoms are gone, but the pathogen is now free to multiply in a cooler environment. Studies have shown that people who suppress their fevers stay sick **longer** and are more likely to spread the infection to others.

Why is this suppressed? Because a fever costs nothing. It is a free, internal "chemotherapy" provided by nature. The pharmaceutical industry makes billions selling over-the-counter fever reducers. They want you to fear the heat because a "suppressed" population is a "chronically inflamed" population. If you don't "burn off" the trash during an acute illness, that trash stays in your tissues, leading to autoimmune issues and chronic fatigue later in life.

How to respect the fire:

Don't Panic: A fever in a hydrated, conscious child or adult is rarely dangerous. The brain's "thermostat" has a built-in safety limit (usually around 105°F-106°F) that it will not cross unless there is external heat stroke.

Hydration & Electrolytes: The danger isn't the heat; it's the dehydration. Drink structured water and coconut water.

Wet Sock Treatment: An ancient naturopathic trick to encourage circulation without suppressing the heat.

Rest: The body needs every ounce of energy for the "burn."

S. Tues. 11 Aug. 2026 The Fall of Babylon: The Great Unmasking, The veil is finally tearing apart. What began with the exposure of the medical matrix during Covid and the unmasking of the Vatican-Wuhan-Silk Road serpent network is now reaching its ultimate climax. . . .Tier4b ISO20022 on Telegram

The final stronghold of the Cabal is crumbling from within. Israel is last because it holds the master keys to the global illusion.

The Global Spiderweb Revealed: Look closer at the machinery that has enslaved human consciousness for millennia. It was never about nations, borders, or political parties. It has always been a spiritual and energetic warfare waged by the Khazarian Mafia and their puppet masters.

- **The Financial Chokehold:** The 1913 Federal Reserve and the City of London act as the twin beating hearts of global debt slavery, funnelling trillions into black-budget operations, underground military bases, and human trafficking rings.

- **The Media Monopoly:** The six major corporate media conglomerates are entirely run by CIA/Mossad assets. Their sole directive is to project low-frequency fear, keeping humanity trapped in loops of helplessness, division, and artificial

scarcity.

- **The Techno-Censorship Grid:** Silicon Valley algorithms were engineered by intelligence agencies to suppress sovereign thought, alternative history, and spiritual awakening.

The Dominoes Are Falling. Every major historical event of the last two centuries was scripted by the same hidden hand to centralize power:

- **The Titanic (1912):** Not an accident, but the strategic elimination of prominent opponents to the creation of the Federal Reserve.

- **The Bolshevik Revolution (1917):** Funded entirely by Wall Street bankers to overthrow the Russian Czar and establish a totalitarian template for global control.

- **Operation Paperclip & Mockingbird:** Importing high-ranking Nazi scientists and intelligence operatives directly into the Pentagon, NASA, and mainstream media to weaponize psychological warfare against the American public.

The Great Awakening Cannot Be Stopped. The Deep State operators are in a state of absolute panic. Their panic is visible in every desperate mainstream media narrative, every forced digital ID push, and every engineered crisis designed to distract the masses. They are cornered.

- **The Vatican** financial records are open.

- **The trafficking tunnels** beneath major global capitals have been mapped and targeted.

- **The sovereign human collective** is waking up to the frequency of Love, Truth, and Unity.

The false light is dying. The true organic light of creation is returning to reclaim this planet. Hold the frequency. Trust the plan. The storm is here.

U. Tues. 11 Aug. 2026 ‘Conspiracy theorists’ are right again. Smart Dust and even an expansion of it are real, documented and have been tested. Smart dust, dust-sized cameras floating around like dandelion seeds, was originally conceived as a weapon. The idea was that helicopters and drones could drop smart dust into the air, and that would serve as a battlefield sensor network. ...JFK Awakening on Telegram

Researchers at the University of California, Berkeley announced they'd expanded on the concept by creating something called Stim Dust. Stim Dust gives the operator control over your nervous system. According to a press release, Stim Dust has, quote, opened the door for wireless communication to the brain and peripheral nervous system through tiny implantable devices inside body that are powered by ultrasound.

The researchers successfully implanted stimdust in a live rodent. They were able by doing this to, quote, control hind leg motion. Today the world is watching you. Tomorrow the world could be controlling you like a video game character”

Now they say this StimDust is actually meant for medical purposes. The researches say they hope the work can lead to applications of StimDust to treat diseases such as heart irregularities, chronic pain, asthma and epilepsy

So on one hand you have a genuine medical purpose something like this could be used for, on the other hand you know how evil the government and globalists are and you’re right to be worried about technology like this

The original smart dust is real too. Smart Dust is the 1990s–2000s idea from Kris Pister and others at Berkeley: swarms of tiny autonomous sensors with sensing, computing and wireless communication

Lab prototypes of this Smart Dust exist and specialized MEMS sensors have existed for years

Za. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has been released from the Guernsey County Jail, though still faces charges of Obstruction of Justice for harboring her abused daughter Kaitlynn. After seven years of suffering beatings, starvation for a year, refused medical treatment and other atrocities while in the Ohio Foster Child System, Kaitlynn and ran away to the protection of her mother.

The intention of Ohio authorities appeared to be to prevent Jeannine and Kaitlynn from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, "Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!"

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, "I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and

rape, plus contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand protection of Ohio’s Foster Children and Jeannine’s immediate dismissal of charges.

Zc. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Day #1034 - behind enemy lines

Dear Patriot Friends and Family,

After 8 exhausting years, and 20+ court cases in Utah State Court (Provo, Utah), U.S. District Court (Salt Lake City), Tenth Circuit Court of Appeals (Denver), US Tax Court and The Supreme Court of the United States (Washington D.C.), and despite the facts and The Law and your kind prayers & signatures in our behalf, we have been denied justice in "Barbie & Ken vs Goliath IRS".

Therefore, we have now taken our cause directly to President Donald J. Trump, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter below received by Pres. Trump's office this morning.

July 8, 2026 - 2:45 pm Update

Dear Patriot Friends & Family,

You may have heard about the massive wildfire that has burned over 90,000 acres, and has cause the evacuation of the city just south of our Florence (Colorado) Prison Camp, Medium, High and Super-

Max Prisons. Within the last hour we could see that the flames have worked their way over the top of the mountains and are within view. We also learned earlier this morning that 300 homes and 4 business have burned down. We're told that the prison does NOT intend to move us, but rather to shelter in place. This doesn't sound ideal to me as the smoke is really bothering this old man's asthmatic lungs, I've been struggling with coughing fits. Would you pray for the safety of the over 2,000 inmates at the four prisons?

The fires have also caused the warden to cancel all visits until further notice. Unfortunately, my sweet 90 year-old mother and my brother had planned for weeks, purchased tickets, and arranged for a car rental to visit this weekend, but of course, better safe than sorry. Hopefully, they'll be able to come for a visit soon.

With regards to our humble Barbie & Ken vs Goliath IRS Petition for a Constitutionally authorized Presidential Pardon, sorry, no we've not heard back from the White House in any way. Sure, we realize that our Petition has the chance of cherry popsicle in hell, but we continue to trust our future in His hands and to believe in His Miracles. We're especially attentive as we work to resolve Barbara's "situation" because of my official December 1st date now for half-way house for 3 months and 6 months of home confinement. We just want to be reunited as soon as possible

Thanks for You Ever-Kind Prayers,

Ken (and Barbara) Cromar

Ze. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Zf. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Zg. Judy Note: For the past 12 years through my daily update, “*Restored Republic via a GCR*” I have tried to keep the public posted on the latest news regarding the Global Currency Reset and formation of the Restored Republic under concepts of the original Constitution.

The GCR and Restored Republic have now arrived. You should see it unfold this coming week. With the upcoming Ten Days of Darkness and takeover of the fake news media by the military to publish real news, soon my Update will no longer be needed.

I will continue to write the *Restored Republic via a GCR Update* until then. Afterwards I will be writing articles and publishing books - the subject of which will surround a mission which I have been called to do: Expose the Satanic Ritual Abuse of children that is so rampant in our society. For the past weeks because of hackers, I have been facing considerable challenges in getting my daily update out. Now it appeared that those problems have been worked out. I thank all the encouragement and support received from editors and readers, especially Medeea of American Media Group, Patrick of Dinar Chronicles, my angel Marty of Rumor Mills, Mary of We The People News and my good friends Bonni, Jeannine, Judy 1, Judy 2, James, Rian and Paulette. It means a lot to know you are not alone in the fight.
