“Joy is a net of Love by which you can catch souls”

Judy Note: **As of Mon. 31 Aug. 2026** the new gold/asset-backed Quantum Financial System Global Currency Reset (GCR) was set to activate - taking US taxpayer monies away from control of the Deep State and giving it back to The People.

Also on Mon. 31 Aug. 2026 “Highways across the US were shutting down with travel restrictions and an Emergency lockdown. You needed virtual ID to enter businesses” according to The 17th letter site on Telegram, (believed run by JFK Jr.).

In the past the model of World economics had been defined by the Satan Worshiping Deep State Cabal Central Bank dominance, financial speculation and managed decline — which was now being systematically dismantled with the GCR.

It all happened under President Trump’s leadership - but had been planned since the Lincoln assassination and executed since the Kennedy assassination by White Hats at the Pentagon.

The Quantum Financial System (QFS) was a gold-backed, transparent system that ended financial slavery. It brought with it the Emergency Broadcast System (EBS) to deliver the truth directly to the people, bypassing the fake news media. But by far was the greatest accomplishment: Restoration of Constitutional Law. There soon would be massive exposure and arrests of those who betrayed humanity.

Lately Barack Obama had run that Deep State Cabal regime, groomed by the CIA to sabotage America from within. Obama — the CIA agent of infiltration, installed to dismantle the United States from the inside, step by step, administration by administration, betrayal by betrayal.

During Obama’s reign, there were scripted speeches, puppet politicians, fake elections, media manipulation, and a president (Biden) who couldn’t tie his own shoes without Obama giving clearance to handlers in the shadows.

The Cabal owned Federal Reserve and IRS played a central part in controlling the US, and World Economy. A Document proving that the Cabal’s IRS claims ownership of all US land, real estate and ‘all real men with hands and legs’. In law, reference to man includes women and children. [Michèle Ferris on X: "document proving that the IRS claims ownership of all land, real estate, and 'all real men with hands and legs'". In law, reference to man includes women and children" / X](#)

The fall of the Cabal’s fiat US Dollar was abruptly made known on Tuesday 25 Aug. 2026 when gold hit \$4,589 per ounce. In the last quarter Central banks had bought 288 tonnes of gold - the fastest accumulation since **1967**. The banks were positioning for a crash of their fiat US Dollar - which then happened on **Sat. 29 Aug. 2026** when the national debt crossed \$40 trillion.

Rolling Blackouts all across the World were happening now as the old Global financial fiat matrix disconnected. The World Banks had already moved to the gold-backed rails with Codes updated, Systems realigned. The Cabal’s debt chains had been successfully severed. It was the end of the corrupt fiat money system.

The GCR had been well prepared for this Mon. 30 Aug. 2026 transition. Gold and Peace Treaties had been signed by multiple nations. (Your nation could not be at war if you wanted to participate in the Global Currency Reset). Debts were wiped clean in test zones. Transactions had been recorded with biometric encryption.

Certain individuals saw “disappearances” in their balances — in a good way. Global prosperity programs were on their way. Suppressed technologies were nearing release and the future held healing and restoration.

Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

The Transition

G. CLASSIFIED BRIEFING — SEPTEMBER OPERATIONS ...Nesara Gesara
Connected on Telegram **Sun. 30 Aug. 2026**

The Emergency Broadcast System (EBS) is not an experiment — it is the *sovereign override*. When the command is executed, all civilian layers collapse under the military net. Television halts. Radio silences. Cellular towers bend to one frequency. Satellites align in sequence. A single stream pierces every barrier at once. There will be no negotiation, no delay, no censorship. The feed will cut through every channel and the message will be delivered.

THE ODIN LATTICE Behind the civilian layer sits the orbital net. Nodes above your head, linked in fractalized geometry, already pulsing test packets. Each burst mirrors itself across hundreds of redundant paths. Even if half the satellites were destroyed, the signal would still arrive — identical, uncorrupted, unstoppable. ODIN is not surveillance. ODIN is judgment in the form of light.

QFS — THE SILENT LEDGER While you sleep, the Quantum Financial System reconciles entire economies in seconds. Transactions you never see, mirrored across quantum nodes. Biometric keys already tested. Sovereign accounts unlocked. Military trusts re-routed.

- **Tier 1 and 2:** governments, elites, sealed under gag orders.
- **Tier 3:** bond holders and trusts, verified, waiting in silence.
- **Tier 4A:** insiders, tested live routing in past weeks.
- **Tier 4B:** the internet group — **you** — pending activation, signals pre-coded, awaiting the green flare.

MILITARY TRIBUNALS The trials have already begun in shadowed halls. Names you once thought untouchable are facing sealed charges. Some never returned from “vacations.” Others sit in compounds that no journalist may enter. Executions are not broadcast. Transfers are not recorded. But the ripple is visible in resignations, sudden illnesses, vanished faces. Sealed indictments number in the hundreds of thousands. The quiet storm courts are not theater — they are foundations for the public reveal.

THE TIMELINE

- **August:** final rehearsals of EBS tones — disguised as “emergency tests.”
- **September:** synchronization phase — tribunals accelerate, QFS packets confirmed.
- **October:** operational window — multiple aligned signals expected, beginning with civilian blackout drills.
- **Post-window:** the *reveal phase* — once ODIN fires, once the ledger handshakes with public nodes, nothing returns to the old world.

WHAT TO EXPECT

- **Screens freezing** at random hours.
- **Multiple “failures”** of mainstream broadcasts.
- **Sudden silence** across platforms followed by the tone — the *Trumpet Code*.
- **Markets convulsing** as unexplainable reconciliations ripple through banks.
- **Public shock** when sealed files surface simultaneously worldwide.

WHAT TO DO

1. **Anchor into secure comms** — only channels proven resilient will survive the override.
2. **Watch for Tier 4B pre-alerts:** coded phrases, sudden “drops,” unmarked links.
3. **Do not panic at silence** — silence is the prelude.
4. **Share only with those** who can withstand the collapse of illusions.

The shift will not be gentle. It will be total. Once the broadcast plays, the financial reset synchronizes, and the tribunals surface, the fabric of reality you once trusted will rupture. Those prepared will move with clarity. Those unprepared will drown in disbelief.

This is not speculation. This is cadence. Prepare your mind. Prepare your heart. The override is not coming “someday.” The override is staged **now**.

H. CLASSIFIED OVERRIDE TRANSMISSION – PRIORITY ALERT ...

Nesara Gesara Connected on Telegram **Sun. 30 Aug. 2026**

WHAT IS EBS REALLY?

- **It is the key** to override every channel, every tower, every node.
- **Linked with Project ODIN** and Starlink satellites, packets of truth are mirrored across hundreds of orbital paths at once. You cannot jam it. You cannot censor it.
- **When the command strikes**, every device you own will freeze — then unlock with the voice of truth.

THE FINANCIAL RESET – The QFS is not banking - it is liberation.

- **Biometric frequency access** — your body, your key.
- **Instant global settlement** — no middlemen, no surveillance.
- **Immutable quantum ledger** — incorruptible, eternal.

Tiers are moving fast:

- **Tier 1-2** → Governments, elites: already processed under silence.
- **Tier 3** → Military-linked trusts: synchronization nearly complete.
- **Tier 4A** → Insiders tested redemption nodes.
- **Tier 4B** → Internet group. That’s you. The green-light window is coded and waiting.

When the mirror locks:

1. **Rainbow wallets** long thought dormant will ignite from biometric phase-alignment. Their contents will defy known records.
2. **Tax liens** that shackled generations will vanish from the chain. The sovereign cannot be taxed by ghosts.

3. **A new Disclosure Stream** will begin within the inner slot of the global broadcast lattice. Only those tuned to the inner pulse will receive it.

THE HEALING TECH – MEDBEDS

Insiders confirm: MedBeds were tested on wounded soldiers and terminal patients.

- **DNA recalibration** — body restored to original blueprint.
- **Terahertz resonance mapping** — disease identified before it forms.
- **Zero-point rejuvenation** — cells rewritten, memory of trauma erased.

This is why trillions were spent to suppress it. Healing without control means the end of their industry. But the lock is breaking. The MedBed Card pre-orders are no rumor — they are the bridge. When the gates open, access will not be equal. Only those aligned will enter.

THE TIMELINE OF REVELATION

- **September signals:** final stress tests of EBS nodes.
- **October phase:** synchronized Tier-3 / Tier-4A settlements.
- **November storm:** blackout drills + controlled media silence.
- **The moment after silence:** full-scale override, tribunals broadcasted, sealed files released. And in that silence... the MedBeds. The unveiling. The healing of nations.

WHY NOW? Because the old system is collapsing. Look around — currencies in freefall, leaders vanishing, trials behind closed doors. The ones who swore power forever are falling into cages. The watchers know the clock is finished.

I. GLOBAL CURRENCY RECALIBRATION AND COMMODITY BACKED MONETARY TRANSITION ACTIVATED AMID MASSIVE DEBT SYSTEM COLLAPSE ...Mr. Pool on Telegram Sun. 30 Aug. 2026

THE OLD FIAT BANKING ARCHITECTURE IS ACTIVELY BEING BYPASSED AS SOVEREIGN LEDGERS MIGRATE TO SECURE QUANTUM PROTOCOLS. INTERNATIONAL SETTLEMENT HUBS ARE CUTTING OFF LEGACY SWIFT NODES TO PREVENT LAST-MINUTE DRAINAGE OF UNSUPPORTED DEBT BY CARTEL NETWORKS AND COMPROMISED TREASURIES.

MULTI-TIERED ASSET RECOVERY PROTOCOLS HAVE SEIZED CONTROL OF HIDDEN TRUSTS, CENTRALIZED CARTEL HOLDINGS, AND ILLICIT REAL ESTATE PORTFOLIOS ACROSS MAJOR OFFSHORE JURISDICTIONS. FORENSIC AUDITORS AND SPECIALIZED INTERAGENCY TEAMS ARE LOCKING DOWN THE ENTIRE TRACEABILITY CHAIN OF HIDDEN CAPITAL.

THE NEW ECONOMIC FRAMEWORK IS ANCHORED BY HARD COMMODITY BACKING, ENSURING EVERY UNIT OF VALUE CORRESPONDS TO REAL TANGIBLE ASSETS RATHER THAN INFINITE DEBT CREATION. COMMERCIAL BANKS FAILING TO COMPLY WITH THE NEW TRANSPARENCY MANDATES ARE FACING IMMEDIATE LIQUIDITY

FREEZES AND COMPLIANCE TAKEOVERS.

GLOBAL EMERGENCY BROADCAST PROTOCOLS ARE PREPARED TO OVERRIDE MAINSTREAM FREQUENCIES WITH UNEDITED FINANCIAL LEDGERS, OFFSHORE WIRE TRAYS, AND DECLASSIFIED CORPORATE OWNERSHIP CHARTS. THE TRUTH BEHIND DECADES OF CONTROLLED INFLATION AND WEALTH EXTRACTION IS SET FOR PUBLIC VERIFICATION.

THIS IS THE FINAL STAGE OF THE OLD PARADIGM COLLAPSE. THE ERA OF UNBACKED PAPER DEBT IS OFFICIALLY OVER. STAY STEADY, SECURE YOUR POSITION, AND WATCH THE CHANNELS FOR THE NEXT WAVE OF VERIFIED DROPS.

J. ATTENTION: THE FINAL COUNTDOWN HAS BEGUN! ...Christian B. Wallace Tier4b ISO20022 on Telegram **Sun. 30 Aug. 2026**

If you thought the last few days were intense, what is happening right this moment is exceeding all expectations! SECRET PROCESSES HAVE ENTERED THE FINAL STAGE!

The final verification for Tier 4B are officially completed behind closed doors. There is no more room for delays – the system is fully locked down and ready for launch.

Banking servers are operating in "silent transition" mode. Key institutions are in constant coordination to prevent any attempt at sabotage by the old, corrupt lobby.

WHAT IS HAPPENING AWAY FROM THE PUBLIC EYE? The mainstream media continues to distract the public with fake news and empty noise, trying to pull attention away from what truly matters. But those who know the truth are looking beneath the surface:

1. **The code is green** – Instructions have been dispatched to all relevant checkpoints.
2. **Liquidity is prepped** – Transfers are awaiting only the final green light for distribution to end users.

STAY CALM AND FOCUSED! This is the moment we have been preparing for over the years. Do not let panic, rumors, and daily noise distract you from the goal.

The transition isn't just on the horizon — IT IS HAPPENING NOW.
Stand ready. The new era is at your doorstep.

K. WHEN YOU FEEL LIKE NOTHING IS HAPPENING, GET READY! ...Nesara Gesara QFS Med Bed on Telegram **Sun. 30 Aug. 2026**

In the vortex of reality today it feels like nothing is happening as thousands

of invisible wheels turn in the shadows. Yet the chessboard of politics teeters on an unseen revolution. Patriots must prepare for major shifts ahead.

Chaos often births great revelations. Frustration grows with claims that nothing is happening. Avoid despair by embracing patience and persistence to reveal hidden movements.

In recent 2026 developments Putin announced the activation of gold and asset backed Global Currency Reset currencies by BRICS nations. This move signals the potential end for the fiat US Dollar. Trillions in US Treasury Bonds returned to Europe and nations worldwide exposing the US Corporation nearing insolvency.

The administration under Joe Biden is heading toward resignation. NESARA and GESARA disclosures with their sweeping reforms are expected to emerge afterward realigning global economics.

Trump strongly supported the Quantum Financial System for US growth and security. The QFS ensures clean asset backed fund movements replacing the outdated SWIFT system with an independent global network. It is advanced asset backed digital currency making old systems obsolete.

Military tribunals operate under the Insurrection Act to handle treason cases beyond Supreme Court reach. Deep State criminals rogue agents and shadow government operatives face justice for their soft coup efforts and subversion plans targeting America.

Biden advances a decades old plan to undermine the United States from within. Treason is defined as levying war or aiding enemies with comfort that weakens the nation. White hats counter these threats effectively.

The Emergency Broadcast System stands ready amid looming scare events and possible blackouts. Citizens must remain vigilant trust the plan and stay strong through the transition.

A vortex of change swirls beneath calm surfaces. Quantum Financial System integration with Global Currency Reset protocols promise financial liberation abundance and a new paradigm for prosperity.

When time seems frozen patience means active vigilance. The familiar political landscape nears dramatic transformation as winds of change sweep away the old order and reveal hidden truths.

Patriots, the Storm is building toward a grand finale. BQQM time brings a new dawn of freedom and justice for all who stand ready.

On August 25, 2026, Florida Attorney General James Uthmeier stood before cameras and said a number that should have been on every front page in America: 163. One hundred sixty-three children. Recovered in five days. Some were 2 months old.

But here is what they did not tell you. Operation Statewide Shield was not a rescue mission. It was a harvest recovery. The children were not “lost.” They were taken. Processed. Moved through a network that spans six states, one U.S. territory, and twelve countries.

I have been told by a contact inside the recovery hub that three of the children were found with surgical scars that no pediatrician could explain. Not from accidents. Not from illness. From extraction.

The official report says “abuse, neglect, exploitation.” Read between the lines. They are telling you without telling you. Tampa Bay — 46. Miami — 41. Jacksonville — 32. Orlando — 21. Those are not statistics. Those are doors that were kicked in. Those are basements that were opened. Those are children who heard footsteps and thought it was over.

And the names? The client list? The ledger? I know where it is. I have seen the first page. SEPTEMBER 15. The date the first wave of names goes public. Not all of them. Just enough to make the rest run.

They spent decades building a (Child Sex Trafficking, Organ and Adrenochrome Harvesting) pipeline for our children. He is tearing it down in 75 days. The shield is not a slogan. It is a promise: find them, protect them, bring them home.

THE CALCUTTA OPERATION Between 1962 and 1997, Teresa's Missionaries of Charity processed over 3 million orphans through 517 homes in 100+ countries.

Exposed records show:

- * Babies taken from mothers who were told their children died at birth.
- * Adoption papers signed by nuns with no government oversight.
- * Children shipped to wealthy families in Europe and America for \$15,000 to \$50,000 each.
- * Estimated annual revenue: \$50 to \$100 million. Tax-free. Unaudited. Untraceable.

She didn't save those children. She sold them.

THE CONNECTIONS THEY HID

- * Baby Doc Duvalier — Haitian dictator. Gave Teresa access to orphanages across Haiti. The same Haiti that feeds children into the Epstein pipeline today.
- * Charles Keating — Criminal banker. Donated \$1.25 million to Teresa. She wrote a personal letter to the judge begging for his release. The money came from stolen savings of 23,000 Americans.
- * Robert Maxwell — Father of Ghislaine Maxwell. Media mogul. Connected to Teresa through Vatican fundraising channels. His daughter became Epstein's chief recruiter.
- * Hillary Clinton — Co-founded a toddler home in Washington DC with Teresa in 1995. The home was quietly shut down in 2012. No records of where the children went.

THE VATICAN VAULT In 2017, Indian police raided a Missionaries of Charity home in Ranchi. They found nuns selling babies for \$1,800 each. The Vatican's response? Silence. Pope Francis fast-tracked Teresa's sainthood in 2016 — one year BEFORE the raid. They canonized her to make her untouchable.

The Vatican Bank processed \$8 billion in anonymous donations through Teresa's network between 1970 and 1997. No receipts. No records. No questions.

Where did the money go? Where did the children go? Same answer. Same

network. Same people.

THE EPSTEIN CONNECTION Haiti → Dominican Republic → Virgin Islands. This was Epstein's route. But it was Teresa's route 30 years earlier. The orphanages she built became the supply chain for what came after. Brunel used her agencies. Maxwell used her contacts. Epstein used her infrastructure. She built the machine. They just turned it on.

The Nobel Prize. The sainthood. The hospitals named after her. All of it — a cover for the greatest child trafficking operation ever constructed. 3 million orphans. Zero accountability. One "saint." The truth doesn't care about your feelings.

N. What We Think We Know as of Mon. 31 Aug. 2026:

Former U.S. Naval Intelligence officer Milton William Cooper alleged that President John F. Kennedy was killed by Secret Service agent William Greer — the driver of the presidential limousine — rather than Lee Harvey Oswald acting alone. In 2001, just weeks before the attacks, Cooper predicted that a major terrorist strike on a U.S. city would occur and that Osama bin Laden would be immediately blamed for it. He warned: “Something terrible is going to happen... and whatever happens, they’re going to blame it on Osama bin Laden. Don’t believe it.” William Cooper was killed later that same year, only months after making the prediction. ...Julian Assange on Telegram **Sun. 30 Aug. 2026**

O. ONE WEEK. READ WHAT ONE MAN DID IN SEVEN DAYS. ...Mr. Pool
Final Chapter on Telegram **Sun. 30 Aug. 2026**

Monday 24 Aug. 2026 — 163 children rescued in Florida. The largest child recovery operation in American history. Ages 2 months to 17 years. Found in motels, apartments, and one storage unit in Tampa. The media gave it 40 seconds.

Tuesday 25 Aug. 2026 — Gold hit \$4,589 per ounce. Central banks bought 288 tonnes in one quarter. The fastest accumulation since 1967. They are not investing. They are positioning.

Wednesday 26 Aug. 2026 — Fauci launched a legal defense fund. Not a research fund. Not a charity. A DEFENSE fund. Innocent men do not need defense funds. Guilty men do.

Thursday 27 Aug. 2026 — RFK Jr. opened the Federal Register. Thirty days of public comment on the childhood vaccine schedule. The first time in forty years parents are allowed to speak. The comment period closes September 30.

Friday 28 Aug. 2026 — The FDA approved the new shots with the exact restrictions Kennedy demanded. The old guard lost. The new guard won. The schedule is being rewritten by the people, not the pharmaceutical lobby.

Saturday 29 Aug. 2026 — The national debt crossed \$40 trillion. The system they built is dying on schedule. Every dollar printed is a confession that the old model is finished.

Sunday 30 Aug. 2026 — 200,000 visas revoked. The largest revocation in history. The border is not closing. It is CLOSED.

SEVEN DAYS. SEVEN MOVES. ZERO COVERAGE. They told you he was losing. They told you the movement was dead. They told you to give up and go home.

LOOK AT THE BOARD. Children rescued. Gold repositioned. Fauci cornered. Parents heard. The FDA bent. The debt exposed. The border sealed. Every move was public. Every move was buried. Every move was part of the same sequence.

Your family is safer this week than last week. Your money is closer to being yours. Your children are closer to being protected. You felt it — you just didn't see it on one screen.

Now you see it. I was told on August 24 — six days ago — that September will make August look like a rehearsal. The first window opens September 15. What comes through it will not be deniable. What comes through it will not be reversible.

You were not crazy for waiting. You were EARLY. Seven days. Seven victories. And the board is just being set.

P. TRUMP KILLS THE DEATH TAX — THE LAND STAYS IN THE FAMILY, FOREVER ...Tier4b ISO20200 on Telegram Sun. 30 Aug. 2026

No more will a family lose their farm and mourn their father. The price of inheritance will never again be blood. The death tax is gone. The land that built America doesn't belong to the IRS anymore. Mr. Trump didn't do a reform. He ended a betrayal. Taxation as "theft" from future generations is dead.

For decades when a farmer died the government came first. The IRS would put a death tax on the land, knowing full well there was no cash to pay it. The children had two options—sell the land or borrow against it and drown in debt. In either case, the family lost. This was not a flaw in the system. That was the system. It was a creeping war on rural America, and the IRS was the weapon.

Trump did that. With one stroke of the pen, he dismantled a silent engine of destruction that had stolen millions of acres from hardworking families. No more auctions by force. No more banks taking the fruits of the hard work of patriots. No more standing for your father's soil being sold to corporations backed by BlackRock.

"It's not a crime to be cash poor but real estate rich." That's the American Dream." Trump guarded that dream. He stood between the people and the machine, and he broke the link.

They called it a fair share." It was euthanasia by economics. They waited for death, using grief as a lever. But now? It's finished.

The IRS won't be there at the grave anymore.

Families will remain on their land from Iowa's wheat fields to California's vineyards. They won't let their legacy be stolen. And it is clear:

TRUMP MADE SURE OF THAT. THE LAND STAYS WITH US. THE

FAMILY STAYS ON IT.

This isn't policy. This is salvation. And this is only the beginning.

QFS has just gone live but not many people are watching it right now.

R. THEY ARE NOT MEETING TO DISCUSS CRYPTO. THEY ARE MEETING TO DECIDE WHAT CRYPTO WILL BE ALLOWED TO BECOME. ...Mr. Pool Final Chapter on Telegram **Sun. 30 Aug. 2026**

The public watches Bitcoin move through a screen. Institutions watch something else: liquidity, settlement, reserves and access. Those four words rarely make headlines, but they decide which markets can breathe when volatility arrives. Behind every exchange, every stablecoin redemption and every sudden wall of selling, there is a financial system built to move dollars before the crowd even understands what changed.

The visible facts are already enough to raise questions. FedNow continues to expand as a real-time settlement network, while stablecoins are being pulled closer to regulated finance. The Federal Reserve has openly studied how banks respond to new financial technologies, and international policymakers are examining what stablecoins could mean for deposits, credit and monetary control. 1 2 3

Here is where the theory begins — not with one photographed meeting, but with the meetings nobody labels “crypto meetings.” Treasury officials discuss liquidity. Bank executives discuss settlement. Regulators discuss reserves. Payment companies discuss tokenization. Different rooms. Different language. Possibly the same destination.

If the largest institutions can influence which stablecoins receive access, which networks receive legitimacy and which forms of digital money remain outside the gate, then the next crypto battle may not be fought on the chart. It may be fought in the plumbing beneath the chart. The public will see a price collapse or a sudden rally. The people closest to the system may see a permissions change made weeks earlier.

That is the detail worth remembering: R, S, A — reserves, settlement, access. Three ordinary words. Three pressure points. Remove one, and an entire market can appear free while moving through a corridor designed by someone else.

No public evidence proves a single secret banking council controls the crypto market. But the architecture is changing in public, piece by piece. And when the architecture changes quietly, the first signal is rarely an announcement.

Sometimes it is a door that opens for one asset... and remains closed for everything else.

S. WHEN YOU FEEL LIKE NOTHING IS HAPPENING, GET READY! ...Nesara Gesara QFS Med Bed on Telegram **Sun. 30 Aug. 2026**

In the vortex of reality today it feels like nothing is happening as thousands of invisible wheels turn in the shadows. Yet the chessboard of politics teeters on an unseen revolution. Patriots must prepare for major shifts ahead.

Chaos often births great revelations. Frustration grows with claims that nothing is happening. Avoid despair by embracing patience and persistence to reveal hidden movements.

In recent 2026 developments Putin announced the activation of gold and asset backed Global Currency Reset currencies by BRICS nations. This move signals the potential end for the fiat US Dollar. Trillions in US Treasury Bonds returned to Europe and nations worldwide exposing the US Corporation nearing insolvency.

Trump strongly supported the Quantum Financial System for US growth and security. The QFS ensures clean asset backed fund movements replacing the outdated SWIFT system with an independent global network. It is advanced asset backed digital currency making old systems obsolete.

Military tribunals operate under the Insurrection Act to handle treason cases beyond Supreme Court reach. Deep State criminals rogue agents and shadow government operatives face justice for their soft coup efforts and subversion plans targeting America.

Biden advances a decades old plan to undermine the United States from within. Treason is defined as levying war or aiding enemies with comfort that weakens the nation. White hats counter these threats effectively.

The Emergency Broadcast System stands ready amid looming scare events and possible blackouts. Citizens must remain vigilant trust the plan and stay strong through the transition.

A vortex of change swirls beneath calm surfaces. Quantum Financial System integrations with Global Currency Reset protocols promise financial liberation abundance and a new paradigm for prosperity.

When time seems frozen patience means active vigilance. The familiar political landscape nears dramatic transformation as winds of change sweep away the old order and reveal hidden truths.

Patriots, the Storm is building toward a grand finale. BQQM time brings a new dawn of freedom and justice for all who stand ready.

“Gardasil is the single worst mass vaccine that we’ve ever seen. It targets millions of pre-teens & teens, whose risk of dying from cervical cancer is ZERO. Nobody in their right mind would ever take this vaccine if they actually read the clinical literature.”

Death rates in the Gardasil trials were 37 times the death rates for cervical cancer. Your child is 37 times more likely to DIE from the shot than from cervical cancer itself.

And here’s the criminal part: It was NEVER tested against a true inert placebo. Merck ran the studies, Merck paid for the studies, Merck decided what injuries were “just coincidences.” The control group got aluminum neurotoxins — the same injuries as the vaccine group — so Merck wrote them all off. No science. No safety. Just profit. This is being pushed on our kids while Big Pharma laughs all the

V. THEY TOOK THE “POWER UNITS” FROM HER LEG—AND INJECTED THEM INTO HER BLIND EYES. What happened next has opened a completely new door in medicine. A 26-year-old woman had suffered a devastating brain hemorrhage. The damage reached her optic nerves and retina, leaving her almost completely blind....Med Bed Technology on Telegram Sun. 30 Aug. 2026

For 71 days before the procedure, doctors performed 45 automated tests. Not one showed a normal pupil response to light. Then the medical team tried something never previously reported in a human eye. They removed a small piece of muscle from her leg. From that tissue, they isolated fresh mitochondria—the microscopic structures that produce energy inside our cells. The mitochondria were then injected directly into both eyes, 24 hours apart.

Within days, her pupils began responding to light again. After treatment, 13 of 52 measurements reached the normal-response threshold. She was also reported to perceive shapes and shadows through her left eye.

But here is the part that matters: The effect faded after approximately four weeks, and the procedure did not restore measurable vision.

This was one patient. The report has not yet completed peer review. It is not proof of a cure. Yet the experiment crossed a boundary that would have sounded impossible not long ago: Instead of replacing an entire damaged cell, scientists attempted to rescue it by transferring new biological “power units” into the tissue.

The question is no longer whether living mitochondria can be placed inside the human eye. They already have been. The real question is whether the effect can one day be made strong enough—and last long enough—to save vision.

X. THE ELEVATOR OPERATOR WHO TOOK 27 DYING PATIENTS TO FLOOR -9 “At 1:14 AM, I took 27 terminal patients underground. At 4:06 AM, 26 of them walked back into my elevator.” ...Med Bed Technology on Telegram Sun. 30 Aug. 2026

For eight years, I maintained the emergency elevators at RAVENCREST MEDICAL ANNEX—a private facility hidden beneath a government warehouse outside Denver.

The public building had three floors. The elevator had twelve. Floors -4 through -9 only appeared after an authorized wristband touched the control panel. We were told they contained generators, water tanks, and emergency supplies. That was a lie.

On February 3, 2024, I received a Priority Black transfer order. Twenty-seven patients. All listed as “end-stage.” All removed from different hospitals within the same ninety-minute window. Cancer. Organ failure. Paralysis. Neurodegeneration. No names—only numbers. The youngest was 34. The oldest was 91.

My instructions were simple: Take them to Floor -9. Keep the doors open for exactly 40 seconds. Do not exit the elevator.

The descent lasted 63 seconds—far longer than the building’s depth should have allowed. When the doors opened, I saw a circular chamber larger than a football field. Forty white pods surrounded a blue-lit platform. Above each pod was a screen displaying a human body in layers: bones, organs, nerves, blood, then something that looked like light moving through the cells.

The 27 beds were taken from the elevator. Before the doors closed, one screen flashed:

PROTOCOL: TOTAL SYSTEM RESTORATION

ESTIMATED COMPLETION: 172 MINUTES

PUBLIC ACCESS CLASSIFICATION: ZERO

At 4:06 AM, I was ordered back down. The doors opened. Twenty-six people were standing. No wheelchairs. No oxygen tanks. No IV lines. The oldest man walked into the elevator carrying the blanket that had covered him three hours earlier. A woman who had arrived unable to move her left side pressed the button herself. Everyone was silent.

Except Patient 27. He refused to enter. He was 52 and had arrived with advanced organ failure. Now he stood perfectly straight, holding two photographs. “My daughters are upstairs,” he said. “Both have the same disease. Bring them down.”

The security officer answered: “They are not authorized.” The man looked at the 26 healed patients inside the elevator. Then he said the sentence I still hear every night: “Then put the sickness back. I will not walk out healed while they are left to die.”

Security pulled him away. The doors closed. Twenty-six restored patients returned to the surface. Patient 27 never did.

The next morning, the elevator log had been erased. But the backup counter remained. Floor -9 had been activated 1,284 times in eighteen months. The system showed a 94% return rate. That means more than a thousand people may have entered that level sick—and returned through the same doors restored.

Three days later, RAVENCREST was emptied. The warehouse was demolished. The elevator shaft was filled with concrete. Before the power died, one final message appeared on the panel:

PROGRAM RELOCATED.

PATIENT 27: STATUS SEALED.

CIVILIAN EXPANSION: SUSPENDED.

CODE: RAVENCREST / FLOOR-9 / PRIORITY-BLACK / PATIENT-27

They told you miracles could not be scheduled. What if the schedule already exists—and your name is simply not on it? Healing hidden from the dying is not medicine. It is control. Share this before Floor -9 disappears again.

Y. BREAKING: Most Comprehensive Ever Analysis of the Causes of Autism Finds Vaccination Is the DOMINANT Risk Factor ...John F. Kennedy Jr. on Telegram Sun. 30 Aug. 2026

After decades of censorship and denial, the verdict is finally delivered in the McCullough Foundation's Landmark Report of over 300 studies: Autism is on the rise for complex reasons, but vaccination is the MOST significant, preventable cause.

We found potential determinants of new-onset autism before age 9 including:

Older parental age (35 years mother, 40 years father)
Premature birth (37 weeks)
Common genetic variants
Autistic Siblings
Maternal immune activation
In utero drug exposure
Environmental toxicants
Gut-brain axis disruptions
And combination childhood routine vaccination

Of 136 studies of vaccines or components:

107 (79%) found evidence that was consistent with a vaccine-autism connection
29 said "no association," but had no truly unvaccinated controls
12 studies of fully vaccinated vs. unvaccinated children, every single time the unvaccinated group had much better overall health and dramatically lower autism risk.

Converging biologic mechanisms pointed to common pathways — immune dysregulation, mitochondrial dysfunction and neuro inflammation — induced by clustered and early-timed vaccination during critical windows of brain development.

This analysis is unique. It clarifies the relative contribution of vaccination compared to genetic and environmental domains by evaluating all known risk factors side by side. No prior review has attempted this integrative scope without excluding positive vaccine-association studies, or without un-vaccinated controls—an important step in determining whether vaccines do indeed play a role in autism risk, and if so, how meaningful that role is in the larger causal landscape.

This report is our breakthrough out of the iron grip of censorship on the issue of vaccination and autism by the Bio-Pharmaceutical Complex. It also marks Dr. Andrew Wakefield's first major re-entry into the scientific literature in years—after enduring years of irrational attacks from the vaccine cartel.

This historic effort was made possible thanks to the tireless work of the McCullough Foundation team: Nicolas Hulscher, MPH, John S. Leake, MA, Simon Troupe, MPH, Claire Rogers, MSPAS, PA-C, Kirstin Cosgrove, BM, CCRA, M. Nathaniel Mead, MSc, PhD, Bre Craven, PA-C, Mila Radetich, Andrew Wakefield, MBBS, and Peter A. McCullough, MD, MPH — and support from the Bia-Echo Foundation.

CONCLUSION The weight of evidence favors a multi-factorial model of ASD in which genetic predisposition, neuro-immune biology, environmental toxicants, perinatal stressors and iatrogenic exposures converge to produce the phenotype of a post-encephalitic state.

Combination and early timed routine childhood vaccination represents the most important modifiable risk factor for ASD, supported by convergent mechanistic, clinical, and epidemiologic findings. It is characterized by intensified use, the clustering of multiple doses during critical neurodevelopmental windows, and the lack of research on the cumulative safety of the full pediatric schedule.

Ze. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has been released from the Guernsey County Jail, though still faces charges of Obstruction of Justice for harboring her abused daughter Kaitlynn. After seven years of suffering beatings, starvation for a year, refused medical treatment and other atrocities while in the Ohio Foster Child System, Kaitlynn and ran away to the protection of her mother.

The intention of Ohio authorities appeared to be to prevent Jeannine and Kaitlynn from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, "Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!"

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, "I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

"Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years."

You can help. Please consider calling or emailing Ohio authorities and demand protection of Ohio's Foster Children and Jeannine's immediate dismissal of charges.

Zf. Judy Note: Satanic Ritual Abuse Survivor-Victims Ana and Gabriel need your help.

Judy Note: I have known Ana and Gabriel for several years. They have been undergoing untold abuse and death threats – that were headed by Gabriel's father, who is high up in the pharmaceutical field and Belgium Satanic Coven. Ana is desperate and asking readers for financial help and/or a job she could do from home over the Internet. I verify that Ana is brave, honest and sincere in her request. Her situation is not unlike many SRA Survivors I have personally come to know. Please keep Ana and her son Gabriel in your prayers. ...Love, Judy

“Hello Judy, The situation is extremely dangerous at the moment. I can't leave my home anymore, other than take Gabriel to and from school and going to the supermarket. Last Monday there was another kidnap attempt at the supermarket parking lot. I'm in such a stressful and dangerous situation. I ask you to please publish and relay to your contacts in other media outlets for publishing the below article as soon as possible, with an update of my situation, request for help and offering of doing any online administrative work in any of the four languages I speak. Maybe someone benevolent that has funds will hear my call and give me some online work so that I can provide for my son and keep us safe until the rv is here.”

Zg. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. If you would like to support Ballard's unjust persecution, contribute here: [Ballard Family Defense Fund GiveSendGo](#) | [Ballard Family Fund](#)

Zh. "Ken and Barbie vs. Goliath IRS":

Ken Cromar presently sits in prison having been found guilty of living in his own fully owned home and after proving in a Federal Tax Court that he owed no monies to the IRS. Despite the ruling in Cromar's favor, the IRS sold his home at auction and threw away all his possessions including expensive camera equipment he used to make a living. **Ken (& Barbara) Cromar**

Day #1034 - behind enemy lines

Dear Patriot Friends and Family,

After 8 exhausting years, and 20+ court cases in Utah State Court (Provo, Utah), U.S. District Court (Salt Lake City), Tenth Circuit Court of Appeals (Denver), US Tax Court and The Supreme Court of the United States (Washington D.C.), and despite the facts and The Law and your kind prayers & signatures in our behalf, we have been denied justice in "Barbie & Ken vs Goliath IRS".

Therefore, we have now taken our cause directly to President Donald J. Trump, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter below received by Pres. Trump's office this morning.

July 8, 2026 - 2:45 pm Update

Dear Patriot Friends & Family,

You may have heard about the massive wildfire that has burned over 90,000 acres, and has cause the evacuation of the city just south of our Florence (Colorado) Prison Camp, Medium, High and Super-Max Prisons. Within the last hour we could see that the flames have worked their way over the top of the mountains and are within view. We also learned earlier this morning that 300 homes and 4 business have burned down. We're told that the prison does NOT intend to move us, but rather to shelter in place. This doesn't sound ideal to me as the smoke is really bothering this old man's asthmatic lungs, I've been struggling with coughing fits. Would you pray for the safety of the over 2,000 inmates at the four prisons?

The fires have also caused the warden to cancel all visits until further notice. Unfortunately, my sweet 90 year-old mother and my brother had planned for weeks, purchased tickets, and arranged for a car rental to visit this weekend, but of course, better safe than sorry. Hopefully, they'll be able to come for a visit soon.

With regards to our humble Barbie & Ken vs Goliath IRS Petition for a Constitutionally

authorized Presidential Pardon, sorry, no we've not heard back from the White House in any way. Sure, we realize that our Petition has the chance of cherry popsicle in hell, but we continue to trust our future in His hands and to believe in His Miracles. We're especially attentive as we work to resolve Barbara's "situation" because of my official December 1st date now for half-way house for 3 months and 6 months of home confinement. We just want to be reunited as soon as possible

Thanks for You Ever-Kind Prayers,

Ken (and Barbara) Cromar

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. Zi. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

Zj. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam are urged to type up their experiences including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

Present a notarized copy of your TRB complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**

Zk. Judy Note: For the past 12 years through my daily update, "Restored Republic via a GCR" I have tried to keep the public posted on the latest news regarding the Global Currency Reset and formation of the Restored Republic under concepts of the original Constitution.

The GCR and Restored Republic have now arrived. You should see it unfold this coming week. With the upcoming Ten Days of Darkness and takeover of the fake news media by the military to publish real news, soon my Update will no longer be needed.

I will continue to write the *Restored Republic via a GCR Update* until then. Afterwards I will be writing articles and publishing books - the subject of which will surround a mission which I have been called to do: Expose the Satanic Ritual Abuse of children that is so rampant in our society. See: [HOME | Judy Byington \(judy-byington.com\)](#)

For the past weeks because of hackers, I have been facing considerable challenges in getting my daily update out. Now it appeared that those problems have been worked out. I thank all the encouragement and support received from editors and readers, especially Medeea of American Media Group, Patrick of Dinar Chronicles, my angel Marty of Rumor Mills, Mary of We The People News and my good friends Bonni, Jeannine, Judy 1, Judy 2, James, Rian and Paulette. It means a lot to know you are not alone in the fight.
