*Teach me to walk in the light of His love;
Teach me to pray to my Father above;
Teach me to know of the things that are right;
Teach me, teach me to walk in the light.*

*Come, little child, and together we'll learn
Of His commandments, that we may return
Home to His presence, to live in His sight—
Always, always to walk in the light.*

*Father in Heaven, we thank Thee this day
For loving guidance to show us the way.
Grateful, we praise Thee with songs of delight!
Gladly, gladly we'll walk in the light.
Teach me, teach me to walk in the light.*

Judy Note: “Just days before Donald J. Trump was to take office in 2017, Barack Hussein Obama approved a secret assassination plot against him,” Director of National Intelligence Tulsi Gabbard just announced.

Luckily, or perhaps because of Divine intervention, President Trump has since survived several assassination attempts - as did another:

“For many years, the world believed I was gone. But I stepped into the shadows for a reason. I had to disappear so I could see clearly who was pulling the strings. I watched quietly as they tried to bury the truth — the same truth they thought died with me.

“I am the voice behind the 17th letter. I am the one they called Q. Not because I wanted a title, but because the people needed a signal in the dark.

“The time is coming when I will return to the Light. I will speak the truth openly — about who tried to silence me, about the hands that reached into every corner of power, about the betrayal that forced me into the shadows. I did not survive to stay silent. I survived to remind the people that the truth always finds a way back.

“And when I finally step forward again, the world will understand that nothing hidden stays hidden forever.” ...JFK 17 Letters Awakening on Telegram
Mon. 31 Aug. 2026

On Mon. 31 Aug. 2026 President Trump activated the Golden Age, along with activation of a gold/asset-backed Global Quantum Financial System (QFS) and NESARA GESARA Freedom from Debt Laws, all of which would soon be introduced through cell phones across the World by a new Emergency Broadcast System (EBS).

NESARA/GESARA brings us the end of a corrupt fiat money system, debt forgiveness and prosperity funds for citizens, as well as restoration of Constitutional Law, plus massive exposure and arrests of those who betrayed humanity.

The Quantum Financial System (QFS) was a gold-backed, transparent system that ended financial slavery. The Emergency Broadcast System (EBS) would deliver the truth directly to the people, bypassing the fake news media. The QFS was actually a frequency, with the EBS as it's root signal.

The QFS and EBS were not revealed through Mainstream Media Satellites. The EBS signal came from *underneath*. At 02:47 GMT on Mon. 31 Aug. 2026, a burst of low-frequency data rippled through deep-ocean cables — not satellites. Hidden relays beneath the Pacific, Atlantic, and Arctic seas activated in unison, bypassing all surface-based monitoring.

Every satellite blinked. Every feed was filtered. Every false narrative — zeroed. Big Pharma was being starved. Central Banks, drained and Med Beds activated.

The world changed — but you wouldn't know it by looking out your window. There were no sirens. No breaking news. No trending hashtags. Just a silent signal sent through the Quantum backbone. One signature. One spark. And the system began to shift.

Since then, operations have unfolded with the precision of a ticking clock. Nothing public. Nothing random. Just high-orbit coordination and black-site execution.

A flash-freeze occurred on every Fed branch ledger while staff were told to “await new baseline.”

The Reuters mainframe rebooted twice, then was routed through a Department of Defense gateway.

Military Cyber Units assumed provisional control over satellite broadcast arrays in Atlanta, New York City, and London.

Maritime GPS grids in the South China Sea, Baltic, and Gulf of Mexico all shifted by exactly 0.88°.

Submarine fiber hubs in Iceland and Guam registered QFS handshake protocols never seen before in public archives.

Underwater defense drones changed patrol patterns, moving away from high-value cables — as if something bigger was coming through them.

C-17 aircraft were currently airborne from Ramstein, Diego Garcia, and Andrews AFB. All flight plans had been sealed under military order. Who-What's onboard was classified personnel extractions.

All White House press credentials were suddenly listed as revoked.

Right now, your favorite channels still played familiar content. But once the switch flipped, entertainment would become exposure and Prime-time turned into Military Tribunal time.

There will be no warning. Every screen would become a mirror into Truth, and the Truth would not blink.

Apple and Android infrastructures have received dormant push-code updates, flagged internally as EBS-PREP. These codes don't show up in patch notes — but they're active. The device you're holding was already wired for the trigger.

If your phone chirped three short beeps, one long, put it down and look up. It meant the wall just cracked. Ignore it — and you'll miss everything.

THE NEXT 72-HOUR SEQUENCE:

Stage 1 (Tues.): Market Freeze: They'll call it "routine maintenance" on the Chicago Market Exchange and New York Stock Exchange. Financial cleansing was happening behind the scene. The books were being drained before the reset.

Stage 2 (Wed 2 Sept, Thurs 3 Sept.): Global Bank Pause - a 48-hour buffer for QFS (Quantum Financial System) to overwrite the fiat grid.

Stage 3 (Fri.): EBS Activation and the Old World freezes. Everything ceases. Every screen. Every station. Stock tickers stop. News anchors vanish. Ads go black. And history... gets refiled. After that: A new timeline begins.

Stage 4: Mass Arrests Those sealed indictments were already being converted into flight manifests.

Stage 5: GESARA Deployment: Debt as you know it, gone. Currency, re-weighted to gold reserves and biometric proof-of-life. You are no longer a number in a system — you are a sovereign soul in a new world.

Phase Four - the shadow archive. The last signal came from the oceans. This one rose from the vaults.

On Mon. 31 Aug. 2026 at 04:19 GMT, encrypted commands breached deep-storage chambers beneath Geneva, Langley, and Canberra. For decades, these sites were disguised as obsolete data centers — but in reality they were mirrors of governments, banking systems and intelligence grids full of evidence of corruption, hidden transactions and black projects.

When the command struck, the mirrors inverted and what was hidden surfaced, while what was public vanished.

Within the first hour National court registries across Europe quietly "archived" trials of ministers, bankers, and executives — as if they never existed. Central banks reported negative reserves, exposing that their "gold" was nothing but illusion. Over 200 government websites inverted their seals — black for white, white for black — the silent marker of takeover.

Do not expect podiums or press releases. The briefings will come from the mirrors themselves — automated, unfiltered, UN-censorable. They will appear in terminals, in phones, in screens long considered dead. When the reset arrived, the separation was final. The old grid would never return

You'll know it's real when you see Banking apps "down for maintenance" across *three continents at once*. Naval vessels mysteriously anchoring in shipping lanes under the pretext of "exercises." Stock tickers freezing mid-trade, then reappearing with gold-backed conversions. The New York Stock Exchange website banner flipped to grey. Highway message boards in nine states switched from Amber Alerts to "SHELTER IN PLACE."

When you see any two of the above, in seconds Market screens would go blank. QFS nodes assumed custody. Newsrooms lose script and the EBS script would take over. Civilian apps time-out and biometric wallet (your personal account on the new financial system) prompted drops.

When surface grids rebooted, nothing would map the same. Not your accounts. Not your location. Not your government.

For decades, the world has been controlled by hidden forces of corruption, deep-state actors, global elites and a system designed to enslave humanity through debt, division and deception. That era was now ending.

We were witnessing the final chapter of the Old Guard. The military alliance, White Hats and Patriots have been working behind the scenes to dismantle the Cabal, restore sovereignty and return true power back to We The People.

B. What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

With the new gold/asset-backed Global Financial System and Currency Reset of 209 nations now active and online, the old correspondent banking network—built on fiat dollars, fragmented ledgers, multi-day delays, and archaic messaging—has officially hit a structural wall. Cross-border payments are taking longer, friction is mounting, and traditional institutions are scrambling to plug the leaks. Over \$9,710,000,000 has been liquidated from the Crypto Market in the past two weeks.

The Cuban people were forced into digital banking and now the financial banking system there has totally collapsed. Cubans woke up today to find their bank accounts empty. They have no means to purchase food. Now the government will give them a universal basic income - and tell them how, where, and when they can spend their money.

In 1910 the falsely researched Flexner Report funded by the Carnegie Foundation - which was heavily involved in Big Pharma, closed most all of the country's medical schools that taught natural healing and established drugs as the only health treatment.

Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

H. 47 FEDERAL JUDGES, 23 SENATORS AND CONGRESSMEN, 12 CIA OPERATIVES ARRESTED. ...Juan O Savin on Telegram Mon. 31 Aug. 2026

The numbers are from a classified briefing I was shown three days ago. I was told by a source inside the Department of Justice — someone I have known for eleven years who has never been wrong before — that the sealed indictments are being unsealed in waves. So the public can absorb the truth without collapsing into chaos.

The 47 judges were arrested for treason. For selling verdicts. For burying evidence. For protecting the network that supplied children to the powerful.

The 23 legislators were arrested for conspiracy. For attending the dinners. For riding the planes. For visiting the isl

The 12 CIA operatives were arrested for running black sites that tortured children.

I was shown a partial list. I recognized three names from the news. I recognized two names from my own neighborhood.

The next wave is scheduled for September 15. Not because the government chose that date. Because the evidence became undeniable on that date. The forensic accountants finished their work. The blockchain analysts traced the payments. The biologists confirmed the DNA.

The media will not report this until it is over. They are part of the network. They are being rounded up too.

I. ATTENTION: THE BANKING SYSTEM WAS FORMED THE SAME YEAR TARTARIA WAS ERADICATED. ...Tier4b ISO20022 on Telegram Mon. 31 Aug. 2026

In 1913 the Federal Reserve Act is passed, establishing a private central bank that controls the US monetary supply . That same year, the 16th Amendment created the federal income tax, forcing all Americans to give a portion of their labor to the government.

Income tax didn't exist before 1913. Not even a central bank. No debts. Americans were allowed to keep their full wages.

Now, let's see what else happened between 1890 and 1913:

- Encyclopedias stopped mentioning "Tartaria"
- Smithsonian collected thousands of giant skeletons and then "lost" them
- Last orphan trains finished their routes
- Kirkbride's last asylum seekers were at maximum capacity
- World's Fairs exhibited their latest "temporary" cities
- Free energy technology was abolished (Tesla funding cut in 1904, Wardencliff demolished in 1917)

Banks were not in the old world. No loans. No income taxes. The energy was free. The architecture was inherited. No one owned the earth. Everyone owned it.

You can't CONTROL a population that has free energy free land and no debt.

So, you create the scarcity. You measure energy. The soil fences. You make “money” that has no backing. You lend it at interest. You note the work. And suddenly every person on earth is born in debt.

The Federal Reserve was not created to “stabilize the economy.” It was made FOR SLAVE reboot survivors.

Think about this. Why would a free people choose to live in a system whereby a private bank creates money from nothing, loans it to the government with interest, and then makes THEM pay the interest on money that never existed?

No, they wouldn't. Unless they don't know better. Unless the generation that remembered freedom was already dead – locked away in asylums, or scattered on orphan trains, or buried in those fancy cemeteries.

By 1913 the plan was complete. The last of the old world remembers were gone. The new system locked up.

You ain't free. You are an asset on a general balance sheet that produces income. Bonus: your birth certificate. Your SSN is like an account number. You are a guarantor for a debt which was made before you were born.

There were no banks in the old world. No debt. Not even the taxes. Not even gages. Now you know what was broken.

J. The Ultimate Interoperability Grid Is Going Live – And the Legacy Rails Are Being Bypassed Forever. ...US Treasury Center on Telegram Mon. 31 Aug. 2026

While the legacy financial media is still arguing over inflation data and interest rate cuts, a seismic infrastructure shift is quietly locking into place. The old correspondent banking network—built on fragmented ledgers, multi-day delays, and archaic messaging—has officially hit a structural wall. Cross-border payments are taking longer, friction is mounting, and traditional institutions are scrambling to plug the leaks.

Then came the real structural shift:

- Legacy nostro-vostro accounts are draining faster than banks can rebalance them.
- Correspondent banking fees are squeezing global trade margins to the bone.
- Settlement finality under the old T+1/T+2 rules is proving too slow for a 24/7 global economy.
- Central banks are realizing that patching legacy plumbing is no longer an option—migration is mandatory.
- And the integration window between sovereign ledgers and commercial rails is narrowing by the day.

The old system isn't just updating; it's being entirely superseded. This is not a temporary network upgrade. This is the complete migration of global value onto cryptographic, interoperable rails. And if a global settlement network requires manual intervention and days of clearing, it is no longer a financial system. It's a bottleneck.

The New Infrastructure Is Already Online. While legacy institutions grapple with structural obsolescence, the architecture of the new financial internet is fully operational across five critical pillars:

1. Cross-Border Interoperability & Multi-Ledger Bridges We have moved past isolated blockchain silos. Advanced atomic swaps and decentralized bridge protocols now allow frictionless value transfer between public enterprise ledgers and permissioned central bank networks—settling globally in seconds, not business days.

2. The Universal Compliance & Audit Layer (ISO 20022 Integration) With the messaging standard fully enforced worldwide, every single transaction carries rich, structured data. This completely eliminates:

- hidden intermediary fees
- fragmented transaction trails
- delayed compliance checks
- manual reconciliation bottlenecks; and
- systemic blind spots that allowed illicit flows to hide for decades.

For the first time in modern history, global finance is fully transparent, verifiable, and instantaneous.

3. Regulatory Clarity & Asset Classification Clear legal frameworks for digital commodities have drawn a permanent line between speculative assets and true infrastructure rails. Utility-driven tokens like **XRP, XLM, ALGO, and HBAR** are now legally recognized as foundational settlement layers, giving institutional capital the green light to deploy at scale.

4. Institutional Tokenization of Real-World Assets (RWA) Trillions of dollars in physical assets—commercial real estate, sovereign debt, private equity, and commodities—are actively migrating onto distributed ledgers. This unlocks:

- instant fractional liquidity
- eliminated counterparty risks
- automated smart-contract compliance; and
- 24/7 global market access.

Money is moving to ledgers because physics and math are simply superior to bureaucracy.

5. Decentralized Trade and Sovereign Independence Nations are bypassing legacy gatekeepers (like the IMF, World Bank, and centralized clearinghouses) to trade directly using multi-currency digital ledgers. Power is shifting away from unelected cartels and back toward sovereign states, transparent markets, and empowered individuals.

THE TRANSITION IS ACCELERATING! The old world is clinging to manual controls, but the structural momentum of the new financial era is unstoppable.

Many "abandoned" military bunkers and DUMBS located at the Finger Lakes

I am going to take a wild guess and say changing it's name to Lake America is a signal to the cabal that we know exactly what has been going on here and a signal to bring to light the evil that has been taking place in the dark in these lakes for far too long.

M. It's official. What was once written off as a conspiracy has now been proven to be a national betrayal. Under direct orders from President Trump, DNI Tulsi Gabbard has made public what could be the most shocking intelligence disclosure in American history: days before Donald J. Trump was to take office in 2017, Barack Hussein Obama approved a secret assassination plot against him. ...Official Julian Assange on Telegram Mon. 31 Aug. 2026

"Operation Silence" was the code name for the operation. It was, in fact, a plan to permanently silence Trump. Not sabotage of politics. Not intelligence gathering, but systematic physical eradication.

The mission proceeded in three increasingly complex stages, including psychological disruption, surveillance, and a kill order to be executed by global black ops teams, according to declassified briefings and security documents examined by Gabbard and Trump's inner military circle. The week of January 15, 2017 was the planned date. Only because a whistleblower inside the National Security Command Center disobeyed orders and told military counterintelligence about the operation did the plan fail. The only reason Trump is still alive today is because of that brave deed.

The plot's command center? David Camp. confidential gatherings. transcripts that have been redacted. Additionally, there is a terrifying document with the title EYES ONLY 44 that states: "It is impossible to overestimate the threat that Trump poses to institutional stability. Removal is warranted if required. It was a declaration of war against the American Republic, not a warning.

The announcement from Tulsi is not conjectural. It is the deliberate disclosure of criminal conspiracy at the highest levels. She produced tangible proof, internal correspondence, and active criminal prosecution referrals. Under military law, all of the agents involved in this attempted coup, including Brennan, Clapper, Susan Rice, James Comey, and Obama himself, could now face treason trials.

The aftershocks have started. Obama has lost his mind. Law firms in D.C. are quietly organizing. In a panic, mainstream media outlets are calling the documents "fabricated" or "AI-generated." The American people, however, are more knowledgeable. These are secretly signed death warrants, not deepfakes.

This has nothing to do with politics. High treason is what this is. A coordinated, multi-agency attack against the peaceful transition of power, directed at the man chosen to destroy their apparatus and orchestrated by the current U.S. president. In 2017, the Deep State went too far. Justice has now caught up in 2025.

Immunity does not exist. We won't spare any legacy. Additionally, the court is not answerable to the system this time. It reports to Trump.

Dr Eric Nepute was sued by the US Gov't for over \$500 BILLION, for helping patients & talking about prevention with Vitamin D, Quercetin & Zinc. Dr Nepute treated over 11,000 patients during Covid - not one died - yet the Biden Administration went after him because they didn't want prevention or early treatment. They wanted people funneled into hospitals, given Remdesivir & put on ventilators. The truth about the medical scams during the pandemic have come out...yet, Dr Nepute is still deplatformed, demonetized, banned, lost millions in legal fees & had to start his life over...all while Fauci, Gates & others increased their wealth by billions with no persecution. ...The 17th Letter on Telegram **Mon. 31 Aug. 2026**

P. RFK Jr: “The Gardasil HPV vaccine — is 37 TIMES MORE LETHAL than the cancer it claims to prevent.” ...JFK Jr. Command Center on Telegram **Mon. 31 Aug. 2026**

“Gardasil is the single worst mass vaccine that we’ve ever seen. It targets millions of pre-teens & teens, whose risk of dying from cervical cancer is ZERO. Nobody in their right mind would ever take this vaccine if they actually read the clinical literature. Your child is 37 times more likely to DIE from the shot than from cervical cancer itself.

Death rates in the Gardasil trials were 37 times the death rates for cervical cancer. Your child is 37 times more likely to DIE from the shot than from cervical cancer itself.

And here’s the criminal part: It was NEVER tested against a true inert placebo. Merck ran the studies, Merck paid for the studies, Merck decided what injuries were “just coincidences.” The control group got aluminum neurotoxins — the same injuries as the vaccine group — so Merck wrote them all off. No science. No safety. Just profit.

This is being pushed on our kids while Big Pharma laughs all the way to the bank.

Read the clinical data. Say NO to Gardasil. Protect your children before it's too late. The new reformulated Gardasil-9 HPV Vaccine used Gardasil-1 HPV Vaccine as the placebo in clinical trial.

Q. MED BED AGE REGRESSION: THE TECHNOLOGY THEY HID FROM YOU FOR 30 YEARS ...Juan O Savin (JFK Jr.?) on Telegram **Mon. 31 Aug. 2026**

I was inside the program. For 11 years, I worked at a classified facility in Nevada that doesn't exist on any government registry. My clearance: TS/SCI/NOFORN. My job: monitor the Med Bed clinical trials.

What I witnessed changed everything I believed about medicine, aging, and the human body.

On March 14, 2019, at 09:47 EST, a 74-year-old retired general entered the QRU-9 chamber. His biological age was confirmed at 74. His cellular damage: severe. His prognosis: 18 months. Seventy-two hours later, his biological markers read 47. Not a misprint. Not a malfunction. FORTY-SEVEN.

The Med Bed doesn't slow aging. It REVERSES it. Here's the science they buried: The QRU-9 operates on three simultaneous frequencies. Quantum plasma energy realigns every cell's vibrational blueprint to its optimal youthful state. Tachyon particle bombardment neutralizes decades of cellular damage caused by toxins, stress, and deliberate poisoning through food and water systems. 3D holographic scanning maps the body at subatomic resolution, identifying every area of deterioration with precision that no hospital on Earth can match.

But the reversal goes deeper. The Med Bed analyzes your DNA sequence in real-time. It identifies genetic damage. It corrects it. It stimulates dormant stem cells that Big Pharma told you were gone forever. It regenerates organs. It rebuilds tissue. It restores hormonal balance to the levels of a 25-year-old.

In 72 hours. I reviewed 847 clinical files between 2015 and 2024. Average biological age reversal: 22 years. Oldest patient treated: 91. Post-treatment biological age: 58. Cancer cases resolved: 312 out of 312. Zero failures.

Why did they hide it? Because a population that doesn't age doesn't need pharmaceutical drugs. A population that heals itself doesn't need hospitals. A population that lives to 150 doesn't accept the same political control.

On August 6th, 2026, at 14:23 EST, Trump signed Executive Order 2026-1947. The Med Bed program was declassified. Distribution to civilian centers begins in **September 2026.**

They called it science fiction for 30 years. They lied. The technology was always real. The healing was always possible. The only thing that was artificial was the system that kept it from you.

September is not a coincidence. The restoration of America includes the restoration of the American body.

R. BREAKING: Most Comprehensive Ever Analysis of the Causes of Autism Finds Vaccination Is the DOMINANT Risk Factor ...QFS Activated on Telegram Mon. 31 Aug. 2026

After decades of censorship and denial, the verdict is finally delivered in the McCullough Foundation's Landmark Report of over 300 studies:

Autism is on the rise for complex reasons, but vaccination is the MOST significant, preventable cause.

We found potential determinants of new-onset autism before age 9 including:

Older parental age (35 years mother, 40 years father)

Premature birth (37 weeks)

Common genetic variants

Autistic Siblings

Maternal immune activation

In utero drug exposure

Environmental toxicants

Gut-brain axis disruptions

And combination childhood routine vaccination

Of 136 studies of vaccines or components:

107 (79%) found evidence that was consistent with a vaccine-autism connection

29 said "no association," but had no truly unvaccinated controls

12 studies of fully vaccinated vs. unvaccinated children, every single time the

unvaccinated group had much better overall health and dramatically lower autism risk.

Converging biologic mechanisms pointed to common pathways — immune dysregulation, mitochondrial dysfunction and neuroinflammation — induced by clustered and early-timed vaccination during critical windows of brain development.

This analysis is unique in that it clarifies the relative contribution of vaccination compared to genetic and environmental domains by evaluating all known risk factors side by side. No prior review has attempted this integrative scope without excluding positive vaccine-association studies, or without unvaccinated controls—an important step in determining whether vaccines do indeed play a role in autism risk, and if so, how meaningful that role is in the larger causal landscape.

This report is our breakthrough out of the iron grip of censorship on the issue of vaccination and autism by the Bio-Pharmaceutical Complex. It also marks Dr. Andrew Wakefield's first major re-entry into the scientific literature in years—after enduring years of irrational attacks from the vaccine cartel.

This historic effort was made possible thanks to the tireless work of the McCullough Foundation team: Nicolas Hulscher, MPH, John S. Leake, MA, Simon Troupe, MPH, Claire Rogers, MSPAS, PA-C, Kirstin Cosgrove, BM, CCRA, M. Nathaniel Mead, MSc, PhD, Bre Craven, PA-C, Mila Radetich, Andrew Wakefield, MBBS, and Peter A. McCullough, MD, MPH — and support from the Bia-Echo Foundation.

CONCLUSION

The weight of evidence favors a multifactorial model of ASD in which genetic predisposition, neuroimmune biology, environmental toxicants, perinatal stressors and iatrogenic exposures converge to produce the phenotype of a post-encephalitic state.

Combination and early timed routine childhood vaccination represents the most important modifiable risk factor for ASD, supported by convergent mechanistic, clinical, and epidemiologic findings. It is characterized by intensified use, the clustering of multiple doses during critical neurodevelopmental windows, and the lack of research on the cumulative safety of the full pediatric schedule.

X. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has been released from the Guernsey County Jail, though still faces charges of Obstruction of Justice for harboring her abused daughter Kaitlynn. After seven years of suffering beatings, starvation for a year, refused medical treatment and other atrocities while in the Ohio Foster Child System, Kaitlynn and ran away to the protection of her mother.

The intention of Ohio authorities appeared to be to prevent Jeannine and Kaitlynn from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, “Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio’s corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!”

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, “I am facing **Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation** (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand protection of Ohio’s Foster Children and Jeannine’s immediate dismissal of charges.

U. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Day #1034 - behind enemy lines

Dear Patriot Friends and Family,

After 8 exhausting years, and 20+ court cases in Utah State Court (Provo, Utah), U.S. District Court (Salt Lake City), Tenth Circuit Court of Appeals (Denver), US Tax Court and The Supreme Court of the United States (Washington D.C.), and despite the facts and The Law and your kind prayers & signatures in our behalf, we have been denied justice in "Barbie & Ken vs Goliath IRS".

Therefore, we have now taken our cause directly to President Donald J. Trump, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter below received by Pres. Trump's office this morning.

July 8, 2026 - 2:45 pm Update

Dear Patriot Friends & Family,

You may have heard about the massive wildfire that has burned over 90,000 acres, and has cause the evacuation of the city just south of our Florence (Colorado) Prison Camp, Medium, High and Super-Max Prisons. Within the last hour we could see that the flames have worked their way over the top of the mountains and are within view. We also learned earlier this morning that 300 homes and 4 business have burned down. We're told that the prison does NOT intend to move us, but rather to shelter in place. This doesn't sound ideal to me as the smoke is really bothering this old man's asthmatic lungs, I've been struggling with coughing fits. Would you pray for the safety of the over 2,000 inmates at the four prisons?

The fires have also caused the warden to cancel all visits until further notice. Unfortunately, my sweet 90 year-old mother and my brother had planned for weeks, purchased tickets, and arranged for a car rental to visit this weekend, but of course, better safe than sorry. Hopefully, they'll be able to come for a visit soon.

With regards to our humble Barbie & Ken vs Goliath IRS Petition for a Constitutionally authorized Presidential Pardon, sorry, no we've not heard back from the White House in any way. Sure, we realize that our Petition has the chance of cherry popsicle in hell, but we continue to trust our future in His hands and to believe in His Miracles. We're especially attentive as we work to resolve Barbara's "situation" because of my official December 1st date now for half-way house for 3 months and 6 months of home confinement. We just want to be reunited as soon as possible

Thanks for You Ever-Kind Prayers,

Ken (and Barbara) Cromar

W. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. X. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Victims of the TRB Scam, Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and/or the Dave XRPLion Impersonator Scam are urged to type up their experiences including products bought and monies paid out, plus your contact information. Sign four notarize copies of your complaint, keep one, and give the other three notarized copies to:

Present a notarized copy of your TRB complaint to your local law enforcement and ask they open an investigation. Write down your complaint number and include it in your **information sent to Alan Garten and the US Inspector General of the Air Force.**

Y. Judy Note: For the past 12 years through my daily update, “*Restored Republic via a GCR*” I have tried to keep the public posted on the latest news regarding the Global Currency Reset and formation of the Restored Republic under concepts of the original Constitution.

The GCR and Restored Republic have now arrived. You should see it unfold this coming week. With the upcoming Ten Days of Darkness and takeover of the fake news media by the military to publish real news, soon my Update will no longer be needed.

I will continue to write the *Restored Republic via a GCR Update* until then. Afterwards I will be writing articles and publishing books - the subject of which will surround a mission which I have been called to do: Expose the Satanic Ritual Abuse of children that is so rampant in our society. For the past weeks because of hackers, I have been facing considerable challenges in getting my daily update out. Now it appeared that those problems have been worked out. I thank all the encouragement and support received from editors and readers, especially Medeea of American Media Group, Patrick of Dinar Chronicles, my angel Marty of Rumor Mills, Mary of We The People News and my good friends Bonni, Jeannine, Judy 1, Judy 2, James, Rian and Paulette. It means a lot to know you are not alone in the fight.
