To add to our worries, in the past few years over 5.5 million fully funded Muslims have invaded the US for the purpose of waging Jihad, pushing out God and forcing Sharia Law. In Afghanistan under Sharia Law female lawmakers, judges and lawyers have gone into hiding, were erased from public life and at times punished in public. Floggings have returned. Women were banned from leaving their homes without a male chaperone, banned from raising their voices in public and could be married off as young as age 9. At age 12 they’re forced out of school. The irony here was that women in Afghanistan were literally begging to escape Sharia Law while we have white liberals in America siding with Islam and Muslims to support Sharia Law.

The COVID so-called "Vaccine" supported and funded by Obama has been

deemed a Biological Weapon after it was found to invade the Brain, Heart and Bones, plus cause Cancer.

The CIA was formed in 1947, Israel was formed in 1948, Mossad was formed in 1949. A coincidence? Think not. Dig deeper.

The New World Order Deep State Cabal's Rothschilds, who have controlled European banks since 1815 and the US economy since 1913, have also controlled the World's weather for the last 47 years (since 1979). Through a network of 22 weather modification stations they created hurricanes, droughts, floods and earthquakes on demand including Hurricane Katrina, and the 2010 Haiti and 2011 Venezuela earthquakes.

NWO Deep State Elite Former President George W. Bush was said to have brought into the US, Nazi scientists and their mind control child torture program MKULTRA. He helped set up the CIA, became a Director and was present at the Kennedy Assassination. SRA Survivors have named him as their childhood perpetrator, he having raped them in the CIA's Child Sex Trafficking program.

NWO Elite Former President Obama was so connected in the Cabal that he illegally gained the US Presidency as a foreign born national according to his college credentials. The Barak Obama/Joe Biden presidency that followed was racked with corruption – a sewer of decay that continued even to this day.

The NWO Deep State Elite Obama/Biden team, along with NWO Deep State Elite Hillary Clinton, was said to have armed ISIS; gave Iran billions; covered up the Benghazi Massacre; ordered the Seal Team Six murders; instigated a vote-changing Hammer/Scoreboard program and machines into US Elections; said to have used the IRS as a weapon; were behind the selling of 20% of US uranium to Russia, while Obama was recently charged with using Obamacare in an illegal insurance kickback scheme.

Worst of all, Obama, Biden and the Clintons were said to run, in cooperation with the CIA, Vatican and various mafias, an international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring out of Ukraine and Palestine.

There were videos appearing on the Internet by Satanic Ritual Abuse Survivors that showed disturbing details of their satanic rituals. Child Sacrifice rituals happened on a regular basis in places like Epstein's island. "I've heard it from the surviving victims where they would release children into the forest running, and whoever fell into Bill Clinton's hands would be assaulted and eaten. As for whoever fell into Hillary Clinton's hands, they would be tortured before all that happened to them—she was a sadistic, demonic woman. And worse than Bill and Hillary: George Bush Jr. and Sr., and I can't even mention what they were doing to the children due to the horrific nature of the description."

A video on the Weiner laptop referred to as "Frazzeldrip" was said to be that of Hillary Clinton and her sidekick Huma Aberdine torturing and killing a young girl. When ten NYPD officers investigated the Weiner laptop, they not only discovered major felony crimes about the Clintons, but treasonous crimes hidden in our entire government itself.

Trump and his Global Military Alliance was fighting back. The Cabal's US fiat Petrodollar was dead, their SWIFT Financial System, down, with Markets set to crash. To counter, by **September 2026** President Trump had released the Global

Currency Reset, which was demolishing and replacing the Cabal's fiat US Dollar. Gold/asset backed currencies of 209 nations including the US Note, were Sovereign and controlled by The People.

With legal entities involved in and refusing to investigate the Satanic Ritual Abuse of children, Trump has made it a high priority. Now over half a million indictments were being served on Satan Worshiping, Child Trafficking, Pedophile Elites.

Sixty U.S. Senators have been charged with many crimes including taking millions in bribes from Venezuela to help move drugs, export gangs, run espionage and tamper with US Elections.

The FBI was making mass arrests in a Democrat Ballot Harvesting scam.

Because of Trump the IRS was no more. The once privately owned Federal Reserve was now subject to the will of The People under the new US Treasury. All were debt free from the Cabal. Big pharmaceutical companies would soon be sued into oblivion if they weren't already defunct due to contracts with all US hospitals being canceled by **21 November 2026**. Drugs and most hospital procedures were no longer needed due to free Med Bed treatments that supported the body's ability to heal itself from all afflictions. Free energy would soon replace the need for oil. Peace and Constitutional Law would grace our sovereign land and citizens.

B. What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

The Rothschilds, who have controlled European banks since 1815 and the US economy since 1913, have also controlled the World's weather for 47 years. Through a network of 22 weather modification stations they created hurricanes, droughts, floods and earthquakes on demand including Hurricane Katrina, and the 2010 Haiti and 2011 Venezuela earthquakes. Why? They ordered rain or drought in the right place at the right time, creating \$4.2 trillion in "natural disaster" damages

since **1979** so they could control food prices, insurance markets, government stability, migration systems and election outcomes.

Sixty U.S. senators have been charged with taking millions in bribes from the Venezuela Maduro regime. The senators were alleged to have used state systems to move drugs, export gangs, run espionage, and tamper with US elections. The list included Chuck Schumer, Mitch McConnell, Adam Schiff, Elizabeth Warren, Bernie Sanders, Susan Collins, Lisa Murkowski and dozens more from both parties.

US. Director General of Public Health Casey Means: “95% of the people who created the USDA’s dietary guidelines for the US have significant conflicts of interest with the food industry. 99% of U.S. farmland is sprayed with one billion pounds of synthetic pesticides that are strongly linked to autism, ADHD, disruption of sex hormones, thyroid diseases, sperm dysfunction, Alzheimer’s, dementia, birth defects, cancer, obesity, liver dysfunction, female infertility, and more. Heavy metals like aluminum and lead are present in our food, in baby formulas, and in many mandatory vaccines.”

Dr. Peter McCullough: "I've never seen anything as harmful to the human body as the COVID "vaccine." It invades the brain, the heart, the bone marrow. It causes brain and heart damage. It causes cancer. It's a biological weapon."

Congressman Chip Roy: “**Over 5.5 million Muslims and 600 fully funded Muslim organizations in US (up 145% since 9/11) who are advancing Islam,** trying to wage jihad against our way of life and pushing Christianity and God out of the public square.”

The massive rollout of 5G antennas—placed every few hundred feet in our neighborhoods—is the final infrastructure for a global "Smart-City" surveillance grid to monitor and control every movement, transaction and physiological response of the human population. The "Cabal" needs 5G to power their Internet of Things (IoT), where every appliance, every vehicle, and every "Smart" device is connected to a central Artificial Intelligence. This AI is designed to manage a "Social Credit System" which interferes with oxygen absorption in the human body. Through this the elite have a "Kill Switch" for any individual or community that refuses to comply with the New World Order. Whistleblowers from the tech industry have revealed that 5G frequencies are also designed to interact with the "Graphene Oxide" and other nano-materials that have been introduced into the human body through vaccines and chemtrails. The "Alliance" has revealed that the "5G Hijack" is being neutralized. The White Hats have successfully implemented "Quantum Encryption" overrides that prevent the Cabal from using the 5G network for weaponized purposes. The technology now serves as a platform for free energy distribution and high-speed access to the new "Truth Internet."

It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

Over the past 48 hours more than 200 offshore shell entities linked to World Bank officials, NGO executives and IMF-backed cartels have been seized.

based AI shells directly linked to Epstein-linked trusts. That route is gone now—permanently disabled.

Inside the BIS's locked doors in Basel, emergency meetings are taking place—but not to rescue the system. They're discussing terms of surrender. Some European finance ministers have already submitted secret quantum compliance papers. Their banks will be merged, not bailed out.

The IRS has initiated a silent shutdown in the US. Not for audits — for investigation. Thousands of agents being reassigned. Many have sealed indictment protocols charging unlawful enforcement under corporate fraud statutes dating back to 1871. "Dissolution of the United States corporation. What remains is the Republic — and the QFS is its financial backbone.

Military tribunals are on the rise. A covert Greenland facility is now holding high-value detainees with ties to worldwide currency manipulation, NGO trafficking rings, and cyberattacks targeting the QFS rollout. Testimonies are being taken, not for a public courtroom but for the record of history.

In the meantime there are more "glitches". ATMs are not working. Payment apps go down. Bank portals are timing out. These are not accidental. That's planned obsolescence. The system is bleeding live.

New nodes of the Quantum Internet are coming online in Africa, Southeast Asia and South America — bypassing World Bank control. It's not just redistribution. This is re-balancing.

The US MIL have legally been at war with the Deep State since 2001. We are not at war with any nation or their People. We are at war with a transnational criminal organization that controls entire nations via mass wealth, influence, media control, espionage, blackmail, election fraud, etc.

We are at war with the shadow oligarchy that rules the world. This is why Trump's first visit during his first term was to Saudi Arabia. Then shortly after he left, there was a massive corruption purge and consolidation of power within the Saudi Royal Family, and Trump's ally MBS now runs the show, while corrupt princes like Alwaleed bin Talal were strung upside down inside the Ritz in Riyadh and forced to give up their power.

Much of what we are seeing occur today, is directly in response to the 9/11 attacks, which leads back to Saudi Arabia. All very big pieces of the puzzle.

H. NESARA IS NOT A THEORY. IT IS A SIGNED LAW THAT WAS HIDDEN FROM YOU FOR 26 YEARS. ...Med Bed Technology on Telegram **Mon. 14 Sept. 2026**

On October 10, 2000, President Bill Clinton signed the National Economic

Security and Reformation Act into law. He did not do it willingly. He was compelled by a Supreme Court ruling and the backing of the U.S. military.

NESARA was designed to do the following:

Eliminate the Federal Reserve and the IRS. Permanently. Abolish income tax and replace it with a flat national sales tax on new, non-essential items only. Cancel all credit card, mortgage, and student loan debt as a remedy for decades of illegal banking practices. Return the U.S. dollar to a gold-backed currency. Release over 6,000 suppressed patents, including free energy and advanced healing technology. Initiate new elections within 120 days under transparent, blockchain-verified voting.

Clinton signed it under a gag order. Every member of Congress who was briefed was forbidden from discussing it publicly. The penalty for violation was death.

The announcement was originally scheduled for the morning of September 11, 2001. At 10:00 AM Eastern Time, the NESARA disclosure was set to be broadcast to the nation.

At 8:46 AM, the first plane hit the World Trade Center. The announcement never happened. The towers fell. And the world was redirected into 20 years of war, debt, and fear.

But the law was never repealed. It is still on the books. And the military alliance that forced its signing in 2000 has never stopped working to implement it.

GESARA is the global version. 209 countries have signed. The activation is no longer a question of if. It is a question of when. And that answer is: very soon.

L. Former Secretary of Defense Dick Cheney robbed 2.3 TRILLION of taxpayers money through his government contracting company Halliburton, due to 9/11 happening. ... Gitmo TV on Telegram Mon. 14 Sept. 2026

It's odd that Donald Rumsfeld announced the day before 9/11 that the Pentagon was MISSING exactly 2.3 trillion, isn't it?

Newly released documents today showed that President Bush was personally warned in May of 2001 by a top secret memorandum marked "For the President Only" that Osama Bin Laden was planning attacks against the U.S. using hijacked aircraft.

They called us crazy conspiracy theorists for YEARS for saying his administration KNEW because they were behind orchestrating them to give the Military Industrial Complex justification to drop bombs for profit in the middle east for 20+ years, until President Trump came along to put an end to it.

Want to understand a great example of DOGE going after WASTE, FRAUD and ABUSE being committed by the SAME Shadow Cabal going after President Trump?

Dick Cheney's transformation from, "public servant" to war profiteer represents everything wrong with our political system as it highlights the Deep State merger of Corporate Power and government. Wars became private enrichment at the expense of taxpayer dollars and innocent lives.

Dick Cheney orchestrated the largest heist in American history while serving as Vice President as he directly coordinated Halliburton's multi billion dollar Iraq contracts after he directly served as their CEO. His wealth exploded from under one million to 70 million dollars during his time in Office due to 9/11.

"We elected a government contractor as Vice President. We have a process that has a seamlessness where the corporate interests that stand to benefit are so intertwined and interwoven with the political forces that the financial elites and the political elites have become one in the same people."

Pentagon emails proved Cheney was awarded no-bid contracts using, "cost plus" formulas that rewarded WASTE which meant the more taxpayer money they spent, the more profits they made.

DID YOU CATCH THAT PART?! • cough-DOGE-cough• "Cost Plus encourages you to run up the cost of a program because you are going to get a percentage of the end result."

Workers described luxury resorts with marble floors and swimming pools while soldiers slept in desert tents.

The part where his company KNOWINGLY failed to provide safe water for soldiers and left them showering in water contaminated with Malaria while Halliburton collected billions, should piss you all off.

So, Donald Rumsfeld told us the Pentagon lost 2.3 trillion dollars. GUESS WHO STOLE IT?! Guess who NOW has contracts in Ukraine? Haliburton. Guess who's anti-war? President Trump. Guess who orchestrated numerous coup d'états and sham impeachments against President Trump to get him out of office and keep the chaos of wars rolling across the planet? The Cheney family. Funny how that works, isn't it?

M. White House Source: Elon Musk's Secret Weather Nullification Satellite Saving US From Catastrophic Hurricanes ...Martial Law on Telegram Mon. 14 Sept. 2026

The United States government is using classified low-Earth orbit satellites owned by Elon Musk to stop catastrophic hurricanes from forming in the Atlantic, according to a White House source granted anonymity.

The 2026 Atlantic hurricane season has reached its September midpoint with an eerie calm. Earlier this year the National Hurricane Center warned that twelve named storms and five land-falling Category 3 or stronger hurricanes would track toward the Gulf of America or Florida. That forecast collapsed. Only tropical storm Edouard made landfall on East Texas and Louisiana before fading. The source said Musk's technology, not chance, blocked storms that would have displaced households.

"Idiots hate Musk and think he is some evil Tony Stark. He is eccentric. But he is a humanitarian who put money and tech into mitigating severe weather. His weather nullification net will lessen natural storms and counteract Deep State operations like Katrina," the source said.

Musk joined President Trump's Weather Warfare Committee in September 2025 and allocated seven atmospheric adjustment satellites. The source claimed the platforms capture solar energy and beam microwave radiation that disrupts tropical depressions before they intensify. The system is said to have broken up seven depressions in 2025 and six so far in 2026 that could have wrecked Galveston and Miami.

The official said Musk launched thousands of satellites and not all of them are Starlink. Even during a public feud, Musk and Trump worked together and saved lives and homes. An earlier controlled-opposition claim came from Russian asset Andrei Zhakarov, who reported that Vladimir Putin banned COVID-19 shots and 5G in Russia and first flagged Western bioweapon laboratories and Adrenochrome repositories in Ukraine. The White House source still calls Musk a patriot dedicated to preserving life.

Asked whether the system is only a modernized HAARP that could be turned to harm, the official answered that Musk's satellites cannot be hacked or retasked and that they defend against foreign weather weapons. No major hurricane has hit the mainland United States in years because the technology is used ethically, the source said. Asked why storms Lowell and Lala were not stopped from sideswiping Hawaii in 2026, the source replied, "Isn't Hawaii a Blue state?"

N. BREAKING: EXPLOSIVE REPORT – "VENEZUELA LIST" EXPLODES – Maduro Links 60 U.S. SENATORS to Multi-Million Bribe Allegations ...The Constitutionalist on Telegram Mon. 13 Sept. 2026

A political firestorm has exploded after the Venezuela List alleged that sixty U.S. senators were tied to millions in bribes from the Maduro regime, raising urgent questions about whether Washington was bought.

Former Venezuelan intelligence chief Hugo "El Pollo" Carvajal has used federal prison time to cooperate with U.S. authorities. After pleading guilty to narco-terrorism conspiracy, the three-star general who once ran military intelligence under Hugo Chávez and Nicolás Maduro has alleged the regime used state systems to move drugs, export gangs, run espionage, and tamper with elections. He has told officials Maduro's government was not merely hostile but at war with the United States.

His account describes Venezuela as a cartel-driven paramilitary state financed by cocaine and heroin, protected by FARC, ELN, Hezbollah, and Cuban intelligence, and exporting Tren de Aragua into U.S. cities to recruit from prisons and spread chaos.

Carvajal has revived a warning long tied to Trump-era whistleblowers Sidney Powell and General Flynn: that Smartmatic was built as a digital tool for fraud, operated with Venezuelan intelligence, and remains vulnerable even if every election is not stolen. He has claimed he placed the IT director of the Venezuelan Electoral Council and that the technology was later exported.

The Venezuela List is the core blast. Carvajal is said to have given authorities names of senators accused of taking illicit payments from Maduro-linked cartels, blocking anti-narco operations, undermining Defense Secretary Pete Hegseth's counter-cartel strategy, and selling influence to shield a criminal regime. Names circulating among patriots include Chuck Schumer, Mitch McConnell, Adam Schiff, Elizabeth Warren, Bernie Sanders, Susan Collins, Lisa Murkowski, and dozens more from both parties.

With President Trump briefed and Hegseth coordinating the strike plan, the reported counteroffensive includes targeting fentanyl routes tied to Venezuela, moving against assets linked to listed senators, cyber pressure on Smartmatic nodes, and military-intelligence work with loyalist forces. The posture is neutralization, not negotiation.

Supporters say the republic was betrayed from within and that the list now puts facts, names, and orders in Trump's hands. They call it the Deep State's collapse — and open war.

O. The ROTHSCHILDS have just begun to lose control of the weather. For 47 years, they have controlled the skies through a network of 22 weather modification stations that could direct hurricanes, droughts, floods, and earthquakes, on demand, to any place on Earth. ...Laboratory of Secrets on Telegram

The program was called "THRONE CLIMATE" and was funded by a labyrinth of NGOs, carbon credit systems, and "green energy" foundations, all connected to the same family office in Geneva that has controlled European banks since 1815.

A few days ago, the last station was disconnected, seized in a military operation involving 6 nations that have never publicly acknowledged working together. The weather is no longer a weapon. For the first time since 1979, the skies belong to no one.

Every "natural disaster" of the last 47 years had a signature, a digital fingerprint embedded in the ionosphere that preceded it. HAARP researchers have detected it for decades. They were ridiculed, but they were right about everything: Hurricane Katrina: frequency trace detected 72 hours before impact; The 2010 Haiti earthquake has the same frequency signature, originating from a station in Venezuela; The 2011 earthquake, signature attributed to a flagless ship operating in the Pacific. The ship's registration, obtained via "QFS maritime tracking," belongs to a company conveniently located in the Cayman Islands. The company's sole director: a family trust of the Rothschild family.

They didn't predict disasters, they ordered them. Why control the weather? Because the weather controls everything. Food prices, insurance markets, government

stability, migration systems, election outcomes. They didn't need an army. They didn't need murders. They needed rain or drought in the right place at the right time. \$4.2 trillion in "natural disaster" damages since 1979. Betting on the destruction they created. Harvesting the suffering they caused. For the first time in half a century, the rain will fall where it should fall.

P. SHOCKING AND CHILLING STATEMENTS from the new U.S. Director General of Public Health Casey Means: “I learned practically nothing in Stanford Medical School.” ...Red Pill Project on Telegram Mon. 14 Sept. 2026

“I didn’t learn that 95% of the people who created the USDA’s dietary guidelines for the United States had significant conflicts of interest with the food industry”

“I didn’t find out that every year 1 billion pounds of synthetic pesticides were sprayed on our food. 99% of U.S. farmland is sprayed with synthetic pesticides, many of them coming from China and Germany, and these chemicals are strongly linked to autism, ADHD, disruption of sex hormones, thyroid diseases, sperm dysfunction, Alzheimer’s, dementia, birth defects, cancer, obesity, liver dysfunction, female infertility, and more...”

“I didn’t learn that heavy metals like aluminum and lead are present in our food, in baby formulas, and in many mandatory vaccines.”

Q. Congressman Chip Roy reveals the United States has imported 5 MILLION people from Muslim majority countries. He reveals Muslim prayer rugs are now being sold in New York City at the 9/11 memorial. ...Carolyn Bessette Kennedy on Telegram **Mon. 14 Sept. 2026**

“It’s unconscionable — 5 million people from majority Muslim countries. Islam is on the march, all in — with their memorandum from the Muslim Brotherhood, 600 organizations, fully funded CAIR, Muslim Brotherhood organized to advance the Islam into the United States.

It’s not just Dearborn. It's not just Zohran Mamdani and the prayer rugs that are so offensively adorning this place that should be memorializing those lost at the hands of the Islamic fight against the West”

I have some shocking data:

- **Over 5.5 million Muslims** are now in America
- **The Muslim population** is up 145% since 9/11
- **59% of adult Muslims** are foreign born

Top countries of where these Muslims originated, from 2001-2024 we imported

- **202,000** from Afghanistan
- **201,000** from Pakistan
- **119,000** from Iran
- **66,000** from Yemen
- **65,000** from Syria

A September 2026 analysis by the Center for Immigration Studies using Census Bureau data found:

- **1.7 million foreign-born people** from predominantly Muslim countries in 2001 are living in America
- **3.4 million** in 2024

- **That's a net increase** of 1.7 million new Muslim arrivals

Chip Roy says the Muslim problem is expanding in Texas“But it's happening in Texas, it's happening in Houston, it's happening in Dallas-Fort Worth. There are 330 mosques in Texas.

This is a real war and you can't win a war that you do not acknowledge exists.

They are trying to wage jihad against our way of life and we gotta stand up against it.

- **There are 330 mosques** now in Texas
- **There are more than 400** in New York City alone
- **On September 11th, 2001** that number was somewhere between 80 and 100

— **We've allowed them to push Christianity and God out of the public square.** We stopped standing up publicly for our religion and we've put Christianity behind closed doors — it is now the March of Islam — to destabilize our country, to attack our country, to attack our system of ideals and our system of life and our way of life. That is what they are against. They want to Islamicize the entire world and they're actually very clear about it”

Keep in mind the official 9/11 memorial and museum store of course doesn't sell Muslim prayer runs it's foreign merchants, likely illegals, who have been caught doing this.

R. THE 5G FREQUENCY — THE SILENT WEAPON FOR THE SMART-CITY PRISON....<https://t.me/MedBedsTechnologyNews>

While you are told that 5G technology is simply about "faster downloads" and "seamless connectivity," the truth is far more sinister. 5G is not a telecommunications upgrade; it is a military-grade directed-energy frequency system that operates on the same millimeter-wave bands used by the Pentagon's "Active Denial Systems" for crowd control.

The massive rollout of 5G antennas—placed every few hundred feet in our neighborhoods—is the final infrastructure for a global "Smart-City" surveillance grid. It is the "Digital Fence" that will monitor and control every movement, every transaction, and even every physiological response of the human population.

The "Cabal" needs 5G to power their Internet of Things (IoT), where every appliance, every vehicle, and every "Smart" device is connected to a central Artificial Intelligence.

This AI is designed to manage a "Social Credit System" similar to the one already operational in China. By using the high-frequency 60GHz band, which interferes with oxygen absorption in the human body, the elite have a "Kill Switch" for any individual or community that refuses to comply with the New World Order. They aren't just building a network; they are building a biological and digital cage that operates at the speed of light.

Whistleblowers from the tech industry have revealed that 5G frequencies are also designed to interact with the "Graphene Oxide" and other nano-materials that have been introduced into the human body through various "medical interventions" and chemtrails. This is the **Human-Machine Interface**—the "Transhumanist" agenda to turn the human body into a "node" on the global blockchain. By pulsing specific frequencies, the elite can influence human emotions, suppress immune systems, and even trigger "symptoms" that justify further lockdowns and medical mandates. It is the ultimate tool for total population management without a single shot being fired.

The "Alliance" has revealed that the "5G Hijack" is being neutralized from the inside. The "White Hats" have successfully implemented "Quantum Encryption" overrides that prevent the Cabal from using the 5G network for weaponized purposes. The technology is being "Flipped" to serve as a platform for free energy distribution and high-speed access to the new "Truth Internet." The "Digital Prison" is being converted into a "Digital Library" for a free humanity. The frequencies of fear are being replaced by the frequencies of liberation. The grid is ours now.

X. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has been released from the Guernsey County Jail, though still faces charges of Obstruction of Justice for harboring her abused daughter Kaitlynn. After seven years of suffering beatings, starvation for a year, refused medical treatment and other atrocities while in the Ohio Foster Child System, Kaitlynn and ran away to the protection of her mother.

Although the original charges were dropped against Jeannine, the Municipal Court has kept the case open, refused to take Larrick's filings and had another court hearing on her case on **Fri. 4 Sept. 2026**. There they offered Jeannine to drop the case if she would admit to Obstruction of Justice - which she, of course, she refused. The jury trial has been set for **Sat. 21 Nov. 2026**. Let us pray that Constitutional Law is in effect by then.

The intention of Ohio authorities appeared to be to prevent Jeannine and Kaitlynn from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, "Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!"

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, "I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and

rape, plus contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand protection of Ohio’s Foster Children and Jeannine’s immediate dismissal of charges.

Z. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World’s Children. Just as a film about Ballard’s work, “Sound of Freedom,” was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Day #1034 - behind enemy lines

Dear Patriot Friends and Family,

After 8 exhausting years, and 20+ court cases in Utah State Court (Provo, Utah), U.S. District Court (Salt Lake City), Tenth Circuit Court of Appeals (Denver), US Tax Court and The Supreme Court of the United States (Washington D.C.), and despite the facts and The Law and your kind prayers & signatures in our behalf, we have been denied justice in "Barbie & Ken vs Goliath IRS".

Therefore, we have now taken our cause directly to President Donald J. Trump, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter below received by Pres. Trump's office this morning.

July 8, 2026 - 2:45 pm Update

Dear Patriot Friends & Family,

You may have heard about the massive wildfire that has burned over 90,000 acres, and has cause the evacuation of the city just south of our Florence (Colorado) Prison Camp, Medium, High and Super-Max Prisons. Within the last hour we could see that the flames have worked their way over the top of the mountains and are within view. We also learned earlier this morning that 300 homes and 4 business have burned down. We're told that the prison does NOT intend to move us, but rather to shelter in place. This doesn't sound ideal to me as the smoke is really bothering this old man's asthmatic lungs, I've been struggling with coughing fits. Would you pray for the safety of the over 2,000 inmates at the four prisons?

The fires have also caused the warden to cancel all visits until further notice. Unfortunately, my sweet 90 year-old mother and my brother had planned for weeks, purchased tickets, and arranged for a car rental to visit this weekend, but of course, better safe than sorry. Hopefully, they'll be able to come for a visit soon.

With regards to our humble Barbie & Ken vs Goliath IRS Petition for a Constitutionally authorized Presidential Pardon, sorry, no we've not heard back from the White House in any way. Sure, we realize that our Petition has the chance of cherry popsicle in hell, but we continue to trust our future in His hands and to believe in His Miracles. We're especially attentive as we work to resolve Barbara's "situation" because of my official December 1st date now for half-way house for 3 months and 6 months of home confinement. We just want to be reunited as soon as possible

Thanks for You Ever-Kind Prayers,

Ken (and Barbara) Cromar

Zb. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around

\$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.
