Judy Note: Think Congress went on recess Friday until after the November election? Think again. With US Inc. Bankrupt, there would be no November election for that private corporation. Most of it's Congressional officers were said to be under arrest, charged with Treason and Crimes Against Humanity - mainly crimes against children in their international Child Sex Trafficking Ring run by the Vatican.

Within 60 days there would be an election for the new United States of America Republic that starts its new fiscal year on **Thurs. 1 Oct. 2026** under a gold-backed US Note as part of a Global Currency Reset.

To accomplish a new US Republic that runs under concepts of the original Constitution, President Trump and the Global Military Alliance have been executing the largest Sting Operation in history. Over 80 nation's Military forces across the globe were mobilized – US, Canada, UK, EU, and beyond. They've already arrested and tried over half a million Satan Worshiping Global Elites for Crimes Against Humanity. These criminals, the ones who prey on the World's children, were finally facing justice, and it wasn't pretty.

Why a new Republic?: US Inc.'s last so-called “elected” President was Biden The Clone, only one of hundreds of examples that sink into the depths of depravity that US Inc. has perpetrated on the American people: [EXPOSED: BIDEN IS DEAD — MEET THE CLONE, THE ACTOR, AND THE GREATEST LIE EVER SOLD TO AMERICA \[VIDEO\] - amg-news.com - American Media Group](#)

On Thurs. 1 Oct. 2026 the Global Elite Cabal's US Inc. Corp. Government would be dissolved, finally ending their fiat monetary system and closing their US Inc. government.

On that same Thurs. 1 Oct. 2026 the privately owned (by Satan worshipping Cabal bankers) Federal Reserve and IRS would shut down because US Inc. Corp.'s fiscal year ended. It was bound to happen. US Inc. has been bankrupt since **2008**, with no Congressional budget approvals, or accountability - just running on fumes with a fiat dollar.

The Cabal's Blackrock was also Bankrupt. This was the Deep State's financial arm that controlled more wealth than entire nations. With 209 nations' switch to the gold/asset-backed currency system on **Thurs. 1 Oct**, the Deep State no longer had access to Taxpayer monies. So sad.

Also on Thurs. 1 Oct. 45,000 ILA workers at major ports were set to go on strike as unions pushed for a 77% wage increase. Half of US goods go through those ports. For each day of the strike, it will take one week to recover, severely disrupting the supply chain. Stock up on goods.

All banks worldwide not Basel III compliant (have gold backing to their monies) will be closed. The Basel III regulations could alter the real estate market in unprecedented ways.

In the first week of October the Emergency Broadcast System was set to activate and broadcast documentaries 24/7 on the state of the World.

With the QFS activation, governments as we know them were expected to shrink by 90-95%. The Global Military Alliance will take control worldwide until after elections, which have to be held within 60 days. Forget the November elections. They're not happening, not on this timeline.

NESARA GESARA was well in force as countries worldwide were activating the gold/asset-backed Quantum Financial System and Global Currency Reset. The BRICS nations heads the greatest wealth transfer in history. 134 nations were ditching the fiat US dollar and moving to gold-backed currencies. Each of these currencies will trade at a 1:1 ratio.

Also on Thurs. 1 Oct the new United States of America Republic will start its new fiscal year under a gold-backed US Note as part of the Global Currency Reset.

A. Have you ever wondered why McDonald's doesn't own a single cattle farm, but owns 270 children's hospitals?

It's sickening to figure it out, though since 2015 we've suspected that they used the bodies of children for their meat. [McDonalds Chain Closing Globally: Human Meat, Body Parts Found in Food? | Crime All-Stars | Before It's News \(beforeitsnews.com\)](#)

Since 2015 children's teeth have been found in McDonald's sausages, potatoes and pancakes in various Japanese cities.

In 2020 a Rabbi reported that McDonald's was using human parts in their "beef," making one wonder if there was another reason besides Covid for the rash of McDonald's closures in Walmart stores across the nation and globe.

McDonalds was owned by the Khazarian Mafia, which was known by Satanic Ritual Abuse Survivors to be high rollers in the Illuminati – members of whom have been reported to practice Human Sacrifice to their God Satan, mainly of innocent children.

On the below video a Rabbi claimed human/child meat was sold to fast food outlets and McDonalds was the number one buyer. This has been verified by Satanic Ritual Abuse Survivors with whom I have personally spoken.

B. DHS Secretary Markwayne Mullin just exposed pure evil: “Innocent children trafficked across the open border were RAPED 600 TO 700 TIMES — locked in rooms, forced to service monsters day after day.

“THEY ARE BABIES. THEY DON’T DESERVE THIS. NO CHILD DOES.

“We found 146,000 kids so far... but nearly 300,000 are STILL MISSING.

“I don’t care if you’re liberal, conservative, or anywhere in between — if you can’t stand up and scream SAVE OUR CHILDREN, who the hell are you?!

“This is not politics, it’s a national emergency. These kids are suffering in the shadows while too many look away.

“ENOUGH. Share this. Demand action. Demand every missing child be found. Demand justice for the innocent.”

C. Judy Note: *The below was in my opinion only and may or may not be correct:*

NESARA is the National Economic Security and Reform Act for the United States. GESARA is the global version of NESARA. Both represent a global economic revolution of financial reforms aimed at eliminating flaws in our current economic system. In other words: Prosperity is considered a right for any human being, so under the new financial system there would be no more inflation, or debt.

TRUMPSARA is an expansion or variation of NESARA GESARA that was being implemented by President Trump. TRUMPSARA is a series of radical financial reforms designed to maintain economic justice by restoring financial power to The People of the World.

An integral part of NESARA, GESARA, TRUMPSARA is a Global Currency Reset (GCR) that created fiscal balance between nations by putting their gold/asset-backed currencies to trade at a 1:1 with each other.

The Zim Bonds of Zimbabwe (described as a country made of gold surrounded in diamonds) is backing the GCR with their gold and natural resources. Those who have bought Zim Bonds from a valid dealer could redeem them to fund their own humanitarian programs.

Note: The Zim Bond redemption money is to be used for humanitarian projects and thus has a different rate than the Zim currency exchange rate.

If you had Zim Bonds and a humanitarian project you wanted to have funded, then at your Zim Bond Redemption Appointment (that could include exchange of foreign currencies you hold), you would present a simple 1-2 page outline of your project that included a short summary, how many people you expected to employ, yearly length of your project, approximate cost and paragraph about yourself that

showed your ability to do the project. Your Zim redemption rate would assure complete funding for the full term of your project, with an amount left for yourself.

Those who hold Zim Bonds and do not have a specific humanitarian project to fund would be given an alternative Zim Redemption Rate. Some of the money would be for themselves, while they would be asked to choose from a list of international projects to help fund.

Note: Zim Bonds would be available to buy until the GCR was completed. I bought mine at Templeton Collectibles on the Web.

At the conclusion of the GCR the general population Worldwide would be invited into a Redemption Center to set up their personal wallets (formerly known as bank accounts) on the new Starlink Satellite System. Individuals would set up their wallet by way of their own body rhythms and DNA. The system was digital and completely secure. No one but that person could access their own account. The digital account would be accessed through their cell phone. ATMs would be available to obtain cash.

A integral part of the revolution to make the World a Better Place through release of the GCR, was better health for all people of the World through release of Med Bed treatments. It is my understanding that Med Bed Treatment Centers have been built around the World and some were actively treating clients right now.

Some large hospital chains have been bought out and Med Beds have been placed in them with doctors, nurses and medical staff fully trained in the process. **People will be issued Med Bed cards** to cover cost of their treatments in their own countries.

regarding Satanic Ritual Abuse. The more affidavits we can get regarding Satanic Ritual Abuse, the better as this is the last and most important part of the Criminal Referral. Now is the time to act and bring the hidden things of darkness out into the light of day. ...Tom Fairbanks

For years brave Satanic Ritual Abuse Survivors and others who supported them, have exposed childhoods of abuse and torture by their Satan worshipping perpetrators to an unresponsive audience.

For instance, Judy Byington has reported on the cover-up of high-level perpetrators and the unresponsive legal system in the State of Utah and elsewhere. From my own years of investigation, I have offered a second witness to validate Judy's experience, specifically regarding the lack of prosecution of Satanic Ritual Abuse and the corruption of the judicial system in the nation and different states, especially here in Utah.

We know that there are others who are personally aware of abuse and corruption of children by Satanic followers. If such happened in your life, I am calling for your help to bear truthful witness by writing an affidavit of your own experience with the dark side.

Affidavits will be held strictly confidential and the information will not be released without your written permission. Through them you have the capacity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save The Children*.

On Wed. 23 Sept. 2026 at ten am EST the Federal Reserve System was shut down and bank wires were no longer going through on the old SWIFT System.

On Wed. 23 Sept. 2026 at 6 pm EST the Quantum Financial System (QFS) was absorbed by the new US Treasury.

On Thurs. 24 Sept. 2026 at 2am EST 23 global currencies on the QFS Trading Platform were activated and began trading.

On Thurs. 24 Sept 2026 at 4 pm EST total activation of the QFS System occurred.

This weekend Fri 25 to Sun 27 2026 will be an amazing revelatory weekend. Groups out West will be notified that they have access to funds.

On Fri. 25 Sept. 2026 Trump gave the go-ahead for a Global Currency Reset of 209 nations to gold-backed currencies. Schedules were ready at Redemption Centers. Six new QFS nodes in Atlanta, Warsaw, Bangkok, Mexico City, Melbourne and Toronto pulsed live after the Kahlooni Family Gathering locked in the Restored Republic window.

On Sun. 27 Sept. 2026 at 5pm EST Trump will give his keynote address.

On Mon. 28 Sept. 2026 Blackout: NESARA will kick off. The main arrests begin of judges, prosecutors and lawyers who were paid by George Soros to betray and sabotage the United States.

On Mon. 28 or Tues. 29 Sept. 2026 Tier4b (us, the Internet Group) should be notified to set exchange/ redemption appointments, although it may be sooner.

On Tues. 29 Sept. 2025 the system collapses at midnight and the Golden Age begins.

On Thurs. 1 Oct. 2026

US Inc. Corp. dissolves, ending the fiat monetary system and closing US Inc. government. The privately owned Federal Reserve and IRS will shut down. Its fiscal year ends, and it's been bankrupt since 2008. No Congressional budget approvals, just running on fumes with a fiat dollar.

The Cabal's Blackrock is Bankrupt – the Deep State's financial arm, controlling more wealth than entire nations has already declared bankruptcy.

With the QFS activation governments as we know them will shrink by 90-95%. If new elections aren't held within 60 days, the Global Alliance Military will take control. Forget the November elections. They're not happening, not on this timeline.

President Trump and the Global Military Alliance have been executing the largest Sting Operation in history. Military forces across the globe are mobilizing – US, Canada, UK, EU, and beyond. H. Judy Note: No one knows the exact date for notification of appointments for Tier4b (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would **soon play a different roll in the Global Financial System.**

I. GLOBAL CURRENCY RESET: INSIDE THE REDEMPTION OPERATION

Tier4b Nesara Gesara on Telegram **Fri. 25 Sept. 2026**

The RV Redemption has begun. The NDAs are real. The post-redemption plans are locked. What you are about to read is the uncompromising truth about the Redemption Centers - the only gateways for the public under NESARA/GESARA protocols.

Banks are NOT your path. Elites use them. We, the people, go through Redemption Centers, even if they have a bank name slapped on the building. Here, rates are higher, and you walk out with **QPhones, QLaptops, Quantum ID Access Cards, Rainbow Currency, debit cards, checks** and even a temporary trust if your humanitarian project template is ready. This template, approved at the White House, was designed for those chosen to restore humanity.

Backbone of this operation:

Reclamation – returning stolen wealth seized by the Deep State, Cabal, and bank cartels. Restitution/Reparation – undoing decades of unconstitutional theft: taxes, interest, property seizures, debt slavery.

Redemption – the exchange of currencies/ZIM bonds at rates never meant for public eyes. Only a fraction is for personal use - the rest fuels humanitarian projects.

ZIM bonds are gold-backed. Dinar, Dong, and others hit double-digit rates. XRP? Already mirrored into Quantum accounts. True value: \$1M per token.

J. THE RESET HAS ENTERED ITS FINAL STAGE. ...Tier4b ISO20022 on Telegram Fri. 25 Sept. 2026

The order has been given. The old financial structure is being dismantled, and the transition into the new system is moving into its most critical phase.

WASHINGTON IS PREPARING FOR WHAT COMES NEXT. Security will tighten. Military presence will expand. Banks and financial networks will face major disruptions. Emergency protocols will be activated as unrest spreads through major cities.

Then comes the communications shutdown. THE BLACKOUT WILL MARK THE TRANSITION. Banking access will freeze. Normal broadcasts will be interrupted. Emergency communications will take priority.

The public will wake up to a financial system that no longer operates the way it did before.

THIS IS THE POINT OF NO RETURN. The old structure is coming down. The new monetary system is moving into position. The final sequence has begun. **GET READY.**

K. TIER 4B: THE HANDOFF HAS BEGUN. ...Tier4b ISO20022 on Telegram Thurs. 24 Sept. 2026

The first doors have opened. Now the sequence is moving outward. Zurich is active. Reno is moving. Private banking channels are shifting into controlled settlement mode.

The important part is no longer what appears on the public side of the banks. Watch what is happening behind the screens: Accounts are being positioned. Compliance files are being cleared. Redemption appointments are moving through controlled groups.

ZIM holders were the signal. TIER 4B IS THE BRIDGE. This is why everything is happening in waves. Not everyone at once. Not every location at once. One corridor opens. Then another. Then another. Until the system reaches your region.

ISO 20022 BUILT THE RAILS. The new financial architecture is connecting them. And the people who have been waiting for years are beginning to understand why the process had to remain controlled until the final stage. Zurich was never the destination. Reno was never the destination.

THEY WERE THE BEGINNING OF THE ROUTE. The handoff has started. The circle is widening. **OUR TURN COMES NEXT.**

L. The global financial stage has shifted, though the elite try to hide it. The Quantum Financial System (QFS) is live. Behind the scenes, the Alliance is dismantling the corrupt systems of old and cutting off global financial control. ...Tier4b ISO20022 on Telegram Fri. 25 Sept. 2026

The collapsing banks are deliberate takedowns. Deutsche Bank, HSBC, and JP Morgan have been silently gutted. Senior executives are detained, with military tribunals issuing swift verdicts at GITMO. The financial cartel is imploding.

VISA and Mastercard are dissolving, replaced by QFS-integrated infrastructure. The "digital transition" is a military-engineered reset. New QFS cards offer security, erasing fraud and exploitation.

PayPal and Stripe are next. Used to funnel wealth into deep-state projects, they are being neutralized. Monopolies will not survive the rollout. Commerce will flow through the Quantum Internet—a new framework rendering old systems irrelevant.

The Quantum Internet is encrypted at the quantum level—unhackable and untraceable. Beyond surveillance, it cannot be hijacked, turning digital weapons against them.

QFS accounts, tied to biometric IDs, feature no fraud, bank middlemen, or fees. Transactions are instant and global. Every citizen has a QFS account tied to their ID, accessible via the Quantum Communication Network (QCN).

The fiat system is dying. Over 60 nations shifted to asset-backed currencies with gold reserves. Rainbow Tokens, backed by physical assets in quantum vaults, lead this financial order.

The Zim Bond redemption has entered its final phase, with funds going to humanitarian projects. New security protocols—biometric screening and military oversight at Redemption Centers—are active. Violators are detained immediately.

Covert raids in London, Zurich, and Hong Kong recovered gold, cash, and archives to stabilize payouts. Over 80% of cabal funding channels are eliminated.

South Africa's ANC regime is collapsing as GESARA-aligned leadership emerges. Iraq, with \$115B+ in reserves, is preparing to revalue its currency.

As of August 2026, the QFS is here. Cabal wealth is seized, and their control is vanishing. The Alliance says: be alert.

M. Basel vs Banks: The Line In The Sand ...Tier4b ISO20022 on Telegram Fri. 25 Sept. 2026

What is the basis of Base 3? To instill monetary discipline. To invoke checks & Balances. Supervision with ample reserves in banks. New funding requirements will cause banks maintain certain profit margins accounted for through what is in their reserves as opposed to figures on a computer screen where they lend out money they have and not what they can inflate at their volition like they did with the Sub-Prime Mortgage Crisis in 2007-2010.

The subprime mortgage crisis of 2007-10 stemmed from an expansion of mortgage

credit, including to borrowers who previously would have had difficulty getting mortgages, which contributed to rapidly rising home prices.

Historically, potential home buyers found it difficult to obtain mortgages if they had below average credit histories, provided small down payments or sought high-payment loans.

Unless protected by government insurance, lenders often denied such mortgage requests. While some high-risk families could obtain small-sized mortgages backed by the Federal Housing Administration (FHA), others, facing limited credit options, rented. In that era, home ownership fluctuated around 65%, mortgage foreclosure rates were low, and home construction and house prices mainly reflected swings in mortgage interest rates and income.

So why would banks avoid implementing Basel 3? To Increase Profits: Basel 3 requires banks to hold more capital, which can reduce their profits. Some banks may risk their solvency to increase their profits in the short term. Which goes back to the monetary prudence required in order to become compliant. They will not be able to lend at artificial rates that eat away at home values for clients seeking loans or mortgage they can not afford. Which would take away the incentive for banks to lend out to the benefit of them but to the detriment of the customers. Which is why the banks implemented the fail-safe policy "The Dodd Frank Act". Many do not know what this is.

This was created for banks to continue lending out money they do not actually have by using customer deposits as collateral just in case another housing crisis arrived they could legally confiscate deposits without telling the client to save their own arse.

Why do you think banks are now having to close their doors while customers bang on it outside complaining as to why they can not access their money?

Why do you think banks act as if they have no idea what Basel 3 is even though most banks that have FDIC were given memos ahead of time as to what Basel 3 is and why they need to meet these new policies by preparing their institutions by a certain date?

To Avoid Regulatory Scrutiny: Basel 3 is a complex set of regulations, and complying with them can be costly and time-consuming. Some banks may be willing to take the risk of being fined or sanctioned by regulators to avoid the hassle and expense of compliance.

Regulatory scrutiny is the oversight of banks and other financial institutions by government agencies. The goal is to ensure that banks are operating safely and soundly and complying with applicable laws and regulations.

Banks avoid regulatory scrutiny for a number of reasons. Some of the most common include.

Cost: Regulatory compliance can be costly for banks. They need to hire staff to manage compliance programs and invest in systems and technology to comply with regulations.

Complexity: The regulatory landscape is complex and ever-changing. Banks need a deep understanding of applicable laws and regulations to avoid scrutiny.

Reputation: Banks do not want to be seen as non-compliant with regulations. This could damage their reputation and make it more difficult to attract customers and investors.

Fear of Punishment: Banks found to be non-compliant with regulations can face punishments, including fines, penalties, and even criminal charges.

Obama should have NEVER been elected president in 2008 because Democrat operatives were caught, arrested, and charged for adding hundreds of fraudulent signatures to the ballot petition for Obama to even be on the ballot for the election. 500 signatures were needed which Obama barely cleared, but with the 100 to 200 fraudulent signatures, he wouldn't of qualified to even be on the ballot. He was illegally on the ballot and elected. The operatives weren't caught until 3 years later, but if caught in time, the signatures could have been challenged to remove Obama from the ballot in 2008. Hillary Clinton also had fraudulent signatures as well, but still had enough, with the fraudulent ones to stay on the ballot. All roads lead to Obama.

And that's where things get strange. The inscriptions appear to be in ancient Hebrew, while research has reportedly dated them to roughly 500–2,000 years ago. If authentic, that would raise a major historical question: How did Hebrew writing end up on a massive stone in ancient New Mexico—centuries before Columbus?

The stone is also reportedly made from locally sourced rock, challenging the idea that it was simply transported to America already engraved.

Mainstream history offers no straightforward explanation. So what exactly is the story behind the mysterious New Mexico stone?

V. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has been released from the Guernsey County Jail, though still faces charges of Obstruction of Justice for harboring her abused daughter Kaitlynn. After seven years of suffering beatings, starvation for a year, refused medical treatment and other atrocities while in the Ohio Foster Child System, Kaitlynn and ran away to the protection of her mother.

Although the original charges were dropped against Jeannine, the Municipal Court has kept the case open, refused to take Larrick's filings and had another court hearing on her case on **Fri. 4 Sept. 2026**. There they offered Jeannine to drop the case if she would admit to Obstruction of Justice - which she, of course, she refused. The jury trial has been set for **Sat. 21 Nov. 2026**. Let us pray that Constitutional Law is in effect by then.

The intention of Ohio authorities appeared to be to prevent Jeannine and Kaitlynn from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, "Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Depravation of Rights. The Alliance needs your rage to trigger mass arrests!"

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, "I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my

mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

“Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years.”

You can help. Please consider calling or emailing Ohio authorities and demand protection of Ohio’s Foster Children and Jeannine’s immediate dismissal of charges.

X. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Tim is a true hero and his wife and nine children continually support and pray for him. Day #1034 - behind enemy lines

Dear Patriot Friends and Family,

After 8 exhausting years, and 20+ court cases in Utah State Court (Provo, Utah), U.S. District Court (Salt Lake City), Tenth Circuit Court of Appeals (Denver), US Tax Court and The Supreme Court of the United States (Washington D.C.), and despite the facts and The Law and your kind prayers & signatures in our behalf, we have been denied justice in "Barbie & Ken vs Goliath IRS".

Therefore, we have now taken our cause directly to President Donald J. Trump, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter below received by Pres. Trump's office this morning.

July 8, 2026 - 2:45 pm Update

Dear Patriot Friends & Family,

You may have heard about the massive wildfire that has burned over 90,000 acres, and has cause the evacuation of the city just south of our Florence (Colorado) Prison Camp, Medium, High and Super-Max Prisons. Within the last hour we could see that the flames have worked their way over the top of the mountains and are within view. We also learned earlier this morning that 300 homes and 4 business have burned down. We're told that the prison does NOT intend to move us, but rather to shelter in place. This doesn't sound ideal to me as the smoke is really bothering this old man's asthmatic lungs, I've been struggling with coughing fits. Would you pray for the safety of the over 2,000 inmates at the four prisons?

The fires have also caused the warden to cancel all visits until further notice. Unfortunately, my sweet 90 year-old mother and my brother had planned for weeks, purchased tickets, and arranged for a car rental to visit this weekend, but of course, better safe than sorry. Hopefully, they'll be able to come for a visit soon.

With regards to our humble Barbie & Ken vs Goliath IRS Petition for a Constitutionally authorized Presidential Pardon, sorry, no we've not heard back from the White House in any way. Sure, we realize that our Petition has the chance of cherry popsicle in hell, but we continue to trust our future

in His hands and to believe in His Miracles. We're especially attentive as we work to resolve Barbara's "situation" because of my official December 1st date now for half-way house for 3 months and 6 months of home confinement. We just want to be reunited as soon as possible

**Thanks for You Ever-Kind Prayers,
Ken (and Barbara) Cromar**

Ken is able to receive regular mail now – envelopes. All mail is opened and read by a prison employee. Z. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Za. Watch Out For Scammers:

Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:
