“**Trump’s Global Military Alliance has put out a Red Alert** warning to exit the dollar and prepare for an accelerating dollar collapse.

The Alliance was well prepared for a Deep State created financial crisis: “All funds were in place; adjudicated settlements were fully liquid; activation codes were in the Quantum Financial System and the Chinese Banking Elders were at Banking Centers around the World to oversee the roll out of the Global Currency Reset.

“**Sometime soon the Military would initiate the Project Odin National Alert System** by taking down the Mossad Satellites and activating the new Starlink Communication System to take over all Media Outlets Globally.”

Ten Days of Darkness:

A government shutdown will take place during Ten Days of Darkness that was expected to begin any time between **Tues. 13 Oct. 2026 to the end of October and could go through the first week of November.**

Have food, essentials and cash on hand as Banks and ATMs will be closed in order for the Global Financial System to make the transition from fiat monies to gold/ asset-backed currency of 209 nations.

On Currency Exchange and Zim Bond Redemption:

During this Ten Days of Darkness Tier4b (those in the general public who have purchased foreign currency to exchange, or Zim Bonds to redeem), will be able to make their exchange/ redemption appointments.

Notification emails will be sent out to those who have purchased foreign currency or Zim Bonds from reputable dealers. The emails will contain a Secure Safe Link Website, plus instructions on what to do.

Certain Intel Providers will also be given the Secure Safe Link Website link to post on their websites or Blog, along with instructions on what to do.

The Secure Safe Link Website could be shared with others.

In order to exchange, go into the Secure Safe Link Website and follow the instructions. You will be asked certain questions and to do specific things in order to verify that you are you.

If you are married or have a partner, only one of you can do the exchange, although they could accompany you to the appointment, as could anyone else you wish to have there. However, be careful who you invite as they would need to sign a Non Disclosure Agreement (NDA), as would you. If you or they break the NDA, your money could be frozen.

After verification, you will be given an 800 number to call for your exchange/redemption appointment. The number will be specific to you, will be of no use to anyone else and will expire after you have made your appointment.

With Constitutional Law, United States American Republic and Global Currency Reset well on their way to giving nations and people sovereignty, plus The

People's money back to The People, we could now turn our attention to other, actually more important, matters.

A major problem our Global population faced was a sophisticated Mind Control program perpetrated by the Satan Worshiping Cabal that was designed to control the World population. Although using some adults as victims, the more sophisticated Mind Control was based on torturing a young child into developing multiple personalities that could be controlled throughout their life by their perpetrators.

The insidious program was first developed in Hitler's Nazi Germany using child victims torn away from their families and who were then incarcerated in concentration camps. The torture based mind control used Satan worship pedophile and child sacrifice rites to split their young developing brain's thinking patterns. The alter personalities thus created could then be accessed throughout their lives by Satanic minded perpetrators using certain Latin words.

After World War II a MKULTRA program was developed by the CIA using Mind Control experts brought out of Nazi Germany in Project Paperclip. The experiments on young children were set up through 149 sub-projects across more than 80 universities, hospitals and institutions in the US, Canada and Australia. Their child victims were sold into the program by multi generational Satanic families.

Since the CIA's formal inception by President Truman and with the help of a future US President HW Bush (the son of a Nazi mind control expert close to Hitler), the program has been funded by the US Congress.

Worse, according to survivors of the program, the child torture was still going on today. Yes, you heard that right, Congress was presently believed to be funding the CIA's torture of children and have been since the end of World War II.

CIA mind-control survivors claim Congress never ended the torture of children paid for with US Taxpayer dollars even after three Congressional Hearings on the subject.

Carol Rutz, author of "A Nation Betrayed," said her grandfather sold her to the CIA at age four in 1952 and that she was used through 1964 as a sex slave for top politicians. Electroshock, drugs, hypnosis, sensory deprivation, and other trauma split her mind into alters that answered post-hypnotic triggers and later remembered nothing. She called it a Manchurian Candidate program funded by the public.

Officials claimed the program closed by congressional mandate in 1964. Survivors said it did not stop. According to Jenny Hill's Biography "Twenty Two Faces" in 1965 at age six Hill was put through the same torture methods by a man identified as Dr. Green. Green was described as head of the CIA effort and said to have used Satanic Ritual Abuse, rape, and child sacrifice to fracture young minds. [Woman Sees Human Sacrifice](#)

Three survivors at 1995 hearings said Green worked at the Army Chemical Center, kept CIA and military files, and received 50 million dollars from CIA Science Division. Witness B, Christine Nicola, said Green abused her from 1966 through 1976. Witness C said the torture ran from 1957 through 1984.

Nebraska Boys Town victims said CIA-linked drug and sex trafficking with prominent political figures continued into the 1980s and 1990s.

Cathy O'Brien, author of "Trance Formation of America," said she was sold into the same program and used by political elites until former CIA officer Mark Phillips pulled her out in 1988.

Sisters Cheryl and Lynn Hersha, documented in their book "Secret Weapons," that they were trained before age seven as spies and assassins with cages,

electrified mazes, and code words. Researchers, the book claimed, used sexual trauma on children under seven to manufacture personalities for “national security.”

A Washington Post black-budget report showed the CIA taking 56 percent of the intelligence black budget, about 14.7 billion dollars a year with no public line items. Extreme Abuse Surveys recorded 147 survivors who said they were still being accessed against their will. NIH-funded university trials on premature infants were tied to 237 deaths.

In 2026 a House task force reopened MKULTRA, citing 149 subprojects across more than 80 institutions and files destroyed on orders from the top. Survivors still ask why hearings in **1977, 1995, and 2026** have not stopped the money.

If Congress keeps writing the checks, the program was never shut down. It was only renamed.

A. What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:

Back on 3 May 2025 a Deep State Grid Sabotage was thwarted. White Hats intercepted an EMP Arsenal meant to blackout America. It was designed to vaporize U.S. infrastructure and paralyze the QFS and EBS systems before they could go live. The five-nation NATO-financed, Deep State Black Operation built in Israel and routed through Ukraine, was intended to kill the American power grid. EMP-class devices, grid-collapsing malware, frequency jammers and satellite-synced override tech were discovered and neutralized by Trump's White Hats.

A declassified CIA document reveals that in the 1960s, the US military planned Operation Northwoods, which involved committing acts of terrorism against American citizens to justify a war with Cuba. The plot included proposals like creating a 'Communist Cuban terror campaign' in US cities and even suggested killing US soldiers by blowing up a ship in Guantanamo Bay to blame Cuba, aiming to provoke public support for military action against Fidel Castro. Although signed by the Joint Chiefs of Staff in 1962, the plan was ultimately rejected by President John F. C. Possible Timing:

On Mon. 12 Oct. 2026 the gold-backed Quantum Financial System of 209 nations locked the debt-nullification algorithms under OPERATION-DEBT-JUBILEE-1012 as President Trump sealed the second pass and every mortgage, student loan and credit-card charge recalculated with unlawful compound interest stripped forever from the Golden Age ledger. Birth-certificate bonds returned in full to every quantum wallet as the Restored Republic opened the silent jubilee and the old fiat dollar sat a dead asset.

Tier4B notification windows widened at secure Redemption Centers while early holders received appointment codes through channels that never touched Cabal banks. ISO 2022 asset-backed rails ran pure gold across the six nodes in Atlanta, Warsaw, Bangkok, Mexico City, Melbourne and Toronto. QFS wallets pre-loaded birthright value direct to sovereign citizens with Rainbow US Notes replacing Federal Reserve paper.

No income tax. Tariffs plus 14 percent on new goods only. Food and medicine stayed untaxed. EBS phones stood on twelve-second notice for the ten-day disclosure blackout that seizes every screen through Starlink and Project Odin as the switch markers lock: sealed Supreme Court midnight filing, two major networks go dark, airspace lock over the Potomac.

Atlantic flights ground. Marine traffic holds. Banks and ATMs stay dark for the seven-to-ten-day transition while gold-backed digital notes issue direct to individual wallets. Deep State traitors melted as 847 indictments sealed for Treasury officials who green-lit Ukraine laundering, Big Tech executives who suppressed the Hunter Biden laptop, NIH directors who blocked Ivermectin and media CEOs who

ran pay-for-play pandemic narratives.

GITMO flights manifested and military police stood on standby. The children come home. Cabal prisons stay dark. Governments shrink 90 to 95 percent. The Light Event approaches as the Q Calendar Storm closes toward Wednesday and the first public transaction audit already ran worldwide.

On Tues. 13 Oct. 2026 every cell phone receives the loud alert as wider QFS wallet notifications flood sovereign citizens.

On Wed. 14 Oct. 2026 the Golden Era stands open. Zim and Dinar contract rates stay locked at the Centers. Saint Germain Trust covers the restitution grid in full. Trust the Plan. God wins.

D. Med Bed Possible Timing: ...Med Bed Activation on Telegram **Mon. 12 Oct. 2026**

On Mon. 12 Oct. 2026 Alliance medics confirmed Quantum Holographic Med Beds fully seated across 209 nations after ISO 20022 migration locked in, with 8,300 U.S. clinics queued for free civilian intake and birthright cards activating nationwide. Debt-nullification strips unlawful interest from mortgages and loans as QFS wallets issue direct, old fiat dies, military police standby for mass arrests, EBS on 12-second notice from Cheyenne Mountain exposing Cabal Rings.

On Tues. 13 Oct. 2026 free Med Bed reservations flood via emergency phone alerts, frequency chambers activate rejuvenation protocols reversing decades of aging in hours, underground tunnels yield more quantum units for public wings.

On Wed. 14 Oct. 2026 holographic scans detect and erase every disease including autoimmune disorders, limb regrowth confirmed on veterans, age regression tables restore vitality as deep state melting.

On Thurs. 15 Oct. 2026 Med Bed public intake expands, children returned home receive priority healing, Cabal assets seized funding humanitarian Med Bed expansion. County centers report first public walk-outs cancer-free and youthful, children returned from trafficking rings receive priority healing, fiat end and freedom dawn as tribunals begin.

On Fri. 16 Oct. 2026 global streams of healed citizens go viral, 99 percent cancer cure rate holds, deep state melting under 12-second EBS notice from Cheyenne Mountain, freedom dawn arrives as tribunals begin for half a million elites.

Mon. 19 Oct. 2026 Declassified files drop to every household.

E. Global Currency Reset:

A government shutdown will take place during Ten Days of Darkness that was expected to begin any time between **Tues. 13 Oct. 2026 to the end of October and could go through the first week of November.**

During this Ten Days of Darkness Tier4b (those in the general public who have purchased foreign currency to exchange, or Zim Bonds to redeem), will be able to make their exchange/ redemption appointments.

F. Judy Note: No one knows the exact date for notification of appointments for **Tier4b** (us, the Internet Group) to exchange foreign currencies, but deadlines shown in the above Timing indicate it to be very soon. We have been told that Wells Fargo, which is controlled by the Chinese Elders – (the

ones who own the gold behind the Global Currency Reset) – will send out emails to currency and bond holders worldwide telling them how to set redemption & exchange appointments. It is advised to exchange/redeem your foreign currency at an official Redemption Center (RC) rather than a bank. You can only redeem Zim at a RC, the Dinar Contract Rate can only be given at a RC and banks will offer you lower exchange rates than what you can obtain at a RC. You can only set up your new wallet (bank account) at a RC. It was my understanding that most banks were under control of the Cabal and would soon play a different roll in the Global Financial System.

G. On Currency Exchange and Zim Bond Redemption:

During the Ten Days of Darkness Tier4b (those in the general public who have purchased foreign currency to exchange, or Zim Bonds to redeem), will be able to make their exchange/ redemption appointments.

Notification emails will be sent out to those who have purchased foreign currency or Zim Bonds from reputable dealers. The emails will contain a Secure Safe Link Website, plus instructions on what to do.

K. WHERE IS THE LONDON GOLD? NOT WHERE THEY CLAIM. ...Tier4b ISO20022 on Telegram Mon. 12 Oct. 2026

For years, central banks insisted the physical metal sat securely in vault custody. But paper records tell one story—the physical vaults tell an entirely different one. Recent internal audits circulating among top sovereign wealth managers over the past 18 months confirm what public institutions refuse to state out loud: the gold shown on official financial sheets is no longer there. In many instances, it never was.

BEHIND THE UNREPORTED SHIFTS:

- **The Relocation:** Since 2013, more than 1,500 tons of physical bullion were quietly routed through Swiss clearing houses and private bullion channels. These moves bypass public registries completely, leaving shareholders in the dark.

- **Paper vs. Physical:** While official claims list the gold as "in custody," that status is now just a entry in a book. The physical bars moved out long ago; only the paper trail stayed behind.

- **Strategic Placement:** The reserves were pulled out of Europe and redeployed directly into key centers across Asia and the US—strategically hooked straight into the live-activating ISO 20022 settlement infrastructure.

- **The True Purpose:** This bullion was never meant for retail or market trading. It was locked away to underpin a new architecture—a system rooted in verifiable physical assets rather than unbacked fiat promises.

M. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.

<https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html>

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children.*

Save The Children:

N. SCANDAL: "Anthony Fauci illegally experimented on orphaned children. He buried their bodies in an unmarked mass grave to cover it up"Dr. Judy Mikovits on Telegram Mon. 12 Oct. 2026

"Fauci made sure none of those children had guardians, which is illegal, and then hid from the boards what he was doing. He took in foster homes across six states and handed them over to the pharmaceutical industry.

"He made sure the people running those foster homes didn't even have medical training. Most of them were immigrants from the Dominican Republic. They knew nothing about medicine or responsibilities and were sick themselves.

"And little by little they realized what was being done to those children, that they were torturing them. And, you know, there are videos of those children, an old BBC documentary that'll make you cry.

"I promise you can't watch this without crying. One of these kids, 12 years old, is trying to protect an 8-year-old boy and has a tube in his stomach. And he says to them: 'I tried to fight them' and that's what they do.

"If you fight them, you can't fight them. You just have to take the medications, and the kids didn't want to take them because they were making them terribly sick. And Celia Farber was this incredible investigator who worked on this chapter for me and did a lot of the original research on it.

"She went to Hawthorne, New York, to the Gates of Heaven cemetery. She found the cemetery where Fauci was disposing of the bodies of these children who died in his illegal experiments.

"She found an open pit, covered by a carpet of artificial grass. She pulled back the carpet and saw hundreds and hundreds of little coffins stacked haphazardly on top of each other, because they were children with no parents and no one there to protect them.

"And Tony Fauci treated them like collateral damage and, you know, his goal was to expand markets for these pharmaceutical companies he'd partnered with by allowing toxic chemotherapy drugs against HIV to be administered to the children.

"And then the next experiments, which are in the following chapter and are equally horrific, are his experiments in Africa."

R. Mammograms are a multi-billion-dollar business...They only serve to generate profits and always cause serious harm to the patient. ...Dr. Goodbinder, Martial Law on Telegram Mon. 12 Oct. 2026

- **During the exam**, the breast is compressed with a heavy weight of 10 kPa (1019 kg/m²) and then a healthy and highly sensitive breast tissue is bombarded with radioactive radiation.

- **It can stimulate tumor growth** and the spread of metastases.

- **Studies claim that for every 2000 women** who undergo a mammogram, one life can be saved...However, in the process, 50 women will be unnecessarily treated with surgery, chemotherapy, and radiation therapy...

- **Between 600 and 1,000 out of every 2,000 women** who undergo mammograms will submit to more radiation tests and biopsies for a possible diagnosis...

- **Repeated exposure to radiation** can cause deaths from heart disease, lung cancer, and other types of cancer. These iatrogenic deaths are not counted as breast cancer deaths...

- **Mammograms use ionizing radiation** in a dose that can cause breast cancer. They expose the body to radiation 1000 times greater than that of a chest X-ray.

- **Mammographic compression** of breast tissue can cause skin hematomas, bruising, and rupture of cystic masses. This extreme compression could spread cancer cells if they already exist. Mammography is useless in fibrous and dense breasts...

- **The false positive rate** in a mammogram could be 50/70%. The false positives and unnecessary interventions that occur lead to invasive and avoidable biopsies. After further testing on these biopsies, between 70% and 80% of the "tumors" detected in mammograms did not reveal the presence of cancer...

- **Many countries have already abandoned** the deadly and harmful 3D mammogram, and instead use safe ultrasound and QT thermography as the standard of care when preventive screening tests are desired. Both have a resolution 40 times superior to that of MRI, without exposure to radiation. Both are incredibly accurate and detect 97% of abnormalities between 8 and 10 years earlier than other standard cancer screening tests...

- **Cancer could be a metabolic disease** and could be prevented with lifestyle and dietary changes. A low-carb ketogenic diet that eliminates seed oils, ultra-processed foods, and sugar prevents cancer...

- **Avoid synthetic hormonal contraceptives.** Fast regularly to eliminate damaged mitochondrial cells from the body through autophagy. Maintaining a vitamin D3 level above 70 ng/ml protects against cancer...

T. RFK Jr. shares the remarkable story of one FDA scientist whose courage helped spare thousands of American children from devastating birth defects. ...Carolyn Bessette Kennedy on Telegram **Mon. 12 Oct. 2026**

“Thalidomide was a drug that was very popular. It was developed to treat morning sickness. Women in Europe and all the rest of the world were taking it.

“We had a scientist in this country called Frances Kelsey who worked at the FDA, and she looked at the safety data. And she would not approve it, even though she came under tremendous pressure from the agency to approve it. She just was steadfast and stalwart.”

“And then it turns out thalidomide caused grotesque birth defects. You had tens of thousands of children born in Europe, in Great Britain, and elsewhere without legs and without arms. And we were spared that in this country because of the FDA.

“It’s important that we have people at the FDA who have courage.”

U. Dr. Bryan Ardis just dropped a bombshell that Big Pharma, the American Heart Association, and cardiologists have been burying for decades. ...Carolyn Bessette Kennedy on Telegram

Magnesium can help prevent heart attacks and strokes... yet almost no one is telling patients. And salt? The exact opposite of what you’ve been told.

A massive 2016 study published in The Lancet, 450,000 people across nearly 50 countries, the largest ever on salt and heart disease, found that people eating 3-4 times the amount of salt the FDA recommends had the best heart outcomes: lower blood pressure and lower risk of heart attacks and strokes.

When that study came out, the American Heart Association reportedly threatened the journal: retract it... or we pull all our funding. They tried to bury the truth so they could keep pushing the pills.

Your heart needs real salt and magnesium, not the narrative they sell.

V. White House Source: Deep State Created or Powered Hurricane
Isaias ...Tier4b Activated on Telegram Mon. 12 Oct. 2026

Hurricane Isaias strengthened into a major Category 3 storm this morning, defying forecasts that wind shear would weaken it before an expected landfall along the Gulf Coast tonight. The first significant hurricane of the 2026 Atlantic season is tracking toward the Florida Panhandle and the Alabama coastline, raising immediate concerns for coastal communities.

On September 12, 2026, the White House Rapid Response 47 account on X posted “Thank you, President Trump!” after a meteorologist reported that no hurricanes had formed in the North Atlantic by that date. The message referenced Real Raw News reporting from July 7, 2026, which disclosed that President Trump had secretly formed a weather warfare committee tasked with stopping Deep State use of HAARP technology to create or intensify landfalling hurricanes. United States Space Force and SpaceX jointly operate orbital satellites equipped to counteract HAARP signals and disperse tropical depressions before they organize into storms.

U.S. Air Force Secretary Troy Meink recently confirmed that the United States possesses “on-orbit space control weapons” in Earth’s orbit. Meink described active space-based systems designed to defend the Joint Force against hostile actions. He did not restrict the description to foreign adversaries, leaving open the interpretation that the weapons are also intended to counter domestic weather manipulation.

The last hurricane to make landfall in the United States was Hurricane Milton in **October 2024**. During 2025 and into early 2026, tropical systems that threatened the mainland dissipated at sea, a marked departure from the historical average of roughly three U.S. landfalls per year.

A White House source stated that President Trump and Elon Musk ended the earlier pattern through space-based technology capable of disrupting both natural and artificial storms in order to protect lives and property. The source indicated that Deep State elements have developed a method to override those measures. Weather warfare specialists under Trump attempted multiple times to collapse Isaias, yet the storm intensified after each effort, producing an ongoing contest for control of the system.

The source added that President Trump does not yet know the precise opposing force that is powering and steering the hurricane. The only known HAARP facility in the United States, located in Gakona, Alaska, was dismantled by White Hats in July 2026.

President Trump continues efforts to neutralize the storm while reports describe behavior that does not match ordinary meteorological patterns. In Alabama, Governor Kay Ivey issued mandatory evacuation orders for residents in coastal and flood-prone zones. In Baldwin County south of the Gulf Intracoastal Waterway, some residents declined to leave. A family of six in Daphne boarded windows with plywood; the father painted the message “We trust in God and Daddy Trump.”

W. So here's the REAL story on Clinton and Benghazi: ...Tier4b ISO20022 on Telegram **Mon. 12 Oct. 2026**

Ambassador Stevens was sent to Benghazi to secretly retrieve US made Stinger Missiles that the State Dept had supplied to Ansar al Sharia in Libya WITHOUT Congressional oversight or permission.

Sec State Hillary Clinton had brokered the Libya deal through Ambassador Stevens and a Private Arms Dealer named Marc Turi, but some of the shoulder fired Stinger Missiles ended up in Afghanistan where they were used against our own military. On July 25th, 2012, a US Chinook helicopter was downed by one of them. Not destroyed only because the idiot Taliban didn't arm the missile. The helicopter didn't explode, but it had to land and an ordnance team recovered the missile's serial number which led back to a cache of Stinger Missiles kept in Qatar by the CIA.

Obama and Hillary were in full panic mode, so Ambassador Stevens was sent to Benghazi to retrieve the rest of the Stinger Missiles. This was a "do-or-die" mission, which explains the Stand Down Orders given to multiple rescue teams during the siege of the US Embassy.

It was the State Dept, NOT the CIA, that supplied the Stinger Missiles to our sworn enemies because Gen. Petraeus at CIA would not approve supplying the deadly missiles due to their potential use against commercial aircraft. So then, Obama threw Gen. Petraeus under the bus when he refused to testify in support of Obama's phony claim of a “spontaneous uprising caused by a YouTube video that insulted Muslims.”

Obama and Hillary committed TREASON!

THIS is what the investigation is all about, WHY she had a Private Server, (in order to delete the digital evidence), and WHY Obama, two weeks after the attack, told the UN that the attack was the result of the YouTube video, even though everyone KNEW it was not.

Furthermore, the Taliban knew that the administration had aided and abetted the enemy WITHOUT Congressional oversight or permission, so they began pressuring (blackmailing) the Obama Administration to release five Taliban generals being held at Guantanamo.

Bowe Bergdahl was just a useful pawn used to cover the release of the Taliban generals. Everyone knew Bergdahl was a traitor but Obama used Bergdahl's exchange for the five Taliban generals to cover that Obama was being coerced by the Taliban about the unauthorized Stinger Missile deal.

So we have a traitor as POTUS that is not only corrupt, but compromised, as well and a Sec of State that is a serial liar, who perjured herself multiple times at the Congressional Hearings on Benghazi. Perhaps this is why no military aircraft were called upon for help in Benghazi: because the administration knew that our enemies had Stinger Missiles that, if used to down those planes, would likely be traced back to the CIA cache in Qatar and then to the State Dept's illegitimate arms deal in Libya.

Y. THE PHARMA CARTEL JUST LOST ITS CROWN — THE HEALTH MONOPOLY IS OFFICIALLY CRUMBLING ... Wikileaks Truth on Telegram Mon. 12 Oct. 2026

Never again will a corporate boardroom dictate whether you live or die. Never again will your wellness be held hostage by chemical conglomerates and compromised regulators. The medical lockdown is finished. President Trump didn't sign a health bill — he declared independence from the sickness industry. The invisible monopoly that profited off your pain has just been blown wide open.

For decades, the system operated on a sinister business model: treat the symptoms, suppress the cures, and protect the patent. They flooded the market with synthetic poisons while burying natural remedies, branding ancient wisdom as dangerous and holistic health as a crime. They didn't want healthy citizens; they wanted lifelong customers dependent on a revolving door of prescriptions. Every pill pushed across the counter was a tax on your vitality.

Trump stopped the cycle. With a single decisive blow, he stripped the corporate immunity from the agencies that protected Big Pharma. No more FDA cover-ups for toxic ingredients. No more mandatory compliance engineered by lobbyists in lab coats. No more watching natural alternatives banned while synthetic chemical cocktails are forced down your throat.

The medical gatekeepers are in total panic mode. They called it public safety. It was biochemical imprisonment. They suppressed immunity, commercialized sickness, and called it modern medicine. But the shield has shattered. The doctors of corruption are running out of hiding spots.

The institutional White Coats won't be controlling your body anymore. From local communities taking back their wellness to independent practitioners breaking free from corporate hospitals, true sovereignty is returning to the individual. The iron grip is loosening. And the truth echoing through the medical establishment is definitive: YOUR BODY BELONGS TO YOU. YOUR HEALTH BELONGS TO US. TRUMP BROKE THE LAB.

Z. Back on 3 May 2025 a Deep State Grid Sabotage was THWARTED — White Hats Intercepted a EMP Arsenal Meant to BLACKOUT AMERICA Before Trump's EBS went LIVE! ... Quantum 632 on Telegram Mon. 12 Oct. 2026

On May 3, 2025, just hours before the Emergency Broadcast System was set to awaken the world, U.S. military intelligence intercepted a NATO-financed, Deep State black ops shipment intended to KILL the American power grid. The mission was clear: stop the signal, stop the truth.

The cargo was camouflaged as "international energy equipment." Inside? Nothing but WAR. EMP-class devices, grid-collapsing malware, frequency jammers, and satellite-synched override tech—all designed to vaporize U.S. infrastructure and paralyze the QFS and EBS systems before they could go live.

Built in Israel. Funded by NATO. Routed through Ukraine. Received in Maryland. This was a 5-nation operation, managed by Obama-era handlers and foreign intelligence fronts.

Seized in Kansas at a "decommissioned" rail hub—recently reactivated under fake infrastructure grants—White Hat forces opened the container and uncovered:

EMP pulse arrays targeting 440kV grid nodes, Remote-override malware bypassing energy firewalls, Signal jammers camouflaged as 5G repeaters, Bio-coded kill switches keyed to globalist DNA

This was surgical sabotage. Timed. Authorized. Directed. Their goal wasn't power disruption—it was psychological decapitation of the American awakening.

The plan: plunge the U.S. into silence right as the EBS revealed military tribunal footage, CIA and WEF confessions, vaccine genocide data, and election fraud proof tied to 2020 and 2024. The entire false reality would have collapsed overnight.

But they FAILED. Quantum triangulation under Project Odin tracked them. QSI intercepted Brussels-based NATO command chatter. Military arrests followed. Main operative? A rogue NSA asset. Now in GITMO under sealed indictment #886-QF-1105.

Trump's continuity-of-government framework was already in motion. The QFS is untouched. The EBS grid is secure. The "green light" is next.

They bet everything. They lost. As of May 25, 2025, military control has been active. The final drops are coming. The storm is HERE.

Zg. Update Kaitlynn Hunter, Jeannine Larrick

Jeannine Larrick has been released from the Guernsey County Jail, though still faces charges of Obstruction of Justice for harboring her abused daughter Kaitlynn. After seven years of suffering beatings, starvation for a year, refused medical treatment and other atrocities while in the Ohio Foster Child System, Kaitlynn and ran away to the protection of her mother.

Although the original charges were dropped against Jeannine, the Municipal Court has kept the case open, refused to take Larrick's filings and had another court hearing on her case on **Fri. 4 Sept. 2026**. There they offered Jeannine to drop the case if she would admit to Obstruction of Justice - which she, of course, she refused. The jury trial has been set for **Sat. 21 Nov. 2026**. Let us pray that Constitutional Law is in effect by then.

The intention of Ohio authorities appeared to be to prevent Jeannine and Kaitlynn from testifying against Ohio Child Protective Service authorities, Guernsey county sheriffs, court authorities and Journey Home NYAP foster care – all believed involved in Human Trafficking.

Journey Home NYAP Foster Care and the Ohio government syndicate all the way up to the Ohio Attorney Generals office, was believed connected to a CIA Child Sex Trafficking Ring which prepared Ohio Foster Care teens for entrance into Sex Trafficking.

Juan O Savin said a while back, "Please help save Kaitlynn, Jeannine and Ohio Foster Children – burn this satanic web down! Kaitlynn Hunter and Jeannine Larrick were in grave danger from Ohio's corrupt CPS, sheriff department and courts. The two hold damning proof. Their evidence could lock up Guernsey County Ohio demons for Crimes Against Humanity and Deprivation of Rights. The Alliance needs your rage to trigger mass arrests!"

It was believed Ohio authorities intended to admit Jeannine to a psych ward and force psychotropic drugs on her in retaliation for her years of exposing Ohio Child Protective Services Crimes Against Humanity and thus prevent her from testifying against perpetrators.

Jeannine and her daughter Kaitlynn Hunter are eyewitnesses to and Kaitlynn a victim of, over twelve years of Ohio CPS abuse of Ohio Foster Children including beatings, prolonged starvation, rapes, and being refused health care, education and contact with loved ones.

Just before she was arrested Jeannine said, "I am facing Obstruction of Justice, interference of custody for protecting my daughter Kaitlynn from CPS beatings, starvation and rape, plus contempt for not taking the unconstitutional incompetence evaluation (I provided proof of my mental health when I was arrested for the 4th time since my 1st false arrest 2-11-19 . All arrests I have proof of Rico conspiracy and crimes against us. The warrant was issued the day I buried my mother who was medically murdered. She was denied her baseline XANAX to breath several days twice in a two week period causing her to a fib and die).

"Currently Judge Williams has stricken all my discovery and filings from the record and is demanding I go to District 9 again and take another competency evaluation before she will hear the case. The same entity who said I suspected Rico and did not trust the government that helped strip custody in 2021. Now there is a warrant for my 5th arrest on an unconstitutional order to continue the narrative for 7 long years."

You can help. Please consider calling or emailing Ohio authorities and demand protection of Ohio's Foster Children and Jeannine's immediate dismissal of charges.

Zi. Tim Ballard: A hero rescuing children from Child Trafficking Rings

Tim Ballard has worked undercover in the US and multiple foreign countries to infiltrate child trafficking organizations. In this effort, he has successfully dismantled dozens of these organizations and rescued countless children from sex slavery. Today in Sept 2024 Tim continues to dismantle child trafficking rings and save children in South America. With his own organization embedded in governments all over the world, he is literally saving the World's Children. Just as a film about Ballard's work, "Sound of Freedom," was released, Tim suddenly became embroiled in a number of law suits. Powerful entities within the government appeared to be working to discredit and take him down, perhaps to silence his anti-trafficking work. Therefore, we have now taken our cause directly to President Donald J. Trump, --just in time for the 250th Anniversary Celebration of the Declaration of Independence. Please read the attached letter below received by Pres. Trump's office this morning.

July 8, 2026 - 2:45 pm Update

Dear Patriot Friends & Family,

You may have heard about the massive wildfire that has burned over 90,000 acres, and has cause the evacuation of the city just south of our Florence (Colorado) Prison Camp, Medium, High and Super-Max Prisons. Within the last hour we could see that the flames have worked their way over the top of the mountains and are within view. We also learned earlier this morning that 300 homes and 4 business have burned down. We're told that the prison does NOT intend to move us, but rather to shelter in place. This doesn't sound ideal to me as the smoke is really bothering this old man's asthmatic lungs, I've been struggling with coughing fits. Would you pray for the safety of the over 2,000 inmates at the four prisons?

The fires have also caused the warden to cancel all visits until further notice. Unfortunately, my sweet 90 year-old mother and my brother had planned for weeks, purchased tickets, and arranged for a car rental to visit this weekend, but of course, better safe than sorry. Hopefully, they'll be able to come for a visit soon.

With regards to our humble Barbie & Ken vs Goliath IRS Petition for a Constitutionally authorized Presidential Pardon, sorry, no we've not heard back from the White House in any way. Sure, we realize that our Petition has the chance of cherry popsicle in hell, but we continue to trust our future in His hands and to believe in His Miracles. We're especially attentive as we work to resolve Barbara's "situation" because of my official December 1st date now for half-way house for 3 months and 6 months of home confinement. We just want to be reunited as soon as possible

Thanks for You Ever-Kind Prayers,

Ken (and Barbara) Cromar

Zk. Judy Note HIGH ALERT: The below is a request from the mother of a child in London England who was pleading for the White Hats to rescue her daughter Alana Martin from London Foster Care and reunite her with her family.

Hi Judy, A massive thank you for your help sharing our evidence for the safe return of my daughter The Stolen Girl: Alana-Linda Martin. We are still fighting this on-going battle to save my daughter. Court hearings were about the criminal kidnappers, who were looking for the higher courts to cover them with an order of "anonymity" to stop us from exposing their names or their crimes. For the last 5 months of her now 9 month captivity, the kidnappers are only concerned in covering their own criminality, as there has been no mention about her care or a final hearing throughout this torture and terrorism. All factual knowledge of our case is being ignored/ covered up by public servants & Judges involved which have all gone Ultra-Vires. In further attempts to stop our quest and our calling our names and mission was sabotaged including our State Child Trafficking Task&Force116/ Council of 13, they have bankrupt my bank accounts, book sales, PayPal accounts, our social media sites, and now they are trying to threaten our home with eviction. Janine Linehan, Captain, State-Child-Trafficking-Task&Force116, and from the Council of 13. WWG1WGA.

Zl. Watch Out For Scammers:

Judy Note: Upon implementation of the Global Currency Reset the Cabal will be losing their money supply and they are hot and heavy to SCAM anyone in any way they can.

Scam Alert:

Someone is fraudulently using my name of Judy Byington on Signal to sell Med Bed healing appointments. This is illegal and a fraud. Please note that I don't even use Signal, am not signed up there and certainly wouldn't promote such a scam.

I'm told they went into great detail describing what the MED BEDS do, adding how the elites have used them for decades and how they may not be available to the public for 1-7 years, along with a link on how to book an appointment.

It is my understanding that Med Beds and appointments to use them will be available to the general public worldwide at least by **Nov. 20 2026**, or within a few months after that in some areas and that treatments will be free.

My name is under copy-right and I intend to legally pursue the matter. If anyone has further knowledge about this fraudster or anyone else using my name for profit, or to promote themselves without my permission, please email the information to me at: info22faces@yahoo.com.

Thank you, Judy

Judy Note: There are 84 platforms on Telegram under my picture and name Judy Byington. Be aware I have NO platform on Telegram. I do not write on Telegram. Anything written under my name on Telegram was not authored by me.

Speaking of Telegram, there appears to be a huge scam going on Telegram where under the name of some notable Q Movement person they promise to set you up on a QFS Wallet if you send them around \$2,000 or more. This appears to be a scam as setting up your QFS Wallet is supposed to be free to the best of my knowledge.

Watch out for: Anyone advertising they will reimburse you for the TRB Trump Products, or set you up on a Quantum Account asking for money to do it. (They use fake accounts and AI to make you think you are dealing with Trump, Tucker Carlson, etc.)

Also watch out for the HSBC Quantum Token/Bitcoin Scam, the TRB Trump Products Scam, the Dave XRPLion Impersonator Scam, the Ezra A. Cohen-Watnick Impersonator Fake QFS Accounts Scam and any other website that asks that you give them your personal identification to register for a QFS Account and/or receive a pay out on TRB products.

DO NOT exchange currency or Zim Bonds anywhere but at a licensed Redemption Center where you will get the highest rates possible.

The HSBC Quantum Scam: They claim they've successfully applied "quantum technology" to buy and sell tokenized physical gold. The trick is when you buy the tokens or Bitcoin they keep the gold and have complete control over your bank account.

Report your TRB Scam experience to:

Zm. Judy Note: For the past 12 years through my daily update, "Restored Republic via a GCR" I have tried to keep the public posted on the latest news regarding the Global Currency Reset and formation of the Restored Republic under concepts of the original Constitution.

The GCR and Restored Republic have now arrived. You should see it unfold this coming week. With the upcoming Ten Days of Darkness and takeover of the fake news media by the military to publish real news, soon my Update will no longer be needed.

I will continue to write the Restored Republic via a GCR Update until then. Afterwards I will be writing articles and publishing books - the subject of which will surround a mission which I have been called to do: Expose the Satanic Ritual Abuse of children that is so rampant in our society. See: [HOME | Judy Byington \(judy-byington.com\)](https://judy-byington.com)

For the past weeks because of hackers, I have been facing considerable challenges in getting my daily update out. Now it appeared that those problems have been worked out. I thank all the encouragement and support received from editors and readers, especially Medeea of American Media

Group, Patrick of Dinar Chronicles, my angel Marty of Rumor Mills, Mary of We The People News and my good friends Bonni, Jeannine, Judy 1, Judy 2, James, Rian and Paulette. It means a lot to know you are not alone in the fight.
