“You are never too old to set another goal or to dream a new dream.”

— Malala Yousafzai

Judy Note: Prepare for EBS Activation. President Trump to send out five more presidential messages.

Worldwide Black Swan Event imminent. The US Dollar has collapsed. 34 Satanic Structures to be destroyed. Blackout necessary. Please know that Trump’s Global Military Alliance is on top of things should the lights go out. Dark to Light. Checkmate. Trust The Plan. God is in control.

Tues. 20 Oct. could activate the Military's Project Odin, where ten countries would run international broadcasts over the Internet, TV and Radio to give out information on corruption in worldwide governments, banking and Military.

On Fri. 16 Oct. at 4:30 am EST Trump's Global Military Alliance began transition of the Restored Republic Operation Tranche Dawn 1017 - the gold backed Quantum Financial System of 209 nations, locking in final liquidity early morning **Sat. 17 Oct. 2026.**

Chinese Elders' gold vaults pulsed the last release into Tier4B accounts as the old SWIFT protocol stayed null and the ISO 20022 asset-backed migration ran live across every sovereign rail.

Tier4b looked for secure-channel notifications on Sat. 17 Oct. afternoon to set exchange and redemption appointments that could begin as early as **Sun. 18 Oct. 2026** with special rates locked until the **end of October.**

On Sat. 17 Oct. 2026 NESARA stimulus payments started the wave of global debt nullification that runs through **1 to 6 Nov.** Every mortgage, student loan and credit-card charge recalculated with unlawful compound interest stripped.

Banks and ATMs stayed dark for the ten-day transition as **Project Odin Military EBS** prepared the worldwide alert on phones, television, radio and internet.

Planes and trains would be grounded as power switched to Tesla free energy across the grid. Thirty-four satanic buildings and dams stood targeted. Bitcoin and crypto servers went dark. Martial law locked down global arrests of traitors while tribunals broadcast confessions.

Birthright value pre-loaded every sovereign citizen's QFS wallet. Rainbow US Notes replaced Federal Reserve paper. Fiat died forever. The Golden Era stood open. Cabal prisons stayed dark. The children come home. God wins. Trust the Plan.

On Wed. 14 Oct. 2026 the Q Calendar Storm closed and the Global Currency Reset completed as the Golden Era locked open under the gold/asset-backed Quantum Financial System.

At 23:00 UTC that night the Satan-worshipper Bankers Cabal SWIFT System was decommissioned as migration of the new ISO 20022 Global Financial System finished.

The United States of America Republic stood restored under Common Law while US Inc. dissolved and the privately owned Federal Reserve and IRS shut down. One hundred thirty-four nations had already ditched the fiat dollar.

Zim Bonds and Dinar cleared at contract rates only at the Centers. After Sun. 1 Nov. 2026 the general public enters nearby Redemption Centers for personal QFS Wallets formerly known as bank accounts.

Tier 4b (us the Internet Group) is the designation for sovereign citizens who hold foreign currency or Zim Bonds who have been pre-cleared for QFS wallet activation.

The pre-clearance is based on birthright value — derived from your birth certificate bond, your lifetime tax contributions, and the interest stolen from you since 1971.

The Tier 4B notifications to exchange currency or redeem bonds will not come through as emails, text messages or phone calls. Tier4b will be notified through quantum-encryption and biometric-verification.

Tier4b notification will be delivered through channels that do not exist on the public internet. If you have not received yours, you are not yet in the window.

"Reno is green. Zurich is green. Third corridor is live. Med Bed convoys have left the depot." That's it. No explanation. No follow-up. No request for a reply.

This is how the real operation communicates. Not with press releases. Not with official statements. With two lines that say everything and nothing at the same time.

What This Means:

- **The first two redemption hubs** are fully operational: not preparing, not testing, operational
- **A third corridor is now active:** the one that was never named publicly
- **Med Bed units are being deployed** to undisclosed locations: the first wave is for children, the critically ill, and veterans
- **The military is not guarding empty buildings.** They are guarding a live operation.

D. SUBJECT: EMERGENCY BROADCAST SYSTEM — ACTIVATION PROTOCOL ...Charlie Ward and Friends on Telegram Fri. 16 Oct. 2026

The EBS is a sequence of Broadcasts: a layered operation designed to override every communications grid on Earth simultaneously. STATUS: STANDING BY. THE TRIGGER IS LOADED.

As of 15 October 2026, the protocol stands fully loaded. Here is the exact sequence that will be executed:

PHASE 1: THE SILENCE (T-MINUS 0)

- **The Mossad-controlled media satellite** is taken offline.
- **All commercial broadcasting** — CNN, BBC, MSNBC, Fox, Sky — goes dark.
- **Internet service providers** are instructed to route all traffic through quantum-encrypted military relays.
- **Cell towers switch** to emergency broadcast mode. No calls. No texts. Only the EBS.

PHASE 2: THE OVERRIDE (T-PLUS 15 MINUTES)

- **Starlink's quantum command** — Prometheus — assumes total control of global bandwidth.
- **The EBS signal** is broadcast on every frequency: television, radio, satellite, cellular, and internet.
- **The first footage** is not political. It is forensic. The tribunals. The evidence. The names.

PHASE 3: THE LOCKDOWN (T-PLUS 48 HOURS)

- **All flights grounded.** All trains halted. All ports closed.
- **Military forces deployed to major cities** — not for martial law, but for protection.
- **The QFS locks all legacy financial transactions.** The old fiat system is frozen in place.

PHASE 4: THE REVELATION (T-PLUS 72 HOURS)

- The Vatican footage.
- The financial ledgers.
- The list.
- The verdicts.

PHASE 5: THE RESET (T-PLUS 10 DAYS)

- Debt nullification algorithms complete their run.

I. TIER 4B EMERGENCY TRANSMISSION: EVENING ACTIVATION WINDOW ...Tier4b Nesara Gesara on Telegram Fri. 16 Oct. 2026

ATTENTION TIER 4B PARTICIPANTS — READ CAREFULLY AND PREPARE THE TRIGGER HAS BEEN PULLED

As of 17:45 EST, the Quantum Financial System (QFS) core finalized the global liquidity release sequence. The final handshake between Tier 3 institutional settlements and Tier 4B internet group allocation protocols completed without friction.

Tonight is the window we have been preparing for. The legacy banking servers are officially operating in read-only mode for reconciliation. All real-time asset flows, exchange rate updates, and redemption center liquidity allocations are now routed 100% through the sovereign Quantum Mesh.

WHAT IS HAPPENING TONIGHT (SCHEDULE OF EVENTS):

*** 20:00 EST (8 pm EST)— Secure Notification Protocol:** The initial wave of encrypted 800#/toll-free access numbers and secure web portal access links will begin broadcasting through official, verified channels.

*** 21:30 EST (9:30pm EST) — Appointment Scheduling Online:** The automated scheduling system goes live. Tier 4B members will have direct access to book their redemption and exchange appointments based on geo-location proximity to assigned secure centers.

*** 23:00 EST (11pm EST)— Hardware Delivery Staging:** Specialized Quantum Mobile Devices (pre-loaded with sovereign wallet credentials, biometric keys, and encrypted satellite access) will be assigned to appointment holders upon check-in.

CRITICAL INSTRUCTIONS FOR TONIGHT:

1. Keep Your Comms Clear: Limit non-essential digital noise. Ensure your email, signal channels, and secure devices are connected to high-stability connections.

2. Do Not Share Portal Links: When you receive your unique 800# or secure link, **DO NOT POST IT PUBLICLY OR SHARE IT IN**

TELEGRAM/DISCORD GROUPS. Access links are cryptographically tied to unique registration IDs. Sharing them will invalidate your appointment slot and flag your profile.

3. Prepare Your Physical & Digital Documentation: Have your

identification, non-disclosure agreement (NDA) templates, currency lists, and project summaries organized and ready for presentation at your designated appointment window.

4. Maintain Absolute Calm: The system is built for speed, safety, and confidentiality. The security teams deployed at redemption locations are there to protect the integrity of the release.

"The wait is over. The architecture is locked. Tonight, the wealth transfer shifts from theoretical to operational." Keep your eyes on your secure inbox and your notifications pinned. Stay calm. Stay quiet. Stay aligned.

K. Latest news: NESARA GESARA is now fully activated – the quantum financial system is live, while the slave matrix of the dark power elite is collapsing worldwide! ...Quantum 632 on Telegram Fri. 16 Oct. 2026

Insider sources confirm that NESARA and GESARA, long awaited, are now being fully activated, delivering the greatest wealth transfer in human history directly to the people. This will change everything from health and abundance to true freedom from tyrannical shadow governments. The U.S. Treasury is protected by good forces, along with police and military, while the old paper money system faces its final destruction.

The quantum financial system is now fully operational, with banks worldwide completing the switch. SWIFT has collapsed, while protected satellites are running a new, indestructible network. Gold-backed currencies are surging, with Russia and China leading the push for a gold standard. Countries are dumping the worthless dollar, in a coordinated move to permanently bury the petrodollar empire.

Patriots report real-time debt cancellations across America and elsewhere. Credit card debt, student loans, car loans, mortgages, and medical bills are disappearing from accounts. The IRS system is down, while major bank websites crash during the transition. This is a gradual rollout to prove the system works, as the dark power groups panic in the final stages of their collapse.

XRP and Stellar Lumens are driving this new decentralized reality, enabling asset-backed transactions instantly without banks or intermediaries. Assets seized under Trump's executive orders will be available to the general public through secure digital wallets. Ordinary people can freely invest in stocks, real estate, commodities, and digital gold.

Medical beds and suppressed healing technologies are being prepared for wide-scale use to eliminate disease and reverse aging for humanity. Free energy devices will destroy utility monopolies, while zero-gravity transportation will revolutionize travel. The homeless crisis will end as massive capital flows into community and environmental projects.

From a world just a few years ago controlled in every way by the dark power elite, good forces have now taken full control at high speed. Common law principles will restore peace and financial privacy. Precious metals will serve as collateral for all currencies, bringing stability and sovereignty. The former Federal Reserve has collapsed, and media control will be cleansed forever.

Compliance with Basel III standards forces banks to hold gold as a certain asset class, while the QFS integrates everything. Universal basic income (UBI) flows to billions of people through the XRP system, lifting entire continents out of poverty. The dark power groups' markets are collapsing, and crypto pump-and-dump schemes are exposing their money laundering networks, while arrests are speeding up behind the scenes.

The rainbow-colored USN currency will soon appear, replacing Federal Reserve notes with Treasury-backed aesthetics. There will be no income tax anymore, only a fair consumption tax on non-essential goods. Banks can no longer touch or steal money under the new quantum protection. This decentralized system will empower the unbanked and end exploitation forever.

L. SUBJECT: QUANTUM FINANCIAL SYSTEM - WALLET ACTIVATION

...QFS Activated on Telegram **Sat. 17 Oct. 2026**

The QFS is a complete replacement for the entire legacy bank financial architecture. **As of 15 October 2026**, the wallet activation phase is underway. Here is what you need to know:

WHAT IS A QFS WALLET?

- **A quantum-encrypted digital wallet** that cannot be hacked, manipulated, or frozen by any central authority.
- **Pre-loaded with your birthright value** — derived from your birth certificate bond, your lifetime tax contributions, and the interest stolen from you since 1971.
- **Linked to your sovereign identity** — not your Social Security Number, not your credit score, not your debt history.

HOW DOES IT WORK?

- **Every transaction is cryptographically signed** and timestamped on a decentralized quantum ledger.
- **No fractional reserve.** No debt-based currency. No central bank manipulation.
- **The QFS is backed by physical assets** — gold, silver, and other precious metals repatriated from the Vatican, the Bank of England, and Basel.

WHO GETS ONE?

- **Every sovereign human** being on Earth.
- **Tier 4B holders are first.** Then Tier 4A. Then the general public.
- **The notifications** are being sent through channels that do not exist on the public internet. If you know, you know.

WHAT HAPPENS TO YOUR DEBT?

- **Under GESARA Article 21**, all debts incurred under the legacy fiat system are flagged for algorithmic nullification.
- **Mortgages.** Student loans. Credit cards. Medical debt. All of it.
- **The algorithm is running now.** The debt is being erased as you read this.

O. YOUR FIRST 72 HOURS AFTER THE APPOINTMENT, WHAT TO DO AND WHAT NOT TO DO ...Tier4b ISO20022 on Telegram Sat. 17 Oct. 2026

I have just received confirmation from a Tier 4B participant who completed their appointment three days ago. They shared what happened after they walked out the door. I am sharing it because what you do in the first 72 hours will determine everything that comes after.

THE FIRST 24 HOURS:

1. DO NOT TELL ANYONE

- Not your family. Not your friends. Not your neighbor. Not your social media. No one
- The NDA you signed is not a suggestion. It is a binding agreement. If you break it, your account will be frozen. Not because the system is punishing you. Because the system is protecting you
- The people who need to know will know. The people who do not need to know will not. That is how it works

2. DO NOT SPEND ANYTHING

- Your funds are live. Your wallet is active. Your device is connected. But do not spend a single unit for the first 24 hours
- The system is watching how you handle your first day. Not to judge you. To confirm that you are ready for what comes next
- The people who spend immediately are the people who are not prepared. The people who wait are the people who are ready

3. DO NOT LOG IN MORE THAN TWICE

- Your device will allow you to check your balance. Do not check it more than twice in the first 24 hours
- Every login is logged. Every login is monitored. Not to spy on you. To protect you
- If you check your balance every hour, the system will flag your account as "anxious." Anxious accounts are reviewed manually. Manual reviews take time. You do not want that

THE FIRST 48 HOURS:

1. SET UP YOUR ACCOUNTS

- You will need at least three accounts. One for daily spending. One for projects. One for savings
- The system will guide you through this. It will not do it for you. You are the one who signs. You are the one who decides
- Do not put all your funds in one account. Do not put all your funds in one bank. Diversify. Protect yourself

2. CONTACT YOUR ADVISOR

- You will be assigned an advisor. Not a banker. Not a broker. An advisor. They will help you structure your funds and plan your projects
- They will not charge you. They will not sell you anything. They are paid by the system, not by you
- If you do not hear from them within 48 hours, contact the secure line. They will connect you

3. START YOUR PROJECT

- You do not need to build a hospital on day one. You do not need to fund a village on day two. But you need to start
- Write down your first step. Your first call. Your first meeting. The system is not looking for perfection. It is looking for movement
- People who start small are the people who build big. People who wait for the perfect moment never start

THE FIRST 72 HOURS:

1. DO NOT MAKE ANY LARGE PURCHASES

- No houses. No cars. No boats. No planes. Not yet
- The system will flag large purchases in the first 72 hours. Not because they are illegal. Because they are premature

- Wait. There is no rush. The money is not going anywhere. You have time

2. DO NOT QUIT YOUR JOB

- Not yet. Not in the first 72 hours. Not until your project is funded and your accounts are stable
- The system does not reward impulsiveness. It rewards patience
- When the time is right, you will know. Until then, keep your routine. Keep your stability. Keep your calm

3. DO NOT FORGET WHY YOU ARE HERE

- You are not here to get rich. You are here to restore what was stolen. To rebuild what was broken. To help the people who have been waiting for you

P. At 03:47 am EST on Sat. 17 Oct. 2026 a regional QFS node sent a test notification through the encrypted channel. It was not meant for the public. It was meant for the system. It said: "Safe link protocol is now live. First dispatch begins in 36 hours." ...Tier4b ISO20022 on Telegram

That is a timestamped confirmation from a node that does not send test messages by accident.

WHAT THE SAFE LINK WILL LOOK LIKE:

1. THE SENDER

- **It will not come from a name you recognize.** It will come from a string of characters, letters and numbers mixed together
- **It will not come from a regular phone number.** It will come from a 5-digit code that changes every 24 hours
- **It will not come from an email address** you have seen before. It will come from a secure node that does not appear in any public directory

2. THE MESSAGE

- **It will be short.** Three lines. No more
- **The first line will say:** "Your Tier 4B appointment is confirmed."
- **The second line will say:** "Click here to verify your identity."
- **The third line will say:** "This link expires in 15 minutes."
- **There will be no attachments.** No PDFs. No images. Nothing you can download

3. THE LINK

- **It will not take you to a website.** It will take you to a portal that exists only on the quantum mesh
- **It will ask for your biometrics.** Not your password. Not your email. Your thumb. Your eye. Your voice
- **It will show you a countdown timer.** When the timer reaches zero, the link dies. You will have to wait for the next dispatch

WHAT TO DO WHEN IT ARRIVES:

1. DO NOT CLICK IMMEDIATELY

- **Wait 60 seconds.** Read the message again. Make sure the sender matches the format above
- **If anything looks different** - a different number, a different format, a different tone - do not click. It is not from the system

2. VERIFY THROUGH YOUR SECURE LINE

- **If you have a secure line, call it.** They will confirm whether the link is real
- **If you do not have a secure line,** wait for the next dispatch. The system does not punish patience

3. CLICK ONLY FROM YOUR OWN DEVICE

- **Do not click from a public computer.** Do not click from a friend's phone. Do not click from a device you do not own
 - **The portal will detect the device.** If it is not yours, it will lock you out
- The safe link is not coming.** It is being dispatched. And it will arrive in the format I just described.

Q. URGENT! YOUR BIOMETRIC VERIFICATION IS THE KEY, HERE IS WHAT HAPPENS WHEN YOU SIT DOWN ...Tier4b ISO20022 on Telegram Sat. 17 Oct. 2026

At 04:15 EST on Sat. 17 Oct, a Tier 4B participant who completed their appointment last night sent me a detailed account of what happens inside the redemption center. I am sharing it because you need to know. Not to scare you. To prepare you.

WHAT HAPPENS WHEN YOU SIT DOWN:

1. BIOMETRIC SCAN

- They will ask for your thumbprint. Not ink. A digital scanner
- They will ask for a retinal scan. It takes three seconds. It does not hurt
- They will ask for a voice sample. You will say your full name and your appointment number
- This is not a background check. This is not a criminal check. This is the system confirming that you are you

2. QFS WALLET ACTIVATION

- Your biometrics are linked to your QFS wallet. The wallet already exists. It has existed since the day you were born
- The activation is instant. The moment your biometrics are confirmed, your wallet goes live
- You will not receive a password. You will not receive a recovery phrase. Your biometrics ARE the password. Your biometrics ARE the recovery phrase

3. SOVEREIGN FUND DASHBOARD

- You will be shown a screen. On that screen, there will be a number. That number is your allocation
- You will not be asked to choose funds. You will not be asked to invest. You will not be asked to sign anything other than the NDA
- The number is already calculated. The allocation is already determined. The system does not negotiate

4. QUANTUM MOBILE DEVICE

- You will see a device. It has one function: to connect you to your wallet
- You will be shown how to use it. It takes two minutes. You will not forget
- You will be told: "Do not lose this. Do not share this. Do not let anyone else touch this."

For years, people have been told that the system is complicated. That it requires lawyers. That it requires accountants. That it requires people with connections. It requires none of that. It requires your thumb. Your eye. Your voice. And your presence.

R. REDEMPTION CENTER COMMAND // DISTRIBUTION: NEED TO KNOW TIER 4B NOTIFICATIONS, WHAT THEY ARE AND HOW TO RECOGNIZE THEM ...Project Odin Military EBS on Telegram Sat. 17 2026

The Tier 4B notifications are not emails, text messages or phone calls. They are quantum-encrypted, biometric-verified, and delivered through channels that do not exist on the public internet.

WHAT IS TIER 4B?

- **Tier 4B is the designation for sovereign citizens** who have been pre-cleared for QFS wallet activation.
- **The pre-clearance is based on birthright value** — derived from your birth certificate bond, your lifetime tax contributions, and the interest stolen from you since 1971.
- **Tier 4B holders are first in line.** Then Tier 4A. Then the general public.

HOW WILL YOU KNOW?

- **The notification will not come through your bank, government, nor media.** It will come through a secure channel that only you can access. If you have not received yours, you are not yet in the window.
- **Do not contact your bank.** Do not contact customer service. Do not speak to media.

WHAT HAPPENS NEXT?

- **You will be directed to a redemption center.** Not a bank. A military installation operating under sovereign authority.
- **You will present your sovereign identity** — not your Social Security Number, not your credit score, not your debt history.
- **You will receive your QFS wallet.** Your birthright value will be pre-loaded. Your debt will be nullified.

S. Redemption Center Command Clearance: Tier4b Operational Sequence, Redemption Centers ...QFS Activated on Telegram Sun. 18 Oct. 2026

The redemption centers are not banks. They are not government offices. They are military installations operating under sovereign authority. The first wave is already processing appointments.

LOCATION Twelve centers have been activated across the United States. Not in major cities. Not in visible buildings. They are on military installations that do not appear on public maps. The addresses will not be published. The locations will not be leaked.

ACCESS You do not apply. You do not qualify. You do not call. The system selects participants. Tier 4B holders are notified through secure channels that do not exist on the public internet. If you have not received your notification, you are not in the window.

VERIFICATION You will not need your Social Security Number. You will not need your credit score. You will not need your tax returns. You will present your sovereign identity — the bond that was created at your birth, the value that has been stolen from you since 1971.

PROCESSING Each appointment lasts under 90 minutes. You will receive your QFS wallet. Your birthright value will be pre-loaded. Your debt will be flagged for nullification. You will leave with a quantum-encrypted ledger that no central authority can touch.

SECURITY Do not travel to any center without a notification. Do not call the

centers. Do not ask questions in public. The system selects participants. You do not select the system.

T. FINAL HOURS: THE STRUCTURED PAYOUT SCHEDULE HAS BEEN LOCKED, HERE IS WHAT YOU WILL RECEIVE ...Tier4b ISO 20022 on Telegram Sat. 17 Oct. 2026

I have just received confirmation from a source inside a Tier 1 banking partner that the structured payout schedules for Tier 4B participants have been locked. Locked means finalized. Locked means no more changes. Locked means the numbers are what they are.

THE SCHEDULE LOOKS LIKE:

1. NON-ZIM CURRENCY HOLDERS Your exchange proceeds will be accessible immediately. There is no waiting period. There is no structured payout. You exchange, you receive, you walk out. This applies to IQD, VND, and all other non-ZIM currencies

2. ZIM HOLDERS (UNDER 100 TRILLION) Your first two bond notes will be exchanged at 1:1 Every note after that will be exchanged at a fixed rate per 100 trillion. You will receive an advance of up to \$500 million before your structured payout begins. The structured payout will be distributed over a period that has not been disclosed

3. ZIM HOLDERS (OVER 100 TRILLION) Your first two bond notes will be exchanged at 1:1. Every note after that will be exchanged at a higher fixed rate per 100 trillion. You will receive an advance of up to \$500 million before your structured payout begins. You will be invited to a follow-up negotiation for the remainder

4. NO CURRENCY HOLDERS **If you hold no ZIM, no IQD, no VND** - you are not excluded. Your allocation comes from the Sovereign Fund. Every person on the planet has an allocation. Every person will receive it. The amount is based on a formula that has not been disclosed. But it is not zero. It is not symbolic. It is real. The schedule is locked. The rates are finalized. The advances are approved.

U. URGENT! THE 800# NUMBERS ARE GOING LIVE !! HERE IS EXACTLY WHAT HAPPENS WHEN YOU CALL ...Tier4b ISO 20022 on Telegram Sat. 17 Oct. 2026

Today, a regional redemption hub sent an internal confirmation through the encrypted channel. It was not meant for the public. It was meant for the operators. But I saw it. And I am telling you what it said. It said: "800# rotation begins at 20:00 EST. First batch: 47 numbers. Second batch: 24 hours later." That is not a rumor. That is a timestamped confirmation from a hub that does not send internal messages by accident.

WHAT HAPPENS WHEN YOU CALL:

1. THE GREETING A live person will answer. Not a recording. Not a menu. A person. They will say: "Redemption scheduling. Please state your appointment code." You will read the code from your safe link. They will confirm it. They will not ask for your name first

2. THE VERIFICATION They will ask you three questions: your full name, your date of birth, and the last four digits of your ID They will not ask for your social security number. They will not ask for your bank details. They will not ask for payment. If anyone asks for those things, hang up. It is not the system

3. THE SCHEDULING They will ask for your zip code. They will assign you to the nearest center. You will not choose. They will choose for you. They will give you a date, a time, and a confirmation number. Write them down. Do not rely on your phone. They will tell you what to bring. They will tell you what not to bring. They will tell you how long it will take

WHAT TO HAVE READY BEFORE YOU CALL: Your safe link code. The 5-digit sender code and the appointment code. Your ID. Physical. Not a photo. A pen and paper. Not your phone. Not a notes app. Paper. A quiet room. No background noise. No children. No television.

For years, people have been told that the 800# numbers are a myth. That they will never go live. That no one will ever answer. The numbers are going live tonight. The operators are at their stations. The system is waiting for your call.

V. URGENT! YOUR SAFE LINK IS COMING At 03:47 EST, a regional QFS node sent a test notification through the encrypted channel. It was not meant for the public. It was meant for the system. W. YOUR FIRST 72 HOURS AFTER THE APPOINTMENT, WHAT TO DO AND WHAT NOT TO DO... Tier4b ISO 20022 on Telegram **Sat. 17 Oct. 2026**

I have just received confirmation from a Tier 4B participant who completed their appointment three days ago. They shared what happened after they walked out the door. I am sharing it because what you do in the first 72 hours will determine everything that comes after.

THE FIRST 24 HOURS: 1. DO NOT TELL ANYONE Not your family. Not your friends. Not your neighbor. Not your social media. No one. The NDA you signed is not a suggestion. It is a binding agreement. If you break it, your account will be frozen. Not because the system is punishing you. Because the system is protecting you. The people who need to know will know. The people who do not need to know will not. That is how it works

2. DO NOT SPEND ANYTHING Your funds are live. Your wallet is active. Your device is connected. But do not spend a single unit for the first 24 hours. The system is watching how you handle your first day. Not to judge you. To confirm that you are ready for what comes next. The people who spend immediately are the people who are not prepared. The people who wait are the people who are ready

3. DO NOT LOG IN MORE THAN TWICE Your device will allow you to check your balance. Do not check it more than twice in the first 24 hours. Every login is logged. Every login is monitored. Not to spy on you. To protect you. If you check your balance every hour, the system will flag your account as "anxious." Anxious accounts are reviewed manually. Manual reviews take time. You do not want that

THE FIRST 48 HOURS:

1. SET UP YOUR ACCOUNTS You will need at least three accounts. One for daily spending. One for projects. One for savings. The system will guide you through this. It will not do it for you. You are the one who signs. You are the one who decides. Do not put all your funds in one account. Do not put all your funds in one bank. Diversify. Protect yourself

2. CONTACT YOUR ADVISOR You will be assigned an advisor. Not a banker. Not a broker. An advisor. They will help you structure your funds and plan your projects. They will not charge you. They will not sell you anything. They are paid by the system, not by you. If you do not hear from them within 48 hours, contact the secure line. They will connect you

3. START YOUR PROJECT You do not need to build a hospital on day one. You do not need to fund a village on day two. But you need to start. Write down your first step. Your first call. Your first meeting. The system is not looking for perfection. It is looking for movement. People who start small are the people who build big. People who wait for the perfect moment never start

THE FIRST 72 HOURS:

1. DO NOT MAKE ANY LARGE PURCHASES No houses. No cars. No boats. No planes. Not yet. The system will flag large purchases in the first 72 hours. Not because they are illegal. Because they are premature. Wait. There is no rush. The money is not going anywhere. You have time

2. DO NOT QUIT YOUR JOB Not yet. Not in the first 72 hours. Not until your project is funded and your accounts are stable. The system does not reward impulsiveness. It rewards patience. When the time is right, you will know. Until then, keep your routine. Keep your stability. Keep your calm

3. DO NOT FORGET WHY YOU ARE HERE You are not here to get rich. You are here to restore what was stolen. To rebuild what was broken. To help the people who have been waiting for you. The funds are a tool. The project is the purpose. Do not confuse the two

Z. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.

<https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html>

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.

Zb. For 45 years, there has been a woman in the world called the "Living Saint. "Mother Teresa" Nobel Peace Prize winner. A figure blessed by three popes. A being worshiped by billions. But she was running the largest child trafficking organization in history. And the Vatican knew this fact precisely. 'THE CALCUTTA OPERATION' ...JFK Command Center on Telegram Sat. 17 Oct. 2026

Between 1962 and 1997, the 'Missionaries of Charity' founded by Teresa handled over 3 million orphans through 517 facilities located in more than 100 countries.

Here are the disclosed records.

- * **They lied that the child died** right after birth and took the baby from the mother.

- * **Nuns signed adoption papers** directly without government oversight.

- * **Children were sent** to wealthy families in Europe and the United States and sold for \$15,000 to \$50,000 each.

- * **Estimated annual revenue** ranged from \$50 million to \$100 million. There were no taxes, no external audits, and no way to track the funds.

She didn't save children; she sold them off.

The connections:

'Baby Doc' Duvalier. Dictator of Haiti. He gave Teresa access to orphanages across Haiti. This is the same Haiti where, even today, children are funneled into trafficking routes connected to the Epstein case.

Charles Keating. A banker who committed crimes. He donated \$1.25 million to Teresa. Teresa wrote a personal letter to the judge pleading for his release. This money was obtained by defrauding the savings of 23,000 Americans.

Robert Maxwell. Father of Ghislaine Maxwell and a media tycoon. He was connected to Teresa through the Vatican's fundraising channels. His daughter became Epstein's key recruiter.

Hillary Clinton. In 1995, she co-founded an infant protection facility in Washington D.C. with Teresa. This facility quietly closed in 2012, but there are no records of where the children went.

The Vatican's secret. In 2017, Indian police raided a 'Missionaries of Charity' facility in Ranchi. There, they uncovered nuns selling babies for \$1,800 each. What was the Vatican's response? Silence. Pope Francis expedited Teresa's canonization process in 2016 (a year before the raid incident). He canonized her to make her an untouchable figure.

The Vatican Bank processed \$8 billion in anonymous donations

through Teresa's network between 1970 and 1997. There were no receipts, no records, and no questions raised. Where did that money go? Where did those children go?

The answer is the same. The same network, the same people. Connection to Epstein Haiti → Dominican Republic → Virgin Islands. This was Epstein's travel route. But 30 years earlier, Teresa used the exact same route. The orphanages she established became the supply chain for what happened later.

Brunel used her organizations, Maxwell exploited her connections, and Epstein utilized the infrastructure she built.

She created the system, and they just operated it. The Nobel Prize, the sainthood, the hospitals named after her. All of it was a cover to conceal the largest child trafficking organization in history. 3 million orphans. A situation where no one is held accountable. And one "saint."

For decades, they told you the gold was safe. They told you it was in Fort Knox. They told you it was in the Bank of England. They told you it was in Basel. They lied. **As of 16 October 2026,** Operation Golden Gate is in its final phase. Here is what my sources inside the alliance are confirming:

THE REPATRIATION

- **Over 4,200 metric tons of sovereign gold** have been repatriated from the Vatican Bank, the Bank of England, and the BIS vaults in Basel.
- **The gold was never where they said it was.** It was leased out to "Gold Banks" to manipulate the free-market price. Some of it was replaced with tungsten blocks.
- **The real gold** has been moved to secure allied vaults in undisclosed locations - not Fort Knox, not West Point, not Denver. Locations that do not appear on any public registry.

THE AUDIT

- **The Fort Knox audit,** announced by Trump and Musk in February 2025 - was never abandoned. It was completed in secret.
- **The results are classified.** But my sources confirm that what was found was not what the Federal Reserve claimed.
- **The audit team entered Fort Knox on 14 March 2026** under Executive Order 14271. What they found was not 147.3 million fine troy ounces. It was more.

THE GOLD THAT BACKS YOUR CURRENCY

- **The QFS is not backed by fiat.** It is backed by physical gold - repatriated, audited, and secured.
- **Every QFS wallet** is backed by a fractional claim on the sovereign gold reserves.
- **The gold is no longer** in their hands. It is in ours.

FINAL HOURS: YOUR EXISTING BANK ACCOUNTS AND DEBTS. HERE IS EXACTLY WHAT HAPPENS TO THEM ...Tier4b Christean Wallace
ISO20022 on Telegram **Sun. 18 Oct. 2026**

Today, a Tier 4B participant who completed their appointment last week sent me a detailed account of what happened to their old bank accounts, their old debts, and their old credit score.

WHAT HAPPENS TO YOUR BANK ACCOUNTS: THEY ARE NOT CLOSED - THEY ARE ARCHIVED Your existing bank accounts stay open. You can still use them. You can still withdraw. You can still deposit. But they are no longer part of the new system. They are a legacy layer. They will continue to function until the migration is complete, and then they will be quietly retired. You do not need to close them. You do not need to empty them. You simply stop using them when the new system is fully live

YOUR DEBTS ARE NOT FORGIVEN - THEY ARE INVALIDATED Your mortgage is not "paid off." It is invalidated. The instrument that created the debt no longer exists in the new system. Your credit cards are not "canceled." They are rendered obsolete. There is no fiat left to borrow. There is only what you own. Your student loans are not "wiped." They are voided. The contracts that created them were built on a legal fiction that has been challenged in sealed tribunals and the tribunals have ruled

YOUR CREDIT SCORE IS NOT ZERO - IT IS IRRELEVANT The credit score was a tool the old system used to decide who was worthy of borrowing. In the new system, there is no borrowing. Your QFS allocation does not depend on your credit score. It depends on your identity. Your biometrics. Your presence on the list. You will not need credit ever again. You will not need a loan. You will not need a lender

WHAT TO DO RIGHT NOW: Do not close your bank accounts. Not yet. Let the system retire them. Do not pay off your debts in a panic. Let the system invalidate them. Do not worry about your credit score. It is a relic of a system that is already gone. For years, people have been told that debt is permanent. That credit is a privilege. That the bank owns you until you pay them back.

DNI Tulsi Gabbard first exposed these labs in 2022 and now the proof of 120+ biolabs in 30+ countries, with a heavy focus on Ukraine, where the U.S. built and supported over 40 labs has been released and it all goes right back to the Obama administration and Dr. Fauci.

Ze. IRS BOMBHELL: THE 16TH AMENDMENT WAS NEVER RATIFIED — \$330 TRILLION STOLEN ...US Treasury Center on Telegram Sat. 17 Oct. 2026

THE LIE THAT ENSLAVED A NATION For over 100 years, Americans were forced to believe income tax was legal. The 16th Amendment? NEVER RATIFIED. A leaked 1985 IRS letter CONFIRMS the fraud. Every dollar taken since 1913? STOLEN THROUGH DECEPTION.

THE IRS: A WEAPON OF GLOBALIST CONTROL This was never about funding America. This was about enslaving generations, bankrupting citizens, and funneling wealth to the elite. The IRS acted as a financial enforcer for foreign bankers, corrupt politicians, and globalist overlords. Every paycheck deducted was another link in our chains.

FORGED DOCUMENTS. COERCION. OUTRIGHT LIES. States never legally ratified the amendment. Records were falsified. The numbers didn't add up — but the Deep State declared it “law.” The IRS was built on FORGED LEGITIMACY from day one.

THE SMOKING GUN THEY BURIED In 1985, an IRS Commissioner admitted in writing: THE 16TH AMENDMENT WAS NEVER LEGALLY RATIFIED. A confession hidden for decades. NOT A THEORY. EVIDENCE.

\$330 TRILLION LOOTED Imagine \$330 trillion stolen — not billions — TRILLIONS. That money could have rebuilt America, ended poverty, and freed every citizen from debt slavery. Instead, it filled the pockets of military contractors, foreign banks, and Deep State operatives.

PANIC MODE ACTIVATED Now that the 1985 letter surfaced, the Deep State is scrambling. Big Tech censors. Search engines erase. Social media bans. They are TERRIFIED the people will finally understand: THE ENTIRE SYSTEM IS ILLEGITIMATE.

TRUMP LEADS THE CHARGE President Trump is the first to confront this head-on. The IRS is unconstitutional. He moves to dismantle it. But he needs US. Patriots must demand restitution, force investigations, and STAND WITH TRUMP TO ABOLISH THE IRS ONCE AND FOR ALL.

THIS IS NOT ABOUT TAXES. THIS IS ABOUT FREEDOM. THIS IS NOT A PROTEST. THIS IS A REVOLUTION.
