Month of October Celebrates Satan’s Birthday of Halloween

When Children Are Kidnapped, Tortured, Raped, Murdered

In Honor of Satan

Watch Out For and Save the Children

[The Spirit of God | The Tabernacle Choir](#)

“Satan rules through Fear - that can be the most destructive feeling one can experience. If you’re too afraid to take actions, you won’t be able to live up to your potential and achieve your goals. Self-actualization is a very crucial stop on the road to spirituality. One has to be content with themselves and their achievements to find happiness. Once you’ve overcome your fears, you can do anything.”

...Stephen Richards

Judy Note: Let us not forget to *Watch Out For and Save the Children*.

Thurs. 29 Oct. through Sun. 1 Nov. 2026 was All Hallows Eve, the Satan worshiper's biggest holiday of the year. Local Satanic covens used the whole month of October to honor Satan by kidnapping, raping and torturing children to prepare them for their pedophile parties and Child Sacrifice rites.

The general public supported these evil activities by decorating with and dressing up as scary images, making it appear that creating fear in children was an accepted practice in our society. Yet, few recognized that Fear was Satan's greatest tool to control you. [JUAN O'SAVIN - Halloween - It's Real Origins - And It's Not Candy and Treats](#)

Trump's Global Military Alliance was trying to bring down those Social Elite Satan worshipers who were trying to take over our lives and families. It was our duty to define who they were in our local communities, and then *Save the Children* from their evil practices.

On Mon. 19 Oct. 2026 Military Special Operation Units confirmed that by **Monday night 19 Oct. 2026** classified Military sections will be locked, codes secured, transitions in compliance, Indictments operational and Deep State removal protocols, active in preparation for completion of the Global Currency Reset (GCR) to gold/asset-backed currency of 209 nations. Completion of the GCR would take away the evil doers money supply (our taxpayer dollars), and thus reduce their power over us.

At some point very soon there would be an Internet Blackout. The White Hat Military was in control of the redemption process, which has already released gold-backed funds across the World for the Global Currency Reset.

The GCR funds come directly from the US Treasury Department of Defense operations - that go out to treasury departments in other countries. All banks have signed non disclosure agreements.

It appeared that on Fri. or Sat. 6 or 7 Nov. 2026 Ten Days of Darkness would be ushered in via the new Star Link Communications System. It would take over all media outlets Globally.

Just prior to the Ten Days there was expected to be a Stock Market crash, which would activate the Quantum Financial System. We would be under Martial Law across the Globe, with no plane or train travel for ten days. The power or internet may go off in your area.

Currency exchanges and Zim Bond redemption has already begun. At 20:00 EST Sun. 18 Oct. 2026 Tier4b (us, the internet group) exchanges and Zim redemption began: First batch: 47 numbers. Second batch: 24 hours later (**8 pm EST Mon. 19 Oct. 2026**)."

On Wed. 28 Oct. 2026 Tier4b special rate exchanges and redemption would be finished, while the general public could exchange at international rates beginning **Sun. 1 Nov. 2026** - the ending of the Satanic Holiday.

A. History of How We Got To Here From There:

The Rothschild family are descended from eastern European occult satanist Khazars. The Rothschild family is the Khazarian Mafia and created/runs modern israel, Federal Reserve, ECB, BIS, and Epstein Island.

The Khazars were a semi-nomadic Turkic people that in the late 5th-century had established a major commercial empire covering the southeastern section of modern European Russia, Southern Ukraine, Crimea, Jordan and Kazakhstan.

They were nicknamed the “name stealers” by neighbouring countries that grew tired of their criminal behaviour of taking on the identities of those they murdered, as well as for their perpetuity for kidnappings, thievery, and road banditry, and are often know as “The Khazarian Mafia” today.

Khazaria was formed as a Kingdom ruled by an evil King named, Bulan, whose court included people trained in the occult Mysteries and Black Magic sciences of Babylon, Greece, and Rome.

In 740 A.D. Kievan Rus' (Russia) and other neighbouring countries such as Persia (Iran) gave the Khazarian King Bulan an ultimatum that they must adopt one of the three Abrahamic religions: Judaism, Christianity or Islam.

They adopted Judaism, but continued to practice occult black magic rituals, including child sacrifice, blood-drinking, cannibalism, and pedophilia in order to worship and gain favours from Baal and Moloch, among other dark deities.

1. The privately-owned US Federal Reserve system started around 450 years ago with creation of a Vatican Trust account attached to the generational wealth of several nations. This world financial system was set up by and mainly funded through gold of the ancient Chinese Royal Dragon Families of Asia.

2. The ancient Chinese Royal Dragon society was an organization of old families within China and Taiwan who operated above the political divide of the two independent Chinese Governments. The Chinese held that old family ties and functions superseded political arrangements and were inconsequential over the passage of time.

3. Dragon Families were said to abstain from any public view and knowledge, but acted for the benefit of the World in coordination with higher levels of the global financial organizations, Committee of 300 and in particular, the private Federal Reserve System.

4. Dragon Families had accumulated great wealth (with trillions in interest payments still owing), in the form of a variety of notes, bonds and certificates that were an obligation of the Federal Reserve System. These bonds had values ranging in the many thousand of trillions of US dollars.

5. In the last decade the Dragon Family organization attempted to contribute significant billions of US dollars for the purpose of aiding numerous global humanitarian purposes, such as relief during disasters to countries throughout the world, including Hurricane Katrina in the United States, earthquakes in Haiti, China and Indonesia, the Chernobyl nuclear disaster, rebuilding the Republic of Georgia's

infrastructure, water and energy supply for the Cayman Islands, Bangladesh and more.

6. In the late 1700s the Satan worshiping Khazarian Mafia in Eastern Europe known as the Cabal began taking control of the global monetary system using fiat or paper currency that was not asset backed. To counter this movement some sovereign families of Asia and Europe dominated by the Chinese Royal Dragon Families, pooled their gold assets into secretive off ledger private banking trusts now known as the Global Collateral Accounts, or Global Debt Facility.

7. On the darker side, Switzerland, the home and legal origin of United Nations charters, housed Cabal organizations of the International Monetary Fund, World Trade Organization and Bank of International Settlements. The Bank of International Settlements in Basel Switzerland controlled all central banks of what was known as the G7 nations. Head of the leading family Nathan Rothschild once stated, "He who controls the gold, rules the world and I control the gold."

8. In the US, the Cabal-operated monetary system went back to founding of the United States of American Corporation in 1871, re-organization in 1907, Jeckyl Island in 1910 and forming of the privately owned Federal Reserve in 1913. They discarded the US Constitution, manipulated funds of Central Banks across the globe, and used the US Federal Reserve to plunder global assets rather than utilizing the monies for their original Humanitarian purpose, thereby enriching their own and fellow global elites' pockets.

9. Since the US monetary system began it has been subject to the privately owned US Incorporated and US Federal Reserve, plus other Cabal organizations including the Khazarian Mafia and Rothschild Family. Cabal monies were commonly laundered through the Vatican Bank.

10. The US Federal Reserve functioned under orders of the International Monetary Fund, World Trade Organization, Bank of International Settlements, North American Union, Council on Foreign Relations, Trilateral Commission and Committee of 300.

11. This corrupt system was run by a Satan worshiping political elite secret society members whose allegiance was to Masonry including those initiated into Skull and Bones, or were associated with the sovereign City of London's Crown Temple, Vatican hierarchy or in private families such as European Royalty, the Bilderbergs, George Soros, Rothschilds, Carnagies and Rockefellers.

12. The private US Federal Reserve System which issued fiat U.S. Federal Reserve Notes, was financially owned and controlled by the Crown Temple BAR in the independent and sovereign City of London.

13. BAR stands for British Accredited Regency. The City of London Crown Temple BAR also controlled the US judiciary system.

14. In the war of 1812 British soldiers had destroyed copies of the Titles of Nobility Amendment (TONA) because it prevented anyone who had ties to the Crown of England from holding public office. US Attorneys gave oath to the Crown Temple BAR of England in order to become licensed under practices of the US Bar

Association.

15. **The US Bar Association was owned by the Northern Trust Company** which eventually also owned as a holding company, the US taxpayer system of the Internal Revenue Service. For all intents and purposes the IRS and US Bar Association functioned as the same entity under the control of the Vatican and Crown of England.

16. **In the American Civil War (1861–1865) both sides were financed by the Crown Temple in London** and all subsequent legal and financial settlements were controlled by the Crown Temple for the Vatican.

17. **Because of this mutual agreement and ties between the Vatican, London Crown Temple, US Bar Association and the IRS**, it became important to have Roman Catholics placed in ruling positions in the Washington DC Corporation and at the Supreme Court (SCOTUS). After all, American BAR attorneys worked for the British Accredited Registry or British Accreditation Registry and legally, American taxes, treasury and resources were chattels of Old Europe.

18. **This mess which continued today, came about in 1871 when a privately-owned United States of American Corporation** was secretly and covertly founded for the purpose of controlling the US monetary system. The corporation was simply a privately-owned Maritime Corporation out of Puerto Rico using funding of the Royal Dragon families.

19. **In 1910 at Jekyll Island Georgia, the US Corporation fraudulently** put together this monetary system as an omnipotent fiat dollar-making machine. Among the founders were J.P. Morgan and National City Bank President Frank A. Vanderlip. Shunning use of their last names, the group met at a privately-owned railway car in New Jersey.

20. **By 1913 this secretive organization** had become the privately-owned and Rothschild-dominated Federal Reserve system that served as the US Central bank.

21. **The US Congress was said to be bought off** as they secretly passed the illegal and un-Constitutional Federal Reserve Act of 1913. A corrupt President Wilson signed it into law.

22. In an act of treason the US Congress allowed the privately owned Federal Reserve to print the emerging nation's physical money for the US Treasury.

23. **Under the 1913 Federal Reserve Act and the privately-owned Fed**, the almighty USD quickly spread as a de facto global reserve currency, replacing the British Pound Sterling. <http://www.jekyllislandhistory.com/federalreserve.shtml>

24. **The Fed alone was allowed to have full global monetary authority** over rest of the world and print as much US dollars as they deemed necessary without any international oversight, except to those private families owning this Central Banking System.

25. **The Federal Reserve Bank was not connected to the US government**, but

composed of a group of privately owned Central Banks with a main interest of serving the Cabal. The Central Banks acted on behalf of sovereign countries to buy bonds backed by the Chinese Royal Dragon family Historical Asset Trust Accounts.

26. The Federal Reserve was also a franchisee of the Khazarian Banking Mafia, know as the Rothschild World Moneychangers. They were notorious for creating money from nothing and lending it to 98% of the World's nations in order to receive pernicious usury in exchange.

27. The Rothschild Khazarian Mafia Banksters not only created about 98% of the World money from thin air, they charged interest to those who used their own money. Usury alone added 40% to the cost of all goods and services in the global community. This was insane for any nation's people to pay a foreign based private bank of Luciferian child murdering pedophile Khazarian Mafia parasites to use what should have been their own money in the first place.

28. For years this Cabal has fought implementation of the Global Currency Reset since it took away a great deal of their power, ongoing monetary gain and was designed to close their privately owned Federal Reserve system by which they controlled the world.

29. The United States was the only country on the planet that did not have its own national currency. One of the purposes of the Global Currency Reset was for the US to secure and use their own asset-backed currency.

30. For several years US Federal Reserve Notes backed by gold borrowed from the Royal Dragon Families, had been used for government and trade purposes. This monetary system functioned under the non-US government-owned North American Union.

31. The Federal Reserve Notes (FRNs) that were used by the common US citizens had no backing at all and were referred to as fiat currency. Fiat currency was any non-asset backed money declared by the government to be legal tender.

32. Thus, since inception of the nation, US citizens had been forced to buy their Federal Reserve Note currency, along with paying interest on it, from the privately owned Federal Reserve.

33. The Federal Reserve Note had interest attached to it which helped create our nation's well over 17 trillion dollar national debt (some would say that the US was well over 100 trillion dollars in debt).

34. Greed ruled the privately owned US Central banking system. The funds from the Chinese Dragon families were originally designed for humanitarian purposes, though US citizens were forced to pay interest on their own money in order to use it, with earnings fed into the corrupt Cabal banking system.

35. For these many years the privately owned US Inc. government has borrowed a huge amount of collateral assets in gold and silver from the Dragon Families. Therefore the US government was able to issue huge amounts of USD as currencies

via the Federal Reserve.

36. **The likes of William Jennings** suggested a new central bank under the US Republic, but like many such proposals to Congress, Jennings' plan never saw the light of day.

37. **By Nov. 16 1914 - the time the first World War began** - privately owned central banks under this corrupt system had been opened in 12 US cities. The US indirectly financed the war by helping in the flow of trade goods to Europe and more so when they declared war on Germany in 1917.

38. **By the 1920s as the world was regaining to normalcy**, it was recognized that gold was no longer a central factor in credit control. History of the Federal Reserve System <http://globalcurrencyreset.net/history-federal-reserve-system/#ixzz4722bKVwM>

39. **In March of 1933 President Roosevelt changed Constitution wording** away from Constitutional Law and declared the bankruptcy of the United States.

40. **The banks took over our gold and silver money** that was backed by a gold standard. The result was more fiat money. Before 1933, paper money was backed by gold. The Federal Reserve Notes (FRNs) were money substitutes backed only by a false belief.

41. **In 1934 the US Internal Revenue Service** came on shore and was immediately purchased by an attorney firm which incorporated it as the Delaware Corporation.

France just became the first country to ban aluminum adjuvants from ALL vaccines. For decades children have been injected with the known neurotoxin of aluminum. Parents and doctors have been silenced by a system designed not to protect but to profit. Studies show that up to 80% of the aluminum injected ends up in the brain, causing neuro-inflammation, cognitive decline, developmental disorders, autism, chronic fatigue, joint pain, neurological damage, Macrophagic Myofasciitis, Gulf War Syndrome, Infertility and reproductive harm. This was a systematic poisoning without permission. A profit machine built on toxic adjuvants, captive populations and a lie told for 90 years. **Paris looks is a WAR ZONE today.** Cars and kiosks are on FIRE. Police are firing tear gas and water cannons just to hold the streets. Rioters even went after a CNews crew. And Macron? He's in BRUSSELS asking everyone for "calm and respect." California Democrats continue to shut down family farms, now expanding to more counties. "Now there's a fight going on in Point Reyes. They just shut down a dozen farms. They really doubled down on those farmers — They put a gag order on them so they couldn't even ask the community to stand up for them. They can't even have cows or anything. They've got to move off the property. — Our local RCD even came up with money to upgrade the ranches if needed. And the environmental group said, no. They wanted to take the land over. And so they forced these farmers to sign an agreement that are pushing them all out. So we're going to lose half of our dairies in Marin county and a bunch of the beef ranches that provide local food." ...Martial Law on Telegram **Mon. 19 Oct. 2026**

At 03:47 am EST on Mon. 19 Oct. 2026, a regional QFS node sent a test notification through the encrypted channel. It said: "Safe link protocol is now live. First dispatch begins in 36 hours." By my calculations this indicates that the first dispatch of notifications for Tier4b would come out **noon EST Tues. 20 Oct. 2026**.

E. URGENT! YOUR SAFE LINK IS COMING ...Tier4b ISO20022 Christen Wallace on Telegram Mon. 19 Oct. 2026

At 03:47 am EST on Mon. 19 Oct. 2026, a regional QFS node sent a test notification through the encrypted channel. It was not meant for the public. It was meant for the system. It said: "Safe link protocol is now live. First dispatch begins in 36 hours."

That is not a rumor. That is a timestamped confirmation from a node that does not send test messages by accident.

WHAT THE SAFE LINK WILL LOOK LIKE:

1. THE SENDER: It will not come from a name you recognize. It will come from a string of characters, letters and numbers mixed together. It will not come from a regular phone number. It will come from a 5-digit code that changes every 24 hours. It will not come from an email address you have seen before. It will come from a secure node that does not appear in any public directory

2. THE MESSAGE: It will be short. Three lines. No more. The first line will say: "Your Tier 4B appointment is confirmed." The second line will say: "Click here to verify your identity." The third line will say: "This link expires in 15 minutes." There will be no attachments. No PDFs. No images. Nothing you can download

3. THE LINK: It will not take you to a website. It will take you to a portal that exists only on the quantum mesh. It will ask for your biometrics. Not your password. Not your email. Your thumb. Your eye. Your voice. It will show you a countdown timer. When the timer reaches zero, the link dies. You will have to wait for the next dispatch

WHAT TO DO WHEN IT ARRIVES:

1. DO NOT CLICK IMMEDIATELY: Wait 60 seconds. Read the message again. Make sure the sender matches the format above. If anything looks different - a different number, a different format, a different tone - do not click. It is not from the system

2. VERIFY THROUGH YOUR SECURE LINE: If you have a secure line, call it. They will confirm whether the link is real. If you do not have a secure line, wait for the next dispatch. The system does not punish patience

3. CLICK ONLY FROM YOUR OWN DEVICE: Do not click from a public computer. Do not click from a friend's phone. Do not click from a device you do not own. The portal will detect the device. If it is not yours, it will lock you out

The safe link is not coming. It is being dispatched. And it will arrive in the format I just described.

F. URGENT! THE 800# NUMBERS ARE GOING LIVE !! HERE IS EXACTLY WHAT HAPPENS WHEN YOU CALL ...Martial Law on Telegram Sun. 18 Oct. 2026

Today Sun. 18 Oct. 2026, a regional redemption hub sent an internal confirmation through the encrypted channel. It was not meant for the public. It was meant for the operators. But I saw it. And I am telling you what it said. It said: "800# rotation begins at 20:00 EST. First batch: 47 numbers. Second batch: 24 hours later."

That is a timestamped confirmation from a hub that does not send internal messages by accident.

WHAT HAPPENS WHEN YOU CALL:

1. THE GREETING

- A live person will answer. Not a recording. Not a menu. A person
- They will say: "Redemption scheduling. Please state your appointment code."
- You will read the code from your safe link. They will confirm it. They will not ask for your name first

2. THE VERIFICATION

- They will ask you three questions: your full name, your date of birth, and the last four digits of your ID
- They will not ask for your social security number. They will not ask for your bank details. They will not ask for payment
- If anyone asks for those things, hang up. It is not the system

3. THE SCHEDULING

- They will ask for your zip code. They will assign you to the nearest center. You will not choose. They will choose for you
- They will give you a date, a time, and a confirmation number. Write them down. Do not rely on your phone
- They will tell you what to bring. They will tell you what not to bring. They will tell you how long it will take

WHAT TO HAVE READY BEFORE YOU CALL:

- Your safe link code. The 5-digit sender code and the appointment code
- Your ID. Physical. Not a photo
- A pen and paper. Not your phone. Not a notes app. Paper
- A quiet room. No background noise. No children. No television

For years, people have been told that the 800# numbers are a myth. That they will never go live. That no one will ever answer.

The numbers are going live tonight Sun. 18 Oct. 2026. The operators are at their stations. The system is waiting for your call.

G. Your Quantum Mobile Device. ...Tier4b ISO20022 on Telegram Mon. 19 Oct. 2026

THE PHYSICAL OBJECT: It does not look like anything you have seen before. It is not a phone. It is not a tablet. It is not a computer. It is something else entirely - a sealed unit with a surface that lights up when you touch it. There are no buttons. No ports. No charging cable. It does not need to be plugged in. It draws what it needs from the quantum field. It is not fragile. It is not delicate. It is designed to survive being dropped, submerged, and frozen. It was built for the world that is coming, not the world that is leaving

WHAT IT DOES:

It connects you to your QFS wallet - the wallet that has existed since the day you were born. The wallet that holds your allocation. The wallet that no bank, no government, and no cabal can touch.

It connects you to the redemption centers - directly. No phone tree. No hold music. No operator reading from a script. A secure line that goes straight to the people who are processing Tier 4B participants.

It is the device on which the 800# numbers will first ring. Not your phone. Not your landline. This device. When the first batch goes live, it will ring here first and only here.

It authorizes transactions. You touch it. It reads your biometrics. The transaction clears in under three seconds. No bank. No intermediary. No approval delay

It receives the EBS broadcast directly - through the quantum mesh, not through Starlink, not through any network that can be shut down. When the screens go dark, this device stays lit

It stores nothing. It tracks nothing. It reports nothing. It is a key, not a tracker. A door, not a window

WHAT IT DOES NOT DO

It does not track you. It does not have GPS. It does not connect to cell towers

It does not store your data. It does not have a hard drive. It does not have memory

It cannot be hacked. There is nothing to hack. No password. No recovery phrase. No server to breach

For years, people have imagined the device as a phone. A smartphone. A tablet. It is none of those things. It is the sum of everything you have been waiting for - your wallet, your redemption center, your 800# line, your EBS receiver, your proof that you were on the list. All of it, in one sealed unit that only you can open.

**J.THE LAST BROADCAST IS SCHEDULED. ...Trump Tripumph on Telegram
Mon. 19 Oct. 2026**

They know it is coming. They can feel it. They are preparing for it. Last week, the CEOs of the six major media conglomerates held an emergency meeting in New York. The topic was not the election. It was not the economy. It was the EBS.

They know the override is coming. They know their satellites will go dark. They know their anchors will be silenced. And they know there is nothing they can do to stop it.

Here is what they are planning:

- **A coordinated "technical failure" narrative.** When the feeds go dark, they will blame a cyberattack. They will blame Russia. They will blame China. They will blame anyone but the white hats.

- **A mass deletion of internal archives.** The emails. The scripts. The payment records. The names of every journalist on the CIA payroll. They are trying to erase the evidence before the EBS broadcasts it.

- **A last-ditch attempt to relocate key personnel** to non-extradition jurisdictions. Private jets. Chartered flights. Emergency visas. They are running. They will fail.

The EBS does not need their permission. The EBS does not need their satellites. The EBS does not need their anchors. The EBS needs only one thing: the signal.

**K. BREAKING: FRANCE BANS ALUMINUM IN VACCINES – THE TOXIC NEUROTOXIN EXPOSED ...JFK Command Center on Telegram
Mon. 19 Oct. 2026**

France just became the first country to ban aluminum adjuvants from ALL vaccines, blowing the lid off of one of the darkest scandals in pharmaceutical history. For decades children have been injected with a known neurotoxin, parents have been silenced, and doctors have been silenced by a system designed not to protect but to profit. The mask is off now.

It was never about enhancing immunity, aluminum. It was about getting

more money. The facts are damning:

Up to 80% of the aluminum injected ends up in the brain – a “safe adjuvant” that crosses the blood-brain barrier. Studies associate it with neuroinflammation, cognitive decline and developmental disorders.

The autism link – Over 100 studies link aluminum-based vaccines to autism spectrum disorders. A “public health measure” poisoning our next generation. Imagine a government that feeds babies a neurotoxin and calls it security.

Autoimmune destruction – Aluminum induces ASIA (Autoimmune/Inflammatory Syndrome Induced by Adjuvants). Millions suffer from chronic fatigue, joint pain and neurological damage, never knowing the needle did it.

Macrophagic myofasciitis – A disabling muscle disorder associated with aluminum adjuvants. The pharmaceutical industry knows this but doesn’t say anything because it wants to keep its billion dollar empire.

Gulf War Syndrome – The same aluminum adjuvants used in anthrax vaccines are associated with the mysterious illness that ruined the lives of thousands of soldiers. They knew it, and they did it.

Infertility and reproductive harm – Studies have shown that aluminum builds up in the ovaries and testes. A “vaccine” that would sterilize the next generation. They say it’s security.” We refer to it as depopulation.

This is not medical care. It’s a systematic poisoning without permission. A profit machine built on toxic adjuvants, captive populations and a lie told for 90 years.

France is at war with the pharmaceutical mafia It’s not just a policy decision, it’s a revolutionary act exposing the dirty little secret of profits over children’s health. The rest of the world can no longer pretend to be blind.

There are simply better and safer alternatives. Saline only vaccines Aluminum free adjuvants True informed consent The industry knows this, but hushes it up to keep its trillion dollar empire.

Global Call to Action:

- Immediately ban all aluminum adjuvants in vaccines.
- Hunt down and punish the profiteers.
- Research on aluminum-free, safe vaccines.
- Teach parents truth, not fear propaganda.

France has lit the match. The pharmaceutical establishment will fight to defend its empire, but the cracks are starting to show. The lies will not hold.

This is not simply about using aluminum in vaccines, it's about exposing the whole system that preys on human bodies. France has taken the first step in a revolution for real health all over the world. The question is this: Will the world rise up or will the pharmaceutical mafia keep injecting neurotoxins into children for profit?

L. THE LAST BROADCAST IS SCHEDULED. ...Charlie Ward and Friends on Telegram **Mon. 19 Oct. 2026**

They know it is coming. They can feel it. They are preparing for it. Last week, the CEOs of the six major media conglomerates held an emergency meeting in New York. The topic was not the election. It was not the economy. It was the EBS.

They know the override is coming. They know their satellites will go dark. They know their anchors will be silenced. And they know there is nothing they can do to stop it.

Here is what they are planning:

- **A coordinated "technical failure" narrative.** When the feeds go dark, they

will blame a cyberattack. They will blame Russia. They will blame China. They will blame anyone but the white hats.

- **A mass deletion of internal archives.** The emails. The scripts. The payment records. The names of every journalist on the CIA payroll. They are trying to erase the evidence before the EBS broadcasts it.

- **A last-ditch attempt to relocate** key personnel to non-extradition jurisdictions. Private jets. Chartered flights. Emergency visas. They are running. They will fail.

The EBS does not need their permission. The EBS does not need their satellites. The EBS does not need their anchors.

The EBS needs only one thing: the signal.

N. HOLY SMOKES. ICE has just announced a jaw-dropping fraud bust, saying 10,000 FOREIGN students are involved in the federal government's Optional Practical Training ...QFS Med Beds Live on Telegram Mon. 19 Oct. 2026

There are EMPTY BUILDINGS where HUNDREDS of students should be "working" as part of their ability to be in America — run by foreign-linked groups that send money out of the country!

Locked doors, hundreds of students sharing the SAME ADDRESS, and "employers" sharing the same unleased addresses

There is a widespread "phantom employee" fraud going on. This is insane.

Many of the so-called "employers" have major red flags, such as facing lawsuits, no employment records, offshore payroll claims, and suspicious INTERNATIONAL MONEY flows

"HSI agents have visited problematic OPT employer work sites in Virginia, Texas, Georgia, Illinois, New York, New Jersey, North Carolina, and Florida."

"Foreign students themselves are entering false addresses and employer names into the student and exchange visitor information system."

"But we are uncovering evidence of organized fraud that spans national and international borders. This is not accidental. It is deliberate, coordinated, and criminal."

"To give you an example, one employer we visited claimed to employ only three foreign students through OPT, while our records show over 500 foreign students claiming to work there."

"The company's representatives were unable to answer basic questions about the business and deferred HR managers in India."

"OPT employers are required to directly train foreign students, but we've seen multiple examples of alleged employers claiming that all management is overseas in India."

"We've also discovered multiple state networks which are large networks of alleged employers claiming to train thousands of foreign students in OPT, then farming them out to unreported third party employers, making oversight nearly impossible and raising serious national security issues."

O. EXPLOSIVE REPORT: They All Knew. Ilhan Omar's \$30M Financial FRAUD EXPOSED — MASSIVE UPDATE ...QFS Med Beds Live on Telegram Mon. 19 Oct. 2026

Federal investigators have expanded their probe of Representative Ilhan Omar into alleged \$30 million financial fraud tied to immigration irregularities and naturalization discrepancies that implicate senior Minnesota Democrats. The Trump administration's Department of Justice is building a denaturalization case while examining a possible cover-up that enabled her rise.

Scrutiny now extends to Senator Amy Klobuchar, Governor Tim Walz, and Attorney General Keith Ellison after indications that high-ranking officials knew of Omar's history. The focus has shifted from Omar's status alone to who in the state hierarchy may have facilitated or ignored the problems as she advanced from the Minnesota State House to Congress.

Klobuchar served as Hennepin County Attorney from 1999 to 2007, overlapping Omar's family's naturalization in the county. As chief legal officer she was positioned to detect irregularities. Reports indicate the offices of Walz and Ellison received multiple tips about Omar's status yet opened no formal inquiries.

In mid-October 2026 the DOJ executed a search warrant at Omar's Washington, D.C. residence. A D.C. judge with a history of donations to Hillary Clinton campaigns approved the warrant. Analysts note the evidence must have been substantial to secure approval against a sitting member of Congress.

The inquiry examines Article I, Section 2 of the Constitution, requiring House members to be citizens for at least seven years. Allegations state Omar claimed to be 17 rather than 18 to obtain derivative citizenship through her father. In late 2025 her staff contacted the Library of Congress to revise her birth year.

Financial records reveal dramatic valuation changes involving her husband Tim Mynett. Rose Lake Capital, in which he held a stake, was listed between \$5 million and \$25 million in 2025 disclosures, yet the prior year showed it under \$1,000 and by early 2026 the value dropped to zero. The firm used a WeWork address in D.C. with no visible staff, held no SEC registration, and forfeited its Delaware registration after failing to pay over \$400,000 in taxes.

Immigration records, tax filings, and related documents show a

comprehensive case under construction. Proven citizenship fraud would allow denaturalization and deportation. The coming months will test whether the rule of law reaches Minnesota's political leadership.

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. is dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

The Re-inhabited Republic for the United States of America was the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when US Inc, a corporation, took over Washington DC and eventually every level of government in the country. Q. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.

<https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html>

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for “Military Eyes Only” and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
