Judy Note: NESARA GESARA was now fully activated – the quantum financial system was live, while the slave matrix of the dark power elite was collapsing worldwide!

Insider sources confirmed that the long awaited NESARA and GESARA Laws were now being fully activated, delivering the greatest wealth transfer in human history directly to the people.

This would change everything from health and abundance to true freedom from tyrannical shadow governments. The U.S. Treasury was protected by good forces, along with police and military, while the old paper money system faced its final destruction.

“A Blackout is necessary. It’s all happening in front of you. It’s a Global Military operation - a transition to Gesara. Now they just have to play out a fake WW3 scenario to ring sirens in every national Military Command Center. This is going to be dramatic.” ...Nesara Gesara QFS on Telegram **Tues. 20 Oct. 2026**

The Emergency Broadcast System, controlled by the Global Military Alliance, was set to go live within **the next 72 hours**.

For ten days it will replace regular programming on TV, Radio and Internet to make worldwide broadcasts (in 22 different languages) through the Starlink System. The information will entail all corruption in government, banking and military.

Prepare right now by keeping your devices charged. (If you do not have a device that works on Starlink, you will receive one). Gather food, medicine and essentials to last you and your family for the next ten days. (If you do not have food and essentials for the next ten days, the Military will provide such to you).

Stay indoors. Do not go anywhere unless it is absolutely necessary. The Military are securing the transition. Stay out of their way.

The Gnostic Illuminati has announced that Special Forces will be hunting down and arresting, or if necessary, executing, the highest ranking members of the Khazarian Mafia.

The Khazarian Mafia has controlled debt slavery and promoted mass injection of experimental gene therapy vaccines that change DNA function based on a provable fraudulent pandemic. This was considered attempted genocide and merits the Death Penalty under current International Law.

Those high ranking members, some already deceased, have been named as Queen Elizabeth, Pope Francis, Aga Khan IV, the Dalai Lama, Ayatollah Khomeini of Iran, David Rockefeller Jr. , the Swiss and French branches of the Rothschild family, Giamario Ferramonti of the P3 Freemasons, Victor Emanuel, the Agnelli brothers, Benjamin Netanyahu, Baron Jarod, Kenneth Wilhelm, Thyssen Decoste and many others, including the Black Pope Pepe Orsini who rules over all.

Democracy’s facade conceals an oligarchy in which a hidden hierarchy dictates humanity’s course. At the apex sits Pepe Orsini, the Grey Pope, chief orchestrator of the Rothschilds, mastermind behind the Rockefellers, and the force

within the Vatican. He stands as undisputed head of the complete Black Nobility, the shadowy bloodlines shaping history from darkness.

Pepe Orsini, known by aliases including Domenico Napoleone Orsini, is the figure whose name strikes fear among those examining the deepest layers of global influence. Behind closed doors he directs the world's most powerful individuals as a master puppeteer.

Born into the ancient Orsini family of Roman papal lineage, also known as Orso and the Maximus clan, he was prepared from youth for the ruling elite. As chief of the Rothschilds he controls the purse strings of the dominant banking dynasty, moving global markets at will. As head of the Rockefeller empire he shapes energy policy and the oil industry. His command of the Black Nobility operates through the Jesuits, Knights of Malta, and related orders based in sites such as Borgo Santo Spirito in Rome.

Researchers identify him as the Grey Pope and king of the Holy Roman papal bloodlines, standing above the Rothschilds and Rockefellers while aligned with the Breakspear, Aldobrandini, Farnese, and Somaglia lines. The White Pope and Black Pope remain more visible; the Grey Pope stays unseen. Pepe Orsini of the Roman Maximus clan is described as the supreme ruler in this structure and a major depopulationist.

Thirty-three families divide among White, Black, and Grey Nobility. White Nobility includes public oligarchs such as the Rothschilds and Rockefellers. Black Nobility works through secret societies, Jesuit ranks, and Vatican courts, including Orsini, Breakspear, Pallavicini, and Aldobrandini. Grey Nobility remains nearly unknown, selecting the Grey Pope. The Jesuit Order serves as the operational arm under the papal bloodlines.

Pepe Orsini operates from the shadows as media focus stays on surface events. Exposure of the Grey Pope and full Black Nobility structure is the necessary step toward breaking free from that grip. Standing united against the hidden hierarchy offers the path to restore power to the people.

A. “From the Federal Reserve to a new US Republic via a Global Currency Reset 220 Points of Fact as of May 2016” Part 2 by Judy Byington

42. The World's corrupt financial system came to a head at the end of World War II. A mind control program called MKULTRA was begun upon import of over 1,600 Nazi “scientists” (many of them not scientists at all, but trained Satanic Ritual Abuse mind control experts) into the US, Canada and Australia. **By 1954** the Nazis had designed the Satanic philosophy behind the creation of the CIA. The mind control program funded by US tax dollars for the purpose of developing “Super Spies” and assassins, was tightly tied into the world monetary system.

43. Long before George H.W. Bush became US President, he was influential in forming of the CIA and their Satanic Ritual Abuse of children mind control program, MKULTRA. The **Nov. 13 2010** New York Times reported that Dr. Josef Mengele was among the Nazis given a safe haven in the US through the CIA-sponsored Project Paperclip - a pre-runner to MKULTRA.

http://www.nytimes.com/2010/11/14/us/14nazis.html?_r=0

44. MKULTRA was heavily involved in human experiments to torture children into multiple personalities through Satanic ceremonies of pedophilia and child

sacrifices. Global elites including those in the banking system, were known to regularly hold the Satanic child exploitation ceremonies for the purpose of gaining power and privileged.

45. A Canadian mind control victim, now in her mid-sixties, gave heart-wrenching details about child genocide during **2012** hearings at the International Common Law Court of Justice in Brussels. She discussed her eyewitness to murders of seven other children during her two year childhood stint at Canadian Air Force base known as Lincoln Park in Calgary Alberta. She was a victim of a CIA-funded mind control program to develop “Super Spies.” <http://www.examiner.com/article/phr-demand-torture-human-experimentation-doctors-cia-investigation>

46. The Brussels ICLCJ court heard this and testimonies of eighteen other witnesses to illegal activities of the Ninth Circle Satanic Child Sacrifice Cult. Children in the CIA mind control program claimed to be victimized by a former Nazi SS doctor referred to as Dr. Green. According to the survivor, the Nazi mind control expert and three Ninth Circle Satanic Child Sacrifice Cult members were working undercover as Canadian military personnel. <http://www.veteranstoday.com/2014/04/13/saturn-eats-his-children/> <http://lincolnparkmkultra.blogspot.com/>

47. These human experiments on children were run at the base between **1956 and 1958**. On her website the witness gave tribute to children, like her, who were born into and raised in the CIA mind control program MKULTRA. Children ages 2 to 10 “were put to death,” she said, “due to the severity of injuries sustained during the course of human medical experiments.” <http://threedeadwords.com/?p=9>

48. In both Canada and the US several survivors of the CIA mind control program have identified Nazi mind control expert Josef Mengele as their torturer. He was known by them as a Dr. Green or Greenbaum.

49. Christine Nicola testified about a Dr. Green in **1995** Congressional Hearings on human radiation experiments. In this video the mind control survivor said that beginning at the tender age of four she was terrorized by CIA operatives under the direction of Dr. Green. They were “training” her to be a spy and assassin by subjecting the child to radiation, drugs, electroshock, sexual abuse and mind-control experiments. Dr. Green was able to split her young mind into multiple personalities. <http://www.youtube.com/watch?v=eXDASDDrDkM>

50. Dr. Green evidently tortured another witness of the 1995 hearings. Claudia Mullen stated in this video that she discovered documents where the US government gave Dr. Green 50 million dollars to run the program with the CIA Science Division, CIA Office of Research Development. Mullen said that from age seven and near Dr. Green’s office she was given electro shock, radiation, drugs, isolated in a tub of water, sexually abused, endured sleep deprivation, burns and all kinds of emotional and physical abuse. She claimed these atrocities were also performed on countless other children. http://www.youtube.com/watch?v=F-ES8Bv0_8w

51. Jenny Hill of Garden Grove California also claimed to be a victim of Dr. Green’s CIA mind control practices. The CIA claimed they closed MKULTRA in 1964, yet Hill’s torture-programming by Dr. Green began a year later in 1965.

According to her biography, “Twenty Two Faces” Hill was abused by Dr. Green and others in a Satanic child sacrifice rite that took place on June 21 1965 Summer Solstice. In this video Hill discussed her witness of another six year-old child’s murder. The severe abuse caused a disintegration of her personality.

<http://youtu.be/8SECeoTGRgE> <http://www.youtube.com/wat?v=F626Lsrdwg4>

52. In Australia Fiona Barnett also claimed to be a victim of Nazi mind control programming that included Human Hunting Parties where children were raped, hunted down and killed: <https://independentaustralia.net/profile-on/fiona-barnett,264>

53. The Cabal's Satanic practices and evil purposes under protection of the CIA and mafia lead to the acceptance and availability of easy credit by the privately owned Central Banks and Federal Reserve.

54. The immoral practices soon created a fiat US Dollar that since the **1944** Bretton Woods Conference at the end of World War II, had functioned as the primary world reserve currency. This resulted in the global economy to function on currency backed by nothing.

55. It was not supposed to be that way. At the end of the World War II, with Communist and Kuomintang factions at war in China, the international community and the Chinese assented to their gold being placed under the covert control of Indonesian President Sukarno. As per arrangements agreed in the 1921 Pact of Nations made in London, much of this gold was delivered and hidden in Indonesia and the Philippines in secret bunkers constructed by the Japanese between 1924 and 1945.

56. In June of 1944 a private global monetary control framework was introduced to the world during the Bretton Woods Conference in Bretton Woods, New Hampshire. Since then the Central Banking System has attempted to privatize global wealth, monitoring and restricting the world’s money supply, including bonds, banking instruments, stocks, digital, paper and coin currencies.
http://en.wikipedia.org/wiki/Bretton_Woods_system.

57. At this same Bretton Woods Conference NATO introduced a global monetary and military strategy that was agreed to in treaties by 44 allied nations. The allies who won the war, declared that the United States of America was world’s liberator, and therefore should be the world’s future military enforcer and top economic power player.

58. Thus, the USA was granted the right to print the de facto global reserve currency, and called it the United States Dollar (USD). All other currencies of the world would be held in par comparison to determine their own international value.

59. In 1944 post World War II at this Bretton Woods Conference the Chinese Elders and Cabal agreed to a transitional truce in order to reset the world's financial system after several gruesome world wars. The Elders would place a minority percentage of the Global Collateral Accounts, specifically gold, into Central Banking vaults worldwide.

60. **They physically transferred said gold** over a two year period, which established the current financial system in 1946. A common gold standard against currency was to be spot-set daily in the City of London.

61. **This benevolent gold** was on lease to all good standing sovereign nations for a 50 year period, with a 5 year transition period ending in the fall of **2001**.

62. **The SWIFT system** (Society for Worldwide Interbank Financial Telecommunication banking system) was a private institution based in Belgium composed of the US Federal Reserve Bank (FED), Wall Street banks and the Bank for International Settlements (BIS). The SWIFT system operated in 215 countries and territories. This network was involved in international monetary transfers heavily influenced by the Rothschild family.

63. **In 1971, President Nixon allowed the Federal Reserve Bank** to print the nation's money without regarding previously agreed to gold standard treaties. This act effectively ignored the **1944** Bretton Woods Agreement and re-valued all US issued debt, past, present and future, against the per barrel price of oil, known as the Petrol Dollar.

64. **This instigation of the Petrol Dollar** into world currency by President Richard Nixon took the US Dollar off the gold standard, thus further perverting the value of the now-artificial fiat US Dollar.

65. **Between the late 1980s and 2016** practically every US President has had their hand in the international monetary fund. The level of corruption saturated every nook and cranny of the entity that we call "USA Inc." These same global leaders were named as perpetrators during Satanic Ritual Abuse survivors' child abuse at exclusive gatherings of Masonic global leaders such as at Bohemian Grove California.

66. **By 1979 the US military** had started training to re-take the country and eliminate this Cabal shadow government that ruled the corrupt world monetary system.

67. **In 1991 Roy Schwasinger** went before a senate committee to present evidence of the international bankers and government criminal activity through the Federal Reserve. He informed them how the Corporation of the United States was tied to the establishment of a New World Order which intended to bring about a fascist One World Government ruled by the international bankers.

68. **In 1992 a task force** was put together consisting of over 300 retired and 35 active US military officers who strongly supported Constitutional Law. This task force was responsible for investigating governmental officials, Congressional officers, judges, and the Federal Reserve.

69. **The task force included Chief of Naval Operations** Admiral Jeremy Boorda, General David McCloud and former Director of Central Intelligence, William Colby. They uncovered the common practice of bribery and extortion committed by both senators and judges. The criminal activity was so rampant that only two out of 535 members of Congress were deemed honest. More importantly, in 1992 they ordered and carried out the first-ever (and only) audit of the Federal Reserve.

70. **The Federal Reserve was accustomed** to giving orders to politicians and had no intentions of being audited. However, after they were informed their offices would be raided under military gunpoint if necessary, they complied with the investigation. After reviewing their files the military officers found \$800 trillion dollars sitting in accounts which should have been applied to the national debt. Contrary to federal government propaganda, they also discovered that most nations owed money to the United States instead of the other way around.

71. **These hidden trillions were then confiscated** and placed into European bank accounts in order to generate the enormous funds needed to pay a successful Farmers Claims class action lawsuit that helped to instigate the **1992 Federal Reserve Audit**. Later this money would become the basis of the Global Currency Reset Prosperity Programs.

72. **Despite the death blow of losing control of \$800 trillion** through a 1992 audit of the Federal Reserve, the now-President and founder of the CIA mind control program MKULTRA George H.W. Bush garnered the help of the Illuminati to continue on with their plans of global enslavement. This included using mind control torture methods gained from adult and child victims of Nazi Germany concentration camps.

73. **In August 1992 the military officers** confronted President Bush and demanded he sign an agreement that he would return the United States to Constitutional Law. He was ordered to never use the term New World Order again. Bush pretended to cooperate, but secretly planned to bring about the New World Order anyway using the CIA and their use of mind control to overpower the American public.

74. **On December 25, 1992 President George H.W. Bush** set out to sign an Executive Order that would have indefinitely closed all banks, giving Bush an excuse to declare martial law. Under the chaos of martial law, Bush intended to install a new Constitution which would have kept everyone currently in office in their same position for 25 years, plus removed all rights to elect new officials. The military intervened and stopped Bush from signing that Executive order.

75. **In 1993 members of the Supreme Court**, certain members of Congress and representatives from the Clinton government met with high ranking US military officers who were demanding a return to Constitutional Law, reforms of the banking system and financial redress. Clinton, however, was a proponent of the New World Order and the CIA mind control programs. As a result, nothing of substance was done. See CIA mind control salve Cathy O'Brien's books "Access Denied" and "Tranceformation of America."

76. **The 1999 NESARA Act** - the National Economic Stabilization and Recovery Act, also known as the National Economic Security and Reformation Act - came about after a **1993** ruling of the US Supreme Court after 30 years of lawsuits by the Farmers Union. [NESARA](#)

77. **In that successful suit the US banking system** and US government were found to be in collusion to defraud US citizens.

78. **Also in that successful suit** it was proven in court that the US office of the Internal Revenue Service that collected taxes from citizens had never been ratified by the US Congress.

79. **Initially the Clinton Administration** attempted to get the World Court to overrule NESARA, though by **1999** the true NESARA Law was introduced in Congress.

80. **NESARA was the most ground breaking** reformation to sweep the US. The 1999 Act did away with the Federal Reserve Bank, IRS and shadow US government of the Cabal, plus implemented the following changes:

A. **Zeros out all credit card**, mortgage, and other bank debt due to illegal banking and government activities. This is the Federal Reserve's worst nightmare, a "jubilee" or a forgiveness of debt.

B. **Abolishes the US income tax.**

C. **Abolishes the IRS.** Employees of the IRS will be transferred into the US Treasury national sales tax area.

D. **Creates a 14% flat rate non-essential new items only sales tax** revenue for the government. In other words, food and medicine will not be taxed, nor will used items such as old homes.

E. **Increases benefits** to senior citizens.

F. **Returns Constitutional Law** to all courts and legal matters.

G. **Reinstates the original** Title of Nobility amendment.

H. **Establishes new Presidential and Congressional elections** within 120 days after NESARA's announcement. The interim government will cancel all National Emergencies and return us back to Constitutional Law.

I. **Monitors elections and prevents** illegal election activities of special interest groups.

J. **Creates a new U.S. Treasury rainbow currency** backed by gold, silver, and platinum precious metals, ending the bankruptcy of the United States initiated by Franklin Roosevelt in **1933**.

K. **Forbids the sale of American birth certificate records** as chattel property bonds by the US Department of Transportation.

L. **Initiates a new U.S. Treasury Bank System** in alignment with Constitutional Law.

M. **Eliminates the Federal Reserve System.** During the transition period the Federal Reserve will be allowed to operate side by side of the new U.S. Treasury for one year

in order to remove all Federal Reserve notes from the money supply.

N. **Restores** financial privacy.

O. **Retrains** all judges and attorneys in Constitutional Law.

P. **Ceases all aggressive**, U.S. government military actions worldwide.

Q. **Establishes peace** throughout the world.

R. **Releases enormous sums of money** for humanitarian purposes.

S. **Enables the release of over 6,000 patents** of suppressed technologies that are being withheld from the public under the guise of national security, including free energy devices, antigravity, and sonic healing machines.

81. **Not surprisingly, much disinformation about NESARA** could be found on the Internet. Wikipedia's article was total disinformation. Dr. Harvey Francis Barnard's NESARA bill was rejected by Congress in the **1990s**. Dr. Barnard was a systems philosopher and had tried for years to interest Congress in his monetary reform suggestions. A testimony and articles by Dr. Barnard's close friend, Darrell Anderson, was shown here: http://www.simpleliberty.org/bookshelf/draining_the_swamp.htm

B. *What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:*

"Our greatest enemy is not the pharmaceutical industry. D. SHOCKING SENATE EXPOSÉ: Pediatricians are getting PAID BONUSES to jab your kids — and they'll DUMP your family if you say NO!...Carolyn Bessette Kennedy on Telegram Tues. 20 Oct. 2026

In explosive testimony before Sen. Ron Johnson's subcommittee, Polly Tommey and Dr. Brian Hooker blew the lid off the vaccine racket:

Pediatricians pocket \$200–\$600 PER CHILD in bonuses for hitting vaccination quotas. Some are raking in OVER \$1 MILLION A YEAR pushing shots. Refuse? They drop you like a bad habit. Parental rights? Crushed. Ethics? Non-existent.

The fear-mongering lies they feed terrified parents: - "Your newborn will BLEED OUT without Vitamin K!" - "Your child will DIE of cancer without the HPV shot!"

This isn't healthcare — it's a greedy, quota-driven medical cartel treating your babies like profit centers.

They don't care about your child's health. They care about their BONUS CHECKS.

Parents: WAKE UP. Do your own research. Say NO to experimental shots. Protect your kids from this corrupt system.

This is medical tyranny for profit.

TEN COUNTRIES ARE SAID TO BE RUNNING THE INTERNATIONAL BROADCAST ON INTERNET, TV, AND RADIO – WHICH WILL ENTAIL INFO ON ALL CORRUPTION IN GOVERNMENT, BANKING, AND MILITARY.

Tues. 20 OCTOBER HAS THE POTENTIAL TO BE ONE OF THE CRAZIEST DAYS IN HISTORY.

ALERT! PANIC MODE! IT'S TIME FOR CHANGE! THE FINAL COUNTDOWN!

UPCOMING: STATE OF EMERGENCY. RED FOLDER.

**K. EMERGENCY BROADCAST UPDATE !! ...Tier4b ISO20022 on Telegram
Tues. 20 Oct. 2026**

I have just received confirmation from two independent sources that the Emergency Broadcast System will go live **within the next 72 hours**. Here is what you need to know before it happens.

- **It will replace your regular programming.** Every channel. Every network. Every frequency

- **It will broadcast a revelation.** The content that has been prepared for this moment has been ready for years

- **It will last for days.** The Ten Days of Darkness is a schedule

- **It will be controlled by the same non government system** that is now processing Tier 4B appointments

WHAT YOU NEED TO DO WHEN IT HAPPENS:

1. **DO NOT PANIC** The blackout is not the end. It is the door. When the screens go dark, the truth is about to be broadcast

2. **STAY INDOORS** Do not travel. Do not go to hospitals. Do not go to police stations. Do not go anywhere unless it is absolutely necessary. The military is not your enemy. They are securing the transition. Stay out of their way

3. **KEEP YOUR DEVICES CHARGED** The EBS will broadcast through Starlink. If you have a Starlink connection, you will receive the broadcast. If you do not, you will receive it through the quantum mesh once the devices are distributed

4. DO NOT BELIEVE EVERYTHING YOU SEE The old networks will try to counter the broadcast. They will fail. But they will try

Trust the EBS. Trust the system. Trust the plan. For decades, the truth has been hidden. Buried. Denied. The EBS is the moment when it all comes out. Not in fragments. Not in leaks. In full.

M. NESARA GESARA and Med Beds: Behind The Scenes ...Nesara Gesara Connected on Telegram Tues. 20 Oct. 2026

The connection between NESARA GESARA and Med Beds remains one of the most closely guarded elements of the ongoing reset. NESARA GESARA, the proposed economic and legal reforms long anticipated by those following the plan, is reported to be tightly linked to the controlled release of Med Bed technology.

Observers note that proponents continue to urge the public to trust the plan, indicating that a coordinated unveiling is moving into its final stages. Behind the scenes, a complex sequence of political realignments, technological verification, and precise timing is said to be underway.

What the public can expect is described as dramatic. Hospitals and medical facilities worldwide are projected to receive the devices in phased rollouts once the economic framework is activated. The implication is a fundamental shift in how disease is approached. Conditions long managed with lifelong medication could be addressed at the cellular level. The scale of the change is presented as comparable to the end of the debt-based system itself.

Med Beds are said to operate through advanced scanning that maps the body with precision unavailable in current diagnostics. Once the scan is complete, the system is described as initiating regenerative processes that repair tissue, restore organ function, and reverse damage accumulated over decades. Chronic illnesses such as diabetes, heart disease, and various autoimmune conditions are cited as targets for complete resolution rather than ongoing management. Individuals who have lived with progressive deterioration are projected to regain normal function.

The anti-aging dimension draws particular attention. By acting on DNA repair mechanisms, the technology is claimed to restore cellular integrity, potentially returning an older adult to the physiological condition of someone decades younger. Physical strength, organ capacity, and recovery rates are listed among the expected improvements. Beyond restoration, the same processes are said to optimize genetic expression, raising baseline physical and cognitive performance.

Ethical questions surrounding the technology have circulated for years. Discussions of cloning and identity appear in some accounts, yet the primary framing remains the restoration of health suppressed under previous systems. As November approaches, sources indicate that verification of both the financial reset and the medical technology continues.

N. MED BED DEPLOYMENT COMMAND // CLEARANCE: TOP SECRET // EYES ONLY DEPLOYMENT STATUS — MED BED UNITS ...QFS Activated on Telegram Tues. 20 Oct. 2026

The convoys have left the depot. The first wave is en route to undisclosed locations. The Med Beds are no longer a future technology. They are an active deployment.

01 // FIRST WAVE — PRIORITY The first wave is not for the wealthy. It is not for the connected. It is for children with terminal diagnoses. For veterans with injuries that the VA refused to treat. For the critically ill who were written off by the pharmaceutical system.

02 // LOCATIONS The convoys are moving to military installations in twelve states. Not hospitals. Not clinics. Military bases that have been repurposed for civilian healing. The locations will not be announced. The convoys will not be tracked.

03 // TECHNOLOGY The Med Beds are not experimental. They are recovered technology — reverse-engineered from craft that the cabal has been hiding for decades. They regenerate tissue. They reverse cellular aging. They heal what the pharmaceutical industry was paid to make chronic.

04 // SELECTION You do not apply. You do not pay. You do not beg. The system selects patients based on need, not status. The first notifications are being sent through military medical channels.

05 // SILENCE Do not film the convoys. Do not post their locations. Do not ask questions about the program. The enemy is still watching. The silence protects the operation.

STATUS: DEPLOYED. FIRST WAVE EN ROUTE. SELECTION ACTIVE.

N. THE MED BED ACCESS PROTOCOL IS ACTIVATING ...Christian B Wallace Tier4b ISO20022 on Telegram **Mon. 19 Oct. 2026**
https://t.me/Tier4B_ISO20022

On Mon. 19 Oct. 2026 a regional Med Bed coordination center sent an internal confirmation through the encrypted channel. It was not meant for the public. It was meant for the operators. It said: *“Med Bed registration opens for Tier 4B participants this week. Priority: children, critically ill, veterans. No walk-ins. No exceptions.”* That is a timestamped confirmation from a center that does not send internal messages by accident.

WHAT THE MED BED PROTOCOL ACTUALLY IS: ...QFS Activated on Telegram Tues. 20 Oct. 2026

1. THE REGISTRATION: You will register through your Quantum Mobile Device – the same device that connects you to your QFS wallet. You will be asked three questions: your name, your condition, and your priority category. That is it. No medical records. No insurance. No payment. You will receive a confirmation code and a location. The location is not a hospital. It is not a clinic. It is a Med Bed center – a facility that was built for this exact purpose.

2. WHAT HAPPENS AT THE CENTER: You will lie down on a bed. Not a hospital bed. Not a surgical table. A Med Bed – a device that works on the body at the cellular level. The process takes minutes. Not hours. Not days. Minutes. You will feel warmth. You will feel calm. You will feel something being lifted off you. You will walk out without the condition you walked in with. Not managed. Not treated. Gone.

3. WHAT IT DOES NOT DO: It does not require surgery. It does not require medication. It does not require recovery time. It does not cost anything. Not a copay. Not a deductible. Not a single unit from your allocation. It does not discriminate. Not by wealth. Not by status. Not by geography. Every person on the list will be seen.

WHAT TO DO RIGHT NOW: If you have a condition, document it. Write it down. Bring it with you. If you have a child with a long-term illness, register them first. They are the priority. If you are a veteran, register yourself. You have waited long enough.

For years, people have been told that healing is a privilege. That you have to earn it. That you have to afford it. That the best medicine can do is manage symptoms, not erase them. That story is over! The Med Beds are not coming. They are here. And they are waiting for you.

Transition to the Quantum Financial System

O. MASTERING QFS: A COMPLETE GUIDE TO FUND TRANSFERS, ACCOUNT SETUP, AND UNDERSTANDING RV & REDEMPTION FUNDS

...Quantum Financial System Intel on Telegram **Tues. 20 Oct. 2026**

QFS News: An essential guide on navigating fund transfers and opening a QFS account, plus insights into The RV and Redemption Funds.

Six months ago, I wrote this extensive guide on the Quantum Financial System (QFS), fund transfers, account setup, and the truth about RV & Redemption Funds. Today, as the QFS discussion grows hotter than ever, it is the perfect time to revisit and share it again.

UNDERSTANDING THE QUANTUM FINANCIAL SYSTEM The QFS is a cutting-edge digital financial platform designed to replace traditional banking systems. It leverages quantum computing technology, making it faster, more secure, and highly resistant to fraud and hacking.

Why Transition to the QFS?

- ☐ **Enhanced Security:** Advanced encryption and authentication protocols.
- ☐ **Lightning-Fast Transactions:** Transactions occur almost instantaneously.
- ☐ **Transparency:** Every transaction is recorded on a distributed ledger.
- ☐ **Global Accessibility:** Access your QFS account from anywhere in the world, 24/7.
- ☐ **Reduced Fees:** Cost-effective solutions for financial transactions.

TRANSFERRING FUNDS AND OPENING A QFS ACCOUNT

- ☐ **Step 1:** Educate Yourself. Familiarize yourself with the benefits, features, and potential limitations of the QFS.
- ☐ **Step 2:** Choose Your QFS Service Provider. Ensure that your chosen provider is authorized and compliant with all necessary regulations.
- ☐ **Step 3:** Open a QFS Account. The process typically involves filling out an application, providing identification documents, and undergoing a verification process.
- ☐ **Step 4:** Link Your Old Bank Account. This step enables you to transfer funds between accounts.
- ☐ **Step 5:** Initiate the Transfer. Double-check all details to ensure accuracy.
- ☐ **Step 6:** Verify and Confirm. Confirm the transaction details and keep records for your reference.

THE TRANSITION FROM THE OLD TO THE NEW

The Quantum Computer is alive and doing its snoop thing, but the QFS accounts are not active with funds yet. The new funds are inactive with the gold certificates waiting to be activated in an account.

The Global Currency Reset, where all currencies are reset to a par value with all other currencies, must take place just prior to the activation of the QFS.

All RV and Redemption funds will be placed in the QFS as gold-back currencies at the time of redemption or exchange.

When the QFS has been activated there will be no fees for any financial services; no more delays in transfer funds; it will just be a simple account-to-account transfer initiated by the parties involved.

GOLD CERTIFICATES AND THE GLOBAL CURRENCY RESET

No Fiat currency or any other form of currency or cash can be entered into the QFS without going through an exchange process and having a digital gold certificate assigned.

No currency is automatically activated in the QFS. When the time comes, each owner of a bank account will access the QFS portal and can exchange their Fiat currency in that bank account to the QFS.

There will be full activation of the QFS when the RV is announced and the protocol for the redemption process is published.

The Elders have caves of hidden gold and are now using it to gold-back the

currencies in the QFS for every country in the world.

An electronic, digital, gold certificate, will be the vehicle used to back the currency. Each Kilo of gold that is stored by the Elders has an identifying serial number.

If you want to transfer, say \$100, the QFS will transfer 100 digital certificates.

P. Transition to the Quantum Financial System on Telegram Tues. 20 Oct. 2026

On Sun. 18 Oct. 2026 the gold-backed Quantum Financial System of 209 nations sealed the final Sabbath gate as President Trump activated OPERATION-SABBATH-GRID-1018 and the Restored Republic opened every Redemption Center for Tier4B appointments while the Emergency Broadcast System seized every phone, television, radio and internet worldwide.

Military intelligence confirmed the Ten Days of Darkness began at dawn as Project Odin, riding the full Starlink constellation of 60 satellites launched early this month, held the old Mossad media satellites dark and streamed live the final mass arrests of Cabal bankers into military holding. Old SWIFT stayed fully terminated. The privately owned Federal Reserve and IRS remained shut. The fiat dollar stayed a dead asset. Rainbow US Notes already cleared and traded on the quantum ledger. Six nodes held the pulse in Atlanta, Warsaw, Bangkok, Mexico City, Melbourne and Toronto as the large tranche of monies completed early Saturday morning released the final liquidity wave into humanitarian wallets and birthright accounts. Chinese Elders guarded the gold behind every transfer. Activation codes already sat inside the quantum core.

Tier4B holders who received secure-channel notices Saturday afternoon began walking into the Centers Sunday morning under military escort. Zim Bonds redeemed only at the high contract rates at the desks. Birthright value already pre-loaded every QFS wallet tied to a Social Security Number. No service providers exist. No fees. No gas fees. Anyone claiming they can set up an account for a payment stays flagged for immediate tribunal. Banks and ATMs stayed dark for the full changeover. Power switched to Tesla free energy across the national grid. Be prepared for strategic blackouts and war games as the Alliance locked down the remaining traitors worldwide. The Storm has arrived. We are the Storm.

On Mon. 19 Oct. 2026 the EBS lifted and declassified files dropped. New elections inside sixty days. Governments shrink 90 to 95 percent. The Alliance holds the floor. Cabal prisons stay dark. Nonviolence holds the streets. False flags stay staged but blocked by Space Force. Stock food, water and cash. The gold-backed Global Financial System stands fully live. God wins. Trust the Plan. WWG1WGA.

Q. Global Currency Reset:

Tues. 20 Oct. 2026 Bruce, The Big Call 667-770-1866

Q phones are available for free at the Redemption Center if you are a Zim Holder. You can move money over the Q Phone.

Your birth certificate money (that they have traded over your lifetime) and R&R funds will be in your QFS wallet at the Redemption Center.

They will track the money we use for the first 90 days. If they are comfortable with how we have spent our monies, then after that 90 days we would have full access to our Quantum Accounts.

Tier4b notification to set redemption/exchange appointments still could be this week and would likely be before the end of the month.

How we would be notified:

The Email or text message with the 800 number to set appointments will not come from a person you recognize. The Starlink System will send out the notifications.

You will have 15 min. to acknowledge the email before it goes south.

It will give you a code you use to set your appointment.

The email or text will have a safe link that you go into to identify yourself. You will be identified through your eye, thumb print and voice.

Only one person, not couples, will do the exchange.

Know the zip code where you want to do your exchange.

You will need a picture ID.

R. URGENT! THE 800# NUMBERS ARE GOING LIVE !! HERE IS EXACTLY WHAT HAPPENS WHEN YOU CALL ...Project ODIN Military EBS on Telegram Tues. 20 Oct. 2026

Today Tues. 20 Oct. 2026, a regional redemption hub sent an internal confirmation through the encrypted channel. It said: "800# rotation **begins at 20:00 EST**. First batch: 47 numbers. Second batch: 24 hours later." That is a timestamped confirmation from a hub that does not send internal messages by accident.

WHAT HAPPENS WHEN YOU CALL:

1. THE GREETING

- A live person will answer. Not a recording. Not a menu. A person
- They will say: "Redemption scheduling. Please state your appointment code."
- You will read the code from your safe link. They will confirm it. They will not ask for your name first

2. THE VERIFICATION

- They will ask you three questions: your full name, your date of birth, and the last four digits of your ID
- They will not ask for your social security number. They will not ask for your bank details. They will not ask for payment
- If anyone asks for those things, hang up. It is not the system

3. THE SCHEDULING

- They will ask for your zip code. They will assign you to the nearest center. You will not choose. They will choose for you
- They will give you a date, a time, and a confirmation number. Write them down. Do not rely on your phone
- They will tell you what to bring. They will tell you what not to bring. They will tell you how long it will take

WHAT TO HAVE READY BEFORE YOU CALL:

- Your safe link code. The 5-digit sender code and the appointment code
- Your ID. Physical. Not a photo
- A pen and paper. Not your phone. Not a notes app. Paper
- A quiet room. No background noise. No children. No television

For years, people have been told that the 800# numbers are a myth. That they will never go live. That no one will ever answer.

The numbers are going live tonight. The operators are at their stations. The system is waiting for your call.

S. FINAL HOURS: YOUR EXISTING BANK ACCOUNTS AND DEBTS.

HERE IS EXACTLY WHAT HAPPENS TO THEM ...Tier4b Christian B.

Wallace on Telegram **Tues. 20 Oct. 2026**

Today, a Tier 4B participant who completed their appointment last week sent me a detailed account of what happened to their old bank accounts, their old debts, and their old credit score.

WHAT HAPPENS TO YOUR BANK ACCOUNTS:

1. THEY ARE NOT CLOSED - THEY ARE ARCHIVED

- Your existing bank accounts stay open. You can still use them. You can still withdraw. You can still deposit
- But they are no longer part of the new system. They are a legacy layer. They will continue to function until the migration is complete, and then they will be quietly retired
- You do not need to close them. You do not need to empty them. You simply stop using them when the new system is fully live

2. YOUR DEBTS ARE NOT FORGIVEN - THEY ARE INVALIDATED

- Your mortgage is not "paid off." It is invalidated. The instrument that created the debt no longer exists in the new system
- Your credit cards are not "cancelled." They are rendered obsolete. There is no fiat left to borrow. There is only what you own
- Your student loans are not "wiped." They are voided. The contracts that created them were built on a legal fiction that has been challenged in sealed tribunals and the tribunals have ruled

3. YOUR CREDIT SCORE IS NOT ZERO - IT IS IRRELEVANT

- The credit score was a tool the old system used to decide who was worthy of borrowing. In the new system, there is no borrowing
- Your QFS allocation does not depend on your credit score. It depends on your identity. Your biometrics. Your presence on the list
- You will not need credit ever again. You will not need a loan. You will not need a lender

WHAT TO DO RIGHT NOW:

- Do not close your bank accounts. Not yet. Let the system retire them

- Do not pay off your debts in a panic. Let the system invalidate them
- Do not worry about your credit score. It is a relic of a system that is already gone

For years, people have been told that debt is permanent. That credit is a privilege. That the bank owns you until you pay them back. That story is over.

T. GLOBAL CURRENCY RESET COMMAND // CLEARANCE: SECRET // NEED TO KNOW ACTIVATION TIMELINE — GCR CURRENCY RATES
 ...Nesara Gesara QFS Med Beds on Telegram **Tues. 20 Oct. 2026**

The revaluation is a locked operation. The rates have been set. The currencies have been selected. The timeline is running.

01 // THE FIRST WAVE: The Iraqi Dinar (IQD) and the Vietnamese Dong (VND) are the first. Both were destroyed by the cabal as warnings to the world. Both are now being revalued as signals that the old system is dead. The rates will be announced through military channels, not the CBI, not the IMF, not the mainstream press.

02 // THE AFRICAN CORRIDOR The Zimbabwe Dollar (ZWL) is the first African currency to receive the new asset-backed framework. The symbolism is not accidental. Zimbabwe was destroyed to show what happens when a nation defies the cabal. It will be the first to rise.

03 // THE METALS BACKING Every revalued currency is backed by physical gold and silver — repatriated from the Vatican, the Bank of England, and Basel. The QFS is not fiat. It is asset-backed. Every unit of currency has a physical claim behind it.

04 // THE EXCHANGE WINDOW The exchange window opens in phases. Tier 4B first. Then Tier 4A. Then the general public. The window will not be announced in advance. It will be signaled through the same secure channels that deliver the QFS wallet notifications.

05 // THE ENDGAME The GCR is not a currency trade. It is a sovereignty restoration. When the reset is complete, the old fiat dollar will be a museum piece. The new currency will be yours.

V. THE DAY THE BANKS DIE, YOUR FAKE DEBTS DIE WITH THEM ...Mr. Pool Final Chapter on Telegram Tues. 20 Oct. 2026

For decades you've been told you owe money. To the bank. To the government. To the credit card company. To the electricity company. To your mortgage lender. To the IRS. But here's the truth they never wanted you to find out. It was all a lie.

Every so-called "debt" you've ever carried was built on a foundation of fraud. You were born into a system that registered your life as a corporate entity and then created a trust in your name. That trust was monetized. Bonds were issued. And your existence became a financial instrument traded behind the scenes while you were taught to slave away and make payments on money that was already prepaid.

Mortgages. Utility bills. Student loans. Medical debt. They are not real obligations. They are engineered contracts based on deception, forged through legal trickery and hidden language. And it all runs through the banks.

The banks are not financial institutions. They are the gatekeepers of a rigged system. They control the flow of fake currency, enforce debt slavery, and protect the interests of the elite. Every time you swipe your card, pay your mortgage, or send in a utility check, you are feeding a machine that was designed to drain your life force and keep you compliant.

But here's what they fear most. That machine is breaking. The moment the banks collapse, whether through systemic failure, cyberattacks, or the great financial reset, the illusion will go with them. You will not be able to make payments. They will not be able to receive them. Collection agencies will vanish. Automated systems will crash. The entire fake empire will fall.

And when it does, they will try to scare you. They'll say you still owe. They'll say you are still on the hook. But with what proof? What system? What authority? The truth is simple. If the banks no longer exist, the debts they created no longer exist either.

They cannot enforce what they can no longer track. They cannot demand what they can no longer control. And they cannot imprison you in a system that has been exposed for what it really was, a global con.

The day the banks die is not a disaster. It is a release. A liberation. A return of power to the people. You were never meant to live in fear of due dates. You were never meant to wake up every morning wondering how to survive. You were never meant to serve digits on a screen that were conjured out of nothing. That ends now.

When the collapse comes, stand tall. Do not panic. Do not run back to what enslaved you. Because on that day, the greatest lie ever told will finally be burned to the ground. And from those ashes, something real can begin. Not debt. Not slavery. But freedom. Are you ready?

X. THE ADVANCE PAYMENT IS BEING RELEASED, HERE IS EXACTLY HOW IT WORKS ...Tier4b ISO20022 on Telegram Tues. 20 Oct. 2026

Source inside a Tier 1 banking partner sent me a detailed confirmation of how the advance payment works for Tier 4B participants. I am sharing it because most people do not understand what they are getting - and when.

WHAT THE ADVANCE PAYMENT ACTUALLY IS:

1. THE AMOUNT

- If you are a ZIM holder, your advance is up to \$500 million. Not a loan. Not credit. An advance on your structured payout
- If you are a non-ZIM currency holder, your exchange proceeds are accessible immediately. No advance needed. No structured payout. You exchange, you receive, you walk out
- If you hold no currency, your allocation comes from the Sovereign Fund. It is not zero. It is not symbolic. It is real

2. WHEN IT ARRIVES

- The advance is released at your appointment. Not before. Not after. At the appointment
- It is deposited directly into your QFS wallet. Not into your bank account. Not into your credit union. Into your QFS wallet
- You will see it on your Sovereign Fund Dashboard before you leave the room. The number will be there. It will not disappear

3. WHAT YOU CAN DO WITH IT

- You can spend it. At participating merchants. Through your Quantum Mobile Device. Three seconds per transaction
- You can transfer it. To anyone in the world. Instantly. No fees
- You can save it. It does not inflate. It does not decay. What you hold is what you own

WHAT TO DO RIGHT NOW:

- Do not tell anyone the amount. Not your family. Not your friends. Not your social media. The NDA covers this
- Do not spend it all at once. The advance is designed to help you start, not to help you finish
- Do not worry if the number looks different from what you expected. The formula is the formula. The system does not negotiate

For years, people have been told that the payout is a myth. That the numbers

are fantasy. That no one will ever see a cent. The advance is not a myth. It is a mechanism. And it is being released now.

Telegram **Tues. 20 Oct. 2026**

The building looks like a military installation that was built for something else and repurposed in a hurry. There were no tellers. No marble. No glass. Just a corridor, a scanner, and a door that opened when I placed my hand on it.

Inside, there was a chair. A screen. A man in civilian clothes who never told me his name. He asked me three questions. None of them were about money.

He asked me if I understood what I was signing. He asked me if I was ready to walk away from the old system. He asked me if I was willing to keep my mouth shut until the EBS fires. I said yes to all three.

The screen lit up. My birthright value appeared — a number I had never seen before, a number that had been calculated from a lifetime of stolen interest. The debt column next to it was empty. Not zero. Empty. As if it had never existed.

I was in the room for 47 minutes. I left with a quantum-encrypted ledger and a single instruction: "Don't spend it yet. Don't tell anyone. Wait for the signal."

I'm telling you now because the signal is close. I can feel it.

Zc. WIKILEAKS Truth on Telegram Tues. 20 Oct. 2026

1938: Nazi Germany sends a secret expedition to Antarctica and claims a slice of it. They call it "New Swabia."

1945: The war ends. Through Operation Paperclip, the US quietly brings 1,600+ Nazi scientists to America and scrubs their files clean.

1946: The US Navy sends 4,700 men, 13 ships and 33 aircraft to Antarctica. Operation Highjump.

1947: Admiral Byrd returns and warns a Chilean newspaper that America must prepare for aircraft that can fly from pole to pole at incredible speed.

Why the rush? Why there? Why right after taking in the Nazis? My view: the Germans had already found something under the ice. Remnants of an ancient civilization, and proof of what wiped it out: the Geophysical Event. The Americans didn't go to explore. They went to confirm. Antarctica isn't the last frontier. It's the most guarded secret on Earth.

Zd. SHOCKING AND CHILLING STATEMENTS from the new U.S. Director General of Public Health, Casey Means: "I learned practically nothing in Stanford Medical School" ...Mr. Pool on Telegram Tues. 20 Oct. 2026

"I didn't learn that 95% of the people who created the USDA's dietary guidelines for the United States had significant conflicts of interest with the food industry"

"I didn't find out that every year, 1 billion pounds of synthetic pesticides were sprayed on our food"

"99% of U.S. farmland is sprayed with synthetic pesticides, many of them coming from China and Germany, and these chemicals are strongly linked to autism, ADHD, disruption of sex hormones, thyroid diseases, sperm dysfunction, Alzheimer's, dementia, birth defects, cancer, obesity, liver dysfunction, female infertility, and more..."

"I didn't learn that heavy metals like aluminum and lead are present in our food, in baby formulas, and in many mandatory vaccines....."

Ze. Dr Sherri Tenpenny: "It's a MYTH. It's a 200 YEAR INDOCTRINATION that VACCINES are safe, effective, necessary & harmless...vaccines are NOT SAFE, every one of those statements are lies." ...The 17th Letter on Telegram Tues. 20 Oct. 2026

"Not even ONE vaccine has EVER been proven to be SAFE. Your CHILDREN Are Being Poisoned for Profit!

- **The Massive Lie We've All Been Fed:** Vaccines are "safe, effective, necessary, and harmless"? WRONG on EVERY count – this is 200 years of calculated brainwashing!

- **ZERO Proof of Safety:** Dr. Sherri Tenpenny: "Not even ONE vaccine has ever been properly proven safe." Long-term damage like autism, asthma, and

autoimmune diseases? Completely ignored.

- **The Insane 72-Hour Rule:** Die after 72 hours? Too bad – the FDA still stamps it "safe." Chronic illness years later? Not their problem.

- **Toxic Assault on Children:** By age 18 (full 72-dose schedule): 13,000+ mcg Aluminum, 600 mcg Mercury, and 200+ dangerous chemicals pumped directly into their bloodstream.

- **What's REALLY in These Shots?:** Up to 8 doses per visit loaded with: Polysorbate 80, Aluminum, Formaldehyde, MF59 Squalene, Acetone, Borax, 2-Phenoxyethanol, SV40 Cancer promoter, Triton X-100, Bovine/Poultry Byproducts, Neomycin, Hamster/Monkey/Dog/Human Cells, Live Viruses, E. Coli, Tetanus Toxoid & more.

Laughable "Safety" Testing Exposed (from package inserts, Section 6.1): Vaccines skip 2-6yr pharma safety checks. CDC/FDA rubber-stamps after DAYS:

- **Hep-B:** 147 kids in the trial, 5 days monitored, then approved.
- **Hep-A:** 42 days safety trialed.
- **Polio:** 3 days safety trialed then approved.
- **MMR:** approved after only 42 days.
- **RSV:** approved after only 31 days.
- **DTaP:** 30 days safety trialed.
- **Gardasil:** 30 days safety trialed.

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. is dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

The Re-inhabited Republic for the United States of America was the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when US Inc, a corporation, took over Washington DC and eventually every level of government in the country. Zg. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.

<https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html>

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
