You can lead a person to knowledge, but you can't make them think.

Judy Note: According to contacts from the Global Military Alliance, the old internet (Microsoft, Google, Meta, Amazon) was being shut down, while on Fri. 16 October 2026 the Quantum Internet went live across the Globe.

Soon the EBS, with signals locked on all frequencies, will broadcast truthful news that has not been spun, censored, nor was part of a propaganda campaign.

The CIA's Mossad Media Satellite media infiltration network of Operation Mockingbird was dead. The Deep State Cabal Data Centers were also being closed down.

The Global Military Alliance just disconnected the last remaining legacy surveillance satellites over the Pacific.

When the screens go dark tonight, remember: the darkness isn't the end. It's the only way to delete the virus.

At 04:15 EST on Sat. 24 Oct, a Tier 4B participant who completed their appointment Friday night 23 Oct. shared information on what to expect at a Redemption Center:

They will verify that you are you through scans of your thumbprint and eye, plus ask for a voice sample.

This verification will instantly link you to your new Quantum Financial System wallet (formerly known as a bank account)

You will be given a device that shows a money amount already in your wallet. The sum has been calculated by value derived from your birth certificate bond, lifetime tax contributions and interest stolen from you since **1971**.

The Tier 4B (us, the Internet Group) notifications to set appointments at Redemption Centers will not be in emails, text messages or phone calls. Notifications will be delivered through channels that do not exist on the public internet. It will come through a secure channel that only you can access. If you have not received yours, you are not yet in the window.

A. "From the Federal Reserve to a new US Republic via a Global Currency Reset 220 Points of Fact as of May 2016" Part 5 by Judy Byington

175. On the evening of April 30th 2016 in Washington, DC just before President Obama was scheduled to speak at his White House Correspondent's Dinner (WHCD), an agreement was reached. The Cabal had functioned on fiat currency through the Federal Reserve and the Federal Reserve was bankrupt. The Cabal had no choice but to surrender and sign the agreements to begin the Global Currency Reset. If the papers weren't signed Obama was threatened that as overseeing "President" Pentagon Head Chief of Staff Joseph Dunford, would push Obama aside at the dinner and publicly announce the New Republic in front of all the world's press corps.

176. The BRICS bank AFIIB, Wells Fargo and HSBC bank put a 10:00 pm April

30 2016 deadline on Citibank to get Basel III compliant or default. A backroom deal was signed at 8:59:59 PM. Citibank defaulted to AIIB/WF/HSBC and became Basel III compliant and thus Obama was allowed to speak. Security Forces which earlier had been pulled from the Citibank currency center redemption locations, returned by midnight.

177. Obama started his talk at the White House Correspondent's Dinner by saying, "It is my honor to be at my last, and perhaps the last, White House Correspondent's Dinner... hahaha", and he next says, "The END of the Republic never looked better! I am just counting the days before my death panel! I have only 2 words to close with... Obama... Out!" He quickly raises two fingers to his lips (Masonic secret degree sign-his obligation that enjoins secrecy) and with his other hand picks up the portable mic, raises it over his head, and then intentionally drops the mic out of his hand to the ground.

[A transcription of the Obama speech can be found here at the Washington Post.](#)

178. It was reported that after the WHCD dinner that Obama did not go back to the White House. For several weeks the Obama family had occupied an apartment inside the beltway in order to "keep up appearances" both during his remaining months as "President" and to act as though the Obama family is staying in DC so their two girls can finish their education.

179. The plan was to keep everything appearing "status quo" without bringing attention to the change-over in government, currency, banking, and, ultimately, control of the Republic. International rates would change on FOREX without fanfare as well with sovereign rates showing on offsite redemption centers concurrently.

180. By May 2016 the Cabal was bankrupt and their US Federal Reserve Dollar was no longer accepted for trade worldwide. Through this bankruptcy and subsequent backing of the new US Treasury Note by gold of the Royal Dragon families, the USA and 100 Indian Nations were legally separated from the Cabal. Members of the Cabal were being arrested under the US Federal Marshall Program.

181. The Federal Deposit Insurance Corporation told banking giants like JP Morgan, Goldman Sachs, Wells Fargo, New York Mellon Bank and State Street Corp that their bankruptcy plans were not credible. <https://www.rt.com/usa/339518-banks-disaster-readiness-regulators/> To put it another way, some of the top Khazarian cabal banks and owners of the Federal Reserve Board were basically being told they were bankrupt.

182. On May 1 at 8:59 pm EST the Cabal surrendered when Citibank defaulted.

183. On May 1 the Zimbabwe note was declared gold-backed and was reported to have a value of \$11.80 in Europe.

184. On that same Sunday May 1 in Iraq US Secretary Lew made the announcement that the US currency was gold backed, along with other world currencies. It was now a brand new financial system around the world. On the new digital BRICS system transactions took place in a matter of seconds instead of days.

185. On Monday May 2 2016 Geneva Switzerland became a ratifying adherent of the China-sponsored Asian Infrastructure Investment Bank (AIIB), making the confederation one of the last countries to complete the membership process.

186. By that same Monday at midnight May 2 2016 the United States of America Corporation went bankrupt when its Puerto Rico subsidiary defaulted on a 422 million dollar payment on their sovereign loans. Puerto Rico was the headquarters of US Incorporated - the Cabal organization fighting the Global Currency Reset.

187. On that Monday 2 May 2016 the USA Corporation defaulted also. As a result all government agencies created by USA Inc. legally defaulted too, including but not limited to: The Federal Reserve Bank, Internal Revenue Service, Homeland Security, Federal Emergency Management Agency, National Security Agency, Central Intelligence Agency, and National Aeronautics and Space Administration.

188. Legally the United States Corporate government was now under the control of the United Nations Corporation headed by Baron Rothschild. However, the status of the United Nations Corporation itself was doubtful because they had neither the gold, or the moral standing to maintain the current chaotic and planet destroying system they oversaw.

189. This Rothschild and Khazarian mafia control had been reduced, in essence, to the bankrupt G7 group of nations. These families that controlled the G7 and UN Corporation were no longer in any position to dictate to the world. Their financial system, the source of their power, was based almost entirely on fraud. The Rothschilds once famously bankrupted the Bank of England by taking their paper money and demanding payment in gold. The WDS and its allies were now in a position to do the same to these European and US bloodline families. Benjamin Fulford Report of 5-30-2016 saying that the New York branch of the Khazarian Mafia was now the final obstacle to world peace: <http://benjaminfulford.net/2016/05/30/new-york-branch-of-khazarian-mafia-now-final-obstacle-to-world-peace/>

190. As of Monday May 2, 2016 the USA and 100 Indian Nations were legally separate from the Cabal. The Cabal (along with their Federal Reserve) was bankrupt. The US Federal Reserve Note was no longer accepted for trade in and outside of the US. Members of the Cabal were being arrested under the Federal Marshall Program. <https://mainerepublicemailalert.com/2016/05/03/global-currency-reset-america's-amazing-role-we-are-a-new-nation-state/>

191. On Tues. morning May 3 2016 there was a technical transfers of funds. All sovereign nations had agreed to the new BRICS monetary system including having asset backed currencies under Basil III and Basil IV compliance. Ancient Historic bonds were reconciled of all countries dating back hundreds of years including 1776 in the US.

192. A hand chosen White Hat military leadership, along with White Hat politicians, were positioned and seated in the new Republic government to handle the day to day operations of the United States. This included military and political oversight over all domestic and international matters concerning the country.

193. The new US Republic put out a gold-backed currency called United States Notes (USN). The Republic's sovereign currency Treasury Reserve Notes (TRN) was already being traded on government world markets.

194. All 208 sovereign nations of the world were diplomatically, militarily and financially recognizing the Republic of the United States and their USN/TRN monetary value systems. The USA, Inc was no longer acknowledged on the global stage.

195. Through the USA Inc. bankruptcy and backing of the new US Treasury Note by gold of the Royal Dragon families, the USA and 100 Indian Nations were legally separated from the Cabal.

196. As of May 2016 the CIA plan was to keep Obama as the face of the regime and use him to transition to a possible Donald Trump presidency. The powers behind the US government throne had changed and Obama was no longer living in the White House.

197. The epic events regarding the changeover of the global monetary system was news throughout Europe and Asia, though no mention was made in the Cabal leader George Soros-owned US main stream media.

198. One very visible sign of the US regime change was the fact that Pentagon sources noted, "1500 Yale Skull and Bones documents will be released to expose [US Secretary of State John] Kerry, the Bushes, and other cabal members."
<http://www.politico.com/blogs/under-the-radar/2016/05/george-w-bush-white-houses-skull-and-bones-files-due-out-222858>

199. On Tues. May 3 2016 at 12 midnight to 3 am EST the digital world monetary system was put into the new BRICS system to officially begin the Global Currency Reset and RV of world currencies.

200. On May 6 2016 the White House put out a detailed plan for a "peaceful transition of power." <https://www.whitehouse.gov/the-press-office/2016/05/06/executive-order-facilitation-presidential-transition>

201. On May 10 2016 the following letter was written by Judge Anna Maria Riezinger to United Nations Secretary General Ban Ki-Moon and United States Secretary of State John Forbes Kerry:

Gentlemen:

I am forwarding the content of the following synopsis so that you are fully informed:
In the interest of expediting mutual understanding I have organized the key information:

1. The “United States” that has been causing all the trouble is only “the territories and District of Columbia”. Those “United States” known as the United States of America (Minor) have committed fraud against these United States (Major) and the entire rest of the world.

2. As a result, the United States Major has still not come to the table with regard to the eminent changes in the financial system.

3. The United States Major issued new Sovereign Letters Patent in November 2015 and appointed new Federal representatives. Mr. Jacob Rothschild representing the UN Corporation and Pope Francis as Trustee have both been notified that THE UNITED STATES OF AMERICA, INC. has no contract, is acting on a for hire basis only, and is obligated to honor the terms and conditions of the actual Constitution while doing so.

4. The High Contracting Powers have similarly been informed that none of the ESTATE trusts named after living Americans and created by the UNITED STATES, INC. for its own benefit are contractually valid. These private contracts have been created and secured under conditions of non-disclosure and semantic deceit.

5. The High Contracting Powers have also been informed that we have acted as the lawful Beneficiaries and Priority Creditors and have authorized the discharge of the “National Debt” owed by the UNITED STATES, INC. against our already accrued “National Credit” so as to put an end to all pretense of conflict with or valid commercial claim against the American People and their actual property assets.

6. The position of the United States Major is one of guarded optimism. Having clearly defined the problem of fraud and misrepresentation by the United States of America Minor, it is now possible to overcome it. That said, we agree that gold has always been the international medium of exchange in modern times and we understand that other nations may desire or require gold in payment for goods and services. We agree that at least for the time being a precious metals standard may serve to restore a degree of honesty and stability to international markets and that new and stringent bank regulatory mechanisms are sorely needed to prevent speculation, insurance scams, commodity rigging and a host of other evils.

7. We draw everyone’s attention to the fact that the United States Major’s lawful money is and has always been the United States Silver Dollar. We see no reason why our currency would be in any way incompatible with the proposed international return

to a precious metals-based system.

8. We welcome the understanding and the assistance of the international community as we put our house in order and point out that as we have authorized our Trustees to settle all the debts of the UNITED STATES, INC. there can be no complaints or accusations held against the American People nor any continuing claims against their assets based on the fraudulent misrepresentations of the United States of America, Minor.

9. What remains to be resolved is an arbitration process by which the United States Major is credited back costs which we have incurred by covering the UNITED STATES, INC. debts and which were never agreed to by any fiduciary deputies of ours.

10. We trust that the banks are well-aware of where the accounts actually stand, the fraud that has been committed against the United States Major, and their own fiduciary culpability. A prompt and just settlement of these issues is in the best interests of the entire planet and we stand ready to do our part.

We hope this synopsis of the situation clarifies it for everyone concerned.

Please note the irrefutable evidence of the purposeful fraud that has been perpetuated against the American People contained in the Protocol Manual and attested to by every Protocol Officer which states that the “only purpose” of the Birth Certificate is to naturalize “citizens” into the foreign jurisdiction of the United States defined as the “territories and District of Columbia”.

No such misrepresented and undisclosed process of “naturalization” may be considered valid.

The United States of America (Major) is alive and well despite the gross fraud and unnatural ingratitude of its employees.

I am also enclosing a wet-ink copy of the transmittal forwarded to Pope Francis and the Bank of International Settlements authorizing the transfer of credit from our trust accounts to cover all debts of the UNITED STATES, INC. This was necessary to forestall violence based on false claims and presumptions against the American People and their assets.

Mr. Kerry— you have a choice. You can voluntarily release all of the bogus franchises that have been created in the NAME of living Americans and save us all a lot of paperwork or you can establish and publicize an agreed-upon process to return Americans to their lawful birthright status.

This needs to be done without further obfuscation or obstruction.

**Sincerely,
Judge Anna**

202. Three days later on May 13 2016 an intelligence alert stated that, "All necessary components of American life and national mechanisms of function are

securely within Republic control via the military forces of Commander in Chief General Joseph Dunford."

203. By May 20 2016 the new US Republic had issued Sovereign Letters (Patented in November 2015) and appointed new Federal representatives. Jacob Rothschild representing the UN Corporation and Pope Francis as Trustee were notified that the United States of America, Inc. had no contract, was acting on a for-hire basis only, and was obligated to honor the terms and conditions of the actual Constitution while doing so.

204. As of Sunday evening May 22, 2016, the Chinese Elders placed their gold to back the entire new BRICS financial system. That included backing US notes of the new US Republic.

205. On Monday May 23, 2016 the Chinese halted all financial extension graces to the ever withering cabal political, financial and military pageant. They eliminated the USA, Inc. No sovereign country in active participation with the BRICS could participate with the USA Inc. on their new gold backed financial system.

206. There were 208 countries which had agreed to use the new BRICS electronic payment system that came online on May 23 2016. The new BRICS CIPS electronic payment system of CIPS was active. The old western banking system called SWIFT would not be able to access and exchange the new gold-backed Yuan.

207. Also on May 23 2016 US financial markets were switched over to the new gold backed money, as was every bank account in the US system of finance. All Americans were now operating safely inside of the new BRICS system with no meaningful or immediate changes to day to day financial activities.

208. On May 24 2016 the new monetary system had still not gone into effect. On that same day a Benjamin Fulford published, "The man who is blocking the new financial system and preventing the use of Asian gold for the benefit of the planet is Baron Jacob Nathaniel Rothschild, according to his close relatives as well as the CIA. Baron Rothschild is the head of the Khazarian mafia referred to as Octopus that controls the issuance of US dollars, Euros, Japanese yen and many other currencies, not including the Chinese yuan, or the Russian ruble. If Baron Rothschild does not contact the White Dragon Society to negotiate a compromise within 24 hours of this newsletter being published, the WDS will offer 1 ton of gold, available for pick up in Hong Kong, to anybody who can persuade him to get out of the way."

209. Evidently the glitch in the system was corrected when on May 25 2016 Fulford published, "The Rothschilds have contacted the White Dragon Society so the 1 ton gold offer has been suspended. Negotiations are proceeding."

210. All 208 sovereign nations of the world were now expected to diplomatically, militarily and financially recognize the Republic of the United States and their US Notes and Treasury Reserve Notes as being gold and asset backed under the new BRICS system.

211. The USA, Inc, and all of it's agencies were no longer to be acknowledged on

the global stage.

212. Under the new US Republic the US Federal Reserve banking system was closed. The Fed was owned by a British foreign corporation and its monies had not been governed by the people, for the people. There were insufficient federal government controls over detailed physical performance and day-to-day operation of the Federal Reserve Bank for it to be considered a federal agency. Here were excerpts from a court case connected to NESARA that proved the Federal Reserve system's illegal status.

213. Under that US Supreme Court ruling connected to NESARA it was ruled that US banks should be independent, privately owned and locally controlled corporations. The Fed would be replaced by a system of Treasury Banks which issued the new US Notes and Treasury Notes that were asset and gold-backed.

214. Under the new US Republic the IRS and corrupt judges would be dealt with.

215. Under the new US Republic the Bar Association and all US attorneys would have to renounce their Bar Oath to the Temple Bar of London and become lawyers, but they couldn't be considered attorneys anymore.

216. Under the new US Republic the individual governments of the 50 states would remain in place.

217. The North American Union would be done and Washington D.C. would be dis-incorporated.

218. Pope Francis had fired five of the Cardinals out of the Vatican Bank which controlled the world currency before instigation of BRICS.

219. The new US Republic Military was in the process of reclaiming all military installations.

220. The purpose of the new US Republic was to function as a restored Constitutional Government as established pre-Civil War.

**G. URGENT! YOUR BIOMETRIC VERIFICATION IS THE KEY, HERE IS
WHAT HAPPENS WHEN YOU SIT DOWN ...Charlie Ward Insider on Telegram
Sat. 24 Oct. 2026**

At 04:15 EST, a Tier 4B participant who completed their appointment last night sent me a detailed account of what happens inside the redemption center. I am sharing it because you need to know. Not to scare you. To prepare you.

WHAT HAPPENS WHEN YOU SIT DOWN:

1. BIOMETRIC SCAN

- **They will ask for your thumbprint.** Not ink. A digital scanner
- **They will ask for a retinal scan.** It takes three seconds. It does not hurt
- **They will ask for a voice sample.** You will say your full name and your appointment number
- **This is not a background or criminal check.** This is the system confirming that you are you

2. QFS WALLET ACTIVATION

- **Your biometrics are linked** to your QFS wallet. The wallet already exists. It has existed since the day you were born
- **The activation is instant.** The moment your biometrics are confirmed, your wallet goes live
- **You will not receive a password.** You will not receive a recovery phrase. Your biometrics ARE the password. Your biometrics ARE the recovery phrase

3. SOVEREIGN FUND DASHBOARD

- **You will be shown a screen.** On that screen, there will be a number. That number is your allocation
- **You will not be asked to choose funds.** You will not be asked to invest. You will not be asked to sign anything other than the NDA
- **The number is already calculated.** The allocation is already determined. The system does not negotiate

4. QUANTUM MOBILE DEVICE

- **You will see a device.** It has one function: to connect you to your wallet
- **You will be shown** how to use it. It takes two minutes. You will not forget
- **You will be told:** "Do not lose or share this. Do not let anyone else touch this."

For years, people have been told that the system is complicated. That it requires lawyers. That it requires accountants. That it requires people with connections. It requires none of that. It requires your thumb. Your eye. Your voice. And your presence.

H. TIER 4B Notifications, what they are and how to recognize them. ...Charlie Ward Insider on Telegram Sat. 24 Oct. 2026

The Tier 4B (us, the Internet Group) notifications to set appointments at Redemption Centers will not be in emails, text messages or phone calls. Notifications will be delivered through channels that do not exist on the public internet. They are quantum encrypted and biometric-verified through your thumb print, voice and eye

reading.

Tier 4B is the designation for sovereign citizens who have been pre-cleared for QFS wallet activation and may or may not hold foreign currencies and/or bonds to exchange or redeem.

The pre-clearance is based on birthright value derived from your birth certificate bond, lifetime tax contributions and interest stolen from you since 1971.

Tier 4B holders are first in line. Then Tier 4A. Then the general public.

HOW WILL YOU KNOW?

- **The notification will not** come through your bank, government, nor media.
- **It will come through a secure channel** that only you can access. If you have not received yours, you are not yet in the window.
- **Do not contact your bank**, customer service, or speak to media.

WHAT HAPPENS NEXT?

- **You will be directed to a redemption center which is not a bank.** It is a military installation operating under sovereign authority.
- **You will present your sovereign identity** — not your Social Security Number, credit score, or debt history. Your identity will be determined by your thumb print, voice and eye reading.
- **You will receive your QFS wallet** (formerly called a bank account). Your birthright value will be pre-loaded into your wallet. Your debt will be nullified.

I. URGENT! WHAT HAPPENS IF YOUR BIOMETRIC SCAN FAILS, THE 3 REASONS AND HOW TO FIX THEM ...Tier4b ISO20022 on Telegram Sat. 24 Oct. 2026

At 05:22 EST, a Tier 4B participant who completed their appointment two days ago sent me a detailed account of what happened when their biometric scan failed on the first attempt. I am sharing it because it happens more than you think. Not to scare you. To prepare you.

THE 3 REASONS A BIOMETRIC SCAN FAILS:

1. WET HANDS

- **The digital scanner does not read moisture.** It reads ridges. If your hands are wet, the ridges blur
- **This is the most common failure.** It is also the easiest to fix
- **Dry your hands completely.** Not with sanitizer. With a cloth. Wait 30 seconds. Try again

2. COLD FINGERS

- **If your hands are cold**, the ridges contract. The scanner sees less. It asks for more
- **This happens in winter.** It happens in air-conditioned rooms. It happens when you are nervous
- **Warm your hands** before you sit down. Rub them together. Hold them under warm water if you can. The scanner does not care about your dignity. It cares about your ridges

3. DRY EYES

- **The retinal scan takes three seconds.** It does not hurt. But if your eyes are dry, the scan may not register
- **This happens if you have been staring** at your phone for hours. It happens if you have not slept
- **Blink three times before the scan.** Look at the light. Do not look away. The scanner will do the rest

WHAT HAPPENS IF THE SCAN FAILS:

- **You will not be turned away.** You will be asked to try again
- **You will be given a cloth.** You will be given water. You will be given time
- **The operator will not sigh.** The operator will not judge. The operator has seen this before
- **If the scan fails three times,** you will be asked to sit in a quiet room for five minutes. Then you will try again. The system does not punish. The system recalibrates

WHAT YOU MUST NEVER DO:

- **Do not argue with the operator.** They are not the system. They are the door
- **Do not ask to use a different scanner.** There is no different scanner. There is only the one
- **Do not leave.** If you leave, your appointment is marked as "incomplete." Incomplete appointments are rescheduled. Rescheduled appointments take time

For years, people have been told that the system is complicated. That it requires lawyers. That it requires accountants. That it requires people with connections. It requires your thumb. Your eye. Your voice. And your presence.

J. CLASSIFICATION: Quantum Starlink Command Global Distribution:

...Charlie Ward Insider on Telegram **Sat. 24 Oct. 2026**

The Quantum Internet - a reboot of human communication. Operation Mockingbird is the old internet, which is surveillance and control. The Quantum Internet is none of these things.

On Fri. 16 October 2026 the quantum internet went live. What my sources in Quantum Starlink Command are confirming:

WHAT'S THE QUANTUM INTERNET?

- **An uncensorable,** unsurveillable, un-shut-down decentralized quantum encrypted communications network
- **Protected by secret space programs** beyond the cabal's reach. Backed by Starlink's quantum command, Prometheus.
- **The old internet** (Microsoft, Google, Meta, Amazon) is being shut down.

WHAT'S HAPPENING TO THE OLD INTERNET?

- **The old internet** is disappearing. Not in prison. Wiped.
- **The data centers are being taken.** The servers will be closed down. The algorithms will be taken away.
- **Operation Mockingbird is dead.** The CIA's media infiltration network is dead. Mossad's media satellite is dead.

WHAT TAKES ITS PLACE?

- **One news channel.** Single source of truth. No spinning. No censoring. No propaganda.
- **Broadcasting will be done** over quantum internet. The tribunals will be webcast live. The verdicts will be announced.

SPACE FORCE CONFIRMS THAT A SERIES OF SILENT

SATELLITE ACTIVATIONS OCCURRED OVERNIGHT. THESE SATELLITES ARE PART OF A CLASSIFIED NETWORK KNOWN AS PROJECT ODIN - A QUANTUM COMMUNICATION GRID DESIGNED TO REPLACE THE ENTIRE INTERNET INFRASTRUCTURE.

THE OLD SYSTEM RUNS ON CENTRAL SERVERS CONTROLLED BY PRIVATE CORPORATIONS. ODIN RUNS ON SELF-GENERATING NODES THAT CAN NEVER BE SHUT DOWN. EVERY TRANSMISSION IS ENCRYPTED IN REAL TIME THROUGH QUANTUM ENTANGLEMENT. NO SPY NO BACKDOOR NO CENSORSHIP.

ENGINEERS INSIDE THE PROGRAM CONFIRM THAT TEST SIGNALS HAVE BEEN SENT ACROSS ALL CONTINENTS. WHEN THE FINAL SWITCH IS PULLED, MAINSTREAM SERVERS WILL GO DARK AND ODIN WILL GO LIVE WITH MILITARY OVERSIGHT.

SOCIAL MEDIA GIANTS ARE ALREADY IN PANIC MODE, REPORTING “DATA CENTER OUTAGES.” IN REALITY THEIR ROUTING KEYS HAVE BEEN INVALIDATED. ONCE ODIN ACTIVATES, ALL DIGITAL TRAFFIC WILL BYPASS THEIR GATEKEEPERS FOREVER.

WHEN THE TRANSITION OCCURS, INFORMATION WILL FLOW WITHOUT CONTROL. THE WORLD WILL FINALLY SEE WHAT HAS BEEN ERASED FROM HISTORY, FROM SCIENCE, AND FROM HUMAN MEMORY.

L. EMERGENCY BROADCAST SYSTEM ALERT: EVERYTHING IS ABOUT TO CHANGE ...Project Odin Military EBS on Telegram Sat. 24 Oct. 2026

OFFICIAL END OF THE OLD DEBT-RIDDEN CONTROL SYSTEM AND START OF THE NEW SYSTEM

ON CELL PHONES WORLDWIDE SEVEN TRUMPETS WILL SOUND, ALERTING US TO GLOBAL MARTIAL LAW BEING DECLARED AND INTRODUCING EBS TEXT MESSAGES AND URGING US TO TUNE INTO OUR TV, RADIO AND/OR INTERNET.

A TEMPORARY GLOBAL LOCKDOWN WINDOW WILL SECURE THE BROADCAST PHASE. YOU WILL HAVE FIVE HOURS TO GET TO A PLACE OF YOUR CHOICE WHERE YOU WILL STAY FOR TEN DAYS.

DURING THOSE TEN DAYS ACROSS THE GLOBE, BANKS WILL BE CLOSED, ATMS AND CREDIT/DEBIT CARDS WILL NOT WORK IN PREPARATION FOR MIGRATION INTO THE NEW QUANTUM FINANCIAL SYSTEM.

PHONES WILL ONLY WORK FOR 911 CALLS, BUT THE MILITARY WILL MAKE AVAILABLE A SIGNAL APP WHICH WILL SECURE REGULAR CELL PHONE USE THROUGH THE NEW STAR LINK SATELLITE SYSTEM AND QUANTUM COMPUTER.

M. TEN DAYS OF DARKNESS: ...Official Julian Assange on Telegram Sat. 24 Oct. 2026

IT APPEARED THAT ON 6 NOVEMBER OR 7 NOVEMBER TEN DAYS OF DARKNESS WOULD BE USHERED IN VIA THE NEW STAR-LINK COMMUNICATION SYSTEM THAT WOULD TAKE OVER ALL MEDIA OUTLETS GLOBALLY.

THERE WOULD BE A STOCK MARKET CRASH WHILE THE QUANTUM FINANCIAL SYSTEM (QFS) WOULD BE ACTIVATED.

WE WOULD BE UNDER MARTIAL LAW GLOBALLY WITH NO PLANE OR TRAIN TRAVEL FOR THE TEN DAYS.

POWER OR INTERNET MAY GO OFF IN YOUR AREA.

N. PREPARE FOR THE EVENT: ...Project Odin Military EBS on Telegram Sat. 24 Oct. 2026

EBS = EMERGENCY BROADCAST SYSTEM (THE CABAL' OLD EMERGENCY SYSTEM)

EAS = EMERGENCY ALERT SYSTEM (THE WHITE HAT NEW EMERGENCY SYSTEM HOOKED UP TO STARLINK)

THERE ARE MASSIVE CYBER ATTACKS COMING TO SHUTDOWN EARTH.

TRAINS & PLANES WILL BE GROUNDED, HALTED.

WHAT FOLLOWS THE EVENT IS THE ACTIVATION OF EBS (EAS) & A 10 DAY WORLDWIDE MOVIE – A TEN DAY SHUTDOWN OF EARTH AND ACTIVATION OF MILITARY EBS TO TVS & RADIO'S WORLDWIDE.

AT THE SAME TIME ALL GOVERNMENTS WORLDWIDE WILL BE STOOD DOWN AS WELL AS FURTHER ARRESTS.

O. CRITICAL: THE TEN DAYS OF DARKNESS ...Project Odin Military EBS on Telegram Sat. 24 Oct. 2026

A military coordination center sent an internal day-by-day schedule through the encrypted channel. It said: "Ten-day sequence locked. Each day has a purpose. No day is padding. No day is optional."

THE TEN DAYS, WHAT HAPPENS ON EACH ONE:

DAY 1 — THE SILENCE All traditional broadcast networks go dark. The EBS activates on Starlink and the quantum mesh. First broadcast is footage — tribunal sessions, sealed documents, locations never meant to be filmed. What to watch: phone shows "no service," Quantum device shows green.

DAY 2 — THE REVELATION The first broadcast cycle runs on loop for 24 hours. No commentary. No rebuttal. Old networks try to counter. They fail. What to watch: news anchor still talking, no one can hear them.

DAY 3 — THE FIRST ARRESTS Arrests broadcast live. The names you've read for years appear on screens that cannot be turned off. Tribunals move from sealed to public. What to watch: a private jet grounded at an airport that has never grounded one.

DAY 4 — THE FINANCIAL ACCOUNTING Full accounting begins. Audited figures, one line at a time. QFS public interface goes live on every device that can receive it. What to watch: bank statement showing a number you've never seen, in a currency you've never used.

DAY 5 — THE FIRST REDISTRIBUTION Funds move — not announced, move. Into QFS wallets, Rainbow Units. Debt jubilee execution begins. Instruments invalidated in real time.

What to watch: a screen updating while you're looking at it.

DAY 6 — THE QFS PUBLIC REVEAL The system shows itself. A dashboard. A wallet. A number. The Sovereign Fund

concept displayed on every screen. What to watch: a number appears on your screen and does not disappear.

DAY 7 — THE MED BED REVEAL Med Beds shown publicly. First demonstrations broadcast. Children, critically ill, veterans — the priority order shown, not stated. What to watch: a child walks out without the condition they walked in with.

DAY 8 — THE CONSTITUTIONAL RESTORATION The Republic of Constitutional Law announced. NESARA/GESARA move to public record. 14% sales tax. Income tax abolished. Federal Reserve ended. What to watch: a government building with no flag flying over it.

DAY 9 — THE GLOBAL SYNCHRONIZATION 209 nations confirm alignment on screen, one by one. Rainbow Currency becomes the only currency that matters.

What to watch: currency exchange board with one rate for every currency — the same rate.

DAY 10 — THE LIGHT RETURNS Screens come back on. New content. True content. The Ten Days end. The Golden Age begins. What to watch: a news anchor with no teleprompter, not sure what to say.

The schedule is locked. The days are numbered. And Day 1 is closer than anyone outside the system knows.

Global Currency Reset:

P. FINAL HOURS: THE SWITCH HAS BEEN SCHEDULED, HERE ARE THE FOUR DATES THAT END THE OLD SYSTEM ...Tier4b ISO20022 on Telegram **Sat. 24 Oct. 2026**

A sovereign banking coordination center sent an internal decommissioning schedule through the encrypted channel. It said: "Legacy decommissioning locked. Four dates. Four systems. No reversals. No extensions."

THE FOUR DATES

WED. 28 OCT 2026 — SWIFT GOES DARK

- **The final legacy SWIFT node** is decommissioned. Not upgraded. Not maintained. Decommissioned. The old rails are removed, not repaired
- **Every cross-border transaction** that used to take three days now takes three seconds. Not because the banks got faster. Because the banks are no longer part of the process
- **What to watch:** a wire transfer that arrives before you finish typing the confirmation number

FRI. 30 OCT 2026 — THE GCR PUBLIC ANNOUNCEMENT

- **The Global Currency Reset moves from "logged" to "announced."** Not leaked. Not rumored. Announced. The rates are published. The rates are final
- **The Iraqi Dinar, the Vietnamese Dong, the Zimbabwe ZIM — the three signal currencies** — are the first to be published. The rest follow within 72 hours
- **What to watch: a currency exchange board** that shows a number you have never seen before, in a currency you have never held

MON. 2 NOV 2026 — NESARA GOES LIVE

- **The debt jubilee moves from "executed" to "public."** Mortgages, student loans, credit cards — the instruments are invalidated, publicly, on record, on screen
- **The 14% sales tax replacement is announced.** The income tax is abolished. The

Federal Reserve is dissolved. Not reformed. Dissolved

- **What to watch:** a tax form that no longer asks for your income, because income is no longer taxed

WED. 4 NOV 2026 — THE FIRST STRUCTURED PAYOUTS

- **The first structured payouts are released to Tier 4B participants** who completed their appointments. Not the advance. The payout. The first tranche of the structured schedule

- **The amounts are not disclosed.** The schedule is not disclosed. The fact that it is happening is disclosed. And the fact that it is happening is enough

- **What to watch: a QFS wallet** that shows a number larger than the advance, and a date for the next tranche

WHAT TO DO RIGHT NOW:

- **Do not close your bank accounts yet.** Let the system retire them. The decommissioning schedule is not a suggestion. It is a sequence

- **Do not exchange your currency notes for fiat.** Fiat is the thing being decommissioned. Hold the notes. Wait for the rates

- **Do not panic when SWIFT goes dark.** It is supposed to go dark. It is being replaced, not repaired

For years, people have been told that the old system will never end. That SWIFT will always be there. That the GCR is a rumor. That NESARA is a fantasy. That the payouts will never come. The schedule is locked. The dates are four. The old system is not falling. It is being decommissioned.

R. THE GLOBAL CURRENCY RESET: INSIDE THE REDEMPTION OPERATION ...Martial Law on Telegram Sat. 24 Oct. 2026

The RV Redemption is on. The NDAs are genuine. Plans after redemption are locked. The following is the hard truth about the Redemption Centers - the only public access points under NESARA/GESARA protocols.

Banks are NOT your way. They are used by the elite. Even if they have a bank name on the building, we, the people, go through Redemption Centers. Here the

rates are higher and you walk away with QPhones, QLaptops, Quantum ID Access Cards, Rainbow Currency, debit cards, checks and even a temporary trust if you have your humanitarian project template ready. The template was approved at the White House and was designed for those selected to bring humanity back.

Mainstay of the operation:

Reclamation – Restoring stolen wealth stolen by the Deep State, Cabal and bank cartels. Restitution/Reparation - undoing decades of unconstitutional theft: taxes, interest, property seizures, debt slavery.

Redemption – swapping currencies/ZIM bonds at rates that were never meant for the public to see. A small percentage is for personal use, the rest goes to humanitarian projects.

ZIM bonds are backed by gold. Dinar, Dong and others at double digit rates. XRP? Already mirrored on Quantum accounts. \$1M/token actual value.

S. Save The Children:

Newly surfaced Epstein emails reveal that underage girls were secretly giving birth to babies at his Zorro Ranch compound, only for the infants to vanish without a trace. T. THE CHILDREN IN THE TUNNELS WERE NOT JUST RESCUED. THEY WERE THE FIRST TO BE HEALED. THIS IS THE HARDEST TRUTH. AND IT IS THE MOST IMPORTANT ONE. ...Charlie Ward and Friends on Telegram **Sat. 24 Oct. 2026**

SINCE 2019, JOINT MILITARY OPERATIONS ACROSS THE UNITED STATES, EUROPE, AUSTRALIA, AND SOUTHEAST ASIA HAVE UNCOVERED A NETWORK OF UNDERGROUND FACILITIES THAT MOST PEOPLE CANNOT BRING THEMSELVES TO BELIEVE EXISTED. THOUSANDS OF CHILDREN WERE RECOVERED. MANY HAD NEVER SEEN SUNLIGHT.

THE DETAILS OF WHAT WAS DONE TO THEM WILL BE RELEASED DURING THE EBS DISCLOSURE. WE WILL NOT DESCRIBE THEM HERE. WHAT WE WILL TELL YOU IS WHAT HAPPENED AFTER.

THESE CHILDREN WERE THE FIRST PRIORITY FOR MEDBED DEPLOYMENT. NOT TESTING. NOT RESEARCH. HEALING. EVERY

RESOURCE, EVERY PROTOTYPE, EVERY OPERATIONAL UNIT WAS DIRECTED TOWARD ONE MISSION: RESTORE THESE CHILDREN TO WHOLENESS.

PHYSICAL INJURIES THAT WOULD REQUIRE YEARS OF RECONSTRUCTIVE SURGERY WERE REVERSED IN HOURS. BONE FRACTURES HEALED. ORGAN DAMAGE REPAIRED. MALNUTRITION CORRECTED AT THE CELLULAR LEVEL.

BUT THE MOST REMARKABLE RESULTS WERE PSYCHOLOGICAL. TRAUMA THAT PSYCHIATRISTS SAID WOULD LAST A LIFETIME WAS ADDRESSED AT THE FREQUENCY LEVEL. THE NEURAL PATHWAYS THAT STORED THE PAIN WERE NOT SUPPRESSED. THEY WERE REWRITTEN. THE MEMORIES REMAIN, BUT THE SUFFERING ATTACHED TO THEM HAS BEEN DISSOLVED.

THESE CHILDREN ARE NOT JUST SURVIVING. THEY ARE LAUGHING. THEY ARE PLAYING. THEY ARE LEARNING WHAT IT MEANS TO BE SAFE FOR THE FIRST TIME IN THEIR LIVES.

THIS IS WHY WE FIGHT. NOT FOR POLITICS. NOT FOR MONEY. NOT FOR POWER. FOR THEM.

AND WHEN YOU SEE THEIR FACES FOR THE FIRST TIME, YOU WILL UNDERSTAND WHY EVERY SACRIFICE WAS WORTH IT.

He gave Iran \$150B in cash, and the IRGC didn't even build a single street with that money.

Instead, Iran used the money to make missiles and drones, finance proxies, and arm terror organizations like Hamas, Ansar Allah, and Hezbollah. With these funds, Iran offers safe harbor to the leaders of al-Qaeda, including one of Osama bin Laden's sons who was indoctrinated into jihadism.

Barack Obama was responsible for the Arab Spring in 2010—which deliberately created ISIS—toppling the Libyan government in 2011 and creating a nuclear Iran.

The Obama syndicate, including his chief of staff John Brennan, Hillary Clinton, Valerie Jarrett, Victoria Nuland, Susan Rice, and Samantha Power, did so deliberately in order to keep the region destabilized and to use Iran as a buffer to prevent the Gulf states and Israel from amassing too much power.

Now President Trump is undoing everything Barack Obama touched, foreign and domestic.

One man has managed to do all of that while orchestrating the single largest conspiracy in U.S. history to overthrow the United States government—and not a single investigation.

X. SPECIAL REPORT! TESLA MED BED LOCATIONS WORLDWIDE AND IN THE USA – TESLA MED BED TECHNOLOGY GENERATES A FIELD OF RESTORATIVE LIFE FORCE ENERGY TO STIMULATE THE SELF-

REPAIR OF ALL CELLS ...The Q Awakening on Telegram Sat. 24 Oct. 2026

Tesla Med Bed technology has emerged as a revolutionary advancement based on Nikola Tesla's principles of energy, frequency, and vibration. It generates a restorative life force energy field that stimulates self-repair of all cells. This AI-powered system scans, diagnoses, treats, and prevents medical issues, bringing the sci-fi frequency medicine of the future into reality as a true wonder of advanced healthcare.

These beds operate on quantum technology and artificial intelligence, approved as safe and noninvasive Class II devices by the US Food and Drug Administration. Three types include regeneration, holographic, and rejuvenation with regression med beds. Quantum and quartz crystal healing detects subtle electrical signal differences for accurate diagnosis. AI aligns frequencies in a square waveform and automatically selects optimal settings for treatment.

The process starts with a full body scan to identify issues from reduced cellular energy potential. Analysis against a database of over ten thousand frequency patterns for hundreds of conditions determines the cause. Targeted Tesla waves then restore energy levels in a noninvasive process as patients lie inside the device.

Advantages are extensive as the Tesla heating coil reduces stress and inflammation, detoxifies cells, increases energy through better ATP production, restores healing ability, supports limb regeneration, and aids age reversal. It delivers deep sleep improving cognition, focus, memory, immunity, and pain relief while normalizing blood pressure, enhancing circulation, nutrition, detoxification, and calming nerves. Adjustable positioning allows safe use for sleep, sitting, eating, or standing with proper posture. Tesla Med Beds address a wide range of conditions including mental health challenges like anxiety, depression, trauma, dementia, posttraumatic stress disorder, and Alzheimer's, plus cell restoration, fatigue, DNA and RNA repair, allergies, aging, diabetes, muscle and bone healing, heavy metal removal, and limb redevelopment. Sessions last thirty to sixty minutes, typically four to five times weekly. Recent reports confirm effective integration into patient care.

Locations have expanded worldwide with centers across Europe, Asia, Australia, New Zealand, South America, Canada, the United Kingdom, and Dubai. In the United States, networks span coast to coast and heartland states, with facilities serving major communities in California, New York, Texas, Florida, Illinois, and many other locations.

The science integrates vibrational frequencies resonating with natural healing, resonant light therapy stimulating cellular activity, and electromagnetic fields accelerating tissue repair and pain reduction. User experiences show relief from chronic pain, immune support during serious conditions, renewed vitality for seniors, and progress for veterans with Post Traumatic Stress and injuries. This technology represents a paradigm shift toward personalized frequency healing that addresses root causes, with potential to reduce healthcare costs and expand access globally. Tesla Med Beds stand as a beacon of hope for holistic wellness and a brighter, healthier future.

Za. THEY CALLED IT AN EXTENSION. IT WAS AN EXTRACTION. ...Mr. Pool Final Chapter on Telegram Sat. 24 Oct. 2026

On October 23, 2026—just hours ago—the administrative shield protecting the old defense intelligence contractors permanently expired. The corporate networks are calling it a “routine budget realignment.” They want you focused on political theater.

THEY ARE LYING TO YOU TO KEEP THE MATRIX SECURED.

What they are hiding is the immediate transfer of 6,400 classified energy and propulsion patents directly to the domestic infrastructure command. No congressional debates. No public hearings. Signed at 11:47 PM from the Situation Room.

THE 80-YEAR TECHNOLOGICAL BLOCKADE JUST COLLAPSED.

Since 1943, the entrenched cartels hoarded these blueprints. They locked them in black budget vaults while they forced you to pay for obsolete energy grids, expensive fuels, and medical systems designed to manage symptoms rather than provide restoration.

They told you free, un-metered technology was a physical impossibility. BUT THE LEGACY BLUEPRINTS PROVE OTHERWISE. Here is what the declassification directive actually unleashes:

- **Infrastructure Rebirth:** Immediate deployment of localized, autonomous energy nodes designed to power the new Tech Grids. They are completely bypassing the old corporate utility lines.

- **The Frequency Blueprint:** Release of advanced terahertz and scalar patents originally cataloged under national security restrictions. The identical underlying principles that mainstream science called “conspiracy” are now moving to

production.

▪ **□ The Gatekeeper Purge:** Six major administrative directors tied to old aerospace monopolies were quietly reassigned under military jurisdiction last night. They didn't step down. They lost their leverage.

You don't unseal 6,400 suppressed patents unless you are about to dismantle the entire foundation of the old world order. They told you the truth would stay buried until 2035. They told you the cartels were too powerful to challenge. They laughed when you said the legacy structure would break.

Look at the board tonight. The server farms are lighting up. The old energy monopolies are hemorrhaging capital. The gatekeepers are watching their empires dissolve into historical receipts.

The plans were secured decades ago. The execution started tonight in broad daylight. THE LIBERATION ISN'T COMING. THE SYSTEM IS ALREADY RUNNING.

Zb. Definitions: The components of the new financial system:

GESARA (Global Economic Security and Reformation Act) is a worldwide effort to reshape the world's monetary systems and usher in a new era of prosperity and abundance. It wants to get rid of debt based currencies and bring in asset backed monetary systems.

#QFS (Quantum Financial System): The QFS is a digital financial platform that incorporates elements of blockchain technology and quantum computing. It promises to make traditional banking systems obsolete by providing transparency, security, and efficiency in financial transactions.

#GCR/#RV (Global Currency Reset/World Currencies Revaluation) – A process of redefining the value of world currencies, often to align them with physical assets such as gold and silver. It's a way to create a more level playing field and break the dominance of a few reserve currencies.

#ISO20022: ISO 20022 is a global standard for financial messaging that enables financial institutions to communicate in a seamless and standardized way. This speeds up cross-border transactions and makes them more accurate.

#BASELIII: BASEL III is an international set of banking regulations that compel financial institutions to hold more capital reserves. This increases the stability of the global banking system and reduces the risk of financial crises.

Protocol QFS 20: A part of the Quantum Financial System, this protocol is created to make financial operations even more streamlined and secure. This guaranties the highest standards of integrity and efficiency in all transactions.

Iraqi Dinar IQD: The Iraqi Dinar is attracting significant investor interest due to its potential for revaluation. Some believe this currency could increase in value significantly as part of the Global Currency Reset.

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.

<https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html>

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children.*
