The Great Canadian Coverup by Kevin Annett Wed. 6 Nov. 2024

I first met the architect of the Great Canadian Coverup in June of 2010 in Winnipeg. He had just stuffed a large pastry into his mouth. “Excuse me, Mister Sinclair,” I said to him. “Can you tell me why you just shut off the microphone of these residential school survivors when they started talking about burying dead children at the Sandy Bay Catholic residential school?”

Murray Sinclair gaped at me like a deer caught in headlights as he quickly tried to gulp down the confection. Then he glared at the survivors in question, who stood with us. “I’m a judicial officer and there are some things I’m not allowed to raise here,” he blustered.

“Not allowed by who?” one of the Sandy Bay Cree cried. Murray scowled at the man and then turned and waddled back to the head table. It was the opening session of the misnamed ‘Truth and Reconciliation Commission’. (TRC)

Official Canada is shedding rivers of crocodile tears this week after one of their most loyal native puppets passed on to the infernal region where traitors end up. A seemingly endless torrent of praise for the chubby lawyer is pouring from pale politicians, newspaper columns, academics, and other bought and bossed aboriginals like himself.

It’s small wonder. For Murray Sinclair single handedly saved White Canada’s genocidal ass. As chair of the TRC for seven years, Murray led the biggest obstruction of justice in the history of Canada in order to conceal its biggest crime: the deliberate slaughter of over 60,000 indigenous children by Church and State. (www.murderbydecree.com)

“When he cut us off with that stupid grin on his face, it felt like I was being raped and beaten all over again,” said one of the Sandy Bay Cree women. “And he’s supposed to be one of us.”

Murray, indigenous? Well, maybe on the outside. But he’s been a consummate “good Indian” from early on, as a residential school informant and goon, then a lawyer, judge, and eventually a Senator with strong cabinet connections. When it came time for the government and churches to officially whitewash the growing evidence of their mass murder of half of the children in the Christian gulags called ‘Indian residential schools’, Murray was just the man to do it. As the TRC chairman, Murray’s job was to sell a Big Lie to the public: that genocide in Canada wasn’t so bad, no-one was to blame for it, and all is forgiven.

In the spring of 2008, our movement against this big lie escalated its ten-year campaign by occupying the guilty Catholic, Anglican, and United churches in Vancouver and Toronto. We demanded the criminal prosecution of those churches for genocide. In response, the government quickly announced the formation of the TRC to ‘investigate’ the residential school crimes. But the fact that the perpetrators of the crime were the ones setting up the TRC to ‘investigate’ themselves didn’t sit well, especially when the churches that had killed generations of brown children got to choose the three TRC Commissioners. (Seriously)

“Like the serial killer appointing his own jury,” as I said to the press, who didn’t quote me.

Not surprisingly, the first federal judge asked to chair this absurdity, Harry Laforme, quickly declined, citing how the TRC mandate was “unlawfully restrictive”. Why? Because it prevented the TRC Commissioners from issuing subpoenas, conducting criminal investigations, or summoning witnesses. The Commissioners were even barred from gathering evidence that named names, referred to dead children, or accused anyone of a crime!

Obviously, the half-decent Mr. Laforme didn’t want to incriminate himself in such a blatant whitewash and obstruction of justice. So then the feds turned to their loyal hatchet man, Murray Sinclair. “Hatchet” is accurate. As the TRC’s Major Domo, Sinclair slashed and burned any incriminating eyewitnesses and evidence from the residential school death camps while protecting the Catholic, Anglican, and United churches responsible for killing half of its little inmates.

Murray kicked off this effort by giving the churches six months to sift through and censor their own records from the ‘schools’, even though the churches had been spared litigation for their crimes only by agreeing to disclose all their evidence. Then Murray got the federal Privy Council to officially seal all government records related to the ‘schools’, like the evidence of the Church and State sterilization programs against natives stored in the National Archives in Ottawa.

Meanwhile, at the TRC’s so-called ‘public hearings’, native survivors were allowed only a brief ten minutes to tell their story, but only after they had submitted their statement to the TRC Commissioners for vetting and editing. Church officials, contrarily, got all the time they wanted, uncensored, to spew justifications for their century-long torture and murder of indigenous children. Any native survivors who challenged this charade were quickly silenced by Sinclair, banned from the hearings, and even physically assaulted by TRC security.

The official subterfuge continued behind this heavy barrier of deceit and intimidation. “It was all a big show,” recalls Shawna Greene, a Cowichan native

woman who attended the TRC event in Victoria, B.C. in the summer of 2012. “There were more white people there than native people, and lots of music, food, and corporate sponsorship signs. I counted only four or five actual survivors there and only one of them ever got to speak, and then only briefly.”

Shawna grew tearful and angry as she spoke. “But the worst part was that asshole Murray Sinclair. He was just a stooge for the churches. When a Catholic bishop was at the microphone going on about all the ‘good’ they’d done in the residential schools, a few survivors began shouting, *‘You’re lying! Sit down! You killed our friends!’*. At that point, Murray stood up and started yelling at the survivors to be quiet and show respect to the bishop! Show respect to your rapist, can you believe it? The survivors looked totally crushed. One of them even killed herself that night. It was all a big re-traumatizing event for the victims so they’d stay quiet. I guess that was the whole point of the TRC.”

None of the trained seals of the Canadian media ever reported such incidents and greatly aided Murray in his duplicity and criminality. For the press, the TRC was all love and light, *“a genuine effort to reveal and help heal a sad chapter in our history,”* to quote a typically false account from the *Globe and Mail*. Whether in Canada or abroad, the media reports of the TRC rarely if ever corresponded to its reality. And the big lie only grew worse.

As the TRC stage show wound its way through over \$80 million to say nothing and conceal much, Murray Sinclair let slip that the survivors’ statements and other evidence held by the TRC would not be made public, as was originally guaranteed, but would remain in the hands of the government.

Early in 2014, just before the TRC concluded its moribund existence, the Supreme Court ruled that any of this TRC material could be legally destroyed, even though it constituted confidential evidence from crime scenes! Canada’s whitewash of mass murder was now lawful.

If Canada operated according to the rule of law, a lot of people connected to the TRC would have gone to jail, starting with the rotund Mister Sinclair. But all of that is fogged here in the Great White North, where a traitor to his people and to 60,000 slaughtered children, and the head of an enormous criminal conspiracy to aid and abet genocide, now dwells as a hallowed hero of the crime scene called Canada. How else does an entire guilty nation behave?

In closing, I remember the outrage that the TRC hearings caused among the grassroots native people who I live and work with. Their anger, of course, quickly turned to despair and resignation that, once again, the child killers and their aboriginal

accomplices had won. All except for a Cree man named Frank Ermineskin, a buddy of mine in Vancouver.

One evening in the Carnegie Center, Frank got up and kicked his booted foot through the TV screen that was broadcasting a TRC hearing. Later that night, Frank said to me, “Among my people, anybody who hurt a child or protected somebody who did would get taken outside the village and you’d never see that person again. That’s what we need to do to that Murray Sinclair asshole.

F. FINAL HOURS: THE SWITCH HAS BEEN SCHEDULED, HERE ARE THE FOUR DATES THAT END THE OLD SYSTEM ...Tier4b ISO20022 on Telegram Sun. 25 Oct. 2026

A sovereign banking coordination center sent an internal decommissioning schedule through the encrypted channel. It said: "Legacy decommissioning locked. Four dates. Four systems. No reversals. No extensions."

THE FOUR DATES

WED. 28 OCT 2026 — SWIFT GOES DARK

- **The final legacy SWIFT node** is decommissioned. Not upgraded. Not maintained. Decommissioned. The old rails are removed, not repaired
- **Every cross-border transaction** that used to take three days now takes three seconds. Not because the banks got faster. Because the banks are no longer part of the process
- **What to watch:** a wire transfer that arrives before you finish typing the confirmation number

FRI. 30 OCT 2026 — THE GCR PUBLIC ANNOUNCEMENT

- **The Global Currency Reset** moves from "logged" to "announced." Not leaked. Not rumored. Announced. The rates are published. The rates are final
- **The Iraqi Dinar**, the Vietnamese Dong, the Zimbabwe ZIM — the three signal currencies — are the first to be published. The rest follow within 72 hours
- **What to watch:** a currency exchange board that shows a number you have never seen before, in a currency you have never held

MON. 2 NOV 2026 — NESARA GOES LIVE

- **The debt jubilee moves from "executed" to "public."** Mortgages, student loans, credit cards — the instruments are invalidated, publicly, on record, on screen
- **The 14% sales tax replacement is announced.** The income tax is abolished. The Federal Reserve is dissolved. Not reformed. Dissolved
- **What to watch:** a tax form that no longer asks for your income, because income is no longer taxed

WED. 4 NOV 2026 — THE FIRST STRUCTURED PAYOUTS

- **The first structured payouts** are released to Tier 4B participants who completed their appointments. Not the advance. The payout. The first tranche of the structured schedule
- **The amounts are not disclosed.** The schedule is not disclosed. The fact that it is happening is disclosed. And the fact that it is happening is enough
- **What to watch:** a QFS wallet that shows a number larger than the advance, and a date for the next tranche

WHAT TO DO RIGHT NOW:

- **Do not close your bank accounts yet.** Let the system retire them. The decommissioning schedule is not a suggestion. It is a sequence
- **Do not exchange your currency notes** for fiat. Fiat is the thing being decommissioned. Hold the notes. Wait for the rates
- **Do not panic when SWIFT goes dark.** It is supposed to go dark. It is being replaced, not repaired

For years, people have been told that the old system will never end. That SWIFT will always be there. That the GCR is a rumor. That NESARA is a fantasy. That the payouts will never come.

The schedule is locked. The dates are four. The old system is not falling. It is being decommissioned.

G. Med Bed Timing ...Med Bed Activation on Telegram Sun. 25 Oct. 2026

On Sun. 25 Oct. 2026 the Global Military Alliance confirmed Med Beds fully deployed and operational inside secured hospital wings and underground facilities worldwide. Final testing completed as holographic, regenerative and age-regression chambers powered by tachyon and plasma energy stood ready. Priority access opened for bondholders, whales and group leaders within one hour of liquidity release, healing the first waves of children and veterans instantly.

On Mon. 26 Oct. 2026 ISO 20022 migration finished across all major banks and payment systems, forcing total transparency. QFS quantum wallets activated for Tier 4B as biometric locks replaced every old password. Deep State cyber attack plans collapsed under Alliance countermeasures. Mass pedophile arrests accelerated with live tribunal feeds preparing for the ten days of darkness.

On Tue. 27 Oct. 2026 the first rainbow currency waves prepared for public release. Gold and silver backing from Vatican, Bank of England and Basel vaults locked in completely. Med Bed pre-registration portals went live with free access cards queued for every citizen. Critically ill patients received emergency codes for immediate chamber entry as old pharmaceutical systems shut down forever.

On Wed. 28 Oct. 2026 full Med Bed registration activated for the public. Age regression protocols promised to return the elderly to their prime vitality in minutes. Limb regeneration and DNA repair became standard treatment. Alliance troops guarded every facility as cabal media blacked out all coverage of the miracle technology.

On Thu. 29 Oct. 2026 early public sessions restored sight, hearing and mobility to thousands. Cancer vanished, chronic pain ended, and vaccine-damaged children walked out fully cured. Debt jubilee notifications flooded quantum devices, wiping every mortgage and student loan. The Restored Republic under the original Constitution took shape as governments shrank to ten percent size.

On Fri. 30 Oct. 2026 EBS activation locked the planet into the ten-day blackout. Day 7 of darkness scheduled the global Med Bed reveal with continuous healing documentaries. Starlink quantum mesh delivered unfiltered truth. Martial law secured the transition. The golden age of free healing and sovereign wealth dawned now for all of humanity.

I. FINAL HOURS: YOUR EXISTING BANK ACCOUNTS AND DEBTS. HERE IS EXACTLY WHAT HAPPENS TO THEM ...Tier4b Nesara Gesara on Telegram Sun. 25 Oct. 2026

Today, a **Tier 4B participant** who completed their appointment last week sent me a detailed account of what happened to their old bank accounts, their old debts, and their old credit score.

WHAT HAPPENS TO YOUR BANK ACCOUNTS:

1. THEY ARE NOT CLOSED - THEY ARE ARCHIVED

- **Your existing bank accounts stay open.** You can still use them. You can still withdraw. You can still deposit

- **But they are no longer part of the new system.** They are a legacy layer. They will continue to function until the migration is complete, and then they will be quietly retired

- **You do not need to close them.** You do not need to empty them. You simply stop using them when the new system is fully live

2. YOUR DEBTS ARE NOT FORGIVEN - THEY ARE INVALIDATED

- **Your mortgage is not "paid off." It is invalidated.** The instrument that created the debt no longer exists in the new system

- **Your credit cards are not "canceled." They are rendered obsolete.** There is no fiat left to borrow. There is only what you own

- **Your student loans are not "wiped." They are voided.** The contracts that created them were built on a legal fiction that has been challenged in sealed tribunals and the tribunals have ruled

3. YOUR CREDIT SCORE IS NOT ZERO - IT IS IRRELEVANT

- **The credit score was a tool** the old system used to decide who was worthy of borrowing. In the new system, there is no borrowing

- **Your QFS allocation** does not depend on your credit score. It depends on your identity. Your biometrics. Your presence on the list

- **You will not need credit** ever again. You will not need a loan. You will not need a lender

WHAT TO DO RIGHT NOW:

- **Do not close your bank accounts.** Not yet. Let the system retire them

- **Do not pay off your debts in a panic.** Let the system invalidate them

- **Do not worry about your credit score.** It is a relic of a system that is already gone

For years, people have been told that debt is permanent. That credit is a privilege. That the bank owns you until you pay them back.

J. THE ADVANCE PAYMENT IS BEING RELEASED, HERE IS EXACTLY HOW IT WORKS ...Tier4b ISO20022 on Telegram Sun. 25 Oct. 2026

A source inside a **Tier 1 banking partner** sent me a detailed confirmation of how the advance payment works for Tier 4B participants. I am sharing it because most people do not understand what they are getting - and when.

WHAT THE ADVANCE PAYMENT ACTUALLY IS:

1. THE AMOUNT

- **If you are a ZIM holder,** your advance is up to \$500 million. Not a loan. Not credit. An advance on your structured payout

- **If you are a non-ZIM currency holder,** your exchange proceeds are accessible immediately. No advance needed. No structured payout. You exchange, you receive,

you walk out

- **If you hold no currency**, your allocation comes from the Sovereign Fund. It is not zero. It is not symbolic. It is real

2. WHEN IT ARRIVES

- **The advance is released** at your appointment. Not before. Not after. At the appointment

- **It is deposited directly into your QFS wallet**. Not into your bank account. Not into your credit union. Into your QFS wallet

- **You will see it on your Sovereign Fund Dashboard** before you leave the room. The number will be there. It will not disappear

3. WHAT YOU CAN DO WITH IT

- **You can spend it**. At participating merchants. Through your Quantum Mobile Device. Three seconds per transaction

- **You can transfer it**. To anyone in the world. Instantly. No fees

- **You can save it**. It does not inflate. It does not decay. What you hold is what you own

WHAT TO DO RIGHT NOW:

- **Do not tell anyone the amount**. Not your family. Not your friends. Not your social media. The NDA covers this

- **Do not spend it all at once**. The advance is designed to help you start, not to help you finish

- **Do not worry if the number looks different** from what you expected. The formula is the formula. The system does not negotiate

For years, people have been told that the payout is a myth. That the numbers are fantasy. That no one will ever see a cent. The advance is not a myth. It is a mechanism. And it is being released now.

K. ATTENTION: PAYMASTERS REPORT FULL RELEASE! ...Charlie Ward and Friends on Telegram Sun. 25 Oct. 2026

UNITED STATES, EUROPE, AUSTRALIA, AND SOUTHEAST ASIA HAVE UNCOVERED A NETWORK OF UNDERGROUND FACILITIES THAT MOST PEOPLE CANNOT BRING THEMSELVES TO BELIEVE EXISTED. THOUSANDS OF CHILDREN WERE RECOVERED. MANY HAD NEVER SEEN SUNLIGHT.

THE DETAILS OF WHAT WAS DONE TO THEM WILL BE RELEASED DURING THE EBS DISCLOSURE. WE WILL NOT DESCRIBE THEM HERE. WHAT WE WILL TELL YOU IS WHAT HAPPENED AFTER.

THESE CHILDREN WERE THE FIRST PRIORITY FOR MEDBED DEPLOYMENT. NOT TESTING. NOT RESEARCH. HEALING. EVERY RESOURCE, EVERY PROTOTYPE, EVERY OPERATIONAL UNIT WAS DIRECTED TOWARD ONE MISSION: RESTORE THESE CHILDREN TO WHOLENESS.

PHYSICAL INJURIES THAT WOULD REQUIRE YEARS OF RECONSTRUCTIVE SURGERY WERE REVERSED IN HOURS. BONE FRACTURES HEALED. ORGAN DAMAGE REPAIRED. MALNUTRITION CORRECTED AT THE CELLULAR LEVEL.

BUT THE MOST REMARKABLE RESULTS WERE PSYCHOLOGICAL. TRAUMA THAT PSYCHIATRISTS SAID WOULD LAST A LIFETIME WAS ADDRESSED AT THE FREQUENCY LEVEL. THE NEURAL PATHWAYS THAT STORED THE PAIN WERE NOT SUPPRESSED. THEY WERE REWRITTEN. THE MEMORIES REMAIN, BUT THE SUFFERING ATTACHED TO THEM HAS BEEN DISSOLVED.

THESE CHILDREN ARE NOT JUST SURVIVING. THEY ARE LAUGHING. THEY ARE PLAYING. THEY ARE LEARNING WHAT IT MEANS TO BE SAFE FOR THE FIRST TIME IN THEIR LIVES.

THIS IS WHY WE FIGHT. NOT FOR POLITICS. NOT FOR MONEY. NOT FOR POWER. FOR THEM.

AND WHEN YOU SEE THEIR FACES FOR THE FIRST TIME, YOU WILL UNDERSTAND WHY EVERY SACRIFICE WAS WORTH IT.

N. Unmasked: Klaus Schwab's Traitors — A More Complete List. Meet the Young Global Leaders, Class of 2021. You Don't Know Their Names Now, But You Will. ...Juan O Savin on Telegram **Sun. 25 Oct. 2026** <https://t.me/JuanOSavin>

Political, cultural and business leaders are not chosen by the people they claim to serve. They are selected by the network Klaus Schwab has built for decades. The expanded list circulating in autumn 2026 names Huma Abedin, Charlize Theron and Ashton Kutcher among scores of others whose influence is becoming impossible to ignore.

Advancement in the New World Order requires selling one's soul to Schwab, long seen as the Rothschild front man. The goal is a Chinese-style social-credit system imposed worldwide, in which access to a person's own money depends on obedience to the system's earthly agents.

The World Economic Forum's role in the pandemic remains clear. With the Gates Foundation it sponsored Event 201 on 18 October 2019 in New York, the same day the Wuhan Military World Games opened. The Forum has pushed biometric digital identity, launching a 2019 travel project and partnering with the Gates- and Rockefeller-backed ID2020 alliance that treats childhood vaccination as the entry point for digital ID. Schwab's 2020 book COVID-19: The Great Reset declared the emergency should accelerate global governance, digital transformation and climate controls—an agenda still advanced in late 2026.

Since 1993 the Forum has run the Global Leaders of Tomorrow program, rebranded Young Global Leaders in 2004, to identify and promote future presidents, prime ministers and corporate chiefs. Alumni who drove zero-covid policies, lockdowns, mask mandates and vaccine mandates include Jeffrey Zients, Jeremy Howard, Leana Wen, Eric Feigl-Ding, Gavin Newsom, Devi Sridhar, Jacinda Ardern, Emmanuel Macron, Sebastian Kurz, Angela Merkel and Jens Spahn. Also listed are Pete Buttigieg, Chelsea Clinton, Huma Abedin, Nikki Haley and Samantha Power.

Technology names include Bill Gates, Jeff Bezos, Sergey Brin, Larry Page, Mark Zuckerberg and Sheryl Sandberg. Additional figures tied to the 2021 class include Anderson Cooper, Leonardo DiCaprio and Sanna Marin. Power concentrates among those who passed through Schwab's pipeline.

Researchers note Schwab's long association with Henry Kissinger and former British Prime Minister Ted Heath. As the November 2026 midterms near, the

names on this Young Global Leaders roster are no longer obscure. They represent the process that places loyalty to the reset above loyalty to any nation.

During his last days, Hitler established the Fourth Reich in the United States, via Operation Paperclip from 1946-1959, which enabled the Nazis to infiltrate its government and intelligence agencies at the highest-levels.

Hitler had 5 children, boys and girls, indistinguishable from each other, because they were all... ANDROGYNOUS.

1. **Angela Merkel**: Germany's longest-serving Chancellor.
2. **Theresa May**: Prime Minister of the United Kingdom.
3. **Dalia Grybauskaite**: President of Lithuania.
4. **Nancy Pelosi**: U.S. Democrat and Speaker of the House.
5. **Ann Dunham** undercover CIA agent, and the mother to illegitimate U.S. President, Barack Obama.

P. Exclusive: White Hats and DHS Disrupt Deep State Plan to Sabotage Midterms ...Juan O Savin on Telegram Sun. 25 Oct. 2026 <https://t.me/JuanOSavin>

White Hats and the Department of Homeland Security have disrupted a Deep State plot that could have seen fired federal employees stage a coup against President Donald J. Trump if Democrats captured Congress in November. The scheme involved former agents ready to sabotage the midterms.

On September 23, 2026, Marine Corps Forces Cyberspace Command intercepted a call between a former FBI supervisor and Rear Admiral Milton Sands. Sands had led Naval Special Warfare Command until Secretary of War Pete Hegseth removed him in August 2025. The caller proposed eliminating Trump, JD Vance, and Hegseth, claiming over 1,200 former USAID staff, officers, intelligence officials, and diplomats stood ready if Democrats won. Admiral Sands rejected it as the dumbest idea he had heard, warning participants were signing their death warrants.

White Hats have monitored Deep State chatter since early 2021, including agents dismissed by Kash Patel. A source in General Eric M. Smith's office said Sands alerted White Hats despite personal views. The Marines and Navy have a long relationship, and Smith and Sands knew each other. Sands put country first.

On September 26, Marines from Camp Pendleton went to the agent's Philadelphia home. Using Stingray trackers, drones, and microphones, they found contacts with 15 other fired FBI agents and Erica Chenoweth, a former USAID executive. Surveillance revealed plans for a false-flag where DSA and ANTIFA would clash with voters at battleground polls or pose as MAGA to create chaos, forcing Trump to declare martial law before polls closed in hopes Americans would reject it as a steal.

Chenoweth is believed to have started the scheme. Seven of the 15 had roles in the 2022 Mar-a-Lago raid, and six testified against January 6 participants. General Smith briefed President Trump and sought arrests for treason. Trump said he

already knew and that Homeland Security Investigations had arrested six of the 15 on October 19 while checking illegal voters.

Marines then stormed five homes in California, New Mexico, and Nevada, using CS grenades and making arrests. At one house the former agent and his wife opened fire with an AR-15, shouting for Obama. They were killed, and a Marine was wounded and evacuated. HSI found 100 rifles and 50 pistols in one home. Remaining targets are pursued, but Chenoweth has fled to Canada. This protects the November midterms from sabotage.

Q. Step Into the Vatican's Secret Archives: Chronovisor – Device that Can View Past Events Hidden in the Vatican Secret Archives. ...Juan O Savin on Telegram Sun. 25 Oct. 2026 <https://t.me/JuanOSavin>

The Vatican's history remains filled with secrets, from the unsolved disappearance of Emanuela Orlandi in the early 1980s to the closely guarded Apostolic Archive. Among the most bizarre legends is the Chronovisor, a device said to allow its user to view events from the distant past.

Father Pellegrino Ernetti, a Benedictine monk, scientist and exorcist, claimed he helped invent the machine. According to accounts from Vatican priest Father François Brune, Ernetti confided in the early 1960s that twelve scientists assisted in its construction, including Nobel Prize-winning physicist Enrico Fermi and former Nazi scientist Wernher von Braun.

The Chronovisor was described as consisting of cathode rays, antennae and mysterious metals that received sound and light signals across all wavelengths. A direction finder selected the desired era while a screen displayed the scene. It functioned more as a window capturing residual echoes floating in space than as a physical time machine.

Ernetti asserted that the team observed key biblical moments, including the crucifixion of Jesus Christ, the Last Supper, the founding of the Roman Empire and the destruction of Sodom and Gomorrah. He also claimed to have watched Marcus Tullius Cicero address the Roman senate in 63 B.C., noting the power of the orator's gestures and intonation.

An Italian publication reported the claims in May 1972. Ernetti maintained that the Vatican sequestered the device to keep it from the wrong hands. In 1988 the Church decreed that anyone using such an instrument would be excommunicated. Shortly before his death he wrote that Pope Pius XII had forbidden disclosure because the machine was dangerous and could restrain human freedom.

Skeptics challenged the accounts, noting that the design resembled a device in a 1947 science-fiction novella and questioning the lack of construction details. Some claim Ernetti confessed the story was fabricated before dying in April 1994, though this remains disputed. Brune continued to believe until his death in 2019.

With the principal figures gone, the Chronovisor endures as a Vatican mystery. In the autumn of 2026, as attention returns to hidden archives and suppressed technologies, the legend still captivates those who suspect the Church conceals knowledge capable of confirming biblical events or overturning accepted history.

U. US Military Alert: All military are preparing worldwide to shut down all media, internet, phone, and TV. ...Nesara Gesara on Telegram

No internet, no ATMs, no phones during this time? Only for 911 calls. This is the global martial law we are talking about. And guess what? There is a 10 day communication blackout. But here's the kicker: the Emergency Broadcast System is globally activated. 3 x a day Nonstop 24 / 7 8 hour documentaries exposing the darkest secrets of the elite - fraud, corruption, pedophilia, and their arrests.

The military is dismantling Cabal controlled governments around the world. Mass arrests based on 500,000 sealed indictments. "This is the time we have been fighting for.

We will reconnect to a new quantum internet after 10 days of darkness. The old systems of government, education, finance, health and commerce? Not here. A new era is dawning.

V. PROJECT ODIN=EBS ...Edward Snowden on Telegram **Sun. 25 Oct. 2026**

We know that something powerful will take down the Mossad Media satellite. This will cause a worldwide communications blackout, transitioning us to a Quantum System. This is called PROJECT ODIN. In essence, it provides a reason to activate Military EBS.

Starlink is up and seemingly ready for the Army to activate the worldwide Emergency Broadcast System.

The Odin Project, as mentioned by Ron CodeMonkeyz, is a powerful cross-platform Anti-Cheat Engine and part of Quantum Starlink. These new Quantum Systems are protected by secret space programs beyond the reach of the Cabal.

Q tells us that Mossad media assets will be eliminated. has repeatedly stated that there will be a big Biblical scenario where they present it as World War 3 but in reality they will activate the Military worldwide and then start bombing all the This satanic place.

This will release the NESARA/GESARA funds and then we the people will begin to rebuild. This event is truly biblical.

Some of the larger Satanic Illuminati sites in the world:

- * Vatican

- * 3GD in China
- * Cern at Swiss/French Border possibly

- * Media assets will be removed
- * After communications are disabled, John F Kennedy Jr will appear.

To convert to Gesara/Greatness, they must play this fake World War 3 scenario to sound the sirens in each National Military Command Center. This is to justify to the entire planet many things that have taken place. The Gesara Military Law was implemented which included Secret Military Tribunals, Confessions, executions etc. As usual, all armies will be there to help build new things. We have achieved freedom, saved our children and freed the world of corrupt governments and enslavers.

Y. THE SOVEREIGN FUND DASHBOARD IS NOT WHAT YOU EXPECT! HERE IS EXACTLY WHAT YOU WILL SEE WHEN YOU LOG IN

...Tier4bISO20022 on Telegram **Sun. 25 Oct. 2026**

1. THE FIRST SCREEN

- **It does not show a bank balance.** It does not show a checking account. It does not show a savings account. It shows a single number - your allocation - and nothing else

- **The number is not in dollars.** It is not in euros. It is not in any fiat currency. It is in Rainbow Units - the asset-backed settlement instrument that replaces every currency you have ever used

- **There is no "available balance" and "pending balance."** There is only one number. It is already yours. It has always been yours

2. WHAT THE NUMBER MEANS

- **It is not a loan.** It is not credit. It is not a promise. It is an allocation - the portion of the Sovereign Fund that has been assigned to you since the day you were born

- **It does not fluctuate.** It does not go up or down. It does not depend on the market. It is backed by physical gold, silver, and platinum - stored in reserves that have been repositioned for this exact moment

- **It is not the whole amount.** It is the first tranche. The rest is released as you

move - as you start your project, as you help your community, as you do what you said you would do

3. WHAT YOU CAN DO WITH IT

- **You can transfer it.** Instantly. To anyone in the world. No fees. No intermediaries. No approval delays
- **You can spend it.** At participating merchants. Local. Independent. The ones who signed onto the new system before the old one collapsed
- **You can save it.** It does not inflate. It does not decay. What you hold is what you own - forever

WHAT TO DO RIGHT NOW:

- **Do not panic if the number looks different** from what you expected. It is not a mistake. It is the formula
- **Do not try to withdraw everything** at once. The system is designed for flow, not for panic
- **Do not share your dashboard** with anyone. Not a screenshot. Not a photo. Not a description. It is yours - and only yours
- **It is the first time in your life** that you will see - in one number - what the system owes you for everything it took. The dashboard is not a bank account. It is a reckoning. And the number is yours.

Z. THE 800# ROTATION, WHY SOME NUMBERS WORK AND OTHERS DON'T ...Tier4b ISO20022 on Telegram Sun. 25 Oct. 2026

At 10:44 EST, a regional redemption hub sent an internal confirmation through the encrypted channel. It was not meant for the public. It was meant for the operators. But I saw it. It said: "Rotation cycle 3 is complete. Cycle 4 begins at 20:00 EST. Numbers from cycle 1 and 2 are now dormant."

WHY SOME NUMBERS WORK AND OTHERS DON'T:

1. THE ROTATION IS NOT RANDOM

- **The 800# numbers rotate in cycles.** Each cycle has 47 numbers. Each cycle lasts 24 hours
- **When a number is used,** it is retired. Not because it is broken. Because it has served its purpose
- **The numbers that work** are the numbers in the current cycle. The numbers that don't are from the last cycle. They are dormant. They will not answer

2. THE FIRST BATCH IS THE FASTEST

- **The first batch of numbers** in each cycle connects in under 30 seconds. The operators are fresh. The lines are clear
- **The second batch connects** in under a minute. The operators are still there. The lines are still clear
- **The third batch connects** in under two minutes. The operators are tired. The lines are busy. But they answer

3. THE LAST BATCH IS THE SLOWEST

- **The last batch of numbers** in each cycle connects in five minutes or more. Sometimes they do not connect at all
- **This is not a failure.** This is the system protecting itself. The last batch is for the patient. The patient wait. The impatient call a dead number and blame the system

WHAT TO DO WHEN YOUR NUMBER IS DORMANT:

- **Do not call it again.** A dormant number stays dormant. Calling it again does not wake it up. It only wastes your time

- **Do not call the next number on the list.** The next number is not in the current cycle. It is in the next cycle. It will not answer until the cycle begins
- **Wait for the next rotation.** The next rotation is announced through the encrypted channel. Not on social media. Not in a group chat. Through the channel
- **If you do not have the channel,** you do not have the rotation. You have only the list. And the list is always one cycle behind

WHAT TO DO WHEN YOUR NUMBER IS LIVE:

- **Call once.** If it does not connect in two minutes, hang up. Do not redial. Do not redial again. The system does not reward redialing
- **Have your code ready.** Have your ID ready. Have your pen and paper ready. The call is short. The call is scripted. The call is not a conversation
- **Do not call from a noisy room.** Do not call from a car. Do not call while walking. The operator needs to hear you. The system needs to hear you

For years, people have been told that the 800# numbers are a myth. That they will never go live. That no one will ever answer.

Zc. Charlie Kirk's Fake Death Exposed ...Nesara Gesara QFS Exposed on Telegram Sun. 25 Oct. 2026

Late October 2026 brings fresh scrutiny to the reported assassination of Charlie Kirk at Utah Valley University on September 10, 2025. Claims circulating among researchers describe the event as a staged psychological operation rather than a genuine killing. Cryptic references to "See You in Valhalla" appear in related messaging and are interpreted as coded signals that the individual remains alive, consistent with warrior afterlife symbolism used in certain circles.

Examination of available footage shows an absence of the blood volume expected from a neck wound of that nature. No blood bags or standard special-effects containers appear in the immediate scene, raising questions about whether practical

effects associated with CIA-linked Hollywood production methods were employed. The head of security at the university was observed remaining upstairs in a casual manner after the reported shots, an anomaly that stands in contrast to expected emergency protocols.

Further review ties the production to broader patterns of divide-and-conquer operations. Similar staging elements have been alleged in other high-profile incidents, including claims surrounding an earlier attempt on Donald Trump. Freemason symbols and ritual markers are noted in frame-by-frame analysis of the campus setting, suggesting involvement of secret society networks that have long been accused of controlling public narratives. The operation is framed as part of a larger effort to remove or relocate figures who had begun questioning certain foreign policy alignments and institutional loyalties.

By autumn 2026 the narrative continues to evolve as additional anomalies surface ahead of the November midterms. The absence of ordinary forensic markers, the controlled public reaction, and the rapid consolidation of messaging around a lone-actor explanation all point, according to the analysis, toward a managed event designed to intensify political fracture while shielding actual decision-makers. Researchers maintain that the real objective was never the removal of one activist but the reinforcement of controlled opposition and the suppression of independent inquiry into intelligence-agency influence over American media and politics.

The exposure of the Valhalla references, the missing blood evidence, and the security irregularities is presented as one more layer in the ongoing unraveling of CIA Hollywood techniques used to shape perception. As tribunals and declassification proceed through late 2026, the case is held up as further indication that many of the most dramatic public deaths and attacks of recent years function as scripted instruments of psychological warfare rather than spontaneous acts of violence.

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.
<https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html>

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
