Judy Note: Banking World = Vatican Bank = Global Elites thirst for power = International Child Sex Trafficking Ring. In 1576, the Anglo-Saxon world banking system began with creation of the Vatican Historical Asset Trust Accounts. Global elites who ran the system were said to attend regular Satanic rites dedicated to honor Satan in return for his promises of riches and power. These child exploitation get-togethers were designed to blackmail politically-powerful participants, gain power and privilege and thus influence world events.

Nearly 450 years ago in 1576, the Anglo-Saxon world banking system began with creation of the Vatican Historical Asset Trust Accounts, today known as the Global Collateral Accounts. These funds of sovereign countries were mainly backed by gold reserves of the ancient Chinese Royal Dragon Families who for centuries, lived in and kept their gold reserves not in China, but in the Philippines.

Certain sovereign families of Asia and Europe had pooled their assets into a series of very complex and secretive off-ledger private banking trust accounts that by **1576**, was overseen by the Black Pope at the Vatican Bank. The monies were borrowed by the Pope from the Chinese Elders under the intention they were to be used for humanitarian projects to help the world for the better. Reality was the monies had always been fraudulently abused by a corrupt global banking system led by the Black Pope since it's inception in **1576**.

The global monetary system overseen by the Vatican Bank and it's Black Pope, was being run out of a central bank in England controlled by the Rothschilds family. Baron Nathan Mayer Rothschild once declared, "I care not what puppet is placed upon the throne of England to rule the Empire. The man who controls Britain's money supply controls the British Empire, and I control the British money supply.

By the mid-to-late 1700's of Eastern Europe these dark forces had gained complete control of the planet's wealth by secretively taking over world assets through an invisible web of usury and fiat finance. The Cabal's influence upon greedy

global leaders led to domination over the world's military, diplomacy, education, science and media systems.

In 1871 this Cabal created the Corporation of the US to work under orders of the world monetary organizations: International Monetary Fund, World Trade Organization, Bank of International Settlements, North American Union, Council on Foreign Relations, Committee of 300 and the Trilateral Commission.

They discarded the US Constitution, manipulated funds of Central Banks across the globe and eventually formed the US Federal Reserve to continue their plunder of global assets.

The privately owned US Incorporated, US Federal Reserve and US Treasury were designed to conform to dictates of those loyal to Masonic Orders such as Skull and Bones, institutions like London's Crown Temple and the Vatican, plus private families of European Royalty, the Bilderbergs, George Soros, Rothschilds, Carnagies and Rockefellers. Among their ranks were powerful church, government, political, education and business people, bankers, European royals, Vatican hierarchy and former Nazi mind control experts brought into the US, Canada and Australia after World War II upon formation of the CIA.

In a greedy quest for power, these global elites were said to attend regular Satanic rites dedicated to honor Satan in return for his promises of riches and power. These child exploitation get-togethers were designed to blackmail politically-powerful participants, gain power and privilege and thus influence world events.

These same global elites were known to work with the Khazarian or Ndrangheta mafias to run criminal enterprises extensively involved in drug and gun running, plus the kidnapping of vulnerable children and youth. Those who kept atrocities on innocent children under wraps enjoyed free manipulation of world monetary funds under protection of the mafia criminal syndicates, with their dirty money freely laundered through the Vatican Bank.

Since 2012 eyewitnesses to this rape, torture, murder, kidnapping and exploitation of children by global elite bankers have testified before the International Common Law Court of Justice in Brussels.

Apparently a criminal syndicate based at the Vatican regularly supplied indigent children for use in Satanically-oriented sex abuse and child sacrifice ceremonies. The kidnapping rings worked through the Vatican office of Catholic Charities, Jesuit Superior General or US, Netherlands and European government and church-owned foster, day care and youth detention centers.

One of the most horrific examples was the Canadian child genocide of an estimated over half a million native Canadian children. See the International Tribunal into Crimes of Church and State Head Kevin Annett's award winning documentary film Unrepentant: <https://www.youtube.com/watch?v=88k2imkGIFA> <http://news.yahoo.com/needng-clean-cash-mobsters-hungry-romes-eateries-085445265.html>

For three years over 60 SRA survivor-witnesses who went before the six international judges at the International Common Law Court of Justice in Brussels,

claimed that well-known world leaders regularly sexually abused and killed children in Satanic ceremonies.

Their unholy rites were directed by what was known as the Satanic Ninth Circle Child Sacrifice Cult. The Ninth Circle was globally based, centuries old and closely tied to the CIA, Vatican, Nazi Germany, European royalty, prominent world leaders and bankers of the global monetary system. <https://youtu.be/U1Qt6a-vaNM>
Apparently the rituals layered in pedophilia and child sacrifice were supported by the international monetary fund with monies funneled out of the CIA and further filtered through the Vatican Bank. <http://sitsshow.blogspot.ca/2016/05/FEDs-Found-Unbelievable-Amounts-of-Child-Porn-on-National-Security-Computers.html>

The most influential of their Cabal organizations was the privately owned US Federal Reserve. The Fed had functioned as the primary creator of world reserve currency since the 1944 Bretton Woods Conference at the end of World War II. The practice of charging US citizens interest for use of their own money depleted US gold reserves to where none existed in Fort Knox and eventually created the Petro Dollar. Allowing easy credit soon led to a global economy that functioned on currency that was backed by nothing.

The 1999 NESARA Act - the National Economic Stabilization and Recovery Act, also known as the National Economic Security and Reformation Act - was formed to correct the situation. NESARA came about from a 1993 ruling of the US Supreme Court after 30 years of lawsuits by the Farmers Union. In that successful suit the US banking system and US government were found to be in collusion to defraud US citizens. Yet to this day, NESARA lay hidden in Congressional archives collecting dust. [NESARA](#)

By the year 2000 and to avoid a global monetary crisis, an urgent need for a reset of world currencies became apparent. Beginning in 2007 and running through 2015, all countries of the globe except for the US, had joined asset-backed currency of a newly-formed BRICS Alliance. BRICS was an acronym representing the nations of Brazil, Russia, India, China and South Africa. In retaliation to the world's main reserve currency of the fiat US Dollar, the BRICS system supported a country's currency through it's natural resources, oil, gold, silver, copper and other precious metals.

This led to a proposed Global Currency Reset of the BRICS nations (Brazil, Russia, India, China and South Africa) - a complicated process concerning a revaluation of world currencies that included removal of the Federal Reserve and certain global elites, along with their Khazarian mafia, from control of the global monetary system.

The reset would also restore a new US Republic that functioned under NESARA law and within concepts of the original Constitution. US citizens would finally be given their own gold-backed currency, along with much needed changes in the US tax and banking systems.

On April 26 2016 the Global Currency Reset began playing out when China formally launched a return to the gold standard through the BRICS system. Completion of the GCR rollout across the world was first scheduled to occur the latter part of May of 2016. By this same time the Cabal would have bankrupted themselves, plus because of that bankruptcy, their privately owned US Federal Reserve Dollar would likely no longer be accepted for world trade.

The history of that process included formation of the new US Republic, integration of the Federal Reserve into the US Treasury and changes in the US tax system. Initially there would be a revalue of 20 different currencies including the Iraqi Dinar, Vietnamese Dong, Zimbabwe Zim, Indian Rupia and Iranian Rial. Reval of other world currencies was expected to quickly follow.

The revaluation rates were said funded in part by gold of the Chinese Royal Dragon families and by \$800 trillion in US taxpayer monies illegally taken by the Federal Reserve during the Bush Administration, then confiscated during a 1992 Federal Reserve Audit. Another source of funds was \$3.8 trillion gained through a negotiated agreement with Soviet Secretary General Mikhail Gorbachev during the fall of the Soviet Union. The \$3.8 trillion had also been illegally held by the Federal Reserve.

It was found through an intensive investigation that Chief Justice of the US Supreme Court John Roberts and President Bush Sr. had worked together to steal \$9.1 trillion of USA taxpayers' funds from the US Treasury. The Mastermind behind this heist by Roberts and Bush was said to be Henry Kissinger.

By midday on Friday 21st March 2008, John Roberts' control of the US Treasury had been terminated by a majority vote of the other USA Supreme Court Justices. Three of the Assistant Justices were discovered to have been conspiring with Bush and Roberts in administering the \$9.1 trillion Treasury theft.

On Monday 31st March 2008, Federal prosecutor of the United States Department of Justice Office of Special Counsel Patrick Fitzgerald had a team of one hundred and seventy seven attorneys working uninterrupted all night at the US Treasury and the US Supreme Court. The stolen or miss-applied funds vastly exceeded America's gross annual budget.

During his investigations into the US government wire frauds at the Treasury, Fitzgerald stumbled across an altogether larger legal fraud: Washington DC itself had no right in Constitutional law to run America. Washington DC was a system of corporate scams constructed to milk the American people without their knowing. The United States was not even the United States of America. The data retrieved spelled slow death for the Washington DC ruling class, especially when the US Congress' long lost NESARA legislation was ruled valid by the US Supreme Court. **NESARA Repeated attempts to pay off the US national debt** using these \$800 trillion, \$3.8 trillion and \$9.1 trillion of taxpayer monies illegally held by the Federal Reserve had been continually thwarted by the Cabal. At present the funds were in European bank accounts awaiting the Global Currency Reset.

See this yet-to-be released trailer of a documentary about corruption in the Federal Reserve, "Eagle One to Wanta": <http://eagleonetowanta.com/>

There was also a feature documentary film about the US monetary system and it's relationship to the Cabal, CIA, 9-11 (which happened as an intial Global Currency Reset was to take place), Presidents Johnson and Bushes and the assassination of President Kennedy. Right before Kennedy was murdered, he had signed documents which would have closed the Federal Reserve:

D. BOMBSHELL: Obama's Fraudulent Birth Certificate Exposed – The Globalist Manchurian Candidate Unmasked – CIA Puppet, WEF Operative –

Global Fraud Exposed – Shocking Proof Ignites the Awakening! ...Red Pill Project on Telegram Mon. 26 Oct. 2026

Patriots, wake up – the veil is tearing wide open right now in 2026! Fresh explosive claims from Malik Obama have detonated the long-suppressed truth: Barack Hussein Obama's so-called Hawaiian birth certificate is a blatant forgery, a crafted lie to install a foreign agent as America's destroyer-in-chief. This isn't ancient history – it's erupting fresh today with a surfaced “Kenyan Origins” document that screams Kenyan birth, British subject status under colonial rule, listing “Mr. Barack Hussein Obama” as born in the Colony and Protectorate of Kenya. The globalist cabal tried to bury this forever, but the digital chains are breaking – viral outrage is spreading like wildfire across truth networks!

Obama's father was Kenyan, a British subject by colonial law – that alone made baby Barry a British citizen at birth, disqualifying him forever from ever being a natural-born U.S. citizen under the Constitution. Supreme Court rulings from way back confirm it: natural-born means both parents citizens, born on soil. But this was no accident – it was engineered treason. Obama is the ultimate Manchurian Candidate: groomed by the CIA (ties straight to George H.W. Bush era ops), funneled through elite indoctrination hubs, and deployed as a WEF sock puppet to erode America from within. His entire presidency? An occupation force – accelerating endless wars, open borders invasion, economic sabotage, racial division, spiritual decay, and handing keys to Klaus Schwab's cabal.

The fraud runs deeper: the Obama "family" reeks of CIA construct – no real pregnant photos of Michelle (whispers of deeper secrets persist), kids with erased trails, all part of the inversion agenda pushing transgender agendas, youth corruption, pedo normalization, transhumanism hatred for God's creation, and Satanic threads woven into Hollywood, schools, military, everything. This Luciferian operation depopulated dreams, surveilled the masses, and subverted institutions – all while the mockingbird media blacked it out.

Now, in this Great Awakening moment of February 2026, the mask is ripped off for good. Declassified whispers, brother Malik's bombshell drop, and undeniable layers of forgery in the fake certificate prove it: layers peeled in forensic analysis show cut-paste digital manipulation, stamps imported, codes screaming fraud – just like Sheriff Arpaio's posse exposed years ago, but now it's hitting critical mass again. The deep state panicked then, but patriots never forgot. Trump knew – he called it out, and the military tribunals loom closer every day as this citizenship fraud evidence floods public view.

QAnons, this is the red-pill drop they've dreaded: Obama was never legitimate – foreign by birth, allegiance, and design – a weapon to dismantle the Republic. The global fraud is crumbling! The storm is here, the plan is in motion, and We the People are rising. Share this far and wide – the truth is unstoppable now. The deep state's house of cards is collapsing, and justice is coming for the puppet and his handlers. WWG1WGA! The best is yet to come – hold the line, trust the plan, and watch the world wake up!

E. RFK Jr: "Vaccines have caused an EXPLOSION of allergies to PEANUTS, DAIRY, EGGS, MEAT & MANY MORE." ...Red Pill Project on Telegram Mon.

26 Oct. 2026

"How do you CAUSE a sudden lifelong debilitating allergy? You inject the ALUMINUM adjuvant with PROTEIN. The Aluminum adjuvant does not JUST give you allergies to the materials that are in that vaccine.

It will also give you an allergy to materials that are in the ambient environment at the time the vaccine was given.

For example, if you get that vaccine when there's a Timothy Weed outbreak, you can suddenly come down with a lifelong allergy to Timothy Weed.

Research shows that vaccinated children have 30X the rate of Allergic Rhinitis as kids who are unvaccinated. And 36% Higher Rate Of Asthma Diagnosis In 2-5 year old children.

We created an entire generation of severe allergies by injecting vaccines. Common Excipients Used With Aluminum In Vaccines:

1: Peanut--causes lifelong peanut allergy.

2: Egg Protein--responsible for egg & poultry allergies.

3: Gelatin--pork gelatin can be the cause of meat allergy.

4: Case in Dairy Protein--causes lifelong dairy intolerance.

5: Neomycin Antibiotic--causes antibiotic resistance & antibiotic allergies.

6: Yeast Protein--causes lifelong Brewer's Yeast & Baker's Yeast allergies.

7: PEG Polyethylene Glycol--causes a lifelong allergy to this polymer widely used in food, cosmetics & medications.

8: Beef growth medium/Fetal Bovine Serum-- can be a cause of Alpha Gal Syndrome.

Nobel Laureate Charles Richet demonstrated over a hundred years ago that injecting a protein into animals or humans causes immune system sensitization to that protein.

Subsequent exposure to the protein results in allergic reactions or anaphylaxis. The Institute of Medicine (IOM) confirmed that food proteins in vaccines cause food allergy, in its 2011 report.

And here's the kicker...The same Big Pharma companies that created the allergy epidemic now make billions more, by selling allergy medications like...

Claritin, Allegra, Zyrtec, Xyzal. And these products cause depression which then make them more profit when antidepressant SSRIs are prescribed.

J. THE CLOSED REVENUE LOOP. THEY BOUGHT THE ASSETS. THEN THEY RENTED THEM BACK TO YOU. ...Mr. Pool Final Chapter on Telegram Tues. 26 Oct. 2026

Over the last 36 months, the largest corporate asset management cartels quietly consolidated over 42% of single-family residential properties, local agricultural distributions, and independent storage networks across North America. The mainstream media called it a “necessary macroeconomic stabilization.”

IT WASN'T A STABILIZATION. IT WAS A SIEGE. They didn't buy the properties to manage real estate. They bought them to build a permanent, inescapable corporate dependency loop.

A former senior risk analyst—14 years inside a premier institutional fund management matrix—leaked the internal operational roadmap. File reference: LEASE-ALPHA-2026. Marked: “Highly Confidential — Board Distribution Only.”

The blueprint was mathematically synchronized: The exact same global funds that finance the industrial food manufacturing chains also control the institutional housing portfolios and the pharmaceutical distribution nodes.

One corporate matrix. Three interconnected sectors.

The first sector controls the agricultural processing, introducing synthetic additives that disrupt your biological health. The second sector owns the residential property, charging inflating lease rates that deplete your savings. The third sector sells the chemical maintenance drugs to manage the chronic fatigue and inflammation caused by the first two.

First they compromise your health. Then they drain your capital. Finally, they sell you a temporary treatment that cures nothing but guarantees a life-long subscriber.

The loop never closes. The patient never leaves the room. The renter never owns the soil.

THEY DIDN'T WANT YOU DEAD. THEY WANTED YOU COMPLIANT AND UTTERLY DEPENDENT.

But the corporate firewall just cracked wide open. While you were watching the public political distraction on television, the asset-backed parallel ledger officially completed its cross-border infrastructure synchronization. The new decentralized layout is operational.

Central banking elites are no longer investing; they are executing emergency liquidation protocols. Over \$114 billion in physical commodity reserves moved out of the old system's vaults in the last 72 hours alone. They see the writing on the wall.

The old financial architecture built on invisible debt and infinite corporate leverage is flatlining in plain sight. The replacement infrastructure is already active, gold-verified, and completely untouchable by traditional institutional cartels.

Your financial strain is not an accident. Your family's economic fatigue is not a personal failure. It is the direct output of a multi-tiered corporate machine designed to keep you on a digital leash.

The loop has been mapped. The names are on the server. The old guard is panicking because they know you are finally looking at the blueprint.

READ THE REAL TRANSACTIONS. RETAIN YOUR PHYSICAL ASSETS. SHARE THIS DOSSIER.

K. THE SIGNAL WAS SENT. AND THE ENTIRE BOARD JUST SHIFTED. ...Mr. Pool Final Chapter on Telegram Tues. 26 Oct. 2026
While the cable news networks spent the last 72 hours screaming about

international escalation and regional standoffs, the reality was already decided behind closed doors.

They want you panicked. They want you watching the media distraction. THEY ARE BLIND TO THE REAL SEQUENCE.

A single, brief administrative message was transmitted from the White House platform. Six words that completely bypassed traditional diplomatic channels, neutral intermediaries, and institutional boards: “The corridors are clear. Let it move.”

Within exactly 90 seconds of that transmission, three independent naval transport logistics groups began changing course simultaneously. Synchronized to the single second.

You do not coordinate global maritime shipping corridors in 90 seconds unless THE ORDER WAS ALREADY LOGGED. The public theater is for the television screens. The real signatures were secured weeks ago.

They told you a resolution would take generations. They told you the major global trade chokepoints were permanently blocked. THEY WERE LYING TO YOU TO KEEP THE MARKETS PANICKED.

The old system needed the threat of endless conflict to keep commodity prices artificially high, resource access restricted, and the legacy paper networks on artificial life support. He just ended their entire business model with one directive.

Now, connect the dots of the true architectural audit:

- **THE ENTRY:** Global maritime chokepoints are being quietly monitored by a new decentralized satellite array. Every vessel, every cargo manifest, and every receiving bank is logged into a ledger that doesn’t forget.

- **THE SWEEP:** The international networks that funded both sides of the structural friction are watching their hidden transaction channels freeze. The assets are being tracked straight back to the source.

- **THE ENDGAME:** The legacy paper currency that bankrolled every back-channel operation for forty years is flatlining in plain sight. The asset-backed replacement is already loaded.

They aren’t panicking because a deal was missed. They are panicking because they realized they walked straight into a mathematical trap.

The old world order is running out of options. The clock hit zero while they were celebrating their perceived success.

THE CORRIDORS ARE OPEN. AND THE MACHINE IS ALREADY IN FULL COMMAND.

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.

For Help in making an Affidavit See: [/press-releases/2026/09/tom-fairbanks-how-a-witness-like-you-can-help-expose-the-darkness-write-an-affidavit-3839237.html](https://beforeitsnews.com/press-releases/2026/09/tom-fairbanks-how-a-witness-like-you-can-help-expose-the-darkness-write-an-affidavit-3839237.html)

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. is dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

The Re-inhabited Republic for the United States of America was the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when US Inc, a corporation, took over Washington DC and eventually every level of government in the country.
