Judy Note: Please help *Save The Children*. Be aware that we are in the middle of the Satan Worshipers biggest celebration of the year where they honor Satan through

child sacrifice and pedophile parties. According to an Occult Calendar of Demonic Holidays put together in the early 1990s by therapists treating Satanic Ritual Abuse Survivors, **Oct. 29 through Nov. 1** was titled “All Hallows Eve” where sexual climax associated with demons used sacrifice victims of any age, human male or female, in Satanic pedophile and sacrificial rites to honor Satan.

Meanwhile, according to Military sources, within hours or days an EBS broadcast was set to announce Worldwide Martial Law. Mass Arrests were happening right now. People across the Globe were bracing for a massive financial crash, followed by ten to twelve days of communication darkness while the World transitioned to gold/ asset-backed currency of the new Global Financial System. Right now Global Currency Reset payouts were in progress.

Bill Cooper, a Navy veteran, author of “Behold a Pale Horse,” and host of “The Hour of the Time,” saw a need to be free from the Satan Worshipers who have controlled our monetary system since the 1800s. It would take a drastic change in our global financial and political systems. He ought to know. He had spoken face to face with the Illuminati planners of the New World Order and later died after making the following public:

“They will place a single figure upon the throne of the World. Behind that figure will sit a council of self-described wise men who hold the real power.

“The figurehead exists only to absorb public anger. When the anger grows too strong the figurehead can be removed and another put in its place. The structure remains untouched.

“The method is Ordo ab Chao, the motto of the thirty-second degree of Freemasonry: order out of chaos. Controlled disorder would be manufactured until populations beg for security. In exchange they surrender sovereignty, property, and the Constitution.

“Cooper traced the same play across history. The builders, controllers, and puppet masters shape people. They withhold the truth and substitute a carefully managed narrative so that the majority never sees the hand that moves the pieces.

“Media outlets owned by the same interlocking interests carry identical stories in identical language. Uniformity is the mechanism that keeps the audience asleep while the final stage advances.

“Cooper identified the institutions that carry the plan forward: the Council on Foreign Relations, the Trilateral Commission, and the highest degrees of the fraternal orders bound by blood oaths and the promise of status inside a supra-national government.

“Nation-states are to be dissolved. Private property is to be redistributed. The family is to be redefined by the State. Religion is to be replaced by a single state-approved creed.

“The process has been described under many names—the Great Work, the Great Plan, the Lost Word—yet the destination is the same: a worldwide system in which few of the Illuminated rule and the rest serve or disappear.

“In late 2026 the pattern Cooper mapped was no longer theoretical. Economic pressure, engineered crisis, and the steady erosion of national borders continue exactly as he described.

“He felt the first step to break away from this corrupt system was simple and absolute: admit that the majority has been asleep. Study the documents the planners themselves wrote. Recognize the symbols and the repeated cycles. Reject the lie that events are random.

“Cooper paid with his life after he refused to stop speaking. His final stage warning was never about remote masters alone. It was about the choice still available to anyone who will look. The plan proceeds only while the public remains willing to trade liberty for the illusion of safety. Once that trade is refused, the structure has no foundation left.” BILL COOPER: THE FINAL STAGE ...John F. Kennedy Jr. on Telegram **Thurs. 29 Oct. 2026**

"Synthetic items with tentacles able to move and lift itself up... I was horrified. No one should have this injected into them... it's a crime against humanity"

Truly disturbing observations. And she's not the only one. Numerous doctors and scientists around the world are also finding these unnatural and conscious structures. Many speculate what's being observed is self-assembling nanotechnology, which can involve: Nanorobots, Biosensors and Microchips.

It may seem abstract at first, yet insiders, whistleblowers, and official patents now confirm it. Moderna's very own chief scientist officer said it himself. They never injected you with protection. They were installing an operating system inside YOUR body.

Former government official, Catherine Austin Fitts, revealed: "They were installing operating systems inside people's bodies to hook them up to digital technology like 5G... they call it the Internet of Bodies"

The possibilities of such technology are both endless and frankly terrifying. And the more nanotech and heavy metals you have inside you... the MORE responsive and reactive you become.

This isn't about fear. It's about awareness, staying human and survival. Because if you're not prepared and actively detoxing now... then you may not be ready for what comes next.

Nanotech, mRNA, and heavy metals are now inside ALL of us. Do not wait until it is too late. We MUST take action. Yet natural solutions are being CENSORED, SILENCED, and HIDDEN...

E. CRITICAL: THE TEN DAYS OF DARKNESS ...JFK 17 Letters Awakening on Telegram Fri. 29 Oct. 2026

A military coordination center sent an internal day-by-day schedule through the encrypted channel. It said: "Ten-day sequence locked. Each day has a purpose. No day is padding. No day is optional."

THE TEN DAYS, WHAT HAPPENS ON EACH ONE:

DAY 1 — THE SILENCE All traditional broadcast networks go dark. The EBS activates on Starlink and the quantum mesh. First broadcast is footage — tribunal sessions, sealed documents, locations never meant to be filmed. What to watch: phone shows "no service," Quantum device shows green.

DAY 2 — THE REVELATION The first broadcast cycle runs on loop for 24 hours. No commentary. No rebuttal. Old networks try to counter. They fail. What to watch: news anchor still talking, no one can hear them.

DAY 3 — THE FIRST ARRESTS Arrests broadcast live. The names you've read for years appear on screens that cannot be turned off. Tribunals move from sealed to public. What to watch: a private jet grounded at an airport that has never grounded one.

DAY 4 — THE FINANCIAL ACCOUNTING Full accounting begins. Audited figures, one line at a time. QFS public interface goes live on every device that can receive it. What to watch: bank statement showing a number you've never seen, in a currency you've never used.

DAY 5 — THE FIRST REDISTRIBUTION Funds move — not announced, move. Into QFS wallets, Rainbow Units. Debt jubilee execution begins. Instruments invalidated in real time. What to watch: a screen updating while you're looking at it.

DAY 6 — THE QFS PUBLIC REVEAL The system shows itself. A dashboard. A wallet. A number. The Sovereign Fund concept displayed on every screen. What to watch: a number appears on your screen and does not disappear.

DAY 7 — THE MED BED REVEAL Med Beds shown publicly. First demonstrations broadcast. Children, critically ill, veterans — the priority order shown, not stated. What to watch: a child walks out without the condition they walked in with.

DAY 8 — THE CONSTITUTIONAL RESTORATION The Republic of Constitutional Law announced. NESARA/GESARA move to public record. 14% sales tax. Income tax abolished. Federal Reserve ended. What to watch: a government building with no flag flying over it.

DAY 9 — THE GLOBAL SYNCHRONIZATION 209 nations confirm alignment on screen, one by one. Rainbow Currency becomes the only currency that matters. What to watch: currency exchange board with one rate for every currency — the same rate.

DAY 10 — THE LIGHT RETURNS Screens come back on. New content. True content. The Ten Days end. The Golden Age begins. What to watch: a news anchor with no teleprompter, not sure what to say.

The schedule is locked. The days are numbered. And Day 1 is closer than anyone outside the system knows.

F.THE GLOBAL MILITARY SIGNAL HAS BEEN ISSUED — AND THERE IS NO WAY BACK. ...US Treasury Center on Telegram Thurs. 29 Oct. 2026

All US Military branches, together with international Alliance Units, have received the final standby code.

The World is hours, or minutes, away from a complete shutdown of media, internet, phone networks, TV, banking grids and financial access points.

For the first time in human history, every digital system will go dark simultaneously: No internet, social media, bank transfers, ATMs and no calls except for 911 only.

Global Martial Law Protocol will unfold in real time. Each country will lock it's airspace, freeze commercial flights and deploy military on the streets under the cover of "security maintenance."

This is a ten day communication blackout. During these ten days all devices will switch to a single Emergency Broadcast System that will actively transmit 24/7 eight hour documentaries, repeated three times daily.

The documentaries will expose global pedophilia networks, human trafficking operations, corrupt politicians bought by foreign intelligence, money laundering schemes, secret treaties, assassination programs, the names of those arrested and those who tried to run.

Trump's Global Military Alliance teams are already executing mass arrests based on more than 500,000 sealed indictments of politicians, bankers, royals, CEOs, Royals, Intelligence officers, Child Trafficking operatives.

After the ten days of communication darkness the World will reconnect to a new Quantum Internet powered by QFS nodes and military secured satellites - a system designed to be un-censorable, un-hackable and un-corruptable.

The old World will not return. The current financial system will be obsolete; current governments, dissolved; current health care industry exposed and replaced; current education network; erased and rebuilt; current corporate structure, broken forever.

In it's place emerges a New Era - a Reset of Humanity: Nesara/Gesara will be activated; debt erasure; QFS financial sovereignty; new Quantum infrastructure; release of suppressed technologies; public healing centers and the end of the old system.

FRI. 30 OCT 2026 — THE GCR PUBLIC ANNOUNCEMENT

- **The Global Currency Reset** moves from "logged" to "announced." Not leaked. Not rumored. Announced. The rates are published. The rates are final

- **The Iraqi Dinar, Vietnamese Dong and Zimbabwe ZIM rates** are the first to be published. The rest follow within 72 hours

- **What to watch:** a currency exchange board that shows a number you have never seen before, in a currency you have never held

MON. 2 NOV 2026 — NESARA GOES LIVE

- **The debt jubilee moves from "executed" to "public."** Mortgages, student loans, credit cards — the instruments are invalidated, publicly, on record, on screen

- **The 14% sales tax replacement is announced.** The income tax is abolished. The Federal Reserve is dissolved. Not reformed. Dissolved

- **What to watch:** a tax form that no longer asks for your income, because income is no longer taxed

WED. 4 NOV 2026 — THE FIRST STRUCTURED PAYOUTS

- **The first structured payouts are released to Tier 4B** participants who completed their appointments. Not the advance. The payout. The first tranche of the structured schedule

- **The amounts are not disclosed.** The schedule is not disclosed. The fact that it is happening is disclosed. And the fact that it is happening is enough

- **What to watch:** a QFS wallet that shows a number larger than the advance, and a date for the next tranche

WHAT TO DO RIGHT NOW:

- **Do not close your bank accounts yet.** Let the system retire them. The decommissioning schedule is not a suggestion. It is a sequence

- **Do not exchange your currency notes for fiat.** Fiat is the thing being decommissioned. Hold the notes. Wait for the rates

- **Do not panic when SWIFT goes dark.** It is supposed to go dark. It is being replaced, not repaired

For years, people have been told that the old system will never end. That SWIFT will always be there. That the GCR is a rumor. That NESARA is a fantasy. That the payouts will never come.

The schedule is locked. The dates are four. The old system is not falling. It is being decommissioned.

**J. UPCOMING TRANSMISSION: THE QUANTUM INTERNET IS HERE,
AND IT'S REPLACING THE OLD WEB ... Web3.0 ISO20022 on Telegram
Thurs. 29 Oct. 2026**

An internal test confirmation was recently transmitted through an encrypted quantum coordination channel: "Quantum internet test phase one complete. 3 nodes established. Zero latency. Zero interception. Public rollout window: Day 6 of broadcast."

WHAT THE QUANTUM INTERNET ACTUALLY IS

1. The Mechanism

The Legacy Web: Operates on physical servers, switches, and fiber-optic cables. Every routing point creates a vulnerability, and every vulnerability is an entry point.

The Quantum Web: Powered by quantum entanglement. Data doesn't travel through space—it instantly manifests. Because there is no physical path, interception is fundamentally impossible.

The Breakthrough: Phase one tests achieved absolute zero latency and zero interception.

2. Why the Legacy Web Is Ending

The current internet was made with central points of control, allowing for monitoring, filtering, and data capture.

The Quantum Internet is decentralized by nature. It cannot be monitored, altered, or blocked—there is no single authority or server to shut down.

The legacy web won't crash; it will simply be phased out quietly and permanently, much like legacy banking systems.

3. What to Expect During the Transition

Access Point: Hardware will pivot toward specialized Quantum Mobile Devices.

First Release: The initial public interface will launch alongside the QFS public dashboard on Day 6. Financial infrastructure deploys first; general web communications follow.

Coexistence: The old web will remain operational temporarily, but it will quickly become obsolete as users migrate.

SIGNS TO WATCH FOR

Global Network Throttle: A simultaneous, worldwide "slowdown" across providers—indicating legacy networks are being deprioritized.

Unsolicited Protocols: System-level updates or new connectivity protocols appearing on your devices.

Vague ISP Notices: ISP announcements regarding major "network updates" without specific technical details.

The old web was built to be monitored. The quantum web is built to be free.

K. Save The Children:

What the Cabal do to children is beyond heinous. In a 2006 radio interview with Dr. James P. Wickstrom and "Jewish" Rabbi Abraham Finkelstein on Turner Network radio, Finkelstein said, "We steal between 100,000 to 300,000 children a year just here in this country, we drain their blood and we mix it with our passover bread and then we throw the bodies into the slaughter houses that we own, and we

grind up all the bodies in the sausage and the hamburger, McDonalds is one of our favorite outlets. And the people, they eat it for breakfast, they eat their children for lunch, and uh, us Jews we gotta do what we do.”

The schools and the cops and sheriff’s are all tied to this. The schools push the vaccines, if parents say no they take children on false neglect and abuse charges. The cop sheriffs also get kick backs. That’s why if a mom is strict with one of them or he doesn’t like the way she speaks to him, he will put a call into CPS in retaliation to open up an investigation. His claim will be “ she seems unstable “ “ appears to be on drugs” Then the 5 year investigation starts, then they knock on her door with the cops demanding to come in to inspect the home for safety. But the CPS never disclose what the report is or who made it. So they can’t face their accusers . That violates the law right there. But they go further and intrude inside her home without a warrant. “All to protect the children “ It’s actually retaliatory and or for the money under title 4 D 4B 4 E The state pays big money to take babies ladies. That’s why the hospital calls on moms that don’t want to poison their newborn baby with a shot The cops come with CPS and take the baby. Then the money starts flowing for doctors cops CPS judges county commissioner This government at local level is at war with you and side with the illegals and thugs through diversity equity inclusion That’s why the cops obeyed mayors orders in 2020 and stood down while the city was attacked by thugs, and massive felonies were committed against the people. CPS is the largest sex trafficking organization on earth for babies and underage children Face their facts.

L. For 45 years, the world called her a living saint. Mother Teresa. Nobel Peace Prize. Blessed by 3 Popes. Worshiped by billions. She was running the largest child trafficking pipeline in history. And the Vatican knew. ...Official Julian Assange on Telegram Thurs. 29 Oct. 2026

THE CALCUTTA OPERATION: Between 1962 and 1997, Teresa's Missionaries of Charity processed over 3 million orphans through 517 homes in 100+ countries. Exposed records show: Babies taken from mothers who were told their children died at birth. Adoption papers signed by nuns with no government oversight. Children shipped to wealthy families in Europe and America for \$15,000–\$50,000 each. Estimated annual revenue: \$50 to \$100 million. Tax-free. Unaudited. Untraceable. She didn't save those children. She sold them.

THE CONNECTIONS THEY HID

Baby Doc Duvalier — Haitian dictator. Gave Teresa access to orphanages across Haiti. The same Haiti that feeds children into the Epstein pipeline today.

Charles Keating — Criminal banker. Donated **\$1.25 million** to Teresa. She wrote a personal letter to the judge begging for his release. The money came from stolen savings of 23,000 Americans.

Robert Maxwell — Father of **Ghislaine Maxwell**. Media mogul. Connected to Teresa through Vatican fundraising channels. His daughter became Epstein's chief recruiter.

Hillary Clinton — Co-founded a toddler home in Washington DC with Teresa in 1995. The home was **quietly shut down in 2012**. No records of where the children went.

THE VATICAN VAULT In 2017, Indian police raided a Missionaries of Charity home in Ranchi. They found nuns selling babies for \$1,800 each. The

Vatican's response? Silence. Pope Francis fast-tracked Teresa's sainthood in 2016 — one year BEFORE the raid. They canonized her to make her untouchable. The Vatican Bank processed \$8 billion in anonymous donations through Teresa's network between 1970 and 1997. No receipts. No records. No questions. Where did the money go? Where did the children go? Same answer. Same network. Same people.

THE EPSTEIN CONNECTION Haiti → Dominican Republic → Virgin Islands. This was Epstein's route. But it was Teresa's route 30 years earlier. The orphanages she built became the supply chain for what came after. Brunel used her agencies. Maxwell used her contacts. Epstein used her infrastructure. She built the machine. They just turned it on.

The Nobel Prize. The sainthood. The hospitals named after her. All of it — a cover for the greatest child trafficking operation ever constructed. 3 million orphans. Zero accountability. One "saint." The truth doesn't care about your feelings.

"I'm a gay guy reading the Quran, and I literally cannot sleep tonight because of what has happened over the last 3 weeks of reading this book — I'm not just reading the book, I'm studying it. I look at verses using different translations, I look at Prophet Muhammad, and like I've been learning all about the history, the context, its relationship to other religions.

To be completely honest, I've become much more fearful of Islam than when I even started this journey — I don't want to spread hate towards general people who are Muslim because I do believe that probably a vast majority of Muslim people do not actually have an extremist point of view. But I also at the same time believe that it only takes 5 to 10% of Muslims in Islam to exist with an extremist view to be a genuine threat to Western life and democracy.

The reason I become more fearful is because I genuinely am coming to believe, looking at not just the Quran but also Islam as a culture and history surrounding Islam, that the goal of Islam actually is to come in, in the name of peace, get into politics, conquer and then turn the country into Islamic law, which doesn't actually make room for religious freedom or a lot of the freedoms that we're used to in democratic life

Like, I'm gay. That ain't gonna fly when they come in and take over. So what do we do? Let's have a conversation about this"

I can tell you what we should do about this. We need mass deportations. We need to denaturalize and deport. We need to revoke visas, status and citizenship of

Muslims and mass deport them while we still can. I don't care if that's controversial, that's the answer.

She stated each box holding approx 600 ballots, totaling around 50,000 ILLEGAL ballots dumped onto tables just before a 6 AM shift change!

This is exactly the kind of election fraud we've been warning about that was running RAMPANT across the country during the 2020 election!

P. US Attorney Bill Essayli says after investigating California he's found Democrats have loosened fraud checks so much, that "California DOES NOTHING to prevent fraudsters from getting money. There's NO VETTING. There's NO CHECKING" ...Fox News Thurs. 29 Oct. 2026

"I've dubbed California the kingdom of fraud, whether it's hospice fraud or healthcare fraud or election fraud. California does fraud best. And, you know, Newsome likes to wear a crown on his social media. So he's the king, the king of fraud.

California does nothing, nothing to prevent fraudsters from getting money. There's no vetting. There's no checking. They just push as much money out the door as quickly as possible"

"California has a duty to regulate hospices. You cannot operate a hospice without a license from the state of California. They do not do site checks. They are not auditing. They're doing nothing. They're doing nothing other than handing out the money of American taxpayers"

Q. EDWARD SNOWDEN'S CHILLING WARNING IS NOW UNFOLDING IN REAL TIME. ...Martial Law on Telegram Thurs. 29 Oct. 2026

What China built is exactly what Western governments are quietly preparing for. Snowden is crystal clear: "Every photo, every purchase, every message, every movement — all of it is being fed into algorithms that decide your future."

In China, AI "city brains" now track: Where you live. Who you visit. How you dispose of your rubbish. Every step you take in public. Whether you "follow rules" or not. Break a rule? A camera catches you from three angles. Your score drops. Your life collapses.

Snowden's warning: "If any of your activities differ from what the government wants, you won't get on a train. You won't board a plane. You won't get a job. An algorithm will decide your fate. And what they are selling... is us."

This is not a future threat. It is happening now — in Shanghai, in Beijing... and creeping into the West through digital ID, AI policing, and "misinformation

scoring.”

China built the prototype. Our governments are importing the blueprint. Stay informed. Stay alert. Do not let this system take root.

R. Blaze Reporter Sara Gonzales just exposed an H-1B sponsor for scamming the Visa system. He has since shut the company down and fled the country.

...Nesara Gesara Secrets 2.0 on Telegram **Thurs. 29 Oct. 2026**

I asked the DOL Inspector General what's going to happen to him. He said he was going to hunt him down and put him in chains.

"The real sign is going to be us holding these people accountable, holding the companies accountable, whether it's civil penalties and obviously holding those accountable who are breaking the law. And for those people, we have plenty of sets of handcuffs ready for them."

"We have a FBI director that flat out has told us there is no state you can hide in, there's no country you can hide in, there's no continent that you can hide in. We will send agents and we will find you and we will extradite you back to the United States of America."

T. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.

<https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html>

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.

On Thurs. 5 March 2026 the Cabal foreign banker owned US Inc. is dissolved, with Common Law Sovereignty installed in the US under concepts of the original Constitution. Admiralty Law fraud was forever crushed.

The Re-inhabited Republic for the United States of America was the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when US Inc, a corporation, took over Washington DC and eventually every level of government in the country.
