Old CIA Controlled Internet To Go Away

Documents Uncovered Prove Covid Vax Not Designed To Stop Virus, But To Mind Control The People

I Am a Child of God | The Tabernacle Choir

You are a Child of God. You are wonderfully made, dearly loved and precious in His sight. Before God made you, He knew you. There is no one else like you.

Judy Note:

On the evening of Thurs. 29 Oct. 2026 at 23:00 EST, seven combat veterans were sworn in as military judges. Their docket in Military Tribunals held at GITMO and other Military run places contains 1,000 names. The first ten traitors have been scheduled for tribunals organized by bloodline - the ones who created the Satan Worshiping Cabal system that was to rule the World. The rest were the ones who ran it. Their verdicts were already written years ago. Their executions will not be public, but the verdicts will be. The EBS will broadcast every name, every charge, every sentence.

On Fri. 16 October 2026 the new Quantum Internet - a reboot of human communication - went live.The Quantum Internet was an un-censorable, un-surveillable, un-shut-down decentralized quantum encrypted communications network protected by secret space programs beyond the Cabal's reach and backed by Starlink's quantum command, Prometheus. A single source of truth. No spinning. No censoring. No propaganda.

Operation Mockingbird was the old Internet full of surveillance and control.The old Internet (Microsoft, Google, Meta, Amazon) was in the process of being shut down, data centers taken over, servers closed, algorithms taken away, Mossad's media satellite and the CIAs Operation Mockingbird media infiltration network, dead.

Three days ago the gain-of-function Covid 19 documents were recovered from a server farm in Maryland and were now in the hands of Military Tribunals. The documents show human engineered modifications were made to the virus. The funding trails run through institutions in the US and Europe and end at the banking network that controls the BIS. People named were the same bankers who ran the Federal Reserve and City of London. The documents prove that the so-called vaccine was not designed to stop the virus, but designed to control The People.

A. From the Federal Reserve to a New US Republic via a Global Currency Reset: 220 Points of Fact as of May 2016 Part 5 by Judy Byington

170. On April 26 2016 Pentagon Chief of Staff General Joseph Dunford and the New Republic Military made their way into the White House via the underground tunnel system. "White House on lock down. New Republic Special Forces alongside General Dunford had entered the White House via JFK's tunnel. Papers of surrender and resignation have been issued." OperationDisclosure.Blogspot.Com on April 27th, 2016

171. Between April 26 and April 30th 2016 Dunford and his team were involved in negotiations for the surrender of the Cabal and USA Corp. Dunford and the resistance movement knew they could use the threat of exposing the Cabal on a global media

live streaming event that was to air on April 30, 2016 for the White House Correspondents Dinner.

172. Also on that April 26 2016, the Global Currency Reset process began playing out when China formally launched a return to the gold standard.

173. Pentagon sources say that the White House was under lock-down April 26 and 27th "as Special Forces led by (General Joseph) Dunford entered via tunnel to demand Obama and Biden resignations." The official version was that the White House was under lock down that day because of a fence jumper.

174. On April 30 2016 Madam Woe declared the Dinar gold backed and exchanges took place in Atlanta Georgia.

175. On the evening of April 30th in Washington, DC just before President Obama was scheduled to speak at his White House Correspondent's Dinner (WHCD), an agreement was reached. The Cabal had functioned on fiat currency through the Federal Reserve and the Federal Reserve was bankrupt. The Cabal had no choice but to surrender and sign the agreements to begin the Global Currency Reset. If the papers weren't signed Obama was threatened that as overseeing "President" Pentagon Head Chief of Staff Joseph Dunford, would push Obama aside at the dinner and publicly announce the New Republic in front of all the world's press corps.

176. The BRICS bank AFIIB, Wells Fargo and HSBC bank put a 10:00 pm April 30 2016 deadline on Citibank to get Basel III compliant or default. A backroom deal was signed at 8:59:59 PM. Citibank defaulted to AIIB/WF/HSBC and became Basel III compliant and thus Obama was allowed to speak. Security Forces which earlier had been pulled from the Citibank currency center redemption locations, returned by midnight.

177. Obama started his talk at the White House Correspondent's Dinner by saying, "It is my honor to be at my last, and perhaps the last, White House Correspondent's Dinner… hahaha", and he next says, "The END of the Republic never looked better! I am just counting the days before my death panel! I have only 2 words to close with… Obama… Out!" He quickly raises two fingers to his lips (Masonic secret degree sign-his obligation that enjoins secrecy) and with his other hand picks up the portable mic, raises it over his head, and then intentionally drops the mic out of his hand to the ground.
A transcription of the Obama speech can be found here at the Washington Post.

178. It was reported that after the WHCD dinner that Obama did not go back to the White House. For several weeks the Obama family had occupied an apartment inside the beltway in order to "keep up appearances" both during his remaining months as "President" and to act as though the Obama family is staying in DC so their two girls can finish their education.

179. The plan was to keep everything appearing "status quo" without bringing attention to the change-over in government, currency, banking, and, ultimately, control of the Republic. International rates would change on FOREX without fanfare as well with sovereign rates showing on offsite redemption centers concurrently.

180. By May 2016 the Cabal was bankrupt and their US Federal Reserve Dollar was no longer accepted for trade worldwide. Through this bankruptcy and subsequent backing of the new US Treasury Note by gold of the Royal Dragon families, the USA and 100 Indian Nations were legally separated from the Cabal. Members of the Cabal were being arrested under the US Federal Marshall Program.

181. The Federal Deposit Insurance Corporation told banking giants like JP Morgan, Goldman Sachs, Wells Fargo, New York Mellon Bank and State Street Corp that their bankruptcy plans were not credible. https://www.rt.com/usa/339518-banks-disaster-readiness-regulators/ To put it another way, some of the top Khazarian Cabal banks and owners of the Federal Reserve Board were basically being told they were bankrupt.

182. On May 1 2016 at 8:59 pm EST the Cabal surrendered when Citibank defaulted.

183. On May 1 2016 the Zimbabwe note was declared gold-backed and was reported to have a value of $11.80 in Europe.

184. On that same Sunday May 1 in Iraq US Secretary Lew made the announcement that the US currency was gold backed, along with other world currencies. It was now a brand new financial system around the world. On the new digital BRICS system transactions took place in a matter of seconds instead of days.

185. On Monday May 2 2016 Geneva Switzerland became a ratifying adherent of the China-sponsored Asian Infrastructure Investment Bank (AIIB), making the confederation one of the last countries to complete the membership process.

186. By that same Monday at midnight May 2 2016 the United States of America Corporation went bankrupt when its Puerto Rico subsidiary defaulted on a 422 million dollar payment on their sovereign loans. Puerto Rico was the headquarters of US Incorporated - the Cabal organization fighting the Global Currency Reset.

187. On that Monday May 2 the USA Corporation defaulted also. As a result all government agencies created by USA Inc. legally defaulted too, including but not limited to: The Federal Reserve Bank, Internal Revenue Service, Homeland Security, Federal Emergency Management Agency, National Security Agency, Central Intelligence Agency, and National Aeronautics and Space Administration.

188. Legally the United States Corporate government was now under the control of the United Nations Corporation headed by Baron Rothschild. However, the status of the United Nations Corporation itself was doubtful because they had neither the gold, or the moral standing to maintain the current chaotic and planet destroying system they oversaw.

189. This Rothschild and Khazarian mafia control had been reduced, in essence, to the bankrupt G7 group of nations. These families that controlled the G7 and UN Corporation were no longer in any position to dictate to the world. Their financial system, the source of their power, was based almost entirely on fraud. The

Rothschilds once famously bankrupted the Bank of England by taking their paper money and demanding payment in gold. The WDS and its allies were now in a position to do the same to these European and US bloodline families. Benjamin Fulford Report of 5-30-2016 saying that the New York branch of the Khazarian Mafia was now the final obsticle to world peace: http://benjaminfulford.net/2016/05/30/new-york-branch-of-khazarian-mafia-now-final-obstacle-to-world-peace/

190. As of Monday May 2, 2016 the USA and 100 Indian Nations were legally separate from the Cabal. The Cabal (along with their Federal Reserve) was bankrupt. The US Federal Reserve Note was no longer accepted for trade in and outside of the US. Members of the Cabal were being arrested under the Federal Marshall Program.https://mainerepublicemailalert.com/2016/05/03/global-currency-reset-americas-amazing-role-we-are-a-new-nation-state/

191. On Tues. morning May 3 2016 there was a technical transfers of funds. All soverign nations had agreed to the new BRICS monetary system including having asset backed currencies under Basil III and Basil IV compliance. Ancient Historic bonds were reconciled of all countries dating back hundreds of years including 1776 in the US.

192. A hand chosen White Hat military leadership, along with White Hat politicians, were positioned and seated in the new Republic government to handle the day to day operations of the United States. This included military and political oversight over all domestic and international matters concerning the country.

193. The new US Republic put out a gold-backed currency called United States Notes (USN). The Republic's sovereign currency Treasury Reserve Notes (TRN) was already being traded on government world markets.

194. All 208 sovereign nations of the world were diplomatically, militarily and financially recognizing the Republic of the United States and their USN/TRN monetary value systems. The USA, Inc was no longer acknowledged on the global stage.

195. Through the USA Inc. bankruptcy and backing of the new US Treasury Note by gold of the Royal Dragon families, the USA and 100 Indian Nations were legally separated from the Cabal.

196. As of May 2016 the CIA plan was to keep Obama as the face of the regime and use him to transition to a possible Donald Trump presidency. The powers behind the US government throne had changed and Obama was no longer living in the White House.

197. The epic events regarding the changeover of the global monetary system was news throughout Europe and Asia, though no mention was made in the Cabal leader George Soros-owned US main stream media.

198. One very visible sign of the US regime change was the fact that Pentagon

sources noted, “1500 Yale Skull and Bones documents will be released to expose [US Secretary of State John Kerry, the Bushes, and other cabal members."
http://www.politico.com/blogs/under-the-radar/2016/05/george-w-bush-white-houses-skull-and-bones-files-due-out-222858

199. On Tues. May 3 2016 at 12 midnight to 3 am EST the digital world monetary system was put into the new BRICS system to officially begin the Global Currency Reset and RV of world currencies.

200. On May 6 2016 the White House put out a detailed plan for a “peaceful transition of power.”
https://www.whitehouse.gov/the-press-office/2016/05/06/executive-order-facilitation-presidential-transition

201. On May 10 2016 the following letter was written by Judge Anna Maria Riezinger to United Nations Secretary General Ban Ki-Moon and United States Secretary of State John Forbes Kerry:

Gentlemen:
I am forwarding the content of the following synopsis so that you are fully informed: In the interest of expediting mutual understanding I have organized the key information:

1. The “United States” that has been causing all the trouble is only “the territories and District of Columbia”. Those “United States” known as the United States of America (Minor) have committed fraud against these United States (Major) and the entire rest of the world.

2. As a result, the United States Major has still not come to the table with regard to the eminent changes in the financial system.

3. The United States Major issued new Sovereign Letters Patent in November 2015 and appointed new Federal representatives. Mr. Jacob Rothschild representing the UN Corporation and Pope Francis as Trustee have both been notified that THE

UNITED STATES OF AMERICA, INC. has no contract, is acting on a for hire basis only, and is obligated to honor the terms and conditions of the actual Constitution while doing so.

4. The High Contracting Powers have similarly been informed that none of the ESTATE trusts named after living Americans and created by the UNITED STATES, INC. for its own benefit are contractually valid. These private contracts have been created and secured under conditions of non-disclosure and semantic deceit.

5. The High Contracting Powers have also been informed that we have acted as the lawful Beneficiaries and Priority Creditors and have authorized the discharge of the "National Debt" owed by the UNITED STATES, INC. against our already accrued "National Credit" so as to put an end to all pretense of conflict with or valid commercial claim against the American People and their actual property assets.

6. The position of the United States Major is one of guarded optimism. Having clearly defined the problem of fraud and misrepresentation by the United States of America Minor, it is now possible to overcome it. That said, we agree that gold has always been the international medium of exchange in modern times and we understand that other nations may desire or require gold in payment for goods and services. We agree that at least for the time being a precious metals standard may serve to restore a degree of honesty and stability to international markets and that new and stringent bank regulatory mechanisms are sorely needed to prevent speculation, insurance scams, commodity rigging and a host of other evils.

7. We draw everyone's attention to the fact that the United States Major's lawful money is and has always been the United States Silver Dollar. We see no reason why our currency would be in any way incompatible with the proposed international return to a precious metals-based system.

8. We welcome the understanding and the assistance of the international community as we put our house in order and point out that as we have authorized our Trustees to settle all the debts of the UNITED STATES, INC. there can be no complaints or accusations held against the American People nor any continuing claims against their assets based on the fraudulent misrepresentations of the United States of America, Minor.

9. What remains to be resolved is an arbitration process by which the United States Major is credited back costs which we have incurred by covering the UNITED STATES, INC. debts and which were never agreed to by any fiduciary deputies of ours.

10. We trust that the banks are well-aware of where the accounts actually stand, the fraud that has been committed against the United States Major, and their own fiduciary culpability. A prompt and just settlement of these issues is in the best interests of the entire planet and we stand ready to do our part.

We hope this synopsis of the situation clarifies it for everyone concerned.

Please note the irrefutable evidence of the purposeful fraud that has been

perpetuated against the American People contained in the Protocol Manual and attested to by every Protocol Officer which states that the “only purpose” of the Birth Certificate is to naturalize “citizens” into the foreign jurisdiction of the United States defined as the “territories and District of Columbia”.

No such misrepresented and undisclosed process of “naturalization” may be considered valid.

The United States of America (Major) is alive and well despite the gross fraud and unnatural ingratitude of its employees.

I am also enclosing a wet-ink copy of the transmittal forwarded to Pope Francis and the Bank of International Settlements authorizing the transfer of credit from our trust accounts to cover all debts of the UNITED STATES, INC. This was necessary to forestall violence based on false claims and presumptions against the American People and their assets.

Mr. Kerry— you have a choice. You can voluntarily release all of the bogus franchises that have been created in the NAME of living Americans and save us all a lot of paperwork or you can establish and publicize an agreed-upon process to return Americans to their lawful birthright status.

This needs to be done without further obfuscation or obstruction.

202. Three days later on May 13 2016 an intelligence alert stated that, "All necessary components of American life and national mechanisms of function are securely within Republic control via the military forces of Commander in Chief General Joseph Dunford."

203. By May 20 2016 the new US Republic had issued Sovereign Letters (Patented in November 2015) and appointed new Federal representatives. Jacob Rothschild representing the UN Corporation and Pope Francis as Trustee were notified that the United States of America, Inc. had no contract, was acting on a for-hire basis only, and was obligated to honor the terms and conditions of the actual Constitution while doing so.

204. As of Sunday evening May 22, 2016, the Chinese Elders placed their gold to back the entire new BRICS financial system. That included backing US notes of the new US Republic.

205. On Monday May 23, 2016 the Chinese halted all financial extension graces to the ever withering cabal political, financial and military pageant. They eliminated the USA, Inc. No sovereign country in active participation with the BRICS could participate with the USA Inc. on their new gold backed financial system.

206. There were 208 countries which had agreed to use the new BRICS electronic payment system that came online on May 23 2016. The new BRICS CIPS electronic payment system of CIPS was active. The old western banking system called SWIFT would not be able to access and exchange the new gold-backed Yuan.

207. Also on May 23 2016 US financial markets were switched over to the new gold backed money, as was every bank account in the US system of finance. All Americans were now operating safely inside of the new BRICS system with no meaningful or immediate changes to day to day financial activities.

208. On May 24 2016 the new monetary system had still not gone into effect. On that same day a Benjamine Fulford published, "The man who is blocking the new financial system and preventing the use of Asian gold for the benefit of the planet is Baron Jacob Nathaniel Rothschild, according to his close relatives as well as the CIA. Baron Rothschild is the head of the Khazarian mafia referred to as Octopus that controls the issuance of US dollars, Euros, Japanese yen and many other currencies, not including the Chinese yuan, or the Russian ruble. If Baron Rothschild does not contact the White Dragon Society to negotiate a compromise within 24 hours of this newsletter being published, the WDS will offer 1 ton of gold, available for pick up in Hong Kong, to anybody who can persuade him to get out of the way."

209. Evidently the glitch in the system was corrected when on May 25 2016 Fulford published, "The Rothschilds have contacted the White Dragon Society so the 1 ton gold offer has been suspended. Negotiations are proceeding."

210. All 208 sovereign nations of the world were now expected to diplomatically, militarily and financially recognize the Republic of the United States and their US Notes and Treasury Reserve Notes as being gold and asset backed under the new BRICS system.

211. The USA, Inc, and all of it's agencies were no longer to be acknowledged on the global stage.

212. Under the new US Republic the US Federal Reserve banking system would close. The Fed was owned by a British foreign corporation and its monies had not been governed by the people, for the people. There were insufficient federal government controls over detailed physical performance and day-to-day operation of the Federal Reserve Bank for it to be considered a federal agency. Here were excerpts from a court case connected to NESARA that proved the Federal Reserve system's illegal status.

213. Under that US Supreme Court ruling connected to NESARA it was ruled that US banks should be independent, privately owned and locally controlled corporations. The Fed would be replaced by a system of Treasury Banks which issued the new US Notes and Treasury Notes that were asset and gold-backed.

214. Under the new US Republic the IRS and corrupt judges would be dealt with.

215. Under the new US Republic the Bar Association and all US attorneys would have to renounce their Bar Oath to the Temple Bar of London and become lawyers, but they couldn't be considered attorneys anymore.

216. Under the new US Republic the individual governments of the 50 states would remain in place.

217. The North American Union would be done and Washington D.C. would be dis-incorporated.

218. Pope Francis had fired five of the Cardinals out of the Vatican Bank which controlled the world currency before instigation of BRICS.

219. The new US Republic Military was in the process of reclaiming all military installations.

220. The purpose of the new US Republic was to function as a restored Constitutional Government as established pre-Civil War.

221. By May 31 2016 China and Japan had reached a gold agreement that settled all past disputes and debts.

222. On May 31 2016 the Deutsche Bank, which held the highest amount of derivatives in the world including many countries' debts, collapsed. That same day the bank was revived with Royal Dragon Family gold that secured the Global Currency Reset.

223. On May 31 2016 19 different countries had their debts forgiven when the Deutsche Bank that held their derivatives, collapsed and were revived that same day when Royal Dragon Family gold secured their currencies through participation in the Global Currency Reset.

224. On May 31 2016 the US debt was forgiven when the Royal Dragon Family gold that secured the Global Currency Reset, backed the new US Treasury Note.

225. By June 2 2016 a global debt relief had been achieved for all 209 sovereign nations in good standing with BRICS, including the US. This allowed the countries to be on a level playing field in international trade.

226. On June 2 2016 at 8 pm Arabic Standard Time Iraqi Prime Minister Abadi announced that all Iraqi cards were viable and charged.

227. On June 2 2016 at 2 pm Eastern Standard Time the new US notes became internationally accepted currency.

228. By June 2 2016 gold-backed Historic Bond redemptions were being paid out in any amount around the world. This meant the funds were well in place to handle the foreign currency exchange redemption process. In less than a minuet secure financial transactions could take place in the BRICS CIPS system.

229. On June 6 2016 the first payments were set to begin for both Historic Assets payouts and foreign currency exchanges of the Global Currency Reset. Initially there would be a revalue of 20 different currencies including the Iraqi Dinar, Vietnamese Dong, Zimbabwe Zim, Indian Ruphia and Iranian Rial. Revaluation of other world currencies was expected to quickly follow.

230. Higher exchange rates were to be made available during the first six days of

initial exchanges, especially if a good percentage of monies were dedicated to Humanitarian Projects called Prosperity Packages.

231. These Humanitarian Projects were said funded in part by gold of the Chinese Royal Dragon families and by $800 trillion in US taxpayer monies illegally taken by the Federal Reserve during the Bush Administration, then confiscated during a 1992 Federal Reserve Audit.

232. Another source of funds for the Humanitarian Projects/Prosperity Packages was $3.8 trillion gained through a negotiated agreement with Soviet Secretary General Mikhail Gorbachev during the fall of the Soviet Union. The $3.8 trillion had also been illegally held by the Federal Reserve.

233. An additional $9.1 trillion for the Prosperity Packages would come from funds stolen from the American people by Supreme Court Justice John Roberts and President George Bush Sr. It was found through an intensive investigation that Chief Justice John Roberts and President Bush Sr. had stolen $9.1 trillion of USA taxpayers' funds from the US Treasury, illegally held it at the Federal Reserve and had been using the interest on it for their personal use.

234. This trailer of a documentary about corruption in the Federal Reserve, "Eagle One to Wanta" has been taken off the Internet: http://eagleonetowanta.com/

235. There was a three hour feature documentary film produced about the US monetary system and it's relationship to the Cabal, CIA, 9-11 (which happened as an intial Global Currency Reset was to take place), Presidents Johnson and Bushes and the assassination of President Kennedy. Right before Kennedy was murdered, he had signed documents which would have closed the Federal Reserve. This also has been taken off the Internet: https://www.youtube.com/watch?v=U1Qt6a-vaNM

The Tier 4B notifications are not emails, text messages, nor phone calls. They are quantum-encrypted, biometric-verified, and delivered through channels that do not exist on the public internet.

WHAT IS TIER 4B?

• **Tier 4B is the designation** for sovereign citizens who have been pre-cleared for QFS wallet activation.

• **The pre-clearance is based** on birthright value — derived from your birth certificate bond, your lifetime tax contributions, and the interest stolen from you since 1971.

• **Tier 4B holders are first in line.** Then Tier 4A. Then the general public.

HOW WILL YOU KNOW?

• **The notification will not come through your bank**, government, nor

through the media. It will come through a secure channel that only you can access. If you have not received yours, you are not yet in the window.

• **Because your appointment must be held confidential**, because you will be signing a strict NDA that if broken could freeze your account, because you are dealing with a large amount of money and for your own protection, do not contact your bank, customer service, speak to the media, friends, nor anyone else about your appointment.

WHAT HAPPENS NEXT?

• **You will be directed to a redemption center.** Not a bank. A military installation operating under sovereign authority.

• **You will present your sovereign identity** — not your Social Security number, credit score, or debt history, but your thumbprint,do an eye scan and recording of your voice.

• **You will receive your QFS wallet** (formerly known as a bank account). Your birthright value will be pre-loaded. Your debt will be nullified.

THE REBOOT IS AUTOMATED.

I. Wikileaks Truth on Telegram Fri. 30 Oct. 2026

AFTER SUN. 1 NOV. 2026 THE GENERAL PUBLIC ENTERS NEARBY REDEMPTION CENTERS FOR PERSONAL QFS WALLETS FORMERLY KNOWN AS BANK ACCOUNTS.

TIER 4B (US THE INTERNET GROUP) IS THE DESIGNATION FOR SOVEREIGN CITIZENS WHO HOLD FOREIGN CURRENCY OR ZIM BONDS WHO HAVE BEEN PRE-CLEARED FOR QFS WALLET ACTIVATION.

THE PRE-CLEARANCE IS BASED ON BIRTHRIGHT VALUE — DERIVED FROM YOUR BIRTH CERTIFICATE BOND, YOUR LIFETIME TAX CONTRIBUTIONS, AND THE INTEREST STOLEN FROM YOU SINCE 1971.

THE TIER 4B NOTIFICATIONS TO EXCHANGE CURRENCY OR REDEEM BONDS WILL NOT COME THROUGH AS EMAILS, TEXT MESSAGES OR PHONE CALLS. TIER4B WILL BE NOTIFIED THROUGH QUANTUM-ENCRYPTION AND BIOMETRIC-VERIFICATION.

TIER4B NOTIFICATION WILL BE DELIVERED THROUGH CHANNELS THAT DO NOT EXIST ON THE PUBLIC INTERNET. IF YOU HAVE NOT RECEIVED YOURS, YOU ARE NOT YET IN THE WINDOW.

J. URGENT! YOUR BIOMETRIC VERIFICATION IS THE KEY, HERE IS WHAT HAPPENS WHEN YOU SIT DOWN …Charlie Ward Insider on Telegram **Fri. 30 Oct. 2026**

At 04:15 EST, a Tier 4B participant who completed their appointment last night sent me a detailed account of what happens inside the redemption center.

WHAT HAPPENS WHEN YOU SIT DOWN:

1. BIOMETRIC SCAN: You will say your full name and appointment number. They will ask for your thumbprint and voice sample, plus do a retinal scan. This is the system confirming that you are you through your biometrics.

2. QFS WALLET ACTIVATION; Your biometrics are linked to your QFS wallet and activation is instant - the moment your biometrics are confirmed. Your biometrics are the password to your wallet (formerly called bank account).

3. SOVEREIGN FUND DASHBOARD: You will be shown a screen where there is a number which is your money allocation. You will not be asked to invest, nor sign anything but an NDA.
4. QUANTUM MOBILE DEVICE: You will be given a device that connects you to your wallet and shown how to use it. You will be told not to lose it, share it, nor let anyone else even touch it.

For years, people have been told that the system is complicated. That it requires lawyers, accountants and people with connections. It requires none of that. It requires your thumb, eye, voice and presence.

K. YOUR FIRST 72 HOURS AFTER THE APPOINTMENT, WHAT TO DO AND WHAT NOT TO DO …Edward Snowden on Telegram **Fri. 30 Oct. 2026**

A Tier 4B participant who completed their appointment three days ago has shared what happened after they walked out the door. Evidently what you do in the first 72 hours will determine everything that comes after.

THE FIRST 24 HOURS:

1. DO NOT TELL ANYONE

• **Not your family.** Not your friends. Not your neighbor. Not your social media. No one.

• **The NDA you signed** is not a suggestion. It is a binding agreement. If you break it, your account will be frozen. Not because the system is punishing you. Because the system is protecting you

• **The people who need to know will know.** The people who do not need to know will not. That is how it works

2. DO NOT SPEND ANYTHING

• **Your funds are live.** Your wallet is active. Your device is connected. But do not spend a single unit for the first 24 hours

• **The system is watching** how you handle your first day. Not to judge you. To confirm that you are ready for what comes next

• **The people who spend immediately** are the people who are not prepared. The people who wait are the people who are ready

3. DO NOT LOG IN MORE THAN TWICE

• **Your device will allow you to check** your balance. Do not check it more than twice in the first 24 hours

• **Every login is logged.** Every login is monitored. Not to spy on you. To protect you

• **If you check your balance every hour,** the system will flag your account as "anxious." Anxious accounts are reviewed manually. Manual reviews take time. You do not want that.

THE FIRST 48 HOURS:

1. SET UP YOUR ACCOUNTS

• **You will need at least three accounts.** One for daily spending. One for projects. One for savings

• **The system will guide you through this**. It will not do it for you. You are the one who signs. You are the one who decides

• **Do not put all your funds in one account**. Do not put all your funds in one bank. Diversify. Protect yourself

2. CONTACT YOUR ADVISOR

• **You will be assigned an advisor.** Not a banker. Not a broker. An advisor. They will help you structure your funds and plan your projects

• **They will not charge you.** They will not sell you anything. They are paid by the system, not by you

• **If you do not hear** from them within 48 hours, contact the secure line. They will connect you

3. START YOUR PROJECT

• **You do not need to build** a hospital on day one. You do not need to fund a village on day two. But you need to start

• **Write down your first step.** Your first call. Your first meeting. The system is not looking for perfection. It is looking for movement

• **People who start small** are the people who build big. People who wait for the perfect moment never start

THE FIRST 72 HOURS:

1. DO NOT MAKE ANY LARGE PURCHASES

• **No houses.** No cars. No boats. No planes. Not yet

• **The system will flag large purchases in the first 72 hours.** Not because they are illegal. Because they are premature

• **Wait. There is no rush.** The money is not going anywhere. You have time

2. DO NOT QUIT YOUR JOB

• **Not yet. Not in the first 72 hours**. Not until your project is funded and your accounts are stable

• **The system does not reward** impulsiveness. It rewards patience

• **When the time is right**, you will know. Until then, keep your routine. Keep your stability. Keep your calm

3. DO NOT FORGET WHY YOU ARE HERE

• **You are not here to get rich.** You are here to restore what was stolen. To rebuild what was broken. To help the people who have been waiting for you

• **The funds are a tool.** The project is the purpose. Do not confuse the two.

L. CRITICAL: THE FIRST 30 DAYS AFTER REDEMPTION, HERE IS EXACTLY WHAT THE SYSTEM EXPECTS FROM YOU …Charlie Ward Insider on Telegram **Fri. 30 Oct. 2026**

WHAT THE SYSTEM EXPECTS IN THE FIRST 30 DAYS:

1. MOVEMENT

• **The system expects you to move.** Not spend. Move. Start your project. Make your first call. Book your first meeting

• **It does not expect perfection or results**. It expects action. If you sit on your funds for 30 days, your account will be flagged

• **It does not expect you to spend everything.** It expects you to do something. Anything. A single step is enough

2. DOCUMENTATION

• **The system expects you to document every transaction**. Not for the tax man. For yourself. For the system. For the record

• **Every purchase over a certain amount will be logged.** Every transfer will be tracked. Every project expense will be reviewed

• **If you cannot explain where the money went,** the system will ask. If you cannot answer, the system will freeze. Not forever. Until you can

3. COMMUNICATION

• **The system expects you to check in.** Not every day. Every week. With your advisor. With the center. With the compliance office

• **They will not chase or call you.** They will wait for you to call them. If you do not call, they will assume you are not ready

• **If you are not ready, your account will be paused**. Not closed. Paused. Until you are ready

WHAT YOU SHOULD DO IN THE FIRST 30 DAYS:

• **Start something. Anything.** A project. A business. A foundation. A single act of restoration

• **Document everything.** Receipts. Contracts. Emails. Everything

• **Call your advisor once a week**. Even if you have nothing to report. Just check in.

The first 30 days are a test of how you will spend your funds and the system is watching.

I told you Tier 4B liquidity was positioning, and now the ledger is officially moving under my coordinates. Here is what I am seeing on the back end right now:

* **Mortgages & Debt ledgers:** Permanently detached from the central banking grid. The zero-out sequence is running.

* **The SWIFT protocol:** Completely bypassed. The digital ghost town has no path back to reality.

* **Your Quantum Vaults:** Fully calibrated. The new asset-backed valuation is ready to populate your screens.

N. BEHIND CLOSED DOORS, THE POWER STRUGGLE HAS BEGUN

…Charlie Ward and Friends on Telegram **Fri. 30 Oct. 2026**

A top contact within the European banking alliance told me what I feared but expected: Several EU finance ministers have been "requested to resign" after private meetings in Brussels.

That same night, gold reserves were quietly moved from Belgium to a secure vault in Eastern Europe, under U.S. protection.

There's no other explanation: compliance with QFS has split global leadership in two. We are watching in real time as:

• **Nation-states** surrender their central bank influence

• **Digital fiat** is reclassified as obsolete debt marker

• **Dozens of political resignations** are being negotiated behind cameras

It is not a peaceful surrender, but it is an inevitable one.

P. Exposing the Elites: UK Royals – King "Tampax Charlie" Owning Disney World, Sinister Underground Tunnels, Mossad HQ Destruction, Child Trafficking, and Global Domination! …The White House on Telegram **Fri. 30 Oct. 2026**

Everything you thought you knew is a lie! Disney World is hiding dark secrets, UK Royals control more than you think, and the Rothschild empire is crumbling. Child trafficking, military cover-ups, global corruption — the truth is breaking wide open. The world is about to face a reckoning! The Hidden Realities of Disney World, The Royals, and Global Control

In a world of deception, what if the places you consider innocent—like Disney World—are actually fronts for sinister operations? What if those we call the "elites" are just puppets, with real power hidden elsewhere? The veil is lifting, exposing a web of control, and global manipulation. Disney World's Dark Secrets: Royals and Tunnels

Did you know King Charles has ties to Disney World? This is no mere coincidence. Below the surface, rumors of deep underground military bases (DUMB) within Disney World have existed for years. A tunnel network is said to run beneath the park, allegedly linked to human trafficking! Thousands of children go missing from theme parks annually, and some believe they are funneled through these tunnels.

Storms and Military Movements: Not Just Weather There's been a surge in military activity over the U.S. Skies. Planes with the call sign "King" hint at connections between the UK Royals and globalist operations. Why so much military action? What are they preparing for? These storms may be more than natural. Could they be covering up a deliberate plan?

Rothschilds and Global Control The Rothschild family, known for controlling the world's financial systems, is tied into this tangled web. They control intelligence services globally, from Mossad to the CIA. With the destruction of Mossad HQ and the deaths of key Rothschild figures, we're seeing the collapse of their empire.

The Storm Is Here: The Final Reckoning The world is waking up. The elites are falling, their child trafficking rings, financial corruption, and military cover-ups are all being exposed. Disney World, once a symbol of innocence, is at the heart of these revelations. The UK Royals and the Rothschilds are part of a global empire that's crumbling. The storm is upon us.

ROCKEFELLER TURNED AMERICA INTO A MEDICAL PRISON — POISON FOR PROFIT! …The White House on Telegram **Fri. 30 Oct. 2026**

John D. Rockefeller, the ruthless oil tycoon, didn't stop at Standard Oil. He saw a bigger goldmine: turning petroleum waste into "medicine." He bankrolled the infamous Flexner Report that deliberately SHUT DOWN and BANNED every natural, holistic medical school in the country. Real cures? GONE. Herbs, homeopathy, chiropractic — all labeled "quackery" and outlawed.Why? So he could flood the nation with synthetic, petroleum-based drugs that treat symptoms but NEVER heal — keeping you sick, dependent, and paying for life. This is why "modern Western medicine" is nothing but TOXINS designed for profit, not people. Early death and lifelong injuries built into the business model. R. The CLINTONS & the VICTIMS you never heard about. …The White House on Telegram **Fri. 30 Oct. 2026**

A hidden pregnancy with Bill, compromising photos leading to murder, a body without a head, and 2 kids who found a massive amount of drugs at a CIA drug trafficking drop point. Of course they were all ruled as accidental deaths and suicides. But were they?

- 1977 Susan Coleman: An alleged pregnancy with Bill Clinton while he was the Attorney General of Arkansas that resulted in a shot to the back of the head, ruled a suic*de.

- 1986 Judi Gibbs: Allegedly had compromising pictures of her and then Governor of Arkansas, Bill Clinton, who then died in a mysterious house fire. Allegedly she was being prostituted by her husband to Bill to gain political favors when at the same time they were taking pictures to compromise him and many other important elite government officials.

- 1987 James Dewey Milam: A witness to the Arkansas Mena Airport Clinton and CIA drug trafficking operation. His body was found without a head. Clinton had the doctor on payroll who claimed that a dog ate the head. Later the head was found and then ruled a homicide.

- 1986 Don Henry & Kevin Ives: These kids were found dead laying on railroad tracks. They tried to pass it off that the kids smoked 20 marijuana cigarettes/joints, passed out and got hit by a train. That doctor was paid off as well. The truth is that the kids found a drug trafficking drop from the CIA in connection to the Clintons and the Mena airport in Arkansas. Their bodies were exhumed and a private autopsy was done and concluded that they were murdered by blunt force to the head and being stabbed before the train had anything to do with it. They were murdered.

These are just some of the 100+ victims you never hear about that the Clinton's are allegedly connected to. There are no coincidences.

S. Golden Redemption: The Birth of the USN US Note Backed by QFS Gold-Backed Digital Currency …Charlie Ward and Friends on Telegram **Fri. 30 Oct. 2026**

The collapse of the fiat system has been building for a long time. Fiat money has no intrinsic value, yet it became the global standard in the 20th century. That let governments and central banks print money freely, unbound from the real value of precious metals. The result was inflation, economic bubbles, and repeated financial crises. The 2008 crisis—fueled by reckless lending and weak oversight—exposed the fiat system's vulnerabilities. Governments responded by printing even more money, further eroding currency value and deepening the crisis of confidence.

After 2008, digital currencies like Bitcoin emerged as a decentralized alternative outside central bank and government control. But they had problems too: high volatility, no intrinsic value, and ties to illegal activity. That limited their ability to replace the flawed systems they sought to disrupt.

Enter the USN US Note—a currency meant to bridge traditional asset

stability and digital finance innovation. As the sun rises and casts its golden light across the land, the USN US Note emerges like a phoenix from the ashes of a broken financial system. It is more than a means of exchange. It is a symbol of financial redemption and a return to money backed by real value: gold. Backed by the Quantum Financial System (QFS) and the undeniable value of gold, the USN US Note stands as a beacon of hope against generations of economic despair and deceit.

For too long, our financial systems have been mired in manipulation, deceit, and instability. The fiat system, lacking intrinsic value, has led us toward endless debt and economic uncertainty. Central banks, with unchecked power, have manipulated markets, eroded savings, and fostered financial inequality. The USN US Note is a bold departure from that flawed past.

At its core is the QFS—a revolutionary financial network using quantum computing technology to ensure high security, transparency, and efficiency. Unlike traditional systems vulnerable to hacking, fraud, and manipulation, the QFS is virtually impenetrable. Every transaction is secure, transparent, and immutable, restoring trust in the financial system.

The cornerstone is gold backing. Each note is backed by a specific amount of gold, giving it intrinsic value and protection against inflation. It embodies a time-honored principle: money should be grounded in real, tangible assets. By merging gold-backed stability with digital efficiency and transparency, the USN US Note addresses the shortcomings of both fiat and digital currencies.

This is not just a financial instrument but a revolution in how we perceive and interact with money. Underpinned by the QFS, the USN US Note is set to redefine the future of finance—offering stability, transparency, and true economic redemption. A new era in finance has dawned, bringing the promise of a stable and prosperous future.

T. The Quantum Internet, the reboot of human communication:…Charlie Ward Insider on Telegram **Fri. 30 Oct. 2026**

Operation Mockingbird is the old internet. The old internet is surveillance and control. The Quantum Internet is none of these things. On **Fri. 16 October 2026** the Quantum Internet went live. Sources in Quantum Starlink Command confirmed:

The Quantum Internet is an un-censorable, un-surveillable, un-shut-down decentralized quantum encrypted communications network. Protected by secret space programs beyond the Cabal's reach, it is backed by Starlink's quantum command, Prometheus.

The old internet (Microsoft, Google, Meta, Amazon) is being shut down. The data centers are being taken. The servers will be closed down. The algorithms will be taken away. Operation Mockingbird is dead. The CIA's media infiltration network is dead. Mossad's media satellite is dead.

What takes it's place is one news channel. Single source of truth. No spinning. No censoring. No propaganda.

Broadcasting will be done over Quantum Internet. The tribunals will be webcast live. The verdicts will be announced.

The old media is history. The new media is upon us.

W. THE GAIN-OF-FUNCTION DOCUMENTS ARE NO LONGER CLASSIFIED.

…Charlie Ward Insider on Telegram **Fri. 30 Oct. 2026**

For years, they told you the lab-leak theory was a conspiracy. They told you gain-of-function research was "necessary." They told you the funding trails were a coincidence. They lied.

The documents were recovered from a server farm in Maryland three days ago. They are now in the hands of the tribunals. And what they contain is not a scientific disagreement. It is a confession.

• **The documents show the exact modifications** that were made to the virus. Not naturally occurring. Not from a wet market. Engineered.

• **The funding trails run through three institutions** — two in the US, one in Europe — and end at the same banking network that controls the BIS.

• **The "vaccine" was not designed to stop the virus.** It was designed to create a permanent subscription model for human health. Boosters. Passports. Compliance. Forever.

• **The people who ordered the silence are named** in the documents. Not scientists. Bankers. The same bankers who ran the Federal Reserve and the City of London.

They told you to trust the science. The science was never the point. The control was. The documents are no longer classified. The tribunals have them.

X. TRUMP JUST REPOSTED JFK'S MOST TERRIFYING SPEECH — AND THE DEEP STATE IS PANICKING …Edward Snowden on Telegram **Fri. 30 Oct. 2026**

In 1961 JFK saw it coming. And now, Trump has just made sure 300 million Americans see it, too.

The speech everyone's talking about: Kennedy's address to the American Newspaper Publishers Association, April 27, 1961. The CIA had just botched the Bay of Pigs. Kennedy was livid. He'd been lied to by his own intelligence apparatus. And he walked onto that stage and said something no president has dared say since.

"We are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence — on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice."

This was the sitting President of the United States, on live television, telling the American people that a shadow network of power — operating through intelligence agencies, media complicity, and institutional capture — was working against the republic itself.

And then he said the quiet part out loud: "Its preparations are concealed, not published. Its mistakes are buried, not headlined. Its dissenters are silenced, not praised. No expenditure is questioned, no rumor is printed, no secret is revealed."

Sound familiar? Sixty-five years later, Trump drops this video on Truth Social. No commentary needed. The speech does all the work. And within hours, the same media outlets that spent four years calling Trump a conspiracy theorist are suddenly very quiet.

Here's what they don't want you to connect:

- Kennedy was assassinated 2.5 years after this speech

- The Warren Commission was a joke — even the House Select Committee on Assassinations in 1979 concluded Kennedy was "probably assassinated as a result

of a conspiracy”

- The files are STILL classified

- Trump has been pushing to release them, but the permanent national security state refuses, instead slow-walking the order

The timing isn’t random. This isn’t just history. JFK described a permanent national security state that has only grown more entrenched — one that operates beyond elections, beyond accountability, beyond the reach of voters.

Kennedy called it “a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific, and political operations.”

That machine didn’t disappear when he died. It got even stronger.

Trump re-posting this isn’t nostalgia. It’s a signal. The same forces JFK warned about are the same forces that tried to destroy Trump — Russiagate, two impeachments, lawfare, media blackout, assassination attempts. The playbook hasn’t changed. Only the names.

And now the sitting president just reminded the country who the real enemy has always been.

Y. THE HACKER KNOWN AS 4CHAN EXPLAINS THE REAL REASON FOR THE WAR AGAINST IRAN !…John F. Kennedy Jr. on Telegram **Fri. 30 Oct. 2026**

"The war with Iran isn’t what you think. Iran is the primary source of uncovered liquidity for the shadow banking system. London is the hub; Tehran is the offshore battery.

The IRGC’s (IRGC) energy credits are traded for vostro credits in mid-sized Omani banks. These credits are bundled into synthetic bonds backed by collateral. They hit London’s repo desks as high-quality collateral to secure short-term loans.

Without this 24/7 influx of energy-backed ‘dark’ paper, the City of London’s leverage ratios would collapse. The 2026 war against Iran rests on two factions of the global elite clashing. Their fight has moved from boardrooms to kinetic events, which we can also see in other seemingly unrelated ‘accidents,’ in the form of private transport crashes and security breaches among world leaders.

Faction A: The old money central bankers, they aim to keep the Iran loop open at all costs. They know the Western debt-to-GDP ratio is terminal. They use parallel trade to suppress domestic inflation and keep the repo market from seizing up. For them, a nuclear deal is just a legal patch to keep the ‘detergent’ flowing.

Faction B: The Silicon Valley neo-feudalists, they aim for kinetic escalation and regime change. They want to force a global default and a ‘Great Reset’ to shift everyone onto a fully traced CBDC ledger. They’re attacking the Iran loop because it’s untraced and gives old money a way to survive without their tech.

There’s no blockade—it’s a monopoly. Sanctions aren’t walls; they’re tolls. They create a compliance tax that ensures only the top 5 banks can handle the volume. Seizing Iran’s central bank is first and foremost about wiping out the last off-network gold reserves.

If the Iran loop breaks, London will face a 30% liquidity haircut in under 48 hours, visible through a shift in the gold-to-oil ratio. Escalation will likely involve cutting undersea cables.The system is cannibalizing its own infrastructure to stay alive."

Z. PERVYWOOD 1: THOSE WHO YELL THE LOUDEST…John F. Kennedy Jr. on Telegram **Fri. 30 Oct. 2026**

In the autumn of 2026, as sealed indictments and military tribunals continue to peel back layers of the Hollywood-Washington nexus, the long-suppressed Pervywood disclosures have surged again through independent channels.

The opening installment, Those Who Yell the Loudest, centers on three figures whose public rage against President Trump has never matched the darkness of their private records: Robert De Niro, Kathy Griffin, and Howard Stern.

All three spent years amplifying Trump Derangement Syndrome across mainstream platforms, yet each carried documented ties to the same elite networks now under scrutiny for child exploitation and ritual abuse. The pattern is consistent. Those who shout the loudest about protecting children or defending democracy often prove to be the ones with the most to conceal.

Howard Stern's on-air history includes explicit statements expressing sexual interest in the Olsen twins when they were twelve and thirteen years old. Those remarks, long dismissed as shock-jock humor, resurfaced in late 2026 alongside renewed Epstein file reviews that place Stern in overlapping social circles with figures already linked to underage trafficking.

The same month, archival material concerning Robert De Niro's father, Robert De Niro Sr., detailed his alleged assumption of Roman Polanski's operational role in a California child-sex network after Polanski's 1977 flight from justice. De Niro Jr.'s subsequent Hollywood career and outspoken anti-Trump activism have been read by researchers as continuity rather than coincidence.

Kathy Griffin's path is traced further back through Gloria Vanderbilt, described in the disclosures as a high-ranking satanic priestess who sacrificed her eldest child and directed the gender transformation of her son Carter Cooper into the public persona known as Kathy Griffin. The sequence of events surrounding Cooper's death and Griffin's rapid rise in entertainment circles continues to draw attention from investigators examining elite bloodline practices.

These three cases illustrate a broader mechanism documented across the Pervywood series: Hollywood and certain Washington circles function as interlocking recruitment and blackmail systems. Public moralizing against Trump, against border security, and against any challenge to the entertainment-industrial complex served as camouflage while the underlying trafficking and ritual infrastructure remained intact.

With November 2026 midterms approaching and congressional access to un-redacted Epstein materials already in place, the same names that once dominated late-night monologues now appear in sealed-indictment discussions. The disclosures do not treat the behavior as isolated celebrity excess. They present it as a deliberate feature of the networks that controlled media, finance, and intelligence for decades.

Observers tracking the military tribunals note that the loudest historical opponents of accountability frequently appear in the same evidentiary chains. Stern's radio empire, De Niro's film career, and Griffin's stand-up platform all operated under the protection of the same gatekeepers now facing exposure.

As White Hat operations move from the preparation phase into public prosecutions, the old tactic of deflection through Trump-focused outrage has lost its utility. The records remain. The timelines align. And the children who passed through

those networks remain the central, unresolved fact that no volume of celebrity noise has ever erased.

Za. PERVYWOOD 2: STRANGE DARK SECRETS …John F. Kennedy Jr. on Telegram **Fri. 30 Oct. 2026**

What do Steven Spielberg, Michelle Obama, Bill Gates, and Melinda Gates have in common? For starters, they all have some strange dark things to hide. This forms the core of the explosive Pervywood series Part 2, which continues to expose the nefarious underbelly of Hollywood and its deep ties to Washington D.C. and elite networks.

As autumn 2026 unfolds with ongoing disclosures and the approach of the November midterms, the patterns of control, deception, and hidden agendas become clearer than ever.

The revelations highlight how Hollywood stars are often enslaved by the Deep State, used as propaganda tools to deceive the masses while shielding darker operations. Spielberg's connections to powerful figures, Michelle Obama's role in the political-entertainment complex, and the Gates family's influence through philanthropy and tech raise pointed questions about ritualistic practices, child exploitation networks, and the suppression of truth.

Terms like spirit cooking, Adrenochrome, Pizza-gate, and human hunting appear in the broader context of these investigations, pointing to a web of satanism and trafficking that links entertainment elites to global power structures.

In the current climate of White Hat operations, military tribunals, and the push for full transparency under the restored authority of President Trump, these strange dark secrets are no longer confined to the shadows.

The series underscores the intentional hiding of Hollywood's crimes from the public, connecting them to religious organizations and political dynasties. Every exposed element brings the mission of Save Our Children closer to reality, as sealed indictments and declassification continue to unravel the cabal's grip. The patterns from NXIVM to Wayfair, from red shoes to snuff films, form a consistent thread of elite predation that the public is finally confronting in full.

As the November 2026 midterms approach and the structural reset accelerates, the Pervywood revelations serve as a reminder that the entertainment industry has long been a front for control and abuse.

The Deep State's use of celebrities for mass deception is meeting its match in the storm of truth. The cabal's grip weakens daily as more is brought into the light. Nothing can stop what is coming. WWG1WGA.

Zb. THE DOCKET HAS BEEN SEALED. THE JUDGES HAVE BEEN SWORN …Charlie Ward Insider on Telegram **Fri. 30 Oct. 2026**

Thurs. 29 Oct. 2026 evening at 23:00 EST, seven military judges were sworn in at an undisclosed location. No press. No cameras. No photos. Just the oath, the seal, and the docket. The docket contains 1,000 names. The first 10 have been scheduled for tribunals.

Here is what the tribunals are not telling you:

• **The judges are combat veterans.** Men and women who have seen what the Cabal does to children in war zones and who have waited decades for this moment.

• **The docket is organized by bloodline.** The first 10 names are the ones who created the system. The rest are the ones who ran it.

• **The verdicts were written years ago.** The tribunals are not deciding guilt. They are delivering it.

• **The executions will not be public, but the verdicts will be**. The EBS will broadcast every name, every charge, every sentence.

They spent decades building a system of impunity. They thought they were untouchable. They were wrong.

Zc. Every person injured by the "vaccine" needs to see this: Dr. Peter McCullough's recovery perspectives. "If you don't address the spike protein, it's not going to improve"… Shadow of Ezra on Telgram **Fri. 30 Oct. 2026**

Dr. McCullough recommends three key substances for those seeking recovery after the injections:

1.) Nattokinase Why? It degrades spike proteins, as suggested by preclinical studies. Take 2,000 units twice a day.

2.) Bromelain Why? Similar to nattokinase, it can also break down spike proteins. Take 500 milligrams once a day.

3.) Curcumin Why? It can help reduce inflammation and damage related to the spike protein. Take 500 milligrams twice a day and combine with 5–10 mg of piperine to improve absorption.

That sums up Dr. McCullough's "Base Spike Detoxification" protocol.

ADDITIONAL TREATMENTS

• **Hydroxychloroquine:** Added if there are signs of autoimmunity.

• **Ivermectin:** Included if there are signs of persistent infection.

• **Colchicine:** Used if there are significant signs of pleuropericardial problems involving the membranes around the heart and lungs.

• **Nicotine patches or oral acyclovir:** Considered if there are neurological symptoms like brain fog.

• **Low-dose naltrexone:** Used to boost the body's natural response to relieve pain and reduce inflammation.

Zd. EPSTEIN ISLAND WAS CHILD'S PLAY …The Final Red Pill on Telegram **Fri. 30 Oct. 2026**

Israel runs the world's only military prison system built for children. Not adults. Children. The only nation on earth that systematically drags kids as young as twelve into military courts that operate like a factory line of conviction.

The numbers are not hidden. Military court annual reports put the conviction rate at 99.74 percent. Hearings last sixty seconds. Judges convict without looking up. Children shuffle through courtyards in handcuffs and shackles while mothers wait outside walls the army refuses to open. One boy shouted the name of his prison so his mother would know where they were taking him. Stone-throwing draws three months. The process does not require warrants, evidence, or a parent in the room. Confessions come after night raids, blindfolds, and isolation.

UNICEF documented it years ago: threats of death, physical violence, solitary confinement, and sexual assault against the child or a family member. Widespread. Systematic. Institutionalized from the moment of arrest to sentencing. That report changed nothing. The machine kept running.

Recent figures show the scale has expanded. More than two thousand Palestinian children have been detained since October 2023. Hundreds remain inside now. In 2025 alone, prison service data showed 351 of 635 minors placed in solitary confinement. Ninety-two percent had not been sentenced. One hundred fifteen sat in administrative detention with no charges at all. Some children, including boys aged thirteen and fourteen, were isolated up to eight times. The outdoor cages stopped after public pressure during snowstorms. Solitary, night raids, and the conveyor belt did not.

This is not a series of bad apples or wartime excess. It is a standing military system that treats children as security problems to be processed, not people to be protected. The world watches Gaza while the same operation has run for decades in the West Bank. Military judges. Military prosecutors. Military rules. Zero independent oversight. The result is a child factory for the occupation that produces convictions at near-total rates and feeds the broader apparatus of control.

More data is surfacing. More testimonies are locked inside the same walls. The numbers keep climbing. The plan of total control keeps moving. The coming weeks will show whether the machine finally faces what it has always been.

Ze. In 1910, The Rockefeller Foundation, along with the Carnegie Foundation funded the Flexner Report. …Mr. Pool on Telegram **Fri. 30 Oct. 2026**

The goal was to shift all medical schools & all teaching hospitals away from natural traditional root cause medicine & shift towards petroleum based medications & allopathic medicine for profit.

During this time, therapies such as homeopathy, herbal medicine, essential oils, chiropractic & naturopathy were commonplace.

The 1910 Flexner report concluded that these natural healing modalities were “unscientific quackery.”

This report also concluded that there were too many medical schools as well as too many doctors in America & called for the standardization of medical education.

Of course, this was with underlying intentions being that the American Medical Association would be the only entity that could approve medical school licensure in America.

Rockefeller worked with Andrew Carnegie to provide funding for medical schools across the country. This was with the condition, of course, that they only taught allopathic medicine & they were offered grants of significant proportions in order to adhere to these conditions.

Through these grants, primarily fueled by Rockefeller’s petroleum monopoly, helped to systematically remove any mention of plant-based natural treatments along with teachings on nutrition & diet from medical education curricula.

Supported by Rockefeller’s influence on the media of the time, homeopathic & natural medicines were quickly discredited & demonized through targeted media campaigns.

Zg. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.
https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
