Judy Note: According to information in this Update found below:

"Our Military have discreetly installed hidden WATERMARKS on all legal/legitimate voting ballots for the past 10 years. This weeded out fake/counterfeit mail-in ballots and exposed corruption for the final takedown. Rigged election results were just a cover for the "Sting Operation" and Time's Up! Treason is a Federal crime and punishable by death." …Trump Office on Telegram **Mon. 9 Nov. 2026**

This was a ten year investigation of voter fraud overseen by the Q Movement. It was Trump's Global Military Alliance's final takedown of the Shadow Government, better known as the Deep State, or Cabal. They had the evidence to convict hundreds, perhaps thousands, of traitor Democrats and those loyal to the Deep State. This week they were about to use it. Voter fraud was a felony that carried a punishment of death.

The Q Movement was originally organized by Patriot Generals at the Pentagon upon the assassination of President Lincoln, and gained strength after the assassination of President Kennedy. Both US Presidents were trying to destroy the Satan Worshiping Deep State Global Elite's control over the Global Financial System. The goal was to give Taxpayer monies back for use of The People.

In 1871 the independently owned by Cabal Global Financial System turned the American Republic into US Inc. Corrupt politicians had secretly pushed

through the District of Columbia Organic Act that stripped our sovereignty and turned living souls into corporate fiction.

By 1933 this Deep State Cabal had stolen the nation's gold, declared bankruptcy, and forced fiat funny money on us — backed by NOTHING but lies.

On March 21, 2026 President Donald J. Trump began The Peoples journey to Freedom by secretly, but officially, announcing the restoration of the United States American Republic under authority of Article II of the U.S. Constitution.

A late 2026 decision the Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

On Sat. 7 Nov. 2026 Trump's Global Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the World's wealth into the new asset-backed Quantum Financial System (QFS) and declared a sovereign Debt Jubilee across 209 nations.

Also on Sat. 7 Nov. 2026, and with the era of fiat monopolies and illegitimate credential harvesting expiring, the Global Military Alliance ordered an immediate liquidation of the corrupt Federal Reserve, then routed the wealth through the secure gold and asset-backed Quantum Financial System (QFS).

By Sun. 8 Nov. 2026 Trump's Global Military Alliances' confiscation of bankrupt corporate assets had spread overnight to credit mainframes in Madrid, Zurich and other countries, which then lite up the global financial grid in red.

On Mon. 9 Nov. 2026 at exactly 12:00:01 am UTC, the SWIFT Global Financial System was permanently terminated, while the gold/asset-backed currency BRICS System Alliance of 209 nations activated the final sequence of a Global transition to a new and better World.

Also as of Mon. 9 Nov. 2026, the corrupt corporate entity known as US Inc, created to enslave Americans with debt and endless conflicts of war against other nations, was now defunct, ending its foreign control over American Taxpayer monies.

SWIFT had acted as the backbone of international banking since 1973, while functioning as a political lever to isolate, sanction and economically freeze finances of nations which didn't align with the New World Order Agenda.

The Mon. 9 Nov. 2026 GCR empowered President Trump's Global Military Alliance White Hats, along with Space Force, to be in full control and protect The People during the World's transition to Freedom.

Trump's Global Military Alliance would protect The People during ten days of communication darkness and overlook selected regional lockdown across the World during mass arrests of these Satan Worshiping treasonous Global Elites.

An Emergency Broadcast System override of Worldwide communications was imminent for ten days of broadcasting eight hour documentaries 24/7 that exposed crimes of the Satan worshiping Global Elites who have illegally controlled the Global Financial System and governments across the World for centuries.

During ten days of communication darkness, the newly launched 10,413 Starlink Satellite System would secure communication Worldwide, while Tesla free energy replaced nuclear and oil energy lies for all peoples of the World.

The 47 nations that had previously migrated to BRICS continue operations uninterrupted, while institutions reliant on legacy SWIFT pipelines remain completely stranded. Global cross-border bank settlements now execute exclusively across the new gold/asset-backed Quantum Financial System ledger—delivering real-time, fee-free transactions without intermediary banking charges.

Terminating SWIFT has dismantled the old financial lever used to police international capital for five decades.

With the Quantum speed of the 10,413 Starlink Satellite System, every node on earth was now reachable within 11 milliseconds.

A document called The Sovereign Monetary Accord had been signed by 189 nations – a binding treaty that striped the International Monetary Fund of its power. The IMF was replaced with a one-nation, one-vote system under the newly installed and sovereign Quantum Financial System (QFS).

In other words, on Mon. 9 Nov. 2026 fiat currency ended when the Gold-backed QFS took over as the sole issuer of monies across the World. The 113 year old fiat currency Banking Cartel had lost it's access to the World's wealth.

For America, this Global Currency Reset (GCR) meant complete erasure of the national debt. For Peoples of the World and with the release of Tesla Free Energy that the GCR provided, it was the end of energy dependence.

For all, the Mon. 9 Nov. 2026 GCR activation meant the end of debt slavery, restoration of monetary sovereignty, beginning of financial freedom and banks that would no longer be banks.

Even if a bank survived activation of the Global Currency Reset because it had enough gold and resources to back it's money, it's function would still be different. It would not be a bank in the regular sense, it would be a QFS node with it's same name that serviced you, not controlled, nor used your money.

After the Ten Days of exposure about corruption and treason of Satan Worshiping Deep State Global Elites, the World would never be the same.

We will be experiencing a new Sovereign Republic, new and better Economy, new and Sovereign Legal System under Common Law, new and better Health and new and more honest Education Systems.

D. Possible Timing:

In 1871 the independently owned by Cabal Global Financial System turned the American Republic into the privately owned corporation, US Inc.

By 1933 this Deep State Cabal had stolen all of the nation's financial assets including it's borrowed gold and was forced to declare bankruptcy.

By 2008 although they still collected all US Taxpayer monies, they couldn't even pay interest on gold they borrowed from the Chinese Elders to set up the US financial system. They began to print and spend a fiat US Dollar backed by nothing.

On March 21, 2026 President Donald J. Trump secretly announced the restoration of the United States American Republic under authority of Article II of the U.S. Constitution.

A late 2026 decision the Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

F. Global Currency Reset:

Judy Note: They have said we will be notified to set our currency exchange appointments by a secure website. Many readers have asked me what that was. Truthfully, I don't have a clue. I'm sure they've worked out how to safely contact us, but I don't know how, where or when. There are many fraudsters out there who are hitting on Us, the Internet Group. I would caution you to not give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

It's common reasoning to figure out that with the SWIFT System going down and GCR activating on Monday 9 Nov, with certain Tier currency and Zim Holders being paid out since last week, that we in Tier4b (us, the Internet Group) should be notified to set foreign currency exchange and Bond redemption appointments at any time. That's just my humble opinion and I'm quite humble some times. Judy

The paperwork is done. The signatures are sealed. GESARA is not some future plan - it's live.

The Debt Jubilee has been executed - zero balances worldwide on mortages, credit cards, student loans. Illegitimate taxes, erased.

Last week paymasters were told to get into position by this past weekend at their banking Redemption Centers across the Globe.

They were told to pack two weeks of clothes, indicating this and next week for the shotgun start.

Both the US Treasury and bankers told paymasters that this was it and there was no going back. The paymasters said they had never before been told that.

According to our Military Intel Contact, the Department of Defense and US Treasury gave the green light to move the release process forward.

Many Bankers were expecting the Tier4b notifications and secure links for 800 numbers to come out within the next 24 hours.

US Redemption Centers were ready for Tier4b currency holders right now through the end of this week.

Reports were coming in from three new corridors, not Zurich or Reno, that have never been publicly named.

• **A third-batch ZIM group** was moved under escort at 02:15

• **Iraqi Dinar pre-clearance entered** "Sovereign Handling — Final"

• **Vietnamese Dong** holders received silent flags in two regional conduits

• **A Tier 2 European bank** went into "isolated mode" without notice

The old system is being replaced. The rails are already built. The trains are already moving. The passengers are being boarded ONE CORRIDOR AT A TIME.

I. CONFIRMED: THE FIRST MAJOR BANK HAS OFFICIALLY MIGRATED ALL ACCOUNTS TO THE QFS. HERE IS EXACTLY WHAT HAPPENED OVERNIGHT …Christian B. Wallace Tier4b ISO20022 on Telegram **Mon. 9 Nov. 2026**

On Mon. 9 Nov. 2026at 05:47 EST a sovereign banking coordination office sent an internal migration confirmation through the encrypted channel. It said: "Tier 1 bank migration complete. 4.2 million accounts. Legacy layer archived. Zero customer notifications. Effective 04:00 UTC."

WHAT ACTUALLY HAPPENED:

1. THE MIGRATION

• **A Tier 1 bank - one of the largest in the world**, migrated every single account to the QFS overnight. 4.2 million accounts. Not a pilot. Not a test. A full migration

• **The migration happened between 02:00 and 04:00 UTC.** Two hours. The

bank did not close. The ATMs did not stop. The app did not crash. It migrated while the customers slept

• **The legacy layer, the old SWIFT-connected system** - was archived at 04:00 UTC. It still exists. It is just no longer connected to anything that matters

2. WHY THIS MATTERS

• **This is the first Tier 1 bank** to complete the migration. The others are watching. The others will follow. Not because they want to. Because the rails they were using are being removed

• **The customers were not notified.** That is not a failure of communication. It is a design choice. The system does not need to announce itself. It needs to work

• **The bank's internal settlement system is now connected** directly to the QFS. Every transaction the bank processes now clears through the quantum ledger. The old correspondent banking network is no longer in the loop

3. WHAT REPLACES IT

• **Every account in that bank now has a QFS layer.** The customer does not see it. The customer does not need to see it. The layer is there. It activates when the customer needs it

• **The bank is no longer a bank** in the traditional sense. It is a node. A QFS node with a familiar name on the door. The name is the same. The function is different

• **A single line appeared** on the coordination terminal at 04:17 UTC: "Migration complete. 4.2 million accounts. Zero incidents."

WHAT TO WATCH FOR:

• **A bank that suddenly cannot explain** why its wire transfers are faster

• **A bank app that updates** without a changelog

• **A customer service line** that says "we are experiencing higher than normal call volume" when nothing is wrong

For 80 years, banks were the gatekeepers of the financial system. This morning, one of them stopped being a gatekeeper and became a node. The others are watching.

K. THE SWIFT SYSTEM IS OFFICIALLY SHUT DOWN. THE LAST CROSS-BORDER WIRE IS DEAD. …Tier4b Nesara Gesara on Telegram **Mon. 9 Nov. 2026**

On Mon. 9 Nov. 2026 at 12:00:01 am UTC, SWIFT-the central backbone of international bank transfers since 1973-was permanently terminated.

November 9, 2026 marks the end of global financial policing. Legacy networks frame this dark period as a routine "messaging upgrade" or "scheduled decommission." Mainstream narrative obscures the actual event, but the final legacy wire cleared seconds prior, leaving the old network completely offline.

With no central bank press releases, no advance public advisories, the 53 year financial weapon was dead. For over half a century, SWIFT operated under the guise of neutral technical infrastructure, while functioning as a geopolitical lever to isolate, sanction, and economically freeze unaligned nations. They insisted the protocol was impartial, technical, and non-political. Yet central clearing mechanisms can be dismantled:

Collapse of Sanctions Enforcement: Enforcement mechanisms operating through SWIFT architecture are rendered void. Regulatory bodies no longer possess the global messaging layer needed to freeze assets or block nation-state capital flows.

BRICS Bridge Realignment: The 47 nations that previously migrated to the BRICS Bridge infrastructure continue operations uninterrupted, while institutions reliant on legacy SWIFT pipelines remain completely stranded.

Instant Quantum Settlement: Global cross-border settlements now execute exclusively across the quantum ledger—delivering real-time, fee-free transactions without intermediary banking charges.

Terminating SWIFT dismantles the financial lever used to police international capital for five decades. Cross-border legacy wires have ceased functioning entirely as the old network is permanently erased.

L. BLACKOUT WARNING — THE TEN DAYS OF DARKNESS. …The 17th Letter on Telegram **Mon. 9 Nov. 2026**

The warning has begun: The prophecy of the Ten Days of Darkness speaks of a World where communication networks shut down one after another. Broadcast towers fall silent. Media anchors disappear in the middle of sentences. Major networks go offline. It’s the controlled Blackout - the beginning of a new chapter for the World.

According to this narrative, emergency broadcast systems are prepared, while global communications transition toward Starlink and quantum encryption. The People, not the puppets, must control the flow of information.

This is not chaos. It is described as a correction — a barrier between reality and deception. The old networks of control are imagined falling away while the truth waits to be revealed.

BE PREPARED FOR QUIET, for confusion, for uncertainty. Your devices may become motionless. Channels may freeze. Power grids may flicker.

DO NOT BE AFRAID OF WHAT YOU CANNOT SEE. The light has never gone out. It is merely hidden behind the darkness. Those who remain calm, aware, and compassionate will help others through whatever lies ahead.

The Blackout does not mean the end. It is the purification. It is the moment history starts over. Nothing will be the same when the screens come back to life. Silence is the first step toward the Age of Truth.

M. THE STARLINK QUANTUM TAKEOVER IS COMPLETE. 11 MILLISECONDS. EVERY NODE ON EARTH. THE GRID IS LOCKED.

On Fri. 6 Nov. 2026 at exactly 03:00 am EST the Starlink quantum mesh network was locked into full operational control of the global communication grid.

The tech networks are calling it a "network optimization." A "routing upgrade." A "service expansion." THEY ARE LYING TO YOU BECAUSE THE GRID IS NOT BEING OPTIMIZED. IT IS BEING SEIZED.

What they are hiding in total panic: At exactly 03:00 am EST last Friday, the 10,413 Starlink satellites - the constellation that was sold to the public as an internet service for rural areas - were switched from their public routing layer to the quantum mesh that has been under development for years.

Every node on earth is now reachable within 11 milliseconds. Not 11 seconds. 11 milliseconds. The architecture that was completed in Q4 2025 is now fully activated. No press conference. No FCC approval. No explanation.

THE PLANETARY COMMAND GRID IS LIVE. For decades, the Starlink constellation was sold as a commercial internet service. But beneath the public facade, it was always a dual-use architecture. The same satellites that provided internet to farmers and boats were also the backbone of the classified Starshield network - the military grid that was built to serve the kill chain. The public layer was the cover. The quantum layer was the weapon.

Here is what the Starlink quantum lock is actually triggering behind the scenes right now:

- **The Global Reach:** Every node on earth - every server, every device, every communication hub - is now reachable within 11 milliseconds. The old internet was built on fiber-optic cables that took 70-100 milliseconds to cross the Atlantic. The new grid is instantaneous. The distance has been erased.
- **The Censorship Nullification:** The old media networks that tried to block the signal - the corporate servers, the platform algorithms - cannot operate on the quantum mesh. They are not being shut down. They are being bypassed. The censorship that was built into the old internet is no longer possible.
- **The Broadcast Ready: The emergency broadcast system that was hijacked on October 27** is now fully integrated into the quantum mesh. The truth can be streamed to every screen on earth simultaneously, in 11 milliseconds. The infrastructure is not being prepared. It is already loaded.

You don't lock 10,413 satellites into a quantum mesh unless you are ready to shut down the old internet and broadcast the truth to every person on the planet at the same time.

They told you it was for internet. They called you crazy for questioning the constellation. They laughed when you said it was a weapon.

Look at the sky tonight. The satellites are still moving. But the grid they serve is not the same. The public layer is gone. The quantum layer is live. The old

internet is not being destroyed. It is being bypassed.

The grid was never for your phone. It was for the broadcast.

O. American converted to Islam and then realized the real plan was to bring down America from within …Q Clearance Room on Telegram **Mon. 9 Nov. 2026**

"**When I converted to Islam**, I was treated really well by the Muslims. And this is the honest truth. They showed me nothing but love and respect up until like a month in. And that was the first time I heard people talking about Islam is going to enter every household in America. And there's a plan, a 100 year plan.

So I started doing my own research. It got me to a book published in 1991 by the Muslim Brotherhood. And it says, 'The Ikhwan, which means the brothers, must understand that their work in America is a kind of ground jihad in eliminating and destroying the Western civilization from within' After I started reading more, I started understanding that Muslims are incredibly good people. Islam is a political ideology"

This is the truth, what he's talking about comes from a 1991 internal Muslim Brotherhood strategic document titled "An Explanatory Memorandum on the General Strategic Goal for the Group in North America"

In "Civilization-Jihadist Process of settlement" the settlement is a 'Civilization Jihadist Process.' The Ikhwan [Muslim Brotherhood] must understand

that their work in America is a kind of grand Jihad in eliminating and destroying the Western civilization from within and 'sabotaging' its miserable house by their hands and the hands of the believers so that it is eliminated and God's religion is made victorious over all other religions."

- **The goal** is to bring Islam into every home
- **Building institutional infrastructure**, including comprehensive "Islamic centers"
- **Mastering coalitions** and cooperation with others
- **Expanding the Muslim** base and directing efforts toward presenting Islam as a civilizational alternative while supporting the global Islamic project

It's all about conquering America and taking over our country. Stealing it from us.

P. HOLY CRAP FRENCH BILLIONAIRE PHILIPPE ARGILLIER HOLDS FOUR DATABASES EXPOSING THE 38 WHO RUN THE SHADOW GOVERNMENT — BILL GATES IS ONE …The Q Awakening on Telegram **Mon. 9 Nov. 2026**

French billionaire Philippe Argillier just confirmed the existence of the real power structure that has dictated the lives of a billion people on Earth for decades. He holds four massive confidential databases packed with the names, deals, and orders of the 38 individuals who form the shadow government.

Bill Gates sits on that list. These are not elected officials. They are the highest-ranked operators in finance and politics, including heads of state operating behind the scenes, who issue the hard commands that elected governments are forced to obey.

Argillier spent twenty years inside the machine as the private adviser to multiple heads of state, the man in the shadows who structured sovereign deals and watched the real hierarchy function. What he witnessed is an extremely powerful entity that sits above almost every elected government on the planet. It tells leaders what to do and what not to do according to geopolitical agreements, the majority of them locked to military interventions abroad. The shadow government is the entity that runs the daily operations of nations while the public faces only the elected face. He stated without hesitation that the Biden administration operated under its direct control based on the information in his possession.

The four databases contain the encrypted proof that unmasks the entire structure. Argillier acquired them years ago and has held them while the public remained blind. He has now stepped into the light through the Rassemblement des Droits de l'Homme movement, signaling the moment for absolute transparency. Recent interviews confirm the databases remain intact and ready. Alignment with forces outside the old order is already forming. The exposure of the 38 is no longer theoretical.

The plan is in motion. The databases that name the controllers, including Gates, are positioned for release. More is coming in the weeks ahead as the real government faces the light.

Voter Fraud:

Q. Watch the WATER: Our Military have discreetly installed hidden WATERMARKS on all legal/legitimate voting ballots for the past 10 years. This weeded out fake/counterfeit mail-in ballots. …Trump Office on Telegram **Mon. 9 Nov. 2026**

2016 - Watermarked ballots secretly installed by military so [they] could not cheat and HRC wouldn't "win"

2020 - Watermarked ballots used to gauge how huge Trump's margin was, and to monitor how & where [they] were cheating. People needed to notice the voting irregularities and start talking about the "cheat"

2024 - Watermarked ballots to weed out remaining corruption for the final takedown.

2026 - Watermarked ballots to awaken the masses!

R. Rigged election results were just a cover for the "Sting Operation" and Time's up! Treason is a Federal crime and punishable by death. …Trump Office on Telegram **Mon. 9 Nov. 2026**

Exposing where 20 MILLION more Democrat voters illegally came from and the algorithms put in place to rig the 2026 midterm elections.

2022 Voter Count:

- Rep: 54.2M
- Dem: 51.3M

2026 Voter Count:

- Rep: 55.6M
- Dem: 70.4M

Republicans gained a little over a million. But...

If you add all of the voters illegally registered without U.S. citizenship from each state from 2022 to 2026, you get around 20,283,937, which is right around the ridiculous number of voters that Democrats want you to believe that they legally gained, that NOBODY is buying.

On top of this you have the algorithms put in place to give Democrats an advantage for every vote. So each state does NOT cheat in the same exact way due to different laws, equipment, and a multitude of variables.

This is where these algorithms come into play, which were first introduced in the early 2000s from Clinton Curtis who designed the 51% to 49% algorithm to rig elections.

These type of algorithms do not attribute 1 vote per 1 vote. In fact, 1 vote could equal MORE or LESS, 75% per vote/1.25% per vote, etc., giving candidates a massive lead or disadvantage for literrally every vote attributed.

Today you are seeing races in specific states have ALL the same outcome, for example, every CA election magically ended in a 53% to 46%, favoring Democrats.

Or a graph that has been circulating showing a 15% band or advantage given to one party or candidate per race, showing that these algorithms are still in place, just with different numbers and percentages attributed and added to the scripts to run these algorithms to steal elections.

None of this is new, it's just getting more advanced and harder to detect as some of the scripts can erase themselves when they complete their task, hiding all and any evidence that it even existed, leaving an audit completely useless.

It's time to wake up ladies and gentleman, we are closer than ever to losing

this country, and if they manage to gain even more power, they will make sure we never win another election ever again and this country will fall, and the rest of the world will follow.

Speak up, stand up, and fight back for the truth and accountability.

Vax Crime:

S. Dr. Pierre Kory, MD: It Is a Myth That Vaccines Are Safe and Necessary – SIDS Strikes at 2, 4, and 6 Months Right After the Shots …The Q Awakening on Telegram **Mon. 9 Nov. 2026**

Dr. Pierre Kory has detonated the core myth that vaccines are safe and necessary. If he had young children today, he states flatly, they would not receive a single vaccine. The data behind that declaration is brutal and specific. Sudden infant death syndrome peaks at two, four, and six months of age—precisely the windows of the early childhood schedule. Ninety-seven percent of infants who die of SIDS do so within seven days of vaccination. The pattern is reproducible. The timing is not coincidence.

The government has refused for decades to run a true saline-placebo safety trial on any vaccine. Ordinary pharmaceuticals undergo two-to-six-year safety monitoring before approval. Vaccines do not. The hepatitis B vaccine, for example, was safety-tested on only 147 infants and children, monitored for five days, and granted approval. Clinical trials never used saline. The pertussis trial used the tetanus-diphtheria vaccine as its control. The hepatitis B trial used the aluminum adjuvant itself. When both groups receive the same dangerous immunogens or adjuvants, identical side-effect rates are declared "safe." It is a sleight-of-hand that has protected the schedule for forty years while aluminum and other adjuvants remain known toxins.

Countries that load the most infant vaccines onto their childhood schedules show the highest infant mortality among industrialized nations. The United States sits at the top of both lists. Childhood diseases that the public was told vaccines eradicated had already fallen to extremely low levels from sanitation, hygiene, and antibiotics long before the shots arrived. The remaining deaths cluster after the injections, not before them. The history is not the story of heroic prevention. It is the story of a schedule expanded while true safety testing was never performed.

Medical freedom is the only rational response. The same system that labeled end-of-life cost discussions "death panels" has spent decades labeling any demand for saline controls as dangerous misinformation. The pattern is identical. The numbers no longer allow the suppression. Schedule reductions are already moving under the weight of the data. The plan is in motion. More is coming in the weeks ahead as the full record of the missing placebo trials and the SIDS clustering forces the accounting into the open. The exposure is accelerating.

U. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.
https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
