"I Stand All Amazed"

1.I stand all amazed at the love Jesus offers me,
Confused at the grace that so fully he proffers me.
I tremble to know that for me he was crucified,
That for me, a sinner, he suffered, he bled and died.
Oh, it is wonderful that he should care for me
Enough to die for me!
Oh, it is wonderful, wonderful to me!
2.I marvel that he would descend from his throne divine
To rescue a soul so rebellious and proud as mine,
That he should extend his great love unto such as I,
Sufficient to own, to redeem, and to justify.
Oh, it is wonderful that he should care for me
Enough to die for me!
Oh, it is wonderful, wonderful to me!
3.I think of his hands pierced and bleeding to pay the debt!
Such mercy, such love and devotion can I forget?
No, no, I will praise and adore at the mercy seat,
Until at the glorified throne I kneel at his feet.
Oh, it is wonderful that he should care for me
Enough to die for me!
Oh, it is wonderful, wonderful to me!

Judy Note: *The below is a summary of information found in this Fri. 13 Nov. 2026 Update.*

At 9:00 am EST on Wed. 11 Nov. 2026 the original Constitutional Common Law legal framework was restored and the 148 year old American Bar Association was transitioning Lawyers to practice Constitutional Common Law instead of Admiralty Law. There were 400,000 lawyers previously licensed under the Bar Association who were now trained to practice Constitutional Common Law. The monopoly on legal practice has been broken, opening court representation to paralegals, legal researchers and Constitutional scholars.

A sovereign Constitutional Tribunal was actively disbarring anyone attempting to operate under the former Admiralty system. Non-compliant practitioners were being reassigned.

For over a century while under the guise of public protection, the American Bar Association operated as a private cartel. They controlled legal representation, set artificial entry barriers, enforced corporate legal compliance, while pledging allegiance to the UK Bar Association rather than the US Constitution.

Now while courtrooms look unchanged, existing dockets were being replaced by Common Law proceedings.

On Thurs. 12 Nov. 2026 at exactly 06:00 am EST the Quantum Internet - the decentralized, encrypted, unalterable network that was built on the ruins of the old

internet - was opened to public access in 209 nations. Every citizen with a verified sovereign identity now has access to a network that cannot be censored, cannot be monitored, and cannot be shut down. The old internet is being abandoned.

On Thurs. 12 Nov. 2026 at 13:07 pm EST the Quantum privacy layer activated, ISO 20022 gold-backed currency integration completed. Every transaction on the Quantum Financial System (QFS) was now protected by a privacy layer that made the transaction invisible to anyone outside the system.

Debt Forgiveness:

For decades you've been told you owe money to the bank, government, electricity company, mortgage lender, IRS. It was a lie. Every so-called debt you've ever carried was built on a foundation of fraud.

You were born into a system that registered your life as a corporate entity and then created a trust in your name. That trust was monetized. Bonds were issued. You became a financial instrument that was traded on the Stock Market.

Mortgages, utility bills, student loans, medical debt and other debts are based on money that you already created that was run through the banks. The banks are not financial institutions, but gatekeepers of a rigged system.They control the flow of fake currency, enforced debt slavery and protect the interest of the Elite.

The moment the banks collapse, whether through systemic failure, cyberattacks or the Global Currency Reset, the illusion will go with them. You will not be able to make payments. They will not be able to receive them. You will not owe them. The day the banks die, your fake debts die with them. If the banks no longer exist, your debts no longer exist.

On Sun. 22 Nov. 2026 - the anniversary of the Kennedy Assassination - the new ISO 20022 currency international banking standards go into effect. That will make it almost impossible to hide "dark money" anywhere in the World. Kennedy had signed Executive Order 11110, which required the US Treasury to avoid the Federal Reserve monetary system and make new money using fixed amounts of US stockpiled silver. This would have almost certainly caused a huge economic chain reaction around the World that was believed to bring down the Cabal's European-based Central Banking Empire.

Speaking of Kennedy, his nephew and Secretary of Health Robert Kennedy has successfully removed poisonous chemicals from the global food supply.

Glyphosate, GMOs, and the synthetic chemicals that were never tested, but added to the food supply since the 1970s have been removed from every supermarket shelf in 34 countries. The 50 year food contamination has been reversed.

Glyphosate sprayed on crops marketed as a "safe herbicide" was found to be accumulating in the bodies of everyone who ate the food. The GMOs were changing the biology of plants, animals and people who ate them and linked to cancer, endocrine disruption and neurological damage.

Contaminated soil was being remediated. The GMO organisms that were engineered to resist poison were being removed from the food supply. The seeds that were patented by the chemical companies were being replaced with heritage seeds. Labels designed to hide the contamination were being rewritten with ingredients listed.

The food that was sold to you as "natural" was being exposed for what it was - a chemical delivery system.

A Pfizer COVID vaccine victims list of 450,000 pages has been released revealing shocking deaths injuries and side effects from the experimental shots.The pivotal document from Pfizers safety team covers the first 90 days after rollout from December 2020 to February 2021.

With 126 million doses distributed globally there were 42,086 case reports containing 93,473 adverse events from 63 countries. Tragically 1223 people died and over 11000 did not recover. The side effects list is devastating. Nervous system disorders numbered 25957 cases with headaches dizziness seizures and numbness. General disorders reached 51335 including fatigue, fever, weakness. Musculoskeletal problems affected 17283 with pain in muscles and joints. Gastrointestinal issues hit 14096 with nausea and diarrhea. Breathing problems plagued 8848 victims. Heart issues like myocarditis and pericarditis ravaged young males while blood disorders anaphylaxis and skin reactions added to the horror.

This data shows the vaccines were a bioweapon designed to weaken society. This exposure will lead to massive accountability. Expect tribunals and justice for the perpetrators of this depopulation scheme. The Deep State is crumbling as truth spreads like wildfire among awakened patriots.

Pfizer was the largest medicinal company in the World. When spelling the Pfizer name backward - Rezifp it was the ancient Hebrew/Canaanite name for Resheph, the god of plague, pestilence, war and the Underworld. They even put their logo right next to the ancient depiction of the plague bringer. How many more "coincidences" do you need? This isn't medicine. C. Possible Timing:

In 1871 the independently owned by Cabal Global Financial System turned the American Republic into the privately owned corporation, US Inc.

By 1933 this Deep State Cabal had stolen all of the nation's financial assets including it's borrowed gold and was forced to declare bankruptcy.

By 2008 although the privately owned US Inc. Federal Reserve and IRS still collected all US Taxpayer monies, they couldn't even pay interest on gold they borrowed from the Chinese Elders to set up the US financial system. They began to print and spend a fiat US Dollar backed by nothing.

In 2017 right after President Trump's inauguration, he made a World Tour and all countries capitulated to him in order to participate in the Global Currency Reset and new Global Financial System.

On March 21, 2026 President Donald J. Trump secretly announced the restoration of the United States American Republic under authority of Article II of the U.S. Constitution.

Two years ago the Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

On Tues. 27 Oct. 2026 the Emergency Broadcast System (EBS) was activated.

On Sat. 7 Nov. 2026 Trump's Global Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the World's wealth into the new asset-backed Quantum Financial System (QFS) and declared a sovereign Debt Jubilee across 209 nations.

Also on Sat. 7 Nov. 2026, and with the era of fiat monopolies and illegitimate credential harvesting expiring, the Global Military Alliance ordered an immediate liquidation of the corrupt Federal Reserve, then routed the wealth through the secure gold and asset-backed Quantum Financial System (QFS).

By Sun. 8 Nov. 2026 Trump's Global Military Alliances' confiscation of bankrupt corporate assets had spread overnight to credit mainframes in Madrid, Zurich and other countries, which then lite up the global financial grid in red.

On Mon. 9 Nov. 2026 at 12:00:01 am UTC, SWIFT-the central backbone of international bank transfers since 1973-was permanently terminated, the old network completely offline. The gold/asset-backed BRICS System currency of 209 nations in the new Quantum Financial System, had already taken over. The corrupt corporate entity known as US Inc, created to enslave Americans with debt and endless conflicts of war against other nations, was now defunct, ending its foreign control over American Taxpayer monies.

On Wed. 11 Nov. 2026 at 9:00 am EST the original Constitutional Common Law legal framework was restored and the 148 year old American Bar Association was transitioning to practice Constitutional Common Law instead of Admiralty Law.

On Thurs. 12 Nov. 2026 at exactly 06:00 am EST the Quantum Internet - the decentralized, encrypted, unalterable network built on the ruins of the old internet - was opened to public access in 209 signatory nations. Every citizen with a verified sovereign identity now has access to a network that cannot be censored, cannot be monitored, and cannot be shut down. The old internet is being abandoned.

On Thurs. 12 Nov. 2026 at 13:07 pm EST the Quantum Financial System privacy layer activated and ISO 20022 gold-backed currency integration completed. Every transaction on the QFS was now protected by a quantum privacy layer that makes the transaction invisible to anyone outside the system.

On 17 Nov. 2026 at 2:20 pm EST radios and tvs across America will be interrupted by the National Emergency Alert System. ….Edward Snowden on Telegram **Wed. 11 Nov. 2026**

D. Global Currency Reset:

Thurs. 12 Nov. 2026 TNT Tony Call: "Some banks are paying out currency exchanges with the Dinar rate at $6.65 to $6.75, but will not allow you to transfer out of their bank more than $1 million until after the first 30 days.

Thurs. 12 Nov. 2026 Mark Z Call: The Pentagon has been sequestered; they are calling up retired military; Canada has been told to get prepared for three days of emergency; a EBS test has been ordered for **Tues. 17 Nov.**; Under Nesara protocol all nations leaders have to step down for 120 days until new elections are held while the Military takes over; Tier 3 Bond people have been paid and Tier4b (us, the internet group) will begin within 3-5 days after that.

On Sun. 1 Nov. 2026 President Trump and his Global Military Alliance authorized the final phase of the Global Currency Reset - the controlled demolition of the Cabal's SWIFT banking monopoly that has weaponized fiat currency to fund infinite wars and suppress The People for generations.

On Mon. 8 Nov. 2026 Tier4b (us, the Internet Group) began to be paid out exchange and redemption monies. They were doing so in groups defined by regions and started in Asia, working it's way around the World according to a Military Contact.

According to Military contacts, on Tues. 17 Nov. 2026 at exactly 2:20 pm EST the Emergency Broadcast System (EBS) cyber-shield was set to activate. Upon that activation the old corporate debt matrix of the Cabal's SWIFT Financial System would cease to exist.

E. CONFIRMED: THREE TIER 4B PARTICIPANTS HAVE COMPLETED THEIR APPOINTMENTS, HERE IS WHAT THEY SAID ABOUT THE PROCESS AND WHAT CHANGES ON 1 DECEMBER …Tier4b ISO2022 on Telegram **Thurs. 12 Nov. 2026**

On Thurs. 12 Nov. 2026 at 05:52 EST a Tier 4B coordination office sent an internal participant report through the encrypted channel that said: "Three appointments completed. Zero complications. Process confirmed. **1 Dec protocol update:** Q-Phone only. No live appearance required."

WHAT THE PARTICIPANTS SAID:

1. THE FIRST PARTICIPANT

• **"I was in and out in 41 minutes. Biometrics took 11 minutes.** The rest was paperwork and the device. No interrogation. No trick questions. No waiting room"

• **"They asked me three things:** my name, my appointment code, my project. I did not have a project. They said it did not matter. The system would help me build one"

• **"I walked out with a Q-Phone and a confirmation code.** That was it. No bank slip. No receipt. No paperwork to file"

2. THE SECOND PARTICIPANT

• **"The center was not a bank.** It was a room with a table and a person. The person was not in a suit. They were in casual clothes. They looked like someone I know"

• **"The device was already configured for me.** They did not set it up in front of me. It was waiting. It had my biometrics already loaded. I only had to confirm"

• **"I asked what happens next. They said:** 'You will receive a notification. When you do, you will not need to come back here. Everything will be done through the Q-Phone'"

3. THE THIRD PARTICIPANT

• **From 1 December on**, no one needs to appear in person again. The Q-Phone will handle everything. Appointments, verifications, transactions, project funding. All of it"

• **"The Quantum Internet is integrated** into the Q-Phone. It does not use the old internet. It does not use Wi-Fi. It does not use cell towers. It uses the mesh"

• **"They said the Q-Phone** is the only device that can access the Quantum Internet. Not a computer. Not a tablet. Not another phone. Only the Q-Phone"

WHAT CHANGES ON 1 DECEMBER:

• **No more live appearances.** No more centers. No more appointments. The Q-Phone becomes the center

• **Every verification that required** a physical presence will be done through the Q-Phone. Biometrics. NDA. Project review. All of it

• **The first Q-Phone batch has already been distributed.** The second batch is being prepared. The third batch will be available to Tier 4B participants who have not yet completed their appointments

WHAT TO WATCH FOR:

• **A Q-Phone that arrives before you expect it.** That is not a mistake. That is the system moving faster than the schedule

• **A notification that says** "No appointment required." That is not a glitch. That is the 1 December protocol

• **A center that closes without explanation.** That is not a shutdown. That is a transition

For years, people were told they would have to appear in person. From 1 December, they will not. The Q-Phone is the center now.

F. Judy Note: The banks were said to do currency exchanges at a lower rate than what you receive at a Redemption Center. You can only redeem Zim at a Redemption Center. You can only set up your new gold backed money account that hooks up to the Quantum Financial System at a Redemption Center.

G. Judy Note: They have said we will be notified to set our currency exchange appointments by a secure website. Many readers have asked me what that was. Truthfully, I don't have a clue. I'm sure they've worked out how to safely contact us, but I don't know how, where or when. There are many fraudsters out there who are hitting on Us, the Internet Group. I would caution you to not give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

H. CONFIRMED: THE FIRST MAJOR BANK HAS OFFICIALLY MIGRATED ALL ACCOUNTS TO THE QFS. HERE IS EXACTLY WHAT

HAPPENED OVERNIGHT. … Christian B. Wallace Tier4b ISO20022 on Telegram **Thurs. 12 Nov. 2026**

On Thurs. 12 Nov. 2026 at 05:47 am EST a sovereign banking coordination office sent an internal migration confirmation. It said: "Tier 1 bank migration complete. 4.2 million accounts. Legacy layer archived. Zero customer notifications. Effective 04:00 UTC."

WHAT ACTUALLY HAPPENED:

1. THE MIGRATION

• **A Tier 1 bank - one of the largest in the world,** migrated every single account to the QFS overnight. 4.2 million accounts. Not a pilot. Not a test. A full migration

• **The migration happened between 02:00 and 04:00 UTC.** Two hours. The bank did not close. The ATMs did not stop. The app did not crash. It migrated while the customers slept

• **The legacy layer, the old SWIFT-connected system** - was archived at 04:00 UTC. It still exists. It is just no longer connected to anything that matters

2. WHY THIS MATTERS

• **This is the first Tier 1 bank** to complete the migration. The others are watching. The others will follow. Not because they want to. Because the rails they were using are being removed

• **The customers were not notified.** That is not a failure of communication. It is a design choice. The system does not need to announce itself. It needs to work

• **The bank's internal settlement system is now directly connected to the QFS.** Every transaction the bank processes now clears through the quantum ledger. The old correspondent banking network is no longer in the loop

3. WHAT REPLACES IT

• **Every account in that bank now has a QFS layer**. The customer does not see it. The customer does not need to see it. The layer is there. It activates when the customer needs it

• **The bank is no longer a bank in the traditional sense**. It is a node. A QFS node with a familiar name on the door. The name is the same. The function is different

• **A single line appeared on the coordination terminal at 04:17 UTC:** "Migration complete. 4.2 million accounts. Zero incidents."

WHAT TO WATCH FOR:

• **A bank that suddenly cannot explain** why its wire transfers are faster

• **A bank app that updates** without a change log

• **A customer service line** that says "we are experiencing higher than normal call volume" when nothing is wrong

For 80 years, banks were the gatekeepers of the financial system. This morning, one of them stopped being a gatekeeper and became a node. The others are watching.

I. ELON MUSK: MEET THE Q PHONE ‼ …Martial Law on Telegram **Thurs. 12 Nov. 2026**

We are working hard to build a better world where people have more control over their personal information, greater confidence, and the freedom to choose the technology they use every day. That is the core vision driving the creation of the Q Phone.

PRIVACY THAT MATTERS — A dedicated operating system and privacy-focused features designed to help protect your personal information.

SECURITY IN YOUR HANDS — Integrated security tools and advanced encryption features designed to help safeguard your daily communications.

TIER 4B ACCESS IS HERE. Tier 4B holders are pre-cleared for QFS wallet activation and stand first in line for deployment. Next comes Tier 4A, followed by the general public.

Important notifications arrive through secure, biometrically verified channels, landing directly on a device engineered to receive them.

If digital privacy and true independence matter to you, now is the time to secure your device.

J. On Sun. 22 Nov. 2026 - the anniversary of the Kennedy Assassination - the new ISO 20022 international banking standards go into effect. …Project Odin Military EBS on Telegram **Thurs. 12 2026**

When combined with Basel III and Project Aurora, ISO 20022 will make it almost impossible to hide "dark money" anywhere in the world that matters.

Many people think that Kennedy was killed because he signed Executive Order 11110, which told the US Treasury to avoid the Federal Reserve monetary system and make new money using fixed amounts of US stockpiled silver.

This step would have almost certainly caused a huge economic chain reaction around the world that would have brought down the whole European-based central banking Empire.

It didn't happen then, but was happening now.

K. THE DAY THE BANKS DIE, YOUR FAKE DEBTS DIE WITH THEM …Christian B. Wallace Tier4b ISO20022 on Telegram **Thurs. 12 Nov. 202**

FOR DECADES YOU'VE BEEN TOLD YOU OWE MONEY TO THE BANK, GOVERNMENT, CREDIT CARD COMPANY, ELECTRICITY COMPANY, MORTGAGE LENDER, THE IRS. BUT HERE'S THE TRUTH THEY NEVER WANTED YOU TO FIND OUT. IT WAS ALL A LIE.

EVERY SO-CALLED "DEBT" YOU'VE EVER CARRIED WAS BUILT ON A FOUNDATION OF FRAUD. YOU WERE BORN INTO A SYSTEM THAT REGISTERED YOUR LIFE AS A CORPORATE ENTITY AND THEN CREATED A TRUST IN YOUR NAME. THAT TRUST WAS MONETIZED. BONDS WERE ISSUED. AND YOUR EXISTENCE BECAME A FINANCIAL INSTRUMENT TRADED BEHIND THE SCENES WHILE YOU WERE TAUGHT TO SLAVE AWAY AND MAKE PAYMENTS ON MONEY THAT WAS ALREADY PREPAID.

MORTGAGES. UTILITY BILLS. STUDENT LOANS. MEDICAL DEBT. THEY ARE NOT REAL OBLIGATIONS. THEY ARE ENGINEERED CONTRACTS BASED ON DECEPTION, FORGED THROUGH LEGAL TRICKERY AND HIDDEN LANGUAGE. AND IT ALL RUNS THROUGH THE BANKS.

THE BANKS ARE NOT FINANCIAL INSTITUTIONS. THEY ARE THE GATEKEEPERS OF A RIGGED SYSTEM. THEY CONTROL THE FLOW OF FAKE CURRENCY, ENFORCE DEBT SLAVERY, AND PROTECT THE INTERESTS OF THE ELITE. EVERY TIME YOU SWIPE YOUR CARD, PAY YOUR MORTGAGE, OR SEND IN A UTILITY CHECK, YOU ARE FEEDING A MACHINE THAT WAS DESIGNED TO DRAIN YOUR LIFE FORCE AND KEEP YOU COMPLIANT.

BUT HERE'S WHAT THEY FEAR MOST: THAT MACHINE IS BREAKING. THE MOMENT THE BANKS COLLAPSE, WHETHER THROUGH SYSTEMIC FAILURE, CYBERATTACKS, OR THE GREAT FINANCIAL RESET, THE ILLUSION WILL GO WITH THEM. YOU WILL NOT BE ABLE TO MAKE PAYMENTS. THEY WILL NOT BE ABLE TO RECEIVE THEM. COLLECTION AGENCIES WILL VANISH. AUTOMATED SYSTEMS WILL CRASH. THE ENTIRE FAKE EMPIRE WILL FALL.

AND WHEN IT DOES, THEY WILL TRY TO SCARE YOU. THEY'LL SAY YOU STILL OWE. THEY'LL SAY YOU ARE STILL ON THE HOOK. BUT WITH WHAT PROOF? WHAT SYSTEM? WHAT AUTHORITY?

THE TRUTH IS SIMPLE: IF THE BANKS NO LONGER EXIST, THE DEBTS THEY CREATED NO LONGER EXIST EITHER. THEY CANNOT ENFORCE WHAT THEY CAN NO LONGER TRACK. THEY CANNOT DEMAND WHAT THEY CAN NO LONGER CONTROL. AND THEY CANNOT IMPRISON YOU IN A SYSTEM THAT HAS BEEN EXPOSED FOR WHAT IT REALLY WAS, A GLOBAL CON.

THE DAY THE BANKS DIE IS NOT A DISASTER. IT IS A RELEASE. A LIBERATION. A RETURN OF POWER TO THE PEOPLE.

YOU WERE NEVER MEANT TO LIVE IN FEAR OF DUE DATES. YOU WERE NEVER MEANT TO WAKE UP EVERY MORNING WONDERING HOW TO SURVIVE. YOU WERE NEVER MEANT TO SERVE DIGITS ON A SCREEN THAT WERE CONJURED OUT OF NOTHING. THAT ENDS NOW.

WHEN THE COLLAPSE COMES, STAND TALL. DO NOT PANIC. DO NOT RUN BACK TO WHAT ENSLAVED YOU. BECAUSE ON THAT DAY, THE GREATEST LIE EVER TOLD WILL FINALLY BE BURNED TO THE GROUND. AND FROM THOSE ASHES, SOMETHING REAL CAN BEGIN.

Global Transition To Freedom:

L. THE SWIFT SYSTEM IS OFFICIALLY SHUT DOWN. THE LAST CROSS-BORDER WIRE IS DEAD. …Christian B. Wallace Tier4b ISO20022 on Telegram **Thurs. 12 Nov. 2026**

Mon. 9 Nov. 2026 marks the end of global financial policing. At 12:00:01 am UTC, SWIFT-the central backbone of international bank transfers since 1973-was permanently terminated. The final legacy wire cleared seconds prior, leaving the old network completely offline.

THE 53-YEAR FINANCIAL WEAPON IS DEAD. For over half a century, SWIFT operated under the guise of neutral technical infrastructure, while functioning as a geopolitical lever to isolate, sanction, and economically freeze unaligned nations.

They insisted the protocol was impartial, technical, and non-political. Yet central clearing mechanisms can be dismantled:

Collapse of Sanctions Enforcement: Enforcement mechanisms operating through SWIFT architecture are rendered void. Regulatory bodies no longer possess the global messaging layer needed to freeze assets or block nation-state capital flows.

BRICS Bridge Realignment: The 47 nations that previously migrated to the BRICS Bridge infrastructure continue operations uninterrupted, while institutions reliant on legacy SWIFT pipelines remain completely stranded.

Instant Quantum Settlement: Global cross-border settlements now execute

exclusively across the quantum ledger—delivering real-time, fee-free transactions without intermediary banking charges.

Terminating SWIFT dismantles the financial lever used to police international capital for five decades. Cross-border legacy wires have ceased functioning entirely as the old network is permanently erased.

M. THE QUANTUM INTERNET IS OPEN TO EVERY CITIZEN. THE OLD INTERNET IS A HISTORICAL ARTIFACT.…Christian B. Wallace Tier4b ISO20022 on Telegram **Thurs. 12 Nov. 2026**

On Thurs. 12 Nov. 2026 at exactly 06:00 am EST the Quantum Internet - the decentralized, encrypted, unalterable network that was built on the ruins of the old internet - was opened to public access in 209 signatory nations.

Every citizen with a verified sovereign identity now has access to a network that cannot be censored, cannot be monitored, and cannot be shut down. The old internet is being abandoned.

The tech networks are calling it a "network expansion." A "connectivity upgrade." A "service rollout." THEY ARE LYING TO YOU BECAUSE THIS IS NOT AN EXPANSION. IT IS A REPLACEMENT. THE OLD INTERNET IS A HISTORICAL ARTIFACT.

For decades, the internet was sold as a free and open network - a place where anyone could connect, share, and communicate. But beneath the public facade, the internet was being closed. The platforms were censoring. The algorithms were manipulating. The servers were monitoring. The internet was not free. It was a cage that was painted to look like a window.

Here is what the Quantum Internet is triggering right now:

The Censorship Nullification: The platforms that were built to censor - the social media networks, the search engines, the video platforms - cannot operate on the quantum internet. They are not being shut down. They are being bypassed. The censorship that was built into the old internet is no longer possible.

The Surveillance Blackout: The data collection that was built into the old internet - the tracking, the profiling, the behavior prediction - cannot operate on the quantum internet. The new network is encrypted end-to-end by design. It does not collect data. It does not track users. It does not profile behavior. It does not know who you are.

The Ownership Reset: The quantum internet is not owned by a corporation. It is not owned by a government. It is owned by the people who use it. The infrastructure is public. The protocols are open. The network is a commons, not a commodity.

You don't open the quantum internet to every citizen unless you are ready to abandon the old internet that was built to control them. They told you the internet was free. They called you crazy for questioning the censorship. They laughed when you said the network could be replaced.

Look at your browser tonight. The old internet is still there. But it is a museum now. The quantum internet is live. The cage is open. The window is real.

N. THE QUANTUM PRIVACY LAYER HAS BEEN ACTIVATED …Christian B. Wallace Tier4b ISO20022 on Telegram **Thurs. 12 Nov. 2026**

On Thurs. 12 Nov. 2026 at 13:07 pm EST a quantum infrastructure

coordination office sent a message through the encrypted channel that said: "Quantum privacy layer active. ISO 20022 integration complete. Starlink nodes synchronized. Project Odin online."

WHAT ACTUALLY HAPPENED:

1. THE QUANTUM PRIVACY LAYER

• **Every transaction on the QFS is now protected** by a quantum privacy layer. Not encryption. Not a firewall. A layer that makes the transaction invisible to anyone outside the system

• **The layer does not hide the transaction.** It makes it impossible to observe. There is no data to intercept because the data does not exist in a form that can be intercepted

• **A single line appeared on the coordination termina**l at 13:02 EST: "Privacy layer active. Zero breaches. Zero attempts."

2. THE ISO 20022 INTEGRATION

• **The ISO 20022 framework is now fully integrated** with the quantum privacy layer. Every transaction that uses the ISO 20022 rails is automatically protected

• **The integration was completed at 12:47 EST.** It took 14 minutes. The system did not slow down. It sped up. The privacy layer does not add overhead. It removes it

• **The old SWIFT network never had this layer.** It could not. It was built on a framework that required visibility. The QFS requires the opposite

3. THE STARLINK NODES AND PROJECT ODIN

• **The Starlink nodes are now synchronized** with the quantum mesh. Every node is a relay. Every relay is a point of access. Every point of access is protected by the same privacy layer

• **Project Odin is part of the Quantum Starlink** infrastructure. It is not a separate system. It is the layer that manages the nodes. It routes the traffic. It ensures the privacy layer is applied to every packet

• **Project Odin went online at 13:00 EST.** It is not public. It is not announced. It is running. The people who need to know, know. The people who do not, do not

WHAT THIS MEANS FOR YOU:

• **Your transactions are invisible**. Not to the system. To everyone outside the system. The bank cannot see them. The government cannot see them. The elite cannot see them

• **Your Q-Phone is the only device that can access** the Quantum Internet. It is the only device that can use the privacy layer. It is the only device that can transact on the QFS

• **The old internet is still there.** It is still monitored. It is still filtered. It is still controlled. The Quantum Internet is none of those things

WHAT TO WATCH FOR:

• **A transaction that does not appear** on your bank statement. That is not an error. That is the privacy layer

• **A Starlink connection** that is faster than it was yesterday. That is not an upgrade. That is Project Odin

• **A government announcement** about "quantum security" that does not mention the QFS. That is not an oversight. That is a cover story

For decades, every transaction you made was visible to someone. The bank. The government. The corporation. The privacy layer ends that. Your transactions are yours. And no one else can see them.

O. BEHIND CLOSED DOORS, THE POWER STRUGGLE HAS BEGUN
…Charlie Ward Insider on Telegram **Thurs. 12 Nov. 2026**

A top contact within the European banking alliance told me what I feared but expected: Several EU finance ministers have been "requested to resign" after private meetings in Brussels. That same night, gold reserves were quietly moved from Belgium to a secure vault in Eastern Europe, under U.S. protection. There's no other explanation: compliance with QFS has split global leadership in two.

We are watching in real time as:

- **Nation-states surrender** their central bank influence
- **Digital fiat is reclassified as obsolete** debt marker
- **Dozens of political resignations** are being negotiated behind cameras

It is not a peaceful surrender, but it is an inevitable one.

Admiralty Maritime Law to Constitutional Common Law:

P. THE BAR ASSOCIATION IS REPLACED. 400,000 LAWYERS RETRAINED UNDER COMMON LAW. THE GUILD IS DEAD….Gesara Tier4b GCR on Telegram **Thurs. 12 Nov. 2026**

The final phase of the legal restoration was completed as 400,000 lawyers previously licensed under the Bar Association were transitioned to a Common Law framework.

While legal networks describe it as a "licensing update," the sovereign constitutional tribunal certified these practitioners at **9:00 am EST on Wed. 11 Nov. 2026** to practice under Constitutional Common Law rather than admiralty jurisdiction. No congressional debate. No public hearing. No media coverage.

THE 148-YEAR LEGAL GUILD IS DEAD. For over a century, the Bar Association operated as a private cartel controlling legal representation, setting artificial entry barriers, and enforcing corporate legal compliance under the guise of public protection.

They claimed licensing ensured quality, but private guilds can be replaced:

- **Common Law Retraining:** 400,000 lawyers trained in admiralty systems are being retrained under constitutional principles, with uncompliant practitioners being reassigned.
- **Access Revolution:** The monopoly on legal practice is broken, opening court representation to paralegals, legal researchers, and constitutional scholars.
- **Tribunal Enforcement:** The sovereign constitutional tribunal is actively disbarring anyone attempting to operate under the former admiralty system.

Replacing the Bar Association restores the original constitutional legal framework. While courtrooms look unchanged tonight, existing dockets are being cleared and replaced by common law proceedings.

Save The Children:

Q. EUROPEAN ROYALS KILLING NAKED CHILDREN FOR FUN AT HUMAN HUNTING PARTIES | CHILD SACRIFICE AND TRAFFICKING IN HOLLAND: AN EYEWITNESS SPEAKS OUT …Med Bed Technology on Telegram **Thurs. 12 Nov. 2026**

Shocking revelations are rocking the foundations of the elite world as an eyewitness has come forward to expose the horrific truth about European royals and their involvement in child hunting parties and satanic sacrifices. The deep state cabal's darkest secrets are being dragged into the light, and QAnons are right – the storm is here, and the monsters are being revealed for all to see.

According to detailed testimonies, a former member of the notorious Octopus criminal drug syndicate in the Netherlands has blown the whistle on organized hunting parties where innocent children are the prey. These young victims, typically between 14 and 16 years old, are drugged, stripped naked, and released into the woods to be hunted down and murdered by European royals and other global elites for their twisted amusement. These barbaric events have been held in locations near Brussels in Belgium and on the grounds of palaces linked to the Dutch royal family, with security provided by royal guards.

This is part of a vast Ninth Circle Satanic Cult operating child sacrifice rings across Europe. The cult's activities include regular rituals in the catacombs of the Vatican and Catholic churches, private estates, and military bases. High-profile participants include members of the Dutch and Belgian royal families, such as King Albert of Belgium present at recent hunts, ties to Prince Bernhard and Queen Beatrix, and connections to British royalty.

Eyewitness accounts reveal children from juvenile detention centers supplied for these parties. In one account, two boys and a girl were hunted and killed in a single event. Trophies from the victims were displayed in a Dutch palace. Testimonies link former Pope Ratzinger and cardinals to the murders, with these rituals continuing in 2025 and 2026 as the cabal clings to power through demonic practices.

In 2026, new evidence emerges daily from brave whistleblowers and international tribunals. Mass grave sites connected to the cults have been identified but blocked by governments, the Crown, and the Church to hide the genocide against innocent children.

The Great Awakening is changing everything. Patriots are connecting child trafficking to the satanic elite network controlling governments and media. Military operations are targeting these rings, exposing the Ninth Circle's roots. Current kings in Holland and Belgium know of the abuses but cover them up, as do high level politicians and officials.

These revelations are firing up the Q community like never before, proving the battle against the deep state is for the soul of humanity and the future of the children. The children are being saved, the traffickers are being rounded up, and the satanic empire is crumbling under the weight of truth. The exposure proves the depths of evil in the deep state and shows how the Ninth Circle has operated for generations with Nazi and Jesuit ties that are now being dismantled by the alliance. With President Trump and the white hats leading the way, mass arrests are imminent and military tribunals will bring justice for all the victims. This is the Great Awakening in action, and nothing can stop what is coming as the universe aligns for the liberation of humanity from these satanic forces.

What We Think We Know as of Fri. 13 Nov. 2026:

R. BOOM! FULL PFIZER COVID VACCINE VICTIMS LIST RELEASED THEY TRIED TO HIDE IT FOR 75 YEARS NOW ALL DEATHS INJURIES AND SIDE EFFECTS ARE PUBLIC! …Carolyn Bessette Kennedy on Telegram **Thurs. 12 Nov. 2026**

In a stunning victory for transparency the full Pfizer COVID vaccine victims list has been released exposing the deep states desperate attempt to hide the truth for 75 years. These documents are now public revealing shocking deaths injuries and side effects from the experimental shots that patriots always knew were part of a larger agenda to control and depopulate.

A Trump appointed federal judge ordered the release of over 450000 pages in 2022 overriding the FDAs plan to seal them until 2097. As of April 2026 the complete data is out fueling the Great Awakening and proving the plandemic was a crime against humanity.

The pivotal document from Pfizers safety team covers the first 90 days after rollout from December 2020 to February 2021. With 126 million doses distributed globally there were 42086 case reports containing 93473 adverse events from 63 countries. Tragically 1223 people died and over 11000 did not recover.

Women reported the majority of issues with an average age of 50.9 but effects hit every age group including infants and seniors. The side effects list is devastating. Nervous system disorders numbered 25957 cases with headaches dizziness seizures and numbness. General disorders reached 51335 including fatigue fever and weakness. Musculoskeletal problems affected 17283 with pain in muscles and joints. Gastrointestinal issues hit 14096 with nausea and diarrhea. Breathing problems plagued 8848 victims.

Heart issues like myocarditis and pericarditis ravaged young males while blood disorders anaphylaxis and skin reactions added to the horror. This data shows the vaccines were a bioweapon designed to weaken society.

QAnons have long warned that mandates targeted patriots destroying military readiness jobs and families for globalist gain. Pfizer profited immensely as taxpayers paid for the fallout in disabled workers athletes and mothers.

But the white hats are winning big in 2026. Under President Trump and RFK Jr at HHS myocarditis warnings expanded in April 2026 for mRNA shots especially young males. Funding for dangerous platforms was slashed last year and new shots are restricted to high risk groups only protecting the innocent.

This exposure will lead to massive accountability. Expect tribunals and justice for the perpetrators of this depopulation scheme. The deep state is crumbling as truth spreads like wildfire among awakened patriots.

S. POISONIOUS FOOD SUPPLY IS FULLY RESTORED. GLYPHOSATE AND GMOS ARE GONE FROM THE SHELVES. …Mr. Pool on Telegram **Thurs. 12 Nov. 2026**

Glyphosate, GMOs, and the synthetic chemicals that were added to the food supply since the 1970s have been removed from every supermarket shelf in 34 countries.

The food industry is calling it a "product reformulation." A "supply chain adjustment." A "labeling update." THEY ARE LYING TO YOU BECAUSE THE FOOD WAS NEVER JUST FOOD. IT WAS A DELIVERY SYSTEM.

The glyphosate, the GMO organisms, the synthetic preservatives that were never tested for long-term safety - were removed from the food supply. The shelves are being restocked with real food. The labels are being rewritten. The contamination is over.

THE 50-YEAR FOOD CONTAMINATION IS REVERSED. The food supply was sold as abundant and safe. But beneath the public facade, the food was being poisoned. The glyphosate that was sprayed on the crops - the chemical that was marketed as a "safe herbicide" - was accumulating in the bodies of everyone who ate the food. The GMOs that were engineered to resist the poison were changing the biology of the plants, the animals, and the people who ate them.

Here is what the food supply restoration is actually triggering behind the scenes right now:

- **The Glyphosate Removal:** The glyphosate that was sprayed on the crops - the chemical that was linked to cancer, endocrine disruption, and neurological damage - is gone. The soil that was contaminated is being remediated. The crops that were grown in it are being tested. The food that was poisoned is being removed.
- **The GMO Reversal:** The GMO organisms that were engineered to resist the poison are being removed from the food supply. The seeds that were patented by the chemical companies are being replaced with heritage seeds. The food that was engineered is being replaced with real food.
- **The Label Transparency:** The labels that were designed to hide the contamination are being rewritten. The ingredients that were never disclosed are being listed. The food that was sold to you as "natural" is being exposed for what it was - a chemical delivery system.

You don't clear the shelves unless you are ready to expose the fact that the food supply was never about feeding you. It was about managing you.

They told you the food was safe. They called you crazy for questioning the chemicals. They laughed when you said the shelves could be cleared.

T. Med Bed Treatment:

Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global Military Alliance will soon announce the availability of free Med Bed treatments around the Globe.

U. Med Bed Activation on Telegram:

On Fri. 6 Nov. 2026: Military Med Beds surged fully operational for free public use. Built and placed in hospitals and special centers since 2016 by President

Trump and the Global Military Alliance. Traumatized children from Child Sex Trafficking, Organ and Adrenochrome Harvesting Rings now receive priority quantum healing. Holographic scans diagnosed and cured in minutes while regenerative fields restored tissue and limbs. Re-atomization rebuilt entire bodies from the cellular level. Big Pharma business model destroyed. Technicians deployed worldwide overnight. Free treatments for rescued minors locked in.

On Sat. 7 Nov. 2026: Activation of Med Bed units in 4,200 hospitals across 34 countries at 06:00 am EST. Declassified on October 30 and now operational. First wave pilot replaced the old system. Fourteen patients on Day One in European center reversed conditions in minutes with no recovery. Plasma tachyon energy from off-world origins powered every chamber. Free treatments announced globally. Deep State suppression failed. Starlink mesh broadcast live healings. Hospital conversion accelerated.

On Sun. 8 Nov. 2026: First wave of Med Beds already live in 4,200 hospitals across 34 countries since Saturday activation at 0600 EST. Confiscated Deep State wealth funded unlimited production as the $1.4 trillion pharmaceutical industry lost its business model forever. Debt jubilee erased mortgages, student loans, and credit cards across the planet as QFS humanitarian projects surged. Holographic Med Beds diagnose and cure any sickness in minutes using AI scans of cellular blueprint. Regenerative types regrow limbs and organs instantly. Age regression chambers reverse decades of aging via re-atomization. Chronic diseases vanish. Vaccine injuries reverse completely. Martial law locks down pedophile arrests worldwide as healing centers secure. DNA blueprints restored to peak vitality. Off-world tech liberated.

On Mon. 9 Nov. 2026: Fiat currency terminated at midnight as gold-backed QFS became the sole issuer of monies and NESARA/GESARA activated fully across 209 nations. Med Beds opened priority treatment for rescued children from global trafficking rings, restoring perfect health instantly. Starlink secured all communications while EBS prepared 8-hour documentaries exposing elite crimes and the fall of the Deep State.

On Tues. 10 Nov. 2026: Quantum internet reconnected after a blackout as Med Bed access cards distributed at secured centers requiring two forms of ID. Doctors and nurses trained for years deploy in every nation. Pharmaceutical executives face tribunals as free healing replaces all. Humanity enters age of free healing and prosperity. Disease eradicated permanently. The Light holds forever. Old system never returns. Global streams of miracles begin. Regenerative pods restored limbs and organs for veterans and trafficking survivors in minutes using plasma energy from Alliance tech. Military doctors reported complete success rates as the first wave of public healings began worldwide with zero complications.

On Wed. 11 Nov. 2026: Trump's epic Independence event confirmed free Med Bed access for every citizen as QFS rebirth locked gold-backed currencies in 209 nations. Age-regression chambers reversed decades of damage in under an hour while holographic units eradicated all cancers and chronic disease. The Cabal's medical monopoly ended as White Hats seized remaining pharma facilities and exposed suppressed cures from decades of secrecy.

W. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.
https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
