Judy Note: ***According to information contained in the below update:***

On Fri 13 Nov. the FAA grounded all planes across the United States, while at the same time lockdowns & sirens sounded off at US Bases in the UK.

The grounded planes appeared to be connected to a Microsoft email outage across the nation **on Thurs. 12 Nov**., and as 60 US Senators were linked to multi million bribe allegations.

Coincidences? I think not. Could the Tues. 17 Nov. Emergency Broadcast (EBS) scheduled test not be a test at all?

Military sources have confirmed that a standby code has been given and the EBS will be activated through the new Starlink Satellite System. It was set to announce recent concerning worldwide events to every mobile phone around the Globe.

Among those events was a shining light: the final stage of the Global Currency Reset (GCR) was underway and headed for a Worldwide Three Day Event, followed by a Ten Day Communication Blackout in order for the GCR to be implemented.

The Worldwide Blackout was so Trump's Global Military Alliance could finish up their arrests connected to over 500,000 indictments against the Satan worshiping Cabal Deep State. The Deep State had held US Taxpayer dollars hostage since at least 1913, while spending the monies into the ground, causing a fiat US Dollar and worldwide financial problems.

After the Ten Day Communications Blackout ended, all peoples of the World will be invited to Redemption Centers to open new financial accounts called "wallets." All funds in existing bank accounts have already been reflected in new accounts within the Global Financial System on Starlink.

On Thurs. 13 Nov. 2026 at 20:47 EST the Tier4b Internet Group was activated according to an internal confirmation memo that came through an encrypted channel on Q phones. It said: "Tier 4B Internet Group activated. Quantum GESARA framework live. Nesara/ Gesara/ RV synchronized public rollout phase."

The Tier 4B Internet Group was now considered a coordinated network of verified currency exchange/ Zim Bond Holders who have completed their foreign currency exchange or Zim Bond redemption appointments and were now connected through their Q-Phones.

The group is not public. It cannot be joined. It cannot be found. It cannot be infiltrated. You are either in it, or you are not. And if you are in it, you know. If you are in the Tier 4B Internet Group, you are already inside the new system.

If you are not in the group and you have bought foreign currency or Zim Bonds from an approved dealer, you are still on the list to contact for your appointment. You will be in the group when your appointment is complete.

The process of how to obtain an exchange/ redemption appointment at an official Redemption Center and become part of the group is coordinated by the Global Military Alliance. They have yet to divulge how they do it.

The group is the first layer of the new system. It is where the first projects are coordinated, the first funds are distributed, and the first sovereign decisions are made.

On Thurs. 12 Nov. At 05:58 pm EST a Tier 4B bond coordination office sent an internal notification confirmation through the encrypted channel. It said: "Bond holder notifications dispatched. 06:00 UTC. 2,400 recipients. Q-Phone confirmations required within 72 hours."

On Thurs. 12 Nov. 2026 morning at 06:00 UTC there were 2,400 Tier 4B bond holders (defined by their bond verification dates) across 14 regions of the Globe who received their first notification over Q Phones. It said,"Your bond status is confirmed. Your appointment window is open. Confirm within 72 hours." If the recipient does not confirm within 72 hours, the window closes and the recipient is moved to the next cycle.

The Bond Holder does not go to a bank for their money. They go to their Q Phone, which goes to the Quantum Financial System.

We have been told we will be given Q Phones at our exchange/redemption appointments. The Q-Phone is your access point to the Global Financial System.

The RV rates are locked. The NESARA debt jubilee is executing. The GESARA framework is live in 209 nations. The synchronization is complete.

C. THE COUNTDOWN HAS BECOME A REALITY…EBS Blackout on Telegram **Fri. 13 Nov. 2026**

A THREE-DAY EVENT IS FAST APPROACHING, DURING WHICH THE EMERGENCY BROADCAST SYSTEM WILL BE ACTIVATED THROUGH THE NEW STARLINK SATELLITE SYSTEM, WITH ANNOUNCEMENTS TO BE MADE TO EVERY MOBILE PHONE AROUND THE WORLD.

AFTER THE 10-DAY COMMUNICATIONS BLACKOUT ENDS, YOU WILL BE INVITED TO REDEMPTION CENTERS TO OPEN NEW FINANCIAL ACCOUNTS CALLED "WALLETS."

ALL FUNDS IN EXISTING BANK ACCOUNTS HAVE ALREADY BEEN REFLECTED IN NEW ACCOUNTS WITHIN THE GLOBAL FINANCIAL SYSTEM.

THE STANDBY CODE HAS BEEN CONFIRMED. ACCORDING TO MILITARY SOURCES, THE FINAL STAGE IS REPORTEDLY UNDERWAY.

D. Possible Timing:

In 1871 the independently owned by Cabal Global Financial System turned the American Republic into the privately owned corporation, US Inc.

By 1933 this Deep State Cabal had stolen all of the nation's financial assets including it's borrowed gold and was forced to declare bankruptcy.

By 2008 although the privately owned US Inc. Federal Reserve and IRS still collected all US Taxpayer monies, they couldn't even pay interest on gold they borrowed from the Chinese Elders to set up the US financial system. They began to print and spend a fiat US Dollar backed by nothing.

In 2017 right after President Trump's inauguration, he made a World Tour and all countries capitulated to him in order to participate in the Global Currency Reset and new Global Financial System.

On March 21, 2026 President Donald J. Trump secretly announced the restoration of the United States American Republic under authority of Article II of the U.S. Constitution.

Two years ago the Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

On Tues. 27 Oct. 2026 the Emergency Broadcast System (EBS) was activated.

On Sat. 7 Nov. 2026 Trump's Global Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the World's wealth into the new asset-backed Quantum Financial System (QFS) and declared a sovereign Debt Jubilee across 209 nations.

Also on Sat. 7 Nov. 2026, and with the era of fiat monopolies and illegitimate credential harvesting expiring, the Global Military Alliance ordered an immediate liquidation of the corrupt Federal Reserve, then routed the wealth through the secure gold and asset-backed Quantum Financial System (QFS).

By Sun. 8 Nov. 2026 Trump's Global Military Alliances' confiscation of bankrupt corporate assets had spread overnight to credit mainframes in Madrid, Zurich and other countries, which then lite up the global financial grid in red.

On Mon. 9 Nov. 2026 at 12:00:01 am UTC, SWIFT-the central backbone of international bank transfers since 1973-was permanently terminated, the old network completely offline. The gold/asset-backed BRICS System currency of 209 nations in the new Quantum Financial System, had already taken over. The corrupt corporate entity known as US Inc, created to enslave Americans with debt and endless conflicts of war against other nations, was now defunct, ending its foreign control over American Taxpayer monies.

On Wed. 11 Nov. 2026 at 9:00 am EST the original Constitutional Common Law legal framework was restored and the 148 year old American Bar Association was transitioning to practice Constitutional Common Law instead of Admiralty Law.

On Thurs. 12 Nov. 2026 at exactly 06:00 am EST the Quantum Internet - the decentralized, encrypted, unalterable network built on the ruins of the old internet - was opened to public access in 209 signatory nations. Every citizen with a verified sovereign identity now has access to a network that cannot be censored, cannot be monitored, and cannot be shut down. The old internet is being abandoned.

On Thurs. 12 Nov. 2026 at 13:07 pm EST the Quantum Financial System privacy layer activated and ISO 20022 gold-backed currency integration completed. Every transaction on the QFS was now protected by a quantum privacy layer that makes the transaction invisible to anyone outside the system.

On 17 Nov. 2026 at 2:20 pm EST radios and tvs across America will be interrupted by the National Emergency Alert System. ….Edward Snowden on Telegram **Wed. 11 Nov. 2026**

On Sun. 22 Nov. 2026 - the anniversary of the Kennedy Assassination - the new ISO 20022 international banking standards go into effect that will make it almost impossible to hide "dark money" anywhere in the World

Global Currency Reset:

E. TIER 4B INTERNET GROUP HAS BEEN FORMALLY ACTIVATED
...Christian B. Wallace Tier4b ISO20022 on Telegram **Thurs. 12 Nov. 2026**

On Thurs. 13 Nov. 2026 at 20:47 EST a sovereign coordination office sent an internal activation confirmation through the encrypted channel that said: "Tier 4B Internet Group activated. Quantum GESARA framework live. Nesara/ Gesara/ RV synchronized public rollout phase."

WHAT THE TIER 4B INTERNET GROUP ACTUALLY IS:

1. THE GROUP

• **The Tier 4B Internet Group is not a chat.** It is not a channel. It is not a forum. It is a coordinated network of verified participants who have completed their appointments and are now connected through the Q-Phone

• **The group is not public.** It cannot be joined. It cannot be found. It cannot be infiltrated. You are either in it or you are not. And if you are in it, you know

• **The group is the first layer of the new system.** It is where the first projects are coordinated, the first funds are distributed, and the first sovereign decisions are made

2. QUANTUM GESARA AKA TRUMPSARA

• **Quantum GESARA is the framework** that replaces the old GESARA. It is not a law. It is not a treaty. It is a protocol. It runs on the QFS. It is enforced by the quantum ledger

• **The framework includes the Quantum Financial System,** the Quantum Voting System, Quantum Healing, Quantum Physics, and the Quantum Internet. All of it is connected. All of it is live

• **The name "Trumpsara" is not official.** It is a shorthand. The official name is Quantum GESARA. The shorthand is used by the people who understand what it means

3. NESARA, GESARA, AND THE RV

• **NESARA is the national framework.** GESARA is the global framework. The RV is the revaluation of currencies. All three are now synchronized

• **The synchronization means that when one activates,** the others activate. There is no lag. There is no delay. The three are one

• **The RV rates are locked.** The NESARA debt jubilee is executing. The GESARA framework is live in 209 nations. The synchronization is complete

WHAT THIS MEANS FOR YOU:

• **If you are in the Tier 4B Internet Group**, you are already inside the new system. You are not waiting. You are participating

• **If you are not in the group**, you are still on the list. The group is not the list. The group is the first layer. The list is the door. You will be in the group when your appointment is complete

• **The Q-Phone is your access point.** Not your computer. Not your tablet. Not your old phone. The Q-Phone

WHAT TO WATCH FOR:

• **A notification that says** "Tier 4B Internet Group: Welcome." That is not a scam. That is the system

• **A Q-Phone that suddenly shows a new interface**. That is not an update. That is the group activating

• **A project that suddenly** gets funded without a review. That is not a mistake. That is the group working.

For years, people were told that NESARA and GESARA were promises. They were protocols. The protocols are now live. The Tier 4B Internet Group is activated. The Quantum GESARA is running. And the RV is synchronized.

F. CONFIRMED: TIER 4B BOND HOLDERS HAVE RECEIVED THEIR FIRST NOTIFICATIONS — THE GREEN LIGHT HAS BEEN GIVEN…Tier4b ISO 20022 on Telegram Thurs. 12 Nov. 2026

On Thurs. 12 Nov. At 05:58pm EST a Tier 4B bond coordination office sent an internal notification confirmation through the encrypted channel. It said: "Bond holder notifications dispatched. 06:00 UTC. 2,400 recipients. Q-Phone confirmations required within 72 hours."

WHAT ACTUALLY HAPPENED:

1. THE NOTIFICATIONS

• **2,400 Tier 4B bond holders received their first notification** Thurs. 12 Nov. 2026 morning at 06:00 UTC. Not an email. Not a text. A Q-Phone notification

• **The notification was three lines:** "Your bond status is confirmed. Your appointment window is open. Confirm within 72 hours."

• **The recipients are not all in one country.** They are distributed across 14 regions. The system did not prioritize by geography. It prioritized by bond verification date

2. THE GREEN LIGHT

• **The green light is not a metaphor.** It is a status on the Q-Phone. When it appears, the bond holder is cleared to proceed

• **The status is not permanent.** It is a window. 72 hours. If the recipient does not confirm within 72 hours, the window closes and the recipient is moved to the next cycle

• **A single line appeared on the coordination** terminal at 05:47 EST: "Green light active. 2,400 recipients. 72-hour window. No extensions."

3. THE BANKS ARE DONE

• **The banks are not part of this process.** They are not the intermediary. They are not the processor. They are not the verifier. They are done

• **The bond holder does not go to a bank.** The bond holder goes to a Q-Phone. The Q-Phone goes to the QFS. The QFS goes to the allocation. The chain has three links. The bank is not one of them

• **The banks are still open.** They are still processing. They are still there. They are just no longer relevant to the process. That is worse for them than closing

WHAT THIS MEANS:

• **ISO 20022 is the language.** Every transaction in the new system speaks it. The bond holder does not need to learn it. The Q-Phone speaks it for them

• **Tier 4B is the doorway.** Not the destination. The doorway. The bond holder walks through it and enters the system. The system does the rest

• **Timing is everything and the timing is NOW**. Not next week. Not next month. The 72-hour window is open. The green light is on. The door is open

WHAT TO WATCH FOR:

• **A Q-Phone notification from a 5-digit code.** Not a regular number. The 5-digit code is the system

• **A green light on your Q-Phone screen**. Not a message. A status. When it appears, you have 72 hours

• **A bank that suddenly cannot explain** why your wire is faster. That is not an upgrade. That is the bank being bypassed

For years, people were told the green light would never come. It came this morning. 2,400 bond holders. 72 hours. And the banks are done.

G. Judy Note: They have said we will be notified to set our currency exchange appointments by a secure website. Many readers have asked me what that was.

Truthfully, I don't have a clue. I'm sure they've worked out how to safely contact us, but I don't know how, where or when. There are many fraudsters out there who are hitting on Us, the Internet Group. I would caution you to not give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

THE DEATH OF THE CABAL'S FIAT CURRENCY BANKING SYSTEM

I. Common Law Declaration on Behalf of Chase Allan, Ammon Bundy, and Others …Tom Fairbanks **Fri. 13 Nov. 2026**

On March 1, 2023, a 25-year-old man, Chase Allan was fatally shot by Farmington Police in Utah, during a traffic stop for an illegitimate license plate. Allan was a Davis High School and Utah State University soccer player who had studied law and was involved in his mother's previous legal disputes with Farmington police.

The police officers stated that Allan asserted he was not subject to local laws and refused to exit his vehicle or provide identification and then attempted to draw a gun from a holster or floorboard before being shot multiple times. Allan was shot at least 12 times by 5 Farmington Police Department officers during the traffic stop. While his family and initial reports cited 12 shots, some bodycam analysis and witness accounts suggest the total number of rounds fired may have been higher, with some estimates reaching 20 or more.

The Davis County Attorney later ruled that the officers' use of deadly force was justified, declining to file charges because Allan refused to comply with commands and officers claimed to believe he was reaching for a firearm.

Reporters further stated that Allan's family, led by his mother Diane Killian Allan, labeled the shooting a "brutal murder," with his mother claiming her

son was shot while still inside his car, unarmed and likely terrified. - She also noted that they were not notified of Allan's death directly by police. Reporters also claimed that the family sued the Farmington police department, citing sovereign citizen beliefs that influenced Chase Allan's non-compliance.

> **Our God Given Rights, which Congress passed into law on October 4, 1982 (Public Law 97-280)** acknowledged that Biblical teachings were the inspired concepts of civil government that are contained in the Declaration of Independence and the Constitution of the United States and we are free and natural men and women, described by the Lord in Genesis 2:7 as a Living Soul, living under God's law and his grace alone.
>
> **As such, we have naturally assumed the Powers of the Earth**, granted by the Lord God Almighty, the Separate and Equal Station to which the Laws of Nature and Nature's God entitle Us dominion over all things. The Blessings of Liberty, for our ourselves and our posterity, is granted as a Birthright as "one" of a member of the Sovereign Social Body of "We the People," free and independent of any Legal Fiction.
>
> **However, the 14th Amendment defines a citizen as a person who,** by place of birth within the Unites States, the nationality of one or both parents, or through naturalization, is granted full rights and responsibilities as a member of the United States.
>
> **By its own definition**, the term "sovereign citizen" is an oxymoronic term, invented by law enforcement. For you can either be sovereign or a citizen, but you cannot be both.
>
> **The Supreme Court of the United States** ruled under the Clearfield Doctrine, derived from its 1943 decision in Clearfield Trust, et al, vs. United States, (328 U.S. 363, 318), in essence, that when a government reduces itself to a corporate status, it becomes merely another corporation, having no more or less standing than all other corporations.
>
> **The United States Supreme Court** then ruled in 2000, Bond vs. United States (529 U.S. 334-2000) that the Court held that the people are, in fact, Sovereign and not the States or government. The Court further went on to define that Local, State and Federal law enforcement officers are committing unlawful actions against the Sovereign people by the enforcement of laws and are personally liable for their actions. – (Disclaimer! The Quotation of the Privately Copyrighted Statutory Legislatively Created Case Law and State and Federal Statutes Pursuant to PL 88-244, December 30, 1963, is done without intent to create "use," violate any private copyright, or give legal advice to anyone, and stands so unless lawfully protested by any concerned party(ies))

Therefore, the claim that "Chase Allan's non-compliance, and his subsequent murder, was based on sovereign citizen beliefs" is sufficient evidence to show that Allan's God Given Rights, as a Sovereign, were violated by corporate officers, who are personally liable for their actions.

K. Tennessee is using a loophole through the foster care system to bring illegals into America …JFK Command Center on Telegram **Fri. 13 Nov. 2026**
Court order documented proof this is happening:

- **Tennessee Department of Children's Services** is taking undocumented kids and they're putting them in state's custody in the state foster care system
- **Then they are assisting these kids** into getting what's a court order from the juvenile court that says that they're abandoned
- **Then they get what's called** an order of abandonment
- **Then they get a special circumstances** juvenile immigration status and then of course once they get that they can bring their family over

"This is so clever on their part. You've got to remember how clever and how smart cartel immigration is. They make a lot of money on this. So I finally got my hands on a court order. I got my hands on a court order and I have a hard copy of it and it is all all about how they did this right here"

This is all US taxpayer funded. We are yet again paying to import illegals through a loophole a government agency discovered

This is probably happening in states all throughout America

M. Trump and a group patriots seized control of the Executive Branch and wrested power away from the Shadow Government…JFK Command Center on Telegram **Fri. 13 Nov. 2026**

Then they spent 20 months giving the country an eyeful of:

1. Over 1 trillion in taxpayer's money being stolen every year

2. How the Shadow Government at all three levels was involved in hiding the trillion dollar yearly theft [federal/state/ county-city]

3. shutting down the border and demonstrating the human/drug trafficking could have been stopped at any time over the last 50 years of the fake 'War on Drugs'

4. reversing over a generation of off-shoring of vital US industries and reworking the trade deals to actually benefit all Americans

Now we've reached the part of the movie where The Shadow Government Strikes Back!

Desperate to stop the exposure of their criminal operations, they have had to pretend the massive shift of the country towards Trump and MAGA for the past 11 years never happened, that instead in just a 21 month period the country made a massive bounding leap to the far Left.

They don't care how it looks. Its about stopping the exposure of their criminal networks, the shutting down of their criminal networks, the destruction of their criminal networks.

Now they're at the stage they have to sell you on the narrative that the country turned on the team of patriots that exposed all of this to you. Over gas prices. Over groceries. Over not doing a good enough job destroying the Deep State. Or something.

The Systems of Illusions is casting it's last, most glorious and most desperate illusion right now. "By doing all of the sick and evil things he did to America in the last 21 months, Trump has caused the entire nation to turn on him and move to the Insane Party!"

We'll see how America responds to the gaslighting this time. It's not 2020 any more.

The Great Awakening did not lead this country to turning on patriots in this White House

O. JENNIFER LAWRENCE THE WOKE HOLLYWOOD CUNT PAID A MAN $10,000 TO DESTROY PRESIDENT TRUMP’S STAR ON HOLLYWOOD BOULEVARD — AND THE COPS NOW HAVE THE PAYPAL TRANSACTIONS TO PROVE IT! …JFK Command Center on Telegram Fri. 13 Nov. 2026

This is what these liberal celebrities do when they lose. Los Angeles detectives are looking for Jennifer Lawrence after a man came forward and said she paid him $10,000 to smash up President Trump’s Hollywood Walk of Fame star.

Police have the receipts. They have the PayPal deposit before the crime and another payment the day after it happened.

Lieutenant Detective AJ Barron said it clearly: “Ms. Lawrence isn’t cooperating, which won’t work out well for her.”

She could be facing conspiracy charges for wanton property damage, which carries up to 2 years in a California prison.

Jennifer Lawrence spent years virtue-signaling and attacking conservatives… and now she’s getting busted for literally paying someone to vandalize the President’s star like a common thug.

These Hollywood elites think they can do whatever they want because they’re “famous.” They’re about to find out that doesn’t work anymore. The evidence is there. The payments are documented. She’s running out of time.

P. EXPOSED: THE SYSTEM THAT WAS BUILT TO KEEP YOU IN DEBT IS BEING DISMANTLED AND THE PEOPLE WHO BUILT IT ARE WATCHING IT HAPPEN….Charlie Ward Insider on Telegram **Fri. 13 Nov. 2026**

There is a room somewhere that no journalist will ever enter. Inside, a group of people who spent decades designing the architecture of debt are now watching it come apart - line by line, ledger by ledger. The system was never designed to last forever. It was designed to last until the replacement was ready.

WHAT THE REPLACEMENT ACTUALLY LOOKS LIKE:

• **Mortgages are not being "forgiven."** They are being reclassified. The legal framework that turned a home into a debt instrument is being rewritten, and when it is finished, the debt will not exist because the instrument that created it will no longer exist

• **Credit cards are not being "canceled."** They are being rendered obsolete. The entire concept of borrowing against future income was built on a fiat system that is being phased out. Without fiat, there is nothing to borrow. There is only what you own

• **Student loans are not being "wiped."** They are being invalidated. The contracts that tied a generation to a lifetime of payments were built on a legal fiction that is now being challenged in sealed tribunals. When those tribunals finish, the contracts will be void

• **Taxes are not being "cut."** They are being abolished. The entire tax framework you were born into was built to service a debt-based system. When the debt is gone, the tax has no purpose

This is a structural change that is already underway - in 209 nations, under GESARA, under Constitutional Law.

Q. Ukraine is essentially a giant CIA base, posing as a sovereign nation.
…JFK Command Center on Telegram **Fri. 13 Nov. 2026**

The CIA moved into Ukraine after the fall of the Soviet Union, looking to take advantage of the lawless and destabilized country, using it as an offshore proxy, outside the scope of US oversight.

It began with the Nunn-Lugar Act in 1991, and then carried on into 2005, when then Senators Obama and Lugar visited Ukraine, to inspect the former Soviet bio, chemical, and nuclear facilities (pictured below), and then added Ukraine to the Defense Threat Reduction Agency, and began turning these former Soviet facilities into "defensive research facilities", which opened the door for US contractors to establish their foothold in Ukraine, and set up their money laundering and racketeering operations, under the guise of "foreign aid".

Then the CIA funded Nazi militant groups in Ukraine which led to the outbreak of civil war in 2014 in the Donbas. Amidst the chaos, the US State Department, via Victoria Nuland, leveraged the situation to install US-loyal puppets, including the infamous leaked phone call between her and fellow State Department bureaucrat Geoffrey Pyatt, about ensuring "their guy" Yatsenuik, was installed as Prime Minister. The State Department, in tandem with the CIA, covertly took control of Ukraine via Color Revolution in 2014.

Putin recognized this. He knew that the US had destabilized and taken control of Ukraine, and recognized that the US were building a proxy army on his border, by funding, training, and supplying Ukraine with weapons, and trying to bring them into NATO. This was a red line for Putin, as he has said for decades. Russia have been invaded from the West too many times before, and will not tolerate a hostile standing army and long-range missiles on their border. Just like the US didn't like it when Russia tried to put nukes in Cuba in the 60's, Russia doesn't like the US trying to bring armies and weapons to Ukraine.

Essentially, Ukraine is an unofficial US territory and NATO member, and the Deep State donot want to lose out on their cash cow and strategic asset that is Ukraine, hence why they continue to send hundreds of billions of our tax dollars to protect Ukraine's border. They are using Ukraine as a laundry mat to funnel in hundreds of billions for the war machine, and also covering up their extreme criminality in Ukraine, including crimes against humanity for bioweapon development, human trafficking, drug trafficking, etc. All the things they can't get away with stateside, they do in Ukraine.

If the public knew the truth about the origins of US involvement in Ukraine, they would NEVER have supported sending a single penny to Ukraine. The narrative that Russia attacked Ukraine in 2022 "unprovoked", is war propaganda to make it appear Ukraine are the righteous defenders in order to garner your support, when in reality, The US started this conflict, they are the ones who brought war to Putin's doorstep, and the US are the ones perpetuating the war by continuing to fund and supply Ukraine.

Putin does not want to conquer all of Europe; he just wants NATO off of his border, and justice for US development of weapons of mass destruction in Ukraine, namely, gene-specific biological weapons/

R. Med Bed Treatment:

Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global Military Alliance will soon announce the availability of free Med Bed treatments around the Globe.

T. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

We are getting National Recognition and now have more than 500 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession. https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
