Judy Note: The below is a summary of information found in the Sun. 15 Restored Republic via a Global Currency Reset Update Report:

On Tues. 17 Nov. At 2:20 pm EST, TV, Internet and Radio across America will be interrupted by the National Emergency Alert System (EBS).They say it's only a test, but was likely to be followed by a Worldwide Blackout and Ten Days of Communication Darkness. The new Starlink Satellite System will take over the media to broadcast eight hour documentaries 24/7 that expose the Satan worshiping Cabal and their evil plan to take over our lives.

A Worldwide Blackout will come in rolling waves. Not every city at once. Martial Law will protect The People while the Global Military Alliance makes mass arrests and the Global Currency Reset goes into it's final phases. At the end we will find ourselves freedom from Cabal debt.

Be prepared with cash, food and essentials to cover the ten days. Banks will be closed. ATMs will not work. There will be times when the internet and your phone may not be available.

On Sat. 21 March 2026 in a historic, yet secretive declaration, President Donald J. Trump had officially announced restoration of the American Republic. The corrupt corporate entity known as US INC was then dissolved, ending its foreign control over the nation. With the American Republic came Common Law sovereignty, reestablishing the true Constitutional Republic and freeing the people from decades of tyranny.
Eight months later by Sat. 14 Nov. 2026, a Global Military Alliance Sting Operation was almost complete and a ten year Military Operation entered it's final phase knowing that the 2026 Election would not be certified. Trump was executing a Military Operation and the 2026 Election was the last stage of the Sting. The Republic was being restored. You're watching the Endgame.
https://t.me/JFKJRCOMMANDCENTER

The Deep State has been legally overthrown. The corrupt corporate entity known as US INC has been dissolved, ending its foreign control over the nation while reestablishing the true Constitutional Republic. Common Law Sovereignty has returned. Admiralty law is dead. The globalist occupation has collapsed. Power flows back to We the People, freeing us from decades of tyranny.
This monumental move was grounded in the authority of Article II of the U.S. Constitution. President Trump has summoned all flag officers of the Armed Forces, binding them under the Uniform Code of Military Justice to follow the Commander-in-Chief without question.

On Trump's Agenda was to break up the FBI and CIA in order to bring back the Office of Strategic Services (OSS). Both agencies have been wrought with corruption while following the Deep State Agenda to rule the World through their Mind Control programs which started after World War II.
https://rumble.com/v7icpro-wtpn-situation-update-featuring-restored-republic-and-more..html?e9s=src_v1_ucp_a).

On Fri. 13 Nov. 2026 evening President Trump signed two Executive Orders. One essentially killed the IRS and "forever barred it from examining tax returns or prosecuting taxpayers" according to the Department of Justice.

The second EO opened the Federal Reserve to digital assets and non bank institutions without a banking license. In other words, Trump opened the door to a system that doesn't need banks.

Behind all this was the new gold/asset-backed Quantum Financial System (QFS), which was already live. Every US sovereign citizen was assigned a quantum ledger tied to their birth certificate bond - the value they stole from you the day you were born. Your birth certificate has been traded as a security since 1933. Your Social Security Number was a bond tracking number. Every human was worth between $100,000 and $450,000 in stolen compound interest, unlawful debt and seized labor value.

The QFS was possible because of activation of the GESARA (global) NESARA (national) Laws. GESARA Article 21 was about debt nullification. GESARA made it possible to calculate every mortgage, student loan, credit card and medical bill charged global citizens with unlawful compound interest since 1971. It was being encoded into individual ledgers on the new Quantum Financial System as you read this.

The gold was in Fort Knox: 147.3 million ounces. But the audit team that entered **Sat. 14 March 2026** under Executive Order 14271 found MORE. Gold repatriated from the Vatican Bank, Bank of England and Basel that was nowhere on any public ledger. Total value: $43 trillion - that backs the new currency.

Tier 4B notifications started 96 hours ago, or on **Tues. 10 Nov. 2026. Redemption Centers had been established** in 800 locations and waiting for ONE sign: Trump walking into Fort Knox on camera and opening that 20 ton door. **When he opens it** — the EBS fires, locking in the new Quantum Financial System (QFS).When the QFS locks your debt, your debt disappears. When your debt is gone you are liberated. They kept you as slave for 53 years. Every dollar you "owed" was a lie.

We are in debt because the Satan worshiping Deep State Cabal has been controlling our monies since the late 1800s. The Cabal is pretty much headed by Jacob Rothschild's bloodline and there was not much that they weren't involved in.

A. ***What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:***

In 1871 the independently owned by Cabal Global Financial System turned the American Republic into the privately owned corporation, US Inc.

By 1933 this Deep State Cabal had stolen all of the nation's financial assets including it's borrowed gold and was forced to declare bankruptcy.

By 2008 although the privately owned US Inc. Federal Reserve and IRS still collected all US Taxpayer monies, they couldn't even pay interest on gold they borrowed from the Chinese Elders to set up the US financial system. They began to print and spend a fiat US Dollar backed by nothing.

In 2017 right after President Trump's inauguration, he made a World Tour and all countries capitulated to him in order to participate in the Global Currency Reset and new Global Financial System.

C. Possible Timing:

On March 21, 2026 President Donald J. Trump secretly announced the restoration of the United States American Republic under authority of Article II of the U.S. Constitution.

Two years ago the Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

On Tues. 27 Oct. 2026 the Emergency Broadcast System (EBS) was activated.

On Sat. 7 Nov. 2026 Trump's Global Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the World's wealth into the

new asset-backed Quantum Financial System (QFS) and declared a sovereign Debt Jubilee across 209 nations.

Also on Sat. 7 Nov. 2026, and with the era of fiat monopolies and illegitimate credential harvesting expiring, the Global Military Alliance ordered an immediate liquidation of the corrupt Federal Reserve, then routed the wealth through the secure gold and asset-backed Quantum Financial System (QFS).

By Sun. 8 Nov. 2026 Trump's Global Military Alliances' confiscation of bankrupt corporate assets had spread overnight to credit mainframes in Madrid, Zurich and other countries, which then lite up the global financial grid in red.

On Mon. 9 Nov. 2026 at 12:00:01 am UTC, SWIFT-the central backbone of international bank transfers since 1973-was permanently terminated, the old network completely offline. The gold/asset-backed BRICS System currency of 209 nations in the new Quantum Financial System, had already taken over. The corrupt corporate entity known as US Inc, created to enslave Americans with debt and endless conflicts of war against other nations, was now defunct, ending its foreign control over American Taxpayer monies.

On Tues. 10 Nov. 2026 Tier 4B notifications began in regional groups, starting in Asia, going East to West across the World.

On Wed. 11 Nov. 2026 at 9:00 am EST the original Constitutional Common Law legal framework was restored and the 148 year old American Bar Association was transitioning to practice Constitutional Common Law instead of Admiralty Law.

On Thurs. 12 Nov. 2026 at exactly 06:00 am EST the Quantum Internet - the decentralized, encrypted, unalterable network built on the ruins of the old internet - was opened to public access in 209 signatory nations. Every citizen with a verified sovereign identity now has access to a network that cannot be censored, cannot be monitored, and cannot be shut down. The old internet is being abandoned.

On Thurs. 12 Nov. 2026 at 13:07 pm EST the Quantum Financial System privacy layer activated and ISO 20022 gold-backed currency integration completed. Every transaction on the QFS was now protected by a quantum privacy layer that makes the transaction invisible to anyone outside the system. Microsoft 365 went down worldwide. Outlook teams and copilot out for around 24 hours in 70+ countries. Microsoft claimed, "It was an upgrade issue "not related to Cyber or AI."

Fri. 13 Nov. 2026: The FAA grounded every departing flight in the US after a communications failure at Air Traffick Control Centers. About 15,000 flights hit. Grounding lifted at 01:15 UTC. Department of Homeland Security: "No sign of an attack."

Fri. 13 Nov. 2026 Evening: Workday used by 11,500+ organizations, goes down. Workday says an issue in it's Disaster Recovery Backup caused inconsistent data in it's live system, so it put Systems into maintenance. Walmart, Target, Chipoltle and Skechers workers reportedly locked out of pay, benefits and time off.

On Sat. 14 Nov. 2026 Martial Law began as more than 100 million military were stationed around the World to arrest mafias, corrupt clans, pedophiles, drug traffickers and Illuminati Deep State including the Rothschilds.

1. THE DARKNESS
• **The darkness is not a metaphor. It is a phase.** The old systems are going quiet. The old networks are going silent. The old narratives are going dark
• **The darkness is not the end. It is the transition.** The system does not announce itself with light. It announces itself with the removal of the old light
• **The breakthrough is imminent.** Not next month. Not next year. Imminent. The system is at the threshold

2. THE MILITARY EBS
• **The Military Emergency Broadcast System** is on standby. Not active. Standby. The difference is one word: authorization
• **When it activates, it will not be a warning**. It will be a revelation. The truth that has been hidden for generations will be broadcast on every screen that can receive it

• The Wealth Redistribution is queued. It is not a promise. It is a queue. The queue is moving. The redistribution is next
WHAT THIS MEANS:

• **The EBS is not a threat. I**t is a tool. The military is not your enemy. They are the ones securing the transition. Stay out of their way. Stay indoors. Stay calm
• **The Quantum Governance Framework is not a theory. It is a structure**. It is already built. It is waiting for the darkness to pass so it can be seen

WHAT TO WATCH FOR:
• **A screen that goes dark and does not come back on.** That is not a malfunction. That is the EBS
• **A military vehicle that passes your house without stopping.** That is not a patrol. That is a staging
• **A Med Bed center** that opens without a sign. That is not a clinic. That is the future
The breakthrough is imminent. The EBS is on standby. And the new era is waiting.

I. BREAKING UPDATE: President Trump Declares the Restoration of the American Republic — "US INC." DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS. …JFK Jr. Command Center on Telegram **Sat. 14 Nov. 2026** https://t.me/JFKJRCOMMANDCENTER

On Sat. 21 March 2026 in a stunning and historic declaration that patriots have awaited for years, President Donald J. Trump officially announced restoration of the American Republic. The corrupt corporate entity known as US INC has been dissolved completely, ending its foreign control over the nation. Common law sovereignty has returned in full, reestablishing the true Constitutional Republic and freeing the people from decades of tyranny.

This monumental move is grounded in the authority of Article II of the U.S. Constitution. President Trump has summoned all flag officers of the Armed Forces, binding them under the Uniform Code of Military Justice to follow the Commander-in-Chief without question. Corrupt civilian channels are bypassed as the military realigns to protect the reborn Republic with unwavering loyalty.

The fraudulent structure of US INC, created to enslave Americans with debt and endless conflicts, is now defunct. Admiralty law is dead, and the globalist occupation has collapsed. The Deep State is legally overthrown as power flows back to We the People. This is the Great Awakening in action, with the white hats executing the final phase of the plan to secure America's destiny.

Patriots across the land are rising up in celebration as the storm arrives in full force. The cabal is in complete panic, their empire of lies crumbling rapidly. With this declaration, the path opens for massive reforms including prosperity distributions and the dismantling of oppressive institutions. Every sovereign citizen will soon experience true freedom and abundance like never before.

The Republic stands reborn stronger than ever under President Trump's leadership. No more manipulation by hidden powers. Common law brings justice and liberty for all. The military stands guard to ensure a smooth transition, exposing and bringing to account those who betrayed the nation. This victory belongs to all who fought in the shadows and held the faith.

As the news spreads like wildfire among truth seekers, the excitement cannot be contained. The restoration signals the end of the old guard and the dawn of a golden

age for America. United patriots must stay vigilant and spread this truth far and wide. The best is yet to come as the Republic thrives once again, delivering on the promises of freedom and sovereignty for generations.

J. IMMINENT For weeks the grid has been whispering the same pattern: banks "pause," satellites "re-calibrate," tickers "glitch," courts "seal," anchors "out sick." That's not noise. That is staging. …Project Odin Military EBS on Telegram **Sat. 14 Nov. 2026**

WHAT IS COMING

• **Worldwide blackout in rolling waves.** Not every city at once. It will look random. It is not.
• **Martial Law** overlay to keep streets quiet while the old rails are drained.
• **Mass arrests** that will appear as resignations, illnesses, flight delays, canceled pressers.
• **Global Currency Reset** that flips value from paper promises to asset weight.
• **Freedom from Cabal debt** as legacy ledgers convert to zero or fulfilled.

WHAT YOU WILL SEE FIRST

1. **Local power flickers** followed by identical "maintenance" notices across unrelated providers.
2. **News channels looping** the same frame. No live panels. No call-ins.
3. **Payment apps timing out** at login, then reopening with a "new terms" screen.
4. **Airport boards that show "ON TIME"** while terminals are held at the gate.
5. **A short tone on radio and TV**, then a quiet screen. Do not panic. That is the bridge.

WHAT IT MEANS

The blackout is the curtain so the crew can change the set. Martial Law is the lock so no one runs the old tricks. The arrests are the receipts that everything you suspected was not only real, it was systemic. The currency reset is the power cord finally plugged into the right outlet. Debt freedom is the first breath after years underwater.

HOW TO MOVE THROUGH IT

• **Charge devices now.** Screenshot critical info. Keep one device in airplane mode.
• **Turn off auto-updates** after the first tone. You do not need a surprise patch mid-sequence.
• **Cash on hand for 72 hours**. Water, light, calm.
• **Do not chase rumors.** Markers will be simple and public.

MARKERS I WILL POST

• **Market feeds that return** "DATA VOID" for more than 6 minutes.
• **Government portals** that show 888.88 or 0000.00 in place of numbers.
• **The first tribunal docket timestamp.** You will know the names.
• **QFS wallet prompts** that pair to biometric identity without Quantum ID Card.
• **GESARA credits labeled** "reconciliation" or "fulfilled."

AFTER

When screens return, balances will not look like yesterday. Student debt and revolving credit show closed. Mortgage entries say fulfilled or reconciled. Pension

values float to a gold index instead of dollar inflation. You will feel the room change before you understand why.
Do not let fear write the story for you. The cabal sold you a lifetime lease on your own future. That contract is about to be void.

M. 64 babies were victims of rape in daycare centers in Amsterdam. One of them was near a Zandvoort child pornography distribution hub connected to the

DUTROUX Case. …Nesara Gesara QFS on Telegram **Sat. 14 Nov. 2026**
The Dutch authorities had known about the network dedicated to producing images of babies being raped in daycare centers since Marcel Vervloesem presented his revelations in case file 8257/01, registered on March 14, 2001, with the court in Neufchâteau.
Vervloesem reported information provided to him by Robert Jan Warmerdam, a transgender man who frequented Amsterdam's sadomasochistic scene and knew Marc Dutroux. On one occasion, Jan Warmerdam met with Dutroux to discuss the abduction of six girls and the murder of four of them. Dutroux mentioned the existence of a daycare center without video surveillance where babies were drugged and sexually exploited.
The Dutch authorities reopened the case of Robert Mikelson, an 18-year-old Latvian who, in September 2002, was transferred to a daycare center in Heidelberg, Germany, through a project funded by the European Union. His contract ended in June 2003 when he was arrested for possession and distribution of child pornography. After being sentenced to a suspended one-year prison term, he moved to Amsterdam.
Mikkelson lived with Richard Van Olffen, a Martijn acquaintance and bus driver who ran thirty websites featuring sadistic child pornography. Between 2004 and 2006, Mikelson worked at the "Community School," a center that was renamed "Het Hofnarretje" between February 2007 and June 2008.
In August 2008, two mothers accused him of sexually abusing their children, who were two and a half years old, by manipulating their genitals. His lawyer allowed Mikkelson to flee to Kenya, where, starting in the fall of 2008, he worked at an orphanage in Nairobi that housed 17 minors and provided food to 60 children living on the streets.
The Netherlands closed the case based on the opinion of a forensic psychologist, who considered the children's accounts unreliable. Mikkelson returned to Amsterdam and, between October 2009 and January 2010, worked at the daycare center "Jenno's Knuffel Paradijs," located at 74 Admiraal Ruyterweg, a short walk from one of the child pornography studios in Zandvoort. He offered his services as a childminder at very low prices.
However, a U.S. arrest warrant achieved more than the European Union had managed in 22 years. The Dutch authorities ordered Robert Mikelson's arrest on December 7, 2010, but gave his husband, Richard Van Olffen, four days to delete the data from the computers.
The media call him "The Monster of Riga," without explaining why it took them 12 years to be outraged by the images of raped babies that were part of the Zandvoort archive.
The real monsters are those who covered up this network of pedophiles, which involved depraved and powerful individuals, as well as child murderers.

P. City of London - financial center of the World: The Clean-Up Continues: The British Elite. …Carolyn Bessette Kennedy on Telegram
There's not much that Lord Jacob Rothschild's bloodline was not involved in.
The Inception of **Israel.**
The Implementation of the **Federal Reserve**.
The **9/11 False Flag**.
The **War on Palestine**.
The **Human Hunting Parties**.
The British Empire — The United Kingdom, Canada, Australia, New Zealand, India, 19 African Countries, and the Caribbean.
From Grand Jury Quote: Their headquarters are in the City of London, one square mile, the financial center of the world. The City of London isn't governed by the British government but reigns supreme over it.
The City of London has its own courts and police and has never been challenged in its sovereignty. It rules over the Crown and much of the Earth. The British elite believe they have the right to enslave humanity, which they consider their 'livestock'.
In their views they own the population — body, mind and soul. Democracy is an illusion, while the City of London pulls the strings. This elite made several attempts at a 'New World Order', all of which failed. They almost succeeded in reigning in the United States but failed there too.
Texas is on its way to liberating itself from the Federal Reserve Cartel, along with 40+ other states employing a new monetary system. All personal debt is in fiat USD.
Once we switch currencies, we are no longer tied to the debt slavery of the banking sector, which will collapse with its derivatives market connected to the Federal Reserve, absorbed by the US Treasury years ago.
We are seeing the end of a regime that wanted to take over the world. Key players are being removed, and their intelligence agents have lost their iron grip on governments.
Thanks to the EPA case. Thanks to the Basel 3 rules. Thanks to the 40+ states returning to the Gold Standard.
Why is BlackRock pulling out of the Climate Agenda? They can no longer depend on three-letter agencies to extort, bribe, blackmail, or threaten US politicians into drafting bills that force compliance with an agenda eroding this country.
Didn't you find it funny that the United Nations was "temporarily" shut down because it couldn't pay its electricity bill? People hell-bent on world domination can no longer afford utilities, despite owning a bank that printed money out of thin air.
God has a sense of humor too. Now you are seeing Lord Jacob Rothschild removed from this planet. This must have Benjamin Netanyahu nervous.
People, understand how deep this is. This bloodline, since 1871, is responsible for why we are behind on life-changing technology that we anticipate will soon change the world forever.
Investigations into corruption from British Crown monopolies and City of London money point back to around 1870, when revolutions were carried out by the British elite.
These revolutions revolved around containing productivity and preventing intellectual growth among native peoples of the British Empire and competing nations like America.
There was a revolution in mind space, a term used since 2010 by the British Cabinet Office.
• **A revolution in education** offered to Western schoolchildren

• **A revolution in intellectual property** theft by the elite
• **A revolution in healthcare** and free access to it
• **A constitutional revolution** from British Liberal democracy
They built a system making it difficult for people like Jared Rand to create technology activating all strands of your DNA. You would be super intelligent, athletic and youthful throughout aging. No walker. No cane. No wheelchair. No prescription pills. No arthritis. No Alzheimer's

Q. In Haiti, they told the Haitian people the Clintons came to save Haiti. …Edward Snowden on Telegram **Sat. 14 Nov. 2026**
After the earthquake in 2010, the world watched Port au Prince crumble, and then the saviors arrived. Bill Clinton became the UN Special Envoy to Haiti. Hillary Clinton was Secretary of State, controlling America's aid. And the Clinton Foundation was right there, raising money in Haiti's name. Husband approving the projects. Wife controlling the money. Foundation collecting the donations. That was a family business.
The World pledged 13.5 billion dollars. America pledged 4 billion. It was supposed to rebuild a nation. Instead, it rebuilt bank accounts in Washington.
Less than 40 percent of that money was ever spent inside Haiti. Only 2 percent of US aid ever reached Haitian organizations. The rest went to American contractors, foreign NGOs, and the UN: a circle of friends getting rich off someone else's tragedy.
Caracol Industrial Park, their great flagship, their promise of a New Haiti. Three hundred million dollars of taxpayer money, built on prime farmland. Farmers were kicked off their land to make room for it. They promised 65,000 jobs. What Haiti got was 10,000 low-wage sewing jobs for a South Korean company. Bill and Hillary cut the ribbon and smiled for the cameras. Haitians called it a sweatshop.
They promised hundreds of thousands of homes. They spent half a billion dollars on housing, and they built 6,000 houses. Years later, millions were still sleeping in tents, with no water, no electricity, and no roads, while the Foundation kept fundraising.
A company called VCS Mining, with a Clinton Foundation donor sitting on its board, suddenly got one of the rarest things in Haiti: a gold mining permit. In a country where those permits are almost impossible to get. Donate to the Foundation, get a deal in Haiti. That was the deal.
Haitians don't call this mismanagement. They call it theft. Billions came in, cholera brought in by UN troops killed 10,000 people, and Port au Prince still has no reliable water, power, or roads. The Clintons left with their reputation intact. Haiti was left poorer.
This is how the liberal elite works. They find a poor Black country, use it as a charity poster, fly in, take photos with crying children, raise billions, hand the contracts to their friends, and then blame corruption in Haiti when nothing gets built.
The real corruption was never in Haiti. It was in Washington, and it was in the Clinton Foundation.
If a Republican had done this, it would be called a crime. Because the Clintons did it, they called it philanthropy.
Haiti didn't need saviors. Haiti needed to be left alone to rebuild with its own money. The Clintons didn't save Haiti. They looted Haiti.

R. **“When all is exposed, 98% of Washington will fall.” …Emergency Broadcast System, Julian Assange on Telegram Sat. 14 Nov. 2026**

I've been reading the Epstein files. What’s inside them is horror and evil beyond language. Pedophilia. Rape. Cannibalism. Child Sexual Abuse. Kidnapping. Trafficking. Children spoken about as food. Code words like pizza. Photographs of molds taken from real children’s body parts used as decorations. The elite. The parties. The auctions. Major corporations involved.

Businesses woven into everyday American life, including the company nearly every school uses for student photos. This was protected. Investigations obstructed. Evidence buried or destroyed. Sweetheart deals granted. Victims silenced with threats, NDAs, settlements, and intimidation.

This was financed and laundered through shell companies and complex money trails. It was international. Multiple countries. Multiple jurisdictions. Not one island. Not one network.

Recruitment pipelines where children were groomed, coerced, and forced to recruit other children. Abuse discussed casually. Suffering treated like logistics. Blackmail. Documentation used as leverage. Powerful people insulated by proximity to politics, royalty, and intelligence-adjacent circles.

Out of thousands of children referenced, named, or implied, only around thirty are accounted for. The rest are missing. Erased. Unanswered.

People joking about what they’ve done. Joking about what they plan to do next. This is not conspiracy. This is documentation.

I do not know how one could witness what happened on Epstein Island and not turn away. This is the kind of evil that makes hell seem embarrassed. No deity, no devil, no myth feels sufficient to hold it.

What is in these files is so grotesque, so deliberate, so organized, that every single party involved must be held accountable. Not some. Not a few. All of them.

Your politics do not matter here. Democrats and Republicans are named. Celebrities and CEOs are named. Corporations are named. Defending any of them over the safety of children is complicity. We must stand together, united beyond party, fame, or wealth, to end this evil and protect every child.

WE ARE NOT ANGRY ENOUGH!!!!This is also your reminder, if you read them, to take breaks. Step away when your body tells you to. Drink water. Ground yourself. You are allowed to protect your nervous system while demanding justice. Reset is not complacency. It is survival.

U. Dems Threaten GITMO Staff with a "Reckoning,"; White Hats say "Bring it On"…Emergency Broadcast System **Sat. 14 Nov. 2026**

The day after Democrats vaporized Republicans in the midterm election, Staff Judge Advocate Major General David Bligh at GITMO received an unwanted email from California House Representative Robert Garcia, Ranking Member of the House Oversight Committee, a White Hat source told Real Raw News.

The email, he added, was replete with opaque but unenforceable threats. For example, Garcia advised Gen. Bligh to "lawyer up" because he and his predecessors would soon face a reckoning with no escape. Garcia beseeched Gen. Bligh to respond with a list of all United States citizens "Trump's secret police" had abducted and dragged to GITMO over the last 12 years. "You are hereby put on notice to retain all correspondence, records, video, and photographs, and to, within ten days of receipt of this email, respond with a list of names of all persons unlawfully arrested and detained at Naval Station Guantanamo Bay, to include the names of living prisoners and people you executed on President Trump's orders," Garcia wrote.

Moreover, Garcia wrote that he and members of the newly elected Democratic Congress would be traveling to GITMO on January 10, 2027, to liberate any United States citizens unlawfully imprisoned at Camp Delta.
"MAGA is over," Garcia wrote. "Your kangaroo court tribunals are over. Welcome to a new dawn; we're in charge now, and your days are numbered."
"Not the first time the Deep State threatened or attacked us," our source said.
In December 2022, the late Lloyd Austin sent a threatening letter to General Eric M. Smith's esteemed predecessor, esteemed Marine Corps General David H. Berger, ordering him to cease all White Hat operations and surrender himself to the also deceased Merrick Garland. Gen. Berger had responded appropriately: he shredded the letter.
Days later, Armed Forces—Black Hats—who had sworn fealty to Biden, Austin, and Garland launched a Christmas Day attack on GITMO. Twenty-two White Hats were killed or wounded but repelled the would-be invaders.
"Gen. Bligh doesn't respond kindly to threats, either," our source said. "If Deep State Democrats try showing up here by boat or plane, they'll be shot down or blown out of the water. We follow the lawful orders of the commander-in-chief, President Donald J. Trump, not a bunch of woke-ass Dems. They can bring it on if they want, but the only way they'll leave GITMO is in body bags."

X. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.

https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to

interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
