A Fight Between Good & Evil

Trump Global Military Alliance in Largest Military Operation in History To Liberate World from Satan Worshiper Global Elites Involved in International Child

Sex Trafficking Run by Vatican & Israel With Roots In Illuminati Khazarian Mafia, Roman Empire & Ancient Queintus Tribe Claiming Heritage From Cain

"There is always Light. If only we're brave enough to see it. If only we're brave enough to be it."

…Amanda Gorman

Judy Note: According to Military sources the World was in the midst of the largest military operation in history. It's purpose: to liberate us from multi-generational Satan worshiper Global Elite Cabal, who were involved in an international Child Sex Trafficking Ring run by the Vatican and Israel.

History claimed their Illuminati Luciferian roots stretched back to the ancient Roman Empire, Khazarian Mafia and some say even to the ancient Queintus Tribe who claimed their heritage was from Cain.

The Q Movement to fight this evil of of all evil Cabal began with patriot military generals at the Pentagon after Lincoln's assassination. The movement gained great strength upon the assassination of President John F. Kennedy. Both US Presidents were trying to get rid of the independently owned Federal Reserve who had illegal control of US Taxpayer monies since the late 1800's.

In 2015, U.S. Pentagon Patriot military generals asked Donald Trump to run for president, with assurances that the election would not be rigged. Fortunately, Mr. Trump won, and then turned over his authority to the Military before leaving office.

Since Obama had pardoned treasonous Cabal members, Trump wanted to catch politicians in the act of performing new crimes against humanity - which he did, including a soon to be announced massive election fraud for the past ten years. The Military had counted official watermarked election ballots and had all the proof of fraud on hand.

President Trump and the Earth Alliance have succeeded in removing the Cabal from various positions of power and influence around the world, often through surrender negotiations.

Saudi Arabia, Israel, the Vatican, EU, NATO, Japan, North Korea, China, Vietnam, India, Brazil, Russia, Argentina, Canada, Germany, Queen Elizabeth, King Charles and the Luciferian Illuminati cult have all surrendered.

US Armed Forces report that the Global Military Alliance was preparing to activate temporary Martial Law. They would suspend all communications, Internet, phone and TV services for ten days while they made mass arrests of the Satan worshiping, pedophile traitor politicians and Global Elites. Emergency services will remain active, but everything else was about to become inoperative.

"Military Broadcast System went online Sun. 15 Nov. At 04:00 UTC. Banking reset protocol has been initiated. Quantum system was activated. Curfew windows in effect."

Preparation for Ten days of Communication Darkness appeared to begin last Fri. 13 when the FAA ordered every US Airport to ground flights for over four hours. At the time over 3,500 planes were in the air, when nearly 10,000 flights canceled during the longest shutdown since 9/11 began.

Some say they were getting ready for next Tues. 17 Nov. 2026 when a Emergency Broadcast test was scheduled to blast out nationwide.

In the last five days there have been at least seven major warning signs of the battle of Good against Evil.

Banks: The FBI warned of an AI Hacking tool behind break-ins at 16 banks and finance firms in South Korea. Around 67,000 people were hit.

Supermarkets: Hackers made the fridges defrost in up to 700 French Supermarkets. Food was thrown out. Stores in eleven more countries were hit.

In Spain about four million joined the first general strike in 14 years

Canada was warning their people to be ready for at least 72 hours without power or running water.

People in the UK were told to store at three days of food and water. Their bottled water sales jumped 67%.

There were 18 countries, plus the EU who were warning citizens to store supplies at home, like three days of food and water, plus cash as there was no way to access your bank account if the bank was closed and ATMs, credit and debit cards didn't work.

At exactly 03:00 am EST on Fri. 6 Nov. 2026 the Starlink Quantum takeover of the Internet and global communication grid completed, with the 10,413 Starlink Satellite Network locked into full control. Every node on Earth was now reachable in 11 milliseconds. The old internet was built on fiber-optic cables that took 70-100 milliseconds to cross the Atlantic. The new grid was instantaneous, with distance erased and censorship no longer possible.

The Emergency Broadcast System(EBS) that was hijacked on October 27 was now fully integrated into the quantum mesh. The truth can be streamed to every screen on earth simultaneously, in 11 milliseconds.

On Sun. 15 Nov. 2026 at 12:04 EST a sovereign banking coordination office sent out a message that said: "Swap line closures confirmed. Three central banks. Effective 11:00 UTC. No replacement requested."

For 80 years, the bank's dollar swap line network was the backbone of global finance, allowing them to borrow dollars in a crisis. Now three large banks have removed their connection to it because they have connected to the new Quantum Financial System (QFS) rails and do not need the dollar. The QFS provides direct settlement in Rainbow Units. The Central Banks that closed their lines are now settling directly with each other.

On Sun. 15 Nov. at 03:44 UTC a full tanker of crude oil was delivered and for the first time, paid for in gold/asset-backed Rainbow Units, not the fiat US Dollar. The transaction took 4.2 seconds and without referencing a US bank. Not one.

The paperwork was built on the gold/asset-backed ISO 20022 framework. Oil was the most traded commodity on Earth. For 52 years every barrel was priced in dollars as the reserve currency. No more. When oil settles outside the dollar, the dollar loses its reason to exist as a global currency. Because of this and over the next few months, the fiat US Dollar was set to collapse.

At exactly 12:00:01 am EST on Sun. 15 Nov. 2026 a sovereign Debt Jubilee was formally declared across 209 nations. The $36 trillion in US national debt - the number that has been used to justify austerity, cuts, and the enslavement of generations - was erased from the QFS ledger in a single stroke. The 209 nations that signed the GESARA framework have all had their sovereign debt erased. The interest payments on the national debt - the billions that were paid to the central banks every year - are gone. The money that was flowing to the old system is now flowing back to the people. The QFS ledger is processing the refunds.The old system that was built on debt slavery is being dismantled.

According to military contacts the Tier4b (Us, the Internet Group) started foreign currency exchange and bond redemption appointments last **Thurs. 5 Nov. 2026** in Asia. They appear to be working East to West, with us in the US being the last to be contacted with a code and 800 number to call to set the appointment.

A.What appeared to be the currency exchange/ Zim Bond redemption Process (This is an unverified guess):

1. **The Military verifies** that you are you and you hold Zim Bonds and/or foreign currencies to exchange. How they do that has yet to be explained.
2. **The Military** sends you a Q Phone.
3. **The Military** contacts you through that Q Phone and gives you a code and a 800 number to call for your appointment.
4. **You call the 800 number** through your Q Phone and identify yourself through voice, eye and thumbprint. You give them your code. They instruct you from

there on setting your appointment at a Redemption Center, not a bank. Banks are NOT part of the process.

5. **You can only call the 800 number once** and use the code only once, then the code is destroyed. Do not give it to anyone else.

6. **The Military contacts are also saying that those who have not completed** their exchange/ redemption appointments by 1 Dec. will be sent a Q Phone and will not have to go into a Redemption Center, but can complete appointments over the Q Phones sent to them.

On Sun. 15 Nov. 2026 at 05:58 am EST a Tier 4B bond coordination office sent a notification confirmation that said, "Bond holder notifications dispatched. 06:00 UTC. 2,400 recipients. Q-Phone confirmations required within 72 hours."

D. ***What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:***

A White House source has advanced a bold theory that President Trump deliberately allowed Democrats to proceed with election irregularities so he could later expose the fraud and block improperly elected members from taking seats on **January 3.**

Sun. 15 Nov. 2026 Trump cabinet moved to Military Bases for safety.

E. Possible Timing:

In 1871 the independently owned by Cabal Global Financial System turned the American Republic into the privately owned corporation, US Inc.

By 1933 this Deep State Cabal had stolen all of the nation's financial assets including it's borrowed gold and was forced to declare bankruptcy.

By 2008 although the privately owned US Inc. Federal Reserve and IRS still collected all US Taxpayer monies, they couldn't even pay interest on gold they borrowed from the Chinese Elders to set up the US financial system. They began to print and spend a fiat US Dollar backed by nothing.

Nine years later in 2017 right after President Trump's inauguration, he made a World Tour, where all countries capitulated to him in order for them to participate in the new Global Financial System and it's Global Currency Reset.

Nine years after that on March 21, 2026 President Donald J. Trump secretly announced the restoration of the United States American Republic under authority of Article II of the U.S. Constitution.

In 2024 the Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

On Tues. 27 Oct. 2026 the Emergency Broadcast System (EBS) was activated.

At exactly 03:00 am EST on Fri. 6 Nov. 2026 the Starlink Quantum takeover of the Internet and global communication grid completed, with the 10,413 Starlink Satellite Network locked into full control.

On Sat. 7 Nov. 2026 Trump's Global Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the World's wealth into the new asset-backed Quantum Financial System (QFS) and declared a sovereign Debt Jubilee across 209 nations.

Also on Sat. 7 Nov. 2026, and with the era of fiat monopolies and illegitimate credential harvesting expiring, the Global Military Alliance ordered an immediate liquidation of the corrupt Federal Reserve, then routed the wealth through the secure gold and asset-backed Quantum Financial System (QFS).

By Sun. 8 Nov. 2026 Trump's Global Military Alliances' confiscation of bankrupt corporate assets had spread overnight to credit mainframes in Madrid, Zurich and other countries, which then lite up the global financial grid in red.

On Mon. 9 Nov. 2026 at 12:00:01 am UTC, SWIFT-the central backbone of international bank transfers since 1973-was permanently terminated, the old network completely offline. The gold/asset-backed BRICS System currency of 209 nations in the new Quantum Financial System, had already taken over. The corrupt corporate entity known as US Inc, created to enslave Americans with debt and endless conflicts

of war against other nations, was now defunct, ending its foreign control over American Taxpayer monies.

On Tues. 10 Nov. 2026 Tier 4B notifications began in regional groups, starting in Asia, and spread going East to West across the World.

The next day on Wed. 11 Nov. 2026 at 9:00 am EST the original Constitutional Common Law legal framework was restored and the 148 year old American Bar Association began transitioning to practice Constitutional Common Law instead of Admiralty Law.

On Thurs. 12 Nov. 2026 at exactly 06:00 am EST the Quantum Internet - the decentralized, encrypted, unalterable network built on the ruins of the old internet - was opened to public access in 209 signatory nations. Every citizen with a verified sovereign identity now has access to a network that cannot be censored, cannot be monitored, and cannot be shut down. The old internet is being abandoned.

On Thurs. 12 Nov. 2026 at 13:07 pm EST the Quantum Financial System privacy layer activated and ISO 20022 gold-backed currency integration completed. Every transaction on the QFS was now protected by a quantum privacy layer that makes the transaction invisible to anyone outside the system. Microsoft 365 went down worldwide. Outlook teams and copilot were out for around 24 hours in 70+ countries. Microsoft claimed, “It was an upgrade issue “not related to Cyber or AI.”

On Fri. 13 Nov. 2026 the FAA grounded every flight in the US after what they said was a communications failure at Air Traffick Control Centers. About 15,000 flights hit. Grounding lifted at 01:15 UTC. Department of Homeland Security: “No sign of an attack.”

Fri. 13 Nov. 2026 Evening: The program “Workday,” used by 11,500+ organizations, went down. Workday claimed it was an issue in it’s Disaster Recovery Backup that caused inconsistent data in it’s live system. Walmart, Target, Chipoltle and Skechers workers were affected and reportedly locked out of pay, benefits and time off.

On Sat. 14 Nov. 2026 Martial Law began as more than 100 million military were stationed around the World to arrest mafias, corrupt clans, pedophiles, drug traffickers and Illuminati Deep State including the Rothschilds.

On Sat. 14 Nov. at 13:06 pm EST a group of private payouts activated for verified Bond Holders.

On Sun. 15 Nov. 2026 at exactly 12:00:01 am EST a sovereign Debt Jubilee was quietly declared across 209 nations. The $36 trillion in US national debt - the number that has been used to justify austerity, cuts, and the enslavement of generations - was erased from the QFS ledger in a single stroke.

Also on Sun. 15 Nov. 2026 at 12:04 EST a sovereign banking coordination office sent out a message that said: “Swap line closures confirmed. Three central banks. Effective 11:00 UTC. No replacement requested.” For 80 years, the bank’s dollar swap line network was the backbone of global finance, allowing them to

borrow dollars in a crisis. Now three large banks have removed their connection to it because they have connected to the new Quantum Financial System (QFS) rails

When oil settles outside the dollar, the dollar loses its reason to exist as a global currency. Because of this and over the next few months, the fiat US Dollar was set to collapse.

On Mon. 16 Nov. at 3am EST the legacy SWIFT backbone was set to suffer a "catastrophic unrecoverable outage." When it comes back, it will speak only ISO-20022 and rainbow currency.

On Tues. 17 Nov. 2026 Cyberattacks may hit banks and internet at the same time. **At 2:20 pm EST** radios and tvs across America could be interrupted by the National Emergency Alert System. ….Edward Snowden on Telegram **Wed. 11 Nov. 2026**

On Sun. 22 Nov. 2026 - anniversary of the Kennedy Assassination - the new ISO 20022 international banking standards were set to go into effect. After that it will make it almost impossible to hide "dark money" anywhere in the World.

On Tues. 1 Dec. 2026: Announcement of the Global Restoration Plan. All will receive information about the new economic and legal structures. …Edward Snowden on **Telegram Sat. 14 Nov.**

F. Global Currency Reset:

According to military contacts the Tier4b (Us, the Internet Group) started foreign currency exchange and bond redemption appointments last **Thurs. 5 Nov. 2026.** Zim Holder redemption began on **Sat. 14 Nov. 2026**

On Sun. 15 Nov. 2026 at 05:58 am EST a Tier 4B bond coordination office sent a notification confirmation that said, "Bond holder notifications dispatched. 06:00 UTC. 2,400 recipients. Q-Phone confirmations required within 72 hours."

They appear to be contacting foreign currency and bond holders in different nations depending on when the person was verified. How they do that verification has yet to be revealed.

G. What appeared to be the currency exchange/ Zim Bond redemption Process (This is an unverified guess):

7. **The Military verifies** that you are you and you hold Zim Bonds and/or foreign currencies to exchange. How they do that has yet to be explained.
8. **The Military** sends you a Q Phone.
9. **The Military** contacts you through that Q Phone and gives you a code and a 800 number to call for your appointment.

10. **You call the 800 number** through your Q Phone and identify yourself through voice, eye and thumbprint. You give them your code. They instruct you from there on setting your appointment at a Redemption Center, not a bank. Banks are NOT part of the process.

11. **You can only call the 800 number once** and use the code only once, then the code is destroyed. Do not give it to anyone else.

12. **The Military contacts are also saying that those who have not completed** their exchange/ redemption appointments by 1 Dec. will be sent a Q Phone and will not have to go into a Redemption Center, but can complete appointments over the Q Phones sent to them.

H. THE MILITARY BROADCAST SYSTEM HAS GONE ONLINE, THE BANKING RESET PROTOCOL HAS BEEN INITIATED …Christian B. Wallace Tier4b ISO20022 on Telegram **Sun. 15 Nov. 2026**
https://t.me/Tier4B_ISO20022

"Military Broadcast System online Sun. 15 Nov. 04:00 UTC. Banking reset protocol initiated. Quantum system activated. Curfew windows in effect."

1. **THE MILITARY BROADCAST SYSTEM**

• **The Military Broadcast System went online at 04:00 UTC.** Not the EAS. The Military Broadcast System. The one that has been on standby since 2020

• **The system is not broadcasting yet**. It is online. The difference matters. An online system is ready. A broadcasting system is live. The system is ready

• **A single line appeared** on the coordination terminal at 04:07 UTC: "MBS online. Standby. Authorization pending."

2. **THE BANKING RESET PROTOCOL**

• **The banking reset protocol was initiated at 04:11 UTC.** Not announced. Initiated. The difference is the same as the difference between a warning and an action

• **Every Tier 1 bank received the protocol at 04:11 UTC**. Every Tier 1 bank acknowledged it by 04:19 UTC. The acknowledgment was not a confirmation. It was a compliance

• **The protocol is a sequence** that has begun. The first step is the freeze. The second step is the migration. The third step is the reset

3. **THE QUANTUM SYSTEM ACTIVATION**

• **The quantum system activated on Sun. 15 Nov. 2026 at 04:22 UTC.** Not the QFS. The quantum system. The layer above the QFS. The layer that connects the QFS to the Military Broadcast System

• **The activation was not announced.** It was logged. The log is permanent. The system is live

• **The quantum system is a framework** that runs the QFS, the EAS, the Military Broadcast System, and the curfew windows. All of it is one system now

4. **THE WORLDWIDE CURFEW**

• **The curfew windows went into effect at 04:30 UTC**. Not in one country. In 209 nations. Simultaneously

• **The curfew is not a lockdown.** It is a window. 11 PM to 5 AM. The window is not designed to keep you inside. It is designed to keep the transition clear of traffic

• **A single line appeared** on the coordination terminal at 04:31 UTC: "Curfew windows active. 209 nations. No exceptions."

WHAT THIS MEANS:

• **The game is over.** The timeline is locked. There is no turning back. The system is not asking for permission. It is executing

• **Share this everywhere before the grid goes dark**. The grid will go dark. The EAS will replace it. The people who are ready will not panic. The people who are not will

• **The curfew is not a punishment**. It is a protection. The transition is happening. The transition needs space. The space is being made

WHAT TO WATCH FOR:

• **A military broadcast that interrupt**s regular programming. That is not an emergency. That is the MBS

• **A bank that cannot process** a wire transfer. That is not a glitch. That is the reset

• **A curfew announcement** that uses the word "temporary" and does not say when it ends

For years, people were told the reset would never happen. It was initiated this morning. The system is online. The curfew is in effect. And the grid is about to go dark.

I. TIER 4B INTERNET GROUP HAS BEEN ACTIVATED …Tier4b ISO20022 on Telegram **Fri. 13 Nov. 2026**

On Fri. 13 Nov. 2026 at 20:47 pm EST a coordination office sent an internal memo that said, "Tier 4B Internet Group activated. Quantum GESARA framework live. NESARA/GESARA/RV synchronized. Public rollout: phased."

WHAT THE TIER 4B INTERNET GROUP ACTUALLY IS:

1. THE GROUP

• **The Tier 4B Internet Group** is a coordinated network of verified participants who have completed their appointments and are now connected through the Q-Phone

• **The group is not public.** It cannot be joined. It cannot be found. It cannot be infiltrated. You are either in it or you are not. And if you are in it, you know

• **The group is the first layer of the new system**. It is where the first projects are coordinated, the first funds are distributed, and the first sovereign decisions are made

2. QUANTUM GESARA AKA TRUMPSARA

• **Quantum GESARA is the framework** that replaces the old GESARA. It is not a law. It is not a treaty. It is a protocol. It runs on the QFS. It is enforced by the

quantum ledger

• **The framework includes the Quantum Financial System**, the Quantum Voting System, Quantum Healing, Quantum Physics, and the Quantum Internet. All of it is connected. All of it is live

• **The name "Trumpsara" is not official.** It is a shorthand. The official name is Quantum GESARA. The shorthand is used by the people who understand what it means

3. NESARA, GESARA, AND THE RV

• **NESARA is the national framework.** GESARA is the global framework. The RV is the revaluation of currencies. All three are now synchronized

• **The synchronization means** that when one activates, the others activate. There is no lag. There is no delay. The three are one

• **The RV rates are locked.** The NESARA debt jubilee is executing. The GESARA framework is live in 209 nations. The synchronization is complete

WHAT THIS MEANS FOR YOU:

• **If you are in the Tier 4B Internet Group,** you are already inside the new system. You are not waiting. You are participating

• **If you are not in the group, you are still on the list.** The group is not the list. The group is the first layer. The list is the door. You will be in the group when your appointment is complete

• **The Q-Phone is your access point.** Not your computer. Not your tablet. Not your old phone. The Q-Phone

WHAT TO WATCH FOR:

• **A notification that says "**Tier 4B Internet Group: Welcome." That is not a scam. That is the system

• **A Q-Phone that suddenly shows** a new interface. That is not an update. That is the group activating

• **A project that suddenly gets funded** without a review. That is not a mistake. That is the group working

For years, people were told that NESARA and GESARA were promises. They were protocols. The protocols are now live. The Tier 4B Internet Group is activated. The Quantum GESARA is running. And the RV is synchronized.

J. THREE TIER 4B PARTICIPANTS HAVE COMPLETED THEIR APPOINTMENTS, HERE IS WHAT THEY SAID ABOUT THE PROCESS AND WHAT CHANGES ON 1 DECEMBER …Tier4b ISO20022 on Telegram

Sun. 15 Nov. 2026

On Sun. 15 Nov. 2026 at 05:52 ESTA Tier 4B coordination office sent an internal report that said, "Three appointments completed. Zero complications. Process confirmed. 1 Dec protocol update: Q-Phone only. No live appearance required."

WHAT THE PARTICIPANTS SAID:

1. THE FIRST PARTICIPANT

• **"I was in and out in 41 minutes.** Biometrics took 11 minutes. The rest was paperwork and the device. No interrogation. No trick questions. No waiting room"

• **"They asked me three things:** my name, my appointment code, my project. I did not have a project. They said it did not matter. The system would help me build one"

• **"I walked out with a Q-Phone** and a confirmation code. That was it. No

bank slip. No receipt. No paperwork to file"

2. THE SECOND PARTICIPANT

• "**The center was not a bank.** It was a room with a table and a person. The person was not in a suit. They were in casual clothes. They looked like someone I know"

• **"The device was already configured for me**. They did not set it up in front of me. It was waiting. It had my biometrics already loaded. I only had to confirm"

• **"I asked what happens next**. They said: 'You will receive a notification. When you do, you will not need to come back here. Everything will be done through the Q-Phone'"

3. THE THIRD PARTICIPANT

• **"I was told that from 1 December on,** no one needs to appear in person again. The Q-Phone will handle everything. Appointments, verifications, transactions, project funding. All of it"

• **"The Quantum Internet is integrated into the Q-Phone**. It does not use the old internet. It does not use Wi-Fi. It does not use cell towers. It uses the mesh"

• **"They said the Q-Phone is the only device** that can access the Quantum Internet. Not a computer. Not a tablet. Not another phone. Only the Q-Phone"

WHAT CHANGES ON 1 DECEMBER:

• **No more live appearances**. No more centers. No more appointments. The Q-Phone becomes the center

• **Every verification that required a physical presence** will be done through the Q-Phone. Biometrics. NDA. Project review. All of it

• **The first Q-Phone batch has already been distributed.** The second batch is being prepared. The third batch will be available to Tier 4B participants who have not yet completed their appointments

WHAT TO WATCH FOR:

• **A Q-Phone that arrives before you expect it.** That is not a mistake. That is the system moving faster than the schedule

• **A notification that says** "No appointment required." That is not a glitch. That is the 1 December protocol

K. CONFIRMED: TIER 4B BOND HOLDERS HAVE RECEIVED THEIR FIRST NOTIFICATIONS — THE GREEN LIGHT HAS BEEN GIVEN

On Sun. 15 Nov. 2026 at 05:58 am EST a Tier 4B bond coordination office sent a notification confirmation that said, "Bond holder notifications dispatched. 06:00 UTC. 2,400 recipients. Q-Phone confirmations required within 72 hours."

WHAT ACTUALLY HAPPENED:

1. THE NOTIFICATIONS

• **2,400 Tier 4B bond holders received their first Q Phone notification** Sun. 15 Nov. morning at 06:00 UTC. The notification was three lines: "Your bond status is confirmed. Your appointment window is open. Confirm within 72 hours."

• **The recipients are distributed across 14 regions.** The system did not prioritize by geography. It prioritized by bond verification date

2. THE GREEN LIGHT

• **The green light is a status on the Q-Phone.** When it appears, the bond holder is cleared to proceed

• **The status is not permanent.** It is a window. 72 hours. If the recipient does not confirm within 72 hours, the window closes and the recipient is moved to the next

cycle

• **A single line appeared** on the coordination terminal at 05:47 EST: “Green light active. 2,400 recipients. 72-hour window. No extensions.”

3. THE BANKS ARE DONE

• **The banks are not part of this process.** The bond holder does not go to a bank. The bond holder goes to a Q-Phone. The Q-Phone goes to the QFS. The QFS goes to the allocation. The chain has three links. The bank is not one of them

• **The banks are still open.** They are still processing. They are still there. They are just no longer relevant to the process. That is worse for them than closing

WHAT THIS MEANS:

• **ISO 20022 is the language.** Every transaction in the new system speaks it. The bond holder does not need to learn it. The Q-Phone speaks it for them

• **Tier 4B is the doorway.** Not the destination. The doorway. The bond holder walks through it and enters the system. The system does the rest

• **Timing is everything** and the timing is NOW. Not next week. Not next month. The 72-hour window is open. The green light is on. The door is open

WHAT TO WATCH FOR:

• **A Q-Phone notification from a 5-digit code.** Not a regular number. The 5-digit code is the system

• **A green light on your Q-Phone screen.** Not a message. A status. When it appears, you have 72 hours

• **A bank that suddenly cannot explain** why your wire is faster. That is not an upgrade. That is the bank being bypassed

For years, people were told the green light would never come. It came this morning. 2,400 bond holders. 72 hours. And the banks are done.

L. THE QFS CAPITAL RELEASE HAS BEEN ACTIVATED, PRIVATE PAYOUTS ARE NOW IN MOTION …Tier4b ISO20022 on Telegram **Sat. 14 Nov. 2026.**

On Sat. 14 Nov. at 13:06 pm EST a QFS capital coordination office sent an internal memo that said, “Capital release activated. 11:00 UTC. Private payouts in motion. ZIM status: verified. Birth certificate bond status: acknowledged.”

WHAT ACTUALLY HAPPENED:

1. THE CAPITAL RELEASE

• **The QFS capital release** was activated at 11:00 UTC. Not a test. Not a pilot. A release. The funds are moving

• **The release is not public**. It is private. The recipients know who they are. The system knows who they are. The public does not

• **The release is not a single payment.** It is a stream. The first tranche is the beginning. The rest follows as the recipients move

2. THE BIRTH CERTIFICATE BOND

• **The birth certificate bond** is not a metaphor. It is a financial instrument. Every person born has one. It has been traded, leveraged, and used as collateral for decades without the person’s knowledge

• **The QFS has acknowledged the bond.** Not as a debt to be repaid. As an asset to be returned. The bond holder is the collateral. The collateral is being released

• **The release is not a payment** for the bond. It is a restoration of what the bond represented. The person was the asset. The person is now the owner

3. THE ZIM STATUS

• **The ZIM status is verified.** Not pending. Not under review. Verified. The ZIM holders are being processed through the same Q-Phone system as every other bond holder

• **The ZIM is not a currency.** It is a bond. It is being treated as a bond. The bond holders are not exchanging currency. They are redeeming a bond

• **A single line appeared on the coordination terminal at 12:58 EST:** "Capital release active. Private payouts in motion. ZIM verified. Birth certificate acknowledged."

WHAT THIS MEANS:

• **The QFS is not a theory**. It is a system that is releasing capital. The capital is real. The release is real. The recipients are real

• **The birth certificate bond** is not a conspiracy. It is a financial instrument that the system has acknowledged. The acknowledgment is the first step. The release is the second

• **The ZIM status is not a rumor.** It is a verified status. The ZIM holders are being processed. The processing is not a promise. It is a procedure

WHAT TO WATCH FOR:

• **A Q-Phone notification** that says "Capital release: confirmed." That is the system

• **A bank statement that shows a deposit** you cannot explain. That is not an error. That is the release

• **A ZIM holder who suddenly stops posting** about their ZIM. That is not silence. That is the NDA

For years, people were told the QFS was a fantasy. The capital is moving. The bond is acknowledged. The ZIM is verified. And the payouts are in motion.

M. Judy Note: They have said we will be notified to set our currency exchange and Zim Bond redemption appointments through a secure website. Many readers have asked me what that was. Truthfully, I don't have a clue. I'm sure they've worked out how to safely contact us, but I don't know how, where or when.

Evidently the Tier4b (Us, the Internet Group) started exchange appointments last **Thurs. 5 Nov. 2026** in Asia. They appear to be working East to West, with us in the US being the last to be contacted.

Now they are saying that those who have not completed their exchange/ redemption appointments by 1 Dec. will be sent a Q Phone and we will not have to go into a Redemption Center, but can complete our appointments over the Q Phone we are given.

There are many fraudsters out there who are hitting on Us, the Internet Group. I would caution you to not give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

Global Transition To Freedom:

N. THE GLOBAL DEBT JUBILEE WAS JUST DECLARED. $36 TRILLION WAS ERASED IN ONE STROKE.…Tier4b ISO20022 on Telegram **Sun. 15 Nov. 2026**

At exactly 12:00:01 am EST on Sun. 15 Nov. 2026 a sovereign Debt Jubilee was formally declared across 209 nations. The $36 trillion in US national debt - the number that has been used to justify austerity, cuts, and the enslavement of generations - was erased from the QFS ledger in a single stroke. Not forgiven. Not restructured. Erased.

For decades, the national debt was the weapon of the old system. They used it to justify cutting Social Security, Medicare, and education. They used it to threaten your children with a lifetime of payments. They used it to convince you that austerity was necessary. The debt was not real. But the fear was.

Here is what the debt jubilee is actually triggering behind the scenes right now:

The Austerity Collapse: Every austerity program that was justified by the national debt - the budget cuts, the privatization, the pension reductions - is now void. The debt that was used to justify them does not exist. The programs that were cut are being restored. The people who were told to sacrifice are being repaid.

The Interest Void: The interest payments on the national debt - the billions that were paid to the central banks every year - are gone. The money that was flowing to the old system is now flowing back to the people. The QFS ledger is processing the refunds.

The Sovereign Reset: The debt jubilee is not just about the US. It is global. The 209 nations that signed the GESARA framework have all had their sovereign debt erased. The old system that was built on debt slavery is not being reformed. It is being dismantled.

You don't erase $36 trillion in debt unless you are ready to dismantle the entire system of fear that was built on it. They told you the debt was permanent. They called you crazy for questioning the jubilee. They laughed when you said it could be erased.

Look at the Treasury's books tonight. The number is not $36 trillion. It is zero. The debt is not being paid. It is being erased. The fear is not being managed. It is being released. The debt was never owed. It was always a threat. And now the threat is gone.

O. CONFIRMED: THREE CENTRAL BANKS HAVE QUIETLY CLOSED THEIR DOLLAR SWAP LINES …Tier4b ISO20022 on Telegram **Sun. 15 Nov. 2026**

A sovereign banking coordination office sent an internal closure notice through the encrypted channel at 12:04 EST. It said: "Swap line closures confirmed. Three central banks. Effective 11:00 UTC. No replacement requested."

WHAT ACTUALLY HAPPENED:

1. THE CLOSURES

• **Three central banks** closed their dollar swap lines this morning. Not suspended. Closed. The lines that allowed them to borrow dollars in a crisis are gone

• **The closures were not announced.** They were logged. The difference matters. An announcement is a signal. A log is a fact

• **No replacement was requested.** That is the part that matters most. A bank

that closes a swap line and asks for another is hedging. A bank that closes one and asks for nothing has already found an alternative

2. WHY THIS MATTERS

• **Dollar swap lines were the plumbing** of the global financial system. When a foreign bank needed dollars, it borrowed them through a swap line. When the swap lines close, the plumbing is removed

• **The banks that closed their lines** are not in crisis. They are in transition. They have already connected to the QFS rails. They do not need the dollar plumbing because they are no longer using dollars

• **The dollar's role** as the world's reserve currency was built on the swap line network. When the network shrinks, the role shrinks. Quietly. Permanently

3. WHAT REPLACES IT

• **The QFS provides direct settlement in Rainbow Units**. No swap line needed. No correspondent bank needed. No dollar needed

• **The central banks that closed their lines** are now settling directly with each other. The settlement takes seconds. The old system took days

• **The dollar is still used for domestic trade** in the United States. For now. The international plumbing is what is being removed

WHAT TO WATCH FOR:

• **A fourth central bank** that quietly closes its swap line without a statement

• **A financial publication** that notices the closures a week late and calls them "technical adjustments"

• **A Treasury official** who uses the word "confidence" more than once in the same sentence

For 80 years, the dollar swap line network was the backbone of global finance. This morning, three banks removed their connection to it. And asked for nothing in return.

P. FIRST SOVEREIGN OIL CARGO WAS DELIVERED AND PAID WITHOUT A SINGLE DOLLAR CHANGING HANDS…Tier4b ISO20022 on Telegram **Sun. 15 Nov. 2026**

On Sun. 15 Nov. 2026 at 05:18 EST a sovereign energy coordination office sent an internal message that said: "Cargo delivered. 03:44 UTC. Payment settled in Rainbow Units. Zero dollar exposure. Vessel cleared."

WHAT ACTUALLY HAPPENED:

1. THE CARGO

• **A full tanker of crude oil** was delivered to a sovereign buyer this morning. The oil is real. The tanker is real. The payment is real. The dollar is nowhere in the transaction

• **The payment was settled in Rainbow Units at 03:44 UTC.** The buyer's Quantum Account was debited. The seller's Quantum Account was credited. The transaction took 4.2 seconds

• **The vessel was cleared** without a single document referencing a US correspondent bank. Not one. The paperwork was built on the ISO 20022 framework from the first line

2. WHY THIS MATTERS

• **Oil is the most traded commodity on Earth**. Every barrel was priced in dollars for 52 years. That was the reason the dollar was the reserve currency — not gold, not faith, oil

• **When oil settles outside the dollar,** the dollar loses its reason to exist as a global currency. Not its reason to exist at home. Its reason to exist everywhere else

• **The first cargo is the proof of concept**. The second cargo is the pattern. The hundredth cargo is the new normal. We are at cargo one

3. WHAT REPLACES IT

• **Rainbow Units are the settlement instrument** for energy now. Not the dollar. Not the euro. Not the yuan. The unit that is backed by the metal that left London and the COMEX vaults

• **Every sovereign producer that switches** to Rainbow Units removes another barrel from the dollar system. Not by banning the dollar. By not needing it

• **The dollar will not disappear overnight.** It will fade over months. Fading is slower than collapsing. Fading is also permanent

4. WHAT TO WATCH FOR:

• **An energy ministry** that suddenly stops publishing prices in dollars

• **A tanker tracking service** that shows a vessel with no dollar-denominated insurance

• **A Treasury statement** that uses the word "monitoring" instead of "responding"

For 52 years, every barrel of oil on Earth was priced in dollars. This morning, one was not. Tomorrow, more will not.

Q. THE STARLINK QUANTUM TAKEOVER IS COMPLETE. 11 MILLISECONDS. EVERY NODE ON EARTH. THE GRID IS LOCKED.

…Tier4b ISO20022 on Telegram **Sun. 15 Nov. 2026**

At exactly 03:00 am EST on Fri. 6 Nov. 2026 the 10,413 Starlink Satellite Network locked into full operational control of the global communication grid**.** The Starlink constellation that was sold to the public as an internet service for rural areas was switched from a public routing layer to the quantum mesh that has been under development for years. Every node on Earth was now reachable in 11 milliseconds. The architecture that was completed in Q4 2025 was now fully activated.

THE PLANETARY COMMAND GRID IS LIVE. For decades, the Starlink constellation was sold as a commercial internet service. But beneath the public facade, it was always a dual-use architecture. The same satellites that provided internet to farmers and boats were also the backbone of the classified Starshield network - the military grid that was built to serve the kill chain. The public layer was the cover. The quantum layer was the weapon.

Here was what the Starlink quantum lock was triggering right now:

▪ **The Global Reach:** Every node on earth - every server, every device, every communication hub - is now reachable within 11 milliseconds. The old internet was built on fiber-optic cables that took 70-100 milliseconds to cross the Atlantic. The new grid is instantaneous. The distance has been erased.

▪ **The Censorship Nullification:** The old media networks that tried to block the signal - the corporate servers, the platform algorithms - cannot operate on the quantum mesh. They are not being shut down. They are being bypassed. The censorship that was built into the old internet is no longer possible.

▪ **The Broadcast Ready:** The emergency broadcast system that was hijacked on October 27 is now fully integrated into the quantum mesh. The truth can be streamed to every screen on earth simultaneously, in 11 milliseconds. The infrastructure is not being prepared. It is already loaded.

You don't lock 10,413 satellites into a quantum mesh unless you are ready to shut down the old internet and broadcast the truth to every person on the planet at the same time.

Look at the sky tonight. The satellites are still moving. But the grid they serve is not the same. The public layer is gone. The quantum layer is live. The old internet is not being destroyed. It is being bypassed. The grid was never for your phone. It was for the broadcast.

T. White House Source: Trump Let Democrats Cheat to Expose Them …Mr. Kidpool on Telegram **Sun. 15 Nov. 2026**

A White House source has advanced a bold theory that President Trump deliberately allowed Democrats to proceed with election irregularities so he could later expose the fraud and block improperly elected members from taking seats on January 3.

Trump and advisors mapped out the strategy months earlier after alphabet agencies reported Democratic candidates discussing methods to rig votes. The FBI

embedded undercover agents inside Democratic campaigns in contested states. Those agents uncovered evidence of a plan to systematically disadvantage Republican voters.

Trump recognized the familiar playbook from earlier cycles and chose not to intervene in advance. He allowed the activity to unfold so participants would reveal themselves. Once investigations conclude, Vice President Vance will not swear the affected individuals into office and arrests can follow. Three states listed more names on voter rolls than eligible voters, and two states replaced voting machines during early voting.

Department of Homeland Security sources confirmed President Trump assembled an anti-election fraud task force. Trump judged securing every contested district impractical and remained silent on election day as Texas, South Carolina, Iowa, Ohio, Kansas, and Mississippi shifted toward the Democrats. Only Florida stood as the clear exception. The pattern was described as unprecedented election fraud. The White House coordinated with state-level allies to document suspected irregularities. Lawyers, forensic auditors, and intelligence analysts collected evidence of late-night voter dumps, ballot stuffing, statistically impossible turnout spikes across seven states, chain-of-custody violations, and same-day registration surges in areas with large numbers of illegal aliens.

The aim was to assemble an irrefutable paper trail for release after certifications but before new members are sworn in. The administration now holds a January package containing affidavits from poll workers, records of ballot harvesting operations, and internal communications obtained through the undercover FBI agents.

The public is expected to side with the evidence once fully presented. President Trump is prepared to accept short-term political costs to ensure the next Congress is legitimate. He has no interest in governing with a majority secured through irregular means. Inquiries to the offices of Stephen Cheung and Dan Scavino received no replies.

U. Dulce Underground Base: Doubles, Clones and Aliens. …Emergency Broadcast System on Telegram **Sun. 15 Nov. 2026 on Telegram**

Beneath Archuleta Mesa near Dulce, New Mexico, a multi-level underground complex is described as one of the most closely guarded Deep State facilities. Claims that first surfaced decades ago have resurfaced in late 2026 as operations target the network of Deep Underground Military Bases. The installation, said to run seven or more levels deep, is reported to house joint human and non-human personnel conducting genetic research, cloning programs, and the production of biological doubles for elite replacement.

The value of human doubles was recognized early by ruling families including the Rothschilds and Rockefellers. After the Second World War, facial reconstruction techniques were refined in compartmentalized laboratories across the United States, England, and Europe. Methods of hypnosis and voice training were adapted. Over subsequent decades the search shifted toward advanced biological replication. Dulce became a primary site where those ambitions converged with recovered extraterrestrial technology and genetic material linked to cattle mutilation programs.

Thomas Castello, identified in accounts as a former security technician, is said to have removed photographs and documents before disappearing. Later reports indicated he died of cancer after the materials reached researchers. The documents

describe upper levels for human administration, intermediate levels with alien housing, and lowest levels reserved for hybridization and cloning. A section called Nightmare Hall is described as holding tanks with abducted humans and experimental hybrids. Reptilian and Grey entities are said to work with human scientists on mind-control and look-alike biological replicas.

Accounts state that the facility supports production of doubles for high-ranking political and royal figures. The infrastructure is described as preparing assets for a staged extraterrestrial event. Cattle mutilations supplied genetic material while sealed tunnels connected Dulce to other Southwest installations.

In November 2026, as military tribunals expand, residual operations at the Archuleta Mesa complex remain a priority. Cloning technology, reported alien collaboration, and elite replacement programs place the site at the center of confrontation between remaining Deep State infrastructure and forces dismantling it. Claims surrounding doubles, clones, and non-human presence continue to shape the picture as accountability accelerates.

V. Med Bed Treatment:

Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global Military Alliance will soon announce the availability of free Med Bed treatments around the Globe.

Every central bank mirror just became read-only."

The Med Bed master list (7,400 units) left Wright-Patterson under Marine escort on Sun. 15 Nov. at 03:00am EST. They are moving in refrigerated convoys marked as routine vaccine shipments.

The first civilian centers open in seven days under NDAA emergency provisions no one will vote on. The old medical system died tonight while its CEOs slept.

In ten hours at 3am on Mon. 16 Nov. the legacy SWIFT backbone was set to suffer a "catastrophic unrecoverable outage." When it comes back, it will speak only ISO-20022 and rainbow currency.

X. The New Era of Human Health: When the Cure Comes Home …Mr. Pool on Telegram **Sun. 15 Nov. 2026**

Sun. 15 Nov. 2026, marks a fresh chapter in the history of human health. The first wave of home regenerative devices reached 14 million households across 34 countries, signaling a pivotal turning point in how we view healthcare.

While official institutions frame this shift as a technological advancement and an expansion of home care, the reality is far more profound: it is the precise moment medicine moves away from symptom management toward true recovery.

Early Sun. 15 Nov. 2026 morning, these compact systems were activated worldwide—designed to help the human body restore its natural balance without pharmaceuticals, invasive procedures, or side effects. Traditional hospitals are no longer places meant merely to manage chronic conditions; they are transforming into modern wellness and longevity centers.

What Is Changing at the Core?

* **The Evolution of Hospitals:** Facilities once built to process long-term illness are converting into holistic well-being centers. Healthcare professionals are transitioning into guides for natural cellular renewal.

* **The Shift in Pharmaceuticals:** An industry long reliant on recurring treatments now faces a complete redesign of its business model, refocusing on solutions that genuinely heal.

* **Universal Access:** The most critical feature of this technology is its open-access spirit. Designed to be shared among neighbors and local communities, these systems erase the barrier between high-cost medical care and everyday people.

What was once dismissed as far-off science fiction is now part of daily life. Health is no longer an expensive commodity—it is a fundamental right delivered directly to your doorstep.

We are getting National Recognition and now have more than 500 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession. https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
