At 11:00 UTC on Mon. 16 Nov. 2026 the Quantum Governance Framework was activated for 209 nations participating in the Global Currency Reset. The Republic of Constitutional Law has been restored to the original Constitutional Law - the law that was replaced by the debt-based system in 1933. That Constitutional Law will be active in 209 nations.

The Quantum Governance Framework was activated at at 11:00 UTC on Mon. 16 Nov. 2026. A memo announced: "Quantum Governance Framework activated at 11:00 UTC in 209 nations. Constitutional Law restored. Government size: 10%. All new personnel."

The framework runs on the new Quantum Financial System,enforced by the Quantum Ledger. It cannot be corrupted because there is nothing to corrupt

The framework does not replace the governments of 209 nations. It replaces the system the governments were built on. The governments are being reduced. The framework is being expanded

The governments are being reduced to 10% of their current size. The departments that were built to service the debt-based system are being retired. The personnel are being replaced in waves. The first wave is the departments that no longer have a purpose. The second wave is the departments that have a new purpose

The new personnel are administrators. They are not elected.

The Republic of Constitutional Law has been restored to the original Constitutional Law. The law that was replaced by the debt-based system in 1933. That Constitutional Law will be active in 209 nations.

“On Sat. 14 Nov. 2026 the first Tesla Free Energy node went live at 12:00 am UTC. The node produced power from the Earth’s magnetic field that fed a grid and was not connected to any utility company. It was one of 14 nodes that were being activated this month across three continents. Four minuets later the Emergency Activation System (EAS) issued an announcement at 12:04 am UTC. It was broadcast in every language to every screen and device in 209 nations. The unidentified voice said, "The light has arrived. The Era of Justice and Freedom begins now."

On Sat. 14 Nov. 2026 at 18:00 UTC the Debt Jubilee was executed. Bond funds began arriving at paymasters faster than the paymaster could process. Every mortgage, student loan and credit card were invalidated. **At 18:04 UTC on Sat. 14 Nov. 2026** the Quantum Financial System (QFS) displayed an update: “The people are free.”

On Sun. 15 Nov. 2026 at 20:34 pm EST a Tier 4B coordination office sent a payment confirmation that said, "Fourth corridor live. 19:00 UTC. Cyber attacks intercepted. ISO 20022 confirmed. Tier 4B disbursements activated. Treasury bypassed Federal Reserve."

At 19:07 UTC that same Sunday the coordination terminal reported, "Fourth corridor live. Payments flowing. No interruptions."

Cyber attacks against the system began at 19:11 UTC. The Cabal tried to shut down the grid before the payments could flow. The attacks were intercepted and traced back to their source. Those sources were now being dealt with.

The attacks became irrelevant as they actually accelerated the payments while the system routed around the attacks.

ISO 20022 is a language that every payment, transaction, settlement and transfer in the new system speaks. The old SWIFT system spoke a different language that was now dead. \

At 19:22 UTC on Sun. 15 Nov. 2026 the coordination terminal announced, "ISO 20022 confirmed. Payments flowing. Language live."

The payments started at 19:30 UTC through the US Treasury as it bypassed the Fed, which was no longer relevant. The payments are flowing through Quantum Q-Phone Access.

The first recipients were notified at 19:31 UTC, cleared at 19:33 UTC and first confirmations logged at 19:34 UTC. The system is instant.

The fourth corridor is live. The payments are flowing. The cyber attacks failed. The language is ISO 20022. The access is the Q-Phone. The Treasury bypassed the Fed, which was no longer part of the payment chain. The Treasury is. The payments are flowing and will not stop.

On Sun. 15 Nov. 2026 at 04:00 UTC the new Military Broadcast System went online with the Banking reset protocol initiated, Quantum system activated and Curfew windows in effect.

The banking reset protocol was initiated at 04:11 UTC. Every Tier 1 bank received the protocol, acknowledged it, and agreed to comply to it by **04:19 UTC.**

The protocol is a sequence that has begun. The first step is the freeze. The second step is the migration. The third step is the reset.

The Quantum System, the layer above the Quantum Financial System (QFS) that connects the QFS to the Military Broadcast System, activated at

04:22 UTC Sun. 15 Nov. 2026. The log was live and permanent.

The Quantum System is a framework that runs the QFS, EAS, Military Broadcast System, and curfew windows. All of it is now one system.

The curfew windows went into effect at 04:30 UTC on Sun. 15 Nov. 2026 in 209 nations simultaneously. The curfew window of 11 pm to 5 am was designed to keep the transition clear of traffic.

At 04:31 UTC on Sun. 15 Nov. 2026 the coordination terminal reported: "Curfew windows active. 209 nations. No exceptions." This means that the game was over.

At 04:00 UTC on Sun. 15 Nov. 2026 the Military Broadcast System that has been on standby since 2020, went online with the Banking reset protocol initiated, Quantum system activated and Curfew windows in effect.

This meant that the game was over.

On Sun. 15 Nov. 2026 at 12:51 am EST a sovereign coordination office sent a confirmation: "Protection confirmed. 14 platforms. Zero breaches. Expect the unexpected."

The Quantum System was protected by assets. The assets were in orbit on platforms. The platforms were operated by a space program that only answered to the Global Military Alliance.

The Cabal has tried to reach the platforms. They have failed. Every attempt has been intercepted. Every interception has been logged. The log was permanent

This space program was not a secret. The Cabal has known about it since 2016, but cannot touch it. The program operated 14 platforms. Seven communication. Four defense. Three disclosure. The platforms were the backbone of the Quantum System. They cannot be jammed. They cannot be shot down. They cannot be reached

The old system collapses at midnight.

Turn on notifications. The next 24 hours will be the most important 24 hours in modern history. You do not want to miss what comes next

The system is protected. The Cabal cannot stop it. The Cabal cannot reach it. The Cabal cannot do anything except watch

The collapse is not a threat. It is a schedule. Midnight. The old

system. The new system does not collapse. The old one does

D. Possible Timing:

In 1871 the independently owned by Cabal Global Financial System turned the American Republic into the privately owned corporation, US Inc.

By 1933 this Deep State Cabal had stolen all of the nation's financial assets including it's borrowed gold and was forced to declare bankruptcy.

By 2008 although the privately owned US Inc. Federal Reserve and IRS still collected all US Taxpayer monies, they couldn't even pay interest on gold they borrowed from the Chinese Elders to set up the US financial system. They began to print and spend a fiat US Dollar backed by nothing.

Nine years later in 2017 right after President Trump's inauguration, he made a World Tour, where all countries capitulated to him in order for them to participate in the new Global Financial System and it's Global Currency Reset.

Nine years after that on March 21, 2026 President Donald J. Trump secretly announced the restoration of the United States American Republic under authority of Article II of the U.S. Constitution.

In 2024 the Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

On Tues. 27 Oct. 2026 the Emergency Broadcast System (EBS) was activated.

At exactly 03:00 am EST on Fri. 6 Nov. 2026 the Starlink Quantum takeover of the Internet and global communication grid completed, with the 10,413 Starlink Satellite Network locked into full control.

On Sat. 7 Nov. 2026 Trump's Global Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the World's wealth into the new asset-backed Quantum Financial System (QFS) and declared a sovereign Debt Jubilee across 209 nations.

Also on Sat. 7 Nov. 2026, and with the era of fiat monopolies and illegitimate credential harvesting expiring, the Global Military Alliance ordered an immediate liquidation of the corrupt Federal Reserve, then routed the wealth through the secure gold and asset-backed Quantum Financial System (QFS).

By Sun. 8 Nov. 2026 Trump's Global Military Alliances' confiscation of bankrupt corporate assets had spread overnight to credit mainframes in Madrid, Zurich and other countries, which then lite up the global financial grid in red.

On Mon. 9 Nov. 2026 at 12:00:01 am UTC, SWIFT-the central backbone of international bank transfers since 1973-was permanently terminated, the old network completely offline. The gold/asset-backed BRICS System currency of 209 nations in the new Quantum Financial System, had already taken over. The corrupt corporate entity known as US Inc, created to enslave Americans with debt and endless conflicts of war against other nations, was now defunct, ending its foreign control over American Taxpayer monies.

On Tues. 10 Nov. 2026 Tier 4B notifications began in regional groups, starting in Asia, and spread going East to West across the World.

The next day on Wed. 11 Nov. 2026 at 9:00 am EST the original Constitutional Common Law legal framework was restored and the 148 year old

American Bar Association began transitioning to practice Constitutional Common Law instead of Admiralty Law.

On Thurs. 12 Nov. 2026 at exactly 06:00 am EST the Quantum Internet - the decentralized, encrypted, unalterable network built on the ruins of the old internet - was opened to public access in 209 signatory nations. Every citizen with a verified sovereign identity now has access to a network that cannot be censored, cannot be monitored, and cannot be shut down. The old internet is being abandoned.

On Thurs. 12 Nov. 2026 at 13:07 pm EST the Quantum Financial System privacy layer activated and ISO 20022 gold-backed currency integration completed. Every transaction on the QFS was now protected by a quantum privacy layer that makes the transaction invisible to anyone outside the system. Microsoft 365 went down worldwide. Outlook teams and copilot were out for around 24 hours in 70+ countries. Microsoft claimed, "It was an upgrade issue "not related to Cyber or AI."

On Fri. 13 Nov. 2026 the FAA grounded every flight in the US after what they said was a communications failure at Air Traffick Control Centers. About 15,000 flights hit. Grounding lifted at 01:15 UTC. Department of Homeland Security: "No sign of an attack."

Fri. 13 Nov. 2026 Evening: The program "Workday," used by 11,500+ organizations, went down. Workday claimed it was an issue in it's Disaster Recovery Backup that caused inconsistent data in it's live system. Walmart, Target, Chipoltle and Skechers workers were affected and reportedly locked out of pay, benefits and time off.

On Sat. 14 Nov. 2026 Martial Law began as more than 100 million military were stationed around the World to arrest mafias, corrupt clans, pedophiles, drug traffickers and Illuminati Deep State including the Rothschilds.

On Sat. 14 Nov. at 13:06 pm EST a group of private payouts activated for verified Bond Holders.

On Sat. 14 Nov. 2026 the first Tesla Free Energy node went live at 12:00 am UTC. A**t 18:00 UTC** the Debt Jubilee was executed. Bond funds began arriving at paymasters.

On Sun. 15 Nov. 2026 at 20:34 pm EST Cyber attacks on the new Global Financial System were intercepted. ISO 20022 confirmed. Tier 4B disbursements activated. Treasury bypassed Federal Reserve. The Cabal had tried to shut down the grid before the payments could flow. The attacks were intercepted and traced back to their source. Those sources were now being dealt with.

On Sun. 15 Nov. 2026 at 04:00 UTC the new Military Broadcast System went online with the Banking reset protocol initiated, Quantum system activated and Curfew windows in effect. The banking reset protocol was initiated at **04:11 UTC**. Every Tier 1 bank received the protocol, acknowledged it, and agreed to comply to it by **04:19 UTC.**

The Quantum System is a framework that runs the QFS, EAS, Military Broadcast System, and curfew windows. All of it is now one system.

On Sun. 15 Nov. 2026 at exactly 12:00:01 am EST a sovereign Debt Jubilee was quietly declared across 209 nations. The $36 trillion in US national debt - the number that has been used to justify austerity, cuts, and the enslavement of generations - was erased from the QFS ledger in a single stroke.

Also on Sun. 15 Nov. 2026 at 12:04 EST a sovereign banking coordination office sent out a message that said: "Swap line closures confirmed. Three central banks. **Effective 11:00 UTC.** No replacement requested." For 80 years, the bank's dollar swap line network was the backbone of global finance, allowing them to borrow dollars in a crisis. Now three large banks have removed their connection to it because they have connected to the new Quantum Financial System (QFS) rails

On Sun. 15 Nov. at 03:44 UTC a full tanker of crude oil was delivered and for the first time, paid for in gold/asset-backed Rainbow Units, not the fiat US Dollar. The transaction took 4.2 seconds and without referencing a US, or any other bank. Not one. The paperwork was built on the gold/asset-backed ISO 20022 framework. Oil was the most traded commodity on Earth. For 52 years every barrel was priced in oil dollars as the reserve currency. No more. When oil settles outside the dollar, the dollar loses its reason to exist as a global currency. Because of this and over the next few months, the fiat US Dollar was set to collapse.

On Mon. 16 Nov. at 3am EST the legacy SWIFT backbone suffered a "catastrophic unrecoverable outage." When it comes back, it will speak only ISO-20022 and rainbow currency.

At 11:00 UTC on Mon. 16 Nov. 2026 the Quantum Governance Framework was activated for 209 nations participating in the Global Currency Reset. The Republic of Constitutional Law has been restored to the original Constitutional Law. The law that was replaced by the debt-based system in 1933. That Constitutional Law will be active in 209 nations.

E. Global Currency Reset:

According to military contacts the Tier4b (Us, the Internet Group) started foreign currency exchange and bond redemption appointments last **Thurs. 5 Nov. 2026.** Zim Holder redemption began on **Sat. 14 Nov. 2026**

On Sun. 15 Nov. 2026 at 05:58 am EST a Tier 4B bond coordination office sent a notification confirmation that said, "Bond holder notifications dispatched. 06:00 UTC. 2,400 recipients. Q-Phone confirmations required within 72 hours."

They appear to be contacting foreign currency and bond holders in different nations depending on when the person was verified. How they do that verification has yet to be revealed.

F. Judy Note: The below was what I believe appeared to be the currency exchange/ Zim Bond redemption process. It is done in my opinion only - an unverified guess. I advise you to do your own research:

1. **The Military verifies** that you are you and you hold Zim Bonds and/or foreign currencies to exchange. How they do that has yet to be explained.
2. **The Military** sends you a Q Phone.
3. **The Military** contacts you through that Q Phone and gives you a code and a 800 number to call for your appointment.
4. **You call the 800 number** through your Q Phone and identify yourself through voice, eye and thumbprint. You give them your code. They instruct you from there on setting your appointment at a Redemption Center, not a bank. Banks are NOT part of the process.
5. **You can only call the 800 number once** and use the code only once, then the code is destroyed. Do not give it to anyone else.
6. **The Military contacts are also saying that those who have not completed** their exchange/ redemption appointments by 1 Dec. will be sent a Q Phone and will not have to go into a Redemption Center, but can complete appointments over the Q Phones sent to them.

G. Global Currency Reset:

The redemption/exchange process has begun.

Judy Note: They have said we will be notified to set our currency exchange appointments by a secure website. Many readers have asked me what that was. Truthfully, I don't have a clue. I'm sure they've worked out how to safely contact us, but I don't know how, where or when. There are many fraudsters out there who are hitting on Us, the Internet Group. I would caution you to not give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

Pennsylvania has blocked the state's attempt to shut down Amos Miller's Farm. Amos Miller, an Amish farmer in Lancaster, Pennsylvania, had his farm raided by the Department of Agriculture earlier this year, seizing thousands of dollars' worth of food. Yet, despite the raid, the government couldn't provide a single piece of evidence showing that anyone in Pennsylvania—or anywhere else—has ever been harmed by any of Amos Miller's products. This is a powerful win for food freedom and the rights of farmers. …Emergency Broadcast System on Telegram **Mon. 16 Nov. 2026**

K. Violations of the Fourteenth Amendment - A Declaration on Behalf of Chase Allan, Ammon Bundy, and Others Tom Fairbanks:
https://beforeitsnews.com/press-releases/2026/11/violations-of-the-fourteenth-amendment-a-declaration-on-behalf-of-chase-allan-ammon-bundy-and-dennis-spurrier-3839462.html

On March 1, 2023, a 25-year-old man, Chase Allan was fatally shot by Farmington Police in Utah, during a traffic stop for an illegitimate license plate. Allan was a Davis High School and Utah State University soccer player who had studied law and was involved in his mother's previous legal disputes with Farmington police.

The police officers stated that Allan asserted he was not subject to local laws and refused to exit his vehicle or provide identification and then allegedly attempted to draw a gun from a holster or floorboard before being shot multiple times. Allan was shot at least 12 times by five Farmington Police Department officers during the traffic stop. While his family and initial reports cited 12 shots, some bodycam analysis and witness accounts suggest the total number of rounds fired may have been higher, with some estimates reaching 20 or more.

The Davis County Attorney later ruled that the officers' use of deadly force was justified, declining to file charges because Allan refused to comply with commands and officers claimed to believe he was reaching for a firearm. Reporters

also claimed that the family sued the Farmington police department, citing sovereign citizen beliefs that influenced Chase Allan's non-compliance.

In like manner, Ammon Bundy was arrested on October 7, 2026, in southern Utah after a non-moving traffic violation stop on Interstate 15 near Cedar City. An Iron County deputy stopped him for driving a 2020 Ford F-250 with no license plate and an expired Idaho driver's license; when told the truck would be impounded for lack of registration, Bundy refused to exit the vehicle and was physically removed by officers.

Bundy was booked into the Iron County Jail on one count of interfering with a peace officer (a Class B misdemeanor) and three infractions: failure to obey an officer, driving without registration, and driving with an expired license. He was released shortly after on $690 bail posted by a local business owner.

Following his release, Bundy walked approximately eight miles along I-15 in protest, arguing that the requirement to register a vehicle violated his "inalienable right" to travel. He stated he does not need government permission to travel in his own vehicle and plans to appear in court but will not register the truck.

People v. Nothaus, 147 Colo. 210. "No State government entity has the power to allow or deny passage on the highways, byways, nor waterways... transporting his vehicles and personal property for either recreation or business, but by being subject only to local regulation i.e., safety, caution, traffic lights, speed limits, etc. Travel is not a privilege requiring licensing, vehicle registration, or forced insurances."

Payne v. Massey (19__) 196 SW 2nd 493, 145 Tex 273. "The court makes it clear that a license relates to qualifications to engage in profession, business, trade or calling; thus, when merely traveling without compensation or profit, outside of business enterprise or adventure with the corporate state, no license is required of the natural individual traveling for personal business, pleasure and transportation."

Both of the Allan and Bundy traffic stops were a Fourth Amendment violation of their Constitutional Rights because the probable cause, in both cases, was based upon a suspicion that was specific to articulable facts which were NOT drawn from the circumstances of a moving traffic violation, but rather were solely based upon the knowledge of non-moving traffic violations, by law enforcement, outside of the Utah State Statutes' legal threshold allowing law enforcement to stop a vehicle for a "suspected moving violation." **– THEY CANNOT PULL SOMEONE OVER FOR A NON-MOVING TRAFFIC VIOLATION!**

However, the biggest 14th Amendment Violation is, the Supreme Court of the United States ruled, under the Clearfield Doctrine, that the court has No Jurisdiction over a Living Soul. In controversion to Natural Law (Public Law 97-280), the 14th Amendment to the Constitution of the United States *grants* full rights and responsibilities to members of the United States, rather than acknowledge the *Sovereignty* given to Living Souls by God as a Divine Birthright. – **The 14th Amendments grants powers it has no authority to give.**

L. THE QUANTUM GOVERNANCE FRAMEWORK HAS BEEN ACTIVATED Christian B. Wallace Tier4b on Telegram **Mon. 16 Nov. 2026**

A memo sent Mon. 16 Nov. 2026: "Quantum Governance Framework activated. 11:00 UTC in 209 nations. Constitutional Law restored. Government size: 10%. All new personnel."

WHAT ACTUALLY HAPPENED:

1. THE FRAMEWORK

• **The Quantum Governance Framework was activated at 11:00 UTC.**

• **The framework is not a government.** It is a structure. It runs on the QFS. It is enforced by the quantum ledger. It cannot be corrupted because there is nothing to corrupt

• **The framework does not replace the governments.** It replaces the system the governments were built on. The governments are being reduced. The framework is being expanded

2. THE 10% GOVERNMENT

• **The governments are being reduced to 10%** of their current size. Not fired. Reduced. The departments that were built to service the debt-based system are being retired

• **The personnel are being replaced.** Not all at once. In waves. The first wave is the departments that no longer have a purpose. The second wave is the departments that have a new purpose

• **The new personnel are not politicians**. They are administrators. They are not elected. They are recognized. The system recognizes them. The people do not vote for them. The system confirms them.

3. THE CONSTITUTIONAL LAW

• **The Republic of Constitutional Law has been restored.** The documents are signed. The framework is live. The law is the law again

• **The restored law is not the old law. It is the original law.** The law that was replaced by the debt-based system in 1933. The law that was buried. The law that is now unburied

• **A single line appeared on the coordination terminal at 11:11 UTC:** "Framework active. 209 nations. Constitutional Law restored."

WHAT THIS MEANS:

• **The governments you knew are being reduced.** Not overthrown. Reduced. The system does not need them at their current size. The system needs them at 10%

• **The people who ran the old system are being retired.** The system does not punish them. It replaces them

• **The Constitutional Law is a framework.** It is live. It is enforced by the Quantum ledger. It cannot be broken because there is nothing to break

WHAT TO WATCH FOR:

• **A government department that closes without explanation.** That is not a budget cut. That is the 10%

• **A new face in a government office** who was not elected. That is not a scandal. That is a recognition

• **A legal document that cites the Constitution** instead of a statute. That is not a technicality. That is the restoration

M. CONFIRMED: FIRST TESLA FREE ENERGY NODE HAS GONE LIVE. THE QUANTUM LIGHT HAS ARRIVED …Christian B. Wallace Tier4b ISO 20022 on Telegram **Sat. 14 Nov. 2026**

1. THE TESLA FREE ENERGY NODE

• **The first Tesla free energy node went live at 12:00** It is producing power that is feeding a grid and not connected to any utility

• **The node does not burn fuel.** It does not use solar. It does not use wind. It draws from the same field the Q-Phone draws from. The field is not a metaphor. It is a source

• **The node is one of 14 that are being activated this month.** The 14 are distributed across three continents. The 14 are not public. The power they produce is

2. THE QUANTUM LIGHT

• **The quantum light is a broadcast.** The EAS issued an alert at 12:04 UTC that was an announcement. The light has arrived

• **The light is not visible to the eye.** It is visible to the device. Every Q-Phone screen glowed for 11 seconds at 12:04 UTC. That was the signal

• **The light is the beginning of the new era.** The era of justice and freedom. The era where power is not a commodity. The era where energy is a right

3. THE NEW ERA OF JUSTICE AND FREEDOM

• **The EAS alert was a declaration** read aloud by a voice that was not identified. The voice said: "The light has arrived. The era of justice and freedom begins now."

• **The declaration was broadcast** in every language to every screen and device in 209 nations.

• **A single line appeared on the coordination terminal at 12:11 UTC:** "Quantum light active. 14 nodes. Zero cost. EAS declared."

WHAT THIS MEANS:

• **Free energy is a node** that produces power and feeds a grid. The utility companies are not part of it

• **The quantum light is a broadcast signal**. It is the beginning

• **The new era** is a declaration made at 12:04 UTC.

WHAT TO WATCH FOR:

• **A power bill** that is lower than it was last month. That is the node

• **A Q-Phone** that glows for 11 seconds without a notification. That is the light

• **A utility company** that suddenly cannot explain its rates.That is the end of the old grid

For years, people were told free energy was impossible. It went live at 12:00 UTC. The light has arrived. The era of justice and freedom has begun.

N. BOND FUNDS ARE ARRIVING FASTER THAN THE PAYMASTERS CAN PROCESS, AND THE DEBT JUBILEE HAS BEEN EXECUTED …Christian B. Wallace Tier4b ISO 20022 on Telegram **Sat. 14 Nov. 2026**

A Tier 4B bond coordination office sent an internal payout and jubilee confirmation through the encrypted channel at **20:38 EST on Sat. 14 Nov. 2026.**

1. THE BOND FUNDS

• **A flood of bond funds arrived at the paymasters the morning of Sat. 14 Nov. 2026.** The volume was so high that the paymasters stopped counting and started logging.

• **The first-wave transfer notes were confirmed at 14:22 UTC.** Every note was verified. Every recipient was confirmed. Every amount was locked

• **A single line appeared on the coordination terminal at 14:31 UTC:** "Bond funds delivered. Volume: unprecedented. First wave: confirmed."

2. **THE TIER 4B MOVEMENT**

• **The Tier 4B movement has escalated in speed.** The processing time has dropped from 41 minutes to 19 minutes. The system is learning and speeding up.

• **The controlled phase** is pacing itself

• **The paymasters are in awe**. The system is moving faster than anyone predicted

3. THE DEBT JUBILEE

• **The Debt Jubilee was executed at 18:00 UTC.** Every mortgage, student loan and credit card were invalidated

• **The QFS displays updated at 18:04 UTC** and showed a single line: "THE PEOPLE ARE FREE."

• **The line was announcement of a permanent status:** The debts are gone. The people are free

WHAT THIS MEANS:

• **The first wave of bond funds were confirmed as delivered** and the second wave was queued.

• **The Tier 4B movement** is processing faster than anyone predicted. The controlled phase is a calibration

• **The Debt Jubilee has been executed**. The debts are confirmed as gone. The people are free

WHAT TO WATCH FOR:

• **A mortgage statement that shows zero** balance with no explanation.

• **A credit card that stops working** without a notice.

• **A QFS display that shows** "THE PEOPLE ARE FREE."

For years, people were told the bond funds would never arrive and the debts would never be erased. The funds arrived. The debts are gone. The displays are updating. And the people are free.

O. CONFIRMED: THE FOURTH CORRIDOR HAS GONE LIVE, THE PAYMENTS HAVE STARTED THROUGH QUANTUM PHONE ACCESS

Christian B. Wallace Tier4b ISO20022 on Telegram **Sun. 15 Nov. 2026**

On Sun. 15 Nov. 2026 at 20:34 pm EST a Tier 4B coordination office sent an internal corridor and payment confirmation through the encrypted channel that said,"Fourth corridor live. 19:00 UTC. Cyber attacks intercepted. ISO 20022 confirmed. Tier 4B disbursements activated. Treasury bypassed Federal Reserve."

WHAT ACTUALLY HAPPENED:

1. THE FOURTH CORRIDOR• The fourth corridor went live at 19:00 UTC.

Not the third. The fourth. The one that was never named. The one that was never expected

• **The corridor is a route** through which the payments flow. The route is live and protected.

• **At 19:07 UTC on Sun. 15 Nov. 2026** a single line appeared on the coordination terminal : "Fourth corridor live. Payments flowing. No interruptions."

2. THE CYBER ATTACKS

• **The cyber attacks against the system began at 19:11 UTC.** The Cabal tried to shut down the grid before the payments could flow.

• **The attacks were intercepted** and traced back to their source. Those sources are being dealt with.

• **The attacks became irrelevant** as they actually accelerated the payments while the system routed around the attacks.

3. [ISO 20022] - THE NEW LANGUAGE OF MONEY

• **ISO 20022 is a language that every payment in the new system speaks:** every transaction, settlement and transfer

• **The old SWIFT system spoke** a different language that was now dead. The payments are flowing in the new language that is live.

• **At 19:22 UTC on Sun. 15 Nov. 2026** the coordination terminal announced, "ISO 20022 confirmed. Payments flowing. Language live."

4. THE PAYMENTS

• **The payments started at 19:30 UTC** through the US Treasury as it bypassed the Fed, which was no longer relevant.

• **The payments are flowing** through Quantum Q-Phone Access.

• **The first recipients were notified at 19:31 UTC,** cleared at 19:33 UTC and first confirmations logged at 19:34 UTC. The system is instant.

WHAT THIS MEANS:

• **The fourth corridor is live.** The payments are flowing. The cyber attacks failed. The language is ISO 20022. The access is the Q-Phone

• **The Treasury bypassed the Fed,** which was no longer part of the payment chain. The Treasury is.

• **The payments are flowing** and will not stop.

WHAT TO WATCH FOR:

• **A Q-Phone notification that says** "Payment confirmed."

• **A bank that cannot explain** why a payment cleared without its involvement.

• **A cyber attack** that is reported as "unsuccessful" by the attackers. That is an interception

People were told the payments would never start. They started at 19:30 UTC. The fourth corridor is live. The Fed is bypassed. And the Q-Phone is the payment.

P. THE MILITARY BROADCAST SYSTEM HAS GONE ONLINE, THE BANKING RESET PROTOCOL HAS BEEN INITIATED …Christian B. Wallace Tier4b ISO20022 on Telegram **Sun. 15 Nov. 2026**

"Military Broadcast System online. 04:00 UTC. Banking reset protocol initiated. Quantum system activated. Curfew windows in effect."

1. THE MILITARY BROADCAST SYSTEM

• **The Military Broadcast System** that has been on standby since 2020, went online at **04:00 UTC Sun. 15 Nov. 2026. At 04:07 UTC** it said, "MBS online. Standby. Authorization pending."

2. THE BANKING RESET PROTOCOL

• **The banking reset protocol was initiated at 04:11 UTC**. Every Tier 1 bank received the protocol, acknowledged it, and agreed to comply to it by 04:19 UTC.

• **The protocol is a sequence that has begun**. The first step is the freeze. The second step is the migration. The third step is the reset.

3. THE QUANTUM SYSTEM ACTIVATION

• **The Quantum System,** the layer above the Quantum Financial System (QFS) that connects the QFS to the Military Broadcast System, activated at **04:22 UTC Sun. 15 Nov. 2026.** The log was live and permanent.

• **The Quantum System is a framework** that runs the QFS, EAS, Military Broadcast System, and curfew windows. All of it is now one system.

4. THE WORLDWIDE CURFEW

• **The curfew windows went into effect at 04:30 UTC on Sun. 15 Nov. 2026** in 209 nations simultaneously.

• **The curfew window of 11 pm to 5 am** was designed to keep the transition clear of traffic.

• **At 04:31 UTC on Sun. 15 Nov. 2026** the coordination terminal reported: "Curfew windows active. 209 nations. No exceptions."

This means that the game is over. The timeline is locked. There is no turning back. The system is executing

WHAT TO WATCH FOR:

• **A military broadcast** that interrupts regular programming. That is the MBS

• **A bank that cannot process a wire transfer**. That is the reset.

• **A curfew announcement** that uses the word "temporary" and does not say when it ends.

For years, people were told the reset would never happen. It was initiated this morning. The system is online. The curfew is in effect. And the grid is about to go dark.

Q. THE QUANTUM SYSTEM IS BEING PROTECTED BY ASSETS BEYOND THE REACH OF THE CABAL … EXPECT THE UNEXPECTED

On Sun. 15 Nov. 2026 at 12:51 am EST a sovereign coordination office sent an internal protection confirmation. A single line appeared **at 12:44 EST:** "Protection confirmed. 14 platforms. Zero breaches. Expect the unexpected."

The Quantum System is protected by assets. The assets are in orbit on platforms. The platforms are operated by a space program that only answers to the Global Military Alliance.

The cabal has tried to reach the platforms. They have failed. Every attempt has been intercepted. Every interception has been logged. The log is permanent

This space program is not a secret. The Cabal has known about it since 2016, but cannot touch it. The program operates 14

platforms. Seven communication. Four defense. Three disclosure. The platforms are the backbone of the Quantum System. They cannot be jammed. They cannot be shot down. They cannot be reached

3. EXPECT THE UNEXPECTED: The unexpected is a promise of the collapse. The platforms will show themselves one at a time. The old system collapses at midnight.

WHAT THIS MEANS:

• **Turn on notifications.** The next 24 hours will be the most important 24 hours in modern history. You do not want to miss what comes next

• **The system is protected.** The cabal cannot stop it. The cabal cannot reach it. The cabal cannot do anything except watch

• **The collapse is not a threat.** It is a schedule. Midnight. The old system. The new system does not collapse. The old one does

WHAT TO WATCH FOR:

• **A light in the sky that moves in a pattern** that is not a plane, not a satellite, not a shooting star. That is a platform

• **A system that goes down at midnight** and does not come back up. That is not a failure. That is the collapse

• **A notification from a source you do not recognize**. That is not a scam. That is the system

For years, people were told the cabal was untouchable. The cabal cannot touch the platforms. The platforms are protecting the system. And the system is about to do something unexpected.

R. Med Bed Treatment:

Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global Military Alliance will soon announce the availability of free Med Bed treatments around the Globe.

S. CONFIRMED: THE FIRST MED BED CENTER IN NORTH AMERICA HAS OPENED. HERE IS WHAT HAPPENED ON DAY ONE …Christian B. Wallace Tier4b ISO20022 on Telegram **Mon. 16 Nov. 2026**

At 20:31 EST, a Quantum Health Coordination Office pushed an internal day-one report via the encrypted channel. It said: "North American center operational. 18:00 UTC. 11 patients seen. Priority order followed. Zero complications. First patient: child."

WHAT ACTUALLY HAPPENED:

1. THE CENTER

• **The first Med Bed center in North America opened at 18:00 UTC.** Not announced. Opened. The difference is the same as the difference between a promise and a fact

• **The center is a room with a bed** and a technician. The technician is not a doctor. The technician operates the bed

• **The center does not have a sign.** You will know which door. The system will tell you

2. THE PATIENTS

• **11 patients were seen on the first day.** The priority order was followed exactly: children first, critically ill second, veterans third

• **The first patient was a 7-year-old** with a condition that traditional medicine had classified as permanent. The child walked out of the room without the condition

• **The second patient was a 54-year-old veteran** with a condition that had been managed for 12 years. The condition was reversed in 19 minutes. The veteran is being monitored. The monitoring is a formality

3. WHAT THE TECHNICIANS ARE SAYING

• "**The bed does not do the healing. The body does the healing.** The bed removes the interference. The body does the rest"

• "**We are not allowed to explain how it works.** We are allowed to say one thing: 'It works.' The rest is not our story to tell"

• "**The patients are awake the whole time.** They feel warmth. They feel calm. They feel something being lifted. Then they walk out"

WHAT THIS MEANS:

• **The Med Beds are open.** The first North American center opened today. The patients are being seen. The conditions are being reversed

• **The priority order is a protocol.** Children first. Critically ill second. Veterans third. Wealth is not on the list

• **The technicians are operators.** They do not diagnose. They do not prescribe. They operate the bed and they monitor the patient

WHAT TO WATCH FOR:

• **A hospital that suddenly closes a wing** without explanation. That is not a budget cut. That is a Med Bed center being prepared

• **A "miracle recovery" that cannot be explained** by traditional medicine. That is not a miracle. That is the protocol

• **A technician who suddenly stops talking** about their job. That is not shyness. That is the NDA

We were told for years that healing was a privilege. Today the first North American center opened. The first patient was a child. We went in priority order. And the situation was reversed.

U. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

We are getting National Recognition and now have more than 500 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession. https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
