Let Us Pray For Trump's Global Military Alliance And All Those Involved In This Fight of Good Against Evil To Save The World From The Pedophile Satan Worshiping Child Sacrificing Illuminati Cabal

The Lords Prayer - Mormon Tabernacle Choir with Andrea Bocelli

Judy Note: Tues. 17 Nov. 2026 was a very significant day in the history of the World. At 11:00 UTC the Quantum Governance Framework, a structure run by the new Global Quantum Financial System, was activated in 209 nations including America.

On that same historic 17th of November 2026, Constitutional Law was implanted and became active within those 209 nations. Their governments which had agreed to participate in the new Global Currency Reset that placed their gold/ asset-backed currency at a 1:1 with each other, were sizing down to 10% of their present size, and with new personnel.

Even more significant, in order to participate in the Global Currency Reset the nations of the World had all agreed to be at peace and not at war, with each other.

That didn't mean we had solved all our problems and still badly needed to complete the Global transition to a new and better World.

After activating the Global Currency Reset (GCR), President Trump paid a visit to the Philippines (home of the World's gold backing the GCR that was being guarded by the Chinese Elders in the Philippines). At the same time Trump sent most of his cabinet members to the security of military bases: https://amg-news.com/boom-security-watch-fortress-america-trump-visits-philippines-as-cabinet-officials-move-to-military-bases-video/

I think President Trump had a clue as to what was going on with all these recent Cyber Attacks (that no one would admit were Cyber Attacks). Reports spanning **November 12–16** have raised questions about interruptions and strange problems with Microsoft 365, U.S. aviation, major banks and Amtrak services around Washington, D.C. Alongside those disruptions came an intelligence report concerning Iran. **Tues. 17 Nov. 2026:** https://amg-news.com/us-bank-outages-flight-disruptions-emergency-alert/

U.S. intelligence has reportedly leaked information regarding a potential Iranian plot involving a "dirty bomb" in Washington, D.C. This intelligence suggests that Iran may have stashed radioactive materials within a sleeper cell located inside the United States, with the intent of targeting key administration officials and causing a mass casualty event. **Tues. 17 Nov. 2026:** https://amg-news.com/iran-dirty-bomb-plot-reports-washington-trump-security/

There were 13 systems that went down or were hacked within 24 hours and are raising questions about the reliability of essential digital services. The list

spans banks, an airline, a broker, email services in Germany, a Visa service provider, 178 major websites and, most recently, the NSA.

The immediate concern was access: people depend on these services to manage money, travel, communicate and conduct business. Interruptions across several sectors deserve clear explanations about what failed, who was affected, and when services returned. Tues. 17 Nov. 2026: https://amg-news.com/breaking-alert-13-systems-down-or-hacked-in-24-hours-video/

Customers of JPMorgan Chase, Bank of America and Wells Fargo reported difficulties accessing banking services. Chase Support acknowledged an issue, while a Fox News alert cited approximately 3,300 Chase outage reports and 800 reports involving Bank of America and Wells Fargo combined. **Tues. 17 Nov. 2026:** https://amg-news.com/us-bank-outages-flight-disruptions-emergency-alert/

Thurs. 12 Nov. 2026: Microsoft crashes, goes dark almost 24 hours.

On Fri. 13 Nov. 2026 at 11:00 UTC private payments activated for Zim and Birth Certificate Bond Holders. Air Traffic Control confirmed that all aircraft at all airports in the US were grounded for about four hours. Washington DC issued news blackout there until Sunday.

Sat. 14 Nov. 2026 Fox News: United Airlines experiences widespread system outages one day after FAA issued nationwide plane grounded stop.

Tues. 17 Nov. 2026 Fox News: NSA's highly classified communications network hit by widespread outage. **Newsweek:** Cyber Attack hits 178 major websites. Chase, Bank of America, Wells Fargo, Zelle down.

On Sun. 22 Nov. 2026 - anniversary of the Kennedy Assassination - the new ISO 20022 international banking standards were set to go into effect. After that it will make it almost impossible to hide "dark money" anywhere in the World.

Short History of the Transition:

In early 2017 right after President Trump took office, he asked Dr. Charlie Ward to oversee 650 Military plane loads of 43 Quadrillion dollars in gold and

treasure removed from an extensive tunnel system that lay 15K deep beneath the Vatican.

"**Military sources confirmed** it was one of the largest underground operations in history. The tunnel ran 1,500 miles under earth and water to Israel in one direction and even more miles the other way to Maui Hawaii.

"The sophisticated underground (Child Sex Trafficking) tunnel that connected the Vatican to Israel and Maui was found to contain $43 million billion in stolen assets, smuggled gold, kidnap victims, (a sophisticated transportation system) and evidence of human trafficking on a Global scale.

"**The White Hats conducted 650 Military flights** to secure the gold cargo to protected facilities hidden within mountain vaults (of the Chinese Elders). The confiscated wealth of $43 quadrillion, plus most of the World's existing gold - will be redistributed through Humanitarian programs.

"Governments have been issued wallets loaded with two million PI each, while selected organizations received up to 10,000 PI for recovery programs.

"The network's timeline mirrors political transformation for a reason -it was designed in the 1990s as a financial system for humanity, delayed only by 9/11 and the corruption that followed.

"**Now the flow begins.** The tunnels are empty. The gold is safe. The redistribution of wealth has started. Humanity will finally rise - and this time, nothing can stop it." …Gitmo TV on Telegram **Tues. 17 Nov. 2026**

The Event

D. UPDATE: THE COUNTDOWN IS REAL …Gitmo TV on Telegram **Tues. 17 Nov. 2026**

Standby Codes have been confirmed. Military sources were reporting that the final phase is in motion.

A Three Day Event was imminent, with announcements to be made over an activated Emergency Broadcast System on the new Starlink Satellite System to all cell phones Worldwide.

At the end of a following Ten Days of Communication Darkness you will be invited into a Redemption Center to establish your new money account called a wallet.

All funds in your existing bank account have already been mirrored to your new wallet account on the new Global Financial System.

E. PREPARE FOR THE EVENT …Juan O Savin on Telegram **Tues. 17 Nov. 2026**

Military Contacts indicated that all Military forces around the World were ready to soon suspend all communications, Internet, phone, ATMs and TV services. Emergency service will remain active.

Upon activation of the EBS and Nesara/ Gesara Laws, the over 6,000 patents that have been repressed over the years would be released, including the General Public's access to Med Bed Technology healing.

All people around the Globe would hold gold/asset-backed currency and have debts wiped out that were gained through illegal bank lending of fiat monies.

This came with a ten day Communication Blackout, where truthful eight-hour documentaries will be broadcast three times a day 24/7, seven days a week.

After the ten days of communication darkness, all peoples of the World would be invited into nearby Redemption Centers to set up secure money accounts (called wallets) on the new Starlink Satellite System.

F. Possible Timing:

In 1871 the independently owned by Cabal Global Financial System turned the American Republic into the privately owned corporation, US Inc.

By 1933 this Deep State Cabal had stolen all of the nation's financial assets including it's borrowed gold and was forced to declare bankruptcy.

By 2008 although the privately owned US Inc. Federal Reserve and IRS still collected all US Taxpayer monies, they couldn't even pay interest on gold they borrowed from the Chinese Elders to set up the US financial system. They began to print and spend a fiat US Dollar backed by nothing.

Nine years later in 2017 right after President Trump's inauguration, he made a World Tour, where all countries capitulated to him in order for them to participate in the new Global Financial System and it's Global Currency Reset.

Nine years after that on March 21, 2026 President Donald J. Trump secretly announced the restoration of the United States American Republic under authority of Article II of the U.S. Constitution.

The Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

On Tues. 27 Oct. 2026 the Emergency Broadcast System (EBS) was activated.

At exactly 03:00 am EST on Fri. 6 Nov. 2026 the Starlink Quantum takeover of the Internet and global communication grid completed, with the 10,413 Starlink Satellite Network locked into full control.

On Sat. 7 Nov. 2026 Trump's Global Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the World's wealth into the new asset-backed Quantum Financial System (QFS) and declared a sovereign Debt Jubilee across 209 nations.

Also on Sat. 7 Nov. 2026, and with the era of fiat monopolies and illegitimate credential harvesting expiring, the Global Military Alliance ordered an

immediate liquidation of the corrupt Federal Reserve, then routed the wealth through the secure gold and asset-backed Quantum Financial System (QFS).

By Sun. 8 Nov. 2026 Trump's Global Military Alliances' confiscation of bankrupt corporate assets had spread overnight to credit mainframes in Madrid, Zurich and other countries, which then lite up the global financial grid in red.

On Mon. 9 Nov. 2026 at 12:00:01 am UTC, SWIFT-the central backbone of international bank transfers since 1973-was permanently terminated, the old network completely offline. The gold/asset-backed BRICS System currency of 209 nations in the new Quantum Financial System, had already taken over. The corrupt corporate entity known as US Inc, created to enslave Americans with debt and endless conflicts of war against other nations, was now defunct, ending its foreign control over American Taxpayer monies.

On Tues. 10 Nov. 2026 Tier 4B notifications began in regional groups, starting in Asia, and spread going East to West across the World.

The next day on Wed. 11 Nov. 2026 at 9:00 am EST the original Constitutional Common Law legal framework was restored and the 148 year old American Bar Association began transitioning to practice Constitutional Common Law instead of Admiralty Law.

On Thurs. 12 Nov. 2026 at exactly 06:00 am EST the Quantum Internet - the decentralized, encrypted, unalterable network built on the ruins of the old internet - was opened to public access in 209 signatory nations. Every citizen with a verified sovereign identity now has access to a network that cannot be censored, cannot be monitored, and cannot be shut down. The old internet is being abandoned.

On Thurs. 12 Nov. 2026 at 13:07 pm EST the Quantum Financial System privacy layer activated and ISO 20022 gold-backed currency integration completed. Every transaction on the QFS was now protected by a quantum privacy layer that makes the transaction invisible to anyone outside the system. Microsoft 365 went down worldwide. Outlook teams and copilot were out for around 24 hours in 70+ countries. Microsoft claimed, "It was an upgrade issue "not related to Cyber or AI."

On Fri. 13 Nov. 2026 at 11:00 UTC private payments activated for Zim and Birth Certificate Bond Holders. The FAA grounded every flight in the US after what they said was a communications failure at Air Traffick Control Centers. About 15,000 flights were impacted by the grounding that lifted at 01:15 UTC. Department of Homeland Security: "No sign of an attack." Washington DC issued a news blackout there until Sunday.

Fri. 13 Nov. 2026 Evening: The program "Workday," used by 11,500+ organizations, went down. Workday claimed it was an issue in it's Disaster Recovery Backup that caused inconsistent data in it's live system. Walmart, Target, Chipoltle and Skechers workers were affected and reportedly locked out of pay, benefits and time off.

On Sat. 14 Nov. 2026 Martial Law began as more than 100 million military were stationed around the World to arrest mafias, corrupt clans, pedophiles, drug traffickers and Illuminati Deep State including the Rothschilds.

On Sat. 14 Nov. at 13:06 pm EST a group of private payouts activated for verified Bond Holders.

On Sat. 14 Nov. 2026 the first Tesla Free Energy node went live at 12:00 am UTC. A**t 18:00 UTC** the Debt Jubilee was executed. Bond funds began arriving at paymasters.

On Sun. 15 Nov. 2026 at 20:34 pm EST Cyber attacks on the new Global Financial System were intercepted. ISO 20022 confirmed. Tier 4B disbursements activated. Treasury bypassed Federal Reserve. The Cabal had tried to shut down the grid before the payments could flow. The attacks were intercepted and traced back to their source. Those sources were now being dealt with.

On Sun. 15 Nov. 2026 at 04:00 UTC the new Military Broadcast System went online with the Banking reset protocol initiated, Quantum system activated and Curfew windows in effect. The banking reset protocol was initiated at **04:11 UTC**. Every Tier 1 bank received the protocol, acknowledged it, and agreed to comply to it by **04:19 UTC.**

The Quantum System, the layer above the Quantum Financial System (QFS) that connects the QFS to the Military Broadcast System, activated at **04:22 UTC Sun. 15 Nov. 2026.** The log was live and permanent. The Quantum System is a framework that runs the QFS, EAS, Military Broadcast System, and curfew windows. All of it is now one system.

On Sun. 15 Nov. 2026 at exactly 12:00:01 am EST a sovereign Debt Jubilee was quietly declared across 209 nations. The $36 trillion in US national debt - the number that has been used to justify austerity, cuts, and the enslavement of generations - was erased from the QFS ledger in a single stroke.

Also on Sun. 15 Nov. 2026 at 12:04 EST a sovereign banking coordination office sent out a message that said: “Swap line closures confirmed. Three central banks. **Effective 11:00 UTC.** No replacement requested.” For 80 years, the bank’s dollar swap line network was the backbone of global finance, allowing them to borrow dollars in a crisis. Now three large banks have removed their connection to it because they have connected to the new Quantum Financial System (QFS) rails

On Sun. 15 Nov. at 03:44 UTC a full tanker of crude oil was delivered and for the first time, paid for in gold/asset-backed Rainbow Units, not the fiat US Dollar. The transaction took 4.2 seconds and without referencing a US, or any other bank. Not one. The paperwork was built on the gold/asset-backed ISO 20022 framework. Oil was the most traded commodity on Earth. For 52 years every barrel was priced in oil dollars as the reserve currency. No more. When oil settles outside the dollar, the dollar loses its reason to exist as a global currency. Because of this and over the next few months, the fiat US Dollar was set to collapse.

On Mon. 16 Nov. at 3am EST the legacy SWIFT backbone suffered a "catastrophic unrecoverable outage." When it comes back, it will speak only ISO-20022 and rainbow currency.

At 11:00 UTC on Mon. 16 Nov. 2026 the Quantum Governance Framework was activated for 209 nations participating in the Global Currency Reset. The Republic of Constitutional Law has been restored to the original Constitutional Law. The law that was replaced by the debt-based system in 1933. That Constitutional Law will be active in 209 nations.

On Tues. 17 Nov. 2026 at 11:00 UTC the Quantum Governance Framework was activated in 209 nations. Constitutional Law was restored. Governments were sizing to 10% of their present size with all new personnel.

On Tues. 17 Nov. 2026 Cyberattacks hit banks and internet at the same time. **At 2:20 pm EST** radios and tvs across America could be interrupted by the National Emergency Alert System. ….Edward Snowden on Telegram **Wed. 11 Nov. 2026**

There were many fraudsters out there who were hitting on Us, the Internet Group. I would caution you to not give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

Today Tues. 17 Nov. 2026 there were glitches in some banks and some ATMs were not working. Bruce believes it was because the banks were merging into the new Global Financial System.

At 2:22 EST on Tues. 17 Nov. 2026 a EBS test message came out on TV and Radio. Some people reported they received a EAS message on their phones, which were also tests.

There were four sources that indicated to Bruce that Tier4b (us, the Internet Group) would be notified **this week (Thurs. 19 Nov. through Sat. 21 Nov.)**

The Military is active and doing drop offs and pick ups.

Some people have received official letters from their banks in the snail mail saying their mortgages were invalid, they had 0 balances and there was no reason to contact the bank about it. This is Nesara and will go on until the middle of December.

Zim Holders will receive Q Phones at their appointment.

J. THE QFS CAPITAL RELEASE HAS BEEN ACTIVATED, PRIVATE PAYOUTS ARE NOW IN MOTION …Christian B. Wallace Tier4b ISO20022 on Telegram **Fri. 13 Nov. 2026**

A QFS capital coordination office sent an internal release confirmation through the encrypted channel at **13:06 EST on Fri. 13 Nov. 2026.** It said: "Capital release activated. **11:00 UTC.** Private payouts in motion. ZIM status: verified. Birth certificate bond status: acknowledged."

WHAT ACTUALLY HAPPENED:

1. THE CAPITAL RELEASE

• **The QFS capital release activated at 11:00 UTC.** The funds are moving

• **The release was private.** The recipients know who they are. The system knows who they are. The public does not

• **The release is a stream of payments.** The first tranche is the beginning. The rest follows as the recipients move

2. THE BIRTH CERTIFICATE BOND

• **The birth certificate bond is a financial instrument.** Every person born has one. It has been traded, leveraged, and used as collateral for decades without the person's knowledge

• **The QFS has acknowledged the bond as an asset** to be returned. The bond holder is the collateral. The collateral is being released

• **The release is a restoration** of what the bond represented. The person was the asset. The person is now the owner

3. THE ZIM STATUS

• **The ZIM status is verified.** The ZIM holders are being processed through the same Q-Phone system as every other bond holder

• **The ZIM is a bond** and being treated as a bond. The bond holders are not exchanging currency. They are redeeming a bond

• A single line appeared on the coordination terminal at 12:58 EST: "Capital release active. Private payouts in motion. ZIM verified. Birth certificate acknowledged."

WHAT THIS MEANS:

• **The QFS is a system** that is releasing real capital.

• **The birth certificate bond is a financial instrument** that the system has acknowledged.

• **The ZIM has a verified status.** ZIM holders are being processed. The processing is a procedure

WHAT TO WATCH FOR:

• **A Q-Phone notification that says** "Capital release: confirmed." That is the

system

• **A bank statement that shows a deposit you cannot explain**. That is the release

The RV Redemption has begun. The NDAs are real. The post-redemption plans are locked. What you are about to read is the uncompromising truth about the Redemption Centers - the only gateways for the public under NESARA/GESARA protocols.

Banks are NOT your path. Elites use them. We, the people, go through Redemption Centers, even if they have a bank name slapped on the building. Here, rates are higher, and you walk out with QPhones, QLaptops, Quantum ID Access

Cards, Rainbow Currency, debit cards, checks and even a temporary trust if your humanitarian project template is ready. This template, approved at the White House, was designed for those chosen to restore humanity.

Backbone of this operation:

Reclamation – returning stolen wealth seized by the Deep State, Cabal, and bank cartels. Restitution/Reparation – undoing decades of unconstitutional theft: taxes, interest, property seizures, debt slavery.

Redemption – the exchange of currencies/ZIM bonds at rates never meant for public eyes. Only a fraction is for personal use - the rest fuels humanitarian projects.

ZIM bonds are gold-backed. Dinar, Dong, and others hit double-digit rates. XRP? Already mirrored into Quantum accounts. True value: $1M per token.

M. **THE OLD GRID IS DEAD. THE MIGRATION IS DONE**. …White Hats Command

Four banks. Four breaches. One week. Every account, every fund, every gram of vaulted metal — lifted out of the dying architecture and moved into the new one. They will call it a cyberattack. It was a transfer with a cover story. Read the sequence:

The breaches were not aimed at balances. Balances are just numbers on a ledger that was already condemned. They were aimed at the old settlement layer — the rails, the clearing paths, the reconciliation tables that still thought it was 1971. Once those were quiet, nothing had to be stolen. It simply had to be re-pointed. And it was. Quietly. Completely.

The gold moved first. It always moves first, because metal is the only asset in this story that cannot be forged, faked, or inflated by a keystroke. Every verified bar now carries a ledger entry that answers to a public chain instead of a private charter. Then the funds. Then the accounts. Then the names.

The old grid has flatlined, while the machines are still humming out of habit.

Now the part that sounds like a story and isn't: the darkness. Ten days. That is the window. Ten days of quiet screens, dead apps, useless ATMs, and a country discovering how much of its life it had outsourced to a server farm. Phones down. Branches shuttered. Ticker dark.

The alert tone that fired on Tues. 17 Nov. at 14:20 EST was not a test. It was the opening bell of the transition. One tone, one minute, one country — and then the ten days begin.

You will not be asked to do anything. That is the point. The system does not need you to participate in its own replacement.

And on the other side of the dark: December 11. Forty-seven redemption centers. Nine in the morning, local, appointment only. Two chairs in the verification room. A verifyer who reads an oath off a card before touching your paper.

That is where the payouts happen. Not at a teller window, not through an app, not by direct deposit into an account that used to belong to a bank. In a room, in person, with your name on a ledger that nobody can amend behind your back.

You walk in with paper. You walk out with a wallet that answers to you and to nothing else.

Bring: the currency, the bond paper, identification, and patience for the queue. Leave the rest at home.

Debt dies with the old grid. Every compounding curve engineered to outrun

your wages is being recalculated against a ledger that does not charge you rent for existing. The interest machine has nothing left to bill.

They built a system that assumed you would always owe. December 11 is the day the assumption is retired.

Do not panic at the darkness. The darkness is the door closing behind you.

The old world ran on interest. The new one runs on proof.

N. THE DIGITAL GUILLOTINE HAS FALLEN — $4.7 TRILLION IN BLACK BUDGETS EXPOSED …Gitmo TV on Telegram **Tues. 17 Nov. 2026**

Something irreversible has already begun. While the world is distracted by chaos, theater, and illusion, the U.S. Treasury silently flipped a switch — and the digital guillotine came down. In its first breath, the new TAS protocol blocked $334 million in unauthorized transactions.

But that was just the surface. Beneath it lies something far darker: $4.7 trillion in untraceable payments, moved with no budget codes, no oversight, no legal trail. That isn't bureaucracy. That's systemic shadow finance being dissected in real time.

For years, they moved money through the dark — through black ops, front NGOs, off-ledger tech programs, election manipulation, and undeclared war budgets. No one asked. No one tracked. No one dared.

But now, every dollar faces a final firewall: the TAS system — Treasury Access Symbol — a digital gatekeeper that demands three things: a valid budget code, active authorization, and timeline accuracy. If one is missing, the payment dies. Instantly. Quietly.

They didn't announce it. They didn't ask permission. They just deployed it. Already flagged:

– **Transactions** with no budget linkage
– **Invalid** or expired codes
– **Payments** tied to exhausted funds
– **Funds routed through ghost departments** with no legal backing

And this is just wave one.

This reset isn't being discussed on stage in Davos. It's not a headline. It's backend code rewriting the rails beneath our economy, purging black channels, and restoring visibility where there was none. The days of "emergency funding" used as a smokescreen are ending. The quiet empire of shadow payments is collapsing from within.

This is no longer theoretical. It's operational. The Treasury is no longer just processing payments — it's terminating ghosts.

No more "missing trillions." No more silent siphoning through war powers. No more financial black ops hidden under the illusion of national security. A machine is watching now. One that doesn't forget, doesn't lie, and doesn't answer to secret committees.

This is digital war. And for the first time, the Deep State's favorite weapon — invisibility — is being torn from its hands. The audit trail is alive. The purge is active. And the new financial system is no longer coming. It's already here.

Global Transition To Freedom:

O. THE QUANTUM GOVERNANCE FRAMEWORK HAS BEEN ACTIVATED. On Tues. 17 Nov. 2026 at 11:00 UTC the Quantum Governance Framework was activated in 209 nations. Constitutional Law was restored. Governments were sizing to 10% of their present size with all new personnel. …Christian B. Wallace Tier4b ISO20022 on Telegram **Tues. 17 Nov. 2026**

WHAT ACTUALLY HAPPENED:

1. THE FRAMEWORK

• **The Quantum Governance Framework** was activated at 11:00 UTC.

• **The framework is a structure that runs on the QFS** and enforced by the Quantum Ledger. It cannot be corrupted because there is nothing to corrupt

• **The framework replaces the system** the governments were built on. The governments are being reduced. The framework is being expanded.

2. THE 10% GOVERNMENT

• **The governments are being reduced to 10%** of their current size. The departments that were built to service the debt-based system are being retired

• **The personnel are being replaced in waves.** The first wave is the departments that no longer have a purpose. The second wave is the departments that have a new purpose

• **The new personnel are non elected administrators** recognized by the system.

3. THE CONSTITUTIONAL LAW

• **The Republic of Constitutional Law has been restored.** The documents are signed. The framework is live. The law is the law again

• **The restored law is the original law.** The law that was replaced by the debt-based system in 1933. The law that was buried. The law that is now unburied

• **A single line appeared** on the coordination terminal at 11:11 UTC: "Framework active. 209 nations. Constitutional Law restored."

WHAT THIS MEANS:

• **The governments you knew are being reduced.** The system does not need them at their current size. The system needs them at 10%

• **The people who ran the old system** are being retired. The system does not punish them. It replaces them

• **The Constitutional Law** is a live framework enforced by the Quantum Ledger. It cannot be broken because there is nothing to break

WHAT TO WATCH FOR:

• **A government department that closes without explanation**. That is not a budget cut. That is the 10%

• **A new face in a government office** who was not elected. That is not a scandal. That is a recognition

• **A legal document that cites the Constitution** instead of a statute. That is not a technicality. That is the restoration

P. THE UNDERSEA CABLES ARE BEING CUT. NOT BY RUSSIA. BY THE WHITE HATS. …Charlie Ward Insider on Telegram **Tues. 17 Nov. 2026**

Three of the primary undersea fiber-optic cables in the Atlantic were severed in a coordinated operation. The corporate media is already preparing the narrative: “Russian sabotage.” “Chinese aggression.” “A threat to global

communications."

THEY ARE LYING TO YOU BECAUSE THE CABLES WERE NOT CUT BY A FOREIGN ENEMY. THEY WERE CUT BY THE WHITE HATS.

What they are hiding in total panic: At exactly 03:00 AM Eastern, the primary data pipelines that connect the old corporate servers in North America to the old corporate servers in Europe were permanently severed. The cables did not fail. They were cut - by operatives with access to the maintenance submersibles that service the cables. The operation was signed off at 11:47 PM the night before.

No press release. No emergency alert. No explanation.

THE OLD TRANSATLANTIC DATA PIPELINE IS DEAD. For decades, the undersea cables were the backbone of the old internet - the physical infrastructure that connected the corporate media servers, the Wall Street trading algorithms, and the intelligence agency data centers. Every byte that traveled between the US and Europe went through those cables. They were the nervous system of the old matrix.

Here is what the undersea cable cut is actually unleashing behind the scenes right now:

▪ **The Server Farm Freeze:** The old data centers in Virginia, New York, and London are no longer connected to each other. The high-frequency trading algorithms that depended on millisecond latency between New York and London are now dead. The arbitrage machines that extracted billions from the markets are running on empty. The old financial system is blind.

▪ **The Narrative Disconnection:** The corporate media networks — CNN, BBC, MSNBC - are no longer connected to their European headquarters. The scripts are still being written. But the data that was used to coordinate the narrative across the Atlantic is gone. The old media is not being silenced. It is being disconnected from its source.

▪ **The Quantum Mesh Reroute:** The traffic that was flowing through the severed cables is being rerouted through the Starlink quantum mesh. The internet is not down. It is being migrated - from the old physical cables to the new quantum infrastructure. The old system is being bypassed. The new system is already live.

You don't cut the primary undersea cables unless you are ready to shut down the old transatlantic data pipeline that connects the entire corporate control grid.

They told you the cables were secure. They called you crazy for questioning the infrastructure. They laughed when you said the cables could be cut.

Look at the internet tonight. The pages are still loading. But the data is not traveling through the same cables. The old pipeline is dead. The new pipeline is quantum. The white hats did not cut the cables to destroy the internet. They cut the cables to free it. The internet is not being shut down. It is being reclaimed.

Q. Tues. 17 Nov. 2026: NEWSBURST --SUBJECT -- AI GENERATED CHILD SEXUAL ABUSE MATERIAL VIA TECH. https://www.disclosurenews.it/news-burst-17-november-2026-get-the-news/

The Childlight Global Child Safety Institute at the University of Edinburgh found that reports linked to AI-generated child sexual abuse material submitted by technology companies to the US-based National Center for Missing and Exploited Children (NCMEC) jumped from around 4,700 in 2023 to more than 400,000 in 2025.

AI-powered 'nudify' apps can turn ordinary photographs into realistic sexually explicit images within seconds, which can then be used for blackmail and extortion. NCMEC identified more than 275 children directly victimized through AI-generated sexual abuse material in 2024 and 2025. Some perpetrators were people the children knew personally.

R. 64 babies were victims of rape in daycare centers in Amsterdam. One of them was near a Zandvoort child pornography distribution hub connected to the DUTROUX Case. …Mr. Pool on Telegram **Tues. 17 Nov. 2026**

The Dutch authorities had known about the network dedicated to producing images of babies being raped in daycare centers since Marcel Vervloesem presented his revelations in case file 8257/01, registered on March 14, 2001, with the court in Neufchâteau.

Vervloesem reported information provided to him by Robert Jan Warmerdam, a transgender man who frequented Amsterdam's sadomasochistic scene and knew Marc Dutroux. On one occasion, Jan Warmerdam met with Dutroux to discuss the abduction of six girls and the murder of four of them. Dutroux mentioned the existence of a daycare center without video surveillance where babies were drugged and sexually exploited.

The Dutch authorities reopened the case of Robert Mikelson, an 18-year-old Latvian who, in September 2002, was transferred to a daycare center in Heidelberg, Germany, through a project funded by the European Union. His contract ended in June 2003 when he was arrested for possession and distribution of child pornography. After being sentenced to a suspended one-year prison term, he moved to Amsterdam.

Mikkelson lived with Richard Van Olffen, a Martijn acquaintance and bus driver who ran thirty websites featuring sadistic child pornography. Between 2004 and 2006, Mikelson worked at the "Community School," a center that was renamed "Het Hofnarretje" between February 2007 and June 2008.

In August 2008, two mothers accused him of sexually abusing their children, who were two and a half years old, by manipulating their genitals. His lawyer allowed Mikkelson to flee to Kenya, where, starting in the fall of 2008, he worked at an orphanage in Nairobi that housed 17 minors and provided food to 60 children living on the streets.

The Netherlands closed the case based on the opinion of a forensic psychologist, who considered the children's accounts unreliable. Mikkelson returned to Amsterdam and, between October 2009 and January 2010, worked at the daycare center "Jenno's Knuffel Paradijs," located at 74 Admiraal Ruyterweg, a short walk from one of the child pornography studios in Zandvoort. He offered his services as a childminder at very low prices.

However, a U.S. arrest warrant achieved more than the European Union had managed in 22 years. The Dutch authorities ordered Robert Mikelson's arrest on December 7, 2010, but gave his husband, Richard Van Olffen, four days to delete the data from the computers.

The media call him "The Monster of Riga," without explaining why it took them 12 years to be outraged by the images of raped babies that were part of the Zandvoort archive.

The real monsters are those who covered up this network of pedophiles, which involved depraved and powerful individuals, as well as child murderers.

T. Health and Human Services Secretary Robert F. Kennedy Jr. has officially terminated all HHS contracts with companies owned by Bill Gates, slashing hundreds

of millions in federal funding. The move is part of Kennedy's broader effort to end government reliance on the Microsoft founder's business ventures in the health sector. …Gitmo TV on Telegram **Tues. 17 Nov. 2026**

"We won't be giving him another nickel to develop more jabs," Kennedy stated during a recent Senate Finance Committee hearing. The decision is just the latest in a series of actions targeting mRNA vaccine development, with HHS previously canceling 22 projects worth nearly $500 million nationwide.

Gates reportedly received an estimated $408 million annually from federal contracts at one point, a figure that has now dropped to less than $10 million. Kennedy framed the cuts as a necessary step to redirect taxpayer money away from what he views as ineffective vaccine platforms and toward "safer, broader vaccine strategies" like whole-virus platforms.

Critics argue the decision undermines pandemic preparedness and scientific progress, with experts warning it could leave the U.S. vulnerable to future outbreaks. But Kennedy and his supporters see it as a long-overdue reckoning with the influence of private billionaires over public health policy. "There aren't many places left for him to scrounge off the taxpayer," Kennedy added.

U. BREAKING: EXPLOSIVE REPORT – "VENEZUELA LIST" EXPLODES – Maduro Links 60 U.S. SENATORS to Multi-Million Bribe Allegations (FULL LIST & DOCUMENTS) …Gitmo TV on Telegram **Tues. 17 Nov. 2026**

A political firestorm has exploded as the "Venezuela List" links 60 U.S. Senators to multi-million bribes from Maduro's narco-terror regime. QAnon patriots are on fire knowing this exposes the Deep State treason and signals the storm is upon us.

Hugo "El Pollo" Carvajal, the former Venezuelan intelligence chief in U.S. prison after pleading guilty to narco-terrorism, is revealing Maduro's full war on America using drugs, gangs like Tren de Aragua, and terrorist alliances with Hezbollah, FARC, ELN and Cuban spies to flood our cities with chaos.

He confirms Smartmatic was built for election fraud by Venezuelan spies, validating patriots' warnings about rigged elections.

The Venezuela List accuses these Senators of taking cartel bribes to sabotage President Trump's anti-narco operations and Defense Secretary Pete Hegseth's strategies. These traitors have American blood on their hands from the deadly fentanyl crisis they enabled.

The full list of bribed Senators includes prominent traitors like Chuck Schumer D New York, Mitch McConnell R Kentucky, Adam Schiff D California, Elizabeth Warren D Massachusetts, Bernie Sanders I Vermont, Cory Booker D New Jersey, Amy Klobuchar D Minnesota, Mark Kelly D Arizona, Lisa Murkowski R Alaska, Susan Collins R Maine, Chuck Grassley R Iowa, Joni Ernst R Iowa, Mark Warner D Virginia, Tim Kaine D Virginia, Patty Murray D Washington and dozens more Uniparty sellouts exposed at last.

Trump and Hegseth have launched a fierce counteroffensive destroying Venezuelan fentanyl routes, seizing the traitors' ill-gotten assets, and launching cyber strikes against Smartmatic's fraud network. The Deep State is collapsing as loyal military forces move in.

This proves the Uniparty sold out America to cartels and globalists. White hats control the plan, tribunals await the criminals, and the great awakening explodes as patriots unite. The American Republic is fighting back with Trump leading the

final drain of the swamp. Victory belongs to the people and the storm will cleanse it all. WWG1WGA!

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
