Judy Note: Trump and the Global Military Alliance's fight involving Good against Evil continued.

The White House in Washington DC has turned red. …Charlie Ward and Friends **Sun. 1 Nov. 2026** https://t.me/CharlieWard_Official

"**This means that the EBS (Emergency Broadcast System) will be activated within the next 24 hours,** and a large-scale arrest operation by the World Military Alliance is currently underway.

"**Currently, planned power outages** are occurring worldwide.

"**Notifications of EAS (Emergency Alert System) activation** have been received in Ohio, California, the Carolinas, Alaska, Virginia, New York, Arizona, and Texas. EBS is also scheduled to begin soon in Florida and Pennsylvania.

"**Emergency lockdown. Travel restrictions.** Virtual ID required for store entry. Bank closures, ATM shutdowns. Stock up on food, water, cash, and essentials."

Edward Snowden on Telegram Sun. 1 Nov. 2026 said that "The EBS has already been activated with ten days of communication darkness to follow.

"**Martial Law will enable the arrests of pedophiles** Worldwide as eight hour documentaries in 22 languages reveal the Satanic Deep State Agenda, plus expose the Cabal's fall because of their fiat currency, resulting in Freedom's dawn.

The Event may entail 34 buildings bombed, all major dams, a stock market crash and major cyber attacks to shut down Earth.

If happened, what followed would be EBS activation to all TV and Radio broadcasting Worldwide and a ten day shut down of Earth with trains and planes grounded.

Trump's Global Military Alliance ongoing Mass Arrests of Satan Worshiping Cabal Elite traitors would result in all governments worldwide being stood down.

After Ten Days of Communication Darkness filled with 24/7 disclosure documentaries we would then be having Blockchain Elections for governments 10% of their present size.

After which expected implementation of the Quantum Gesara Law aka Trumpsara, would result in a new and improved Quantum Financial System, Quantum Voting System, Quantum Healing through Med Beds and a hyper fast, secure Quantum Internet.

Gesara payouts to drop during a 48 hour Blackout.

Martial Law will extend Mass Arrests with the continued unsealing of indictments.

Washington DC to be designated a Military District with the privately owned US Inc. dissolved.

The End: The standby codes have been confirmed. Military sources are now reporting that the final phase is in motion. …Christian B. Wallace on Telegram **Sun. 1 Nov. 2026**

Here is what you need to know RIGHT NOW:

 The 10-day communication blackout is not a drill. When the screens go dark, do not panic. This is the planned transition.

 The Emergency Broadcast System will be your ONLY source of information. Eight-hour documentaries will run three times daily - exposing everything. The names. The networks. The crimes. The arrests.

 Mass arrests are already underway. Over 500,000 sealed indictments are being executed as we speak. Politicians, bankers, royals, CEOs, intelligence officers, and child trafficking operatives - no one is above the law anymore.

 When the blackout ends, the world reconnects to the Quantum Internet. Un-censorable. Un-hackable. Un-corruptable. Powered by QFS nodes and military-secured satellites.

 NESARA/GESARA is being activated. Debt erased. Financial sovereignty restored. Suppressed technologies released. Healing centers opened.

The old system is collapsing. The new era is rising. Stay calm. Stay informed. Stay ready. The Great Awakening is not coming … IT IS HERE.

A Military Intel Contact disclosed that exchange and redemption instructions required that the only way to obtain a personal 800 number was through a Safe Link Website. There you could secure an appointment at a Redemption Center and ask for the higher currency exchange and bond redemption rates.

"Redemption Centers are active and gold backed funds are being distributed globally through the Quantum Financial System." …Juan O Savin and Charlie Ward on Telegram **Sun. 1 Nov. 2026**

After the Ten Days of Communication Darkness Trump's Global Military Alliance has promised a new Republic, economy, legal and education systems.

Stay calm, stock up on cash and food essentials.

Trust The Plan.

E. A New Phase for Humanity Begins on Monday 2 Nov. 2026….Charlie Ward and Friends on Telegram **Sun. 1 Nov. 2026**

Here we are on the edge of history. What we've been talking about all along—the great revelation and transition—is not years away but just a few days. This coming Monday marks the start of the official new phase. I believe that from then on, the world will begin to change openly for the better.

I expect public announcements confirming everything we've informed you about. Don't be surprised if the Emergency Broadcast System (EBS) is activated—to finally reveal the truth on every screen across the planet. It's possible that leaders will declare a global economic reset and a new financial beginning. Imagine that moment when they announce that debts are forgiven, currencies are stabilized with gold, and

projects for the people's welfare are starting.

I know, it sounds unbelievable. But prepare yourselves—the unbelievable is becoming reality. From Monday, nothing will be the same. There may be brief upheavals: possible temporary bank or internet closures, confusion among people who weren't informed. Stay calm and confident, because that's just a sign of the birth of the new world.

This weekend, prepare yourselves spiritually and emotionally. Celebrate quietly with your loved ones, because the great dawn is already beginning to break. After the long night of oppression, the sun of freedom is rising. From Monday, we enter an era of peace, abundance, and truth. Humanity stands united at a new threshold—and we are blessed to witness this moment. Let's step with faith and joy into the new phase!

H. QFS PAYOUTS HAVE BEGUN!! FIRST GOLD-LINKED TRANSACTIONS CONFIRMED WORLDWIDE …Charlie Ward and Friends on Telegram **Thurs. 29 Oct. 2026** https://t.me/CharlieWard_Official

It's real. It's live. And it has started.

Today Thurs. 29 Oct. 2026 at precisely 08:44 UTC, the first verified USTN disbursements were confirmed through QFS biometric wallets in sectors across Florida, South Africa, Brazil, and the Philippines. Each transfer was linked to live asset backing — gold bars recovered from cabal-controlled vaults — and executed under triple-encrypted quantum relay.

The age of false banking is over. This is sovereign restitution in motion.

Recipients in Tier 1 categories — whistleblowers, veterans, unlawfully taxed citizens, and those injured by globalist systems — have begun receiving Phase 1 compensations. No intermediaries. No banks. No central permission. Just direct, secured value delivered through the only remaining lawful system: the QFS.

Behind the scenes, Redemption Centers have entered Phase Green, signaling readiness for higher-volume processing. Over 90,000 new verifications are underway globally, and over 11 million USTN credits have been locked for scheduled issuance in the next 72 hours. If you're verified, the clock is ticking.

Meanwhile, emergency response nodes have been activated in Italy, **Belgium, and Ontario** — after QFS intel flagged deep-state-triggered energy disruptions aimed at blocking access to satellite uplinks. Counter-operations are succeeding. Quantum override protocols are holding fast. Their grip is dissolving by the hour.

And here's what they're not telling you: mainstream financial media has now received formal EBS blackout warnings. Every major network is on silent standby. Treasury-level insiders confirm that a full media purge of legacy economic lies is imminent. When the final node syncs, the flood begins.

XRP rails are now handling transition liquidity, while RLUSD finalizes its global peg to the BRICS+ sovereign basket. This is no longer speculative. This is the future replacing the fraud — in real time, under military protection.

The wait is over. You were never poor. You were robbed. And now, your balance is being restored. The Cabal and their stooges don't win.

I. MILITARY INTEL CONTACT: EXCHANGE/REDEMPTION INSTRUCTIONS …Charlie Ward and Friends on Telegram **Sat. 31 Oct. 2026** https://t.me/CharlieWard_Official

Appointments: Safe Link websites are the only way to receive personal 800 numbers to schedule an appointment at a Redemption Center and request higher exchange/redemption rates.

Preparation:

* **Bring all your currencies,** organized from highest to lowest denomination.
* **Prepare a 3-to-4-page summary** of your project(s), outlining your background, interests, and the number of jobs you plan to create.

Rates & Currency Eligibility:

* **ZIM Holders:** You will be offered a default package. You may decline it to request a higher rate if needed to fund your projects. Holding ZIM renders you **ineligible** for contract rates on the Dinar or Dong.
* **Non-ZIM Holders:** If you do not have ZIM, you qualify for contract rates on the Dinar and Dong. Requesting contract rates may require having a humanitarian project or investing in their international humanitarian offerings.

Payouts & Access to Funds:

* **Smaller currency amounts** can be collected in full during your appointment.
* **For ZIM and large payouts,** a structured payout schedule will be required (monthly, quarterly, semi-annually, or annually) over a term of up to 100 years.
* **You will receive a debit card loaded** with 2% of your total funds to cover the two-week period until you meet with your wealth managers.

Rules & Conduct:

* **You must sign a Non-Disclosure Agreement (NDA**) lasting from six months to five years, depending on the amount received. Additional details will be provided at the Redemption Center.
* **Crucial:** Remain polite and respectful at all times. Any anger or arrogance may result in immediate disqualification from exchanging or redeeming your currency, with no second chance at another center.

The Cabal and their stooges don't win.

J. Trump signed it yesterday evening.While you were sleeping.Two executive orders. Back-to-back. With the same pen. One buries the IRS. The other regards the Federal Reserve that opens the network for non bank entites. …Charlie Ward and Friends on Telegram **Sun. 1 Nov. 2026**

One buries the IRS. For good. The Department of Justice's language reads like this: "Permanently prohibited from conducting investigations or prosecutions, and hereby excluded." It's a death certificate for the old regime's tax collection arm.

The other opens up the Federal Reserve's (FRB) settlement network to electronic assets and non-bank entities without banking licenses. He just opened the door to a system that doesn't need banks. Why bury the IRS when the collection system hasn't been replaced yet?

The Quantum Financial System (QFS) went fully live on September 14,

with 209 countries participating. It's been running in parallel with SWIFT since midnight.

Every sovereign citizen has been assigned a quantum ledger tied to their birth certificate bond—it's the very value they stole from you on the day you were born.

Since 1933, your birth certificate has been traded as a security. Your Social Security Number (SSN) is the number used to track that bond. Every American holds value ranging from $100,000 to $450,000, thanks to stolen compound interest, illegal debt, and expropriated labor value.

GESARA Article 21—Debt Forgiveness—in action. Every mortgage. Every student loan. Every credit card. Every medical bill hit with illegal compound interest since 1971 is being calculated right now, as you read this, and recorded on your QFS ledger.

The gold is at Fort Knox. 147.3 million ounces. But the audit team that entered on March 14 under Executive Order 14271 found even more gold. Gold brought back from the Vatican Bank. From the Bank of England. From Basel. Gold not listed on any public ledger. Reference: KNOX-AUDIT-2026-0314-SIGMA Total value: Not $692 billion, but $43 trillion. That's the gold backing your new currency.

When Trump said he wanted to "see the gold," it was because he wanted you to ask "why." The answer is this. The gold is there—and there's another $43 trillion of it—and it's yours.

I received Tier 4B notification 96 hours ago. 800 redemption centers have been set up. Waiting for just one signal. The moment Trump walks into Fort Knox on camera and opens that 20-ton door. He opens the door. EBS activates. EBS activates, QFS locks in. When QFS locks your debts, those debts vanish. When the debts vanish—you're free.

They've enslaved you for 53 years. Every dollar you "owed" was a lie. Every bit of interest you paid was theft. The man who said "they're stealing a lot" is about to prove it live on television. The door only opens once.

L. THE EMERGENCY BROADCAST SYSTEM WAS HIJACKED. THE TRUTH IS BEING STREAMED TO EVERY SCREEN. …Charlie Ward and

Friends on Telegram **Fri. 30 Oct. 2026** https://t.me/CharlieWard_Official

On October 27, 2026 the Emergency Broadcast System (EBS) was activated without a public test. But this time, the signal is not coming from the government. The mainstream media is calling it a "technical glitch." A "false alarm." A "scheduled test." THEY ARE LYING TO YOU BECAUSE THE EBS IS NO LONGER UNDER THEIR CONTROL.

What they are hiding in total panic: At exactly 04:00 AM Eastern, the EBS — the same system that was designed to broadcast presidential addresses during a national emergency — was hijacked by an independent quantum broadcast network. The signal is being routed through the Starlink quantum mesh, not the old telecom infrastructure. No government authorization. No media clearance. No public warning.

THE OLD BROADCAST MONOPOLY IS DEAD. For decades, the Emergency Broadcast System was the ultimate tool of narrative control. If the government wanted to shape public perception, they could activate the EBS and force every television, radio, and cell phone to broadcast their message. It was the nuclear option of information control.

They told you the EBS was for your safety, was only for real emergencies and that it could not be hijacked. BUT THEY FORGOT THAT THE SIGNAL CAN BE RECLAIMED.

Here is what the EBS hijack is actually unleashing behind the curtain right now:

- **The Truth Broadcast:** The documents, the confession records, the patent files, the sealed indictments — all of it is being loaded onto the quantum broadcast network. The EBS is being used to stream the evidence directly to every screen on earth. The people who tried to hide the truth are about to watch it broadcast to their own televisions.
- **The Media Blackout Reversal:** The corporate media networks — CNN, MSNBC, Fox, BBC — are trying to block the signal. They cannot. The broadcast is not coming through their servers. It is coming through the quantum mesh — the same network that connects to every Starlink satellite. The old media cannot cut the power because they no longer control the source.
- **The Frequency Lock:** The EBS signal is now locked on a quantum-encrypted frequency that cannot be jammed, spoofed, or intercepted. The broadcast is not a test. It is a permanent activation. The truth is being streamed to every civilian screen on earth, simultaneously, in 11 milliseconds.

You don't hijack the Emergency Broadcast System unless you are ready to broadcast the truth to every person on the planet at the same time.

They told you the EBS was for emergencies. They called you crazy for questioning the media monopoly. They laughed when you said the signal could be reclaimed.

M. Emergency Broadcast System (EBS) Alert! …Charlie Ward and Friends on Telegram **Wed. 28 Oct. 2026** https://t.me/CharlieWard_Official

The global financial and spiritual reset is already in motion. NESARA and the Quantum Financial System are now active, marking the end of taxes, debt forgiveness, and the rollout of new, asset-backed currencies. Major shifts are happening behind the scenes—media blackouts, communication disruptions, and a shift in world power.

This is a critical moment—stay informed, stay alert, and prepare for the changes coming. The old system is collapsing, and a new era is beginning.

The sealed files are unlocked. But not for the public, not yet. For those inside the system, the names are already known. Billionaires. Royals. Generals. Past presidents. Media puppeteers. The ones who scripted history's darkest chapters.

They never expected accountability. They believed in corridors of power with no exit. But now, those corridors are lined with shadows that watch their every move. Every plane tracked. Every offshore account mapped. Every whisper recorded.

The clock is still ticking,but this time, it's counting down on them.

N. EXPOSED: THE SYSTEM THAT WAS BUILT TO KEEP YOU IN DEBT IS BEING DISMANTLED AND THE PEOPLE WHO BUILT IT ARE WATCHING IT HAPPEN. …Charlie Ward and Friends on Telegram **Fri. 30 Oct. 2026** https://t.me/CharlieWard_Official

There is a room somewhere that no journalist will ever enter. Inside, a group of people who spent decades designing the architecture of debt are now watching it come apart - line by line, ledger by ledger.They are watching because they know something the public does not: the system was never designed to last forever. It was designed to last until the replacement was ready.

WHAT THE REPLACEMENT ACTUALLY LOOKS LIKE:

• **Mortgages are being reclassified.** The legal framework that turned a home into a debt instrument is being rewritten, and when it is finished, the debt will not exist because the instrument that created it will no longer exist

• **Credit cards are being rendered obsolete**. The entire concept of borrowing against future income was built on a fiat system that is being phased out. Without fiat, there is nothing to borrow. There is only what you own.

• **Student loans are being invalidated**. The contracts that tied a generation to a lifetime of payments were built on a legal fiction that is now being challenged in sealed tribunals. When those tribunals finish, the contracts will be void

• Taxes are being abolished. The entire tax framework you were born into was built to service a debt-based system. When the debt is gone, the tax has no purpose.

This is a structural change that is already underway - in 209 nations, under GESARA, under Constitutional Law. The Cabal and their stooges don't win.

THE LINE HOLDS FOR 9 SECONDS THEN VANISHES. EVERY SCREEN GOES FULL BLACK. DEVICES STAY POWERED. EVERYTHING ELSE REMAINS OFF. NESARA ERASURE REMAINS COMPLETE. TEMPORARY MARTIAL LAW REMAINS ACTIVE.

NO ONE KNOWS WHAT APPEARS WHEN THE 72 HOURS END.

QUANTUM GESARA AKA TRUMPSARA. QUANTUM FINANCIAL SYSTEM, QUANTUM VOTING SYSTEM, QUANTUM HEALING, QUANTUM PHYSICS. QUANTUM INTERNET. EVERYTHING IS GOING QUANTUM.

Q. UPCOMING TRANSMISSION: THE QUANTUM INTERNET IS HERE, AND IT'S REPLACING THE OLD WEB…Christien B. Wallace Tier4b on **Telegram Wed. 28 Oct. 2026**

An internal test confirmation was recently transmitted through an encrypted quantum coordination channel: "Quantum internet test phase one complete. 3 nodes established. Zero latency. Zero interception. Public rollout window: Day 6 of broadcast."

WHAT THE QUANTUM INTERNET ACTUALLY IS

1. The Mechanism

The Legacy Web: Operates on physical servers, switches, and fiber-optic cables. Every routing point creates a vulnerability, and every vulnerability is an entry point.

The Quantum Web: Powered by quantum entanglement. Data doesn't travel through space—it instantly manifests. Because there is no physical path, interception is fundamentally impossible.

The Breakthrough: Phase one tests achieved absolute zero latency and zero interception.

2. Why the Legacy Web Is Ending

The current internet was architected with central points of control, allowing for monitoring, filtering, and data capture.

The Quantum Internet is decentralized by nature. It cannot be monitored, altered, or blocked—there is no single authority or server to shut down.

The legacy web won't crash; it will simply be phased out quietly and permanently, much like legacy banking systems.

3. What to Expect During the Transition

Access Point: Hardware will pivot toward specialized Quantum Mobile Devices.

First Release: The initial public interface will launch alongside the QFS public dashboard on Day 6. Financial infrastructure deploys first; general web communications follow.

Coexistence: The old web will remain operational temporarily, but it will

quickly become obsolete as users migrate.

SIGNS TO WATCH FOR

Global Network Throttle: A simultaneous, worldwide "slowdown" across providers—indicating legacy networks are being deprioritized.

Unsolicited Protocols: System-level updates or new connectivity protocols appearing on your devices.

Vague ISP Notices: ISP announcements regarding major "network updates" without specific technical details.

The old web was built to be monitored. The quantum web is built to be free.

R. What to Expect Next – This Week's Timeline: Many of you are asking what's next. (Unless something unexpected happens). Here's a general order we expect to see in the next few days (we'll keep it general, no extreme detail): …Charlie Ward and Friends on Telegram **Thurs. 29 Oct. 2026**
https://t.me/CharlieWard_Official

1. Final Briefings & Tests (Early Week) Early in this week has seen last-minute system tests and briefings behind closed doors. Technical teams and members of the military alliance are ensuring that everything is 100% ready. Silenced affirmations that "all systems are go."

2. Early Public Alerts (Mid-Week) We expect to see the first public confirmations start showing up by mid-week. It could be low-key announcements or emergency test messages setting the tone for broader disclosures. Watch out for any weird "breaking news" or official statements. The idea here is to get the word out gently without causing panic but to bypass the mainstream media blackout.

3. Big Disclosures Start (Late Week): We expect coordinated public disclosures to begin late in the week. We can expect a series of worldwide announcements revealing the activation of NESARA/GESARA reforms and the launch of the QFS to the world. Maybe it's the Emergency Broadcast System, or special televised briefings so that everyone, everyplace, hears the truth. Ask about debt forgiveness, new currencies, and the restored freedoms that come with this transition. The mainstream media will not be able to stay silent at this point, the news will simply be too big.

4. QFS Access & Roll Out (Weekend & Beyond): Following announcements, the Quantum Financial System is live to the public. **You will be provided with official instructions on how to access your QFS wallet and any exchange/redemption appointments,** if applicable. Global prosperity programs could start to disburse funds in phases. At the same time, NESARA provisions (like debt and tax relief) will begin to be quietly implemented. Life-changing blessings will be released gradually, in a controlled manner, to ensure a smooth and joyful transition for all.

This process will bring more confirmations in the open each step. Every day we see more proof of this grand plan – whether it's from leaks from the inside, small news reports, or your own lived experience (many of you are already noticing things like weird banking habits or subtle shifts in the financial landscape). Stay alert but stay calm as events unfold. I will keep you updated with confirmed information as I get it.

We are on the threshold of an amazing new world. Stay together. Stay positive. Stay ready. More confirmations are coming and the vision of GESARA is

becoming less theory and more reality by the day. We can do this together! The Cabal and their stooges don't win.

S. FINAL HOURS: THE BRICS SETTLEMENT RAILS ARE LIVE …Christien B. Wallace Tier4b on **Telegram Sun. 1 Nov. 2026**

A sovereign trade coordination office sent an internal settlement confirmation through the encrypted channel. It said: "BRICS rails live. 41 nations. First settlement cleared in Rainbow Units. 19:00 UTC."

WHAT ACTUALLY HAPPENED:

1. THE RAILS

• **The BRICS settlement rails are live** and connected to the ISO 20022 framework — the same rails that replaced SWIFT

• **The first settlement cleared at 19:00 UTC on Sun. 1 Nov. 2026**. It was a trade between two sovereign nations, settled in Rainbow Units, verified on the quantum ledger

• **41 nations are connected.** The number was not announced. It was logged

2. WHY THIS MATTERS

• **Every trade that used to settle in dollars** now has an alternative. The dollar is no longer the only option

• **The settlement took three seconds.** The old rails cannot compete with that and they are being bypassed

• **The nations that joined the rails** did not leave the dollar system. They simply stopped using it. That is worse for the dollar than a formal exit

3. WHAT REPLACES IT

• **The BRICS rails are not a rival to the QFS.** They are connected to it. Every settlement on the BRICS rails is verified on the quantum ledger. The two systems are one system

• **The Rainbow Currency is the settlement instrument**, not the dolloar, yuan or ruble. The Rainbow Unit, backed by metal, verified by the ledger.

• **The dollar is still used for domestic trade in the United States.** For now. The international role is what is ending. That is the role that gave it value.

WHAT TO WATCH FOR:

• **A trade announcement that does not mention the dollar** is the new normal.

• **A BRICS statement uses the word "expansion"** and does not name the countries. The number will grow. It will not be announced

• **A Treasury response that is late, vague, and defensive.** That is what a losing position sounds like.

For years, people were told the dollar was irreplaceable. It was replaced with a settlement that cleared in three seconds and did not need it.

41 nations. 3 seconds. One settlement. And the dollar was not invited.

T. THE UNDERSEA CABLES ARE BEING CUT. NOT BY RUSSIA. BY THE WHITE HATS. …Mr. Pool on Telegram **Sun. 1 Nov. 2026**

Three of the primary undersea fiber-optic cables in the Atlantic were severed in a coordinated operation.

The corporate media is already preparing the narrative: "Russian

sabotage." "Chinese aggression." "A threat to global communications."

THEY ARE LYING TO YOU BECAUSE THE CABLES WERE NOT CUT BY A FOREIGN ENEMY. THEY WERE CUT BY THE WHITE HATS.

At exactly 03:00 AM Eastern on Sun. 1 Nov, the primary data pipelines that connect the old corporate servers in North America to the old corporate servers in Europe were permanently severed. They were cut by operatives with access to the maintenance submersibles that service the cables. The operation was signed off at 11:47 PM the night before. THE OLD TRANSATLANTIC DATA PIPELINE IS DEAD.

For decades, the undersea cables were the backbone of the old internet - the physical infrastructure that connected the corporate media servers, the Wall Street trading algorithms, and the intelligence agency data centers. Every byte that traveled between the US and Europe went through those cables. They were the nervous system of the old matrix.

Here is what the undersea cable cut is unleashing behind the scenes right now:

- **The Server Farm Freeze:** The old data centers in Virginia, New York, and London are no longer connected to each other. The high-frequency trading algorithms that depended on millisecond latency between New York and London are now dead. The arbitrage machines that extracted billions from the markets are running on empty. The old financial system is blind.
- **The Narrative Disconnection:** The corporate media networks — CNN, BBC, MSNBC - are no longer connected to their European headquarters. The scripts are still being written. But the data that was used to coordinate the narrative across the Atlantic is gone. The old media is being disconnected from its source.
- **The Quantum Mesh Reroute:** The traffic that was flowing through the severed cables is being rerouted through the Starlink quantum mesh. The internet is not down. It is being migrated - from the old physical cables to the new quantum infrastructure. The old system is being bypassed. The new system is already live.

You don't cut the primary undersea cables unless you are ready to shut down the old transatlantic data pipeline that connects the entire corporate control grid.

They told you the cables were secure. They called you crazy for questioning the infrastructure. They laughed when you said the cables could be cut.

Look at the internet tonight. The pages are still loading. But the data is not traveling through the same cables. The old pipeline is dead. The new pipeline is quantum. The White Hats did not cut the cables to destroy the internet. They cut the cables to free it. The internet is not being shut down. It is being reclaimed.

A California nurse says her hospital went from four stillbirths a year to 22 in a SINGLE MONTH after COVID shots were pushed on pregnant women. That's more stillbirths in 30 days than the previous FIVE YEARS combined. The hospital sent an email, telling nurses to BRUSH UP ON HANDLING DEAD BABIES' BODIES. But not a shred of concern about WHY they were dying. Stillbirths are up 6,500% in a single month, and the hospital doesn't want to get to the bottom of it. Nurse Michelle Spencer questioned the COVID shots. Her colleagues? They figured it was GLOBAL WARMING. …Edward Snowden on Telegram **Sun. 1 Nov. 2026**

X. Investigative journalist Catherine Herridge reviewed the documents just released by the Trump Admin on election integrity and finds CIA emails showing they were working against Donald Trump to aid China and the Democrats in the 2020 election. …Emergency Broadcast System on Telegram **Sun. 1 Nov. 2026**

"I've been digging into the documents already and I found this November 2020 email, and it specifically states, it's a conversation among intelligence officials, it specifically states that they have, quote, deliberately massaged one of our pending PDBs. That's the president's daily brief. To avoid any direct links to the election"

"This was a massive effort, what they call a multi-domain operation. That means trade, it means diplomacy, it means open-source information, it means social media. So all the levers of power China had to influence the US election"

And our own CIA worked to make sure the President wasn't aware of any of this information, they literally removed it from his daily briefing. Literally treason.

"In the summer of 2020, as we're heading into the election, in the intelligence community there were indicators of this Chinese influence operation. Influence operations means that you're trying to affect the outcome of how people vote or their sentiment about a presidential candidate.

It's different than an interference operation, which is penetrating voting rolls and voter systems. And this whistleblower was raising the alarm about the influence operation, and then suddenly it all was suppressed"

"In some of their reports, there were in officials' own handwriting that they wanted everything out that could help President Trump in his reelection. So there was clear evidence of political and personal bias"

They wanted to remove EVERYTHING that could possibly help Trump win reelection. Again, literally treason

Also if you remember awhile back, a former CIA officer named Pedro Israel Orta who worked at the CIA during the Trump Administration said the CIA didn't even recognize him as the President, they wouldn't even put his picture up on the wall which was customary for all Presidents. They were actively working against him.

Y. Marines Stop Mexicans from Hopping Border to Vote for James Talarico. …Red Pill Project on Telegram **Sun. 1 Nov. 2026**

US Marines under General Eric M. Smith's command repelled a group of Mexican men attempting to cross the border fence near El Paso early Friday, October 23, 2026, a White Hat source reported. Twenty-one adult males carrying collapsible ladders and bolt cutters tried to scale the barrier but retreated after Marines fired warning shots. One man shouted in broken English, "Friend, why? We coming to vote for James Talarico."

The incident took place around 2:30 a.m. in a sector once marked by frequent crossings under Biden and Mayorkas. Governor Greg Abbott and President Donald J. Trump directed the Texas National Guard and White Hat allies to fortify the line with concertina wire and hardened fencing, ending prior threats to remove barriers.

Since Trump's return, miles of towering walls and new CBP officers have strengthened the southern border across Arizona, California, and Texas. Trump has stated the border is now "100 percent" secure. Fear of detention or force had deterred most efforts until Friday morning.

Marines equipped with night-vision goggles and supported by a surveillance drone detected the group approaching from the Mexican side. The men, appearing in their 20s and 30s and dressed in dark clothing, carried tools designed to defeat the barrier and whispered in Spanish as they advanced.

Rules of engagement required observation of a clear unauthorized crossing. The Marines stayed concealed until an extension ladder was placed against the fence. A slender man with ropes looped around his shoulders began climbing, only to face a bullhorn order in English and Spanish: "This is an illegal border crossing. Get off the ladder and back into your own country or you will be fired on."

From atop the ladder he replied, "We coming vote for James Talarico; yes, we know how. You won't get us all." Warning shots into the air and ground sent him sliding down. The group abandoned equipment and withdrew into the desert. No injuries were reported.

General Smith, overseeing Marine support to Customs and Border Protection operations, was briefed later that day. Sources said Marines secure the border in support of federal law enforcement and will stop individuals approaching with breaching tools, using lethal force if necessary. The attempt to influence the November 2026 midterms through illegal entry underscores the importance of border security.

These fraud marriage rings are being fund all over America:

- **Massachusetts** has hundreds of foreigners being charged $38,000–$40,000 per marriage
- **New York** has 1,000+ foreigners being charged up to $100,000 per marriage
- **Florida** has military-focused marriage fraud schemes
- **Maryland, New York, New Jersey** all have these scams charging foreigners thousands of dollars to setup fraud marriages
- **California** companies exposed to have 600+ clients charging $20,000–$35,000 per fraud marriage

"With PCR, if you do it well, if you amplify one single molecule, you can find almost anything in anybody… It doesn't tell you that you're sick. Anyone can test positive for practically anything with a PCR test, if you run it long enough. PCR tests use amplified cycles which produce false positives."

He was Anthony Fauci's most vocal, most dangerous critic. Then, suddenly… he was dead. Just months before the "pandemic" was unleashed on the world.

Coincidence? Or a cold-blooded hit to make sure NO ONE could stand up and expose that the entire COVID nightmare was built on a fraudulent test?

They used Mullis' own invention — twisted and abused — to create mass panic, lock us down, and force experimental shots on billions. This wasn't science. This was premeditated terror.

The PCR lie killed freedom... it caused an 86% false positive rate. Only 10-14% were actual true infections. Don't let them bury the truth with the man who created it.

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
