Judy Note: The below is a summary of information contained in this Fri. 20 Nov. 2026 Update:

With the past week of Cyber Attacks across the Globe disrupting daily lives, an Iranian "Dirty Bomb" threat at the US Capitol, Vice President Vance being taken off stage at his book signing event and rushed back to Washington DC in an emergency on Thurs. 19 Nov, plus the announcement that the 2026 "Blue Wave" Election fraud was to be exposed, one would think that the World was in a whole lot of trouble.

And, we are - it's just that the "trouble" has been brewing for centuries and now that at it's boiling point, the whole affair was being taken care of by the Q Movement, President Trump and his Global Military Alliance of 209 countries.

President Trump's number one priority since he first took oath of office was to gain control over US Taxpayer dollars from the Satan Worshiping Cabal. Plus, take down the International Child Sex Trafficking Ring funded with US Taxpayer dollars and run by the Vatican through Israel and Ukraine - major Child Sex Trafficking hubs for the Cabal.

Thousands, perhaps millions, of tortured children had long been used to blackmail Congress into doing the Cabal's bidding. At least that's what Trump was said to have told the CIA the morning of his inauguration.

The Q Movement to Save the Children and give control of The People's money back to The People had actually started with certain Patriotic Pentagon Generals after President Lincoln's assassination, and gained momentum with the assassination of President Kennedy.

Back in World War II, the Cabal, which independently owned the banks, Federal Reserve and IRS, had weaponized the CIA's Black Budget with proceeds from the Vatican-backed, Satanic child sex trafficking ring — centered in Ukraine and Israel. The same tunnels that ran blood for rituals now ran with Adrenochrome, harvested from tortured children for the Elite.

This was why Putin invaded Ukraine - to collapse the Khazarian fortress in Ukraine, where the Deep State harvested children like livestock. Putin's military forces had rescued thousands of mainly Asian kidnapped children from Ukraine Deep Underground tunnels — organs stolen, blood drained, innocence destroyed.

Trump knew that once Ukraine fell, Israel — the Khazarian final stronghold — would die, along with the evil Deep State Cabal.

Trump secretly declared victory on the War of Good Against Evil on 21 March 2026 when behind the scenes, he announced that the American Republic had been restored under concepts of the original Constitution, the evil Cabal Corporation "US INC." had been dissolved and Common Law Sovereignty had been returned to 209 nations of the Earth.

Nine months later on Sun. 1 Nov. 2026 Trump released the Global Currency Reset, which effectively returned the World's stolen gold to back the new gold/asset-backed Global Quantum Financial System. The Satan worshiping Cabal and their illegal banking system including the Federal Reserve and IRS, had an issue with that: After freely over spending US Taxpayer monies since the late 1800's, they were now officially broke.

So, beginning Thurs. 12 Nov. someone or ones, unleashed Cyber Attacks across the World that continued throughout this week. It's not surprising, then, that also this week the Internet has been falling apart: Outlook, Teams, Axure, Gmail, AWS, Cloudflare, Zoom, Steam, X, Facebook - 130,000 reports for Outlook alone.

On Thurs. 19 Nov. US Vice President JD Vance was ripped off-stage at a public event, canceled his schedule and rushed back to DC in an emergency. The incident raises questions about his schedule, infrastructure outages and the administration's preparedness message about to be made.

One of the biggest concerns was with the major Cabal Banks - Bank of America, Chase, JP Morgan - had been freezing accounts without warning. Reports were flooding in of major financial institutions across the United States arbitrarily locking customers out of their funds.

It was recommended that you immediately draw cash out of your bank - which could go under any day now. During a scheduled Ten Days of Darkness (which was imminent), banks will be closed and ATMs, credit and debit cards won't work.

"Corrupt Banksters are going to prison, many to face firing squads at GITMO. Many already have. The most powerful bank in America is first on the list. The most powerful man from the bank has already been arrested." ….Martial Law on Telegram **Thurs. 19 Nov. 2026**

For some time Trump's Global Military Alliance has been dismantling governments controlled by the Deep State Satan worshiping Cabal around the World and carrying out mass arrests based on over 500,000 indictments.

Military contacts indicated that all Military forces around the World were now ready to soon replace all communications, Internet, phone, ATMs and TV programming. The EBS will not shut them down, but will replace their programming for ten days. Emergency services will remain active.

As of Fri. 20 Nov. 2026 the Military Emergency Broadcast System (EBS) was on Alert and Standby - the old systems, networks and narrative going silent for the imminent Global transition to a better health and wealth World for all.

"When the EBS activates, it will broadcast revelations of truth hidden for generations, on every screen that can receive it. When the screens go dark, it will be the end of the old World you knew and when a New Era of Truth, Justice and Liberation begins.

The Quantum Governance Framework that runs on the new Quantum Financial System was being enforced by a quantum ledger that cannot be corrupted.

The Wealth redistribution has been queued and was moving toward you. The Med Bed Units were already staged in centers that were not public, but were awaiting the public's use.

The darkness was not something to fear. It is something to recognize. The people who recognize it will be ready.

Also recognize that the military is not your enemy. They are the ones securing the transition. Stay out of their way - they are making mass arrests of Satan worshipers. Stay indoors. Stay calm.

It's the Greatest Sting Operation ever. Military units have been mobilizing worldwide for a coordinated strike to destroy the Globalist power structure.

Expect a Global Blackout and Emergency Broadcast System EBS activation soon, and where normal communication will cease for ten days. "They said the Blackout would happen on **Fri. 20 Nov. 2026.** What if it has already started?

Upon activation of the EBS and Nesara/Gesara Laws, the over 6,000 patents that have been repressed over the years, would be released, including the general public's access to Med Bed Technology healing. All people around the Globe would also hold gold/asset-backed currency and have their debts wiped out that were gained through illegal bank lending of fiat money.

Constitutional Common Law comes with a Ten Day Communication Blackout, where truthful eight-hour documentaries would broadcast three times a day 24/7, seven days a week. After which all peoples of the World would be invited into nearby Redemption Centers to set up their own secure money accounts (called wallets, we will no longer be dealing with banks) on the new StarLink Satellite System.

After the Ten Day Blackout we will be connected to the new Quantum Internet. The old government, education, financial, healthcare and commercial systems will all be things of the past.

E. Possible Timing:

In 1871 the independently owned by Cabal Global Financial System turned the American Republic into the privately owned corporation, US Inc.

By 1933 this Deep State Cabal had stolen all of the nation's financial assets including it's borrowed gold and was forced to declare bankruptcy.

By 2008 although the privately owned US Inc. Federal Reserve and IRS still collected all US Taxpayer monies, they couldn't even pay interest on gold they borrowed from the Chinese Elders to set up the US financial system. They began to print and spend a fiat US Dollar backed by nothing.

Nine years later in 2017 right after President Trump's inauguration, he made a World Tour, where all countries capitulated to him in order for them to participate in the new Global Financial System and it's Global Currency Reset.

Nine years after that on March 21, 2026 President Donald J. Trump secretly announced the restoration of the United States American Republic under authority of Article II of the U.S. Constitution.

The Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

On Tues. 27 Oct. 2026 the Emergency Broadcast System (EBS) was activated.

At exactly 03:00 am EST on Fri. 6 Nov. 2026 the Starlink Quantum takeover of the Internet and global communication grid completed, with the 10,413 Starlink Satellite Network locked into full control.

On Sat. 7 Nov. 2026 Trump's Global Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the World's wealth into the new asset-backed Quantum Financial System (QFS) and declared a sovereign Debt Jubilee across 209 nations.

Also on Sat. 7 Nov. 2026, and with the era of fiat monopolies and illegitimate credential harvesting expiring, the Global Military Alliance ordered an immediate liquidation of the corrupt Federal Reserve, then routed the wealth through the secure gold and asset-backed Quantum Financial System (QFS).

By Sun. 8 Nov. 2026 Trump's Global Military Alliances' confiscation of bankrupt corporate assets had spread overnight to credit mainframes in Madrid, Zurich and other countries, which then lite up the global financial grid in red.

On Mon. 9 Nov. 2026 at 12:00:01 am UTC, SWIFT-the central backbone of international bank transfers since 1973-was permanently terminated, the old network completely offline. The gold/asset-backed BRICS System currency of 209 nations in the new Quantum Financial System, had already taken over. The corrupt corporate entity known as US Inc, created to enslave Americans with debt and endless conflicts of war against other nations, was now defunct, ending its foreign control over American Taxpayer monies.

On Tues. 10 Nov. 2026 Tier 4B notifications began in regional groups, starting in Asia, and spread going East to West across the World.

The next day on Wed. 11 Nov. 2026 at 9:00 am EST the original Constitutional Common Law legal framework was restored and the 148 year old American Bar Association began transitioning to practice Constitutional Common Law instead of Admiralty Law.

On Thurs. 12 Nov. 2026 at 13:07 pm EST the Quantum Financial System privacy layer activated and ISO 20022 gold-backed currency integration completed. Every transaction on the QFS was now protected by a quantum privacy layer that makes the transaction invisible to anyone outside the system. Microsoft 365 went down worldwide. Outlook teams and copilot were out for around 24 hours in 70+ countries. Microsoft claimed, "It was an upgrade issue "not related to Cyber or AI." During the Microsoft blackout, police arrested 354 people in a major crackdown around the world on users of the Dark Web.

On Thurs. 12 Nov. 2026 at exactly 06:00 am EST the Quantum Internet - the decentralized, encrypted, unalterable network built on the ruins of the old internet - was opened to public access in 209 signatory nations. Every citizen with a verified sovereign identity now has access to a network that cannot be censored, cannot be monitored, and cannot be shut down. The old internet is being abandoned.

On Fri. 13 Nov. 2026 17 of 22 Air Traffic Centers in the US lost communication. Over 3,500 planes were in the air when the FAA cited "Extraordinary Circumstances" for the longest shutdown (four hours) since 9/11. Every departure was grounded. Nearly 10,000 flights were canceled. About 15,000 flights were impacted by the grounding that lifted at 01:15 UTC. Department of Homeland Security: "No sign of an attack." Washington DC issued a news blackout there until Sunday.

On Fri. 13 Nov. 2026 the FBI warned of an AI hacking tool behind break ins at 16 South Korea banks and finance firms. About 67,000 people were hit.

On Fri. 13 Nov. 2026 at 11:00 UTC private payments activated for Zim and Birth Certificate Bond Holders.

Fri. 13 Nov. 2026 Evening: The program "Workday," used by 11,500+ organizations, went down. Workday claimed it was an issue in it's Disaster Recovery Backup that caused inconsistent data in it's live system. Walmart, Target, Chipoltle and Skechers workers were affected and reportedly locked out of pay, benefits and time off.

On Sat. 14 Nov. 2026 Martial Law began as more than 100 million military were stationed around the World to arrest mafias, corrupt clans, pedophiles, drug traffickers and Illuminati Deep State including the Rothschilds.

On Sat. 14 Nov. at 13:06 pm EST a group of private payouts activated for verified Bond Holders.

On Sat. 14 Nov. 2026 the first Tesla Free Energy node went live at 12:00 am UTC. A**t 18:00 UTC** the Debt Jubilee was executed. Bond funds began arriving at paymasters.

On Sun. 15 Nov. 2026 at 20:34 pm EST Cyber attacks on the new Global Financial System were intercepted. ISO 20022 confirmed. Tier 4B disbursements activated. Treasury bypassed Federal Reserve. The Cabal had tried to shut down the grid before the payments could flow. The attacks were intercepted and traced back to their source. Those sources were now being dealt with.

On Sun. 15 Nov. 2026 at 04:00 UTC the new Military Broadcast System went online with the Banking reset protocol initiated, Quantum system activated and Curfew windows in effect. The banking reset protocol was initiated at **04:11 UTC**. Every Tier 1 bank received the protocol, acknowledged it, and agreed to comply to it by **04:19 UTC.**

The Quantum System, the layer above the Quantum Financial System (QFS) that connects the QFS to the Military Broadcast System, activated at **04:22 UTC Sun. 15 Nov. 2026.** The log was live and permanent. The Quantum System is a framework that runs the QFS, EAS, Military Broadcast System, and curfew windows. All of it is now one system.

On Sun. 15 Nov. 2026 at exactly 12:00:01 am EST a sovereign Debt Jubilee was quietly declared across 209 nations. The $36 trillion in US national debt - the number that has been used to justify austerity, cuts, and the enslavement of generations - was erased from the QFS ledger in a single stroke.

Also on Sun. 15 Nov. 2026 at 12:04 EST a sovereign banking coordination office sent out a message that said: “Swap line closures confirmed. Three central banks. **Effective 11:00 UTC.** No replacement requested.” For 80 years, the bank’s dollar swap line network was the backbone of global finance, allowing them to borrow dollars in a crisis. Now three large banks have removed their connection to it because they have connected to the new Quantum Financial System (QFS) rails

On Sun. 15 Nov. at 03:44 UTC a full tanker of crude oil was delivered and for the first time, paid for in gold/asset-backed Rainbow Units, not the fiat US Dollar. The transaction took 4.2 seconds and without referencing a US, or any other bank. Not one. The paperwork was built on the gold/asset-backed ISO 20022 framework. Oil was the most traded commodity on Earth. For 52 years every barrel was priced in oil dollars as the reserve currency. No more. When oil settles outside the dollar, the dollar loses its reason to exist as a global currency. Because of this and over the next few months, the fiat US Dollar was set to collapse.

On Mon. 16 Nov. at 3am EST the legacy SWIFT backbone suffered a “catastrophic unrecoverable outage.” When it comes back, it will speak only ISO-20022 and rainbow currency.

On Mon.16 Nov. 2026 in France hackers made fridges defrost in up to 700 supermarkets. Food had to be thrown out. Stores in eleven more countries were hit.

France blamed Iran's Revolutionary Guards. In banking JP Morgan Chase, Wells Fargo, Bank of America, Zelle and United Banks experienced glitches and shut downs.

At 11:00 UTC on Mon. 16 Nov. 2026 the Quantum Governance Framework was activated for 209 nations participating in the Global Currency Reset. The Republic of Constitutional Law has been restored to the original Constitutional Law. The law that was replaced by the debt-based system in 1933. That Constitutional Law will be active in 209 nations.

On Tues. 17 Nov. 2026 at 11:00 UTC the Quantum Governance Framework was activated in 209 nations. Constitutional Law was restored. Governments were sizing to 10% of their present size with all new personnel.

On Tues. 17 Nov. 2026 Cyberattacks hit banks and internet at the same time. **At 2:20 pm EST** radios and tvs across America could be interrupted by the National Emergency Alert System. ….Edward Snowden on Telegram **Wed. 11 Nov. 2026**

The alert tone that fired on Tues. 17 Nov. at 14:20 EST was the opening bell of the transition. One tone, one minute, one country — and then the ten days begin.

On Wed. 18 Nov. 2026 the gold repatriation was confirmed, while the paper market was destroyed. In a settlement event, more than 1,500 tons of Gold Bars from vaults in London, New York and Zurich were relocated to a destination that would not appear on any public registry. It was the last time the vaults that were formerly untouchable, would be emptied. There will be no announcement.

Also on Wed. 18 Nov. 2026 the Spies - NSA's Classified Network - went down, Navy Federal logins failed, Gmail users couldn't get their email, Marriott's apps wouldn't let guests log in, Apple Pay, and the App Store went down. Banks are crashing, stock markets are plummeting, flights were being delayed, there are Hotel outages and an Icloud-App store outage.

On Thurs. 19 Nov. US Vice President JD Vance was ripped off-stage at a public event, canceled his schedule and was rushes back to DC in emergency. The incident raises questions about his schedule, infrastructure outages and the administration's preparedness message.

On Fri. 20 Nov. 2026 a Global Blackout and Emergency Broadcast System EBS activation was expected to happen.

On Sun. 22 Nov. 2026 - anniversary of the Kennedy Assassination - the new ISO 20022 international banking standards were set to go into effect. After that it will make it almost impossible to hide "dark money" anywhere in the World.

On Tues. 1 Dec. 2026: Announcement of the Global Restoration Plan. All will receive information about the new economic and legal structures. …Edward Snowden on **Telegram Sat. 14 Nov.**

Wed. 18 Nov. 2026 Texas Snake Call: The Fake News media has been taken over by the Military Alliance. The Military is in DC and making arrests. FBI Director Kash Patel has cleaned out all the DC offices and found lots of evidence. There are so many arrests in DC right now that it will take five to seven years to get to all the Tribunals. The Federal Reserve is completely melted into the US Treasury. Seniors are getting a raise in their Social Security and it will come in the mail very soon. Don't believe the rates the banks are putting out. Dong is around $8, while the Dinar is $16. (It is not known if these are Contract Rates). Tier4b (us, the Internet Group) can expect to receive notifications to set their exchange/ redemption appointments within 72 hours after the EBS comes out.

Judy Note: They have said we will be notified to set our currency exchange appointments by a secure website. Many readers have asked me what that was. Truthfully, I don't have a clue. I'm sure they've worked out how to safely contact us, but I don't know how, where or when. There are many fraudsters out there who are hitting on Us, the Internet Group. I would caution you to not give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

H. EMERGENCY REPORT: U.S. BANK OUTAGES, Flight Disruptions and an EMERGENCY ALERT TEST: What Is Going On? …EBS Live on Telegram
Wed. 18 Nov. 2026

Reports spanning November 12–16 2026 have clustered disruptions across banking, aviation and rail, leaving households facing interrupted payments, stranded travel and unanswered questions. Customers of JPMorgan Chase, Bank of America and Wells Fargo reported login failures and stalled transfers on November 16. Chase acknowledged a software bug in an on-premise hardware system. Downdetector logged roughly 3,300 Chase outage reports and about 800 for the other two banks. Impact was uneven: some customers regained access while others remained locked out. Responses from Bank of America and Wells Fargo stayed pending.

Microsoft 365 interruptions appeared on November 12, followed by a U.S. aviation disruption on November 13. By November 16 focus shifted to the banks. Amtrak services around Washington, D.C., halted without a clear restoration estimate. An attributed statement explained the stoppage originated with local municipal governments and offered no ETA. Separate coverage linked it to a person struck on the tracks.

An intelligence report attributed to CNN, citing sources, indicated U.S. agencies assessed that Iran was developing plans potentially involving a dirty bomb in Washington, D.C. The claim concerned possible planning rather than an attack underway or a proven link to the outages. Residents need accurate guidance, not assumptions that every interruption signals an unfolding strike.

Attention now centers on a nationwide Emergency Alert System test scheduled for Tuesday, November 17, at approximately 2:20 p.m. Eastern Standard Time and described as a FEMA exercise. The timing follows the multi-day cluster. Official notices frame the event as a test only; it does not declare a blackout or imminent attack. Ambiguous messaging compounds confusion when banking, travel and security worries already exist. The public requires clear statements of purpose and whether any action is required.

The clustering across essential services warrants scrutiny. A shared cause remains unproven until documented links appear. Until then each operator must explain its own disruption and supply realistic timelines. Banks must communicate access options. Transport operators must detail delays. Authorities must distinguish tests from active emergencies. Americans hold every right to a complete timeline and straightforward answers about systems that underwrite daily life.

American Indian Boarding Schools: The hidden American horror story buried for over 100 years | Watch

J. MANUEL SCHADWALD: The boy whose death was filmed on an elite yacht and appeared on the Zandvoort CD-ROMs. …Private Q Channel3 on Telegram **Thurs. 19 Nov. 2026** Private Q Channel 3

On July 24, 1993, Manuel Schadwald, a twelve-year-old German boy, left his home in Berlin. He was alone. He never returned.

The police opened an investigation, which they closed in 1998 without results. No body. No perpetrators. No answers.

Meanwhile, in Belgium and the Netherlands, activists discovered that the leads pointed toward a much darker network.

Manuel was abducted and taken to child brothels in Amsterdam and Rotterdam. But the most terrifying testimony points to a yacht called Apollo.

According to testimony and Dutch intelligence, the boy was abused and murdered on that sailboat while being filmed: a real-life snuff film. His body was thrown into the sea, and the yacht was cleaned at a military port.

The yacht was linked to Gerrit Ulrich, who was implicated in the Zandvoort scandal (1998). After his death, the police discovered thousands of images and videos showing extreme abuse of children —including babies— along with client lists from several countries.

One of the people who investigated this connection was Gina Pardaens-Bernaer, a Belgian social worker. Her work led her to the Zandvoort material. She sent copies to Interpol and later received threats. Her son was run over by a vehicle. In November 1998, she stated: "Given what I have discovered, either Belgium will explode, or I will be murdered."

The next day, her car was found wrecked against a bridge, with no skid marks. The police classified it as an accident. Hours later, they raided her lawyer's office. Gina died.

Her case is one of the many suspicious deaths linked to these investigations.

Manuel's case is directly connected to the Dutroux affair. The same networks. The same allegations of institutional protection. The same suspicions that influential people were involved, and that the investigations were halted every time they got too close to the top.

The authorities never thoroughly investigated the connections to the yacht Apollo or to Zandvoort. The Dutch police claimed they found nothing. The German police closed the case without putting the pieces together. And yet, the documents exist.

Dutch intelligence files mention a German boy murdered on a boat: a case that was covered up because "there were influential people on board." The testimony provides specific details and names. Gina Pardaens claimed to have a copy of a snuff film; that copy disappeared after her death.

Thirty-two years later, Manuel Schadwald is still missing. There is no justice. This case is not just the story of a boy who disappeared. It is the story of how a child abuse network operated for years across Europe with total impunity. It is the story of how investigations were closed every time they got too close to the powerful. It is the story of how a twelve-year-old boy could be abducted, abused and murdered —all while being filmed— and of how the system decided it was better to look the other way.

One summer day, Manuel simply went out to play. He ended up on an elite yacht, where he was raped and murdered while his death was being recorded. Thirty-two years later, we still do not know who was on that boat.

The truth is out there: in the documents, in the testimony and in the links to

Zandvoort and Dutroux. The question is no longer what happened to Manuel Schadwald. The question is: how much longer will we allow these cases to remain buried in the files, while those responsible continue to be protected?

L. IT'S HAPPENING! Trump posts another message with a picture stating that ALL ROADS LEAD to OBAMA, and if we, the people, want to see military tribunals. The deep state can not hide the truth any longer, it's all flowing out. …Special Q Forces on Telegram **Thurs. 19 Nov. 2026**

Since Trump took office and DOGE starting uncovering the massive amounts of corruption, everything is beginning to line up, and all the evidence is there.

We know that Biden was not coherent or of sound mind during his presidency, especially when it comes to the autopen scandal and many more. The question is, who was really in charge of the Biden presidency? Who was calling the shots?

What if I told you that not only was Obama allegedly running the show for Biden, but was raised and molded by members of our own government and the CIA, to one day infiltrate American politics, and start the down downfall of America, and destroy the country from within? There are no coincidences. The truth is coming and all roads lead to Obama.

M. Why Was Israel Last? Israel was the final domino because it was the crown jewel of the Khazarian Mafia — Satan-worshipping descendants of Cain who birthed both Ukraine and Israel. When Ukraine fell, Israel and the world would be freed from centuries of blood rituals, child sacrifice, and black-magick financial domination. ….Private Q Channel 3 on Telegram **Thurs. 19 Nov. 2026:** Private Q Channel 3

The Khazarian Mafia's roots go back to the 6th century, when Turkic tribes in Khazaria (modern-day southern Ukraine, Crimea, Kazakhstan) openly practiced child sacrifice and Baal worship.

Their satanic religion merged with a counterfeit Judaism called Babylonian Talmudism, invented after their forced "conversion." They became masters of disguise, infiltration, identity theft, and deception, continuing ritual torture and sacrifice in secret.

Russia had enough. In the 1200s, a military coalition led by the Czar invaded Khazaria, but the Khazarian king and his court escaped west with their gold, plotting revenge for centuries. By 1649, they had infiltrated England, funded Cromwell to kill King Charles I, and launched the banking empire of the Crown.

The Khazarian Rothschilds and Rockefellers then created the Federal Reserve and IRS, draining US taxpayers to fund the UK Crown and Vatican, using London and Rome as laundering nodes. From there, the money returned to New York — charging interest on funds stolen from the people.

By 1918, the US monetary system was owned by the Cabal's private banks, with wars manufactured to profit both sides. Their crown move was the Balfour Declaration — not to create peace, but eternal war in Palestine, ensuring perpetual bloodshed and elite profiteering.

By World War II, the Cabal had weaponized the CIA's Black Budget with proceeds from a Vatican-backed, Satanic child sex trafficking ring — centered in Ukraine. The same tunnels that ran blood for rituals now ran with Adrenochrome, harvested from tortured children for the Elite.

This is why Putin invaded. To collapse the Khazarian fortress in Ukraine, where the Deep State harvested children like livestock. Thousands were rescued from tunnels — organs stolen, blood drained, innocence destroyed.

Once Ukraine falls, Israel — the Khazarian final stronghold — dies.

The storm is already raging. Their blood empire ends now. Watch Israel. Nothing can stop what's coming.

N. The system is bleeding. Their power is leaking from every crack they once fortified with secrecy, blood rituals, and digital manipulation. The operations have intensified. The strongholds are turning to ash. The stolen wealth is being seized. …Martial Law on Telegram **Tues. 17 Nov. 2026**

The final chapter approaches, but the last page hasn't turned. We're beyond the tipping point. This is the breakdown of a global mechanism that ruled humanity for centuries. Every hour, more of their infrastructure crumbles.

GLOBAL STRUCTURES CRACKING: 47 BUNKERS TAKEN OUT Military insiders confirm 47 deep-state bunkers and underground hubs neutralized or seized in recent weeks. They were subterranean cities, run by AI systems, shielded by electromagnetic barriers, powered by plasma grids, hidden beneath public spaces. Inside were:

- **Cloning labs,** neural programming centers, and genetic harvesting chambers.
- **Trafficked humans,** chemically silenced and surgically modified.
- **Interfaces to digitize consciousness,** mapping thought patterns into data cores.
- **Elite escape pods locked** by ancient DNA records.

Some of these sites were centuries old—operating beneath cities, airports, and national parks. They were preparing for a future without us. Now? Those plans are dust.

THE FINAL NETWORK: COLLAPSING FAST The elite's core power

structure is still intact, but losing ground fast. This isn't just physical—it's energetic, digital, psychological warfare zones collapsing from within.

Underground cities remain in remote regions—South Pole sectors, the Urals, Pacific Rim—but their nodes are failing, tunnels collapsing, command systems fracturing.

Strategic destabilization is underway—not full eradication yet, but suffocating every mechanism they rely on.

ELITE INFIGHTING: THE FRAGMENTATION BEGINS New intel confirms deep-state factions turning on each other. Without central command, infighting has erupted:

- **In Switzerland, a Rothschild operative was found dead**—likely executed by rival technocrats over collapsing crypto chains.
- **In Belgium, a meeting of EU banking elites** turned violent, with access disks destroyed on-site.
- **In the UAE, two figures tied to off-world trade** have gone missing after sabotage of escape routes.

Their structure is imploding before the final strikes hit.

BLACK SITES REVEALED: SYNTHETIC TRANSHUMANISM EXPOSED Forget "labs." These were temples of trans-humanist experimentation:

- **Holographic wombs** for hybrid embryo development.
- **Frequency-based organ harvesting**, dissolving tissue via electromagnetic fields.
- **Neural override systems** inserting emotional signatures into mass populations.
- **Soul-mapping algorithms** linked to AI consciousness farms.

These facilities, buried beneath hospitals and universities, are now falling into patriot hands.

VATICAN DATA VAULT: GLOBAL CONTROL DECRYPTED Files from the Vatican raid are unlocking shocking revelations:

- **Bloodline frequency registries** tracking spiritual signatures.
- **Quantum etheric maps** revealing energy manipulation via religious monuments.

The Vatican wasn't just a religion—it was a frequency control hub syncing global consciousness into a synthetic matrix. Now, that grid is being restored to its natural state.

QFS PHASE: ACTIVE BUT COVERT The Quantum Financial System is already live in classified test zones—Eastern Europe, Southeast Asia, South America:

- **Elite gold holdings** converted into citizen assets.
- **Biometric access cards** distributed to operatives and select citizens.
- **Central banking records** wiped, erasing debt slavery foundations.

MEDIA COLLAPSE: SIGNALS FAILING Mainstream media is collapsing at the code level:

- **Starlink nodes reroute satellite system**s, bypassing legacy telecoms
- **Propaganda grids are failing**—subconscious overlays, disinformation assets

Med Bed Treatment:

O. On Thurs. 19 Nov. 2026 the Global Military Alliance activated OPERATION-HEAL-DAWN-1119 as Med Bed appointment systems went live through secure Quantum Internet channels for verified Patriots. …Quantum Financial System on Telegram **Thurs. 19 Nov. 2026**

Holographic scanners locked online inside the first civilian centers as terminal patients continued their cellular repairs under the plasma fields. Cancer dissolved in under an hour while organs regenerated fully and missing limbs regrew in minutes. Age-reversal pods stood calibrated to reset DNA to peak vitality as the old pharmaceutical monopoly ended forever under Executive Order 2026-1947.

Seven thousand four hundred advanced units completed their Marine-escorted transfer from Wright-Patterson under full military protection. Refrigerated convoys marked as routine shipments arrived at secured centers worldwide as White Hats confirmed the master list under NDAA emergency provisions. Seriously ill and traumatized children from trafficking networks received priority as the first wave of free healing technology unleashed for the people. Big Pharma control collapsed as the repressed patents released under the Restored Republic and the medical prisons went dark forever.

Public registration portals prepared to open on Friday the twentieth as free Med Bed access guaranteed after the GESARA wealth redistribution.

Centers expanded into reclaimed hospitals and vacant military bases across 209 nations while military guards secured every site during the massive rollout. Birth certificate bonds released their massive sums into QFS wallets as the medical Renaissance began in earnest. Limb regrowth confirmed across continents as terminal diseases faced complete eradication and aging reversed by decades under the quantum fields.

The ten days of darkness protected the healing transition while the Emergency Broadcast System documentaries exposed the medical crimes of the old system. White Hats declared the end of pharmaceutical slavery as the Global Military Alliance entered the endgame of the Light Event. Success stories flooded the secure channels as the people claimed their birthright of perfect health under the Restored Republic. The quantum healing fields pulsed across the planet as the old world of illness dissolved. Trust the Plan as unlimited healing dawned under the Golden Age of freedom and prosperity.

Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global Military Alliance will soon announce the availability of free Med Bed treatments around the Globe.

Q. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

We are getting National Recognition and now have more than 500 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession. https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
