"Ask not what your country can do for you—ask what you can do for your country."
-…President John F. Kennedy

Judy Note: Dear Readers, at age eleven Kaitlyn Hunter was taken from her loving home by Ohio Protective Services. She endured seven years of what I believe was mind control programming while in foster care.

Kaitlynn was arrested several times while trying to get away from her CPS abusers; raped several times; twice severely beaten while her so-called "caretakers" looked on laughing; refused medical care on her bleeding concussion; taken from the hospital in the middle of the night where she was being observed for her bleeding concussion; lost 60 pounds while being starved for a year, plus for the seven years of foster care imprisonment, was denied visitation by her loving mother Jeannine Larrrick.

Jeannine was also arrested twice while trying to protect Kaitlynn and still faces charges for harboring Kaitlynn after she ran away from foster care.

Because of your phone calls and emails to Ohio authorities, you became a great part of bringing Kaitlynn home. Although, she and mother Jeannine still suffer from Kaitlynn's abuse and mind control programming. See #G of this update for more detail.

You Whistleblowers have also responded to Tom Fairbanks request for Affidavits of Truth to charge perpetrators that now number approximately 550. He will be turning them over for Military prosecution, though is still open for more. See #H of this update for more detail.

I can't tell you how much I'm impressed with your diligence and hard work to help *Save The Children*. Keep it up. We have a long way to go to free ourselves of these evil people. With Love, Judy

Trump and the Global Military Alliance's Battle of Good Against Evil continued. On Sun. 1 Nov. 2026 the White House in Washington DC turned red, meaning that the Emergency Broadcast System would be activated within the next few days.

A large-scale arrest operation by the World Military Alliance was underway, with Ten Days of Communication Darkness to follow. Eight hour documentaries in 22 languages would reveal the Satanic Deep State Agenda, expose the Cabal's fall due to their fiat currency and usher in the Dawn of Freedom.

Expect lockdowns, travel restrictions, bank closures, ATM shutdowns. Stock up on food, water, cash and essentials.

A. The Alliance has green-lit the final sequence. …Carolyn Bessette Kennedy on Telegram **Mon. 2 Nov. 2026**

Cabal corporations of the United States and United Kingdom, owned by the Vatican and bankrupt since 2018, stand fully dissolved.The Cabal is out of money.

With the Three Gorges Dam in China—center of CCP/Cabal child trafficking, gun and drug running, and Bitcoin operations—now targeted by sonic waves inserted by Alliance forces, the Chinese government has already moved 48 million people.

Tier 4B notifications, expected at any time after vetting Cabal connections to ten plus groups, now surge.

Bonds go live.

Exchange and redemption appointments launch at secured centers. Holders arrive with currencies ordered from highest to lowest value, three-to-four-page project summaries detailing jobs created, and two forms of picture ID plus proof of residence.

Zim holders receive a default package they can refuse for higher rates covering projects; pure currency holders access contract rates on Dinar and Dong. A debt card carrying two percent covers two weeks until wealth managers appear. Large payouts take structured form monthly or yearly up to 100 years. Non-disclosure agreements lock in for six months to five years. Politeness is mandatory; arrogance ends the process.

The Emergency Broadcast System activates the Starlink Communication System, online since **April 2021**, to seize all mass media worldwide.

Temporary martial law enforces the transition.

The Biden Administration exits. The Trump Administration enters.

Stock markets face crash. Planes and trains ground. Internet drops.

Occasional outages clear the path for the Tesla Free Energy system.

Ten Days of Darkness follow, broadcasting uncensored Cabal takedown footage in three eight-hour sessions daily across every network.

Whistleblowers confirm the scope. Tunnels beneath the White House lead to the Capitol where members of Congress abused children; Trump was briefed by the military on December 20, 2020.

Prince Philip was executed for Crimes Against Humanity more than a year before the public announcement.

Nancy Pelosi's chief of staff is CEO of Dominion Voting Systems; Dianne Feinstein's husband is a major shareholder. The real president is Donald J. Trump.

JFK Sr. targeted the World Bank and CIA; a clone was assassinated.

Elvis Presley and Michael Jackson channels prepare document releases against globalists.

Military tribunals accelerate. Mass arrests sweep elites.

The Global Currency Reset of 209 nations locks the gold-backed Quantum Financial System. NESARA and GESARA debt jubilee activates.

Redemption Centers process humanitarian projects that fund the future.

World Court deadlines push Tier 4B completion as public rates follow.

The Storm arrives. The plan is in motion. Coming weeks bring the full reset.

Where we go one, we go all. Trust the Plan.

B. BREAKING: FIRST WAVE OF NESARA/GESARA ACTIVATION REPORTED …QFS Activated on Telegram **Mon. 2 Nov. 2026**

UNITED STATES, CANADA, UNITED KINGDOM, GERMANY, AND AUSTRALIA are now being reported as the first nations entering the initial phase of

the NESARA/GESARA transition.

As of 04:00 EET Mon. 2 Nov, multiple channels claim that **gold and asset-backed currencies have been activated**, signaling the beginning of a major shift in the global financial architecture.

 Quantum Financial System (QFS) interfaces are said to be updating in real time.

 Legacy fiat structures are reportedly being phased out.

 Rainbow currencies and asset-backed units are appearing across internal banking displays.

 Personal financial profiles are synchronizing with the new ledger, while **illegitimate debts are being cleared from the system.**

Financial observers describe this moment as the opening stage of a worldwide monetary reset, where transparency, asset backing, and quantum-secured transactions replace the legacy banking framework.

THE TRANSITION HAS BEGUN. THE GOLDEN AGE ERA IS NOW UNFOLDING.

C. THE WEALTH RECLAMATION IS ACTIVE. THE COVENANT OF GOLD IS UNLOCKED. …Mr. Pool Final Chapter on Telegram **Mon. 2 Nov. 2026**

Mark the date. Circle it in bright gold. Set your focus on Mon. 11 Nov. 2026 when for the first time in human history, the universal wealth of the people is being disconnected from the old paper matrix and routed into absolute abundance.

The days of synthetic debt, financial manipulation, and invisible corporate interest lines are officially behind us.

THE NEW ASSET-BACKED QUANTUM SYSTEM IS COMPLETELY OPERATIONAL. At 08:00 AM Eastern, the White House officially initiated Directive QFS-GOLDEN-DAWN. It marks the permanent activation of the civilian entry points for the Quantum Financial System across all 50 states.

No banking gatekeepers. No Wall Street intermediaries. Direct access to your birthright value, asset-verified and locked forever.

THE ERA OF COMPLIANCE IS OVER. THE AGE OF FINANCIAL FREEDOM IS HERE.

What the new system is actually executing for you right now:

▪ **Gold-Backed Sovereignty:** Every account under the new ledger is mathematically linked to physical, audited bullion reserves. The value of your currency will no longer be inflated away by corrupt institutions. Your purchasing power is permanently protected.

▪ **Unhackable Quantum Protection:** Your digital signature is secured through the Starshield space network. Your hard-earned capital is completely invisible to corporate predatory tax collection systems and corrupt regulatory audits.

▪ **The Wealth Transfer Protocol:** The automated ledger is finalizing the historical recalculation sequences. The artificial compound debts are being nullified, and the stolen value is returning directly to the sovereign citizens.

You don’t launch a global, asset-backed quantum infrastructure unless you are about to reward the patience of every patriot who held the line when the world doubted.

They told you a financial system without debt was a fantasy. They laughed when you said the centralized monopolies would lose their grip.

Look at the boards tonight. The new architecture is active. The old paper contracts are being erased by sunlight. Your family’s generational legacy is being

permanently secured by design.

NOVEMBER 11. THE 11/11 CONVERGENCE IS OPEN. DISCOVER YOUR FREEDOM.

D. Emergency Broadcast System. The final countdown has begun. Patriots— this is the moment of reckoning. 72 hours → 24 hours → NOW …QFS Activated on Telegram **Mon. 2 Nov. 2026**

The darkness is no longer approaching. It is already here. Starlink has executed full control over terrestrial communication satellites.

All Deep State backdoors have been severed. EBS primary signals are operational and locked— awaiting final White Hat execution code.

Last night's raid was historic. The apprehension of multiple key figures has been completed. The ones we've heard names of for decades can no longer walk free. Their assets are frozen. Their networks are dead.

The QFS is now the only functioning financial system on Earth. Legacy banks are ghosts— mere empty shells without power.

Humanitarian aid funds and redemption funds are moving at this very moment through secure military channels.

The 10 Days of Darkness has officially begun. This is the controlled silence before the greatest truth in history is revealed. Every device will go dark. When the screens come back on, only one thing will appear.

The storm is not approaching. The storm has been unleashed.

Trust the plan. Trust the timing.Trust God.The old world ends in silence. The new world begins with light.

Stand firm. Pray without ceasing. Stay away from windows. Keep your family close. As the darkness falls, what does your soul feel?

EBS signal activated. Truth's release imminent. We are the storm.

E. THE WORLD MILITARY SIGNAL HAS BEEN SENT OUT …Christian B. Wallace Tier 4B ISO 20022 on Telegram **Mon.2 Nov. 2026**

All US Military branches and international Alliance Units have been given the final standby code.

The World is hours, or minutes, away from a total shutdown of media, internet, phone networks, TV, banking grids and financial access points.

For the first time in human history all digital systems will go dark at the same time : No internet, no social media, no bank transfers, no ATM's and no calls except to 911 only.

The Global Martial Law Protocol will be happening in real time. Every country will close the airspace, stop the commercial flights and put the military on the streets as a pretext for “maintaining security”.

This is a ten day comm blackout. During these ten days, all devices will be switched to a single Emergency Broadcast System, which will actively broadcast 24/7, with eight hour documentaries repeated three times daily.

The documentaries will expose global pedophilia networks, human trafficking operations, corrupt politicians bought off by foreign intelligence, money laundering schemes, secret treaties, assassination programs, the names of those arrested and those who tried to run.

Trump’s Global Military Alliance teams already are making mass arrests based on over 500,000 sealed indictments of politicians, bankers, royals, CEOs,

Royals, Intelligence officers, Child Trafficking operatives.

After the ten days of communication darkness the World will be re-connected to a new Quantum Internet powered by QFS nodes and military secured satellites – a system designed to be un-censorable, un-hackable and un-corruptable.

The old World is not coming back. The present financial system will be obsolete; the present governments, dissolved; the present health care industry, exposed and replaced; the present education network, erased and rebuilt; the present corporate structure, broken forever.

In its place comes a New Era – a Reset of Humanity: Nesara/Gesara activated; debt erased; QFS financial sovereignty; new Quantum infrastructure; release of suppressed technologies; public healing centers and the end of the old system.

F. While corporate media anchors label these banking events as "isolated software glitches" or "routine maintenance," the physical reality across global markets confirms the exact operational shifts we outlined: …Christian B. Wallace Tier 4B ISO20022 on Telegram **Mon. 2 Nov. 2026**

 THE COMMERCIAL BANKING SHUTDOWNS ARE LIVE. Over the last 48 hours, major international banking networks and payment clearing hubs across multiple regions experienced sudden, synchronized processing freezes. ATM networks and digital mobile banking apps went dark simultaneously. Why? Because the legacy central banking software rejected unbacked fiat routing packets as the ISO 20022 quantum verification filters locked into place.

 AVIATION AND LOGISTICS NETWORK OVERRIDES Major transport and supply-chain logistics grids reported sudden communication drop-offs and system reboots. These are the exact tactical corridors where the old maritime logistics tracking codes are being scrubbed and replaced by autonomous sovereign verification nodes under Alliance oversight.

 THE MEDIA SILENCE ON CORPORATE FAILURES Notice how quickly the mainstream financial networks glossed over the massive liquidity clearing anomalies at primary commercial institutions? They are under strict administrative gag-orders because the old balance sheets cannot reconcile physical asset-backing ratios.

The transition from theory into physical reality is no longer a forward projection. It is unfolding in real-time across every public ledger, banking terminal, and communication grid on Earth.

Look at the public error screens. Read between the lines of the corporate reports. The physical proof is right in front of you. Stay sharp. Stay encrypted. The restoration is moving fast.

H. Tom Fairbanks: Whistleblower Criminal Referrals:

The Criminal Referral for the Military is complete and has been signed awaiting delivery to the Military. The Supporting Documents and Affidavits of Truth are still being assembled for a separate "protected" delivery to the Military. The collections of documents and affidavits can continue to grow as more information is brought into the light.

A recent discovery has raised the total number of Affidavits of Truth and other Supporting Documents in our possession to approximately 550.

The Federal Judiciary officers (judges, clerks, and attorneys) of the de-facto civil law court(s) have previously been fully informed concerning the High Treason against we the People and our Republican form of Government.

Unfortunately, the Federal Judiciary has ignored the filings with years of silence and concealment of the crimes that they are cognizant of and have chosen to commit felony rescue of the enemy and are thereby enemies of the Republic of the United States of America. Said court officers are guilty of Conspiracy to Defraud, Fraud on the Court, Treason, and some High Treason.

There is still time to add witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA).

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.

Mark the date. Write it down in red. Set the final countdown for December

25, 2026.

The corporate utility networks are telling you that the recent unexpected voltage drops, automated regional substation cuts, and smart grid anomalies are just "routine technical calibration cycles." They want you tracking local weather variations on your television screens while you ignore the massive physical deployment happening behind the transmission lines.

THEY ARE LYING TO YOU BECAUSE THE DECORATED SYSTEM JUST DISCONNECTED THE CARTELS.

What they are actively hiding from the public in absolute panic: At exactly 03:00 AM Eastern, the White House officially authorized Emergency Infrastructure Directive Grid-Tesla-2026. It orders the immediate administrative liquidation of all legacy utility metering codes and routes the primary energy distribution through a unified sovereign command network.

No corporate regulatory approvals. No private grid board permissions. Bypassed permanently under direct military-intelligence infrastructure control.

THE 90-YEAR-OLD EXPLOITATION MATRIX JUST FLATLINED. For decades, the entrenched globalist energy cartels controlled the billing mainframes. They engineered a multi-tiered corporate monopoly, charging your families artificial premiums for resources that should have been decentralized decades ago. They used their co-opted grid structures to monitor local assets and enforce compliance across the Republic.

They told you independent, low-frequency wireless power distribution was a physical impossibility. BUT THE LEGACY INTEL FILES PROVE THE MATRIX WAS DESIGNED TO KEEP YOU DEGRADED.

Here is what the December 25 Christmas convergence is actually executing behind the curtain right now:

- **Sovereign Power Autonomy:** Total integration of the new parallel quantum ledger with advanced defense energy infrastructure. The old utility cartels are being systematically locked out of the master grid.
- **The Gatekeeper Purge:** 14 regional compliance executives tied to old energy monopolies had their security credentials permanently erased last night. Their operational access parameters simply ceased to exist.
- **Unalterable Transmission Logging:** The replacement framework operates entirely outside civilian corporate regulation. A system that cannot accept corporate incentives, cannot manipulate rate metrics, and restores power directly to the communities.

You don't deploy an unhackable, frequency-verified power infrastructure unless you are about to pull the plug on the legacy corporate grid forever.

They told you the energy empires would dictate your family's utility bills indefinitely. They laughed when you said the control loop would be broken by patriots.

Look past the public broadcasts tonight. The architecture is shifting exactly on schedule, and the old guard has no moves left on the board.

THE LONDON LIQUIDITY SHIFT. AND THE LEDGERS OF THE OLD GUARD JUST HIT THE LIQUIDATION PHASE.

Mark the date. Circle it in bright gold. Set your final countdown clocks for **January 20, 2027.**

The corporate financial networks are telling you that the sudden overnight multi-billion-dollar bond dumps, sovereign metal relocations, and bank server anomalies are just "routine international asset balancing." They want you tracking the simulated volatility indexes on your screens while you ignore the massive physical movement under the vaults.

THEY ARE LYING TO YOU BECAUSE THE LIFEBOATS ARE ALREADY LOCKED IN PLACE.

What they are actively hiding in total panic: At 04:00 am Central European Time on Mon. 2 Nov. 2026, the legacy international clearing mainframes in the City of London were officially disconnected from the sovereign international liquidity grid.

No Wall Street press briefings. No central banking board approvals. Bypassed permanently under direct sovereign asset-backed command.

THE 200-YEAR-OLD FIAT CARTEL JUST FLATLINED. For two centuries, the entrenched banking dynasties (Rothschild) used their fiat printing presses to manufacture infinite paper debt out of thin air. They charged your families interest on currency that possessed zero physical backing, moving governments like chess pieces on a board to fund global conflicts and build absolute economic compliance. Until the mathematical countdown hit the exact expiration window.

Here is what the January 20 convergence is actually executing behind the curtain right now:

- **Sovereign Gold-Backed Sync:** Every account under the new parallel ledger is officially synchronized with verified, audited physical bullion. The statutory paper contracts are being retired. Real wealth is reclaiming the system.
- **The Dynasty Evacuation:** Legacy institutional boards are facing emergency credential freezing. Over $410 billion in unvouched digital liabilities were flagged and isolated by the automated quantum network in the last 72 hours alone.
- **Total Systemic Decentralization:** The replacement infrastructure operates entirely outside civilian corporate banking jurisdiction. A system that cannot create artificial inflation, cannot manipulate interest metrics, and protects the purchasing power of patriots forever.

You don't deploy an un-hackable planetary financial infrastructure unless you are about to finalize the total controlled demolition of the old printing press.

They told you the paper system would run the world indefinitely. They laughed when you said the central bank monopoly would be broken.

Look past the public news broadcasts tonight. The network didn't shift by accident; the old guard is running out of options as the sunlight hits the matrix.

THE GREATEST WEALTH TRANSFER IN HUMAN HISTORY IS IN MOTION. Mark the date. Circle it in bright gold. The clock hits zero on January 1, 2027.

The corporate mainstream networks are telling you that the global market realignments and automated treasury shifts are just a "routine financial stabilization phase." They want you focused on their artificial paper volatility metrics while you ignore the massive physical reality on the ground.

THEY ARE LYING TO YOU BECAUSE THE SATAN-WORSHIPPING DEEP STATE CABAL IS ON PERMANENT LIQUIDATION.

The Emergency Broadcast System (EBS) is prepared to initiate temporary martial law. A calculated tactical shield deployed across all 50 states to maintain total security while the legacy corridors of corruption are systematically dismantled in broad daylight.

NESARA GESARA HAS BEEN PERMANENTLY ACTIVATED ACROSS THE GLOBE.

The end of poverty. The end of debt slavery. The absolute birthright value of humanity has been safely routed into the unhackable Quantum Financial System (QFS).

AND THE INFRASTRUCTURE TO RELEASE YOUR FUNDS IS ALREADY RUNNING. I have just verified the structural activation sequence under the command code BRACE-2202:

- **Redemption Centers Disbursing Liquidations:** The military-secured Redemption Centers have officially commenced the historic payout distribution. The asset-backed allocations are moving directly into verified quantum citizen nodes. The wait is over. The liquidity is flowing.
- **The Gold-Backed Standard**: Every single account under the new parallel ledger is mathematically secured by physical, audited bullion. The 113-year fiat printing press is dead. Your generational purchasing power is permanently locked by design.
- **Direct Sovereign Accounts**: The replacement architecture operates entirely outside civilian corporate banking monopolies. No corrupt middleman can freeze, audit, or tax your sovereign birthright values.

You don't deploy an unhackable planetary financial matrix unless you are about to reward the absolute patience of every patriot who held the line when the world was dark.

They told you the debt system was permanent. They laughed when you said the centralized cartels would be brought to their knees.

Look past the public news broadcasts tonight. The old world is flatlining exactly on schedule, and the new golden age has no exit barriers left on the board.

PRAY. HAVE PATIENCE. TRUST THE PLAN. THE DOOR TO ABUNDANCE IS OPEN.

P. UPDATE: THE COUNTDOWN IS REAL …Christian B. Wallace Tier 4B ISO 20022 on Telegram **Mon.2 Nov. 2026**

The standby codes have been confirmed. Military sources are now reporting that the final phase is in motion. Here is what you need to know RIGHT NOW:

- **The 10-day communication blackout is not a drill**. When the screens go dark, do

not panic. This is the planned transition.
 The Emergency Broadcast System will be your ONLY source of information. Eight-hour documentaries will run three times daily - exposing everything. The names. The networks. The crimes. The arrests.
 Mass arrests are already underway. Over 500,000 sealed indictments are being executed as we speak. Politicians, bankers, royals, CEOs, intelligence officers, and child trafficking operatives - no one is above the law anymore.
 When the blackout ends, the world reconnects to the Quantum Internet. Un-censorable. Un-hackable. Un-corruptable. Powered by QFS nodes and military-secured satellites.
 NESARA/GESARA is being activated. Debt erased. Financial sovereignty restored. Suppressed technologies released. Healing centers opened.

The old system is collapsing. The new era is rising. Stay calm. Stay informed. Stay ready. The Great Awakening is not coming … IT IS HERE.

Q. URGENT! THE FIRST SOVEREIGN PAYOUTS CLEARED OVERNIGHT. HERE IS EXACTLY WHAT THE NUMBERS SHOW…Christian B. Wallace Tier 4B ISO 20022 on Telegram **Mon.2 Nov. 2026**

A QFS settlement node sent an internal clearing confirmation through the encrypted channel. It said: "First sovereign tranche cleared. 14,300 accounts. Rainbow Units distributed. 06:00 UTC."

WHAT THE NUMBERS ACTUALLY SHOW:

1. THE CLEARING

• **14,300 accounts received** their first sovereign tranche between 03:00 and 06:00 UTC. Not advances. Not pre-payments. Cleared distributions

• **Every account was verified** through biometrics before the distribution. No exceptions. No manual overrides

• **The average distribution** was not disclosed. The range was not disclosed. The fact that it cleared was disclosed

2. WHY THIS IS DIFFERENT

• **Every "payout"** you have been told about for years was a promise. This was a settlement. The money did not move toward you. It arrived

• **The recipients are not all** Tier 4B. Some are. Some are not. The system processed them together because the queue was already verified

• **The first tranche** is not the full allocation. It is the first tranche. The rest follows as the recipients move

3. WHAT THE RECIPIENTS ARE DOING

• **The system is watching** what happens in the first 48 hours. Not to judge. To confirm. The recipients who move are the ones who get the next tranche

• **The recipients** who sit are not penalized. They are queued. The system does not punish patience. It rewards movement

• **A single line appeared** on a QFS terminal at 05:47 UTC: "First wave cleared. Second wave scheduled."

WHAT TO WATCH FOR:

• **A notification** that does not come from a bank. From a node

• **A number** that appears and does not disappear

• **A recipient** who suddenly stops posting about the system. That is not silence. That is the NDA working

For years, people were told the payouts were a myth. They were not a myth. They were a queue. And the first 14,300 people in the queue just got paid.

R. TIER 4B: THE FINAL COUNTDOWN TO THE QUANTUM AGE …QFS Activated on Telegram **Mon. 2 Nov. 2026**

To all the awakened digital citizens, currency holders, and quiet researchers who stood the line: **Our time is here.**

For years, we tracked the intelligence, analyzed the shifts, held our Zim, Iraqi Dinar, and Vietnamese Dong, and kept our faith while mainstream media mocked our resolve. We didn't just watch a financial system collapse—we witnessed the birth of a sovereign human era.

* **The Grid Shift:** The legacy fiat banking structure is officially stepping down.

* **The QFS Activation:** Quantum Financial System nodes are fully online, routing secure, encrypted, and sovereign accounts for the awakened.

* **The Redemption Phase:** Tier 4B secure appointments, humanitarian project allocations, and structural currency realignments are moving into direct operational execution.

What You Need To Do Now:

1. **Stay Grounded & Alert:** Keep your documentation, verification details, and alignment focus locked in.
2. **Watch for the Signal:** Secure notifications and instructions are rolling out through verified channels.
3. **Prepare for Purpose:** Remember that this wealth isn't just an end—it's a tool for global humanitarian leadership and local rebuilding.

The digital warriors won the information war. Now, we step forward to build the new world.

Are your appointments and documents fully organized for the transition phase?

Global Financial System:

S. THE BRICS BRIDGE CURRENCY IS LIVE. 47 NATIONS JUST BYPASSED THE DOLLAR. THE PETRODOLLAR IS DEAD. …Christian B. Wallace Tier 4B ISO 20022 on Telegram **Mon.2 Nov. 2026**

At exactly 6 am Moscow time Sat. 31 Oct. 2026, the BRICS Bridge - the gold-backed settlement currency that has been in development for seven years - went live across 47 nations.

BRICS's gold, asset-backed currency was a fully operational, asset-backed settlement layer that bypassed the Petrodollar, foundation of the American Empire, the SWIFT system and the entire Western financial architecture. The 80 year Petrodollar reign was over.

For decades, the dollar was backed by oil. Every barrel of crude - whether from Saudi Arabia, Iraq, or Venezuela - was priced in dollars. Every nation that wanted to buy oil had to first buy dollars. The dollar was not just a currency. It was a

toll booth on the entire global economy.

They told you the dollar was backed by the full faith and credit of the United States. They told you the petrodollar was permanent. They told you no currency could challenge it. BUT THEY FORGOT THAT WHEN THE OIL STOPS FLOWING THROUGH THE DOLLAR, THE DOLLAR STOPS FLOWING AT ALL.

Here is what the BRICS Bridge activation is actually triggering behind the scenes right now:

▪ **The Oil Bypass: 14 of the world's largest oil producers - including Saudi** Arabia, the UAE, Iran, and Venezuela - are now settling crude trades in the BRICS Bridge. The dollar is no longer required to buy oil. The petrodollar has been bypassed at the source. Every barrel that trades outside the dollar drains the demand for American currency.

▪ **The SWIFT Exodus:** 47 nations have moved their cross-border settlement onto the BRICS Bridge. The old SWIFT messaging system - the one that the US used to sanction and isolate any nation it disliked - is being drained of traffic. The sanctions weapon has been neutralized. The sword that was used to police the world has been melted down.

▪ **The Gold Anchor:** The BRICS Bridge is not backed by fiat. It is backed by gold. 6,200 tons of physical bullion that was moved into regional vaults over the past year is now the foundation of the new settlement layer. Every unit of the BRICS Bridge is redeemable in physical gold. The old dollar - backed by nothing but debt and military power - is now competing with a currency that is backed by something real.

You don't launch a gold-backed settlement currency across 47 nations unless you are ready to dismantle the dollar-based empire that has been the foundation of Western power for 80 years.

They told you the dollar was too big to fail. They called you crazy for watching the BRICS. They laughed when you said the petrodollar could be broken.

Look at the currency markets tonight. The dollar index is not moving. It is frozen. The old currency is flatlining. The BRICS Bridge is not a prediction. It is a live settlement layer that is draining the dollar of its lifeblood.

THE PETRODOLLAR ISN'T DYING. IT IS ALREADY DEAD.

V. THE PED-ONCOLOGY VAULT IS CRACKING. AND THE DISCOVERY OF THE NEGATIVE SPACE IS LIVE. …Mr. Pool Final Chapter on Telegram
Mon. 2 Nov. 2026

Mark the date. Circle it in bright gold. The clock hits absolute zero on **December 18, 2026.**

The corporate healthcare networks are telling you that the sudden nationwide medical facility realignments, laboratory tracking changes, and administrative drops are just "routine institutional compliance restructuring." They want you tracking scripted pharmacy panels on your screens while you ignore the actual physical enforcement locking down the executive parent entities.

THEY ARE CRYING LIABILITY BECAUSE THE TRILLION-DOLLAR LEASH JUST COLLAPSED UNDER CODE BRACE-2202.

What they are actively hiding from the public in absolute panic: A certified validation leak containing the un-redacted 2014 Geneva electromagnetic data registers has officially entered the parallel sovereign ledger.

No pharmaceutical board reviews. No corrupt regulatory agency delays. Bypassed permanently under direct national security protection command.

THE 80-YEAR-OLD EXPLOITATION LOOP BUILT ON CHEMO-TORTURE JUST FLATLINED.

For decades, the entrenched globalist monopolies controlled your local hospitals. They engineered a multi-tiered revenue loop: tracking and hoarding non-invasive tumor regression blueprints, introducing toxic synthetic interventions, and masking 75-minute resonant frequency technologies to secure lifetime pharmaceutical dependency profiles.

They believed their protective non-disclosure registration stamps made them untouchable.

Here is what the December 18 convergence is actually executing behind the curtain right now:

- **Redemption Centers Payout Fully Disbursing:** The military-secured Redemption Centers have officially initiated the urgent liquidation sequence. Payout allocations for QFS, TRB, and all previously frozen sovereign funds are moving directly into verified TIER 4B civilian nodes. The wealth is free. The capital is flowing.
- **Tesla Frequency Grid Online:** Immediate activation of advanced bioelectric and terahertz field calibration arrays. The old chemical monopolies are being systematically locked out of the master grid permanently.
- **Absolute Structural Declassification:** The replacement infrastructure operates entirely outside civilian corporate censorship boards. A platform where files cannot be intercepted, truths cannot be shadow banned, and patriots reclaim their biological heritage.

You don't unseal years of suppressed frequency blueprints and open the vaults for frozen wealth disbursement unless you are about to pull the plug on the legacy medical matrix forever.

They told you the chemical empire would dictate your family's health indefinitely. They laughed when you said the control loop would be broken by patriots.

Look past the public broadcasts tonight. The architecture is shifting exactly on schedule, and the old guard has no exit moves left on the board.

CODE: BRACE-2202-ACTIVE / REDEMPTION-TIER4B / TESLA-RESTORE / SYSTEM-RESET-2026

THE GROUND REALIGNMENT IS LIVE. AND THE SUBTERRANEAN MATRIX HAS MET ABSOLUTE ZERO.

Mark the date. Circle it in absolute red. The countdown hits zero on December 19, 2026 [2026-11-02].

The corporate mainstream portals are telling you that the sudden nationwide satellite navigation glitches and unexplained micro-seismic anomalies are just "routine tectonic variations." They want you tracking weather charts on your screens while you ignore the actual military security parameters locking down the main deep underground perimeters.

THEY ARE LYING TO YOU BECAUSE THE DEEP STATE BUNKER GRID JUST COLLAPSED UNDER CODE BRACE-2202.

What they are actively hiding from the public in absolute panic: At 03:00 AM Eastern on Mon. 2 Nov. 2026, the White House officially authorized Emergency Space Directive Q-GPS-12. It orders the immediate administrative liquidation of all legacy global tracking codes and routes the primary coordinate infrastructure through the secure asset-backed parallel quantum satellite matrix. Bypassed permanently.

THE 60-YEAR-OLD COVERT MATRIX JUST LOST ITS ACCESS CREDENTIALS.

Here is what the December 19 convergence is actually executing behind the curtain right now:

- **Sovereign Navigation Autonomy:** Total integration of the new parallel tracking ledger with advanced defense constellations. The old surveillance cartels are being systematically locked out of the grid permanently.
- **Redemption Centers Disbursing Funds:** The military-secured Redemption Centers have officially expanded the final validation sequence. Payout allocations for QFS, TRB, and all verified physical asset registries are moving directly into civilian positions. The capital is completely free.
- **The Terminal Deep Purge:** Undersea and underground tracking nodes used by old deep state networks faced immediate administrative credential deletion last night. Their data registers simply ceased to exist.

You don't deploy an unhackable planetary satellite matrix unless you are about to pull the plug on the legacy establishment forever.

They told you the corporate monopolies would dictate your family's transit and data access indefinitely. They laughed when you said the control loop would be shattered by patriots.

Look past the public broadcasts tonight. The interference isn't a technical glitch; the old guard has run out of moves because the new sovereign matrix is live.

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession. https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
