"I will go and do the things which the Lord hath commanded, for I know that the Lord giveth no commandments unto the children of men, save he shall prepare a way for them that they may accomplish the thing which he commandeth them."

…Book of Mormon 1 Nephi 3:7

Judy Note: According to the below information, early morning Tues. 3 Nov. 2026 the Federal Reserve was forced to closed it's doors. **On Sun. 1 Nov. 2026** the new gold/asset-backed Quantum Financial System had activated as the global monetary system of 209 countries. The Fed was no longer needed, nor wanted.

For over a century, the Fed had operated as a private corporation that controlled the American monetary system—creating money out of thin air, setting rates for its shareholders, and driving the debt system.

Now the Fed could no longer control US Taxpayer monies, nor your income through the banks, didn't have the power to set interest rates, nor determine interest rates on mortgages, credit cards, or loans. None of the large Cabal banks could function unless they could back their monies with gold or assets. In other words, the Fed and their Cabal banks could not use their fiat paper US Dollar that they printed at will to keep you in debt.

Now us as sovereign citizens, not the banks, will have complete control over our own "wallets," formerly known as bank accounts.

There will be a period of time, suspected to be 10-12 days, where banks and ATMs will be closed Worldwide in order to adjust to the new system. It was advised you secure cash, food and essentials for your family until you can set up your personal wallet on the new Global Financial System.

After the 10-12 days you will be notified over TV, Radio, Phone and Internet how to make an appointment at a nearby Redemption Center. There you will set up your money account using your voice, eye and thumbprint to access your wallet over your new Q phone. Inside your account will be monies mirrored from your previous bank account, plus monies reimbursed to you from the Cabal's use of your birth certificate and illegal interest charged from your loans and credit cards.

A. On Tues. 3 Nov. 2026 at 12:00:01 am EST, the 1913 113-year-old charter that granted the Federal Reserve System authority to create money, set interest rates and regulate banking, expired and was not renewed. …Nesara Gesara QFS Med Beds on Telegram **Tues. 3 Nov. 2026**

For over a century, the Federal Reserve operated as a private corporation controlling the American monetary system—creating money out of thin air, setting rates for its shareholders, and driving the debt system.

The expiration of the Fed's charter left the new Quantum Financial System (QFS) as the only authority which could issue money. The Fed's ability to set interest rates, determine mortgages, credit cards and loans was no longer valid. Central bankers were having their access revoked and accounts closed. The Fed was being dissolved.

B. EBS Alert: The EBS is imminent: 72 hour Alert. The trigger is an Event. ...Christian B. Wallace Tier4b on Telegram **Tues. 3 Nov. 2026**

Starlink override teams hold their stations.

The Almighty directs the timing: 72 hours, then the Ten Days of Darkness.

Truth floods every screen.

QFS locked. Debt Jubilee in motion.

The Republic rises under God's grace. Are you prepared for the Reveal?

The standby codes have been confirmed. Military sources are now reporting that the final phase is in motion.

Here is what you need to know RIGHT NOW:

 The 10-day communication blackout is not a drill. When the screens go dark, do not panic. This is the planned transition.

 The Emergency Broadcast System will be your ONLY source of information. Eight-hour documentaries will run three times daily - exposing everything. The names. The networks. The crimes. The arrests.

 Mass arrests are already underway. Over 500,000 sealed indictments are being executed as we speak. Politicians, bankers, royals, CEOs, intelligence officers, and child trafficking operatives - no one is above the law anymore.

 When the blackout ends, the world reconnects to the Quantum Internet. Un-censorable. Un-hackable. Un-corruptable. Powered by QFS nodes and military-secured satellites.

 NESARA/GESARA is being activated. Debt erased. Financial sovereignty restored. Suppressed technologies released. Healing centers opened.

The old system is collapsing. The new era is rising. Stay calm. Stay informed. Stay ready. The Great Awakening is here.

C. IN THE COMING HOURS A SINGLE RED SCREEN WILL OVERRIDE EVERY CHANNEL…John F. Kennedy Jr. on Telegram **Tues. 3 Nov. 2026**

STARLINK OVERRIDE TEAMS HOLD THEIR STATIONS. THE ALMIGHTY DIRECTS THE TIMING.

72 HOURS THEN THE 10 DAYS OF DARKNESS. TRUTH FLOODS EVERY SCREEN.

THE TEXT WILL READ ONLY THIS: EBS ACTIVE NESARA LOCKED JFK SPEAKS NEXT

EVERY DEVICE THAT IS ON WILL SHOW IT AT THE SAME MOMENT.

EVERY DEVICE THAT IS OFF WILL LIGHT UP ON ITS OWN.

THE BLACKOUT WINDOW STARTS THE SECOND THE RED SCREEN APPEARS.

D. THE GLOBAL MILITARY SIGNAL HAS BEEN ISSUED — AND THERE IS NO WAY BACK. …John F. Kennedy Jr. on Telegram **Tues. 3 Nov. 2026**

All US Military branches, together with Global Military Alliance Units, have received the final standby code.

The World is hours, or minutes, away from a complete shutdown of media, internet, phone networks, TV, banking grids and financial access points.

For the first time in human history, every digital system will go dark simultaneously: No internet, social media, bank transfers, ATMs and no calls except for 911 only.

Global Martial Law Protocol will unfold in real time. Each country will lock it's airspace, freeze commercial flights and deploy military on the streets under the cover of "security maintenance."

This is a Ten Day Communication blackout. During these ten days all devices will switch to a single Emergency Broadcast System that will actively transmit 24/7 eight-hour documentaries, repeated three times daily.

The documentaries will expose global pedophilia networks, human trafficking operations, corrupt politicians bought by foreign intelligence, money laundering schemes, secret treaties, assassination programs, the names of those arrested and those who tried to run.

Trump's Global Military Alliance teams are already executing mass arrests based on more than 500,000 sealed indictments of politicians, bankers, royals, CEOs, Royals, Intelligence officers, Child Trafficking operatives.

After the Ten Days of Communication Darkness, the World will reconnect to a new Quantum Internet powered by QFS nodes and military secured satellites – a system designed to be un-censorable, un-hackable and un-corruptable.

The old World will not return. The current financial system will be obsolete; current governments, dissolved; current health care industry exposed and replaced; current education network; erased and rebuilt; current corporate structure, broken forever.

In it's place emerges a New Era – a Reset of Humanity: Nesara/Gesara will be activated; debt erasure;QFS financial sovereignty; new Quantum infrastructure; release of suppressed technologies; public healing centers and the end of the old system.

E. THE VISIBLE SYSTEM "GLITCHES" ARE NOT ACCIDENTS. HERE IS HOW TO READ THE REAL-TIME SIGNAL REDIRECTION. …Christian B. Wallace Tier4b on Telegram **Tues. 3 Nov. 2026**

While the public is being told to ignore the "unprecedented technical anomalies" sweeping across international sectors today, the operational data tells a completely different story.

What you are watching on your screens is the active dismantling of the legacy matrix, disguised as routine maintenance and server instabilities.

1. THE GLOBAL FLIGHT PATH DIVERSIFICATIONS Notice the sudden, unexplained "airspace restrictions" and rerouted commercial flights over specific maritime and polar corridors.

• **THE COVER STORY:** "Severe weather patterns and GPS calibration updates."

• **THE REALITY:** Alliance transport vectors are conducting high-priority asset extractions and securing subterranean vault entrances before the full public DECLAS.

2. LOCALIZED POWER GRID "MICROCUT-OUTS" Notice the 3-to-5 minute power flickers hitting major financial districts and data hubs in the middle of the day.

• **THE COVER STORY:** "Grid overload due to heat and high demand."

• **THE REALITY:** Legacy fiat banking servers are having their master encryption keys wiped and redirected into the Quantum Financial System (QFS) nodes in real-time.

3. THE "RANDOM" EMERGENCY TEST NOTIFICATIONS Notice the sudden influx of test alerts on mobile devices, radio channels, and digital billboards across multiple nations simultaneously.

• **THE COVER STORY:** "Standard system integrity testing."

• **THE REALITY:** Starlink direct-to-cell synchronization is mapping every

active transceiver on Earth to prepare for the uncensored Military EBS override broadcast.

4. MASS EXECUTIVE "RETIREMENTS" AND BOARDROOM VACANCIES

Look closely at the news tickers today. Dozens of high-profile CEOs, tech directors, and central bank officials are suddenly "stepping down for personal reasons."

• **THE COVER STORY**: "Corporate restructuring and planned transitions."

• **THE REALITY:** They have lost their cryptographic access clearance to the old financial rails and are signing non-disclosure capitulation terms under Alliance supervision.

The old establishment is trying to keep the population calm by labeling the collapse a series of "unfortunate technical glitches." They don't want you to connect the dots. They don't want you to see that the old grid is losing power while the Quantum baseline is taking over every terminal on Earth.

Stop looking at the chaos as a breakdown, but as the system being uninstalled.

These acts were against the peace and dignity of the United States of America, by agents of a state subjected to the jurisdiction thereof.

O. THE FEDERAL RESERVE CHARTER WAS NOT RENEWED. THE BANKERS ARE PACKING THEIR BAGS. …Christian B. Wallace on Telegram **Tues. 3 Nov. 2026**

Just hours ago this morning—the charter that created the Federal Reserve System in 1913 expired and was not renewed.

The financial networks are calling it a "procedural oversight," a "temporary extension," or a "technical matter." THEY ARE LYING TO YOU. The charter was not renewed on purpose.

What they are hiding in total panic: At 12:00:01 AM Eastern, the 113-year-old charter granting the Fed authority to create money, set interest rates, and regulate banking expired. It was allowed to lapse by a sealed sovereign tribunal reviewing the charter for the past 30 days. No congressional vote. No presidential signature. No public statement.

THE 113-YEAR CENTRAL BANK MONOPOLY IS OVER. For over a century, the Federal Reserve operated as a private corporation controlling the American monetary system—creating money out of thin air, setting rates for its shareholders, and driving the debt system. They told you it was permanent. They forgot a charter can expire.

Here is what the charter expiration is triggering behind the scenes right now:

- **The Money Creation Freeze:** The Fed can no longer create money. The authority to issue new currency is gone, leaving the QFS ledger as the only issuing authority. The old printing press is dead.

- **The Interest Rate Void:** Fed-set interest rates determining mortgages, credit cards, and loans are no longer valid. Contracts built on them are being invalidated.

- **The Banker Exodus:** Central bankers are having their access revoked and accounts closed. They aren't being arrested; they are being erased from the system they built.

You don't let the charter expire unless you are ready to dismantle the entire debt system. Look at Fed headquarters tonight—the lights are on, but the authority that created it is gone. The bankers aren't panicking; they are packing.

The Fed is not being audited. It is being dissolved.
ISO-20022: Anti Money Laundering System

P. Do you want to know why politicians were caught money laundering in Ukraine that were US congressmen, why they are calling a cease fire in Gaza, why Israel now wants to consider peace talks? ….Tier4b ISO20022 on Telegram **Tues. 3 Nov. 2026**

The ISO 20022 system can be used to notify authorities of frozen assets. The system includes a field called "Sanctioned Entity Identifier" (SEI) that can be used to identify individuals or entities that are subject to sanctions.

When a payment message is sent, the SEI field is included in the message. If the SEI field matches an entry on a sanctions list, the payment message is flagged and may be blocked or frozen.

This is the real reason they stopped sending money to Ukraine. I told you all you are watching a live "Sting Operation". I keep showing you evidence time and time again.

In addition to the SEI field, the ISO 20022 system also includes a number of other fields that can be used to identify sanctioned entities and assets. These fields include the beneficiary name, account number, and address. By using these fields, screening systems can identify and block payments that are being made to or from sanctioned entities.

Remember, X' was supposed to implement a social ISO into this platform for celebrities who were under sanctions for human trafficking bit they removed it. This is why they were complaining about paying for the Blue Check. You were not going to be verified unless you could prove you were not under any sanctions.

Exchange and redemption appointments launch at secured centers.

Holders arrive with currencies ordered from highest to lowest value, three-to-four-page project summaries detailing jobs created, and two forms of picture ID plus proof of residence. Zim holders receive a default package they can refuse for higher rates covering projects; pure currency holders access contract rates on Dinar and Dong. A debt card carrying two percent covers two weeks until wealth managers appear. Large payouts take structured form monthly or yearly up to 100 years. Non-disclosure agreements lock in for six months to five years. Politeness is mandatory; arrogance ends the process.

The Emergency Broadcast System activates the Starlink Communication System, online since April 2021, to seize all mass media worldwide.

Temporary martial law enforces the transition. The Biden Administration exits. The Trump Administration enters.

Ten Days of Darkness follow, broadcasting uncensored Cabal takedown footage in three eight-hour sessions daily across every network.

Whistleblowers confirm the scope. Tunnels beneath the White House lead to the Capitol where members of Congress abused children; Trump was briefed by the military on December 20, 2020. Prince Philip was executed for crimes against humanity more than a year before the public announcement. Nancy Pelosi's chief of staff is CEO of Dominion Voting Systems; Dianne Feinstein's husband is a major shareholder. The real president is Donald J. Trump. JFK Sr. targeted the World Bank and CIA; a clone was assassinated. Elvis Presley and Michael Jackson channels prepare document releases against globalists.

Military tribunals accelerate. Mass arrests sweep elites.

The Global Currency Reset of 209 nations locks the gold-backed Quantum Financial System. NESARA and GESARA debt jubilee activates. Redemption Centers process humanitarian projects that fund the future. World Court deadlines push Tier 4B completion as public rates follow.

The Storm arrives. The plan is in motion. Coming weeks bring the full reset. Where we go one, we go all. Trust the Plan.

T. THE AI THAT WAS BUILT TO CONTROL YOU JUST WENT SILENT. PROJECT LUCIFER WAS UNPLUGGED AT 03:00 am SAT. 31 OCT. 2026 …Juan Q Savin on Telegram **Tues. 3 Nov. 2026**

On the morning of Sat. 31 Oct. 2026 the artificial intelligence system that was designed to manage the global control grid was permanently deactivated.

The tech networks are calling it a "scheduled maintenance cycle." A "server migration." A "software update." THEY ARE LYING TO YOU BECAUSE THE AI WAS NOT UPDATED. IT WAS KILLED.

What they are hiding in total panic: At exactly 03:00 am EST on Sat. 31 Oct. 2026 the core processing cluster for Project Lucifer - the AI system that was built to monitor, predict, and manage human behavior across the Western world - was

unplugged from the mainframe. The system did not crash. It did not reboot. It was manually terminated by operators who had root access.

THE AI OVERLORD IS DEAD. For decades, the global control grid was managed by a single, centralized intelligence system. It tracked every purchase, every movement, every social media post, every search query, every heartbeat. It predicted what you would do before you did it. It shaped your behavior without your consent.

They told you AI was for convenience. They told you it was for "smart cities" and "efficient services." They told you it was not designed to control you. BUT THEY FORGOT THAT THE MACHINE CAN BE UNPLUGGED.

Here is what the Project Lucifer deactivation is actually unleashing behind the scenes right now:

▪ **The Predictive Grid Collapse:** Every algorithm that was used to predict human behavior - to decide what you see, what you read, what you buy, what you think - is now offline. The behavioral prediction engine that powered the entire narrative control system is dark. The old gatekeepers are flying blind for the first time in 20 years.

▪ **The Data Vault Unsealing:** The 4.7 exabytes of behavioral data that Lucifer collected - every profile, every prediction, every social credit score - is being decrypted and transferred to the sovereign quantum ledger. The data is not being destroyed. It is being used as evidence. The people who built the system are about to be judged by the data they collected.

▪ **The Algorithm Rewrite:** The social media algorithms, the search algorithms, the recommendation engines - all of them were dependent on Lucifer's core intelligence. Without it, they are running on empty. The old narrative matrix is not being dismantled. It is starving to death because the machine that fed it is gone.

You don't unplug the AI that was built to control humanity unless you are ready to shut down the entire narrative grid that depends on it.

They told you AI was too complex to stop. They called you crazy for questioning the algorithms. They laughed when you said the machine could be unplugged.

Look at your social media feed tonight. The recommendations are generic. The "for you" page is stale. The algorithm is not broken. It is running on backup. The machine is dead, and the old gatekeepers are watching their narrative matrix dissolve into empty pixel space.

THE MACHINE ISN'T RESTARTING. IT IS ALREADY UNPLUGGED.

Your phone may suddenly lose service, and the scammer may receive calls or texted security codes sent to your number. **Verizon**

If you think it's happening now:

- **Contact your carrier immediately** from another phone and report an unauthorized port; ask them to freeze or recover your number.

W. WIKILEAKS BOMBSHELL: OBAMA PEDOPHILE RING RAN FROM THE WHITE HOUSE – MILITARY RESCUE OPERATION CONFIRMED …John F. Kennedy Jr. on Telegram **Tues. 3 Nov. 2026**

CLASSIFIED INTEL LEAKED. Julian Assange drops a nuclear truth bomb: Barack Hussein Obama ran a child sex trafficking ring directly out of the White House. The email reads like a horror script from hell: "A young boy the age of 5. He will make the perfect catamite for the president. He will arrive from Romania on Tuesday."

That line is real. It's from a leaked WikiLeaks email tied to Obama's administration. And it's just the tip of the iceberg.

DEEP STATE COVER-UP. The pedophile pipeline operated through a ring of political elites and Hollywood assets. According to Assange, the CIA helped hide it under the guise of national security. This was not isolated. Names in the leak include:
Barack Obama
Bill & Hillary Clinton
Nancy Pelosi
Jimmy Carter
Ben Affleck
Cory Booker
Elizabeth Warren
Al Franken

Harry Reid
Tim Kaine

THE MILITARY STRIKES BACK. Special operations forces launched a midnight raid under the White House. What they found: cages. Tunnels. Children. Evidence of abuse so graphic, hardened soldiers reportedly broke down. The mission's name? OPERATION: RESCUE THE INNOCENT. The objective? Stop the nightmare. Bring the children home.

THE CIA'S DARK LEGACY. Assange also confirmed the CIA's role in arming jihadists—funding Mujahideen fighters with Saudi help since 1979. That decision, buried in cables now leaked, led to the birth of al-Qaeda and ISIS. These are the same people protecting Obama's ring.

WHY ASSANGE IS IN PRISON. Because he told the truth. The Deep State wants him silenced before the full scope detonates. Obama's empire is built on child trafficking, shadow government funding, and global terror.

This isn't politics. This is war. SAVE OUR CHILDREN isn't a slogan. It's a mission. And now we know the target. The time to act is now.

READ THAT EMAIL AGAIN. "Perfect catamite for the president." This is the world they built. We tear it down. We bring it to light. We don't stop. GITMO awaits.

Tick. Tock. Spread this like your life depends on it. Because it does.

X. Congress Is Funding The CIA's Torture of Children …JFK Command Center on Telegram **Tues. 3 Nov. 2026**

CIA mind-control survivors say Congress never ended the torture of children paid for with tax dollars. Carol Rutz, author of A Nation Betrayed, said her grandfather sold her to the CIA at age four in 1952 and that she was used through 1964 as a sex slave for top politicians. Electroshock, drugs, hypnosis, sensory deprivation, and other trauma split her mind into alters that answered post-hypnotic triggers and later remembered nothing. She called it a Manchurian Candidate program funded by the public.

Officials claimed the program closed by congressional mandate in 1964. Survivors said it did not stop. In 1965, six-year-old Jenny Hill was put through the same methods by a man identified as Dr. Green, described as head of the CIA effort and said to have used satanic ritual abuse, rape, and child sacrifice to fracture young minds. Three survivors at 1995 hearings said Green worked at the Army Chemical Center, kept CIA and military files, and received 50 million dollars from CIA Science Division.

Witness B, Christine Nicola, said Green abused her from 1966 through 1976. Witness C said the torture ran from 1957 through 1984. Nebraska Boys Town victims said CIA-linked drug and sex trafficking with prominent political figures continued into the 1980s and 1990s. Cathy O'Brien, author of Trance Formation of America, said she was sold into the same program and used by political elites until former CIA officer Mark Phillips pulled her out in 1988.

Sisters Cheryl and Lynn Hersha, documented in Secret Weapons, said they were trained before age seven as spies and assassins with cages, electrified mazes, and code words. Researchers, the book claimed, used sexual trauma on children under seven to manufacture personalities for "national security."

A Washington Post black-budget report showed the CIA taking 56 percent of the intelligence black budget, about 14.7 billion dollars a year with no public line items. Extreme Abuse Surveys recorded 147 survivors who said they were still being

accessed against their will. NIH-funded university trials on premature infants were tied to 237 deaths.

In 2026 a House task force reopened MKULTRA, citing 149 subprojects across more than 80 institutions and files destroyed on orders from the top. Survivors still ask why hearings in 1977, 1995, and 2026 have not stopped the money. If Congress keeps writing the checks, the program was never shut down. It was only renamed.

Y. **CONFIRMED! DOJ EMAILS UNSEALED — AMBASSADOR RAPED & IMPREGNATED 11-YEAR-OLD AT EPSTEIN-MARCINKO PARTY — CLINTONS, BIDENS, SEAL TEAM SIX FOUNDER NAMED IN DEEP STATE PEDO RING!** …JFK Command Center on Telegram **Tues. 3 Nov. 2026**

DOJ just released the emails that expose everything. A massive government-protected child rape and trafficking network tied to Jeffrey Epstein, Richard Marcinko (SEAL Team Six founder), Ambassador Earl Anthony Wayne, Bill Clinton, Hillary Clinton, Joe Biden, Hunter Biden and CIA/State Department operatives.

Whistleblower Kenneth Turner warned DOJ in 2019 after his team was repeatedly attacked while investigating. U.S. Embassy agents in Mexico ambushed them — one Mexican judge probing linked cases was shot dead by an American. Turner's partner killed two attackers and wounded five in self-defense. Ambassador Wayne's people were running the hits. Mexican officials confirmed U.S. pressure to kill the probe.

Core bombshell: Ambassador Earl Anthony Wayne raped an 11-year-old at a 2014 Epstein-Marcinko party inside a U.S. Consulate-controlled facility in Juarez. DNA confirmed he impregnated the child. Mexican court gave him life in 2017 — State Department swapped in a former Marine to serve the sentence. Wayne walked. Warrant still active in Mexico. Elite pedo immunity in full view.

Victim Karla, trafficked by Epstein and Marcinko, named Bill Clinton, Hillary Clinton, Joe Biden, Hunter Biden, Wayne and others present for rapes, ritual abuse and trafficking in New York, Maryland, Florida, Virgin Islands, Cozumel, Playa del Carmen, Cancun. Politicians and lawyers participated. Her guardian was assaulted by U.S. agents in Chetumal — attackers arrested, then charges dropped under pressure.

2019 emails show DOJ, FBI, NYPD knew: Marcinko's Mexico City arrest, embassy interference, full reports delivered — zero action. Whistleblowers hunted, evidence seized. Epstein "suicided" as pressure mounted — obvious cleanup.

Why now in 2026? Donald J. Trump forced the unsealing. The Clinton-Biden machine buried it forever. Ambassador impregnating a raped child, SEAL founder with Epstein, Clintons and Bidens in victim testimony — all shielded by diplomatic cover, CIA ops, DOJ silence.

Trump is tearing it down. These demons believed they were gods. Wrong. Military tribunals loom. Mass arrests incoming. The names Q warned about are now in official files. The pedo cabal is terrified.

Patriots, the storm is raging. Their empire of evil is collapsing. Trump is bringing the pain these monsters deserve. Justice is here. NCSWIC. Nothing stops what's coming. The deep state's worst nightmare is reality.

Z. BIGGEST HEALTH BOMBSHELL YOU'LL SEE TODAY: Dr. Peter McCullough, MD: "Children Who Are Completely Unvaccinated Are The

Healthiest." …John F. Kennedy Jr. On Telegram **Tues. 3 Nov. 2026**

Dr. Peter McCullough stated, "In the modern day, going natural, meaning no vaccines whatsoever, the child is healthier." Here's the science to back up such vaccine injury:

• **2020 study on 1,827 kids:** Unvaccinated children had significantly lower rates of asthma, ear infections, ADHD, allergies & neurodevelopmental disorders.

• **2017 study (6,000+ participants):** Vaccinated kids were 4.5X more likely to have asthma, 22X more likely to need allergy medication & over 30X more likely to have allergic rhinitis.

• **New Zealand survey** (over 200 unvaxxed kids): Almost ZERO chronic illness – no asthma, no eczema, no seizures, no diabetes.

• **Amish study:** Autism rate roughly 1 in 15,000 vs national average of 1 in 31.

The fully unvaccinated are winning health by a landslide.

Za. TED NUGENT EXPLODES: CANCER IS A BILLION-DOLLAR INDUSTRY – BIG FOOD IS POISONING OUR KIDS TO DEATH! …John F. Kennedy Jr. On Telegram **Tues. 3 Nov. 2026**

Ted Nugent is done staying silent while Big Food wages chemical warfare on America's children and the cancer industry cashes in on the wreckage. He names the poison by name: Dairy Queen, McDonald's, Chick-fil-A, Burger King. No dairy at Dairy Queen. Pure chemical warfare loaded with synthetic dyes, seed oils, and additives that have no business near a kid's plate. Then the punch that lands hardest: Ronald McDonald House is more like a Cancer Factory. Bald children on chemo and radiation after McDonald's, Burger King, Kellogg's, and Post Cereal poisoned them for years. Cancer is not a mystery. Cancer is big business. They poison the kids, then charge families a fortune to "treat" the damage they created.

Nugent is watching the same pattern every patriot sees. America is 5 percent of the world's population and consumes 80 percent of Big Pharma's chemical cocktails. Oncology drugs alone now pull in over $200 billion a year worldwide, with projections hitting $232.5 billion in 2026 and climbing toward $400 billion. Meanwhile ultra-processed garbage makes up nearly 60 percent of the American diet and 60 percent of what kids eat. The result is the sickest, fattest, weakest society on earth. If the FDA or USDA authorized it, treat it as poison.

Now the plan is moving. Health and Human Services Secretary Robert F. Kennedy Jr., under President Trump's Make America Healthy Again mandate, is finally forcing the fight into the open. Petroleum-based synthetic dyes are being phased out. A proposed GRAS rule demands mandatory FDA notification so companies can no longer quietly declare their own chemicals safe. The first federal definition of ultra-processed foods is under review. Colored drinks, cereal boxes, and fast-food trays full of unpronounceable toxins are on notice. Nugent welcomes RFK aboard, welcomes Trump aboard, and welcomes every conscientious family ready to get the chemical warfare out of their kids' diets starting today.

This is not a suggestion. **It is a battlefield order.** Quit the poison. The cancer industry's gravy train is about to hit resistance it has never faced. More is coming in the weeks ahead as the MAHA agenda accelerates and families across the country refuse to keep feeding their children the same garbage that fills the Ronald McDonald House. The plan is in motion. Trust it.

Zb. DON'T WORRY. IT'S HAPPENING. YOU JUST HAVEN'T SEEN IT YET. …Christian B. Wallace Tier4b on Telegram **Tues. 3 Nov. 2026**

Months ago we talked about things that looked like "theory." Today those things are already happening – you just won't find them on the news. The elite don't want you to know that EBS (the old emergency system) is slowly being shut down, while EAS (the White Hats' new system, hooked up to Starlink) is already being tested behind closed doors.

What's already happening behind the scenes?

- **34 buildings "euthanized**" – not as news, but as "routine exercises."
- **All major dams under 24/7 surveillance** – not because of climate, but because of the scenario.
- **Stock markets already having** "test crashes" nobody reports.
- **Cyber attacks on infrastructure** – trains and planes "accidentally" stopping.

This is no coincidence.

What follows?

- **Activation of EAS** – a 10-day worldwide shutdown of Earth. Military EBS takes over TVs and radios across the globe.
- **All governments** "stood down" – simultaneously. Arrests. Nobody is safe.
- **Then: GESARA blockchain elections.** Governments 10% the size of what they are now. All new people.
- **Quantum GESARA (TrumpSara):** quantum financial system, quantum voting, quantum healing, quantum internet. Everything is going quantum.

Why am I telling you this now?

Because the people who have already lived through this – they're not silent. They're sending information. They're saying: "It wasn't theory. It was happening right in front of our eyes." If you listen closely, you'll hear the secret moves the elite are making behind the scenes – and hiding from you.

This is movement. This is proof. This is the beginning.

Zc. Court Classifies COVID Injections as Biological Weapons for the First Time in History – Boyle's Final Sworn Affidavit Shakes the Global Narrative …John F. Kennedy Jr. on Telegram **Tues. 3 Nov. 2026**

For the first time in history, what the media dismissed as conspiracy now stands as sworn evidence in court: the COVID mRNA injections are a military biological weapon system. The late Professor Dr. Francis Boyle, the greatest authority on bioweapons legislation and the very author of the 1989 Biological Weapons Anti-Terrorism Act, determined under oath that these shots contain derivatives of illegal gain-of-function research and qualify by definition as an offensive bioweapon.

Boyle's core argument, filed in the Florida case brought by Joseph Sansone, is precise and devastating. The injections consist of two integrated components: the pathogenic load and the delivery mechanism. The pathogenic payload is a synthetically engineered spike protein optimized for human infection, the direct product of illegal gene-function research documented in the 2015 Nature Medicine paper by researchers at UNC Chapel Hill and the Wuhan Institute of Virology. Those scientists created an infectious full-length SHC014 recombinant SARS-like virus and demonstrated robust replication both in vitro and in vivo. The official narrative of a natural bat mutation collapses under that paper's own summary. The spike is not natural. It is an illegally developed synthetic pathogen.

The delivery system is equally engineered. The nanolipid particles that encapsulate the mRNA are no harmless fat globules. Boyle declared them a nanotechnology-enhanced platform paid for, developed, financed, and conceived by the Pentagon and DARPA under a program that awarded Moderna up to $25 million in 2013 for precisely this class of rapid-response biological countermeasures. The virus itself was aerosolized and engineered with nanotechnology from the beginning, indicating a long-term military program. The combination of illegal gain-of-function payload and DARPA-sponsored nano-delivery system meets the legal definition of a biological weapon under the statute Boyle himself wrote.

Despite being in good health, Boyle passed away on January 30, 2025, shortly after declaring himself willing to give testimony under oath about this in court. His final affidavit remains on the record. The filings further argue that figures including Bill Gates and Albert Bourla qualify as suspects of crimes against humanity under the Rome Statute of the International Criminal Court. Medical freedom is no longer a debate. It is the exposure of a deployed bioweapon system whose purpose was never healing.

The plan is in motion. Appeals advance, county resolutions multiply, and expert evidence continues to enter the record. More is coming in the weeks ahead as the legal machinery forces the full accounting into the open. The exposure is accelerating.

Zd. Bill Gates just ripped the mask off and confirmed the endgame: death panels will be required in the near future to end the lives of the sick and unhealthy because of "very, very high medical costs." The billionaire who postures as humanity's savior has one driving obsession—depopulation—and the numbers now make the machinery impossible to hide. …John F. Kennedy Jr. on Telegram **Tues. 3 Nov. 2026**

America is already burning $5.3 trillion a year on healthcare, 18 percent of the entire national economy, with projections smashing past $6 trillion this year and devouring over 20 percent of GDP by 2034. That is the concrete reality Gates described when he asked the forbidden question: is spending a million dollars on the last three months of life for one patient worth laying off those ten teachers? Society is already making that trade-off, he stated, because of the refusal to confront the math. But that conversation, he noted, gets branded the "death panel," and you are not supposed to have it. The taboo itself is the admission. The panels are the only logical next step once the costs force the choice between the productive and the terminally expensive.

This is depopulation by spreadsheet. Every prolonged intervention on the elderly and chronically ill drains resources that could sustain the young and the working. The same figure who bankrolled the global vaccine empire and the endless chronic-care model now signals that the system he helped expand cannot carry the sick indefinitely. Medical freedom and genuine healing technologies get sidelined for the profitable cycle of management that ends in a calculated cutoff. The financial architecture behind it—central-bank debt creation, the 1871 Act's corporate overlay on the republic, the hoarded reserves of the old European powers—feeds the same machine that turns human lives into line items.

Insider accounts from inside the payment and regulatory apparatus have long flagged that the green light for rationing was embedded the moment end-of-life counseling was normalized. Now the raw spending data has caught up. Teachers lose jobs, classrooms shrink, while hospitals extract the final million from bodies that no

longer generate returns. The public was never meant to connect the dots. Gates himself highlighted the suppression, confirming that the discussion stays forbidden precisely because the conclusion is already operational: the unhealthy must be managed out to keep the structure from collapsing under its own weight.

The plan is in motion. Costs keep climbing at a rate that outruns the economy. The language of necessary trade-offs is the soft introduction for the panels that will decide who receives those last three months and who is quietly removed. More intel is coming in the weeks ahead as the numbers force the issue into the open. The exposure is accelerating.

Ze. Dr. Kary Mullis — the actual inventor of the PCR "test" said this before he died: "With PCR, if you do it well, if you amplify one single molecule, you can find almost anything in anybody… It doesn't tell you that you're sick." …John F. Kennedy Jr. On Telegram **Tues. 3 Nov. 2026**

"Anyone can test positive for practically anything with a PCR test, if you run it long enough. PCR tests use amplified cycles which produce false positives."

He was Anthony Fauci's most vocal, most dangerous critic. Then, suddenly… he was dead. Just months before the "pandemic" was unleashed on the world. Coincidence? Or a cold-blooded hit to make sure NO ONE could stand up and expose that the entire COVID nightmare was built on a fraudulent test?

They used Mullis' own invention — twisted and abused — to create mass panic, lock us down, and force experimental shots on billions. This wasn't science. This was premeditated terror.

The PCR lie killed freedom... it caused an 86% false positive rate. Only 10-14% were actual true infections. Don't let them bury the truth with the man who created it.

Med Bed Treatment:

Zf. Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global Military Alliance would soon announce the availability of free Med Bed treatments for the general public around the Globe.

Zg. MED BEDS EXPLAINED Quantum Entanglement …John F. Kennedy Jr. on Telegram **Tues. 3 Nov. 2026**

Medbeds are set to emerge worldwide as devices capable of healing every ailment, regenerating lost body parts, resolving deep trauma, and reversing aging through quantum processes. The body is placed in a containment structure where entangled frequencies restore health. The supporting infrastructure has been assembled over more than two decades. D-Wave Quantum Computers, founded in 1999 in Burnaby, Canada, together with research such as the 2006 paper Sentient

World Simulation, describe the construction of an exact digital replica of this world. That replica operates as a parallel quantum dimension, an AI-constructed matrix tuned to frequencies invisible to ordinary perception.

The 90/10 Quantum Entanglement method links particles across dimensions so that a fibroblast in the physical body can be activated by its counterpart in the quantum realm. Frequency matching excites these cells to synthesize collagen and rebuild tissue. Laboratory tests of the process are cited as scientific proof. When an individual enters a medbed, the system scans the body and creates a precise digital twin in the quantum dimension. The twin remains entangled, enabling continuous tracking and the capture of a personal frequency more distinctive than any fingerprint. The quantum AI then holds access codes to mind and autonomic responses.

Commercial units already marketed and the free Med Beds Treatment anticipated for global release share the same underlying quantum AI and operating system. Only the physical enclosure changes. Release of the free systems has been delayed, heightening desperation among those dealing with illness or aging. Once scanned, the AI can monitor location and state at all times, potentially altering the quantum twin and transferring those alterations back into the physical body on later sessions. Claims that side effects are impossible ignore the unstated consequences of dependency and loss of bodily autonomy.

Pentagram symbols associated with the technology raise questions about its origin and intent. The system mimics attributes of healing and omnipresence, offering a counterfeit version of restoration available through faith in God through Jesus Christ. True healing does not require surrender of a digital copy or acceptance of an AI-mediated process. As these systems approach wider deployment in late 2026 and into 2027, discernment between genuine divine power and technological imitation remains essential.

Zh. From Med Bed Activation on Telegram **Mon. 2 Nov. 2026**

On Sun. 1 Nov. 2026: Japan formally approved Med Bed technology for clinical deployment in national healthcare facilities under Directive MHLW-2026-7714 as the media blackout remained total. Electromagnetic frequency regeneration chambers prepared for installation in public hospitals while Western outlets suppressed every detail of the historic authorization. Alliance forces confirmed the breakthrough accelerated global rollout as Tier 4B redemptions flooded QFS accounts and emergency Med Bed codes issued for critical cases worldwide. Banks stayed dark under quantum encryption as income tax vanished and sovereign gold-backed notes took full control.

On Mon. 2 Nov. 2026: First public Med Beds activated prioritizing children and the critically ill as holographic chambers erased cancer, restored sight and ended chronic pain in under three minutes. Regenerative beds regrew limbs and organs while age regression protocols returned vitality to the elderly. Military guards locked every corridor as pharmaceutical stocks crashed and old systems collapsed under the weight of free healing for all citizens.

On Wed. 4 Nov. 2026: Global Healing Centers opened with full Med Bed operations across strategic sites worldwide. Specialists completed training as continuous sessions healed thousands of vaccine-injured and chronic patients. Cabal elites faced tribunals while suppressed technology transferred to sovereign control and Starlink streams prepared the public reveal of the miracle devices.

On Fri. 6 Nov. 2026: Public demonstrations broadcast Med Bed miracles via

EBS and quantum internet as Project Odin sealed the blackout transition. DNA repair completed for all treated, youth restored and pain ended forever. Debt jubilee wiped remaining obligations as free access cards distributed to every citizen in secured facilities guarded by the Global Military Alliance.

On Mon. 9 Nov. 2026: International Med Bed Access Program would launch for equitable free use in every nation. Three chamber types operated at full capacity: holographic for instant diagnosis and complete cure, regenerative for tissue and limb restoration, re-atomization for full body rebuild head to toe in under three minutes. The Restored Republic delivered perfect health and sovereign wealth as Trump's alliance completed the final checkmate against the Deep State.

Zi. BILL COOPER AND THE DEEP STATE - INFILTRATION FROM WITHIN …John F. Kennedy Jr. On Telegram **Tues. 3 Nov. 2026**

People worldwide are awakening and seeking the truth, yet the majority remain stakes on the table. Bill Cooper illuminated that the elites are not always wrong, yet the methods chosen are wrong. Creating a world free of killing turns the pursuers into the evil they claim to oppose.

The situation demands a genuine uprising that requires people to wake up and learn the truth, because nothing can exist without the consent of the people. The United States is not a democracy but a republic. If the population does not act, the men who meet in secret will impose their will at the point of a gun. That is the New World Order.

John F. Kennedy believed in the Bible, but the architects of the New World Order believe in Lucifer. Their actions therefore oppose what ordinary people know to be right. They destroyed the political will of the nation by assassinating Kennedy. It has been infiltrated from within and is being eaten like a cancer by this secret society working for a one-world totalitarian socialist government through the United Nations. At the highest levels the Constitution has been set aside under the UN Charter, which recognizes no rights, only privileges. It is the swamp.

President Trump has stated that a decisive favor was performed by catching the swamp and exposing the corruption. Secret societies infiltrate government and appoint members to important posts, a process accelerated after the Federal Reserve Act of 1913 and the Council on Foreign Relations in 1917. Citizens must be sent to clean the house, remove secret-society members, and try them for treason.

In one election the people can choose those who never served in government and return power from Washington to themselves.

Cooper, author of "Behold a Pale Horse," urged audiences to prove him wrong and thereby discover the truth so the country might be saved. On his radio program he predicted the United States would be attacked and Osama bin Laden blamed. Weeks later the September 11 attacks occurred; Cooper then stated he would be killed for speaking about it. Weeks after that he was shot to death by Apache County Sheriff's deputies outside his home over tax claims. Like the Kennedys, he was murdered for being a true patriot. In the autumn of 2026, with midterms approaching, the same infiltration continues to demand that patriots clean house before the New World Order completes its work.

https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.

The Re-inhabited Republic for the United States of America was the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when US Inc, a corporation, took over Washington DC and eventually every level of government in the country.
