A.Thousands of Children Rescued, Mutilated Bodies Recovered, From Biden-Owned Ukraine Property Containing US Run Bio-Weapon Labs by Judy Byington, MSW, LCSW, Therapist ret, Journalist, Author, *"Twenty Two Faces: Inside the Extraordinary Life of Jenny Hill and Her Twenty Two Multiple Personalities."* https://beforeitsnews.com/politics/2022/04/thousands-of-children-rescued-mutilated-bodies-recovered-from-biden-owned-ukraine-property

In the Spring of 2022 tens of thousands of tortured and murdered mainly Asian children were rescued, the mutilated bodies of thousands more, recovered by the Russian Military from US owned and run Bio-weapon Underground Tunnel DUMB Labs that ran beneath a 200 acre Biden-owned property in Ukraine.

Russia was expected to expose Ukraine's Underground Bio-weapon Labs, DUMBS and Tunnels that housed tens of thousands of children from different countries, more than half being of Asian descent.

There were videos circulating showing Russian soldiers in Ukraine carrying out children who were very dirty and who hadn't seen light in years. The children were holding new teddy bears and stuffed animals given to them by the Russian Military.

The Ukraine Underground Tunnel Bio-weapon labs were formed for CIA Mind Control Dark Science Studies where human DNA was mixed with animal DNA to create sub-human monsters – all of which has been funded by a CIA Black Budget since the agency was formed after World War II.

Ukraine Underground Tunnels were not the first to hold caged children. Since 2019 and led by specially trained US Marine Navy Seals, millions of dead/ half alive tortured children have been rescued by the Global Alliance's seventeen nation's Special Forces from Underground Tunnel DUMBS and Bio-weapon Labs that spread across the Globe.

On Wed. Oct. 16 2019 the first Navy Seal and US Marine rescue occurred of an unbelievable 2,100 children found locked in cages in Underground Tunnels that ran beneath the California China Lake Military facility. Another rescue took place in Australia that garnered over a million children.

The babies, children and teens were said to have been sexually abused, tortured and killed to collect their adrenaline for sale to Hollywood and Global Elites who paid big bucks to have use an anti-aging "wonder drug," Adrenochrome. /politics/2019/10/marines-navy-seals-rescue-2100-caged-children-teens-3144359.html

Last January before leaving office, when Trump found out about DUMB Underground Tunnels that existed beneath the White House and Washington DC, he ordered the Military to go in and save thousands of children who were found half alive, plus recover the bodies of thousands more who were dead with organs harvested, many half eaten**.**

Those particular Tunnels had been there since President George HW Bush formed the CIA after World War II and he ordered them built. Evidently they have been used by certain Satan worshipping US Presidents and members of Congress since then, up until Trump**.**

There appeared to be Global Alliance plans in the works to bulldoze the White House, US Capital and US Supreme Court building, plus all of the buildings around them. They would turn Washington DC back into the swamp it was before – a Bird Sanctuary.

DC would no longer exist, to be replaced by a Restored Republic based on the original concepts of the Constitution.

During this time, no internet, no ATMs, and phones? Only working for 911 calls. This is the global martial law we've been talking about, and it comes with a 10-day communication blackout. But here's the kicker: the Emergency Broadcast System will be activated worldwide. Nonstop, 24/7, 8-hour documentaries exposing the darkest secrets of the elite—fraud, corruption, pedophilia, and their arrests—will play three times a day. The truth will be unleashed.

After the 10 days of darkness, we will reconnect to a new quantum internet. The old systems of government, education, finance, health, and commerce? Gone. A new age is coming.

K. CONFIRMED: THE FIRST SOVEREIGN TRADE BETWEEN TWO NATIONS SETTLED OUTSIDE THE DOLLAR SYSTEM THIS MORNING …Christian B. Wallace Tier4b ISO20022 on Telegram **Wed. 4 Nov. 2026**

A sovereign trade coordination office sent an internal settlement confirmation through the encrypted channel at 11:33 EST. It said: "Bilateral settlement cleared. 09:47 UTC. Rainbow Units. No dollar intermediary. No SWIFT. No delay."

WHAT ACTUALLY HAPPENED:

1. THE TRADE

• **Two sovereign nations** settled a trade this morning without using the dollar. Not as a test. As a transaction. The goods moved. The payment cleared. The dollar was not involved

• **The settlement took 3.1 seconds.** The old system would have taken three days. The new system did not need the old system at all

• **The nations are not named in the notice.** The fact that it happened is named. The fact that it will happen again is implied

2. WHY THIS MATTERS

• **The dollar's role as the world's reserve currency** was built on one thing: every trade had to pass through it. That requirement is now optional. Optional is worse than banned

• **The BRICS rails are connected to the ISO 20022** framework. The ISO 20022 framework is connected to the QFS. The QFS is connected to the Rainbow Units. The chain is complete

• **The dollar is still used for domestic trade** in the United States. For now.

The international role is what ended this morning

3. WHAT REPLACES IT

• **Rainbow Units are the settlement instrument.** Not the dollar. Not the yuan. Not the ruble. The Rainbow Unit, backed by metal, verified by the quantum ledger

• **Every nation that joins** the rails reduces the dollar's role. Not by banning it. By not needing it

• **The dollar will not collapse.** It will fade. Fading is slower than collapsing. Fading is also permanent

WHAT TO WATCH FOR:

• **A trade announcement** that does not mention the dollar

• **A BRICS statement** that uses the word "expansion" and does not name the countries

• **A Treasury response** that is late, vague, and defensive

For 80 years, every international trade passed through the dollar. This morning, one did not. Tomorrow, more will not.

L. ***Save The Children:***

M. Congress Is Funding The CIA's Torture of Children …Martial Law on Telegram **Wed. 4 Nov. 2026**

CIA mind-control survivors say Congress never ended the torture of children paid for with tax dollars. Carol Rutz, author of A Nation Betrayed, said her grandfather sold her to the CIA at age four in 1952 and that she was used through 1964 as a sex slave for top politicians. Electroshock, drugs, hypnosis, sensory deprivation, and other trauma split her mind into alters that answered post-hypnotic triggers and later remembered nothing. She called it a Manchurian Candidate program funded by the public.

Officials claimed the program closed by congressional mandate in 1964. Survivors said it did not stop. In 1965, six-year-old Jenny Hill was put through the same methods by a man identified as Dr. Green, described as head of the CIA effort and said to have used satanic ritual abuse, rape, and child sacrifice to fracture young minds. Three survivors at 1995 hearings said Green worked at the Army Chemical Center, kept CIA and military files, and received 50 million dollars from CIA Science Division.

Witness B, Christine Nicola, said Green abused her from 1966 through 1976. Witness C said the torture ran from 1957 through 1984. Nebraska Boys Town victims said CIA-linked drug and sex trafficking with prominent political figures continued into the 1980s and 1990s. Cathy O'Brien, author of Trance Formation of America, said she was sold into the same program and used by political elites until former CIA officer Mark Phillips pulled her out in 1988.

Sisters Cheryl and Lynn Hersha, documented in Secret Weapons, said they

were trained before age seven as spies and assassins with cages, electrified mazes, and code words. Researchers, the book claimed, used sexual trauma on children under seven to manufacture personalities for “national security.”

A Washington Post black-budget report showed the CIA taking 56 percent of the intelligence black budget, about 14.7 billion dollars a year with no public line items. Extreme Abuse Surveys recorded 147 survivors who said they were still being accessed against their will. NIH-funded university trials on premature infants were tied to 237 deaths.

In 2026 a House task force reopened MKULTRA, citing 149 subprojects across more than 80 institutions and files destroyed on orders from the top. Survivors still ask why hearings in 1977, 1995, and 2026 have not stopped the money. If Congress keeps writing the checks, the program was never shut down. It was only renamed.

N. Lake Ontario, Finger Lakes, Hunter Biden, Child Trafficking, Money Laundering and Disappearances. …Martial Law on Telegram **Wed. 4 Nov. 2026**

Lake Ontario, now known as Lake America, has always had an unusually high rate of missing children or people compared with other Great Lakes or similarly populated areas

One case is the “Lost Boys of Pickering.” On March 17, 1995, six teenage boys disappeared together near Lake Ontario. Police believed they went onto the lake in a small boat. None of the boys, or their bodies were recovered, and no boat, clothing, or other physical evidence has ever been found. The case remains unresolved more than 30 years later

The Finger Lakes as a whole is a notorious hotspot for child trafficking and disappearances

The elite love to vacation here due to its seclusion

Finger Lakes is where Hunter Biden's mother Nelia was born

There is a submarine base and tunnel system in one of the Finger Lakes called Seneca Lake

Rosemont Seneca was formed in 2009 by Hunter Biden, Chris Heinz, the stepson of former Secretary of State John Kerry, and others. Hunter chose “Seneca” specifically for Seneca Lake

Hunter Biden and Devon Archer joined the board of Ukrainian energy company Burisma in 2014. Burisma payments to Hunter flowed through Rosemont Seneca, according to congressional bank record investigations

Foreign money was being moved through Rosemont Seneca for God knows what.

There is a place called Lucifer Falls in the Finger Lakes

Hunter Biden has a tattoo of the Finger Lakes on his back

Hunter Biden’s companies OWASCO was found making transfers to an unidentified individual. OWASCO is the name of a Finger Lakes as well as his company

Many "abandoned" military bunkers and DUMBS located at the Finger Lakes

I am going to take a wild guess and say changing it's name to Lake America is a signal to the cabal that we know exactly what has been going on here and a signal to bring to light the evil that has been taking place in the dark in these lakes for far too long.

O. HOLLYWOOD DETONATION: Mel Gibson is reportedly preparing to bring explosive evidence before Congress involving Gavin Newsom, Nancy Pelosi, Kamala Harris and powerful California political figures. …Edward Snowden on Telegram **Wed. 4 Nov. 2026**

MEL GIBSON AT THE CENTER OF AN EXPLOSIVE CONTROVERSY Legendary actor and director Mel Gibson is reportedly preparing to come forward with detailed evidence allegedly tied to misconduct involving powerful political and Hollywood figures connected to California elite circles.

According to the circulating account, Gibson claims to possess visitation records, dates, locations, photographic material and video evidence involving influential political figures.

Among the names reportedly expected to be referenced are Gavin Newsom, Adam Schiff, Nancy Pelosi, Kamala Harris, Eric Swalwell, Xavier Becerra and Katie Porter.

The allegations have not been publicly proven in court, and no official charges connected to Gibson's claims have been announced.

Reports also claim Gibson has discussed the matter with President Donald Trump and is preparing to testify before Congress. These claims remain unverified.

A HOLLYWOOD INSIDER CHALLENGING THE ESTABLISHMENT For years, Gibson has criticized corruption inside Hollywood, elite power structures and moral decay within the entertainment industry.

According to sources connected to the story, Gibson believes the alleged material could trigger major political and criminal investigations if formally presented before lawmakers.

Supporters describe the situation as potentially one of the biggest Hollywood-political scandals in modern American history.

TRUMP AND THE "DRAIN THE SWAMP" MOVEMENT According to circulating reports, Trump has reportedly welcomed Gibson's willingness to present his claims publicly.

Supporters frame the situation as part of the "drain the swamp" movement, focused on exposing corruption, elite protection networks and political double standards.

Gibson is being portrayed as a Hollywood insider willing to challenge powerful establishment figures.

POWER, CORRUPTION AND ELITE PROTECTION The controversy raises questions about trust in institutions, elite accountability, political corruption and Hollywood influence.

Many Americans question whether powerful political and entertainment figures operate under different rules than ordinary citizens.

Supporters believe the consequences could become enormous if investigations move forward. Critics urge caution until verified evidence is publicly presented and independently examined.

WILL THE EVIDENCE REACH CONGRESS? Attention is turning toward potential congressional proceedings, possible investigations and whether Gibson's alleged evidence will be presented publicly.

For supporters, the issue represents truth, accountability and exposing elite corruption. For critics, the allegations require substantial evidence and legal scrutiny.

If Gibson presents credible evidence before Congress, the consequences

could be significant. Until then, the allegations remain unverified.

AMERICA IS WATCHING - WHAT, IF ANYTHING, WILL MEL GIBSON REVEAL?

EPSTEIN ISLAND WAS CHILD'S PLAY

P. Israel runs the world's only military prison system built for children. Not adults. Children. The only nation on earth that systematically drags kids as young as twelve into military courts that operate like a factory line of conviction. …JFK Command Center **Wed. 4 Nov. 2026**

The numbers are not hidden. Military court annual reports put the conviction rate at 99.74 percent. Hearings last sixty seconds. Judges convict without looking up. Children shuffle through courtyards in handcuffs and shackles while mothers wait outside walls the army refuses to open. One boy shouted the name of his prison so his mother would know where they were taking him. Stone-throwing draws three months. The process does not require warrants, evidence, or a parent in the room. Confessions come after night raids, blindfolds, and isolation.

UNICEF documented it years ago: threats of death, physical violence, solitary confinement, and sexual assault against the child or a family member. Widespread. Systematic. Institutionalized from the moment of arrest to sentencing. That report changed nothing. The machine kept running.

Recent figures show the scale has expanded. More than two thousand Palestinian children have been detained since October 2023. Hundreds remain inside now. In 2025 alone, prison service data showed 351 of 635 minors placed in solitary confinement. Ninety-two percent had not been sentenced. One hundred fifteen sat in administrative detention with no charges at all. Some children, including boys aged thirteen and fourteen, were isolated up to eight times. The outdoor cages stopped after public pressure during snowstorms. Solitary, night raids, and the conveyor belt did not.

This is not a series of bad apples or wartime excess. It is a standing military system that treats children as security problems to be processed, not people to be protected. The world watches Gaza while the same operation has run for decades in the West Bank. Military judges. Military prosecutors. Military rules. Zero independent oversight. The result is a child factory for the occupation that produces convictions at near-total rates and feeds the broader apparatus of control.

More data is surfacing. More testimonies are locked inside the same walls. The numbers keep climbing. The plan of total control keeps moving. The coming weeks will show whether the machine finally faces what it has always been

So to give you an example, the most recent time that I called 211, I called 5 different times. Every single time that I called, the community resource specialist told me, too bad, that's not my problem, figure it out on your own"

"**I explained to them,** me and my daughter have nowhere to sleep tonight. The DPSS vouchers had ran out. I was on a shelter waiting list. There was nowhere to go. I didn't have a car. What should I do tonight?"

T. Med Bed Treatment:

Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global Military Alliance will soon announce the availability of free Med Bed treatments around the Globe.

The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.

The Re-inhabited Republic for the United States of America was the actual de jure government that our founding fathers gave us, and which was abandoned in 1871 when US Inc, a corporation, took over Washington DC and eventually every level of government in the country.
