Judy Note: Under leadership of President Trump and the Global Military Alliance, the new United States American Constitutional Republic, Global Currency Reset (GCR) and new Global Quantum Financial System (QFS), plus the NESARA GESARA Laws, were in the process of activation and soon to be announced.

The Financial Markets of the World were expected to crash, while the pending change to a gold asset back currencies of 209 nations have been changing the world's financial system, switching from the Globalist Cabal control, while giving The People's Money back to The People. The process has been slow, but permanent.

The GCR was badly needed due to a centuries long control of the world's wealth by the Satan Worshiping, Pedophile Cabal. The World's biggest economies were now broke: the U.S., Canada, Europe, Japan, Israel, U.K., Taiwan, Australia,

and New Zealand couldn't keep up with the debt and their respective economies were falling apart.

The new gold-backed and fully decentralized Quantum Financial System was set to replace the Cabal's corrupt banking system that was based on fiat monies. Such has kept us in debt chains for hundreds of years. Release of a currency backed by gold of the Chinese Elders will get rid of the Cabal's central banks and their criminal control over the world's money.

Space Force has centered on showing the Deep State that they can and will shut down phones, Radio, TV, and media to make room for Project Odin - temporary Military Law and Emergency Broadcast System (EBS) broadcasts that will expose truths of the Satan Worshiping Deep State Cabal that has ruled the Earth since at least the 1600's by taking over the Global Monetary System.

Expect a Global Blackout soon. According to the Fri. 6 Nov. 2026 Quantum Financial System post on Telegram, Law enforcement were recently informed that they needed to prepare for it.

A. Judy Note: They have said we will be notified to set our currency exchange appointments by a secure website. Many readers have asked me what that was. Truthfully, I don't have a clue. I'm sure they've worked out how to safely contact us, but I don't know how, where or when. There are many fraudsters out there who are hitting on Us, the Internet Group. I would caution you to not give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

https://telegram.me/qfs_now

On Fri. 6 Nov. 2026 the gold-backed Quantum Financial System completed the final public lock under OPERATION-JUBILEE-DAWN-1106 as every remaining sovereign ledger across 209 nations confirmed absolute zero balances on mortgages student loans credit cards and hospital bills while Rainbow Units settled the first wave of merchant transactions in under three seconds outside every legacy rail.

Structured payouts continued flooding Tier4B quantum wallets overnight as birth certificate bond reimbursements hit full value calculated from every stolen tax dollar since 1971 and the Federal Reserve charter stayed permanently expired with no renewal path left open.

The Restored Republic confirmed that income tax vanished forever replaced only by a fair consumption tax on non-essentials while Fort Knox gold plus the recovered cabal assets from Vatican tunnels Bank of England and Basel now back every transaction in real time.

The Emergency Broadcast System window locked into the final activation sequence as Starlink nodes prepared the ten-day blackout sequence for the weekend with three daily eight-hour documentaries set to loop uncensored tribunal footage of the thousand names already in custody. Project Odin quantum internet mesh stayed fully insulated from any deep-state interference while Space Force assumed full control of air traffic overnight. Mass arrests of the remaining pedophile rings accelerated under military escort as sealed indictments detonated across the continents and the old SWIFT nodes went dark forever.

Trump's Global Military Alliance sealed the final gates on the private cartel as the Restored Republic under the original Constitution opened the public interface for general onboarding starting this weekend.

Quantum ID Cards prepared for issuance on Mon. 9 Nov. 2026 while every sovereign citizen received the silent jubilee inside their biometric wallet.

Deep-state bankers who thought they still controlled the float watched the gold reserves move under US protection as EU finance ministers resigned in real time and the petrodollar collapsed completely.

ISO 20022 rails carried every sovereign settlement without interruption as the old fiat matrix burned out and the Golden Age ledger locked forever. The old system never returns. The Light holds. The Plan is complete. Freedom locked forever.

M. THE 800# ROTATION, WHY SOME NUMBERS WORK AND OTHERS DON'T … t.me/OfficialMilitaryProjectODIN on Telegram **Fri. 6 Nov. 2026**

At 10:44 EST, a regional redemption hub sent an internal confirmation through the encrypted channel. It was not meant for the public. It was meant for the operators. But I saw it. And I am telling you what it said. It said: "Rotation cycle 3 is complete. Cycle 4 begins at 20:00 EST. Numbers from cycle 1 and 2 are now dormant."

WHY SOME NUMBERS WORK AND OTHERS DON'T:

1. THE ROTATION IS NOT RANDOM

• **The 800# numbers rotate in cycles**. Each cycle has 47 numbers. Each cycle lasts 24 hours

• **When a number is used,** it is retired. Not because it is broken. Because it has served its purpose

• **The numbers that work** are the numbers in the current cycle. The numbers that don't are from the last cycle. They are dormant. They will not answer

2. THE FIRST BATCH IS THE FASTEST

• **The first batch of numbers in each cycle** connects in under 30 seconds. The operators are fresh. The lines are clear

• **The second batch connects** in under a minute. The operators are still there. The lines are still clear

• **The third batch connects** in under two minutes. The operators are tired. The lines are busy. But they answer

3. THE LAST BATCH IS THE SLOWEST

• **The last batch of numbers** in each cycle connects in five minutes or more. Sometimes they do not connect at all

• **This is not a failure.** This is the system protecting itself. The last batch is for the patient. The patient wait. The impatient call a dead number and blame the system

WHAT TO DO WHEN YOUR NUMBER IS DORMANT:

• **Do not call it again.** A dormant number stays dormant. Calling it again does not wake it up. It only wastes your time

• **Do not call the next number on the list**. The next number is not in the current cycle. It is in the next cycle. It will not answer until the cycle begins

• **Wait for the next rotation**. The next rotation is announced through the encrypted channel. Not on social media. Not in a group chat. Through the channel

• **If you do not have the channel**, you do not have the rotation. You have only the list. And the list is always one cycle behind

WHAT TO DO WHEN YOUR NUMBER IS LIVE:

• **Call once.** If it does not connect in two minutes, hang up. Do not redial. Do not redial again. The system does not reward redialing

• **Have your code ready**. Have your ID ready. Have your pen and paper ready. The call is short. The call is scripted. The call is not a conversation

• **Do not call from a noisy room**. Do not call from a car. Do not call while walking. The operator needs to hear you. The system needs to hear you

For years, people have been told that the 800# numbers are a myth. That they will never go live. That no one will ever answer.

N. THE STARLINK QUANTUM TAKEOVER IS COMPLETE. 11 MILLISECONDS. EVERY NODE ON EARTH. THE GRID IS LOCKED. …Mr. Pool on Telegram **Fri. 6 Nov. 2026**

On November 6, 2026 (just hours ago this morning) the Starlink quantum mesh network was locked into full operational control of the global communication grid.

The tech networks are calling it a "network optimization." A "routing upgrade." A "service expansion." THEY ARE LYING TO YOU BECAUSE THE GRID IS NOT BEING OPTIMIZED. IT IS BEING SEIZED.

What they are hiding in total panic: At exactly 03:00 AM Eastern this morning, the 10,413 Starlink satellites - the constellation that was sold to the public as an internet service for rural areas - were switched from their public routing layer to the quantum mesh that has been under development for years. Every node on earth is now reachable within 11 milliseconds. Not 11 seconds. 11 milliseconds. The architecture that was completed in Q4 2025 is now fully activated. No press conference. No FCC approval. No explanation.

THE PLANETARY COMMAND GRID IS LIVE.

For decades, the Starlink constellation was sold as a commercial internet service. But beneath the public facade, it was always a dual-use architecture. The same satellites that provided internet to farmers and boats were also the backbone of the classified Starshield network - the military grid that was built to serve the kill chain. The public layer was the cover. The quantum layer was the weapon.

Here is what the Starlink quantum lock is actually triggering behind the scenes right now:

- **The Global Reach:** Every node on earth - every server, every device, every communication hub - is now reachable within 11 milliseconds. The old internet was built on fiber-optic cables that took 70-100 milliseconds to cross the Atlantic. The new grid is instantaneous. The distance has been erased.
- **The Censorship Nullification:** The old media networks that tried to block the signal - the corporate servers, the platform algorithms - cannot operate on the quantum mesh. They are not being shut down. They are being bypassed. The censorship that was built into the old internet is no longer possible.
- **The Broadcast Ready:** The emergency broadcast system that was hijacked on October 27 is now fully integrated into the quantum mesh. The truth can be streamed to every screen on earth simultaneously, in 11 milliseconds. The infrastructure is not being prepared. It is already loaded.

You don't lock 10,413 satellites into a quantum mesh unless you are ready to shut down the old internet and broadcast the truth to every person on the planet at the same time.

They told you it was for internet. They called you crazy for questioning the constellation. They laughed when you said it was a weapon.

Look at the sky tonight. The satellites are still moving. But the grid they serve is not the same. The public layer is gone. The quantum layer is live. The old internet is not being destroyed. It is being bypassed.

The grid was never for your phone. It was for the broadcast.

O. GLOBAL CURRENCY RESET: INSIDE THE REDEMPTION OPERATION …Nesara Gesara QFS on Telegram **Fri. 6 Nov. 2026**

The RV Redemption has begun. The NDAs are real. The post-redemption

plans are locked. What you are about to read is the uncompromising truth about the Redemption Centers - the only gateways for the public under NESARA/GESARA protocols.

Banks are NOT your path. Elites use them. We, the people, go through Redemption Centers, even if they have a bank name slapped on the building. Here, rates are higher, and you walk out with **QPhones**, **QLaptops**, **Quantum ID Access Cards**, **Rainbow Currency**, **debit cards**, **checks** and even a temporary trust if your humanitarian project template is ready. This template, approved at the White House, was designed for those chosen to restore humanity.

Backbone of this operation:

Reclamation – returning stolen wealth seized by the Deep State, Cabal, and bank cartels. Restitution/Reparation – undoing decades of unconstitutional theft: taxes, interest, property seizures, debt slavery.

Redemption – the exchange of currencies/ZIM bonds at rates never meant for public eyes. Only a fraction is for personal use - the rest fuels humanitarian projects.

ZIM bonds are gold-backed. Dinar, Dong, and others hit double-digit rates.

Global Financial System

P. The 1929 Great Depression Was Engineered by the Fed and They're Doing It Again But Way Bigger …Nesara Gesara Activated on Telegram **Fri. 6 Nov. 2026**

Milton Friedman exposed how the Federal Reserve helped turn a crash into an economic catastrophe. Now look at what's unfolding nearly a century later:

U.S. Treasury yields breaking records, oil spiking, Governments deliberately testing cyberattacks on banking system and The GENIUS Act is laying the groundwork for a stablecoin-powered financial system.

G7 countries announced that they are now preparing for a major AI cyberattack on the banking system.

Morgan Stanley, Bank of America, JPMorgan, and Wells Fargo detected unauthorized AI agents accessing customer accounts and attempting to act without user instructions.

These aren't isolated risks, but the ingredients of a manufactured financial collapse?

Crash the old system. Destroy public confidence. Introduce blockchain-based financial infrastructure as the rescue. A crisis becomes the justification for a financial reset.

The internet and the banking system will be shut off for the transition to the new stablecoin economy.

A new surveillance system is being opened without naming it CBDCs.

Private digital identities. Zero-knowledge proofs. A financial system where you can prove who you are without exposing who you are.

A future of complete on-chain financial privacy and almost nobody is paying attention.

Be prepared for the new financial system. It's always followed by an engineered crisis.

Q. CONFIRMED: THREE CENTRAL BANKS HAVE QUIETLY CLOSED THEIR DOLLAR SWAP LINES …Christian B. Wallace Tier4b on Telegram **Fri. 6**

Nov. 2026

A sovereign banking coordination office sent an internal closure notice through the encrypted channel at 12:04 EST. It said: "Swap line closures confirmed. Three central banks. Effective 11:00 UTC. No replacement requested."

WHAT ACTUALLY HAPPENED:

1. THE CLOSURES

• **Three central banks closed their dollar swap lines** this morning. Not suspended. Closed. The lines that allowed them to borrow dollars in a crisis are gone

• **The closures were not announced**. They were logged. The difference matters. An announcement is a signal. A log is a fact

• **No replacement was requested.** That is the part that matters most. A bank that closes a swap line and asks for another is hedging. A bank that closes one and asks for nothing has already found an alternative

2. WHY THIS MATTERS

• **Dollar swap lines were the plumbing of the global financial system.** When a foreign bank needed dollars, it borrowed them through a swap line. When the swap lines close, the plumbing is removed

• **The banks that closed their lines** are not in crisis. They are in transition. They have already connected to the QFS rails. They do not need the dollar plumbing because they are no longer using dollars

• **The dollar's role as the world's reserve currency** was built on the swap line network. When the network shrinks, the role shrinks. Quietly. Permanently

3. WHAT REPLACES IT

• **The QFS provides direct settlement in Rainbow Units**. No swap line needed. No correspondent bank needed. No dollar needed

• **The central banks that closed their lines** are now settling directly with each other. The settlement takes seconds. The old system took days

• **The dollar is still used for domestic trade** in the United States. For now. The international plumbing is what is being removed

WHAT TO WATCH FOR:

• **A fourth central bank** that quietly closes its swap line without a statement

• **A financial publication** that notices the closures a week late and calls them "technical adjustments"

• **A Treasury official** who uses the word "confidence" more than once in the same sentence

For 80 years, the dollar swap line network was the backbone of global finance. This morning, three banks removed their connection to it. And asked for nothing in return.

R. Global Transition To Freedom:

MAJOR ECONOMIC INTEL UPDATE, NESARA PAYOUT OPERATIONS CONFIRMED ACTIVE….Global QFS Alliance on Telegram **Fri. 6 Nov. 2026**

S. THE JANUARY 2027 RESET IS REAL AND UNDERWAY

The long-anticipated financial transition is no longer theoretical. Multiple internal channels have now confirmed that the early stages of NESARA-related

payouts have quietly begun, synchronized with Treasury systems and military oversight. The operation is unfolding exactly as planned: silently, strategically, and ahead of the public narrative.

With January 2027 approaching, the timing is deliberate. The reset is not a policy shift or a currency adjustment; it is a structural reconstruction of the American financial system. Back-end systems have been aligning for months in preparation for this moment.

This phase includes:

• **The controlled wind-down** of fiat mechanisms
• **The seizure and repurposing** of off-ledger elite accounts
• **The dismantling of long-standing globalist** debt structures
• **The integration of asset-backed financia**l architecture

Every major institution is aware of what is happening: banks, Treasury divisions, and global financial bodies - yet none will publicly acknowledge it at this stage. The transition is designed to execute without mass panic or premature speculation.

AMERICA IS ENTERING ITS LARGEST ECONOMIC TRANSFORMATION IN MODERN HISTORY

For decades, citizens were bound by a system engineered around inflation, compounding debt, hidden taxation, and centralized control. That system began unraveling when the new administration took office in January 2026, and what we are seeing now is a continuation of that coordinated teardown.

NESARA protocols are activating in layers:

• **Debt-forgiveness algorithms** are already present in internal systems
• **Gold-backed recalibration** modules are running through Treasury channels
• **Off-shore recovery orders** are funneling seized capital back into controlled redistribution streams
• **Clearance procedures** that once depended on legacy banks now operate on quantum-secured ledgers

None of this will be explained on mainstream channels, but the infrastructure is already functioning.

WHAT HAS BEEN CONFIRMED SO FAR

Inside restricted-access financial corridors, several developments are already verified:

• **Over 93,000 accounts** have entered clearance review ahead of disbursement
• **Redemption centers** have been moved into operational readiness for December–January intake
• **QFS synchronization levels** remain above 92% stability
• **Initial redistribution pathways** are now active and routing successfully

These are not projections. They are occurring behind the scenes in real time.

WHY THE HOLIDAY TIMING MATTERS

The current window, late November through Christmas 2026, was chosen intentionally. During this period, public attention is fragmented and the nation’s energy is focused on family, travel, and celebration. It is the ideal moment for Treasury, DoD, and civilian clearance teams to finalize the structural components of the new financial era without interference.

The coming weeks are not about celebration alone, they are about positioning. Those who have followed the signals understand the magnitude of what is unfolding.

The January 2027 transition is not approaching. It is already in motion.

T. UPCOMING TRANSMISSION: THE QUANTUM INTERNET IS HERE, AND IT'S REPLACING THE OLD WEB…Mr. KidPool on Telegram Fri. 6 Nov. 2026

An internal test confirmation was recently transmitted through an encrypted quantum coordination channel: "Quantum internet test phase one complete. 3 nodes established. Zero latency. Zero interception. Public rollout window: Day 6 of broadcast."

WHAT THE QUANTUM INTERNET ACTUALLY IS

1. The Mechanism

The Legacy Web: Operates on physical servers, switches, and fiber-optic cables. Every routing point creates a vulnerability, and every vulnerability is an entry point.

The Quantum Web: Powered by quantum entanglement. Data doesn't travel through space—it instantly manifests. Because there is no physical path, interception is fundamentally impossible.

The Breakthrough: Phase one tests achieved absolute zero latency and zero interception.

2. Why the Legacy Web Is Ending

The current internet was made with central points of control, allowing for monitoring, filtering, and data capture.

The Quantum Internet is decentralized by nature. It cannot be monitored, altered, or blocked—there is no single authority or server to shut down.

The legacy web won't crash; it will simply be phased out quietly and permanently, much like legacy banking systems.

3. What to Expect During the Transition

Access Point: Hardware will pivot toward specialized Quantum Mobile Devices.

First Release: The initial public interface will launch alongside the QFS public dashboard on Day 6. Financial infrastructure deploys first; general web communications follow.

Coexistence: The old web will remain operational temporarily, but it will quickly become obsolete as users migrate.

SIGNS TO WATCH FOR

Global Network Throttle: A simultaneous, worldwide "slowdown" across providers—indicating legacy networks are being deprioritized.

Unsolicited Protocols: System-level updates or new connectivity protocols appearing on your devices.

Vague ISP Notices: ISP announcements regarding major "network updates" without specific technical details.

The old web was built to be monitored. The quantum web is built to be free.

U. WOW! Nick Shirley just dropped a bombshell: NGOs got HUNDREDS OF MILLIONS in taxpayer dollars to traffic thousands of children across the United States …Gitmo TV on Telegram **Fri. 6 Nov. 2026**

"What happened to all of the children?" SHE RUNS AWAY

One NGO alone got $895 MILLION in contracts, while others pulled in $100M.

Flight attendants watched 5 to 10 kids at a time get put on planes every day! THIS IS CRIMINAL.

A DHS watchdog found in 2024 that ICE couldn't track the whereabouts of more than 291,000 of these children. We all know why.

V. Jeffrey Epstein & Epstein Island Are Just The Beginning …Mel Gibson on Telegram **Fri. 6 Nov. 2026**

"They pay a fortune to spend time with a CHILD. Everything's arranged with a medical team. They know the child will not survive"

From the documentary EYES OF THE DEVIL: "The kids clients are very rich. They even come in their own private jets & helicopters from f*ck knows where. They are picked up at different locations. Filthy rich. They pay a fortune to spend time with a CHILD. Everything's arranged with a medical team. They know the child will not survive.. and if it becomes crippled for life, nobodies going to look after it so it automatically becomes an organ donor. These brothels have branches ALL OVER THE WORLD, with operating rooms. They are highly security sites. Few people know about them. They're no regular brothels. We're talking about huge money here. So… they are perfectly organized. It's not just some dude or madam sitting there."

"It's all professionally set up. Like a corporation? Yes, like a corporation. As complex as a corporation. There must be a medical team on standby. Someone must look after those kids. Someone must organize.. the transplants.. and everything. There must also be someone that helps them search clients for the organs out."

"It will continue. The demand is HUGE and it won't change"

Jeffery Epstein, Ghislaine Maxwell & Epstein Island was just the beginning. Child trafficking, child organ trafficking, human trafficking goes all the way to the top… and it's everywhere.

Y. THE HACKER KNOWN AS 4CHAN EXPLAINS THE REAL REASON FOR THE WAR AGAINST IRAN ! …Julian Assange on Telegram **Fri. 6 Nov. 2026**

The war with Iran isn't what you think. Iran isn't an insolvent pariah state. Iran is the primary source of uncovered liquidity for the shadow banking system. London is the hub; Tehran is the offshore battery.

The IRGC's (IRGC) energy credits aren't sold—they're traded for vostro credits in mid-sized Omani banks. These credits are bundled into synthetic bonds backed by collateral. They hit London's repo desks as high-quality collateral to secure short-term loans. Without this 24/7 influx of energy-backed 'dark' paper, the City of London's leverage ratios would collapse.

The 2026 war against Iran rests on two factions of the global elite clashing. Their fight has moved from boardrooms to kinetic events, which we can also see in other seemingly unrelated 'accidents,' in the form of private transport crashes and security breaches among world leaders.

Faction A: The old money central bankers, they aim to keep the Iran loop open at all costs. They know the Western debt-to-GDP ratio is terminal. They use parallel trade to suppress domestic inflation and keep the repo market from seizing up. For them, a nuclear deal is just a legal patch to keep the 'detergent' flowing.

Faction B: The Silicon Valley neo-feudalists, they aim for kinetic escalation and regime change. They want to force a global default and a 'Great Reset' to shift everyone onto a fully traced CBDC ledger.

They're attacking the Iran loop because it's un-traced and gives old money a way to survive without their tech.

There's no blockade—it's a monopoly. Sanctions aren't walls; they're tolls. They create a compliance tax that ensures only the top 5 banks can handle the volume.

Seizing Iran's central bank is first and foremost about wiping out the last off-network gold reserves. If the Iran loop breaks, London will face a 30% liquidity haircut in under 48 hours, visible through a shift in the gold-to-oil ratio. Escalation will likely involve cutting undersea cables.The system is cannibalizing its own infrastructure to stay alive."

Za. Med Bed Treatment:

Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global Military Alliance will soon announce the availability of free Med Bed treatments around the Globe.

Zb. On Fri. 6 Nov. 2026 Global Healing Centers completed the first public demonstration lock under OPERATION-HEAL-JUBILEE-1106 as Executive Order 2026-1947 opened the quantum chambers to priority groups across every sovereign nation. …QFS on Telegram **Fri. 6 Nov. 2026** https://telegram.me/qfs_now

Holographic scans diagnosed and cured in minutes while regenerative fields restored tissue and limbs and re-atomization rebuilt entire bodies from the cellular level as the first European center treated fourteen patients with zero complications and children entered first. Age-reversal protocols continued restoring DNA strands locked by Rockefeller elites while chronic pain vanished for those who walked into the chambers under military protection.

The Restored Republic confirmed that free public access prepares for full rollout on **Mon. 9 Nov. 2026** as Quantum ID Cards link every medical record to the sovereign ledger and Big Pharma patents release under the six thousand suppressed technologies now flooding the open quantum mesh.

Hospital bills stayed at absolute zero from the Debt Jubilee executed the day before while medical prisons lost power overnight and the Ninth Circle facilities went dark forever. Starlink EBS prepared the healing documentaries for the ten-day sequence while Project Odin nodes broadcast the end of the old system without interruption.

Trump's alliance sealed the final gates as the Light Event held the chambers open for the people. Plasma fields re-calibrated every organ in real time as the Global Military Alliance escorted the first wave of walk-outs from seized hospitals and the suppressed Med Bed technology flooded every sovereign nation under the Restored Republic. Scalar waves erased the old disease matrix overnight while the quantum mesh prepared full public booking access for the weekend sequence. Regenerative chambers restored limbs and reversed decades of aging as the first priority groups walked free under military escort and the old medical system collapsed forever.

The Golden Age of healing locked into every sovereign ledger as the Restored Republic confirmed the end of all pharmaceutical tyranny and the Light Event held every chamber open for the people while the quantum mesh prepared the full weekend sequence of public demonstrations. The old system never returns. The Light holds. The Plan is complete. Freedom locked forever.

Zc. CONFIRMED: THE FIRST MED BED CENTER HAS OPENED IN EUROPE, HERE IS WHAT HAPPENED ON DAY ONE …Christian B. Wallace Tier4b ISO20022 **on Telegram 11-6-2026**

A quantum health coordination center sent an internal day-one report through the encrypted channel at 19:52 EST. It said: "First European center operational. 14 patients seen. Priority order followed. Zero complications."

WHAT HAPPENED ON DAY ONE:

1. THE PATIENTS

• **14 patients were seen on the first day.** The priority order was followed exactly: children first, critically ill second, veterans third

• **The first patient was a 9-year-old** with a condition that traditional medicine had classified as permanent. The child walked out of the room without the condition

• **The second patient was a 67-year-old** with a terminal diagnosis. The diagnosis was reversed in 22 minutes. The patient is being monitored. The monitoring is a formality

2. THE PROCESS

• **The Med Bed is not a machine** that does something to you. It is a device that allows your body to do what it already knows how to do. The body does the healing. The bed removes the interference

• **The process takes minutes**, not hours. There is no recovery time. There is no medication. There is no follow-up

• **The patients are not sedated.** They are not unconscious. They are awake. They feel warmth. They feel calm. They feel something being lifted

3. WHAT THE STAFF ARE SAYING

• **The staff are not doctors.** They are technicians. They were trained for two weeks. They do not diagnose. They do not prescribe. They operate the bed and they monitor the patient

• **The technicians are not allowed** to discuss the technology. They are not allowed to explain how it works. They are allowed to say one thing: "It works."

• **A single line appeared** on the coordination terminal at 19:47 EST: "14 patients. 14 outcomes. 0 complications."

WHAT TO WATCH FOR:

• **A hospital that suddenly closes a wing** without explanation. That is not a budget cut. That is a Med Bed center being prepared

• **A "miracle recovery"** that cannot be explained by traditional medicine. That is not a miracle. That is the protocol

• **A technician who suddenly stops** talking about their job. That is not shyness. That is the NDA

Ze. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.
https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
