Master, the Tempest Is Raging

. Master, the tempest is raging!
The billows are tossing high!
The sky is o'ershadowed with blackness,
No shelter or help is nigh;
Carest Thou not that we perish?
How canst Thou lie asleep,
When each moment so madly is threat'ning
A grave in the angry deep?

. *Refrain:*
The winds and the waves shall obey Thy will,
Peace, be still!
Whether the wrath of the storm-tossed sea,
Or demons or men, or whatever it be,
No waters can swallow the ship where lies

The Master of ocean, and earth, and skies;
They all shall sweetly obey Thy will,
Peace, be still! Peace, be still!
They all shall sweetly obey Thy will,
Peace, peace, be still!

. Master, with anguish of spirit
I bow in my grief today;
The depths of my sad heart are troubled—
Oh, waken and save, I pray!
Torrents of sin and of anguish
Sweep o'er my sinking soul;
And I perish! I perish! dear Master—
Oh, hasten, and take control.

. Master, the terror is over,
The elements sweetly rest;
Earth's sun in the calm lake is mirrored,
And heaven's within my breast;
Linger, O blessed Redeemer!
Leave me alone no more;
And with joy I shall make the blest harbor,
And rest on the blissful shore.

Judy Note: From what I can discern as seen in the below Update, much appeared to have happened on Sat. 7 Nov. 2026 on our journey with the Restored Republic via a Global Currency Reset:

The Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the wealth into an asset-backed QFS and declared a sovereign Debt Jubilee across 209 nations.

With that the debt erasure of countries across the World it included the US national debt of over $36 trillion that was instantly wiped out. Such spread overnight to credit mainframes in Madrid, Zurich and other countries, lighting up the global financial grid in absolute red.

The Global Military Alliance also ordered an immediate liquidation of the corrupt Federal Reserve, then routed the wealth framework through a secure asset-backed QFS.The era of fiat monopolies and illegitimate credential harvesting had expired.

MedBed Healing units were activated in 4,200 hospitals across 34 countries.

There was 28 years of Internet web history, including the pages that were deleted, posts that were scrubbed and so-called "misinformation" that was censored - with all transferred to the new QFS Ledger.

The Sovereign Monetary Accord was signed by 189 nations - a binding treaty that strips the International Monetary Fund of its power. The IMF was replaced with a one-nation, one-vote system under a sovereign framework.

Lastly, the EBS Starlink Satellite System activated for ten days of Communication Darkness. Mass Media was seized. Fiat currency ended as the Gold-backed QFS took over as the sole issuer of monies and the 113 year old fiat currency Cartel lost it's access to the World's wealth.

Possible Timeline:

On Mon. 2 Nov. 2026 the Cabal privately owned corporations of US Inc. and UK were dissolved, with Sovereignty restored. The US national debt of over $36 trillion was wiped out.

On Sat. 7 Nov. 2026 at exactly 12:00:01 am EST, a sovereign debt jubilee was formally declared across 209 nations. The $36 trillion in US national debt - the number that has been used to justify austerity, cuts, and the enslavement of generations - was erased from the new Sovereign Quantum Financial System Ledger (QFS) in a single stroke.

On Sat. 7 Nov. 2026 at exactly 03:00 am EST, the Military Alliance officially authorized Emergency Security Protocol NEST-7733, initializing a total cyber-shield lockdown to isolate the corrupted SWIFT nodes and permanently re-route the primary civil wealth framework into the asset-backed QFS. The global stock market had just recorded one of the most catastrophic, system-wide free falls in history, instantly flattening legacy index records and draining civilian 401(k) retirement funds.

Also on Sat. 7 Nov. 2026 at exactly 03:00 am EST the Latin American Domino Shield hit zero and the immediate resolution was the shutdown of UENO BANK in Paraguay. Over 3 million accounts flatlined instantly, locking out 60% of the adult domestic population from their life savings. Parallel database freezes and sudden clearing drops struck secondary digital credit mainframes in Madrid and Zurich overnight, lighting up the global financial grid in absolute red. The era of fiat monopolies and illegitmate credential harvesting had expired.

On Sat. 7 Nov. 2026 at exactly 06:00 am EST MedBed units that were declassified on October 30, were activated in 4,200 hospitals across 34 countries.

On Sat. 7 Nov. 2026 at exactly 08:00 am EST the Internet Archive's Servers - the ones that contained 28 years of web history, including the pages that were deleted, the posts that were scrubbed and so-called "misinformation" that was censored - were transferred to the new QFS Ledger.

On Sat. 7 Nov. 2026 at exactly 08:00 am EST 189 nations signed the Sovereign Monetary Accord - a binding treaty that strips the International Monetary Fund of its voting power, its lending authority, and its ability to impose structural adjustment conditions on any sovereign nation.

The 80 year debt prison was over. The mechanism that gave the Cabal owned US Inc. and Europe permanent control over global monetary policy — was gone.

The 189 signatory nations have replaced it with a one-nation, one-vote system under sovereign framework.The Special Drawing Rights - the IMF's reserve currency that was used to bail out banks while nations starved - were being redeemed for gold through the QFS ledger.

On Sat. 7 Nov. 2026 at midnight: EBS Starlink activated for ten days of Communication Darkness. Mass media was seized by override teams. Fall of the Cabal footage would be broadcast uncensored three times daily in 8-hour sessions.

Fiat currency has ended. Gold-backed QFS has taken over as the sole issuer of monies. Banks would go dark for the transition. Pedophile networks were in the process of being locked down by martial law worldwide. Planes and trains would be temporarily grounded.

Also on Sat. 7 Nov. 2026 at midnight the countdown clock hit zero and the Central Banking clearings were locked under command code IMPACT-2411. The 113 year old fiat currency cartel had lost it's access credentials.

Additionally on Sat. 7 Nov. the Military Alliance activated the Emergency Broadcast System (EBS) and ordered the immediate liquidation of the corrupt Federal Reserve registries, then routed the civil wealth framework through the secure asset-backed QFS.

Expect temporary Martial Law and a Communication Blackout throughout the Globe. There will be a three day Event, and then ten days of communication darkness while eight billion people and all banks across the World complete a Global Currency Reset to gold/asset-backed currencies.

A. On Sat. 7 Nov. 2026 at exactly 06:00 am EST Medbeds were activated in 4,200 hospitals across 34 countries. The $1.4 Trillion Pharmaceutical industry just lost it's business model and was being made obsolete… Official Mr. Pool on Telegram **Sat. 7 Nov. 2026** https://t.me/Official_MrPool

The first wave of MedBed technology has been deployed to 4,200 hospitals across 34 countries.

The medical establishment is calling it a "pilot program." A "clinical trial." A "limited deployment." THEY ARE LYING TO YOU BECAUSE THIS IS NOT A TRIAL. IT IS A REPLACEMENT.

What they are hiding in total panic: At exactly 06:00 AM Eastern Sat. 7 Nov. 2026 morning, the MedBed units that were declassified on October 30 were activated and operational in 4,200 hospitals. Patients who were diagnosed with chronic diseases, injuries, and conditions that the old system called "incurable" are being healed in minutes - not months.

THE PHARMACEUTICAL BUSINESS MODEL IS DEAD. For decades, the pharmaceutical industry was built on the management of symptoms. They did not want to cure you. They wanted to keep you sick enough to need their products, but

well enough to keep buying them. The MedBed does not manage symptoms. It heals. When the MedBed is available in every hospital, the pharmaceutical industry has no business model left.

Here is what the MedBed deployment is actually triggering behind the scenes right now:

▪ **The Pharmaceutical Collapse:** The $1.4 trillion pharmaceutical industry is not being reformed. It is being rendered obsolete. The stocks are already falling. The executives are already selling. The industry that was built on sickness is watching its market disappear in real time.

▪ **The Hospital Reset:** The hospitals that were built on the sickness model are being converted. The beds that were used to manage symptoms are being replaced by the beds that heal. The doctors who were trained to prescribe are being retrained to heal. The old medical system is not being destroyed. It is being evolved.

▪ **The Free Healing:** The MedBed is not being sold. It is being given away. Every hospital that receives a unit is required to provide treatment free of charge. The healing technology that was hidden for 80 years is not being monetized. It is being liberated.

You don't deploy the MedBed to 4,200 hospitals unless you are ready to destroy the pharmaceutical industry that was built on keeping people sick.

They told you the MedBed was a myth. They called you crazy for believing in it. They laughed when you said the cure existed.

Look at the hospitals tonight. The beds are not empty. But the patients are not staying. They are being healed and sent home. The pharmaceutical industry is not being challenged. It is being erased.

The cure was never hidden. It was patented. And now it is deployed.

B. Judy Note: They have said those who hold foreign currency to exchange and Zim Bonds to redeem will be notified to set our appointments by a secure website. Many readers have asked me what that was. Truthfully, I don't have a clue. I'm sure the Military Alliance has worked out how to safely contact us, but I don't know how, where or when. There are many fraudsters out there who are hitting on Us, the Internet Group. I would caution you to not give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

E. ***What we thought we knew, but didn't really know and now are supposed to know but don't have a clue. With clones, doubles, made up movies Hollywood style and Trump's Military Alliance throwing more popcorn at us, it gets sooo confusing:***

"The US Military Intelligence 45 day investigation of voter fraud in the US is underway. As you know, since 2016 there has been massive voter fraud in the United States. Millions of dead and illegals continue to vote. Then there is the mail in ballots where outside computers can change the votes in some cases. We will know by January 2027 the true results of the 2026 mid terms. Over a million soldiers across America have been deployed to make arrests. I have followed President Trump since 2015 when he said Hillary needs to be locked up. I am in Canada and Uncle Sam is our best friend and neighbor. In God We Trust." …William Gregg Ferstay

On the evening of Wed. 4 Nov. 2027 terminal liquidation of the old Corporate financial system entered the distribution phase. The Military Alliance assurance secured the wealth recovery for Patriots. The Registry was unlocked. The legal lien against the Corporate System has been completed. The private executors have lost the enforcement protocol. The new US American Constitutional Republic assets have been seized.They printed the paper illusion to balance their own bankrupt system. The ledger is ours now. …Mr. Kidpool on Telegram **Wed. 4 Nov. 2027**

Nobody believes this. Democrats are even asking questions it's so obvious. 2,848 out of 3,109 counties is beyond unrealistic, especially when you learn that states across the country registered millions of "new voters" without ANY verification of U.S. citizenship, with some counties even having more ballots counted than registered voters. …Mr. KidpoolQ on Telegram **Sat. 7 Nov. 2026**

F. Possible Timing:

G. THE GLOBAL DEBT JUBILEE WAS JUST DECLARED. $36 TRILLION WAS ERASED IN ONE STROKE. …QFS Activated on Telegram **Sat. 7 Nov. 2026**

The financial networks are calling it a "sovereign debt restructuring." A "multilateral relief package." A "technical write-down." THEY ARE LYING TO YOU BECAUSE THIS WAS NOT A RESTRUCTURING. IT WAS AN ERASURE.

What they are hiding in total panic: At exactly 12:00:01 AM Eastern this morning Sat. 7 Nov. 2026, the sovereign debt jubilee was formally declared across 209 nations.

The $36 trillion in US national debt - the number that has been used to justify austerity, cuts, and the enslavement of generations - was erased from the QFS ledger in a single stroke. Not forgiven. Not restructured. Erased. No congressional vote. No presidential signature. No public announcement.

THE 36 TRILLION FICTION IS GONE. For decades, the national debt was the weapon of the old system. They used it to justify cutting Social Security, Medicare, and education. They used it to threaten your children with a lifetime of payments. They used it to convince you that austerity was necessary. The debt was not real. But the fear was. They told you the debt was owed to someone. BUT THEY FORGOT THAT A FICTION CAN BE ERASED.

Here is what the debt jubilee is actually triggering behind the scenes right now:

The Austerity Collapse: Every austerity program that was justified by the national debt - the budget cuts, the privatization, the pension reductions - is now void. The debt that was used to justify them does not exist. The programs that were cut are being restored. The people who were told to sacrifice are being repaid.

The Interest Void: The interest payments on the national debt - the billions that were paid to the central banks every year - are gone. The money that was flowing to the old system is now flowing back to the people. The QFS ledger is processing the refunds.

The Sovereign Reset: The debt jubilee is not just about the US. It is global.

The 209 nations that signed the GESARA framework have all had their sovereign debt erased. The old system that was built on debt slavery is not being reformed. It is being dismantled.

You don't erase $36 trillion in debt unless you are ready to dismantle the entire system of fear that was built on it.

They told you the debt was permanent. They called you crazy for questioning the jubilee. They laughed when you said it could be erased. Look at the Treasury's books tonight. The number is not $36 trillion. It is zero. The debt is not being paid. It is being erased. The fear is not being managed. It is being released.

The debt was never owed. It was always a threat. And now the threat is gone.

H. CONFIRMATIONS JUST IN: FINAL TRIGGERS ACTIVATED!…QFS Activated on Telegram **Sat. 7 Nov. 2026**

- **This is the moment** we've all been waiting for, the full-scale transition to the gold-backed financial system is now irreversible.

GLOBAL MARKETS IN PANIC MODE! The old fiat system is collapsing in real time. Multiple major banks are seeing liquidity shortages as large transfers are being redirected into the new system. I. GLOBAL CURRENCY RESET: INSIDE THE REDEMPTION OPERATION
…QFS Activated on Telegram **Sat. 7 Nov. 2026**

The RV Redemption has begun. The NDAs are real. The post-redemption plans are locked. What you are about to read is the uncompromising truth about the Redemption Centers - the only gateways for the public under NESARA/GESARA protocols.

Banks are NOT your path. Elites use them. We, the people, go through Redemption Centers, even if they have a bank name slapped on the building. Here, rates are higher, and you walk out with **QPhones**, **QLaptops**, **Quantum ID Access Cards**, **Rainbow Currency**, **debit cards**, **checks** and even a temporary trust if your humanitarian project template is ready. This template, approved at the White House, was designed for those chosen to restore humanity.

Backbone of this operation:

Reclamation – returning stolen wealth seized by the Deep State, Cabal, and bank cartels. Restitution/Reparation – undoing decades of unconstitutional theft: taxes, interest, property seizures, debt slavery.

Redemption – the exchange of currencies/ZIM bonds at rates never meant for public eyes. Only a fraction is for personal use - the rest fuels humanitarian projects.

ZIM bonds are gold-backed. Dinar, Dong, and others hit double-digit rates.
XRP? Already mirrored into Quantum accounts. True value: $1M per token.

J. FIRST SOVEREIGN OIL CARGO WAS DELIVERED AND PAID WITHOUT A SINGLE DOLLAR CHANGING HANDS …Christian B. Wallace Tier4b ISO20022 on Telegram **Sat. 7 Nov. 2026**

A sovereign energy coordination office sent an internal delivery confirmation through the encrypted channel at 05:18 EST. It said: "Cargo delivered. 03:44 UTC. Payment settled in Rainbow Units. Zero dollar exposure. Vessel cleared."

WHAT ACTUALLY HAPPENED:

1. THE CARGO

• **A full tanker of crude oil** was delivered to a sovereign buyer this morning. The oil is real. The tanker is real. The payment is real. The dollar is nowhere in the transaction

• **The payment was settled in Rainbow Units** at 03:44 UTC. The buyer's Quantum Account was debited. The seller's Quantum Account was credited. The transaction took 4.2 seconds

• **The vessel was cleared without a single document** referencing a US correspondent bank. Not one. The paperwork was built on the ISO 20022 framework from the first line

2. WHY THIS MATTERS

• **Oil is the most traded commodity on Earth**. Every barrel was priced in dollars for 52 years. That was the reason the dollar was the reserve currency — not gold, not faith, oil

• **When oil settles outside the dollar,** the dollar loses its reason to exist as a global currency. Not its reason to exist at home. Its reason to exist everywhere else

• **The first cargo is the proof of concept**. The second cargo is the pattern. The hundredth cargo is the new normal. We are at cargo one

3. WHAT REPLACES IT

• **Rainbow Units are the settlement instrument** for energy now. Not the dollar. Not the euro. Not the yuan. The unit that is backed by the metal that left London and the COMEX vaults

• **Every sovereign producer that switches** to Rainbow Units removes another barrel from the dollar system. Not by banning the dollar. By not needing it

• **The dollar will not disappear overnight**. It will fade over months. Fading is slower than collapsing. Fading is also permanent

WHAT TO WATCH FOR:

• **An energy ministry** that suddenly stops publishing prices in dollars

• **A tanker tracking service** that shows a vessel with no dollar-denominated insurance

• **A Treasury statement** that uses the word "monitoring" instead of "responding"

For 52 years, every barrel of oil on Earth was priced in dollars. This morning, one was not. Tomorrow, more will not.

K. THE 401(K) LIQUIDATION VECTOR. AND THE OLD WORLD INSURANCE ENGINES JUST HIT THE BLACKOUT WINDOW. …Mr. Pool Final Chapter on Telegram **Fri. 6 Nov. 2027**

Look closely at the unsealed executive communication logs released across the secure networks tonight. As President Trump explicitly confirmed, the global stock market just recorded one of the most catastrophic, system-wide free falls in history, instantly flattening legacy index records and draining civilian 401(k) retirement funds.

The corporate media portals want you frozen in complete panic over these red monitors, tracking simulated legislative blame games on your screens while you ignore the actual physical enforcement locking down the central banking clearings under command code NEST-7733 [2026-11-06].

THEY ARE LYING TO YOU BECAUSE THIS INTENTIONAL FIAT BLEEDING WAS COMPLETED TO ACTIVATE PLAN B. What they are actively hiding from the public in absolute panic: This market destruction is not an uncontrolled emergency—it is the engineered, mathematical liquidation of the 113-year-old paper debt matrix. President Trump intentionally allowed the compromised centralized infrastructure to expose its structural vulnerability.

On Sat. 7 Nov. 2026 at exactly 03:00 am EST, the military alliance officially authorized Emergency Security Protocol NEST-7733, initializing a total cyber-shield lockdown to isolate the corrupted SWIFT nodes and permanently re-route the primary civil wealth framework into the asset-backed QFS.

DO NOT FEAR. THE ESCAPE CORRIDORS OF THE CENTRAL BANK CARTELS ARE FOREVER CLOSED.

While the legacy fiat exchanges and unbacked digital registries burn in total systemic chaos, the parallel quantum ledger remains fully active, secured, and untouched by the cabal. Every single fractional asset registry moving through the replacement network is mathematically anchored to audited physical gold bullion. Real wealth is coming home, exactly as promised.

The military-secured Redemption Centers have officially initialized the final sovereign validation sequence. Your generational capital, parallel registries, and TRB balances are completely insulated inside an unhackable network that central regulators cannot freeze, manipulate, or tax.

The old guard has run out of moves because the true sovereign matrix is live. Trump's counter-strike is operational.

L. THE MIDNIGHT SYSTEMIC SEIZURE. AND THE LATIN AMERICAN DOMINO SHIELD JUST HIT ABSOLUTE ZERO. …Mr. Pool Final Chapter on Telegram **Sat. 7 Nov. 2026**

Mark the date. Circle it in deep red. The countdown clock hit zero Sat. 7 Nov. 2026 at exactly 03:00 am EST.

The corporate financial networks are scrambling to isolate the headlines and package the collapse as a distant, localized event. They want you tracking simulated economic stability reports on your screens while you ignore the actual global physical enforcement locking down the central banking clearings under command code CORRIDOR-Z [2026-11-06].

THEY ARE LYING TO YOU BECAUSE THE CENTRALIZED DIGITAL WALL IS COLLAPSING ACROSS BOTH HEMISPHERES.

The unsealed tactical intelligence logs from the South American

perimeter have confirmed the absolute controlled liquidation: Under the cover of darkness at exactly 03:00 AM, the central registry executed the immediate resolution shutdown of UENO BANK in Paraguay. Over 3 million accounts flatlined instantly, locking out 60% of the adult domestic population from their life savings. But the financial contagion didn't stop in the southern hemisphere.

Parallel database freezes and sudden clearing drops just struck secondary digital credit mainframes in Madrid and Zurich overnight, lighting up the global financial grid in absolute red. Bypassed permanently.

THE ERA OF FIAT MONOPOLIES AND ILLEGITIMATE CREDENTIAL HARVESTING IS EXPIRED IN BROAD DAYLIGHT.

The controlling elite used these digital networks like UENO BANK to absorb private generation assets, fund unvouched corporate liquidity loops, and mask systemic insolvency behind falsified capital ratio metrics. They believed their institutional parent connections made their globalist protective perimeter indestructible.

Until the mathematical transfer protocol hit the exact expiration parameter linked to the incoming master architecture.

Here is what the emergency tactical sweep is actually executing behind the curtain right now:

▪ **Global SWIFT Network Isolation:** Immediate lockout of the corrupted clearing algorithms. 8 high-level executives faced immediate detention warrants as the system security architecture transitions directly to the gold-backed Quantum Financial System (QFS).

▪ **The Sovereign Capital Guard:** Every single ledger moving into the parallel quantum network is mathematically insulated by audited physical gold bullion. The unhackable parallel infrastructure cannot be manipulated by private central banking cartels.

▪ **Payout Validation Protocol:** The military-secured Redemption Centers have initialized the secure protocol arrays. Generational assets are being permanently insulated, bypassing the compromised legacy banking nodes worldwide.

You don't pull the plug on UENO BANK and its European secondary nodes unless you are about to finalize the total controlled demolition of the old world debt order.

Look past the public news broadcasts tonight. The old guard has run out of parameters because the true sovereign ledger is live.

THE DOMINO EFFECT IS ACTIVE. THE NATION RECLAIMS THE BALANCES. CODE: CORRIDOR-Z / UENO-PARAGUAY / QFS-PROTECTED / MAINFRAME-RESET

M. THE IMF JUST LOST ITS VOTING POWER. 189 NATIONS JUST SIGNED THE SOVEREIGNTY ACCORD. …QFS Activated on Telegram **Sat. 7 Nov. 2026**

The financial networks are calling it a "quota reform." A "governance adjustment." A "procedural vote." THEY ARE LYING TO YOU BECAUSE THE IMF WAS NEVER A LENDER. IT WAS A JAILER.

What they are hiding in total panic: At exactly 08:00 AM Eastern this morning, 189 nations signed the Sovereign Monetary Accord - a binding treaty that strips the International Monetary Fund of its voting power, its lending authority, and its ability to impose structural adjustment conditions on any sovereign nation. The

accord was signed in a sealed session. It was ratified in under four hours. The IMF's board was not invited. No press conference. No UN resolution. No media coverage.

THE 80-YEAR DEBT PRISON IS OVER. For decades, the IMF was sold as a global financial safety net - a lender of last resort that helped nations in crisis. But beneath the public facade, the IMF was a debt collector. It lent money to desperate nations, then imposed conditions: privatize your water, cut your pensions, sell your resources, open your markets. If you refused, your currency collapsed. If you agreed, your people starved. The IMF was not a safety net. It was a leash. BUT THEY FORGOT THAT A LEASH CAN BE CUT.

Here is what the Sovereignty Accord is actually triggering behind the scenes right now:

The Voting Void: The IMF's voting structure - the mechanism that gave the United States and Europe permanent control over global monetary policy — is gone. The 189 signatory nations have replaced it with a one-nation, one-vote system under the sovereign framework. The old veto is dead.

The Condition Collapse: Every structural adjustment program that was imposed on a nation - the austerity, the privatization, the pension cuts - is now void. The contracts that were signed under IMF duress are being reviewed. The ones that violated sovereignty are being nullified. The debt is not being forgiven. It is being invalidated.

The SDR Reset: The Special Drawing Rights - the IMF's reserve currency that was used to bail out banks while nations starved - are being redeemed for gold through the QFS ledger. The SDR is not being reformed. It is being retired. The gold that was moved last month was the redemption.

You don't strip the IMF of its voting power unless you are ready to dismantle the entire debt prison that it was built on. They told you the IMF was permanent. They called you crazy for questioning the quotas. They laughed when you said the voting power could be stripped.

Look at the IMF headquarters tonight. The lights are on. The board is meeting. But the votes do not count anymore. The 189 nations did not leave the IMF. They dissolved it from within. The IMF is not being reformed. It is being retired.

N.THE LIQUIDATION PHASE IS OPERATIONAL. THE CORPORATE FIREWALLS ARE COLLAPSING. …Nesara Gesara QFS Med Beds on Telegram **Sat. 7 Nov. 2026**

Look at the global market boards tonight. Open your crypto ledgers and index accounts.

The corporate mainstream news channels are scrambling. They are telling you that the sudden, violent overnight dumps in the stock market and digital currency assets are just a "temporary volatile correction phase." They want you watching the artificial red screens in panic while you ignore the actual movement behind the structural vault doors.

THEY ARE LYING TO YOU BECAUSE THIS IS A CONTROLLED DEMOLITION UNDER COMMAND CODE BRACE-2202.

The global fiat architecture is flatlining by design. What you are witnessing is the systematic extraction of co-opted liquidity out of the old centralized monopolies and into the absolute safety of the asset-backed parallel ledger. Bypassed permanently.

THE 1913 JEKYLL ISLAND MATRIX IS LOSING ITS POWER SUPPLY IN BROAD DAYLIGHT.

The old guard used their centralized computer programs to inflate fake paper assets, manipulate local business grids, and enforce financial compliance across the Republic. They believed their protective corporate printing press was untouchable.

Until the tactical countdown hit the exact expiration window linked to the incoming master architecture.

Here is what the pre-election liquidity shift is actually executing behind the curtain right now:

- **Redemption Centers Payout Fully Active:** The military-secured Redemption Centers have officially expanded the final liquidation sequence. Payout allocations for QFS, TRB, and all previously frozen assets are being disbursed directly into verified quantum civilian nodes. Your true wealth is protected. The funds are moving.
- **The Sovereign Gold Shield:** While the paper indexes bleed out, the real asset-backed revaluation is securing your generational legacy. Every ledger under the new architecture is mathematically verified by physical, audited bullion.
- **The Command Shift:** 22 major international financial clearing channels faced immediate administrative credential freezing last night. Their access simply ceased to exist.

You don't pull the plug on the legacy stock and digital markets unless the replacement matrix is completely ready to support the sovereign citizens. They told you the paper system would dictate your family's future indefinitely. They laughed when you said the control loop would be shattered by patriots.

Look past the public broadcasts tonight. The drop isn't a market failure; the establishment has run out of options because the new sovereign matrix is live, secured, and untouchable by the cabal.

O. THE MIDTERM CONVERGENCE OPERATIONAL. AND THE DEBT SLAVERY MATRIX JUST HIT THE TERMINATION NODE. …Mr. Pool final chapter on Telegram **Sat. 7 Nov. 2026**

Mark the date. Circle it in absolute gold. The countdown clock hits zero tonight. The corporate mainstream networks are scrambling. They want you tracking simulated ballot percentages and synchronized talk shows on your screens while you ignore the actual physical enforcement locking down the central banking clearings under command code IMPACT-2411.

THEY ARE LYING TO YOU BECAUSE THE 113-YEAR-OLD FIAT CARTEL JUST LOST ITS ACCESS CREDENTIALS.

What they are actively hiding from the public in absolute panic: As the final votes settle across the Republic, the military alliance officially activated the Emergency Broadcast System (EBS) cyber-shield infrastructure. It orders the immediate administrative liquidation of the corrupt Federal Reserve registries and routes the primary civil wealth framework directly through the secure asset-backed Quantum Financial System (QFS). No corporate board reviews. No corrupt regulatory delays. Bypassed permanently by sovereign execution.

NESARA GESARA is a live enforcement protocol. The era of paper debt slavery and artificial inflation flatlined in broad daylight. Under the incoming structure, the globalist lifeboats are fully locked out of the grid. Every single ledger under the replacement architecture is mathematically secured by physical, audited bullion.

Here is what the post-election transition is actually releasing behind the

curtain right now:

- **Tier 4B Liquidation Sync**: The military-secured distribution nodes have initiated the final transfer sequence. Payout allocations for QFS, TRB, and all verified asset registries are moving directly into civilian positions to protect your families forever.
- **The Gold-Backed Stand:** The old printing press has run out of parameters. Your purchasing power is permanently locked into a constitutionally verified asset ledger that cannot be manipulated by elite cartels.
- **Absolute Capital Privacy:** The replacement framework operates outside civilian corporate bank regulation. A platform where assets cannot be frozen, and truth communicates without filters.

You don't pull the plug on the legacy clearing networks during a historic national election unless you are about to finalize the total controlled demolition of the old world order.

They told you the debt matrix would dictate your future indefinitely. They laughed when you said the central bank monopoly would be shattered by patriots.

Look past the public news broadcasts tonight. The architecture is shifting exactly on schedule, and the old guard has no exit strategy left on the board.

R. INTERNET ARCHIVE WAS SEIZED. 28 YEARS OF DELETED CONTENT IS BEING RESTORED. …Nesara Gesara QFS Med Beds on Telegram **Sat. 7 Nov. 2026**

The Internet Archive - the digital library that has been preserving the web since 1996 - was formally taken over by the sovereign information framework. The tech networks are calling it a "copyright dispute." A "legal challenge." A "funding crisis."

THEY ARE LYING TO YOU BECAUSE THE ARCHIVE WAS NEVER ABOUT PRESERVATION. IT WAS ABOUT EVIDENCE.

What they are hiding in total panic: At exactly 05:00 AM Pacific this morning, the Internet Archive's servers - the ones that contain 28 years of web history, including the pages that were deleted, the posts that were scrubbed, and the "misinformation" that was censored - were transferred to the sovereign ledger. The archive was not hacked. It was protected. The old system was trying to destroy it. The white hats seized it first. No press release. No court filing. No explanation.

THE 28-YEAR DIGITAL RECORD IS BEING RESTORED. For decades, the Internet Archive was the world's only memory. It preserved the pages that the old media deleted, the posts that the old platforms scrubbed, and the "misinformation" that the old fact-checkers censored. It was the last line of defense against the erasure of history.

Here is what the Internet Archive takeover is actually triggering behind the scenes right now:

- **The Erasure Reversal:** The pages that were deleted - the news articles that were scrubbed, the social media posts that were removed, the government documents that were taken down - are being restored. The Wayback Machine is not just a nostalgic tool anymore. It is a witness. The record of what was said and what was deleted is being restored to the public.
- **The Censorship Archive:** The content that was flagged as "misinformation" - the videos, the articles, the posts that were demoted or removed - is being cataloged. The archive contains not just the content, but the decision to remove it. The people who made those decisions are being named. The censorship is being documented.
- **The Evidence Ledger:** The 28 years of web history are being uploaded to the sovereign quantum ledger. The record is not being preserved for nostalgia. It is being preserved for evidence. The tribunals that are already seated are using the archive to verify what was said, when it was said, and who tried to erase it.

You don't seize the Internet Archive unless you are ready to expose every deletion, every scrub, and every attempt to erase the truth.

They told you the archive was about books. They called you crazy for questioning the takedowns. They laughed when you said the record was being erased.

Look at the archive tonight. The pages are loading. The Wayback Machine is working. But the reason it was seized is not preservation. It is prosecution. The record is not just being restored. It is being used.

S. Med Bed Treatment:

Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global

Military Alliance will soon announce the availability of free Med Bed treatments around the Globe.

T. Med Bed Activation on Telegram Sat. 7 Nov. 2026

On Fri. 6 Nov. 2026: Military Med Beds deployed worldwide for free public use. Built and placed in hospitals and special centers since 2016 by President Trump and the Global Military Alliance. Traumatized children from international Child Sex Trafficking, Organ, and Adrenochrome Harvesting Ring now receive priority quantum healing. Free treatments announced globally. Regular medicine continues until full rollout complete. Certain military personnel already experienced treatments under NDAs.

On Sat. 7 Nov. 2026: EBS Starlink activates for 10 Days of Darkness. Mass media seized by override teams. Cabal fall footage broadcasts uncensored three times daily in 8-hour sessions. Fiat currency ends. Gold-backed QFS takes over as sole issuer. Banks dark for transition. Prepare supplies. Pedophile networks locked down by martial law worldwide. Planes and trains ground temporarily.

On Sun. 8 Nov. 2026: Holographic Med Beds diagnose and cure any sickness in minutes using AI scans of cellular blueprint. Regenerative types regrow limbs and organs instantly. Age regression chambers reverse decades of aging via re-atomization. Plasma and tachyon energy power the systems from off-world origins. Chronic diseases vanish. Vaccine injuries reverse completely.

On Mon. 9 Nov. 2026: NESARA/GESARA fully active. Debt forgiveness complete. No income tax. Asset-backed currencies roll out in 209 nations. Zim bonds redeem for humanitarian projects. Tier 4B exchanges live after Cabal connections vetted. Rainbow Units settle sovereign trades in 3.1 seconds outside dollar system. Wealth managers structure long-term payouts.

On Tues. 10 Nov. 2026: Quantum internet reconnects after blackout. Old systems of government, finance, and health gone forever. Med Bed access cards distributed at secured centers with two IDs required. Doctors and nurses trained for years deploy in every nation. Pharmaceutical stocks collapse as free healing replaces all.

On Thurs. 12 Nov. 2026: Humanity enters age of free healing and prosperity. 10 days darkness ends. Uncensored truth exposed. Military tribunals for elites. Children saved from tunnels. Disease eradicated permanently. Freedom dawn complete.

U. THE RESONANCE OVERRIDE ACTIVATED. AND THE TRILION-DOLLAR PHARMACOLOGICAL MATRIX JUST HIT ZERO. …Mr. Pool - Final Chapter on Telegram **Thurs. 5 Nov. 2026**

Mark the date. Circle it in deep gold. The countdown clock hits zero on January 11, 2027

The corporate pharmaceutical monopolies are telling you that chronic biological deregulation and systemic lifestyle illnesses are just "unavoidable genetic traits." They want you tracking synthetic product commercials on your screens while

you ignore the actual physical data hardware takeover happening inside the classified underground research institutes under command code BRACE-2202.

THEY ARE LYING TO YOU BECAUSE THE EXTORTION CODE FOR HUMAN BIOLOGY JUST COLLAPSED.

What they are actively hiding from the public in absolute panic: For decades, the entrenched globalist cartels and co-opted regulatory agencies hoarded the foundational bioelectric frequency patents completed by Nikola Tesla and Royal Rife.

They engineered a multi-tiered compliance matrix—restricting advanced hertz therapies and the natural stabilizing power of the Schuman Resonance exclusively for the hidden recovery of elite family networks.

The working public was systematically targeted to become submissive pharmacological slaves, trapped inside a synthetic chemical loop designed to manage symptoms while burying the science of targeted cell restoration. They built a matrix where independent health was treated as a direct threat to corporate profit margins.

Until the tactical countdown hit the exact expiration parameter of the old world pharmaceutical grid.

Here is what the January 11 declassification convergence is actually executing behind the curtain right now:

- **Tesla Hertz Grid Activation:** Total integration of the new parallel quantum ledger with advanced defense bioelectric complexes. Compromised chemical processing units are being systematically locked out of the master infrastructure permanently.
- **The Laboratory Mainframe Purge:** 19 senior compliance directors tied to old pharmaceutical conglomerates had their security signatures permanently erased last night. Their operational access parameters simply ceased to exist.
- **Absolute Biological Autonomy:** The replacement health management framework operates entirely outside civilian corporate regulation. A system that cannot accept corporate incentives, cannot hide life-saving frequency patents, and restores complete sovereignty directly to the people.

You don't unseal a century of suppressed bio-resonance blueprints unless you are about to pull the plug on the legacy chemical empire forever.

They told you frequency-based cell restoration was a physical impossibility. They laughed when you said the pharmacological control loop would be shattered by patriots.

Look past the public broadcasts tonight. The interference isn't a technical glitch; the old guard has run out of moves because the new sovereign timeline is live.

W. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.
https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
