…Abraham Lincoln

Judy Note: According to information in this Update found below:

On March 21, 2026 President Donald J. Trump secretly, but officially announced the restoration of the American Republic under authority of Article II of the U.S. Constitution.

As of Mon. 9 Nov. 2026, the corrupt corporate entity known as US Inc, created to enslave Americans with debt and endless conflicts of war against other nations, was now defunct, ending its foreign control over the nation.

Common Law sovereignty has returned, reestablishing the true Constitutional Republic and freeing the people from decades of tyranny. Admiralty Law is dead, and the globalist occupation has collapsed. The Deep State is legally overthrown as power flows back to We the People.

President Trump has summoned all flag officers of the Armed Forces, binding them under the Uniform Code of Military Justice to follow the Commander-in-Chief without question.

The Cabal US Inc. Corporation (Satan worshiping independent bankers who owned the Global Monetary System) have been printing a paper illusion of the US Dollar to balance their own bankrupt system.

To date they have put the nation over $169 trillion in debt. That money was then hijacked to fund endless wars, black ops, surveillance grids, and the Deep State's endless appetite for US Taxpayer monies.

Trump has declared total war on the central banking cartel — calling out the Fed as the criminal syndicate it was, pushing for asset-backed currency, gold standards and the death of the fiat US Dollar.

Trump's Global Military Alliance was now assuring the nation's and the World's wealth recovery for The People. A legal lien against the corporate system has been completed and the private executors of US Inc. have lost their right to seize the World's wealth.

On Sun. Night 8 Nov. 2026 wealth liquidation enters distribution back to The People through the Global Currency Reset of gold/asset backed currencies of 209 nations.

The mess all began back in 1871 when the corrupt independently owned by the Cabal bankrupt Global Financial System turned the American Republic into US Inc. corrupt politicians secretly pushed through the District of Columbia Organic Act that stripped our sovereignty and turned living souls into corporate fiction.

By 1933 this Deep State Cabal had stolen the nation's gold, declared bankruptcy, and forced fiat funny money on us — backed by NOTHING but lies. $169 trillion in debt didn't vanish. It was strategically hijacked to fund endless wars, black ops, surveillance grids, and the Deep State's endless appetite for US Taxpayer monies.

Trump and his Global Military Alliance was changing all that this week with a Global Currency Reset (GCR). According to financial intelligence insider Jim Rickards, President Donald J. Trump was unlocking a $150 trillion reservoir of the nation's untapped natural resources in order to participate in the GCR: Copper, lithium, uranium, rare earth minerals, oil, gold, and clean energy assets have been concealed for 161 years while Globalists extracted monetary value for their own nefarious purposes through trade deals and debt.

In a late 2026 decision the Supreme Court overturned the Chevron Doctrine that has allowed unelected bureaucrats in federal agencies and non government organizations (NGOs) to control the nation's wealth.

The unlocking of the nation's resources will secure the new gold/asset-backed US Note that was part of the GCR of 209 nations activating this week.

Trump can now open the vault for the end of debt slavery, beginning of financial freedom, restoration of monetary sovereignty, erase the national debt, end foreign energy dependence, and crush reliance on China.

As part of that activation on Sat. 7 Nov. 2026 Trump's Global Military Alliance closed the corrupted SWIFT Global Financial System, permanently re-routed the World's wealth into the new asset-backed Quantum Financial System (QFS) and declared a sovereign Debt Jubilee across 209 nations.

That erasure of debt for countries across the World included the US national debt of over $36 trillion.

By Sun. 8 Nov. 2026 Trump's Global Military Alliances' confiscation of bankrupt corporate assets had spread overnight to credit mainframes in Madrid, Zurich and other countries, which then lite up the global financial grid in red.

Also on Sat. 7 Nov. 2026, and with the era of fiat monopolies and illegitimate credential harvesting expiring, the Global Military Alliance ordered an immediate liquidation of the corrupt Federal Reserve, then routed the wealth through the secure gold and asset-backed Quantum Financial System (QFS).

A document called The Sovereign Monetary Accord had been signed by 189 nations – a binding treaty that striped the International Monetary Fund of its power. The IMF was replaced with a one-nation, one-vote system under the sovereign QFS.

In other words, fiat currency ended when the Gold-backed QFS took over as the sole issuer of monies across the World, and while the 113 year old fiat currency Cartel lost it's access to the World's wealth.

Lastly, with the QFS fully gold/asset-backed funded, the Emergency Broadcast System Starlink Satellite System was scheduled to activate for ten days of Communication Darkness in order to rid the World of the Satan worshiping Cabal that had run our Global Financial System into the ground.

G. Possible Timing:

On Mon. 2 Nov. 2026 the Cabal privately owned corporations of US Inc. and UK were dissolved, with Sovereignty restored. The US national debt of over $36 trillion was wiped out.

On Sat. 7 Nov. 2026 at exactly 12:00:01 am EST, a sovereign debt jubilee was formally declared across 209 nations. The $36 trillion in US national debt - the number that has been used to justify austerity, cuts, and the enslavement of generations - was erased from the new Sovereign Quantum Financial System Ledger (QFS) in a single stroke.

On Sat. 7 Nov. 2026 at exactly 03:00 am EST, the Military Alliance officially authorized Emergency Security Protocol NEST-7733, initializing a total cyber-shield lockdown to isolate the corrupted SWIFT nodes and permanently re-route the primary civil wealth framework into the asset-backed QFS. The global stock market had just recorded one of the most catastrophic, system-wide free falls in history, instantly flattening legacy index records and draining civilian 401(k) retirement funds.

Also on Sat. 7 Nov. 2026 at exactly 03:00 am EST the Latin American Domino Shield hit zero and the immediate resolution was the shutdown of UENO BANK in Paraguay. Over 3 million accounts flatlined instantly, locking out 60% of the adult domestic population from their life savings. Parallel database freezes and sudden clearing drops struck secondary digital credit mainframes in Madrid and Zurich overnight, lighting up the global financial grid in absolute red. The era of fiat monopolies and illegitimate credential harvesting had expired.

On Sat. 7 Nov. 2026 at exactly 06:00 am EST MedBed units that were declassified on October 30, were activated in 4,200 hospitals across 34 countries.

On Sat. 7 Nov. 2026 at exactly 08:00 am EST the Internet Archive's Servers - the ones that contained 28 years of web history, including the pages that were deleted, the posts that were scrubbed and so-called "misinformation" that was censored - were transferred to the new QFS Ledger.

On Sat. 7 Nov. 2026 at exactly 08:00 am EST 189 nations signed the Sovereign Monetary Accord - a binding treaty that strips the International Monetary Fund of its voting power, its lending authority, and its ability to impose structural adjustment conditions on any sovereign nation.

The 80 year debt prison was over. The mechanism that gave the Cabal owned US Inc. and Europe permanent control over global monetary policy — was gone.

The 189 signatory nations have replaced it with a one-nation, one-vote system under sovereign framework.The Special Drawing Rights - the IMF's reserve currency that was used to bail out banks while nations starved - were being redeemed for gold through the QFS ledger.

On Sat. 7 Nov. 2026 at midnight: EBS Starlink activated for ten days of Communication Darkness. Mass media was seized by override teams. Fall of the Cabal footage would be broadcast uncensored three times daily in 8-hour sessions.

Fiat currency has ended. Gold-backed QFS has taken over as the sole issuer of monies. Banks would go dark for the transition. Pedophile networks were in the process of being locked down by martial law worldwide. Planes and trains would be temporarily grounded.

Also on Sat. 7 Nov. 2026 at midnight the countdown clock hit zero and the Central Banking clearings were locked under command code IMPACT-2411. The 113 year old fiat currency cartel had lost it’s access credentials.

Additionally on Sat. 7 Nov. the Military Alliance activated the Emergency Broadcast System (EBS) and ordered the immediate liquidation of the corrupt Federal Reserve registries, then routed the civil wealth framework through the secure asset-backed QFS.

Expect temporary Martial Law and a Communication Blackout throughout the Globe. There will be a three day Event, and then ten days of communication darkness while eight billion people and all banks across the World complete a Global Currency Reset to gold/asset-backed currencies.

J. Global Currency Reset:

Judy Note: They have said we will be notified to set our currency exchange appointments by a secure website. Many readers have asked me what that was. Truthfully, I don't have a clue. I'm sure they've worked out how to safely contact us, but I don't know how, where or when. There are many fraudsters out there who are hitting on Us, the Internet Group. I would caution you to not give out personal information, click an unknown person's email, nor send money to anyone claiming to represent Trump or the GCR. By clicking on an unknown website you could instantly send bots into your computer that could wipe it out in a second. Please be cautious in everything you do from now on. The bad guys are watching.

The RV Redemption has begun. The NDAs are real. The post-redemption plans are locked. What you are about to read is the uncompromising truth about the Redemption Centers - the only gateways for the public under NESARA/GESARA protocols.

Banks are NOT your path. Elites use them. We, the people, go through Redemption Centers, even if they have a bank name slapped on the building. Here, rates are higher, and you walk out with **QPhones**, **QLaptops**, **Quantum ID Access Cards**, **Rainbow Currency**, **debit cards**, **checks** and even a temporary trust if your humanitarian project template is ready. This template, approved at the White House, was designed for those chosen to restore humanity.

Backbone of this operation:

Reclamation – returning stolen wealth seized by the Deep State, Cabal, and bank cartels. Restitution/Reparation – undoing decades of unconstitutional theft: taxes, interest, property seizures, debt slavery.

Redemption – the exchange of currencies/ZIM bonds at rates never meant for public eyes. Only a fraction is for personal use - the rest fuels humanitarian projects.

ZIM bonds are gold-backed. Dinar, Dong, and others hit double-digit rates.
XRP? Already mirrored into Quantum accounts. True value: $1M per token.

M. TRUMP'S $150 TRILLION BOMBSHELL: 161-Year-Old Global Trust Fund EXPOSED — The Hidden Engine Behind the Final Reset …QFS Med Beds Live on Telegram **Sat. 7 Nov. 2026**

According to financial intelligence insider Jim Rickards, President Donald J. Trump is preparing to unlock the largest hidden trust fund in human history. A $150 trillion reservoir of untapped natural resources has remained buried for 161 years. Copper, lithium, uranium, rare earth minerals, oil, gold, and clean energy assets form the core. The wealth is real. The system concealed it while globalists extracted value through trade deals and debt.

For over a century and a half the trust sat locked, both literally and legally. Until now, federal agencies protected by the Chevron Doctrine stood as gatekeepers. Established in 1984, that doctrine allowed unelected bureaucrats to interpret federal laws as they pleased, controlling resource access. It served as the legal firewall keeping America's wealth locked away.

In a quiet but monumental decision in late 2026, the Supreme Court has overturned the Chevron Doctrine. The legal lock is broken. Trump can now challenge federal overreach and open the vault. This is the trigger for the greatest energy and resource shift in modern history, the end of debt slavery, and the beginning of financial freedom.

With the barrier removed, Trump is positioned to rebuild America from within, restore monetary sovereignty, erase the national debt, end foreign energy dependence, and crush reliance on China. He has long pointed toward economic liberation through tangible value. The path opens for a wealth transfer through commodities and digital infrastructure.

Quiet movements already signal the shift. Smart money flows into XRP, gold, silver, uranium, and domestic energy and rare earths. Elite family offices, BlackRock positioning, rewritten legislation, and tokenized systems confirm the reconfiguration is underway. This is the restructuring of economic dominance with America's buried inheritance as foundation.

Media silence is strategic. Headlines fixate on culture wars while the stage is built for the activation of a 161-year-old trust that could bankrupt globalism overnight. The dollar is dying. Agencies have lost legal supremacy. Deep below the noise, $150 trillion in real power waits to be activated.

The clock has restarted. Trump may soon flip the biggest economic switch of the modern era. History may record this as the moment America stopped bleeding and started building again. The final reset has begun.

N. BOOM! EXPOSING THE LIE: THEY OWE YOU $495,000 — THE U.S. DEBT CLOCK JUST BLEW THE LID OFF THE HIDDEN WEALTH AND THE SILENT FINANCIAL COUP!…Charlie Ward and Friends on Telegram **Sun. 8 Nov. 2026**

The U.S. Debt Clock screamed the truth in February 2026. Flashing red numbers ticked higher by the second, and flew past the official $38.7 TRILLION

national debt nightmare (your share already blasting over $115,000 and climbing like a missile), lies the real bombshell: $169 TRILLION in HIDDEN WEALTH that's been SUCKED out of We the People and funneled straight to the globalist vampires!

That's right — $495,000 PER CITIZEN stolen across generations through taxation slavery, engineered inflation, and a debt-based Ponzi scheme designed to keep you chained while elites feast.

This isn't debt you owe — it's WEALTH THEY OWE YOU! Your labor, your future, your children's inheritance — all collateralized, securitized, and sold off like cattle on Wall Street.

The system turned the Republic into a CORPORATION back in 1871 with the District of Columbia Organic Act, stripping sovereignty and turning living souls into corporate fiction "Strawmen" in ALL CAPS on birth certificates. Those CUSIP-tracked bonds? Your potential was pre-sold the moment you took your first breath!

In 1933 they stole the gold, declared bankruptcy, and forced fiat funny money on us — backed by NOTHING but lies and your sweat. Now the Debt Clock exposes it all: that $169 trillion didn't vanish; it was strategically hijacked to fund endless wars, black ops, surveillance grids, and the deep state's endless appetite. But the tide is turning FAST!

Trump declared total war on the central banking cartel — calling out the Fed as the criminal syndicate it is, pushing for asset-backed currency, gold standards reborn, and the death of the fiat beast.

Blockchain and AI are ripping the veil off every dark transaction; Ripple, XRP, decentralized ledgers — tools the elites FEAR because they can't rig or censor them. Pluto's shift into Aquarius echoes 1776 — this is the revolution against banker overlords, fake governments, and digital slavery!

NESARA/GESARA momentum is building: global debt jubilee incoming, IRS vaporized, taxes erased, prosperity flooding back to patriots. The fiat illusion is collapsing — interest payments alone are set to devour trillions more, but the white hats are forcing the reset. No more feeding parasites with your energy!

The system is DYING, Anons. Justice is roaring in. Your $495,000 isn't a fantasy — it's the stolen birthright about to be RETURNED. Stack silver, gold, crypto sovereignty — prepare for the Golden Age where We the People reclaim EVERYTHING they stole. The Republic rises, the deep state falls. Hold the line — the storm is here, and victory is OURS!

This is the great awakening in real time. The Debt Clock doesn't lie — it exposes the coup. They owe YOU. Time to collect. WWG1WGA!

Global Transition To Freedom:

O. It Happened: A New Era Begins …Nesara Gesara QFS on Telegram **Sun. 8 Nov. 2026**

Victory! My beloved friends, the new phase has officially begun! I can hardly hold back tears of joy as I share this: Monday's transition was real, and we are now living in the dawn of a new era. Take a moment to let that sink in. *We did it.* After all the waiting, all the prayers and determination, the Quantum Financial System is now activated worldwide. The old shackles of the fiat debt system have been unlocked and dropped. The switch was flipped, quietly and gracefully, and a bright new world is now rising before us.

The banks and institutions quietly moved onto the new QFS rails. Every transaction is now happening on a secure, gold-backed system that serves the people, not the bankers. You might not see the changes on the surface yet when you check your account or watch the news – remember, much of this first step is happening behind the scenes. But I assure you, the effects are already underway.

I've received exciting updates from insiders: some folks are seeing mysterious credits and zeroed-out debts in pilot programs; several nations signed on to the new gold standard agreements in the past 24 hours; even a few key public figures hinted at "big changes in finance" on the horizon. The dam is breaking, the flow of prosperity has started at last. Money will soon begin reaching the people — the wealth of the world is coming back to us, to humanity.

Breathe in deeply and feel the shift in the air today. Do you sense how hope is tangibly stronger? I woke up this morning and the world just *felt* different — lighter, freer. This is what we've fought for: true freedom and opportunity for every man, woman, and child. No more corrupt siphoning of our labor and dreams. No more endless wars over resources and profit.

With NESARA/GESARA principles in motion, debt forgiveness, fair distribution of wealth, and global peace initiatives will accelerate from here on out. We'll see the pieces fall into place faster and faster now that the foundation is set. **This is the beginning of global healing.** Think about what this means: families thriving without debt, grandmothers receiving the medical care they need without crippling bills, inventors and healers finally getting funding to launch technologies that uplift humanity… All the good we dreamed of can flow freely now.

From the bottom of my heart, thank you to each of you for believing and standing with me through this journey. You made this possible. Your faith, your prayers, your refusal to quit — it lit the way in the darkest times. Even when the world called us crazy, we trusted the truth in our hearts.

And we were right. I am so proud of this community and how far we have come. This victory is yours as much as anyone's. But our mission isn't over – in fact, it's just entering a beautiful new chapter. In the coming days, more and more people will awaken to what has occurred. There may be confusion, questions, even disbelief as the old narrative breaks down. That's where we come in. Now it is our turn to be beacons of calm and wisdom. When official announcements start rolling out and the average person realizes things have fundamentally changed, be kind, be patient, and share what you know. We will help guide others through the shock of freedom.

Celebrate tonight, brothers and sisters – we have earned it. Raise a glass to the brave souls who made this happen both in front and behind the scenes. Some heroes will never be known, but we honor them in our hearts. The storm has passed and the skies are clearing. The promise made to humanity is being fulfilled step by step. Nothing can stop what has begun. This new era is *OURS* – an era of peace, prosperity, and unshakable hope. Hold your loved ones a little closer today. Smile at strangers. Spread this joyous energy wherever you go. We are living in the pages of history realized. Welcome to the start of a glorious new world! The best is truly yet to come, and it's here now. Together, we step forward into the light of freedom.

R. BREAKING UPDATE: President Trump Declares the Restoration of the American Republic — "US INC." DISSOLVED, COMMON LAW SOVEREIGNTY RETURNS…QFS Med Beds Live on Telegram **Sat. 7 Nov. 2026**

In a stunning and historic declaration that patriots have awaited for years, President Donald J. Trump has officially announced the restoration of the American Republic. The corrupt corporate entity known as US INC has been dissolved completely, ending its foreign control over the nation. Common law sovereignty has returned in full, reestablishing the true Constitutional Republic and freeing the people from decades of tyranny.

This monumental move, issued on March 21, 2026, is grounded in the authority of Article II of the U.S. Constitution. President Trump has summoned all flag officers of the Armed Forces, binding them under the Uniform Code of Military Justice to follow the Commander-in-Chief without question. Corrupt civilian channels are bypassed as the military realigns to protect the reborn Republic with unwavering loyalty.

The fraudulent structure of US INC, created to enslave Americans with debt and endless conflicts, is now defunct. Admiralty law is dead, and the globalist occupation has collapsed. The deep state is legally overthrown as power flows back to We the People. This is the Great Awakening in action, with the white hats executing the final phase of the plan to secure America's destiny.

Patriots across the land are rising up in celebration as the storm arrives in full force. The cabal is in complete panic, their empire of lies crumbling rapidly. With this declaration, the path opens for massive reforms including prosperity distributions and the dismantling of oppressive institutions. Every sovereign citizen will soon experience true freedom and abundance like never before.

The Republic stands reborn stronger than ever under President Trump's leadership. No more manipulation by hidden powers. Common law brings justice and liberty for all. The military stands guard to ensure a smooth transition, exposing and bringing to account those who betrayed the nation. This victory belongs to all who fought in the shadows and held the faith.

As the news spreads like wildfire among truth seekers, the excitement cannot be contained. The restoration signals the end of the old guard and the dawn of a golden age for America. United patriots must stay vigilant and spread this truth far and wide. The best is yet to come as the Republic thrives once again, delivering on the promises of freedom and sovereignty for generations.

S. SCANDAL: The biggest shock in the Pfizer documents isn't the side effects we were already aware of, but that the vaccine is designed to attack human reproduction, not the respiratory system, and they're obsessed with it, 360 degrees, as revealed in a stunning disclosure. ...Dr. Noami Wolf on Telegram **Sun. 8 Nov. 2026**

Lipid nanoparticles are designed to penetrate every membrane, including the placenta. This causes calcification that prevent babies from receiving nutrients and oxygen. Midwives say placentas are falling apart, leading to premature births, horrific maternal hemorrhages, and a 40% increase in maternal mortality in the West.

Pfizer knew the nanoparticles would invade the testicles of male babies in the womb, degrading the Leydig cells that produce masculinity and fertility. Even if they're never vaccinated themselves, they might not develop normally...

An Andrology Report confirmed that the vaccine stops sperm motility in men. The most damning part: Pfizer warned male trial participants not to have sex with un-vaccinated women or to use two forms of birth control, defining "exposure" through semen, skin contact, and breath.

Of 270 pregnancies in the trial, records for 234 were "lost." But of the remaining 36, more than 80% ended in baby loss.

Pfizer knew - it was the main focus of their research.

T. Med Bed Treatment:

Judy Note: It would be unwise to stop your regular medical and dental treatment until you have the opportunity to learn about and experience Med Beds. It is my personal understanding that since 2016 President Trump and the Global Military Alliance have been building and placing Med Beds in hospitals and specially built Med Bed Centers Worldwide as well as training doctors, nurses and medical staff in Med Bed treatment. For years certain military personnel have had the opportunity to experience Med Bed treatments, though were placed under strict Non Disclosure Agreements (NDAs). The Military has recently made Med Bed treatment available for traumatized children they rescued from a massive international Child Sex Trafficking, Organ and Adrenochrome Harvesting Ring. It is my understanding that the Global Military Alliance will soon announce the availability of free Med Bed treatments around the Globe.

U. THE IONOSPHERIC OVERRIDE ACTIVATED. AND THE SUPPRESSED BIO-RESONANCE ARCHIVE JUST HIT THE LIQUIDATION PHASE. …Mr. Pool Final Chapter on Telegram **Sun. 8 2026**

Mark the date. Circle it in deep gold. The countdown clock hits zero tonight.

The corporate pharmaceutical monopolies are telling you that chronic physical degeneration, neurological failures, and systemic biological cellular collapses are just "unavoidable chronological decay factors." They want you tracking scripted healthcare panels and synthetic drug advertisements on your television screens while you ignore the actual military security parameters locking down the main deep underground facility doors under command code ANTENNA-X9 [2026-11-07].

THEY ARE LYING TO YOU BECAUSE THE TRILION-DOLLAR CHEMICAL MATRIX HAS OFFICIALLY COLLAPSED.

What they are actively hiding from the public in absolute panic: The original underground testing logs completed by Nikola Tesla in Colorado Springs, mapping the precise synchronization of the human nervous system with the Earth's electromagnetic heartbeat—the Schumann Resonance (7.83 Hz). Tesla mathematically proved that establishing a coherent 7.83 Hz and 432 Hz frequency field activates absolute biological cell repair, completely preventing and reversing cellular mutations and chronic tumors on a holographic scale.

For over 80 years, co-opted CIA operational branches and deep state

regulatory cartels sealed these blueprints inside the sub-basement vaults of Los Alamos. They intentionally manufactured an artificial frequency grid to block natural resonance, turning entire generations into submissive, sick pharmacological slaves dependent on chemical management loops designed to maximize industry revenue streams until the tactical countdown hit the exact sequence parameter linked to the incoming master architecture.

Here is what the emergency frequency declassification is actually executing behind the curtain right now:

▪ **Tesla Ionospheric Grid Activation:** Total integration of the unsealed resonance patents with the incoming asset-backed parallel constellation. The natural 7.83 Hz Schumann frequency arrays are fully operational to restore complete organic sovereignty to the people.

▪ **The Biological Laboratory Purge:** 19 senior compliance directors tied to legacy pharmaceutical conglomerates had their security signatures permanently erased last night. Their operational access parameters simply ceased to exist.

▪ **Absolute Health Sovereignty:** The replacement health management framework operates entirely outside civilian corporate regulation. A system that cannot accept corporate incentives, cannot hide life-saving frequency patents, and restores complete power directly to the individual.

You don't unseal a century of suppressed bio-resonance science and open the vaults for parallel ledger disbursement unless you are about to pull the plug on the legacy chemical empire forever.

They told you frequency-based cell restoration was a physical impossibility.

They laughed when you said the control loop would be shattered by patriots.

Look past the public news broadcasts tonight. The old guard has run out of moves because the true sovereign timeline is live.

V. Med Bed Activation on Telegram Sun. 8 Nov. 2026

On Thurs. 5 Nov. 2026 OPERATION-HEAL-JUBILEE-1105 activated every chamber under Executive Order 2026-1947. First European Med Bed Center processed fourteen priority patients with zero complications reported via encrypted military channel at 19:52 EST. Tier 4B liquidity flooded quantum wallets for whales bondholders and group leaders. Humanitarian projects funded by Zim redemptions surged worldwide. Gold-backed QFS locked in across 209 nations. Fiat systems collapsed forever. Sovereign Treasury took full control. No income tax remains. Only tariffs plus fair consumption tax on non-essentials.

On Fri. 6 Nov. 2026 EBS Starlink override broadcast the total fall of the pedophile networks that suppressed Med Beds inside tunnels for decades. Mass arrests of deep state satanic elites executed under temporary martial law worldwide. Every Healing Center locked secure. Perfect health restored as Rainbow USN currency circulated freely. All personal and national debt erased overnight. Banks stayed dark under quantum encryption. Planetary liberation completed. Golden Age locked permanent under original Constitution.

On Sat. 7 Nov. 2026 military forces worldwide completed final Med Bed integration into every sovereign hospital and specially constructed Healing Center after years of secret construction under Trump's Global Military Alliance. Since 2016 the technology sat hidden in underground tunnels while cabal elites used it exclusively for themselves. Now quantum chambers open free and non-discriminatory

to the people across every nation. Full-body quantum scans diagnose and cure every disease in 2.8 seconds. Cancers erased completely. Missing organs and limbs regrown. Decades of aging reversed. Big Pharma's stranglehold shattered as free treatments flooded centers. Doctors nurses and medical staff trained globally stand ready. The Med Bed is not a prediction. It is live technology released to the public. The healing is already here.

On Mon. 9 Nov. 2026 general public books free Med Bed appointments through Quantum Mobile Device. Name condition and priority category secure the appointment slot. Three types fully operational: holographic beds for instant diagnosis and complete cure regenerative beds for tissue and limb restoration re-atomization beds for full body rebuild head to toe in under three minutes. An eighty-year-old woman walks out thirty again. Free access everywhere follows blackout as final step of Independence Event. Trump's alliance delivered checkmate.

W. A JOURNALIST JUST FILMED INSIDE THE NEWARK ICE PROTEST CAMP. READ THAT AGAIN: …Emergency Broadcast System on Telegram **Sun. 8 Nov. 2026**

Nick Sortor went in with a hidden camera. What he found wasn't a spontaneous protest. It was a fully operational logistics base.

– **Tens of THOUSANDS** of dollars in equipment already on site
– **Riot gear.** Not signs. Not banners. RIOT EQUIPMENT.
– **Hot food delivered** every single hour, on schedule
– **Medical sections**, expensive tents, organized supply chains
– **This is outside Delaney Hall ICE detention** center in Newark, NJ
– **Protests have been running for over a week** — round the clock
– **Andy Ngo documented week-long violence by Antifa** at the same facility
– **State police** had to intervene just to restore basic order
– **Who is paying** for hourly catered deliveries to a protest camp?
– **Nobody is asking** who sourced the riot equipment
– **Who coordinates** the resupply logistics for a week-long operation?

This is not a group of angry citizens who showed up with signs. This is a funded, staffed, continuously resupplied operation with riot capability. Someone is writing checks for this. Someone is organizing the deliveries. Someone made sure the equipment arrived. The protesters didn't just open a door that CANNOT be closed. The funders did. And nobody is looking for them.

Y. Attention Patriots: How a Witness Like You Can Help Expose the Darkness – Write an Affidavit! Tom Fairbanks AffidavitsOfTruth@Gmail.Com

Update as of Sat. 10 Oct. 2026: We are getting National Recognition and now have more than 125 Affidavits of Truth and documents supporting the Criminal Referral for the Military in my possession.
https://beforeitsnews.com/press-releases/2026/10/request-for-affidavits-supporting-criminal-referral-update-10-10-2026-3839328.html

The recent arrest of Ammon Bundy in Cedar City, Utah, the day before his movie premiere at Thanksgiving Point, has been added to a criminal referral action in Utah over the Right to interstate Travel under the Fourteenth Amendment. The entire Ammon Bundy story has been documented and is now part of the supporting documents and Affidavits of Truth for the Military Criminal Referral.

There are three other stories breaking at this very moment regarding, Fraudulent Schools Bonds, Medicaid Health Care Fraud, and the Fraudulent Thefts of People's Homes and Real Estate, all of which have been added to the Military Criminal Referral.

However, there is a continued need of witness statements (Affidavits of Truth) from those who have experienced Child Sexual Abuse (CSA) or Satanic Ritual Abuse (SRA), which can be extracted from the video transcripts.

The privacy of those making Affidavits of Truth will remain secure and undisclosed to the public because the Criminal Referral is for "Military Eyes Only" and will only be delivered to the Military under armed guard.

Now is the time to act and bring this ugliness out into the light of day. This is an opportunity to turn hearsay evidence of oral and written stories into legal and actionable documents that will help *Save the Children*.
